TERMS OF REFERENCE

8. In preparing this Report, the Monitor has relied upon unaudited financial information, the Applicant's books and records, financial information prepared by the Applicant and Mills, and discussions with the management, legal counsel and advisors of USI. The Monitor has not audited, reviewed, or otherwise attempted to verify the accuracy or completeness of the information and, accordingly, the Monitor expresses no opinion or other form of assurance on the information contained in this Report. An examination of the financial projection or any other future-oriented financial information as outlined in the Canadian Institute of Chartered Accountants Handbook has not been performed. Future-oriented financial information relied upon in this Report is based on management's assumptions regarding future events. Actual results achieved will vary from this information and the variations may be material.
9. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian dollars. For ease of reference, the Monitor has provided certain Canadian dollar equivalents throughout this Report, using the C\$1.176/US\$1.00 exchange rate utilized in the Applicant's most recent cash flow projection.
10. Capitalized terms not defined in this Report are as defined in the Applicant's Initial Application, the Initial Order, Monitor's previous reports to this Honourable Court and the Claims Procedure Order.

UPDATE ON CLAIMS PROCESS

General

11. On January 23, 2009, the Applicant sought and obtained approval from this Honourable Court for a claims procedure whereby the Applicant called for, or in the alternative, acknowledged claims of its creditors ("**Claims Procedure**"). Attached as **Appendix "A"** is a copy of the Claims Procedure Order.
12. The purpose of the Claims Procedure was to establish claims against the Applicant and its current and former directors as at January 23, 2009 (the "**Valuation Date**").
13. The Monitor reviewed the books and records of the Applicant and prepared a claims schedule which set out contact information for each Known Creditor together with, where possible, the Applicant's information relating to that Claim. Where it was possible for the Monitor to do so, based on information in the Applicant's possession, the Monitor provided acknowledgements of claim to each Known Creditor containing Purchaser Information.

Notice of Claims Procedure

14. In accordance with the Claims Procedure Order, the Notice to Creditors, Instruction Letter, the Acknowledgement of Claim, the Proof of Claim, the Notice of Revision or Disallowance, and the Dispute Notice were translated and made available in each of English, German and Spanish. The Acknowledgement of Claim and Instruction Letter were made into trilingual documents. The Monitor utilised the services of a third party translation service to prepare the German and Spanish translations of the documents.
15. In accordance with the Claims Procedure, the Monitor sent Claims Document Packages by ordinary mail on or before January 28, 2009 as follows:
 - i) 6,313 Acknowledgements of Claim to Purchasers;
 - ii) 140 Proofs of Claim Document Packages to Agents; and
 - iii) 18 Proofs of Claim Document Packages to other potential Creditors.

The Proof of Claim Document Package was also available for download from the Monitor's website throughout the Claims Procedure.

16. For the reasons described below, an additional 71 Acknowledgements of Claim were sent to Purchasers after January 28, 2009:
 - i) Fifty five (55) Acknowledgements of Claim were sent to Purchasers on February 5, 2009, which related to investments in two policies that had recently matured. These investments were not on the list provided to the Monitor by the Applicant that was referred to by the Monitor in preparing the Acknowledgements of Claim. Upon discovery by the Applicant of the omission, the Applicant gathered the necessary data and provided it to the Monitor and the Monitor sent Acknowledgements of Claim to these Purchasers.
 - ii) Sixteen (16) Acknowledgements of Claim were sent to Purchasers on February 23, 2009, relating to distributions of death benefits by the Applicant to investors prior to the Filing Date which cheques had become stale dated on or around February 18, 2009. Upon these cheques becoming stale dated, the Applicant transferred these funds, which totalled approximately \$241,000, from the Applicant's corporate account to its maturity account.
17. In accordance with the Claims Procedure Order, on February 2, 2009 the Monitor caused the Notice to Creditors to be published in The Globe & Mail, National Edition (Canada – English language), Die Press (Austria – German language), Handelsplatt (Germany – German language), La Nacion (Argentina – Spanish language), and Tages Anzeiger (Switzerland – German language).

