Subject to the terms and conditions and relying upon the representations and warranties herein set forth, each Lender agrees, severally and not jointly, (a) at any time prior to the Final Status Date, to make loans to the applicable Borrower(s) on and after the date when both the Interim Order is entered by the Bankruptcy Court and the CCAA Initial Order is entered by the Canadian Court (or, to the extent the Applicable Order is entered after 5:00 p.m. (Toronto time), on and after the immediately succeeding Business Day) in an aggregate principal amount, when combined with all loans made by such Lender pursuant to this Section 2.1(a), not to exceed its Interim Date Commitment (such loans, individually, an “Interim

Date Loan” and, collectively, the “Interim Date Loans”); provided that the Interim Date Loans made by all Lenders shall not exceed, in the aggregate, the Interim Funding Amount and no Interim Date Loans shall be made in excess of the Interim Funding Amount and (b) during the Delayed Draw Commitment Period, but only on and after the Final Status Date, subject to the terms and conditions hereof, to make loans (such loans, individually, a “Delayed Draw Loan” and, collectively, the “Delayed Draw Loans”) to the applicable Borrower(s) in an aggregate principal amount, when combined with all loans made by such Lender pursuant to this Section 2.1(b), not to exceed such Lender’s Delayed Draw Commitment. Notwithstanding the foregoing, (a) no Interim Date Loan shall be made if, as a result of the making of such Loan, (i) the aggregate principal amount of Interim Date Loans made by any Lender under Section 2.1(a) would exceed such Lender’s Interim Date Loan Commitment hereunder, (ii) the aggregate principal amount of Interim Date Loans made by all Lenders under Section 2.1(a) would exceed the aggregate Interim Date Commitments of all Lenders hereunder, (iii) the aggregate principal amount of Interim Date Loans made by all Lenders under Section 2.1(a), together with the aggregate principal amount of any Delayed Draw Loans made under Section 2.1(b), would exceed Facility Availability, or (iv) the aggregate principal amount of Interim Date Loans made by all Lenders under Section 2.1(a), together with the aggregate principal amount of any Delayed Draw Loans made under Section 2.1(b), would exceed Covenant Availability and (b) no Delayed Draw Loan shall be made if, as a result of the making of such Loan, (i) the aggregate principal amount of Delayed Draw Loans made by any Lender under this Section 2.1(b) would exceed such Lender’s Delayed Draw Commitments hereunder, (ii) the aggregate principal amount of Delayed Draw Loans made by all Lenders under this Section 2.1(b) would exceed the aggregate Delayed Draw Commitments of all Lenders hereunder, (iii) the aggregate principal amount of Delayed Draw Loans made by all Lenders under this Section 2.1(b), together with the aggregate principal amount of all Interim Date Loans made under Section 2.1(a), would exceed Facility Availability or (iv) the aggregate principal amount of Delayed Draw Loans made by all Lenders under Section 2.1(b), together with the aggregate principal amount of all Interim Date Loans made under Section 2.1(a), would exceed Covenant Availability. Once funded, each Interim Date Loan and each Delayed Draw Loan shall be a “Loan” for all purposes under this Agreement and the other Loan Documents. Each Lender’s (a) Interim Date Commitment shall (i) reduce on a dollar-for-dollar basis by the amount of each Interim Date Loan made by it hereunder immediately after the borrowing of such Interim Date Loans pursuant to this Section 2.1(a) and (ii) terminate immediately and without further action on the Interim Date Loan Termination Date and (b) Delayed Draw Commitment shall (i) reduce on a dollar-for-dollar basis by the amount of each Delayed Draw Loan made by it hereunder immediately after the borrowing of such Delayed Draw Loans pursuant to this Section 2.1(b) and (ii) terminate immediately and without further action on the Delayed Draw Termination Date. Amounts paid or prepaid in respect of Loans may not be reborrowed.

2.2 Procedure for Making Loans. The applicable Borrower(s) shall give to the Administrative Agent a Borrowing Notice (which written notice must be received by the Administrative Agent prior to 10:00 A.M., Toronto time, ten (10) Business Days (in the case of Interim Date Loans to be made on the Closing Date, two (2) Business Days) prior to the anticipated Borrowing Date) of its intention to borrow, specifying (i) the date of such borrowing, which shall be a Business Day, and (ii) the amount of such borrowing, which shall be in an aggregate principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof; provided, however, that not more than one Borrowing Notice per week may be given by the

Borrowers hereunder. The Loans made by the Lenders shall be, subject to Sections 2.11 and Section 2.16, Eurodollar Loans with an Interest Period of one month's duration. A Borrowing Notice received after 10:00 A.M., Toronto time, shall be deemed received on the next Business Day. The Administrative Agent shall promptly notify the Lenders of Borrowing Notice and not later than 12:00 Noon, Toronto time, on the proposed borrowing date, each Lender shall make available to the Administrative Agent at the Funding Office an amount in immediately available funds equal to the Loan to be made by such Lender.

2.3 Repayment of Loans; Evidence of Debt. (a) Each Borrower hereby unconditionally promises to pay on the Maturity Date, whether by acceleration or otherwise, to the Administrative Agent for the account of the Lenders, the principal amount of the Loans outstanding on such date. Each Borrower hereby further agrees to pay interest on the unpaid principal amount of the Loans borrowed by it from time to time until payment in full thereof at the rate per annum and on the dates, set forth in Section 2.9.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing indebtedness of the Borrower(s) to such Lender resulting from the Loan of such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent, on behalf of the Borrowers shall maintain the Register pursuant to Section 9.5(d), and a sub-account therein for each Lender, in which shall be recorded (i) the amount of each Loan made hereunder and any Note evidencing such Loan, the Type of such Loan, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) both the amount of any sum received by the Administrative Agent hereunder from the Borrowers and each Lender's share thereof.

(d) The entries made in the Register and the accounts of each Lender maintained pursuant to Section 2.3(b) shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrowers therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain the Register or any such account, or any error therein, shall not in any manner affect the obligation of the Borrowers to repay (with applicable interest) the Loans made to the Borrowers by such Lender in accordance with the terms of this Agreement.

(e) Each Borrower agrees that, upon the request to the Administrative Agent by any Lender, the Borrowers will promptly execute and deliver to such Lender a promissory note of the Borrowers, evidencing any Loans of such Lender, substantially in the form of Exhibit G (a "Note"), with appropriate insertions as to date and principal amount.

2.4 Fees, etc..

(a) Arranger Fees. The Borrowers agree to pay, upon the entry of the Interim Order and the CCAA Initial Order, to the Administrative Agent, for the account of the Lead Arrangers (to be allocated among the Lead Arrangers as agreed by them, in their sole

discretion) a fee equal to 2.50% of the aggregate amount of the total Commitments in effect on the Closing Date (\$3,500,000).

(b) Initial Fee. The Borrowers agree to pay, upon the entry of the Interim Order and the CCAA Initial Order, to the Administrative Agent for the ratable benefit of the Lenders, a fee equal to 2.50% of the aggregate amount of the total Commitments in effect on the Closing Date (\$3,500,000).

(c) Administrative Fee. The Borrowers agree to pay to the Administrative Agent, for its own account, an administration fee in the amount of \$100,000, to be paid on the Closing Date (the "Administrative Agent Fee"), plus an additional quarterly administration fee in an amount of \$25,000 for each successive three-month period for which the DIP Facility remains outstanding past December 1, 2010 (such fees, the "Administrative Fees"). Each payment of such quarterly Administrative Fees after the Closing Date will be due in advance on December 1, 2010 and each three-month anniversary thereafter and ending prior to the termination of the DIP Facility. All of the fees set forth in this Section 2.4(c) shall be in addition to any fees and expenses payable pursuant to Section 9.4.

(d) Prepayment Fee. The Borrowers agree to pay to the Administrative Agent, for the ratable benefit of the Lenders, a fee equal to 4.00% of the aggregate amount of the total Commitments in effect on the Closing Date (\$5,600,000) upon the earlier of the Maturity Date (as it may be extended) and each reduction, in whole or in part, of the Commitments. The Prepayment Fee will be waived if the Obligations are paid in full in cash simultaneously with either (i) the closing of a sale of all or substantially all of the Loan Parties' assets or (ii) the consummation of a plan of reorganization under applicable U.S. and Canadian law, to the extent such sale or plan of reorganization, as applicable, is in form and substance approved by Prepetition Senior Lenders that hold, in the aggregate, at least two-thirds (2/3) in principal amount of the Prepetition Senior Obligations outstanding under the Prepetition Senior Credit Agreement.

(e) Commitment Fees. The Borrowers agree to pay to the Administrative Agent for the account of each Lender a commitment fee equal to (i) the average of the daily difference of (x) the total Commitments *minus* (y) the aggregate principal amount of all outstanding Loans *times* (ii) 2.0% per annum for the period from and including the Closing Date to the Maturity Date, payable monthly in arrears on the last Business Day of each month and on the Maturity Date, commencing on the first of such dates to occur after the Closing Date.

All fees payable to the Administrative Agent for the benefit of the Administrative Agent, Lead Arrangers or the Lenders shall be fully earned on the date such payment is due, shall be paid in immediately available funds and shall be non-refundable.

2.5 Optional Prepayments.

(a) The Borrowers may at any time and from time to time reduce the Commitments outstanding hereunder and/or prepay all or a part of the Loans, in each case upon irrevocable notice delivered to the Administrative Agent before 12:00 Noon Toronto time

on a date that is at least three Business Days prior thereto, which notice shall specify the date and amount of such reduction or prepayment plus, in the case of a prepayment, accrued and unpaid interest to the applicable prepayment date on the Loans prepaid, and any amounts payable under Section 2.15. In the case of a reduction of any Commitments, each such reduction made hereunder shall be made ratably among the Lenders in accordance with their respective applicable Commitments. The Borrowers shall pay to the Administrative Agent for the account of the applicable Lenders on the date of each such reduction the Commitments Fees on the amount of Commitments so reduced accrued to but excluding the date of such reduction.

(b) All optional prepayments made pursuant to this Section 2.5 shall be, in the case of partial prepayments, made in an amount that is an integral multiple of \$500,000 and not less than \$1,000,000.

2.6 Mandatory Prepayments.

(a) Asset Sales. If any Group Member shall receive Net Cash Proceeds (i) from any Asset Sale or Recovery Event (other than in connection with the closing of a sale of all or substantially all of the Loan Parties' assets pursuant to Section 363 of the Bankruptcy Code (and a sale with similar effect pursuant to Section 36 of the CCAA and an order of the Canadian Court) in any Case which, concurrent with such sale, results in the repayment in full in cash of the Obligations or (ii) in connection with Dispositions of Property set forth in Section 6.5(d)) then (i) if a Reinvestment Notice in respect of a Recovery Event is not delivered in respect thereof within 5 Business Days of the receipt of such Net Cash Proceeds, on such fifth Business Day and in any case in respect of any other Asset Sale, the Company shall offer by notice in writing (a "Disposition Repayment Offer") to the Administrative Agent to prepay, at a price equal to 100% of the principal amount, the Loans in an amount equal to the amount of such Net Cash Proceeds and (ii) if a Reinvestment Notice is delivered within such five (5) Business Day period in respect of a Recovery Event, the Company shall, on the Reinvestment Date Payment Date in respect thereof, send the Administrative Agent a Disposition Repayment Offer to prepay, at a price equal to 100% of the principal amount, the Loans in an amount equal to the Reinvestment Prepayment Amount with respect to such Reinvestment Event. . The Lenders will have 8 Business Days from the making of any such offer to accept such offer, and any offer not accepted within such time period shall be deemed rejected. To the extent such offer is so accepted by the Lenders or any of them, such prepayment shall be made on a date no later 10 Business Days after the date of such offer. The provisions of this Section 2.6 do not constitute a consent to the consummation of any Disposition not permitted by Section 6.5. Failure to make the Disposition Repayment Offer or to make the payments contemplated thereby shall be deemed a material breach of this Agreement.

(b) Soucy Intercompany Note; Soucy 1 Intercompany Note. If, with respect to (i) the Soucy Intercompany Note, Soucy 2, any Guarantor, or any other Person or (ii) the Soucy 1 Intercompany Note, Soucy 1, or any other Person shall at any time repay or prepay any principal amount outstanding under the Soucy Intercompany Note or the Soucy 1 Intercompany Note, as the case may be, on the first Business Day after such repayment or prepayment, before 12:00 Noon Toronto time, the Borrowers shall offer by notice in writing to

the Administrative Agent to prepay, subject to Section 2.15, at a price equal to 100% of the principal amount, the Loans in an amount equal to the amount of such repayment or prepayment of the Soucy Intercompany Note or the Soucy 1 Intercompany Note, as the case may be. The Lenders will have 8 Business Days from the making of any such offer to accept such offer, and any offer not accepted within such time period shall be deemed rejected. To the extent such offer is so accepted by the Lenders or any of them, such prepayment shall be made on a date no later 10 Business Days after the date of such offer. All payments made under this paragraph shall be first applied to the payment of principal of the Loans set forth in Section 2.3(a) on a pro rata basis.

(c) Issuance of Debt. On the date of receipt by Borrowers or any of their respective Subsidiaries of any cash proceeds from the incurrence of any Indebtedness of Holdings or any of its Subsidiaries (other than with respect to any Indebtedness permitted to be incurred pursuant to Section 6.2), the Borrowers shall prepay the Loans in an aggregate amount equal to 100% of such proceeds, net of underwriting discounts and commissions and other reasonable costs and expenses associated therewith, including reasonable legal fees and expenses.

(d) Application of Proceeds. All amounts required to be paid pursuant to this Section 2.6 shall be applied *first*, on a *pro rata* basis, to fees of the Administrative Agent, Syndication Agent, each other Agent under this Agreement and the Lead Arrangers, and, then, on a *pro rata* basis, to reimbursable expenses of such Agents, the Lead Arrangers and the Lenders, in each case to the extent then due and payable pursuant to any of the Loan Documents; *second*, on a *pro rata* basis, to accrued and unpaid interest on the Loans and any other fees payable under the Loan Documents in each case to the extent then due and payable hereunder or thereunder, as applicable; *third*, to the principal balance of the Loans outstanding hereunder on a *pro rata* basis; and *fourth*, to any other obligations under this Agreement.

2.7 Continuation of Eurodollar Loans.

Each Eurodollar Loan outstanding hereunder shall be continued automatically, without any action taken by any party hereto, as a Eurodollar Loan with an Interest Period of one month's duration upon the expiration of the then current Interest period with respect thereto.

2.8 Minimum Amounts and Maximum Number of Eurodollar Tranches. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions, continuations and optional prepayments of Eurodollar Loans and all selections of Interest Periods shall be in such amounts and be made pursuant to such elections so that, (i) after giving effect thereto, the aggregate principal amount of the Eurodollar Loans comprising each Eurodollar Tranche shall be equal to \$1,000,000 or a whole multiple of \$500,000 in excess thereof and (ii) no more than ten (10) Eurodollar Tranches shall be outstanding at any one time.

2.9 Interest Rates and Payment Dates. (a) Each Eurodollar Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Eurodollar Rate determined for such day plus the Applicable Margin.

(b) Solely to the extent the Loans are Base Rate Loans as a result of the circumstances set forth in Sections 2.11 and 2.16, each Base Rate Loan shall bear interest for each day on which it is outstanding at a rate per annum equal to the Base Rate in effect for such day plus the Applicable Margin.

(c) If any Event of Default under Section 7 has occurred and is continuing, then for so long as such Event of Default is continuing, to the extent permitted by applicable law, all amounts outstanding under this Agreement and the other Loan Documents shall bear interest (after as well as before judgment), (i) in the case of principal, at the rate otherwise applicable to such Loan pursuant to Section 2.9(a) plus 2.00% per annum and (ii) in all other cases, at a rate per annum (computed on the basis of the actual number of days elapsed over a year of 365 or 366 days, as the case may be, when determined by reference to the Prime Rate and over a year of 360 days at all other times) equal to the rate that would be applicable to a Base Rate Loan plus 2.00% per annum.

(d) Interest shall be payable in arrears on each Interest Payment Date, provided, that interest accruing pursuant to paragraph (c) of this Section 2.9 shall be payable from time to time on demand.

(e) If any provision of this Agreement or any of the other Loan Documents would obligate a Borrower to make any payment of interest with respect to the Obligations or other amount payable to any Agent or any Lender in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by such Agent or such Lender of interest with respect to the Obligations at a criminal rate (as such terms are construed under the Criminal Code (Canada)) then, notwithstanding such provision, such amount or rates shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or so result in a receipt by such Agent or such Lender of interest with respect to the Obligations at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (1) first, by reducing the amount or rates of interest required to be paid to the affected Agent or the affected Lender under Section 2.9(c); and (2) thereafter, by reducing any fees, commissions and other amounts required to be paid to the affected Agent or the affected Lender which would constitute interest with respect to the Obligations for purposes of Section 347 of the Criminal Code (Canada). Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if any Agent or any Lender shall have received an amount in excess of the maximum permitted by that section of the Criminal Code (Canada), then the Company shall be entitled, by notice in writing to the affected Agent or the affected Lender, to obtain reimbursement from such Agent or such Lender in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by such Agent or such Lender to the Company. Any amount or rate of interest under the Obligations referred to in this Section 2.9(e) shall be determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term that any Loans remain outstanding on the assumption that any charges, fees or expenses that fall within the meaning of "interest" (as defined in the Criminal Code (Canada)) shall, if they relate to a specific period of time, be pro-rated over that period of time and otherwise be pro-rated over the period from the Closing Date to the Maturity Date, and, in the event of a dispute, a certificate of a Fellow of

the Canadian Institute of Actuaries appointed by the Administrative Agent shall be conclusive for the purposes of such determination.

