## INTRODUCTION

1. On December 21, 2011, Legacy Communities Inc. (“Legacy”) and Airdrie Capital Corporation (“ACC”) and Airdrie Country Estates Inc. (collectively “Airdrie”) sought and obtained protection from their creditors under the Companies’ Creditors Arrangement Act, R.S.C. 1985 c. C-36, as amended, (the “CCAA”) pursuant to an order of this Honourable Court (the “Initial Order”).
2. Pursuant to the Initial Order, Ernst & Young Inc. was appointed monitor of Legacy and Airdrie (the “Monitor”).
3. On March 21, 2012, under these same proceedings, Railside Capital Inc. and Railside Industrial Park Inc. (collectively “Railside”) and Foundation Place Capital Inc. and Foundation Capital Inc. (collectively “Foundation Place”) were granted an Order (the “Railside & Foundation Place Order”) by this Honourable Court granting them protection from their creditors pursuant the CCAA.
4. Legacy, Airdrie, Railside and Foundation Place are sometimes collectively referred to as the “Companies” or the “Debtors”.
5. On January 19, 2012 this Honourable Court granted an Order creating an Unsecured Creditors Committee (“UCC”) in these proceedings.
6. On May 12, 2012 this Honourable Court granted an Order expanding the Monitor’s powers as “co-manager” of the Companies.
7. On July 5, 2012, this Honourable Court granted Orders sanctioning the respective plans of compromise and arrangement (the “Legacy and Airdrie Plans”) presented to the creditors of each of Legacy and Airdrie and approved by an overwhelming majority of those creditors. The Legacy and Airdrie Plans have been implemented and pursuant to the terms of the Legacy and Airdrie Plans, the interim board of directors have been appointed.
8. On December 21, 2012, this Honourable Court granted Orders sanctioning the Railside plan of compromise and arrangement (the “Railside Plan”) presented to the creditors

of Railside and approved by an overwhelming majority of those creditors. The Monitor anticipates that the Railside Plan will be implemented shortly and, pursuant to the terms of the Railside Plan, the interim board of directors will be appointed.

9. The purpose of this eighteenth report (the “Eighteenth Report”) of the Monitor is to provide this Honourable Court with:
  - a) A Foundation Place update;
  - b) The forecast to actual cash flow results for the period of April 30, 2013 to June 21, 2013 (the “Reporting Period”);
  - c) The cash flow forecast (the “Forecast”) from June 21, 2013 to September 30, 2013 (the “Forecast Period”);
  - d) The Debtor’s request for an extension of the Stay Period; and
  - e) The Monitor’s recommendation.
10. Capitalized terms not defined in this Eighteenth Report are as defined in the Initial Orders.
11. All references to dollars are in Canadian currency unless otherwise noted.

## **BACKGROUND**

12. Background for the Debtors together with other information regarding these CCAA proceedings, have been posted by the Monitor on its website at: [www.ey.com/ca/foundationgroup](http://www.ey.com/ca/foundationgroup).

## **TERMS OF REFERENCE**

13. In preparing this Eighteenth Report, the Monitor has relied upon unaudited financial information, company records and discussions with former management of the Company. The Monitor has not performed an audit, review or other verification of such information. An examination of the financial forecast as outlined in the Canadian Institute of Chartered Accountants Handbook has not been performed. Future

orientated financial information relied upon in this report is based on management's assumptions regarding future events and actual results achieved will vary from this information and the variations may be material.