Requests for Amendment and Proofs of Claim Received

18. If Purchasers disagreed with the Purchaser Information contained on the Acknowledgement of Claim, they provided any correcting information or dispute to the Monitor by way of a Request for Amendment. The Monitor received over 1,300 Requests for Amendment on or before February 23, 2009 (the "**Claims Bar Date**").
19. If a Purchaser had a Claim against the Applicant in addition to and independent of the information contained in an Acknowledgement of Claim, or an ordinary Creditor had a

Claim against the Applicant, he or she had to file a separate Proof of Claim by the Claims Bar Date. The Monitor received over 1,400 Proofs of Claim on or before the Claims Bar Date.

20. Two (2) Proofs of Claim were received after the Claims Bar Date which totalled approximately US \$7,000.

Review of Requests for Amendment and Proofs of Claim Received

21. Pursuant to the Claims Procedure Order, the Monitor is required to review the Requests for Amendment and Proofs of Claim that were received from Creditors of the Applicant to determine the adequacy of the manner in which Requests for Amendment and Proofs of Claim have been completed and executed. The Monitor, in consultation with the Applicant, is in the process of reviewing all the Requests for Amendment and Proofs of Claim filed on or before the Claims Bar Date.
22. If the Monitor does not accept a Request for Amendment or proof of Claim, then it is required to either revise or disallow (in whole or in part) the Purchaser Information set out in any Request for Amendment and the amount and/or status of the Claim set out in any Proof of Claim by way of Notice of Revision or Disallowance. To date, the Monitor has issued 132 Notices of Revision or Disallowance.
23. In accordance with the Claims Procedure Order, any determination of the nature, value or priority of the claim of a Purchaser was not meant to be determined by the Acknowledgements of Claim. Any determination of the nature, value or priority of the claim of a Purchaser will be dealt with through a Plan of Arrangement or further order of this Honourable Court.

Disputed Notices of Revision or Disallowance

24. Any Creditor who received a Notice of Revision or Disallowance and intended to dispute such Notice of Revision or Disallowance had to deliver a Dispute Notice to the Monitor by no later than 4:00 p.m. (Eastern Standard/Daylight Time) on the day that is fourteen (14) days after the Monitor sent the Notice of Revision or Disallowance.

25. As of the date of this Report the Monitor has not received any Dispute Notices from Creditors. However, the deadline for the receipt of Dispute Notices has not passed because the 132 Notices of Revisions and Disallowance were issued on April 14, 2009.

Voting and Distribution Rights

26. In the event that a Creditors' Meeting is held prior to a Claim becoming a Proven Claim, the Monitor will conduct the vote of the Creditors and record the fact that the subject Creditor's vote is in dispute and will report the results of the vote and any effect of disputed votes to this Honourable Court. The validity of the Claim and the corresponding vote by the Creditor will not be final or binding on the Creditor, the Monitor, or the Applicant unless and until, and only to the extent that, the Claim becomes a Proven Claim.
27. Where a Claim has not become a Proven Claim prior to a distribution under any Plan, a reserve in respect of the specific Claim will be established and held by the Monitor, but the Creditor will not be entitled to a dividend based on the Claim unless and until, and only to the extent that, the Claim becomes a Proven Claim.

UPDATE ON SALE OF TPI AIDS PORTFOLIO

28. As described in the Fifth Report, on February 23, 2009 there remained approximately US \$1,475,000 (Cdn \$1,735,000) in escrow available for distribution to the Applicant pursuant to the terms of sale of the TPI AIDS Portfolio (the "Escrow"). The Applicant's cash flow projection to May 2, 2009 filed with the Fifth Report anticipated the receipt of three substantial payments from the Escrow between the weeks ending on February 28 and May 2, 2009 totalling approximately US \$1,250,000 (Cdn \$1,471,000). These payments represented approximately 85% of the TPI AIDS Portfolio sales proceeds held in the Escrow.

29. The following table outlines the payments received from the Escrow since the Fifth Report was filed:

	SUS
Purchase price	2,470,000
Less: Deposit received	<u>(25,000)</u>
Proceeds receivable	2,445,000
Less: Advance received	<u>(700,000)</u>
Escrow amount	1,745,000
Commission payable	<u>(270,000)</u>
Net Applicant receivable (Fifth Report)	<u>1,475,000</u>
Less:	
Amount received February 20, 2009	(550,000)
Amount received March 23, 2009	<u>(582,082)</u>
Net Applicant receivable as at April 17, 2009	<u><u>342,918</u></u>