(f) For purposes of disclosure pursuant to the Interest Act (Canada), the annual rates of interest or fees to which the rates of interest or fees provided in this Agreement and the other Loan Documents (and stated herein or therein, as applicable, to be computed on the basis of a 360 day year or any other period of time less than a calendar year) are equivalent to the rates so determined multiplied by the actual number of days in the applicable calendar year and divided by 360 or such other period of time, respectively.

(g) For the avoidance of doubt, it is the intention of the parties hereto that this DIP Facility comprise a loan facility of Eurodollar Loans with an Interest Period of one month's duration. The Borrowers shall have no right to borrow Base Rate Loans or convert any Eurodollar Loan into Base Rate Loans and, subject to Sections 2.11 and 2.16, each Loan hereunder, both when borrowed and at all times thereafter, shall be a Eurodollar Loan with an Interest Period of one month's duration.

2.10 Computation of Interest and Fees. (a) Interest, fees, and commissions payable pursuant hereto shall be calculated on the basis of a 360-day year for the actual days elapsed, except that, with respect to Base Rate Loans on which interest is calculated on the basis of the Prime Rate, the interest thereon shall be calculated on the basis of a 365-day (or 366-day, as the case may be) year for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of each determination of a Eurodollar Rate. Any change in the interest rate on a Loan resulting from a change in the Base Rate or the Eurocurrency Reserve Requirements shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Loan Parties and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Company, deliver to the Company a statement showing the quotations used by the Administrative Agent in determining any interest rate pursuant to Section 2.9.

2.11 Inability to Determine Interest Rate. If prior to the first day of any Interest Period:

(i) the Administrative Agent shall have determined (which determination shall be conclusive and binding upon the Loan Parties) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the Eurodollar Rate for such Interest Period, or

(ii) the Administrative Agent shall have received notice from the Majority Lenders that the Eurodollar Rate determined or to be determined for such Interest Period will not adequately and fairly reflect the cost to such Lenders (as conclusively certified by such Lenders) of making or maintaining their affected Loans during such Interest Period,

the Administrative Agent as applicable, shall give telecopy or telephonic notice thereof to the Borrowers and the relevant Lenders as soon as practicable thereafter. If such notice is given (x) any Eurodollar Loans requested to be made on the first day of such Interest Period shall be made as Base Rate Loans, (y) any Loans that were to have been converted on the first day of such Interest Period to Eurodollar Loans shall be continued as Base Rate Loans and (z) any outstanding Eurodollar Loans shall be converted, on the last day of the then current Interest Period with respect thereto, to Base Rate Loans. Until the condition giving rise to such notice has been remedied as notified to the Borrowers by the Administrative Agent, no further Eurodollar Loans shall be made or continued as such, nor shall the Borrower have the right to convert Loans to Eurodollar Loans.

2.12 Pro Rata Treatment and Payments. (a) Each borrowing by the Borrowers from the Lenders hereunder shall be made pro rata from the Lenders in accordance with their unfunded Interim Date Commitments or Delayed Draw Commitments, as applicable, as of the time of such borrowing.

(b) Each payment (including each prepayment) of the Loans shall be allocated among the Lenders (or, in the case of mandatory prepayments under Section 2.6(a), (b), (c) or (d), offered to the Lenders) pro rata according to the respective outstanding principal amounts of the Loans then held by the Lenders.

(c) Each payment of the Loans shall be accompanied by accrued interest to the date of such payment on the amount paid and shall be subject to the provisions of Section 2.15.

(d) All payments (including prepayments) to be made by the Borrowers hereunder, whether on account of principal, interest, fees or otherwise, shall be made without setoff or counterclaim. All payments (including prepayments) to be made by the Borrowers hereunder, whether on account of principal, interest, fees or otherwise shall be made prior to 12:00 Noon, Toronto time, on the due date thereof to the Administrative Agent, for the account of the Lenders, at the Payment Office, in Dollars and in immediately available funds. Any payment made by the Borrowers after 12:00 Noon, Toronto time, on any Business Day shall be deemed to have been made on the next following Business Day. The Administrative Agent shall distribute such payments to the applicable Lenders promptly upon receipt in like funds as received. If any payment hereunder (other than payments on the Eurodollar Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day. If any payment on a Eurodollar Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any extension of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate during such extension.

(e) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the

Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the applicable Borrower(s) a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent, on demand, such amount with interest thereon at a rate equal to the daily average Federal Funds Effective Rate for amounts in Dollars for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this paragraph shall be conclusive in the absence of manifest error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days after such Borrowing Date, the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to Base Rate Loans, on demand, from the Borrower.

(f) Unless the Administrative Agent shall have been notified in writing by the applicable Borrower(s) prior to the date of any payment due to be made by any Loan Party hereunder that the applicable Borrower(s) will not make such payment to the Administrative Agent, the Administrative Agent may assume that such Borrower(s) are making such payment, and the Administrative Agent may, but shall not be required to, in reliance upon such assumption, make available to the Lenders their respective pro rata shares of a corresponding amount. If such payment is not made to the Administrative Agent by the applicable Borrower(s) within three Business Days after such due date, the Administrative Agent shall be entitled to recover, on demand, from each Lender to which any amount which was made available pursuant to the preceding sentence, such amount with interest thereon at the rate per annum equal to the daily average Federal Funds Effective Rate for amounts in Dollars. Nothing herein shall be deemed to limit the rights of the Administrative Agent or any Lender against such Loan Party.

(g) After acceleration or maturity of the Obligations, all payments and proceeds of Collateral shall be applied to amounts then due and payable in the following order: (i) to the Agents' fees and expenses reimbursable hereunder on a ratable basis; (ii) to interest on the Loans, ratably in proportion to the interest accrued as to each Loan; (iii) to principal owing on the Loans; (iv) to all other Obligations, including expenses of Lenders to the extent reimbursable under Section 9.4 and (v) to the extent of any excess of such payments and proceeds, to the payment to or upon the order of the applicable Company Group Member or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

2.13 Requirements of Law. (a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority made subsequent to the Closing Date (other than with respect to taxes, which shall be governed exclusively by Section 2.14):

(i) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of

credit by, or any other acquisition of funds by, any office of such Lender that is not otherwise included in the determination of the Eurodollar Rate hereunder; or

(ii) shall impose on such Lender any other condition;

and the result of any of the foregoing is to increase the cost to such Lender, by an amount which such Lender reasonably deems to be material, of making, converting into, continuing or maintaining Loans, or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the applicable Borrower(s) shall promptly pay such Lender, upon its demand, any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable. If any Lender becomes entitled to claim any additional amounts pursuant to this Section 2.13, it shall promptly notify the applicable Borrower(s) (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or in the interpretation or application thereof or compliance by such Lender or any Person controlling such Lender with any request or directive regarding capital adequacy (whether or not having the force of law) from any Governmental Authority made subsequent to the Closing Date shall have the effect of reducing the rate of return on such Lender's or such Person's capital as a consequence of its obligations hereunder to a level below that which such Lender or such Person could have achieved but for such adoption, change or compliance (taking into consideration such Lender's or such Person's policies with respect to capital adequacy) by an amount reasonably deemed by such Lender to be material, then from time to time, after submission by such Lender to the applicable Borrower(s) (with a copy to the Administrative Agent) of a written request therefor, the applicable Borrower(s) shall pay to such Lender such additional amount or amounts as will compensate such Lender or such Person for such reduction on an after-tax basis.

(c) If any Lender becomes entitled to claim any additional amounts pursuant to clause (a) or (b) above, it shall promptly deliver to the applicable Borrower(s) (with a copy to the Administrative Agent) a certificate setting forth in reasonable detail a description of the event by reason of which it has become so entitled and a calculation of such additional amounts. Such certificate shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Section 2.13, the Borrowers shall not be required to compensate a Lender pursuant to this Section 2.13 for any amounts incurred more than 180 days prior to the date that such Lender notifies the Borrowers of such Lender's intention to claim compensation therefor. The obligations of the Borrowers pursuant to this Section 2.13 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.14 Taxes. (a) Except as otherwise required by law, all payments made under this Agreement or any other Loan Document shall be made free and clear of, and without deduction or withholding for or on account of, any present or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority on or with respect to any payment hereunder, excluding with respect to the Lead Arrangers, any Agent or any Lender, taxes imposed on or measured by its net income or profit or overall gross income

in lieu of net income, franchise taxes and branch profits or similar taxes imposed on it (however dominated) by the jurisdiction (or political subdivision thereof) under the laws of which the Lead Arrangers, any Agent or any Lender is organized or in which its principal office is located or, in the case of any Lender, in which its applicable Lending Office is located, or as a result of any other present or former connection between the Lead Arrangers, such Agent or such Lender and the jurisdiction of the Governmental Authority imposing such tax or any political subdivision or taxing authority thereof or therein (other than any such connection arising solely from the Lead Arrangers', such Agent's or such Lender's having executed, delivered or performed its obligations or received a payment under, or enforced, this Agreement or any other Loan Document in such jurisdiction) (collectively, "Excluded Taxes"). If any such non-excluded taxes, levies, imposts, duties, charges, fees, deductions or withholdings imposed with respect to and any payment to be made under this Agreement or any other Loan Document ("Non-Excluded Taxes") are required to be withheld from any amounts payable to the Lead Arrangers, any Agent or any Lender hereunder, the amounts so payable to the Lead Arrangers, such Agent or such Lender shall be increased to the extent necessary to yield to the Lead Arrangers, such Agent or such Lender (after payment of all Non-Excluded Taxes) interest or any such other amounts payable hereunder at the rates or in the amounts specified in this Agreement; provided, however, that none of the Loan Parties shall be required to increase any such amounts payable to the Lead Arrangers, any Agent or any Lender with respect to (x) any Excluded Taxes or (y) any Non-Excluded Taxes (i) that are attributable to the Lead Arrangers', such Agent's or such Lender's failure to comply with the requirements of paragraph (f) or (g) of this Section 2.14 or (ii) in the case of any Non-US Lender (as defined below), any United States of America withholding taxes imposed on amounts payable to the Lead Arrangers, such Agent or such Lender under the law that was in effect at the time any such Person becomes a party to this Agreement, except to the extent that any such Person's assignor (if any) was entitled, at the time of assignment, to receive additional amounts from the Borrowers with respect to such Non-Excluded Taxes pursuant to this Section 2.14(a). The Borrowers or the applicable Guarantor shall make any required withholding and pay the full amount withheld to the relevant tax authority or other Governmental Authority in accordance with applicable Requirements of Law.

(b) In addition, the Borrowers shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) The Borrowers will indemnify the relevant Lead Arranger, Agent or Lender for the full amount of Non-Excluded Taxes or Other Taxes (including any taxes on amounts payable under this Section 2.14) paid by such Lead Arranger, Agent or Lender, as the case may be, and any liability (including penalties, interest and reasonable expenses) arising therefrom or with respect thereto, whether or not such Non-Excluded Taxes or Other taxes were correctly or legally asserted by the relevant taxing authority or other Governmental Authority. Such indemnification shall be made within 30 days after the date any Lead Arranger, Agent or Lender, as the case may be, makes written demand therefore (which demand shall set forth in reasonable detail the nature and amount of Non-Excluded Taxes and Other Taxes for which indemnification is being sought); provided that the relevant Lead Arranger, Agent or Lender shall not be entitled to receive any indemnification with respect to any Non-Excluded Taxes or Other Taxes (i) to the extent the relevant Lead Arranger, Agent or Lender fails to provide notice to the Borrowers within six (6) months after it becomes aware of

the imposition of any Non-Excluded Taxes or Other Taxes that give rise to such indemnification under this Section 2.14(c) or (ii) to the extent the liability or payment of such Non-Excluded Taxes or Other Taxes has been incurred as a result of the gross negligence, bad faith or willful misconduct of the relevant Lead Arranger, Agent or Lender (or their respective Affiliates or employees).

(d) Whenever any Non-Excluded Taxes or Other Taxes are payable by any Loan Party, as promptly as possible thereafter the Borrowers shall send to the Administrative Agent, for the account of the relevant Lead Arranger, Agent or Lender, as the case may be, a certified copy of an original official receipt received by such Loan Party showing payment thereof or other written proof of payment thereof that is reasonably satisfactory to the applicable Agent. If any Loan Party fails to pay any Non-Excluded Taxes or Other Taxes when due to the appropriate taxing authority or fails to remit to the applicable Agent the required receipts or other required documentary evidence, the Borrowers (for itself and on behalf of the Loan Parties) shall indemnify the Lead Arrangers, the Agents and the Lenders for any incremental taxes, interest or penalties that become payable by the Lead Arrangers, any Agent or any Lender as a result of any such failure; provided that the relevant Lead Arranger, Agent or Lender shall not be entitled to receive any indemnification with respect to any Non-Excluded Taxes or Other Taxes (i) to the extent the relevant Lead Arranger, Agent or Lender fails to provide notice to the Borrowers within six (6) months after it becomes aware of the imposition of any Non-Excluded Taxes or Other Taxes that give rise to such indemnification under Section 2.14(c) or (ii) to the extent the liability or payment of such Non-Excluded Taxes or Other Taxes has been incurred as a result of the gross negligence, bad faith or willful misconduct of the relevant Lead Arranger, Agent or Lender (or their respective Affiliates or employees).

(e) The agreements in this Section 2.14 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(f) Any Lender that is entitled to an exemption from or reduction of non-US withholding tax with respect to payments under this Agreement shall deliver to the Borrowers and the Administrative Agent at the time or times reasonably requested in writing by the Borrowers such properly completed and executed documentation prescribed by Requirements of Law or as may be required by the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate, provided that such Lender is legally entitled to complete, execute, and deliver such documentation and, with respect to non-U.S. taxes, in such Lender's reasonable judgment such completion, execution or submission would not materially prejudice the legal position of such Lender.

In addition, and without limiting the generality of the foregoing, each Lender (or Transferee) that is not a citizen or resident of the United States of America, a corporation, partnership or other entity created or organized in or under the laws of the United States of America (or any jurisdiction thereof), or any estate or trust that is subject to federal income taxation regardless of the source of its income (a "Non-US Lender") shall deliver to the Borrowers and the Administrative Agent two copies of either United States Internal Revenue Service Form W-8BEN (claiming benefits under an applicable income tax treaty) or Form W-8IMY or Form W-8ECI, as appropriate, or, in the case of a Non-US Lender claiming exemption

from United States federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of “portfolio interest,” a statement substantially in the form of Exhibit H to the effect that such Lender is eligible for a complete exemption from withholding of United States taxes under Section 871(h) or 881(c) of the Code and a Form W-8BEN, or any subsequent versions thereof or successors thereto properly completed and duly executed by such Non-US Lender claiming complete exemption from, or a reduced rate of, United States federal withholding tax on all payments by the Borrowers under this Agreement and the other Loan Documents. Such forms shall be delivered by each Non-US Lender on or before the date it becomes a party to this Agreement. In addition, each Non-US Lender shall deliver such forms promptly upon the obsolescence or invalidity of any form previously delivered by such Non-US Lender. Each Non-US Lender shall promptly notify the Borrowers and the Administrative Agent at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrowers and the Administrative Agent (or any other form of certification adopted by the United States taxing authorities for such purpose). Notwithstanding any other provision of this paragraph, a Non-US Lender shall not be required to deliver any form pursuant to this paragraph that such Non-US Lender is not legally able to deliver.

(g) Each Lender that is a “United States person” within the meaning of Section 7701(a)(30) of the Code (a “US Lender”) shall deliver to the Borrowers and the Administrative Agent, on or before the date such Lender becomes a party to this Agreement, two copies of Internal Revenue Service Form W-9 or any successor or other form prescribed by the Internal Revenue Service certifying that such Lender is exempt from U.S. federal backup withholding tax. In addition, each US Lender shall deliver such forms promptly upon the obsolescence or invalidity of any form previously delivered hereunder by such US Lender. Each US Lender shall promptly notify the Borrowers and the Administrative Agent at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrowers and the Administrative Agent (or any other form of certification adopted by the U.S. taxing authorities for such purpose).

