CREDITORS OF BIG SKY FARMS INC., DRYCAST SYSTEMS INC. and

APPLICANTS

NOTICE OF MOTION
(Extension of Stay; Modification to Administration Charge;
Extension of Deadline For Filing of Plan of Arrangement)

TAKE NOTICE that an application will be made to the Honourable Mr. Justice N.G. Gabrielson in Chambers at the Court House, 520 Spadina Crescent East, Saskatoon, Saskatchewan, on Wednesday, the 9th day of December, 2009, at nine (9:00) o'clock in the forenoon, or so soon thereafter as counsel may be heard on behalf of Big Sky Farms Inc., Drycast Systems Inc. and Big Sky Management Consulting Corp. (collectively, the "Applicants" or "Big Sky") for the following items of relief, pursuant to sections 11(1), 11(4), 11.52(1)(c) and 12 of the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36 (the "CCAA"), the *Ex Parte* Initial Order of the Honourable Mr. Justice N.G. Gabrielson dated and issued in these proceedings on November 10, 2009, as amended by the *Ex Parte* Order of the Honourable Mr. Justice N.G. Gabrielson dated and issued in these proceedings on December 1, 2009 (the "Initial Order") and the inherent jurisdiction of this Honourable Court, namely:

Notice and Service

- A. An Order declaring that the time for service of this Notice of Motion and the materials filed by the Applicants in support of this Notice of Motion is hereby abridged, that this

application is properly returnable on December 9, 2009 and that all parties entitled to notice of this application have been properly served with notice of this application in a timely manner.

Extension of Stay of Proceedings

- B. An Order providing that the Initial Order, the stay of proceedings against the Applicants by their creditors contained in the Initial Order and the period of time during which the Applicants shall be permitted to file one or more plans of compromise or arrangement with one or more classes of their creditors shall be and are hereby extended to and including 11:59 p.m. Central Standard Time on Monday, February 1, 2010.

Modification to Administration Charge

- C. An Order amending paragraph 33 of the Initial Order so as to read as follows (proposed amendment identified in underlined font):

33. The Monitor, legal counsel to the Monitor and legal counsel to the Applicants may render accounts on a periodic basis and the Applicants shall pay such accounts when rendered, subject to any final assessments and taxations ordered by this Court. Legal counsel to the board of directors of Big Sky Farms Inc. may render accounts on a periodic basis, and the Applicants shall pay such accounts, when rendered, to a maximum aggregate amount not to exceed \$50,000.00 (collectively, the "Authorized Board Counsel Accounts").

- D. An Order amending paragraph 34 of the Initial Order so as to read as follows (proposed amendment identified in underlined font):

34. The Monitor, legal counsel to the Monitor, legal counsel to the Applicants and, solely with respect to the Authorized Board Counsel Accounts, legal counsel to the board of directors of Big Sky Farms Inc., shall be entitled to the benefits of and are hereby granted a charge (the "Administration Charge") on the Property, which charge shall not exceed an aggregate amount of \$500,000, as security for their reasonable professional fees and disbursements, both before and after the making of this Order in respect of these proceedings. The Administration Charge shall have the priority set out in paragraphs 42 and 45 hereof.

Extension of Deadline For Filing of Plan of Arrangement

E. An Order providing that the Initial Order shall be and is hereby amended:

- (a) by deleting from paragraph 4(a) thereof the reference to “*December 4, 2009*” and replacing it with “*December 23, 2009*”; and
- (b) by deleting from paragraph 4(b) thereof the reference to “*December 7, 2009*” and replacing it with “*December 23, 2009*”.

AND FURTHER TAKE NOTICE that the grounds to be argued in support of this application are as follows, namely:

Extension of Stay of Proceedings

1. Each of the Applicants is a "debtor company" to which the CCAA applies and in respect of which the Initial Order has been granted.
2. The stay of proceedings granted by the Initial Order expires on Thursday, December 10, 2009 at 11:59 p.m. Central Standard Time.
3. Since the granting of the Initial Order, the Applicants have continued to carry on business in the ordinary course, except as affected by the Initial Order, and have been acting and are acting diligently and in good faith in the conduct of their business and towards the development of a Plan of Arrangement to restructure their business and financial affairs in a manner designed to achieve the best possible results for the Applicants and their stakeholders (the “Big Sky Plan”).
4. Since the granting of the Initial Order, the Applicants have negotiated towards and have achieved an agreement in principle regarding the Big Sky Plan between the Applicants, Bank of Nova Scotia, Bank of Montreal, National Bank of Canada, Farm Credit Canada (such latter four parties hereinafter collectively described as the “Senior Lenders”), CIC Asset Management Inc., Golden Opportunities Fund Inc., FCC Ventures, a Division of Farm Credit Canada, Florian Possberg and Cliff Wieggers (such latter five parties hereinafter collectively described as the “Sub-Debt Lenders”) and have therefore acted

diligently and in good faith. The Applicants require an extension of the stay of proceedings against them by their creditors in order to be permitted to finalize the drafting of the Big Sky Plan, to implement and complete a Claims Process in order to identify the creditors of the Applicants who are entitled to vote upon and receive dividends under the Big Sky Plan and to prepare to present the Big Sky Plan to their creditors for consideration at meetings of creditors which the Applicants propose to be held in February of 2010.

Modification to Administration Charge

5. The board of directors of Big Sky Farms Inc. has determined that retaining its own legal counsel (separate and apart from legal counsel to the Applicants), in order to provide the directors of Big Sky Farms Inc. with independent legal advice pertaining to their rights and responsibilities as directors of corporations operating under court protection under the CCAA within these proceedings, will serve to advance the restructuring process and to promote the orderly, efficient and transparent administration of the CCAA restructuring of the Applicants.
6. Given the insolvent state of the Applicants, in order to be in a position to retain independent legal counsel, the directors of Big Sky Farms Inc. require that the Initial Order be amended so as to encompass independent counsel to the board of directors of Big Sky Farms Inc. within the scope of the Administration Charge, in order to provide such independent counsel with security for the payment of its professional fees and disbursements.

Extension of Deadline For Filing of Plan of Arrangement

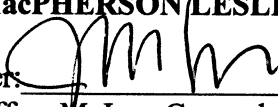

7. The Applicants have achieved an agreement in principle regarding the Big Sky Plan between the Applicants, the Senior Lenders and the Sub-Debt Lenders. The Applicants require an extension of the deadline date by which they are required to file the Big Sky plan in order to be permitted to finalize the drafting of the Big Sky Plan.

AND FURTHER TAKE NOTICE that in support of this application will be read:

1. This Notice of Motion;
2. The Second Supplementary Affidavit of Canute Tagseth sworn on December 4, 2009;
3. The First Report of the Monitor;
4. A form of Draft Order;
5. The pleadings and proceedings had and taken herein; and
6. Such further and other materials as counsel may advise and this Honourable Court may allow.

DATED at Saskatoon, Saskatchewan, this 4th day of December, 2009.
