

NOTICE TO CREDITOR OF TOWNSHIP PETROLEUM CORPORATION

TO: [NAME]

On November 29, 2011, Township Petroleum Corporation (“TPC”), applied for and received protection from its creditors by order of the Court of Queen’s Bench of Alberta (the “Court”) pursuant to the *Companies Creditors’ Arrangements Act* (the “CCAA”). Ernst & Young Inc. was appointed Monitor of TPC (the “Monitor”). It is the intention of TPC to propose a plan of compromise and arrangement to its creditors.

On June 28, 2012, the Court granted a further order prescribing a process by which the identity and status of all creditors of TPC and the amounts of their claims will be established for purposes of the CCAA proceedings (the “Claims Process Order”). A copy of the Claims Process Order may be viewed at www.ey.com/ca/oilsandsquest.

Pursuant to the Claims Process Order, the Monitor, in cooperation with TPC, is to send a notice to each known creditor of TPC (the “Notice to Creditor”) indicating the amount of such creditor’s claim as of November 29, 2011. In the case of the claims of creditors whose claims are disputed, a Notice to Creditor will be sent containing the amount which TPC is prepared to allow as a claim by such creditor.

All claims against TPC are listed as unsecured based on the records of TPC.

TPC HAS REVIEWED ITS RECORDS AND ACCEPTS THAT YOUR CLAIM AGAINST TPC, AS OF NOVEMBER 29, 2011, WAS AN UNSECURED CLAIM IN THE AMOUNT OF \$[insert \$ and currency].

IN THE EVENT THAT YOU AGREE WITH TPC’S ASSESSMENT OF YOUR CLAIM, YOU NEED TAKE NO FURTHER ACTION.

HOWEVER, IF YOU WISH TO DISPUTE TPC’S ASSESSMENT OF YOUR CLAIM, YOU MUST TAKE THE STEPS OUTLINED BELOW.

The Claims Process Order provides that if a creditor disagrees with the assessment of its claim set out in this Notice to Creditor, the creditor must complete and return to the Monitor, with a copy to TPC, a completed Proof of Claim advancing a claim in a different amount and/or claiming secured status if applicable, supported by appropriate documentation. A blank Proof of Claim form is enclosed. The Proof of Claim with supporting documentation must be received by the Monitor no later than **August 31**,

2012. If no such Proof of Claim is received by the Monitor by that date the amount of such creditor's claim and its status as secured or unsecured will be, subject to further order of the Court, conclusively deemed to be as shown in this Notice to Creditor.

The Claims Process Order also provides that any party who does not receive a Notice to Creditor and who wishes to advance a claim against TPC must complete and forward to the Monitor, with a copy to TPC, a completed Proof of Claim supported by appropriate documentation advancing its claim and claiming secured status if applicable, on or before **August 31, 2012.**

Claims not proven in accordance with the procedures set out above shall, unless otherwise ordered by the Court, be deemed to be forever barred and may not thereafter be advanced against TPC.

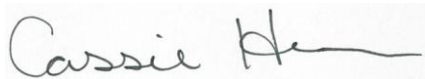

Where a Proof of Claim is sent TPC, with the cooperation of the Monitor, will review the Proof of Claim and the Monitor shall provide to the creditor a notice in writing by registered mail, by courier service, email or by facsimile as to whether the claim set out in the Proof of Claim is accepted, disputed in whole, or disputed in part. Where the claim is disputed in whole or in part, the Monitor will issue a Notice of Dispute indicating the reasons for the dispute.

The Claims Process Order further provides that where a creditor objects to a Notice of Dispute, the creditor must notify the Monitor, of the objection in writing by registered mail, courier service, email or facsimile within fifteen (15) days of receipt of the Notice of Dispute. The creditor shall thereafter serve on the Monitor, with a copy to TPC, a filed Notice of Motion with a supporting Affidavit in TPC's CCAA proceedings, returnable within ten (10) calendar days after it gave its notice of objection, for the determination by the Court of the claim in dispute.