(h) If any Lender or Agent receives a refund in respect of any amount paid by the Borrowers pursuant to this Section 2.14, which refund in the reasonable judgment of such Agent or Lender is allocable to such payment, it shall promptly notify the Borrowers of such refund and shall, within 15 days after receipt, pay such refund over to the Borrowers net of all reasonable out-of-pocket expenses (including taxes) of such Agent or Lender; provided, that the Borrowers, upon the request of such Agent or Lender, shall repay the amount paid over to the Borrowers (plus any penalties or interest imposed by the relevant taxing authority) to such Agent or Lender in the event that such Agent or Lender is required to repay such refund to such taxing authority.

2.15 Indemnity. The Borrowers agree to indemnify each Lender (each, an “Indemnified Person”) for, and to hold each Lender harmless from, any loss or expense that such Lender may sustain or incur as a consequence of (a) default by any Borrower in making a borrowing of Loans after such Borrower has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by any Borrower in making any prepayment after such Borrower has given a notice thereof in accordance with the provisions of this Agreement or (c) the making of a prepayment of Loans on a day that is not the last day of an Interest Period with respect thereto. Such indemnification may include an amount equal to the

excess, if any, of (i) the amount of interest that would have accrued on the amount so prepaid, or not so borrowed, converted or continued, for the period from the date of such prepayment or of such failure to borrow, convert or continue to the last day of such Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) that would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank Eurodollar market. A certificate as to any amounts payable pursuant to this Section 2.15 submitted to the Borrowers by any Lender shall be conclusive in the absence of manifest error. No Indemnified Person shall be responsible or liable to any other party to any Loan Document, any successor, assignee or third party beneficiary of such Person or any other Person asserting claims derivatively through such party, for indirect, punitive, exemplary or consequential damages which may be alleged as a result of credit having been extended, suspended or terminated under any Loan Document or as a result of any other transaction contemplated hereunder or thereunder. This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.16 Illegality. Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof, in each case after the Closing Date, shall make it unlawful for any Lender to make or maintain Eurodollar Loans as contemplated by this Agreement, (a) the commitment of such Lender hereunder to make Eurodollar Loans, continue Eurodollar Loans as such and convert Base Rate Loans to Eurodollar Loans shall forthwith be canceled and (b) such Lender's Loans then outstanding as Eurodollar Loans, if any, shall be converted automatically to Base Rate Loans on the respective last days of the then current Interest Periods with respect to such Loans or within such earlier period as required by law. If any such conversion of a Eurodollar Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrower shall pay to such Lender such amounts, if any, as may be required pursuant to Section 2.15.

2.17 Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.13 or 2.14 with respect to such Lender, it will, if requested by the Borrowers, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event with the object of avoiding the consequences of such event; provided, that such designation is made on terms that, in the sole good faith judgment of such Lender, cause such Lender and its lending office(s) to suffer no material economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section 2.17 shall affect or postpone any of the obligations of the Borrowers or the rights of any Lender pursuant to Section 2.13 or 2.14.

2.18 Super Priority Nature of Obligations and Liens.

(a) The priority of the Agents' and Lenders' claims against, and Liens on and in the Collateral of, the Loan Parties shall be set forth in, and the provisions of this Section 2.18 set forth below are qualified entirely by, the Applicable Order.

(b) All Obligations shall (i) with respect to the US Cases, constitute administrative expenses of the Loan Parties, with administrative priority and senior secured status under Sections 364(c) and 364(d) of the Bankruptcy Code, and such administrative claim shall have priority over all other costs and expenses of the kinds specified in, or ordered pursuant to, Sections 105, 326, 328, 330, 331, 503(b), 506(c), 507(a), 507(b), 546(c), 726, 1113, 1114 or any other provision of the Bankruptcy Code or otherwise, and shall at all times be senior to the rights of Loan Parties, Loan Parties' estates, and any successor trustee or estate representative in the US Cases or any subsequent proceeding or case under the Bankruptcy Code, but in all cases subject to the Carve-Out, the Liens securing the Prepetition Revolving Obligations and the other Prior Senior Liens and (ii) with respect to the CCAA Cases, be secured by the CCAA DIP Charge ranking senior in priority to all Liens other than the Liens securing the Prepetition Revolving Obligations and the Aggregate Reserve Amount (save and except for the Carve-Out). With respect to the US Cases, the Liens granted to Agents and Lenders on and in the Collateral of the Loan Parties, and the priorities accorded to the Obligations shall have the priority and senior secured status afforded by Sections 364(c) and 364(d)(1) of the Bankruptcy Code, senior to all claims and interests other than the Aggregate Reserve Amount and Prior Senior Liens.

(c) Except as expressly set forth herein or in the Applicable Order, no other claim having a priority superior or pari passu to that granted to Agents and Lenders by the Applicable Order shall be granted or approved while any Obligations under this Agreement (or any adequate protection obligations owed to any Prepetition Senior Agent or any Prepetition Senior Lender) remain outstanding. Except for the Aggregate Reserve Amount, no costs or expenses of administration shall be imposed against Agents, or Lenders or any of their Collateral or against any of the Prepetition Senior Agent and Prepetition Senior Lenders under the Prepetition Senior Credit Agreement or their respective collateral under Sections 105, 506(c) or 552 of the Bankruptcy Code, any similar legislation in Canada or otherwise, and each of the Loan Parties hereby waives for itself and on behalf of its estate in bankruptcy, any and all rights thereunder to assert or impose or seek to assert or impose, any such costs or expenses of administration against Agents or the Lenders or against the Prepetition Senior Agent or the Prepetition Senior Lenders or their respective collateral.

2.19 Payment of Obligations. Upon the maturity (whether by acceleration or otherwise) of any of the Obligations under this Agreement or any of the other Loan Documents, Agents and Lenders shall be entitled to immediate payment of such Obligations in full in cash without further application or notice to or order of, or hearing before, the Bankruptcy Court or Canadian Court.

2.20 No Discharge; Survival of Claims. Loan Parties agree that (a) the Obligations hereunder shall not be discharged by the entry of an order confirming a plan of reorganization in any Chapter 11 Case (and Loan Parties pursuant to Section 1141(d)(4) of the Bankruptcy Code, hereby waive any such discharge) or an order sanctioning a Plan of Reorganization in the CCAA Cases and (ii) the superpriority administrative claim and Liens granted to Agents and Lenders pursuant to the Applicable Orders shall not be affected in any manner by the entry of an order confirming a plan of reorganization in any Case.

2.21 Release. Subject to entry of the Final Order, each Loan Party hereby acknowledges effective upon entry of the Applicable Order, that each such Loan Party and their respective Subsidiaries have no defense, counterclaim, offset, recoupment, cross-complaint, claim or demand of any kind or nature whatsoever that can be asserted to reduce or eliminate all of any part of each such Loan Party's or their respective Subsidiaries' liability to repay any Agent or any Lender as provided in this Agreement or to seek affirmative relief or damages of any kind or nature from any Agent or any Lender. Loan Parties, each in their own right and with respect to the Loan Parties, on behalf of their bankruptcy estates, and on behalf of all their successors, assigns, Subsidiaries and any Affiliates and any Person acting for and on behalf of, or claiming through them, (collectively, the "Releasing Parties"), hereby fully, finally and forever release and discharge Agents and Lenders and all of Agents' and Lenders' past and present officers, directors, agents, attorneys, assigns, heirs, parents, subsidiaries, and each Person acting for or on behalf of any of them (collectively, the "Released Parties") of and from any and all past, present and future actions, causes of action, demands, suits, claims, liabilities, Liens, lawsuits, adverse consequences, amounts paid in settlement, costs, damages, debts, deficiencies, diminution in value, disbursements, expenses, losses and other obligations of any kind or nature whatsoever, whether in law, equity or otherwise (including, without limitation, those arising under Sections 541 through 550 of the Bankruptcy Code and similar legislation in Canada and interest or other carrying costs, penalties, legal, accounting and other professional fees and expenses, and incidental, consequential and punitive damages payable to third parties), whether known or unknown, fixed or contingent, direct, indirect, or derivative, asserted or unasserted, foreseen or unforeseen, suspected or unsuspected, now existing, heretofore existing or which may heretofore accrue against any of the Released Parties, whether held in a personal or representative capacity, and which are based on any act, fact, event or omission or other matter, cause or thing occurring at or from any time prior to and including the date hereof in any way, directly or indirectly arising out of, connected with or relating to this Agreement, the Loan Documents, the Applicable Order and the transactions contemplated hereby, and all other agreements, certificates, instruments and other documents and statements (whether written or oral) related to any of the foregoing.

2.22 Waiver of any Priming Rights. Upon the Closing Date, and on behalf of themselves and their estates, and for so long as any Obligations (or any adequate protection obligations owed to any Prepetition Senior Agent or any Prepetition Senior Lender) shall be outstanding, without limiting any terms or conditions of the Applicable Order, the Loan Parties hereby irrevocably waive any right, (i) to grant or impose, or request that the Bankruptcy Court or Canadian Court grant or impose, under section 364 of the Bankruptcy Code, similar legislation in Canada or otherwise, Liens on or security interests in any Property of the Loan Parties, which are pari passu with, equal to or superior to the Liens and security interests held by any Agent or Lender or adequate protection Liens held by any Prepetition Senior Agent or Prepetition Senior Lender; (ii) to grant or impose, or request that the Bankruptcy Court or Canadian Court grant or impose, under section 364 of the Bankruptcy Code, similar legislation in Canada or otherwise, claims or expenses against any Loan Party, which are pari passu with, equal to or superior to the Obligations or the adequate protection claims of any Prepetition Senior Agent or Prepetition Senior Lender; and (iii) to use, or to request that the Bankruptcy Court or Canadian Court authorize the use of, proceeds of Collateral or proceeds of Loans, except for such consensual uses expressly provided under the Applicable Order.

2.23 Soucy 2. Notwithstanding anything to the contrary elsewhere in this Agreement, Soucy 2 shall not be liable, jointly or severally, for the Obligations or any liabilities of any party hereto other than Soucy 2, and does not make any representation, warranty, covenant or agreement with respect to or on behalf of any such other party (other than its Subsidiaries).

2.24 Joint and Several Liability of Borrowers.

(a) Each Borrower is accepting joint and several liability hereunder and under the other Loan Documents in consideration of the financial accommodations to be provided by the Administrative Agent and the Lenders under this Agreement, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of the other Borrower to accept joint and several liability for the Obligations. Each Borrower, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrower, with respect to the payment and performance of all of the Obligations (including any Obligations arising under this Section 2.24), it being the intention of the parties hereto that all the Obligations shall be the joint and several obligations of each Borrower without preferences or distinction among them. If and to the extent that any Borrower shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event the other Borrower will make such payment with respect to, or perform, such Obligation. The Obligations of each Borrower under the provisions of this Section 2.24 constitute the absolute and unconditional, full recourse Obligations of each Borrower enforceable against each such Borrower to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of this Agreement or any other circumstances whatsoever.

(b) Except as otherwise expressly provided in this Agreement and without limiting the generality of Section 9.4, each Borrower hereby waives notice of acceptance by each other Borrower of such Borrower's joint and several liability, notice of the making of any Loans under or pursuant to this Agreement to such other Borrower, notice of the occurrence of any Default, Event of Default, or of any demand for any payment under this Agreement as against such other Borrower, notice of any action at any time taken or omitted by the Administrative Agent, the Collateral Agents or any Lender under or in respect of any of the Obligations as against such other Borrower, any requirement of diligence or to mitigate damages and, generally, to the extent permitted by applicable law, all demands, notices and other formalities of every kind in connection with this Agreement as against such other Borrower (except as otherwise provided in this Agreement). Each Borrower hereby assents to, and waives notice of, as each of the following applies to the other Borrower, any extension or postponement of the time for the payment of any of the Obligations, the acceptance of any payment of any of the Obligations, the acceptance of any partial payment thereon, any waiver, consent or other action or acquiescence by the Administrative Agent, the Collateral Agents or any Lender at any time or times in respect of any Default or Event of Default by any Borrower in the performance or satisfaction of any term, covenant, condition or provision of this Agreement, and the taking, addition, substitution or release, in whole or in part, at any time or times, of any security for any of the Obligations or the addition, substitution or release, in whole or in part, of any Borrower. Without limiting the generality of the foregoing, each

Borrower assents, as each of the following applies to the other Borrower, to any other action or delay in acting or failure to act on the part of the Administrative Agent, the Collateral Agents or any Lender with respect to the failure by any Borrower to comply with any of its respective Obligations, including any failure strictly or diligently to assert any right or to pursue any remedy or to comply fully with applicable laws or regulations thereunder, which might, but for the provisions of this Section 2.24 afford grounds for terminating, discharging or relieving any Borrower, in whole or in part, from any of its Obligations under this Section 2.24, it being the intention of each Borrower that, so long as any of the Obligations hereunder remain unsatisfied, the Obligations of such Borrower under this Section 2.24 shall not be discharged except by performance and then only to the extent of such performance. The Obligations of each Borrower under this Section 2.24 shall not be diminished or rendered unenforceable by any winding up, reorganization, arrangement, liquidation, reconstruction or similar proceeding with respect to any Borrower or the Administrative Agent, the Collateral Agents or any Lender. The joint and several liability of the Borrowers hereunder shall continue in full force and effect notwithstanding any absorption, merger, amalgamation or any other change whatsoever in the name, constitution or place of formation of any of the Borrowers or the Administrative Agent, the Collateral Agents or any Lender.

(c) Each Borrower represents and warrants to the Administrative Agent, the Collateral Agents and Lenders that such Borrower is currently informed of the financial condition of the Borrowers and of all other circumstances which a diligent inquiry would reveal and which bear upon the risk of nonpayment of the Obligations. Each Borrower further represents and warrants to the Administrative Agent, the Collateral Agents and Lenders that such Borrower has read and understands the terms and conditions of the Loan Documents. Each Borrower hereby covenants that such Borrower will continue to keep informed of Borrowers' financial condition, the financial condition of other Guarantors, if any, and of all other circumstances which bear upon the risk of nonpayment or nonperformance of the Obligations.

(d) Each Borrower waives all rights and defenses arising out of an election of remedies by the Administrative Agent, the Collateral Agents or any Lender, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for a guaranteed obligation, has destroyed the Administrative Agent's, the Collateral Agents' or such Lender's rights of subrogation and reimbursement against such Borrower by the operation of any applicable law.

(e) The provisions of this Section 2.24 shall remain in effect until all Commitments have been terminated and the principal of and interest on each Loan, all fees and all other expenses or amounts payable under any Loan Document shall have been paid in full (other than contingent indemnification obligations). If at any time, any payment, or any part thereof, made in respect of any of the Obligations, is rescinded or must otherwise be restored or returned by the Administrative Agent, the Collateral Agents or any Lender upon the insolvency, bankruptcy or reorganization of any of the Borrowers, or otherwise, the provisions of this Section 2.24 will forthwith be reinstated in effect, as though such payment had not been made.

(f) Each of the Borrowers hereby agrees that it will not enforce any of its rights of contribution or subrogation against the other Borrower with respect to any liability incurred by it hereunder or under any of the other Loan Documents, any payments made by it to the Administrative Agent, the Collateral Agents or the Lenders with respect to any of the Obligations or any collateral security therefor until such time as all of the Obligations have been paid in full in cash. Any claim which any Borrower may have against any other Borrower with respect to any payments to the Administrative Agent, Collateral Agents or any Lender hereunder or under any other Loan Documents are hereby expressly made subordinate and junior in right of payment, without limitation, as to any increases in the Obligations arising hereunder or thereunder, to the prior payment in full in cash of the Obligations and, in the event of any insolvency, bankruptcy, receivership, liquidation, reorganization or other similar proceeding under the laws of any jurisdiction relating to any Borrower, its debts or its assets, whether voluntary or involuntary, all such Obligations shall be paid in full in cash before any payment or distribution of any character, whether in cash, securities or other property, shall be made to any other Borrower therefore.

(g) Each of the Borrowers hereby agrees that, after the occurrence and during the continuance of any Event of Default, the payment of any amounts due with respect to the Indebtedness owing by any Borrower to any other Borrower is hereby subordinated to the prior payment in full in cash of the Obligations. Each Borrower hereby agrees that after the occurrence and during the continuance of any Event of Default, such Borrower will not demand, sue for or otherwise attempt to collect any Indebtedness of any other Borrower owing to such Borrower. If, notwithstanding the foregoing sentence, such Borrower shall collect, enforce or receive any amounts in respect of such Indebtedness, such amounts shall be collected, enforced and received by such Borrower as trustee for the Administrative Agent, and such Borrower shall deliver any such amounts to the Administrative Agent for application to the Obligations in accordance with Section 2.12.

(h) Notwithstanding the foregoing, this Section 2.24 in its entirety is subject to, and qualified by, the provisions set forth in Section 2.23.