30. The first payment totalling US \$550,000 (Cdn \$647,000) was released from Escrow on February 20, 2009 upon the execution and submission by the Applicant of the ownership and beneficiary transfer forms to the relevant insurance companies in order to direct the insurers to make the transfers.
31. The following two payments were predicated on the successful transfer of the policies to the Purchaser. The first of these two payments was released on March 23, 2009 from the Escrow totalling US \$582,082. As at April 17, 2009, the transfers of 290 policies to the Purchaser were completed, and there remained 210 policies to be transferred and US \$342,918 in sales proceeds available for release from the Escrow. According to the Applicant, there are no known significant issues with regards to the release of the remaining sales proceeds held in the Escrow and the Applicant expects an additional payment to be released from Escrow during the week ending May 2, 2009.
32. In addition to the amount in escrow, in accordance with the Amended Purchase Agreement, the Purchaser must refund to the Applicant all premiums paid by the Applicant on policies in the TPI AIDS Portfolio since the effective date of the Amended Purchase Agreement (October 15, 2008) following receipt of confirmation from the relevant insurance companies of the transfer of the policies to the Purchaser. The Applicant had estimated this amount in the cash flow that had accompanied the Fifth Report to be approximately US \$180,000 (Cdn \$210,000) for the period ending

February 28, 2009, and projected that this amount would be refunded by the Purchaser by April 3, 2009. As at April 20, 2009, this amount had still not been received. However, according to the Applicant, the amount owing of US \$180,000 for the period ending February 28, 2009 had not changed and is now projected to be received in the week ending April 18, 2009. Any further amounts owing in this regard for the period after February 28, 2009 will be paid once confirmations of the transfers have all been received and adjusted.

ACTUAL CASH FLOW ACTIVITY FROM FEBRUARY 8, 2009 TO MARCH 21, 2009 (the "Variance Period")

33. The following is a summary of actual ending cash flow balances as at March 21, 2009 as compared to the Applicant's projected cash balances as reflected in the cash flow projection included in the Fifth Report:
34. The net favourable variance in the Applicant's Operating Account of approximately \$218,000 during the Variance Period is mainly a result of the following:
 - i) \$157,000 (positive variance) relating to payments of professional and consulting fees actually paid after March 21, 2009;
 - ii) \$19,000 (positive variance) relating to various corporate expenses; and
 - iii) \$42,000 (positive variance) relating to transfers from the U.S. dollar account to the Canadian dollar account at a more favourable exchange rate than projected.
35. The net favourable variance in the Death Benefits Account of approximately \$1,832,800 during the Variance Period is a result of death benefits received by the Applicant from insurance companies for policies which had matured. The Applicant did not project any maturity receipts during the Variance Period.

UPDATED CASH FLOW PROJECTION TO MAY 23, 2009

36. The Applicant has prepared an updated cash flow projection (the "**Projection**") for the period through to May 23, 2009 (the "**Projection Period**"). The Projection includes actual results for the weeks ended March 28, 2009 to April 11, 2009 which the Monitor had reviewed. The Projection along with the cash flow assumptions have been attached as **Appendix "B"**.

37. As detailed in the Projection, the Applicant is projecting the following changes in the cash accounts through the Projection Period:
- i) A net decrease in cash held in the Applicant's Operating Account from its peak at March 28, 2009 to May 23, 2009 of approximately \$1.8 million. In addition, according to the affidavit sworn by Christopher Halas on April 20, 2009 (the "Affidavit"), for the period ending June 25, 2009 the Applicant will require new financing totalling approximately \$1.2 million to fund ongoing premiums, for which there are no premium reserves, and additional operating and restructuring costs (the "Deficit");
 - ii) A decrease in cash held in the Premium Reserve Account of approximately \$134,000 relating to premium payments, net of annuity receipts, resulting in a projected ending cash balance at May 23, 2009 of \$3,512,000; and
 - iii) The Death Benefits Account balance has increased to \$6,741,774 and is projected to remain unchanged through the Projection Period.
38. Subject to securing new sources of financing by May 23, 2009, the Affidavit states that beginning May 23, 2009 the Applicant will be unable to fund all scheduled premium payments and ongoing operating and restructuring costs.
39. The premium payments scheduled to be paid from the Applicant's Operating Account for the period of May 23, 2009 to June 27, 2009 total approximately \$545,000, before application of accumulated cash value, and relate to 32 policies. The face value of these policies total approximately US \$64.3 million, of which US \$63.5 million relates to Purchaser policy interests and approximately US \$800,000 relates to corporate policy interests.
40. According to the Applicant, typically, if a premium for a life insurance policy is not paid to the respective insurance company within thirty days of it becoming due, the policy will lapse.
41. According to the Applicant, it is in the process of reviewing its options with regards to financing the Deficit. According to the Affidavit, the Applicant expects to be able to finance the Deficit with a combination of the following measures:
- i) Borrow approximately \$815,000 from insurance companies and utilise the corporately owned fractional interests in those policies as security for the loans.