#### **FOUNDATION PLACE RESTRUCTURING EFFORTS**

14. The Monitor has been approached by an investor (the "FP Investor Group Lead") who indicates that he represents a large number of Foundation Place investors who would like to hold the property owned by Foundation Place for a longer term in hopes of achieving a higher recovery. The Monitor has advised this group that in order to hold the property Foundation Place will require exit financing and a plan of arrangement. As a result of the delays in resolving the Mylonas and Landstar claims (discussed below), this group of investors require additional time to find the necessary financing to develop a plan and avoid liquidation and the Monitor is supportive of this process.
15. Mylonas Enterprises Ltd. ("Mylonas") and Landstar Teamworks Project Management Ltd. ("Landstar") have each registered encumbrances against the Foundation Place lands in priority to the Foundation Place Capital mortgage and submitted claims against Foundation Place in respect thereof prior to the claims bar date of August 21, 2012. The Monitor had filed an application on September 20, 2012 to strike out the caveat filed by Mylonas, which application was adjourned sine die. On November 19, 2012, Mylonas submitted an amended proof of claim to the Monitor in respect of its claim against Foundation Place. The Monitor has reviewed the amended Mylonas claim and the Landstar claim and issued notices of disallowance in respect of both of them in accordance with the Claims Process Order granted in respect of Foundation Place on July 5, 2012. Mylonas and Landstar have disputed the notices of disallowance in accordance with the Claims Process Order. The appeal of the disallowances of the Mylonas and Landstar claims is scheduled to be heard on June 27, 2013.
16. The DIP loan with Azimuth Risk Management Ltd. ("Azimuth") was overdue for many months. The Monitor/Co-Manager has been able to reach an extension agreement whereby the DIP Financing has been extended to September 30, 2013. There will be initial extension fee of 4% for the extension to September 30, 2013; and should

there be further mutually agreed extensions, a 2% extension fee for the commencement of each three month period thereafter.

17. The Monitor understands that the two Foundation Place UCC representatives along with the FP Investor Group Lead are supportive of the DIP Financing extension and terms.

## **FORECAST TO ACTUAL RESULTS**

### ***Foundation Place***

18. The cash flow forecast to actual presented at Appendix A contains the cash receipts and disbursements incurred to date for Foundation Place as compared to the cash flow forecasts previously provided to this Court.

19. Cash receipts for the Reporting Period were from parking lot revenue and approximately \$274,000 of DIP Financing.
20. Operating expenses, which have been incurred but not entirely paid during the Reporting Period, for Foundation Place total approximately \$276,000. The positive variance of approximately \$350,000 relates primarily to the timing of settlement for professional fees in order to conserve cash moving into the Forecast Period.
21. Operating costs have been reduced to zero, with only professional fees and property taxes accruing.

## **CASH FLOW FORECAST THROUGH SEPTEMBER 30, 2013**

22. The Co-manager of Foundation Place has prepared the Forecast. The Forecast is based on the most current information available.

23. The table below summarizes the cash flows for Foundation Place for the Forecast Period:

| Administration Charge offset              | f            | (45,000)                |
| Total disbursements                       |              | \$ 25,304               |

24. As summarized above, Foundation Place is projecting no further DIP Financing needs for the Forecast Period. The accrued and unpaid professional fees are beneficiaries of the Administrative Charge, and all beneficiaries have agreed to extend the time for payment until exit financing is secured or until it is apparent no exit financing will be obtained. Accordingly, no further cash needs are required during the Forecast Period.
25. Significant assumptions with respect to Foundation Place are:
- a) Foundation Place has no operating revenues;
  - b) No further DIP Financing is required at this time;
  - c) No further management fees will be incurred on Foundation Place;
  - d) No further consulting fees are to be paid for Foundation Place;
  - e) 2013 property taxes; and

- f) Professional fees relate to the costs of the Monitor and its legal counsel, the Company's legal counsel and the UCC's legal counsel and have been estimated by the Monitor.

26. The Monitor considers the assumptions supporting the Forecasts to be reasonable.

#### **THE COMPANY'S REQUEST FOR AN EXTENSION OF THE STAY PERIOD**

- 27. Pursuant to the Orders of this Honourable Court dated April 30, 2013 the Stay Period expires on June 30, 2013 for Foundation Place.
- 28. Foundation Place is seeking an extension of the Stay Period up to and including September 30, 2013 (the "Stay Extension").
- 29. The Stay Extension is necessary to allow for the resolution of the Mylonas and Landstar claims which will then allow the Foundation Place investors an opportunity to assess the viability of developing a plan of arrangement and to find the necessary financing required.
- 30. In the Monitor's view, Foundation Place is acting in good faith and with due diligence and the extension of the stay of proceedings is warranted.

## **MONITOR'S RECOMMENDATION**

31. The Monitor recommends that that this Honourable Court approve the Stay Extension.

Dated at Calgary, this 21<sup>st</sup> day of June, 2013.