SECTION 3. REPRESENTATIONS AND WARRANTIES

To induce the Lead Arrangers, the Agents and the Lenders to enter into this Agreement and to continue or to make the Loans, each Borrower hereby represents and warrants to the Lead Arrangers, each Agent and each Lender that as of the Closing Date:

3.1 Financial Condition.

(a) The financial statements for the fiscal years ended December 31, 2007 and 2008, reported on by and accompanied by an unqualified report from PricewaterhouseCoopers, present fairly in all material respects the consolidated financial condition of the applicable Company Group Member and its Subsidiaries as at such date, and the consolidated results of its operations and its consolidated cash flows for the respective fiscal years then ended. All of the foregoing financial statements, including the related schedules and notes thereto, have been prepared in accordance with GAAP applied consistently throughout the periods involved (except as approved by the aforementioned firm of

accountants and disclosed therein). None of the Company Group Members has (i) any material Contingent Obligations known to it which are not disclosed or referred to in the financial statements delivered to the Agents in accordance with the provisions of this Section 3.1 or have not otherwise been disclosed to the Agents in writing, or (ii) incurred any Indebtedness which is not disclosed in or reflected in such financial statements, or has not otherwise been disclosed to the Agents in writing, other than Indebtedness permitted hereunder. During the period from December 31, 2008 to and including the Closing Date there has been no Disposition by any Company Group Member of any material part of its business or Property.

(b) The projections set forth in the Approved Budget have been prepared by the Borrowers in light of the past operations of its business and giving effect to anticipated developments and the current situation related to the Cases, and reflect projections on a month by month basis for the fiscal year ending in 2010. Such projections are based upon estimates and assumptions stated therein, all of which each Borrower believes to be reasonable and fair in light of current conditions and current facts known to such Borrower and, as of the Closing Date, reflect such Borrower's good faith and reasonable estimates of the future financial performance of such Borrower and its Subsidiaries and of the other information projected therein for the periods set forth therein; it being understood that projections by their nature are subject to uncertainty, and, thus, no assurance can be given that the results provided therein will be actually achieved and actual results during the period or periods covered may differ from the projections and such differences may be material.

3.2 No Change. Since December 31, 2008, other than the commencement of the Cases, there has been no development or event that has had or would reasonably be expected to have a Material Adverse Effect. Solely with respect to the making of any Delayed Draw Loans, since the Closing Date, there has been no development or event that has had or would reasonably be expected to have a Material Adverse Effect.

3.3 Corporate Existence; Compliance with Law. Each Borrower and each other Company Group Member is duly constituted and organized and validly existing in its jurisdiction of constitution and, except as would not reasonably be expected to result in a Material Adverse Effect and, subject to the Applicable Order and the First Day Orders, in good standing in all jurisdictions in which it carries on business or is otherwise required to be so qualified (to the extent such concepts are applicable in the applicable jurisdiction and except by reason of the commencement of the Cases). Each Company Group Member has the capacity and power, subject to the Applicable Order and the First Day Orders, to hold its assets and carry on the Core Business in each jurisdiction where such business is carried on except, in the case of Company Group Members other than the Borrowers, the Guarantors, Soucy GP and Soucy 1, as would not reasonably be expected to result in a Material Adverse Effect, subject to the Applicable Order and the First Day Orders and other than as a result of the Cases (including operation of the automatic stay). Each Company Group Member is in full compliance in all material respects with all requirements of applicable law and with all of the conditions attaching to its material permits, authorizations, licenses, certificates and approvals, including without limitation its constitutive documents except as would not reasonably be expected to result in a Material Adverse Effect. Each Company Group Member holds all the material permits and licenses it requires to operate the Core Business.

3.4 Corporate Power; Authorization; Enforceable Obligations. Subject to the Applicable Order and the First Day Orders, each Loan Party has the power and authority, and has taken all necessary steps under applicable law to be authorized to borrow hereunder, to provide the security under the Security Documents and to execute and deliver and perform its obligations under this Agreement and each of the Loan Documents to which it is a party in accordance with the terms and conditions hereof and thereof. Upon the entry of the Applicable Order and the First Day Orders, each of this Agreement and each other Loan Document shall have been duly executed and delivered by duly authorized officers of each Loan Party that is party hereto or thereto and, upon the issuance and entry of the Interim Order and the CCAA Initial Order (or the Final Order, when applicable) by the Bankruptcy Court and the Canadian Court, as applicable, and subject to the terms of such orders, when duly executed by the other parties thereto (if any) and subject to the terms of the Applicable Order, will be a legal, valid and binding obligation of the relevant Loan Party, enforceable in accordance with its terms, except to the extent that the enforceability thereof may be limited by bankruptcy, insolvency, re-organization and similar laws affecting the enforceability of creditors' rights generally and the availability of the equitable remedies of specific performance or injunction.

3.5 Compliance with Law and Contracts. Subject in each case to the issuance and entry of the Interim Order and the CCAA Initial Order (or the Final Order, when applicable) by the Bankruptcy Court and the Canadian Court, as applicable, and subject to the terms and conditions of such orders and other than as contemplated by Section 5.16, the execution and delivery of and performance of the obligations under this Agreement, each other Loan Document in accordance with their respective terms by each Loan Party thereto do not require any consents or approvals, do not violate any Requirement of Law, do not conflict with, violate or constitute a breach under the constitutive and organizational documents of such Loan Party or under any Material Agreements, contracts or deeds to which such Loan Party is a party or binding upon it or its assets and do not result in or require the creation or imposition of any Lien whatsoever on the assets of any Loan Party, whether presently owned or hereafter acquired, except for Permitted Liens.

3.6 No Material Litigation. Other than the Cases and the events set forth in Schedule 3.6, there are no actions, suits, orders, directives or other legal or regulatory proceedings instituted or pending or, to the knowledge of any Company Group Member, threatened, against any of them or their Property before any court or arbitrator or any Governmental Authority or instituted by any Governmental Authority (i) with respect to the Loan Documents or (ii) which, if decided against any of the Company Group Members, would, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

3.7 No Default. There exists no Default or Event of Default hereunder. Each of the Company Group Members is in compliance in all material respects with each and every one of its obligations under Material Agreements with third parties to which it is a party or by which it is bound, the breach of which would reasonably be expected to result in a Material Adverse Effect.

3.8 Ownership of Property; Liens. Each of the Company Group Members has good, valid and marketable title to all of its material properties and assets (or a valid leasehold

interest in any material properties or assets that are leased), free and clear of any Liens other than Permitted Liens.

3.9 Intellectual Property. Except as would not reasonably be expected to have a Material Adverse Effect (a) each Company Group Member owns, or is licensed to use, all Intellectual Property necessary for the conduct of its business as currently conducted, (b) no claim has been asserted and is pending by any Person alleging that (i) any Company Group Member is infringing, misappropriating, diluting, or otherwise violating the Intellectual Property rights of any Person, (ii) any Person is infringing, misappropriating, diluting, or otherwise violating the Intellectual Property rights of any Company Group Member, or (iii) challenging the validity, enforceability, registration, ownership or use of any Intellectual Property owned by a Company Group Member, and (c) to each Company Group Member's knowledge, the use of Intellectual Property by the Company Group Members does not infringe, misappropriate, dilute, or otherwise violate the rights of any Person in any material respect.

3.10 Taxes. Except as set forth on Schedule 4.10, each of the Company Group Members has filed on a timely basis all federal, provincial, state or other tax returns which it is required by applicable law to file and all material taxes, assessments and other duties levied by any Governmental Authority with respect to any Company Group Member have been paid when due, except to the extent that payment thereof is being contested in good faith by such Company Group Member in accordance with appropriate procedures, and for which adequate reserves have been established in the books of the relevant Company Group Member and that the failure to file tax returns or to make payment of taxes, assessment or other duties would not reasonably be expected to result in a Material Adverse Effect. Except as set forth on Schedule 3.10, to the knowledge of the Company, after due inquiry, no material claim is being asserted, and no Lien has been filed (other than Liens with respect to taxes not yet due and payable), with respect to any such unpaid tax, assessment or other duty, other than tax assessments or other duties that would not reasonably be expected to result in a Material Adverse Effect.

3.11 Operation of Core Business; Federal Regulations. The Borrowers and their respective Subsidiaries operate the Core Business. None of the Company Group Members is engaged in the business of extending credit for the purpose of purchasing or carrying "margin stock" or "margin security", as defined in Regulation U and Regulation X, and no proceeds of any Loans will be used to purchase or carry any equity security of a class which is registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended, or any such margin stock or "margin security", or for a purpose which violates, or would be inconsistent with, Regulation T, U or X of the Board. Terms used in this Section 3.11 for which meanings are provided in Regulation T, U or X of the Board or any regulations substituted therefor, as from time to time in effect, have the meaning so provided. If requested by any Lender or the Administrative Agent, the Company will furnish to the Administrative Agent and each Lender a statement to the foregoing effect in conformity with the requirements of FR Form G-3 or FR Form U 1 referred to in Regulation U.

3.12 Labor Matters. There are no strikes, stoppages or slowdowns or other labor disputes against any Company Group Member pending or, to the knowledge of any Company Group Member, threatened that (individually or in the aggregate) would reasonably be expected to have a Material Adverse Effect. Hours worked by and payments made to employees

of any Company Group Member have not been in violation of the Fair Labor Standards Act or any other applicable Requirement of Law dealing with such matters that (individually or in the aggregate) would reasonably be expected to have a Material Adverse Effect. All payments due from any Company Group Member on account of employee health and welfare insurance that (individually or in the aggregate) would reasonably be expected to have a Material Adverse Effect if not paid have been paid or accrued as a liability on the books of the relevant Company Group Member.

3.13 Pensions and Benefit Plans. (a) ERISA. (b) Canadian Pension Plans and Canadian Benefit Plans. The Company will cause to be delivered to the Administrative Agent, promptly upon the Administrative Agent's request, a copy of each Canadian Benefit Plan and Canadian Pension Plan (or, where any such Canadian Benefit Plan or Canadian Pension Plan is not in writing, a complete description of all material terms thereof) then in effect and, if applicable, all related trust agreements or other funding instruments and all amendments thereto then in effect, and all written interpretations thereof and written descriptions thereof that remain applicable and that have been distributed to employees or former employees of the Company Group Members. The Canadian Pension Plans are duly registered under the *Income Tax Act* (Canada) and any other Requirement of Law which to the knowledge of each Company Group Member requires registration and no event has occurred which is reasonably likely to cause the loss of such registered status. All material, if any, obligations of each Company Group Member required to be performed pursuant to a Requirement of Law and the plan terms in connection with the Canadian Pension Plans and the funding agreements therefor have been performed in a timely fashion. There have been no improper withdrawals or applications of the assets of the Canadian Pension Plans or the Canadian Benefit Plans. Except as would not reasonably be expected to result in a Material Adverse Effect, (i) there are no outstanding disputes concerning the assets held under

the funding agreements for the Canadian Pension Plans or the Canadian Benefit Plans and (ii) each Canadian Pension Plan is funded to the extent required by a Requirement of Law and the plan terms on an ongoing basis, a solvency basis and a wind-up basis (using actuarial methods and assumptions which are consistent with the valuations last filed with the applicable Governmental Authorities and which are consistent with generally accepted actuarial principles). No promises of benefit improvements under the Canadian Pension Plans or the Canadian Benefit Plans have been made except where such improvement could not have a Material Adverse Effect. No Pension Plan Termination Event has occurred. Except as would not reasonably be expected to result in a Material Adverse Effect, (i) all contributions or premiums required to be made or paid by each Company Group Member, if any, to the Canadian Pension Plans or the Canadian Benefit Plans have been made or paid in a timely fashion in accordance with the terms of such plans and all Requirements of Law, (ii) all employee contributions to the Canadian Pension Plans or the Canadian Benefit Plans by way of authorized payroll deduction or otherwise have been properly withheld or collected and fully paid into such plans in a timely manner, (iii) all material reports and disclosures relating to the Canadian Pension Plans required by such plans and any Requirement of Law to be filed or distributed have been filed or distributed in a timely manner and (iv) each Company Group Member has withheld all employee withholdings and has made all employer contributions to be withheld and made by it pursuant to applicable law on account of Canadian Pension Plans and the Canadian Benefit Plans, employment insurance and employee income taxes.

3.14 Investment Company Act; Other Laws. None of the Company Group Members is an “investment company” or an “affiliated person” of, or “promoter” or “principal underwriter” for, an “investment company”, as such terms are defined in the Investment Company Act of 1940, as amended (15 U.S.C. § 80a-1 et seq.). Without limiting the foregoing, none of the Company Group Members is subject to regulation under any other applicable law which may limit its ability to incur Indebtedness or which may otherwise render its obligations hereunder or under any other Loan Document in favor of the Secured Parties unenforceable.

3.15 Subsidiaries. The Subsidiaries listed on Schedule 4.15(a) constitute all the Subsidiaries of Holdings as of the Closing Date. Schedule 4.15(a) sets forth as of the Closing Date, the exact legal name as reflected on the certificate of incorporation (or formation) and, the jurisdiction of incorporation (or formation) of each Subsidiary of Holdings and, as to each such Subsidiary and, the percentage of shares or other interests of each class of Capital Stock owned by each Company Group Member.

3.16 Environmental Matters. (a) No Company Group Member has received written notice of any existing claims, demands, orders (including, without limitation, regulatory and court orders), damages, expenses, suits, actions, causes of action or other similar proceedings of any nature whatsoever asserted against any Company Group Member, whether threatened in writing or pending, arising out of or in relation to: (i) the presence of any Hazardous Substance on, at, in or under any property owned, occupied, managed, controlled or operated by any Company Group Member, either in the past or the present; or (ii) any past or present activity (including, without limitation, any releases, discharges, spills or emissions) conducted or condition existing involving Hazardous Substances not in compliance with applicable Environmental Laws on, at in or under any property now owned by any Company Group Member, whether or not conducted by a Company Group Member, in each case which would

reasonably be expected to result in a Material Adverse Effect, except as set forth in Schedule 3.16.

(b) Other than as set forth on Schedule 3.16 and in the assessments listed on Schedule 3.16, and to the best of the knowledge of the Company Group Members, after due inquiry:

(i) there is no Hazardous Substance or condition relating to the environment existing at, on, in or under any real property of any Company Group Member which constitutes a violation of any Environmental Law or which exceeds or contravenes any generally accepted standard in the jurisdiction in which the property is located and which would reasonably be expected to result in a Material Adverse Effect;

(ii) the business of each Company Group Member is being carried on so as to comply with all Environmental Laws, except for such noncompliance as would not reasonably be expected to have a Material Adverse Effect;

(iii) no Hazardous Substance is being or has been released into the environment contrary to applicable Environmental Laws from any real property (A) currently owned, used, occupied, managed, controlled or operated by any Company Group Member or (B) previously owned, used, occupied, managed, controlled or operated by any Company Group Member while owned, used, occupied, managed, controlled or operated by any Company Group Member which would reasonably be expected to result in any Material Adverse Effect;

(iv) compliance by the Company Group Members with all current Environmental Laws would not reasonably be expected to result in a Material Adverse Effect;

(v) none of the Company Group Members is in default in performing any task or activity or in filing any report, document or information with respect to its business with any Governmental Authority as required pursuant to Environmental Laws except as such noncompliance, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect; and

(vi) each of the Company Group Members has maintained all environmental and operating documents and records with respect to its business substantially in the manner required by all Environmental Laws, except where the failure to maintain such documents and records would not reasonably be expected to have a Material Adverse Effect.

(c) To the best of the knowledge of the Company Group Members, there are no present or past environmental conditions or events near the property of any Company Group Member that would reasonably be expected to result in a Material Adverse Effect.

(d) To the extent that the representations contained in this Section 3.16 are qualified, and that other representations of the Company Group Members contained in Section 3 of this Agreement may apply to environmental matters that are addressed in this Section 3.16, the qualifications contained in this Section 3.16 shall apply to such other representations contained in Section 3 of this Agreement which are not so qualified, to the extent that they relate to environmental matters that are addressed in this Section 3.16.

3.17 Accuracy of Information, etc. No statement or information (other than projections) contained in this Agreement, any other Loan Document, or any other document, certificate or statement furnished to the Administrative Agent, the Lead Arrangers, the Agents or the Lenders or any of them, by or on behalf of any Group Member for use in connection with the transactions contemplated by this Agreement or the other Loan Documents, taken as a whole, contained as of the date such statement, information, document or certificate was so furnished, any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements contained herein or therein not misleading in light of the circumstances under which such statements were made. The projections are based upon good faith estimates and assumptions believed by management of Holdings and the Company to be reasonable at the time made, it being recognized by the Lenders that such financial information as it relates to future events is not to be viewed as fact and that actual results during the period or periods covered by such financial information may differ from the projected results set forth therein. There is no fact known to any Company Group Member that would reasonably be expected to have a Material Adverse Effect that has not been expressly disclosed herein, in the other Loan Documents or in any other documents, certificates and statements furnished to the Lead Arrangers, the Agents and the Lenders for use in connection with the transactions contemplated hereby and by the other Loan Documents.

