TO THE SERVICE LIST

Dear All:

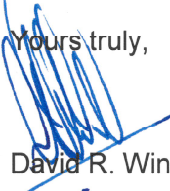

**Re: Her Majesty the Queen in Right of Newfoundland and Labrador re:
AbitibiBowater Inc.**

Firstly, enclosed please find a Notice of Application brought by Her Majesty the Queen in Right of the Province of Newfoundland and Labrador for leave to appeal to the Supreme Court of Canada the judgment of Justice Gascon on the Province's motion relating to the *Environmental Protection Act* orders and the judgment of the Court of Appeal for Quebec denying leave to appeal Justice Gascon's judgment.

Secondly, the *Rules of the Supreme Court of Canada* provide for service by facsimile. Given the size of the service list it of course is preferable to serve documents by e-mail. Accordingly, we are serving a motion to the Registrar of the Supreme Court of Canada for an order permitting service on the service list of the Notice of Application and other documents pertaining to the proceedings in the Supreme Court of Canada in accordance with the practice of the CCAA proceedings. That Notice of Motion is also attached.

The responding parties on the motion for leave to appeal will receive hard copies of the motion for leave to appeal books tomorrow.

Yours truly,

David R. Wingfield