The Applicant has requested this Honourable Court's approval to commence the administrative steps to apply for these loans but will return to this Honourable Court on May 11, 2009 to request this Honourable Court's approval of such financing prior to drawing or utilising any loans received from insurance companies as a result of the administrative steps taken;

- ii) As described in the Fifth Report, accumulated cash value in certain policies may be applied to reduce ongoing premium payments in respect of those policies. According to the Applicant, approximately \$456,000 in cash value is available to pay premium payments from May 10, 2009 to June 27, 2009; and
 - iii) Utilise maturities of corporately owned policy interests which are on deposit in the Death Benefits Account totalling approximately \$185,000. According to the Initial Order, use of these funds are prohibited until further order of this Honourable Court.
42. The use of funds described in 41 i) and 41 iii) remains subject to Court approval and will reduce the value of the assets which have not been allocated to Purchasers (the "**Corporate Assets**") by approximately CDN \$1.0 million, according to the Affidavit.
43. According to the Applicant, upon its return to Court on May 11, 2009, it will provide this Honourable Court with an assessment of the impact of the use of Corporate Assets on the Applicant's creditors.

MONITOR'S CONCLUSIONS AND RECOMMENDATIONS

44. Since the date of the Initial Order, the Applicant has assessed its cash flow situation and financing options in order to formulate alternative structures to reorganize for the benefit of the Purchasers, Creditors and other stakeholders. The Applicant recognizes that its short supply of cash requires it to proceed as urgently as it can, with its limited resources, to identify a long term solution that maximizes value.
45. The Applicant is requesting a short extension of the Stay Period to May 15, 2009, during which time it will finalise a plan of arrangement and present it to this Honourable Court and request this Honourable Court's approval to present the plan of arrangement to its creditors. The Projection indicates that the Applicant will have sufficient funding to maintain its operations and premium payments coming due through to May 23, 2009.

46. The Applicant has advised the Monitor that during the Projection Period it intends to bring forward for this Honourable Court's approval both a short term (pre-plan implementation) and a long term (post-plan implementation) financing proposal. The latter will be in conjunction with a plan of arrangement.
47. The Affidavit provides the Applicant's timeline for bringing forward a plan of arrangement and holding a meeting of creditors. According to the Applicant's timeline, the implementation of a plan of arrangement will occur at the end of June 2009 and the proposed financing measures described in Paragraph 41 will be necessary to finance operations until that time.
48. The timeframe from the next Court hearing on May 11, 2009 until the Applicant's current available cash is depleted, May 23, 2009, is very tight. Therefore, the Applicant will need to report as soon as possible on changes to its cash position and its additional financing efforts. The Monitor will report any developments on the Website. Materials for the May 11, 2009 hearing dealing with liquidity should be filed by the Applicant as far in advance of the hearing as possible.
49. The Monitor is of the view that, subject to its comments in the immediately preceding paragraph, the Applicant is proceeding diligently and in good faith to develop a plan and, accordingly, an extension of the Stay Period to May 15, 2009 is in the best interests of its stakeholders.

50. In light of the foregoing, the Monitor recommends that this Honourable Court extend the Stay Period to May 15, 2009.

ALL OF WHICH is respectfully submitted this 21st day of April, 2009.

THIS COURT ORDERS that where a Creditor that receives a Notice of Revision or Disallowance fails to file a Dispute Notice with the Monitor within the time limited therefore, the amount and status of such Creditor's Claim shall be deemed to be as set out in the Notice of Revision or Disallowance and such amount and status, if any, shall constitute such Creditor's Proven Claim.

RESOLUTION OF CLAIMS

17. THIS COURT ORDERS that as soon as practicable after the delivery of the Dispute Notice to the Monitor, the Creditor and the Monitor, in consultation with the Applicant, shall attempt to resolve and settle the Creditor's Claim.