3.18 Security Documents. Upon the issuance and entry of the DIP Order and the CCAA Initial Order by the Bankruptcy Court and the Canadian Court, as applicable, the DIP Order, the CCAA Initial Order and the applicable Security Documents are effective to create in favor of the US Collateral Agent, the Canadian Collateral Agent or, in respect of the Soucy Intercompany Note, the Company (and indirectly the Canadian Collateral Agent), or in respect of the Soucy 1 Intercompany Note, Soucy 2 (and indirectly, the Canadian Collateral Agent), as applicable, for the benefit of the Secured Parties defined therein, a legal, valid, binding and enforceable Lien on, and security interest in, the Collateral described therein and proceeds and products thereof, to the extent (with respect to personal or movable property) that such interest can be created pursuant to the applicable law or regulation. In the case of the Collateral described in the applicable Security Documents, when Financing Statements, Intellectual Property security agreements, and Mortgages (or, in the sole discretion of the Lead Arrangers, the Applicable Order) in appropriate form are filed in the offices specified on Schedule 4.19 (which Financing Statements, Intellectual Property security agreements, and Mortgages may be filed by the US Collateral Agent or the Canadian Collateral Agent, as applicable) at any time, such other filings as are specified in the applicable Security Documents have been completed (all of which filings may be filed by the US Collateral Agent or the Canadian Collateral Agent, as applicable, at any time) and upon the taking of possession or control by the US Collateral Agent or the Canadian Collateral Agent of Collateral in which a security interest may be perfected only by possession or control, each of the applicable Security Documents shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Loan Parties in such

Collateral described therein, including the Mortgaged Properties, and the proceeds and products thereof, as security for the Obligations described in the applicable Security Documents, and prior and superior in right to any other Person (as set forth in Section 2.18). On or prior to the Closing Date, the Company will have delivered to the US Collateral Agent or the Canadian Collateral Agent, as applicable, or caused to be filed, duly completed UCC or other applicable termination or discharge statements under Personal Property Security Legislation, signed by the relevant secured party, if applicable, in respect of each Financing Statement filed in respect of Liens other than Permitted Liens or otherwise made arrangements reasonably satisfactory to the US Collateral Agent or the Canadian Collateral Agent, as applicable, with respect thereto.

3.19 Approved Budget.

The Approved Budget includes and contains all fees, costs and/or expenses that are projected, in the Loans Parties' commercially reasonable judgment, in the case of professional fees, incurred and payable, and in all other cases, payable in cash by the Borrowers or other Loan Parties (or their respective Subsidiaries) during the period covered by such Approved Budget. It being understood that the projections in the Approved Budget are based upon good faith estimates and assumptions believed by management of the Loan Parties to be reasonable at the time made, it being recognized by the Administrative Agent, the Syndication Agent and the Lenders that such financial information as it relates to future events is not to be viewed as fact and that actual results during the period or periods covered by such financial information may differ from the projected results set forth therein and such differences may be material.

3.20 Reorganization Matters.

(a) The Chapter 11 Cases were commenced on the Petition Date and the CCAA Cases were commenced on the CCAA Filing Date, in each case in accordance with applicable law and proper notice thereof and proper notice for (x) the motion seeking approval of the Loan Documents and the Applicable Order, (y) the hearing for the approval of the Interim Order and the CCAA Initial Order and (z) the hearing for the approval of the Final Order has been given or dispensed with by the terms of the Applicable Order. The Borrowers shall give, on a timely basis as specified in the Applicable Order, all notices required to be given to all parties specified in the Applicable Order.

(b) The CCAA Initial Order, the Interim Order (with respect to the period prior to entry of the Final Order) and the Final Order (with respect to the period on and after entry of the Final Order), as the case may be, are each in full force and effect and have not been reversed, stayed, vacated, modified or amended, except as would not result in an Event of Default hereunder.

3.21 Insurance. Each Company Group Member is insured in accordance with Section 5.15. As of the Closing Date such insurance is in full force and effect and all premiums have been duly paid. No Company Group Member has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers at a cost that would not reasonably be expected to have a Material Adverse Effect.

3.22 Real Estate. As of the Closing Date, Schedule 4.22 sets forth a true, complete and correct list of all material real property owned or leased by any Company Group Member (but in any event all real property owned or leased by any Company Group Member that is used or useful in the Core Business) and indicates which such properties are Mortgaged Properties.

3.23 Valid Liens. Upon the issuance and entry of the DIP Order and the CCAA Initial Order by the Bankruptcy Court and the Canadian Court, respectively, such orders shall be effective to create in favor of the Collateral Agents, for the benefit of the Secured Parties, legal, valid and enforceable Liens on, and security interests in, all of the Loan Parties' right, title and interest in and to the Collateral thereunder. Upon the issuance and entry of the DIP Order and the CCAA Initial Order by the Bankruptcy Court and the Canadian Court, respectively, such orders and the Liens created by such orders will constitute fully perfected Liens on, and security interests in, all right, title and interest of the Loan Parties in such Collateral, in each case with the priority set forth in Section 2.18 and subject to no Liens other than the Permitted Liens.

3.24 Survival of Representations and Warranties. All of the representations and warranties made hereunder or under any other Loan Document are true and correct on and as of the Closing Date (except to the extent such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall be true and correct in all material respects on and as of such earlier date) and shall survive the execution and delivery of this Agreement and the making of the Loans and the extensions of credit hereunder, as well as any investigation by or on behalf of any Agent or Lender or the making of any Loan hereunder, and none of same is or shall be waived, except in writing.

SECTION 4. CONDITIONS PRECEDENT

The obligation of each Lender to fund the initial Extensions of Credit requested to be made by it shall be subject to the prior or concurrent satisfaction (except to the extent that such conditions are permitted to be satisfied on a post-closing basis pursuant to Section 5.16 hereof) of each of the conditions precedent set forth in this Section 4.1.

There shall be no litigation, governmental, administrative or judicial action, actual or threatened, that could reasonably be expected to restrain, prevent or impose burdensome conditions on the Transactions or the other transactions contemplated hereby.

(d) Fees. The Lenders, the Lead Arrangers and the Agents shall have received all fees required to be paid, and been reimbursed all reasonable expenses for which invoices have been presented (including reasonable fees, disbursements and other charges of counsel to the Lead Arrangers), on or before the Closing Date. All such amounts will be paid with proceeds of Interim Date Loans made on the Closing Date and will be reflected in the funding instructions given by the Company to the Administrative Agent on or before the Closing Date.

(e) Lien Searches. The Agents shall have received the results of a recent lien, tax lien, bankruptcy and judgment search in each of the jurisdictions (including the United States of America and Canada) or offices in which Financing Statements under applicable Personal Property Security Legislation or other filings or recordations should be made to evidence or perfect (with the priority required under the Loan Documents) security interests in all assets of the Loan Parties (or would have been made at any time during the five years immediately preceding the Closing Date to perfect Liens on any assets of any Loan Party), and such search shall reveal no Liens on any of the assets of the Loan Parties, except for Permitted Liens.

If any Default or Event of Default has occurred and is continuing, the Administrative Agent may, or upon the request of the Majority Lenders, the Administrative Agent shall, notwithstanding the provisions of Section 362 of the Bankruptcy Code or similar legislation in Canada, without any application, motion or notice to, hearing before, or order from, the Bankruptcy Court or Canadian Court, increase the rate of interest applicable to the Loans to the default rate.

SECTION 8. THE AGENTS; THE ARRANGERS

8.1 Appointment. (a) Each Lender hereby irrevocably designates and appoints the Agents as the agents of such Lender under this Agreement and the other Loan Documents, and each Lender irrevocably authorizes each Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to such Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto, and each Agent hereby accepts such appointment. Notwithstanding any provision to the contrary elsewhere in this Agreement, no Agent shall have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent.

(b) For greater certainty, and without limiting the powers of the Agents or any other Person acting as an agent, attorney-in-fact or mandatary for the Agents under this Agreement or under any of the Loan Documents, each Lender (for itself and for all other Secured Parties that are Affiliates of such Lender) and each Agent and Lead Arranger (i) irrevocably constitutes (to the extent necessary), the Canadian Collateral Agent as the holder of an irrevocable power of attorney (*fondé de pouvoir* within the meaning of Article 2692 of the *Civil Code of Québec*) for the purposes of holding on their behalf, and for their benefit, any Liens, including hypothecs (“Hypothecs”), granted or to be granted by the Company or any other Loan Party on movable or immovable property pursuant to the laws of the Province of Québec to secure obligations of the Company or any other Loan Party under any debenture issued by the Company or any other Loan Party and exercising such powers and duties which are conferred upon the Canadian Collateral Agent in its capacity as *fondé de pouvoir* under any of the Hypothecs; and (ii) appoints on the Closing Date and agrees that the Canadian Collateral Agent, acting as agent for the Secured Parties, may act as the debentureholder and mandatary with respect to any debenture that may be issued and pledged from time to time for the benefit of the Secured Parties.

(c) The said constitution of the *fondé de pouvoir* (within the meaning of Article 2692 of the *Civil Code of Québec*) as the holder of such irrevocable power of attorney and of the Canadian Collateral Agent as debentureholder and mandatary with respect to any debenture that may be issued and pledged from time to time for the benefit of the applicable Secured Parties shall be deemed to have been ratified and confirmed by any Assignee by the execution of an Assignment and Acceptance to be bound by the provisions of this Section 8 as if it were a Lender party thereto.

(d) Notwithstanding the provisions of Section 32 of An Act Respecting the Special Powers of Legal Persons (Québec), the Canadian Collateral Agent may purchase, acquire and be the holder of any debenture issued by a Canadian Borrower or any other Loan Party. Each of the Loan Parties hereby acknowledges that any such debenture shall constitute a title of indebtedness, as such term is used in Article 2692 of the *Civil Code of Québec*.

(e) The Canadian Collateral Agent appointed as *fondé de pouvoir* shall have the same rights, powers and immunities as the Agents as stipulated in this Section 8 of this Agreement, which shall apply mutatis mutandis. Without limitation, the provisions of Section 8.9 shall apply mutatis mutandis to the resignation and appointment of a successor to the Canadian Collateral Agent acting as *fondé de pouvoir*.

(f) Without limiting the foregoing, each Lender hereby authorizes the Administrative Agent to consent, on behalf of each such Lender in such capacity, to (i) an Interim Order substantially in the form attached as Exhibit D hereto, (ii) the CCAA Initial Order, and (iii) a Final Order to be negotiated between the Loan Parties, the Administrative Agent and the Syndication Agent.

8.2 Delegation of Duties. Each Agent may execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys-in-fact (including the Canadian Collateral Agent in the case of the US Collateral Agent and the US Collateral Agent in the case of the Canadian Collateral Agent) and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

8.3 Exculpatory Provisions. Neither the Lead Arrangers, any Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a court of competent jurisdiction to have resulted directly from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Lead Arrangers, the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this

Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party.

8.4 Reliance by Agents. Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or conversation believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Loan Parties), independent accountants and other experts selected by such Agent. The Agents may deem and treat the payee of any Note as the owner thereof for all purposes unless such Note shall have been transferred in accordance with Section 9.5 and all actions required by such Section 9.5 in connection with such transfer shall have been taken. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Majority Lenders (or, if so specified by this Agreement, all Lenders or any other instructing group of Lenders specified by this Agreement) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Majority Lenders (or, if so specified by this Agreement, all Lenders or any other instructing group of Lenders specified by this Agreement), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

8.5 Notice of Default. No Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless such Agent shall have received notice from a Lender or the Borrowers referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent shall receive such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Agents shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Majority Lenders (or, if so specified by this Agreement, all Lenders or any other instructing group of Lenders specified by this Agreement); provided that unless and until the Agents shall have received such directions, the Agents may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

8.6 Non-Reliance on the Lead Arrangers, the Agents and Other Lenders. Each Lender expressly acknowledges that neither the Lead Arrangers, any of the Agents nor any of their respective officers, directors, employees, agents, attorneys and other advisors, partners, attorneys-in-fact or Affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any Affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by such Agent to any Lender. Each Lender represents to the Agents and the Lead Arrangers that it has, independently and without reliance upon the Lead Arrangers, any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Affiliates and made its own decision to make its

Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Lead Arrangers, any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, no Lead Arrangers and no Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Lead Arrangers or Agent or any of its officers, directors, employees, agents, attorneys and other advisors, partners, attorneys-in-fact or Affiliates.

8.7 Indemnification. The Lenders agree to indemnify the Lead Arrangers and each Agent in its capacity as such (to the extent not reimbursed by the Loan Parties and without limiting the obligation of the Loan Parties to do so), ratably according to their respective pro rata percentage interests in a Commitments or the Loans, as applicable, in effect on the date on which indemnification is sought under this Section 8.7 (or, if indemnification is sought after the date upon which all Commitments shall have terminated and all Loans shall have been paid in full, ratably in accordance with such pro rata percentage interests in the Loans immediately prior to such date), for, and to save the Lead Arrangers and each Agent harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (including, without limitation, at any time following the repayment of the Loans) be imposed on, incurred by or asserted against the Lead Arrangers or such Agent in any way relating to or arising out of, the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Lead Arrangers or such Agent under or in connection with any of the foregoing; including, in connection with, the obtaining of approval of the Loan Documents by the Bankruptcy Court and the Canadian Court and the preparation and review of pleadings, documents and reports related to any Case and any subsequent case under Chapter 7 of the Bankruptcy Code or similar proceeding in Canada, attendance at meetings, court hearings or conferences related to any Case and any subsequent case under Chapter 7 of the Bankruptcy Code or similar proceeding in Canada, and general monitoring of any Case and any subsequent case under Chapter 7 of the Bankruptcy Code or similar proceeding in Canada, provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a court of competent jurisdiction to have resulted directly from the Lead Arrangers' or such Agent's gross negligence or willful misconduct. The agreements in this Section 8.7 shall survive the payment of the Loans and all other amounts payable hereunder.

8.8 Lead Arrangers and Agents in their Individual Capacities. The Lead Arrangers and each Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though the Lead Arrangers or such Agent were not Lead Arrangers or an Agent. With respect to its Loans made or renewed by

it, the Lead Arrangers and each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though they were not the Lead Arrangers or an Agent, and the terms “Lender” and “Lenders” shall include the Lead Arrangers and the Agent in their individual capacities.

8.9 Successor Agents. (a) The Administrative Agent, the US Collateral Agent and the Canadian Collateral Agent may resign as Administrative Agent, US Collateral Agent or Canadian Collateral Agent, respectively, upon 30 days’ notice to the Lenders and the Borrowers and the Administrative Agent may be removed at any time with or without cause by an instrument or concurrent instruments in writing delivered to Borrowers and Administrative Agent and signed by Majority Lenders. If the Administrative Agent, US Collateral Agent or Canadian Collateral Agent shall resign as Administrative Agent, US Collateral Agent or Canadian Collateral Agent, as applicable, under this Agreement and the other Loan Documents, or is removed as Administrative Agent under this Agreement, then the Majority Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default shall have occurred and be continuing) be subject to approval by the Borrowers (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, the US Collateral Agent or the Canadian Collateral Agent, as applicable, and the term “Administrative Agent,” “US Collateral Agent” or “Canadian Collateral Agent,” as applicable, shall mean such successor agent effective upon such appointment and approval, and the former Agent’s rights, powers and duties as Administrative Agent, US Collateral Agent or Canadian Collateral Agent, as applicable, shall be terminated, without any other or further act or deed on the part of such former Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent, US Collateral Agent or Canadian Collateral Agent, as applicable, by the date that is 30 days following a retiring Agent’s notice of resignation, the retiring Agent’s resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent, US Collateral Agent or Canadian Collateral Agent, as applicable, hereunder until such time, if any, as the Majority Lenders appoint a successor agent as provided for above. The Syndication Agent may resign as an Agent hereunder upon 30 days’ notice to the Administrative Agent, the Lenders and the Borrowers. If the Syndication Agent shall resign as Syndication Agent hereunder, as applicable, the duties, rights, obligations and responsibilities of such Agent hereunder, if any, shall automatically be assumed by, and inure to the benefit of, the Administrative Agent, without any further act by the Lead Arranger, any Agent or any Lender. After any retiring Agent’s resignation or removal as Agent, the provisions of this Section 8 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement and the other Loan Documents.

8.10 Authorization to Release Liens and Guarantees. The US Collateral Agent and the Canadian Collateral Agent, as applicable, are hereby irrevocably authorized by each of the Lenders to effect any release of Liens or Guarantee Obligations contemplated by Section 9.15.

8.11 The Lead Arrangers and the Syndication Agent. The Lead Arrangers and the Syndication Agent, in their respective capacities as such, shall have no duties or

responsibilities, and shall incur no liability, under this Agreement and the other Loan Documents.

8.12 Withholding Tax. (a) To the extent required by any applicable law, the Administrative Agent may withhold from any interest payment to any Lender an amount equivalent to any applicable withholding tax. If the forms or other documentation required by Section 2.14(e) and (f) are not delivered to the Administrative Agent, then the Administrative Agent may withhold from any interest payment to any Lender not providing such forms or other documentation, a maximum amount of the applicable withholding tax.

(b) If the Internal Revenue Service, Canada Revenue Agency or any authority of the United States of America, Canada or any other jurisdiction asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason), such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses.

(c) If any Lender sells, assigns, grants a participation in, or otherwise transfers its rights under this Agreement, the purchaser, assignee, participant or transferee, as applicable, shall comply and be bound by the terms of Sections 2.14(e) and (f) and this Section 8.12; provided that with respect to any Participant, as set forth in Section 9.5(b), such Participant shall only be required to comply with the requirements of Sections 2.14(e) and (f) if such Participant seeks to obtain the benefits of Section 2.14.

SECTION 9. MISCELLANEOUS

9.1 Amendments and Waivers. (a) Neither this Agreement nor any other Loan Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 9.1. The Majority Lenders and each Loan Party that is party to the relevant Loan Document may, or (with the written consent of the Majority Lenders) the Administrative Agent and each Loan Party party to the relevant Loan Document may, from time to time, (1) enter into written amendments, supplements or modifications hereto and to the other Loan Documents (including amendments and restatements hereof or thereof) for the purpose of adding any provisions to this Agreement or the other Loan Documents or changing in any manner the rights of the Lenders or of the Loan Parties hereunder or thereunder or (2) waive, on such terms and conditions as may be specified in the instrument of waiver, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall (except as provided in Section 9.1(b)):

(i) forgive the principal amount or extend the final scheduled date of maturity of any Loan, reduce the stated rate of any interest payable hereunder or extend the scheduled date of any payment thereof, or increase the amount or

extend the expiration date of any Commitment of any Lender, in each case without the consent of each Lender directly affected thereby;

(ii) (A) amend, modify or waive any provision of this Section 9.1 or reduce any percentage specified in the definition of Majority Lenders without the consent of all Lenders, (B) consent to the assignment or transfer by either Holdings or the Borrowers of any of their respective rights and obligations under this Agreement and the other Loan Documents without the consent of all Lenders, (C) release any of the Guarantors from their Guarantee Obligations under the applicable Security Documents (except as otherwise provided herein), in each case without the consent of all Lenders, or (D) release all or substantially all of the Collateral (other than pursuant to transactions permitted hereunder) without the consent of all Lenders;

(iii) amend, modify or waive any provision of Section 8 or any other provision of any Loan Document affecting the rights, duties and obligations of the Lead Arrangers or any Agent without the consent of the Lead Arrangers or Agent affected thereby; or

(iv) amend, modify or waive the provisions of Section 2.12 or the provisions of any of the Security Documents specifying the priority or order in which payments shall be applied, in each case without the consent of each Lender directly affected thereby.

Any such waiver and any such amendment, supplement or modification shall apply equally to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Lead Arrangers, the Agents and all future holders of the Loans. In the case of any waiver, the Loan Parties, the Lenders, the Lead Arrangers and the Agents shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon. Any such waiver, amendment, supplement or modification shall be effected by a written instrument signed by the parties required to sign pursuant to the foregoing provisions of this Section 9.1; provided, that delivery of an executed signature page of any such instrument by facsimile transmission shall be effective as delivery of a manually executed counterpart thereof.

(b) If, in connection with any proposed amendment, modification, waiver or termination of or in respect of this Agreement, a Lender fails to consent thereto (any such Lender whose consent is not obtained being referred to as “Non-Consenting Lender”), then at the Borrowers’ sole cost and expense, the Borrowers may require such Non-Consenting Lender to promptly transfer to a bank or other financial institution specified by the Borrowers (which other bank or financial institution approves the proposed amendment, modification, waiver or termination) all of the Loans of such Non-Consenting Lender for an amount equal to, from such purchaser of the Loans, the principal balance of all Loans held by such Non-Consenting Lender and all accrued interest and fees with respect thereto through the date of sale (such purchase and sale to be consummated pursuant to an executed Assignment and Acceptance). In connection with any such replacement, if the Non-Consenting Lender does not execute and

deliver to the Administrative Agent a duly completed Assignment and Acceptance reflecting such replacement upon the request of the Administrative Agent following the execution and delivery by such replacement Lender of such Assignment and Acceptance to the Non-Consenting Lender, then such Non-Consenting Lender shall be deemed to have executed and delivered such Assignment and Acceptance for all purposes of this Agreement and the other Loan Documents.

provided that any notice, request or demand to or upon the Lead Arrangers, any Agent or any Lender shall not be effective until received; and provided, further, that any notices or deliveries required to be given to any Lender hereunder may be effected by delivery of notice to the Administrative Agent as provided above, followed by a distribution of such notice by the Administrative Agent to any Lender through IntraLinks (or any similar electronic system customarily used by financial institutions), to the extent such system is being used by the Administrative Agent, it being understood that the Administrative Agent shall bear no responsibility for any failure of any Lender to receive any such notice or delivery and the Borrowers shall remain responsible therefor.

9.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of any Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

9.4 Payment of Expenses. The Borrowers shall, jointly and severally, (a) pay or reimburse the Lead Arrangers and the Agents for all their reasonable out-of-pocket costs and

expenses incurred in connection with (i) the syndication of the DIP Facility and the development, preparation, execution and interpretation of, and any amendment, supplement or modification to, this Agreement and the other Loan Documents and any other documents prepared in connection herewith or therewith, (ii) the consummation and administration of the transactions contemplated hereby and thereby, (iii) efforts to monitor the Loans or any of the other Obligations, and evaluate, observe or assess any of the Loan Parties or their respective affairs, and verify, protect, evaluate, assess, appraise, collect, sell, liquidate or otherwise dispose of any of the Collateral, (iv) the obtaining of approval of the Loan Documents by the Bankruptcy Court and Canadian Court, and (v) the preparation and review of pleadings, documents and reports related to any Case and any subsequent case under Chapter 7 of the Bankruptcy Code or similar proceeding in Canada, attendance at meetings, court hearings or conferences related to any Case and any subsequent case under Chapter 7 of the Bankruptcy Code or similar proceeding in Canada, and general monitoring of any Case and any subsequent case under Chapter 7 of the Bankruptcy Code or similar proceeding in Canada, including, in connection with the above, (A) the reasonable fees and disbursements of Latham & Watkins LLP, Osler, Hoskin & Harcourt LLP and such other local counsel as is reasonably determined appropriate by the Agents, (B) all reasonable fees, costs and expenses of the US Collateral Agent's and the Canadian Collateral Agent's advisors, consultants, appraisers and auditors, and (C) the charges of IntraLinks; provided that the Borrowers shall not be required to reimburse or pay the fees and disbursements of more than one U.S. counsel, one Canadian counsel and one local counsel for each applicable jurisdiction, (b) pay or reimburse each Lender, the Lead Arrangers and the Agents for all their reasonable costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Loan Documents and any other documents prepared in connection herewith or therewith, provided that the Borrowers shall not be required to reimburse or pay the fees and disbursements of more than (x) one U.S. counsel, one Canadian counsel and one local counsel for each applicable jurisdiction for the Lead Arrangers and the Administrative Agent and (y) one additional U.S. counsel and one additional Canadian counsel for all the Lenders (the "Legal Fee Limitations"), (c) jointly and severally pay, indemnify, or reimburse each Lender, the Lead Arrangers and the Agents for, and hold each Lender, the Lead Arrangers and the Agents harmless from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, stamp, excise and similar taxes, if any, which may be payable or determined to be payable in connection with the execution and delivery of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents and any such other documents, and (d) jointly and severally pay, indemnify or reimburse each Lender, the Lead Arrangers, each Agent, their respective Affiliates, and their respective officers, directors, trustees, employees, Affiliates, shareholders, members, attorneys and other advisors, agents and controlling Persons (each, an "Indemnatee") for, and hold each Indemnatee harmless from and against, any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the Chapter 11 Cases, the other Loan Documents and any such other documents, including, without limitation, any of the foregoing relating to the use of proceeds of the Loans or the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of any Company Group Member or any of the Mortgaged Properties of any Company Group Member or the use by

unauthorized Persons of information or other materials sent through electronic, telecommunications or other information transmission systems that are intercepted by such Persons and the fees and disbursements and other reasonable charges of legal counsel in connection with claims, actions or proceedings by any Indemnatee against Holdings and the Borrowers hereunder (all the foregoing in this clause (d), collectively, the “Indemnified Liabilities”), provided, that the Borrowers shall have no obligation hereunder to any Indemnatee with respect to Indemnified Liabilities to the extent a court of competent jurisdiction shall have determined on a final and non-appealable basis that such Indemnified Liabilities resulted directly from the gross negligence or willful misconduct of such Indemnatee or such Indemnatee’s officers, directors, employees, controlling Persons or members. No Indemnatee shall be liable for any damages arising from the use by unauthorized Persons of Information or other materials sent through electronic, telecommunications or other information transmission systems that are intercepted by such Persons (unless such damages are determined by a court of competent jurisdiction on a final and non-appealable basis to have resulted directly from the gross negligence or willful misconduct of such Indemnatee or such Indemnatee’s officers, directors, employees, controlling Persons or members) or for any special, indirect, consequential or punitive damages in connection with this DIP Facility. All amounts due under this Section 9.4 shall be payable not later than five (5) days after written demand therefor. Statements reflecting amounts payable by the Loan Parties pursuant to this Section 9.4 shall be submitted to the address of the Company set forth in Section 9.2, or to such other Person or address as may be hereafter designated by the Company in a notice to the Administrative Agent. The agreements in this Section 9.4 shall survive repayment of the Loans and all other amounts payable hereunder.

9.5 Successors and Assigns; Participations and Assignments. (a) This Agreement shall be binding upon and inure to the benefit of Holdings, the Borrowers, the Lenders, the Lead Arrangers, the Agents, all future holders of the Loans and their respective successors and assigns.

(b) Any Lender may, without the consent of Holdings, the Borrowers or any other Person, in accordance with applicable law, at any time sell to one or more banks or financial institutions (each, a “Participant”) participating interests in any Loan owing to such Lender, any Commitment of such Lender or any other interest of such Lender hereunder and under the other Loan Documents. In the event of any such sale by a Lender of a participating interest to a Participant, such Lender’s obligations under this Agreement to the other parties to this Agreement shall remain unchanged, such Lender shall remain solely responsible for the performance thereof, such Lender shall remain the holder of any such Loan for all purposes under this Agreement and the other Loan Documents, and the Borrowers and the Agents shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and the other Loan Documents. In no event shall any Participant under any such participation have any right to approve any amendment or waiver of any provision of any Loan Document, or any consent to any departure by any Loan Party therefrom, except to the extent that such amendment, waiver or consent relates to the consent of all Lenders as required under Section 9.1(a)(i) or 9.1(a)(ii)(C) or (D). Holdings and each of the Borrowers agree that if amounts outstanding under this Agreement and the Loans are due or unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall, to the maximum extent permitted by applicable law, be deemed to have the right of setoff in respect of its participating interest in

amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement, provided that, in purchasing such participating interest, such Participant shall be deemed to have agreed to share with the Lenders the proceeds thereof as provided in Section 9.7(a) as fully as if such Participant were a Lender hereunder. Each of Holdings and the Borrowers also agrees that each Participant shall be entitled to the benefits of Sections 2.12, 2.13 and 2.14 (subject to the limitations and requirements thereof) with respect to its participation in the Commitments and the Loans outstanding from time to time as if such Participant were a Lender; provided that, in the case of Section 2.14, such Participant shall have complied with the requirements of said Section 2.14, and provided, further, that no Participant shall be entitled to receive any greater amount pursuant to any such Section 2.12, 2.13 or 2.14 than the transferor Lender would have been entitled to receive in respect of the amount of the participation transferred by such transferor Lender to such Participant had no such transfer occurred.

If and to the extent that a Non-US Lender sells a participating interest to a Participant, and such Participant seeks to obtain the benefits of Section 2.14, then such Lender shall promptly provide the Company and the Administrative Agent with documentation reflecting the portion of its Loan, Commitment and/or any other interest of such Lender hereunder and under the other Loan Documents sold pursuant to such participating interest on a properly completed and duly executed Internal Revenue Service Form W-8IMY (or any subsequent versions thereof or successors thereto) and the portion of its Loan, Commitment and/or any other interest of such Lender hereunder and under the other Loan Documents retained on a properly completed and duly executed Internal Revenue Service Form W-8BEN or Form W-8ECI (or any subsequent versions thereof or successors thereto).

(c) Any Lender (an “Assignor”) may, in accordance with applicable law and upon written notice to the Administrative Agent, at any time and from time to time assign to any Lender or any affiliate, Related Fund or Control Investment Affiliate thereof or, with the consent of the Administrative Agent (not to be unreasonably withheld or delayed) and the Borrowers (not to be unreasonably withheld or delayed; provided that the consent of the Borrowers shall not be required to any such assignment (i) during the continuance of an Event of Default or (ii) during the period following the funding in full of the total amount of the Interim Date commitments and the Delayed Draw Commitments to a bank or financial institution (an “Assignee”) of all or any part of its rights and obligations under this Agreement pursuant to an Assignment and Acceptance, substantially in the form of Exhibit E (an “Assignment and Acceptance”), executed by such Assignee and such Assignor (and, where the consent of the Administrative Agent and the Borrowers is required pursuant to the foregoing provisions, by the Administrative Agent and the Borrowers) and delivered to the Administrative Agent for its acceptance and recording in the Register; provided, that each assignment (i) be in accordance with Section 9.5(g) below and (ii) to an Assignee (other than any Lender or any Affiliate thereof) shall be in an aggregate principal amount of \$1,000,000 or an integral multiple thereof (other than in the case of an assignment of all of a Lender’s interests under this Agreement)), unless otherwise agreed by the Company and the Administrative Agent and Related Funds shall be treated as one Assignee for purposes of this proviso. Upon such execution, delivery, acceptance and recording, from and after the effective date determined pursuant to such Assignment and Acceptance, (x) the Assignee thereunder shall be a party hereto and, to the extent provided in such Assignment and Acceptance, have

the rights and obligations of a Lender hereunder with Commitments and/or Loans as set forth therein, and (y) the Assignor thereunder shall, to the extent provided in such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of an Assignor's rights and obligations under this Agreement, such Assignor shall cease to be a party hereto, except as to Section 2.13, 2.14, 2.15, 8.12 and 9.5 in respect of the period prior to such effective date). For purposes of the minimum assignment amounts set forth in this paragraph, multiple assignments by two or more Related Funds or Control Investment Affiliates shall be aggregated.

(d) The Administrative Agent shall, on behalf of the Borrowers and each Guarantor, maintain at its address referred to in Section 9.2 a copy of each Assignment and Acceptance delivered to it and a register (the "Register") for the recordation of the names and addresses of the Lenders and the Commitment of, and principal amount of the Loans owing to, each Lender from time to time. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrowers, each Agent and the Lenders shall treat each Person whose name is recorded in the Register as the owner of the Loans and any Notes evidencing such Loans recorded therein for all purposes of this Agreement. Any assignment of any Loan, whether or not evidenced by a Note, shall be effective only upon appropriate entries with respect thereto being made in the Register (and each Note shall expressly so provide). Any assignment or transfer of all or part of a Loan evidenced by a Note shall be registered on the Register only upon surrender for registration of assignment or transfer of the Note evidencing such Loan, accompanied by a duly executed Assignment and Acceptance; thereupon one or more new Notes in the same aggregate principal amount shall be issued to the designated Assignee, and the old Notes shall be returned by the Administrative Agent to the Borrowers marked "canceled". The Register shall be available for inspection by (i) the Borrowers and the Syndication Agent and (ii) any Lender at any reasonable time and from time to time upon reasonable prior notice, (with respect to any entry relating to such Lender's Loans).

(e) Upon its receipt of an Assignment and Acceptance executed by an Assignor and an Assignee (and, in any case where the consent of any other Person is required by Section 9.5(c), by each such other Person) together, in the event such Assignment and Acceptance is not electronically executed and delivered to the Administrative Agent via an electronic settlement system then acceptable to the Administrative Agent (which system shall initially be ClearPar LLC), with payment by the Assignor or Assignee to the Administrative Agent of a registration and processing fee of \$3,500 (treating multiple, simultaneous assignments by or to two or more Related Funds as a single assignment) (except that no such registration and processing fee shall be payable in the case of an Assignee which is already a Lender or is an Affiliate, Related Fund or Control Investment Affiliate of a Lender or a Person under common management with a Lender), the Administrative Agent shall (i) promptly accept such Assignment and Acceptance and (ii) on the effective date determined pursuant thereto record the information contained therein in the Register and give notice of such acceptance and recordation to the Company. On or prior to such effective date, the Borrowers, at their own expense, upon request, shall execute and deliver to the Administrative Agent (in exchange for the Note of the assigning Lender) a new Note to the order of such Assignee in an amount equal to the Commitment and/or Loan assumed or acquired by it pursuant to such Assignment and Acceptance and, if the Assignor has retained a Commitment or Loan, upon request, a new Note to the order of the Assignor in an amount equal to the Commitment or Loan retained by it

hereunder. Such new Note or Notes shall be dated the Closing Date and shall otherwise be in the form of the Note or Notes replaced thereby.

(f) For the avoidance of doubt, the parties to this Agreement acknowledge that the provisions of this Section 9.5 concerning assignments of Loans and Notes relate only to absolute assignments and that such provisions do not prohibit assignments creating security interests in Loans and Notes, including, without limitation, any pledge or assignment by a Lender of any Loan or Note to any Federal Reserve Bank in accordance with applicable law.

(g) In the case of any assignment of Interim Date Loan Commitments, Interim Date Loans, Delayed Draw Commitments or Delayed Draw Loans, such Assignor must also assign an equal, pro rata portion of its Interim Date Loan Commitments, Interim Date Loans, Delayed Draw Commitments or Delayed Draw Loans, as applicable, to the applicable Assignee.

9.6 Replacements of Lenders under Certain Circumstances. The Borrowers (at its sole cost and expense) shall be permitted to replace any Lender that requests (for itself or on behalf of any Participant to which it has granted a participation in its Loans or Commitments) reimbursement for amounts owing pursuant to Section 2.13 or 2.14 with a replacement bank or other financial institution (but in the case of a participation, only to the extent thereof), provided that (i) such replacement does not conflict with any Requirement of Law, (ii) no Event of Default shall have occurred and be continuing at the time of such replacement, (iii) the replacement bank or institution shall purchase, at par, all Loans and other amounts owing to such replaced Lender prior to the date of replacement, the replacement bank or institution, if not already a Lender, and the terms and conditions of such replacement, shall be reasonably satisfactory to the Administrative Agent, (iv) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 9.5 (provided that the Borrowers shall be obligated to pay the registration and processing fee referred to therein) and (v) any such replacement shall not be deemed to be a waiver of any rights that the Borrowers or any Agent, Lead Arranger or Lender shall have against the replaced Lender. In connection with any such replacement, if the replaced Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance reflecting such replacement within five Business Days of the date on which the replacement Lender executes and delivers such Assignment and Acceptance to the replaced Lender, then such replaced Lender shall be deemed to have executed and delivered such Assignment and Acceptance for all purposes of the this Agreement and the other Loan Documents.

9.7 Adjustments; Set-off. (a) Notwithstanding the provisions of Section 362 of the Bankruptcy Code, without any application, motion or notice to, hearing before, or order from, the Bankruptcy Court or the Canadian Court but subject in all cases to the Applicable Order, except to the extent that this Agreement provides for payments to be allocated to a particular Lender, if any Lender (a “Benefited Lender”) shall at any time receive any payment of all or part of the Obligations owing to it, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, in its capacity as secured party or otherwise) or any proceeds from Collateral (whether pursuant to the exercise of the rights of any Secured Party under the Security Documents or under law or otherwise), in a greater proportion than any such payment to or collateral or proceeds of Collateral received by any other Lender, if any, in

respect of the Obligations owing to such other Lender, such Benefited Lender shall purchase for cash from the other Lenders a participating interest in such portion of the Obligations owing to each such other Lender, or shall provide such other Lenders with the benefits of any such collateral, as shall be necessary to cause such Benefited Lender to share the excess payment, benefits of such collateral or proceeds from Collateral ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits or proceeds is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest. The provisions of this paragraph are intended to apply to all Lenders and to all payments, Collateral or proceeds of Collateral received by such Lenders in respect of the Obligations of the Borrowers hereunder.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Borrowers, any such notice being expressly waived by the Borrowers to the extent permitted by applicable law, upon any amount becoming due and payable by the Borrowers hereunder (whether at the stated maturity, by acceleration or otherwise), to set off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Borrowers, as the case may be. Each Lender agrees to notify promptly the Borrowers and the Administrative Agent after any such setoff and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such setoff and application.

9.8 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement or of a Lender Addendum by facsimile transmission shall be effective as delivery of a manually executed counterpart hereof. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrowers and the Administrative Agent.

9.9 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

9.10 Integration. This Agreement and the other Loan Documents represent the entire agreement of Holdings, the Borrowers, the other Loan Parties, the Agents, the Lead Arrangers and the Lenders with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Lead Arrangers, any Agent or any Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

9.11 GOVERNING LAW. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN ANY OF THE LOAN DOCUMENTS, IN ALL RESPECTS, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE, THE LOAN DOCUMENTS AND THE OBLIGATIONS SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND PERFORMED IN THAT STATE AND ANY APPLICABLE LAWS OF THE UNITED STATES OF AMERICA (INCLUDING THE BANKRUPTCY CODE) AND THE CCAA. EACH LOAN PARTY HEREBY CONSENTS AND AGREES THAT THE BANKRUPTCY COURT (AND, IN THE CASE OF THE CANADIAN LOAN PARTIES, THE CANADIAN COURT) SHALL HAVE EXCLUSIVE JURISDICTION TO HEAR AND DETERMINE ANY CLAIMS OR DISPUTES BETWEEN THE LOAN PARTIES, AGENTS, THE LEAD ARRANGERS AND LENDERS PERTAINING TO THE DIP FACILITY OR ANY OF THE OTHER LOAN DOCUMENTS RELATED TO THE DIP FACILITY OR TO ANY MATTER ARISING OUT OF OR RELATING TO THE DIP FACILITY OR ANY OF THE OTHER LOAN DOCUMENTS RELATED TO THE DIP FACILITY; PROVIDED, THAT AGENTS, THE LEAD ARRANGERS, LENDERS AND THE LOAN PARTIES ACKNOWLEDGE THAT ANY APPEALS FROM THE BANKRUPTCY COURT (OR THE CANADIAN COURT) MAY HAVE TO BE HEARD BY A COURT OTHER THAN THE BANKRUPTCY COURT (OR CANADIAN COURT); PROVIDED, FURTHER, THAT NOTHING IN THIS AGREEMENT SHALL BE DEEMED OR OPERATE TO PRECLUDE AGENTS AND THE LEAD ARRANGERS FROM BRINGING SUIT OR TAKING OTHER LEGAL ACTION IN ANY OTHER JURISDICTION TO REALIZE ON THE COLLATERAL OR ANY OTHER SECURITY FOR THE OBLIGATIONS, OR TO ENFORCE A JUDGMENT OR OTHER COURT ORDER IN FAVOR OF AGENTS AND THE LEAD ARRANGERS. EACH LOAN PARTY EXPRESSLY SUBMITS AND CONSENTS IN ADVANCE TO SUCH JURISDICTION IN ANY ACTION OR SUIT COMMENCED IN ANY SUCH COURT, AND EACH LOAN PARTY HEREBY WAIVES ANY OBJECTION THAT SUCH LOAN PARTY MAY HAVE BASED UPON LACK OF PERSONAL JURISDICTION, IMPROPER VENUE OR FORUM NON CONVENIENS AND HEREBY CONSENTS TO THE GRANTING OF SUCH LEGAL OR EQUITABLE RELIEF AS IS DEEMED APPROPRIATE BY SUCH COURT. EACH LOAN PARTY HEREBY WAIVES PERSONAL SERVICE OF THE SUMMONS, COMPLAINT AND OTHER PROCESS ISSUED IN ANY SUCH ACTION OR SUIT AND AGREES THAT SERVICE OF SUCH SUMMONS, COMPLAINTS AND OTHER PROCESS MAY BE MADE BY REGISTERED OR CERTIFIED MAIL ADDRESSED TO SUCH LOAN PARTY AT THE ADDRESS SET FORTH IN SECTION 9.2 OF THIS AGREEMENT AND THAT SERVICE SO MADE SHALL BE DEEMED COMPLETED UPON THE EARLIER OF SUCH LOAN PARTY'S ACTUAL RECEIPT THEREOF OR THREE (3) DAYS AFTER DEPOSIT IN THE UNITED STATES OR CANADIAN MAILES, PROPER POSTAGE PREPAID.

9.12 Submission to Jurisdiction; Waivers.

- (a) The U.S. Borrower hereby irrevocably and unconditionally:

(i) submits for itself and its Property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York located in the County of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(ii) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(iii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to Holdings or the Borrowers at the addresses set forth in Section 9.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(v) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 9.12(a) any special, exemplary, punitive or consequential damages.

(b) Each of the Canadian Borrowers hereby irrevocably and unconditionally:

(i) submits for itself and its Property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts located in Québec, and the Canadian Court;

(iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(v) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 9.12(b) any special, exemplary, punitive or consequential damages.

9.13 Acknowledgments. Each of Holdings and the Borrowers hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) neither the Lead Arrangers, any Agent nor any Lender has any fiduciary relationship with or duty to Holdings or the Borrowers arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Lead Arrangers, the Agents and the Lenders, on one hand, and Holdings and the Borrowers, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lead Arrangers, the Agents and the Lenders or among Holdings, the Borrowers and the Lenders.

9.14 Confidentiality. Each of the Lead Arrangers, the Agents and the Lenders agrees to keep confidential all information provided to it by any Loan Party pursuant to this Agreement that is designated by such Loan Party as confidential; provided that nothing herein shall prevent the Lead Arrangers, any Agent or any Lender from disclosing any such information (a) to the Lead Arrangers, any Agent, any other Lender or any Affiliate of any thereof, (b) to any pledgee referred to in Section 9.5(f) or to any Participant, pledgee or Assignee (each, a “Transferee”) or prospective Transferee that agrees to comply with the provisions of this Section 9.14 or substantially equivalent provisions, (c) to any of its employees, directors, agents, attorneys, accountants and other professional advisors (it being understood that the persons to whom such disclosure is made shall be informed of the confidential nature of such information and instructed to keep such information confidential), (d) to any financial institution that is a direct or indirect contractual counterparty in swap agreements or such contractual counterparty’s professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.14), (e) upon the request or demand of any Governmental Authority having jurisdiction over it, (f) in response to any order of any court or other Governmental Authority or as may otherwise be required pursuant to any Requirement of Law, (g) if requested or required to do so in connection with any litigation or similar proceeding, (h) that has been publicly disclosed other than in breach of this Section 9.14, (i) to the National Association of Insurance Commissioners or any similar organization or any nationally recognized rating agency that requires access to information about a Lender’s investment portfolio in connection with ratings issued with respect to such Lender or (j) in connection with the exercise of any remedy hereunder or under any other Loan Document. Notwithstanding anything to the contrary in the foregoing sentence or any other express or

implied agreement, arrangement or understanding, the parties hereto hereby agree that, from the commencement of discussions with respect to the financing provided hereunder, any party hereto (and each of its employees, representatives, or agents) is permitted to disclose to any and all persons, without limitation of any kind, the tax structure and tax aspects of the transactions contemplated hereby, and all materials of any kind (including opinions or other tax analyses) related to such tax structure and tax aspects.

9.15 Release of Collateral and Guarantee Obligations.

(a) Notwithstanding anything to the contrary contained herein or in any other Loan Document, upon request of the Borrowers in connection with any Disposition of Property by any Company Group Member permitted by the Loan Documents, the US Collateral Agent or the Canadian Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Lender, any Affiliate of any Lender, or any other Person) take such actions as shall be required to release its security interest in any Collateral being Disposed of in such Disposition, and to release any Guarantee Obligations under any Loan Document of any Person being Disposed of in such Disposition, to the extent necessary to permit consummation of such Disposition in accordance with the Loan Documents; provided that (i) the Borrowers shall have delivered to such Agent, at least five Business Days prior to the date of the proposed release (or such shorter period agreed to by such Agent), a written request for release identifying the relevant Collateral being Disposed of in such Disposition, together with a certification by the Borrowers stating that such transaction is in compliance with this Agreement and the other Loan Documents, that no Default or Event of Default has occurred and is continuing, and that the proceeds of such Disposition will be applied in accordance with this Agreement and the other Loan Documents and (ii) with respect to any Disposition or series of related Dispositions, in each case permitted hereunder, for consideration of not more than \$100,000, (x) the Borrowers is hereby authorized by the Administrative Agent to make such filings or recordings under the UCC or the Personal Property Security Legislation (including amendments or terminations of Financing Statements) or other relevant law to release the Lien on the assets subject to such Disposition or series of related Dispositions and (y) the request and certification described in clause (i) shall not be required.

(b) Notwithstanding anything to the contrary contained herein or any other Loan Document, when all Obligations have been paid in full and all Commitments have terminated or expired, upon request of the Company, the US Collateral Agent or the Canadian Collateral Agent, as applicable, shall take such actions as shall be required to release its security interest in all Collateral, and to release all Guarantee Obligations provided for in any Loan Document. Any such release of Guarantee Obligations shall be deemed subject to the provision that such guarantee obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrowers or any other Loan Party, or upon or as a result of the appointment of a receiver, interim receiver, receiver-manager, intervenor or conservator of, or trustee or similar officer for, the Borrowers or any other Loan Party or any substantial part of its property, or otherwise, all as though such payment had not been made.

9.16 Accounting Changes. In the event that any “Accounting Change” (as defined below) shall occur and such change results in a change in the method of calculation of financial covenants, standards or terms in this Agreement, then the Borrowers and the Administrative Agent agree to enter into negotiations in order to amend such provisions of this Agreement so as to equitably reflect such Accounting Change with the desired result that the criteria for evaluating the Borrowers’ and their respective Subsidiaries’ financial condition shall be the same after such Accounting Change as if such Accounting Change had not been made. Until such time as such an amendment shall have been executed and delivered by Holdings, the Borrowers, the Administrative Agent and the Majority Lenders, all financial covenants, standards and terms in this Agreement shall continue to be calculated or construed as if such Accounting Change had not occurred. “Accounting Change” refers to any change in accounting principles required by the promulgation of any rule, regulation, pronouncement or opinion by the Financial Accounting Standards Board of the American Institute of Certified Public Accountants or, if applicable, the SEC.

9.17 Delivery of Lender Addenda. Each Lender not a Lender as of the Closing Date and not an Assignee as of the Closing Date shall become a party to this Agreement by delivering to the Administrative Agent a Lender Addendum duly executed by such Lender, the Borrowers and the Administrative Agent.

9.18 WAIVERS OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

9.19 Judgment Currency. (a) If, for the purpose of obtaining or enforcing judgment against a Loan Party in any court in any jurisdiction, it becomes necessary to convert into any other currency (such other currency being hereinafter in this Section 9.19 referred to as the “Judgment Currency”) an amount due under any Loan Document in any currency (the “Obligation Currency”) other than the Judgment Currency, the conversion shall be made at the rate of exchange prevailing on the Business Day immediately preceding the date of actual payment of the amount due, in the case of any proceeding in the courts of the State of New York or in the courts of any other jurisdiction that will give effect to such conversion being made on such date, or the date on which the judgment is given, in the case of any proceeding in the courts of any other jurisdiction (the applicable date as of which such conversion is made pursuant to this Section 9.19 being hereinafter in this Section 9.19 referred to as the “Judgment Conversion Date”).

(b) If, in the case of any proceeding in the court of any jurisdiction referred to in Section 9.19(a), there is a change in the rate of exchange prevailing between the Judgment Conversion Date and the date of actual receipt of the amount due in immediately available funds, the Loan Party shall pay such additional amount (if any, but in any event not a lesser amount) as may be necessary to ensure that the amount actually received in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of the Judgment Currency stipulated in the judgment or judicial order at the rate of exchange prevailing on the Judgment Conversion Date. Any amount due from any Loan Party under this Section 9.19 shall

be due as a separate debt and shall not be affected by judgment being obtained for any other amounts due under or in respect of any of the Loan Documents. The term “rate of exchange” in this Section 9.19 means the rate of exchange at which the Administrative Agent, on the relevant date at or about 12:00 noon (New York time), would be prepared to sell, in accordance with its normal course foreign currency exchange practices, the Obligation Currency against the Judgment Currency.

9.20 Limitation on Liability. In the event of the dissolution, liquidation, winding up (including, without limitation, being wound up as the term is used in Section 135 of the Companies Act (Nova Scotia) or any successor legislation) or termination of Holdings or the Borrowers, no present or past shareholder or other member of Holdings or the Borrowers shall be liable to make any contribution to the assets of Holdings or the Borrowers pursuant to section 135 of the Companies Act (Nova Scotia) for the purposes of satisfying any debts, liabilities or claims pursuant to this Agreement, any Security Documents or any other Loan Documents, such debts, liabilities or claims being restricted to the recourses that would be available had each of Holdings and the Borrowers has been at all relevant times a company limited by shares. Nothing in this paragraph shall limit the obligations of any such Person arising pursuant to any agreement to which such person is a party, or under which such Person has incurred obligations, or on any other basis or in any other capacity which in any such case is not described in section 135 of the Companies Act (Nova Scotia).

9.21 Parties Including Trustees; Bankruptcy Court Proceedings. This Agreement, the other Loan Documents, and all Liens and other rights and privileges created hereby or pursuant hereto or to any other Loan Document shall be binding upon each Loan Party, the bankruptcy estate of each Loan Party, and any trustee, other bankruptcy estate representative or any successor in interest of any Loan Party in each Case and any subsequent case commenced under Chapter 7 of the Bankruptcy Code or similar proceeding in Canada, and shall not be subject to Section 365 of the Bankruptcy Code. This Agreement and the other Loan Documents shall be binding upon, and inure to the benefit of, the successors of Agents and Lenders and their respective assigns, transferees and endorsees. The Liens created by this Agreement and the other Loan Documents shall be and remain valid and perfected in the event of the substantive consolidation of any Case or conversion of any Case to a case under Chapter 7 of the Bankruptcy Code or a similar proceeding in Canada or in the event of dismissal of any Case or the release of any Collateral from the jurisdiction of the Bankruptcy Court or the Canadian Court for any reason, without the necessity that the Administrative Agent files financing statements or otherwise perfect its Liens under applicable law. No Loan Party may assign, transfer, hypothecate or otherwise convey its rights, benefits, obligations or duties hereunder or under any of the other Loan Documents without the prior express written consent of each Agent and each Lender. Any such purported assignment, transfer, hypothecation or other conveyance by any Loan Party without the prior express written consent of the Agents and Lenders shall be void. The terms and provisions of this Agreement are for the purpose of defining the relative rights and obligations of each Loan Party, Agents, the Lead Arrangers and Lenders with respect to the transactions contemplated hereby and no Person shall be a third party beneficiary of any of the terms and provisions of this Agreement or any of the other Loan Documents.

9.22 Prepetition Senior Loan Documents. Borrowers and the other Loan Parties hereby acknowledge and agree that (i) this Agreement and each other Loan Document is

separate and distinct from the Prepetition Senior Loan Documents, (ii) the Prepetition Senior Loan Documents are in full force and effect, (iii) by entering into this Agreement and each other Loan Document, none of the Agents, Lead Arrangers or Lenders waives, and each expressly reserves, any and all claims, causes of action, defenses, rights and remedies it has or may have pursuant to any or all of the Prepetition Senior Loan Documents, the Prepetition Intercreditor Agreement, any other inter-creditor or subordination agreement, the Bankruptcy Code, the CCAA and/or under applicable law against or with respect to any Loan Party and any other Person or entity; (iv) the Obligations of the Loan Parties, and the rights, benefits, privileges, remedies, claims, Liens, security interests and priorities of the Agents, Lead Arrangers and Lenders arising under or in connection with this Agreement, each other Loan Document and the Applicable Orders, are in addition to, and are not intended as a waiver or substitution for, the rights, benefits, privileges, remedies, claims, liens, security interests and priorities granted to such parties under any or all of the Prepetition Senior Loan Documents, the Prepetition Intercreditor Agreement, any other inter-creditor or subordination agreement, the Bankruptcy Code, the CCAA and/or under applicable law, all of which are expressly reserved by the Agents, Lead Arrangers and Lenders.

FORM OF SUBORDINATED INTERCOMPANY DEMAND PROMISSORY NOTE

[Date]

ON DEMAND, FOR VALUE RECEIVED, the undersigned, [Name of Borrowers], each a [] (“Borrowers”), HEREBY PROMISES TO PAY to the order of [Name of Lender], a [] (together with its successors and assigns, “Holder”), the aggregate unpaid amount of all advances, indebtedness, loans, payables and other extensions of credit and obligations (individually, an “Advance” and, collectively, “Advances”) made by Holder to Borrowers, or otherwise owing by Borrowers to Holder, from time to time, as set forth on the books and records of Holder.

I. DEFINITIONS. CAPITALIZED TERMS USED BUT NOT DEFINED HEREIN SHALL HAVE THE MEANING ASCRIBED TO THEM IN THE DIP CREDIT AGREEMENT (HEREINAFTER DEFINED). FOR PURPOSES OF THIS NOTE, THE FOLLOWING TERMS HAVE THE MEANINGS SET FORTH BELOW:

“Canadian Collateral Agent” means Credit Suisse AG, Toronto Branch.

“DIP Credit Agreement” means the Senior Secured Super-Priority Debtor-in-Possession Term Loan Credit Agreement (as amended, restated, supplemented or otherwise modified from time to time, the “DIP Credit Agreement”) dated as of March 1, 2010, by and among WHITE BIRCH PAPER HOLDING COMPANY, a Nova Scotia unlimited liability company, as a debtor under the Bankruptcy Code, (“Holdings”), WHITE BIRCH PAPER COMPANY, an unlimited liability company organized under the laws of Nova Scotia, as a debtor under the Bankruptcy Code, (“White Birch” or the “Company”), STADACONA L.P., a limited partnership organized under the laws of Quebec, as a debtor under the Bankruptcy Code, (“Stadacona”), F.F. SOUCY L.P., a limited partnership organized under the laws of Quebec, as a debtor under the Bankruptcy Code, (“Soucy 2”), PAPIER MASSON LTÉE, a corporation organized under the laws of Canada, as a debtor under the Bankruptcy Code, (“Papier Masson” and together with White Birch, Stadacona and Soucy 2, the “Canadian Borrowers”) and BEAR ISLAND PAPER COMPANY, L.L.C., a Virginia limited liability company, as a debtor under the Bankruptcy Code, (“Bear Island” or the “U.S. Borrower” and together with the Canadian Borrowers, collectively as the “Borrowers”), Credit Suisse AG, Toronto Branch, as Canadian collateral agent (the “Canadian Collateral Agent”) and administrative agent (the “Administrative Agent”), Black Diamond Commercial Finance, L.L.C., a Delaware limited liability company (“BDCF”), as syndication agent (the “Syndication Agent”), Credit Suisse AG, as US collateral agent (the “US Collateral Agent”), and BDCF and Credit Suisse AG, Toronto Branch as Lead Arrangers (collectively, the “Lead Arrangers”).

“Note” shall mean this Subordinated Intercompany Demand Promissory Note as originally executed or if later amended, modified or supplemented, then, as so amended, modified or supplemented.

“Note Obligations” shall mean all principal, interest (including interest which accrues after the commencement of any case or proceeding in bankruptcy, or for the reorganization of Borrower), fees, charges, expenses, attorneys’ fees and any other sum

chargeable to Borrower under this Note, and all principal and interest due in respect of the Advances, provided that for purposes of disclosure pursuant to the Interest Act (Canada), the annual rates of interest or fees to which the rates of interest or fees provided in this Note (and stated herein, to be computed on the basis of a 360 day year or any other period of time less than a calendar year) are equivalent to the rates so determined multiplied by the actual number of days in the applicable calendar year and divided by 360 or such other period of time, respectively.

“Senior Parties” shall mean, collectively, the Lead Arrangers, the Agents and the Lenders.

II. **PAYMENTS.** (A) **THIS NOTE MAY BE PREPAID AT ANY TIME IN WHOLE OR IN PART FROM TIME TO TIME WITHOUT PENALTY OR PREMIUM, SUBJECT TO THE PROVISIONS OF THE DIP CREDIT AGREEMENT. THE PRINCIPAL OF THIS NOTE IS PAYABLE IN LAWFUL MONEY OF [] AND IN SAME DAY FUNDS, WITHOUT ABATEMENT, REDUCTION, DEDUCTION, COUNTERCLAIM RECOUPMENT, DEFENSE OR SETOFF, TO HOLDER. EACH ADVANCE MADE BY HOLDER TO BORROWERS, AND ALL PAYMENTS MADE ON ACCOUNT OF PRINCIPAL THEREOF, SHALL BE RECORDED BY HOLDER AND, PRIOR TO ANY TRANSFER THEREOF, ENDORSED ON THE GRID ATTACHED HERETO, WHICH IS PART OF THIS NOTE; PROVIDED, HOWEVER, THAT ANY FAILURE TO MAKE SUCH ENDORSEMENT ON SUCH GRID SHALL NOT LIMIT OR OTHERWISE AFFECT THE OBLIGATIONS OF BORROWERS HEREUNDER.**

(b) Borrowers shall pay interest at a rate of []% per annum on the unpaid principal amount of the Note for each day from the date of the borrowing until such principal amount is paid in full. Interest calculated hereunder shall be paid [insert frequency of payments] on [repayment dates]. Nothing contained in this Note shall be deemed to establish or require the payment of a rate of interest in excess of the maximum rate permitted by an applicable law.

(c) Borrowers shall make payment of the Note Obligations in the currency (the “original currency”) in which the Advances have been made. If Borrowers make payment of the Note Obligations to Holder in a currency (the “other currency”) other than the original currency (whether voluntarily or pursuant to an order or judgment of a court or tribunal of any jurisdiction), such payment shall constitute a discharge of the liability of Borrowers hereunder in respect of such Note Obligations only to the extent of the amount of the original currency which Holder is able to purchase with the amount of other currency Holder receives on the date of receipt in accordance with normal practice. If the amount of the original currency which Holder is able to purchase is less than the amount of the original currency originally due in respect of the Note Obligations, Borrowers shall indemnify and save Holders harmless from and against any loss or damage arising as a result of such deficiency.

- III. **HOLDER RIGHTS.** UPON DEMAND FOR PAYMENT HEREUNDER, HOLDER IS HEREBY AUTHORIZED AT ANY TIME AND FROM TIME TO TIME, TO THE FULLEST EXTENT PERMITTED BY LAW, TO SET OFF AND APPLY ANY INDEBTEDNESS AT ANY TIME OWING BY HOLDER TO OR FOR THE CREDIT OR THE ACCOUNT OF BORROWERS AGAINST ANY AND ALL OF THE OBLIGATIONS OF BORROWERS NOW OR HEREAFTER EXISTING UNDER THIS NOTE, IRRESPECTIVE OF WHETHER OR NOT HOLDER SHALL HAVE MADE ANY DEMAND UNDER THIS NOTE AND ALTHOUGH SUCH OBLIGATIONS MAY BE UNMATURED. HOLDER AGREES PROMPTLY TO NOTIFY BORROWERS AFTER ANY SUCH SET OFF AND APPLICATION; **PROVIDED** THAT THE FAILURE TO GIVE SUCH NOTICE SHALL NOT AFFECT THE VALIDITY OF SUCH SET OFF AND APPLICATION. THE RIGHTS OF HOLDER UNDER THIS SECTION ARE IN ADDITION TO OTHER RIGHTS AND REMEDIES (INCLUDING, WITHOUT LIMITATION, OTHER RIGHTS OF SET OFF) WHICH HOLDER MAY HAVE.
- IV. **SUBORDINATION.** (A) Each Borrower covenants and agrees, and Holder by its acceptance of this Note likewise covenants and agrees, that the payment of the principal of this Note and the other Note Obligations is subordinated, to the extent and in the manner provided in this Section IV, to the prior payment in full of all Obligations, as defined in the DIP Agreement (herein, the “Senior Obligations”) and that the subordination is for the benefit of the Senior Parties. Each of the Senior Parties is made an obligee hereunder and it may enforce such provisions directly.
- B. Holder by its acceptance of this Note hereby (i) authorizes the Canadian Collateral Agent and the US Collateral Agent, as applicable, to demand specific performance of the terms of this Section IV, whether or not Borrowers shall have complied with any of the provisions hereof applicable to it, at any time when Holder shall have failed to comply with any provisions of this Section IV which are applicable to it and (ii) irrevocably waives any defense based on the adequacy of a remedy at law, which might be asserted as a bar to such remedy of specific performance.
- C. Upon any distribution of assets of any Borrower in any dissolution, winding up, liquidation or reorganization (whether in bankruptcy, insolvency or receivership proceedings or upon an assignment for the benefit of creditors or otherwise):
1. Each of the Canadian Collateral Agent and the US Collateral Agent shall first be entitled to receive payment in full in cash of the Senior Obligations for the ratable benefit of the Senior Parties before Holder is entitled to receive any payment on account of the Note Obligations.

2. Any payment or distribution of assets of Borrowers of any kind or character, whether in cash, property or securities, to which Holder would be entitled except for the provisions of this Section IV.C, shall be paid by the liquidating trustee or agent or other Person making such payment or distribution directly to the Canadian Collateral Agent and/or the US Collateral Agent, as applicable, in the manner set forth in the DIP Credit Agreement to the extent necessary to make payment in full of all Senior Obligations remaining unpaid after giving effect to any concurrent payment or distribution or provisions therefor to the Canadian Collateral Agent and/or the US Collateral Agent, as applicable, for itself and the other Senior Parties.
 3. In the event that notwithstanding the foregoing provisions of this Section IV.C, any payment or distribution of assets of Borrowers of any kind or character, whether in cash, property or securities, shall be received by Holder on account of this Note before all Senior Obligations are paid in full, such payment or distribution shall be received and held in trust for and shall be paid over to the Canadian Collateral Agent or the US Collateral Agent, as applicable, for itself and the other Senior Parties for application to the payment of the Senior Obligations until all of the Senior Obligations shall have been paid in full, after giving effect to any concurrent payment or distribution or provision therefor to the Canadian Collateral Agent or the US Collateral Agent, as applicable, for itself and the other Senior Parties.
- D. No right of any Senior Party or any other present or future holders of any Senior Obligations to enforce the subordination provisions herein shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of Borrowers or Holder or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by Borrowers or Holder with the terms of this Note, regardless of any knowledge thereof which any such holder may have or be otherwise charged with.

- V. **WAIVER.** EXCEPT AS OTHERWISE PROVIDED FOR IN THIS NOTE, AND TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, BORROWER WAIVES: (A) PRESENTMENT, NOTICE, DEMAND AND PROTEST, AND NOTICE OF PRESENTMENT, DISHONOR, INTENT TO ACCELERATE, ACCELERATION, PROTEST, DEFAULT, NONPAYMENT, MATURITY, RELEASE, COMPROMISE, SETTLEMENT, EXTENSION OR RENEWAL OF THIS NOTE AT ANY TIME HELD BY HOLDER ON WHICH BORROWER MAY IN ANY WAY BE LIABLE, AND HEREBY RATIFIES AND CONFIRMS WHATEVER HOLDER MAY DO IN THIS REGARD; (B) ALL RIGHTS TO NOTICE AND A HEARING PRIOR TO HOLDER'S TAKING POSSESSION OR CONTROL OF, OR TO HOLDER'S REPLEVY, ATTACHMENT OR LEVY UPON, ANY PROPERTY, REAL OR PERSONAL, TANGIBLE OR INTANGIBLE OF BORROWER OR ANY BOND OR SECURITY WHICH MIGHT BE REQUIRED BY ANY COURT PRIOR TO ALLOWING HOLDER TO EXERCISE ANY OF ITS REMEDIES; AND (C) THE BENEFIT OF ALL VALUATION, APPRAISAL AND EXEMPTION LAWS. BORROWER ACKNOWLEDGES THAT IT HAS BEEN ADVISED BY COUNSEL WITH RESPECT TO THIS NOTE AND THE TRANSACTIONS EVIDENCED HEREBY. NO FAILURE OR DELAY ON THE PART OF HOLDER IN THE EXERCISE OF ANY POWER, RIGHT OR PRIVILEGE HEREUNDER SHALL OPERATE AS A WAIVER THEREOF, NOR SHALL ANY SINGLE OR PARTIAL EXERCISE OF ANY SUCH POWER, RIGHT OR PRIVILEGE PRECLUDE OTHER OR FURTHER EXERCISE THEREOF OR OF ANY OTHER RIGHT, POWER OR PRIVILEGE. ALL RIGHTS AND REMEDIES EXISTING HEREUNDER ARE CUMULATIVE TO, AND NOT EXCLUSIVE OF, ANY RIGHTS OR REMEDIES OTHERWISE AVAILABLE.
- VI. **LOST OR DESTROYED NOTE.** UPON RECEIPT BY BORROWERS OF EVIDENCE REASONABLY SATISFACTORY TO BORROWERS OF THE LOSS, THEFT, DESTRUCTION OR MUTILATION OF THIS NOTE, AND IN THE CASE OF ANY SUCH LOSS, THEFT OR DESTRUCTION, UPON DELIVERY OF AN INDEMNITY REASONABLY SATISFACTORY TO BORROWER OR, IN CASE OF ANY SUCH MUTILATION, UPON SURRENDER AND CANCELLATION OF THIS NOTE, BORROWER WILL ISSUE A NEW NOTE OF LIKE TENOR IN LIEU OF THIS NOTE.
- VII. **SEVERABILITY.** WHEREVER POSSIBLE, EACH PROVISION OF THIS NOTE SHALL BE INTERPRETED IN SUCH MANNER AS TO BE EFFECTIVE AND VALID UNDER APPLICABLE LAW, BUT IF ANY PROVISION OF THIS NOTE SHALL BE PROHIBITED BY OR INVALID UNDER APPLICABLE LAW, SUCH PROVISION SHALL BE INEFFECTIVE TO THE EXTENT OF SUCH PROHIBITION OR INVALIDITY, WITHOUT INVALIDATING THE REMAINDER OF SUCH PROVISION OR THE REMAINING PROVISIONS OF THIS NOTE.

- VIII. **AMENDMENT AND MODIFICATION.** EACH OF BORROWERS AND HOLDER AGREES THAT NO CHANGE, WAIVER, MODIFICATION OR AMENDMENT OF THIS NOTE SHALL BE EFFECTIVE OTHER THAN IN ACCORDANCE WITH SECTION 9.1 OF THE DIP CREDIT AGREEMENT.
