**PURSUANT TO
THE COMPANIES' CREDITORS ARRANGEMENT ACT
DECEMBER 19, 2012**

- THIS PLAN SHOULD BE READ TOGETHER WITH THE INFORMATION CIRCULAR DATED DECEMBER 19, 2012 PREPARED BY SPRUCE RIDGE CAPITAL INC. AND THE MONITOR'S REPORT TO CREDITORS DATED DECEMBER 17, 2012
- THE FOLLOWING SCHEDULES ATTACHED HERETO ARE INTEGRAL TO AND FORM PART OF THIS PLAN:

SCHEDULE A - DEFINED TERMS AND INTERPRETATION

SCHEDULE B - INSTRUMENT OF PROXY

SCHEDULE C – ARTICLES OF REORGANIZATION OF SPRUCE
RIDGE CAPITAL INC. ON FIRST OF PLAN IMPLEMENTATION
DATES

SCHEDULE D – ARTICLES OF REORGANIZATION OF SPRUCE
RIDGE CAPITAL INC. ON SECOND OF PLAN IMPLEMENTATION
DATES

The purpose of this Plan is to effect a compromise and arrangement of the Claims of all Creditors of Spruce Ridge Capital Inc. ("SRC") in order to permit SRC to restructure its affairs for the benefit of all stakeholders, with a view to increasing the recovery of the Creditors of SRC and reducing the uncertainties, risks, costs, delays and possible losses that will otherwise occur to stakeholders. SRC has concluded, and the Monitor agrees, that Creditors of SRC will likely obtain a greater return on their Claims if the Plan is approved than if the assets of SRC were liquidated in a formal insolvency proceeding, which is the most likely outcome for SRC in the

event this Plan is not approved. Creditors should review this Plan, the information circular prepared by management of SRC, and the Monitor's Report before voting to accept or to reject this Plan.

ARTICLE 1

1.1 Background

SRC and Spruce Ridge Estates Inc. ("SRE") are single-purpose corporations incorporated to raise funds and to acquire and develop a 923 acre land assembly for future development in the M.D. of Foothills, approximately eight kilometres southwest of the boundary of the City of Calgary, in the Province of Alberta (the "Spruce Ridge Lands"). The main strategy to realize the value contemplated by SRC and SRE at the time the land was first purchased was to sell it to a developer, either as-is or with some degree of rezoning and development completed. A second alternative was for SRC and SRE to service and/or develop the lands themselves, or to enter into a joint venture with a party prepared to develop the lands. It was expected that the Spruce Ridge Lands could be sold or partially developed and sold within a period of approximately five years following the acquisition of the property. The Spruce Ridge Lands are currently used as a hay and cattle operation and are leased to the party who sold the Spruce Ridge Lands to 1330075 Alberta Ltd., who in turn sold the lands to SRE. SRE has entered into discussions with the original vendor to re-negotiate the existing lease arrangement to bring the lease up to current market lease rates. It is anticipated that re-negotiated lease revenues will be sufficient to pay all annual expenses associated with the Spruce Ridge Lands, including taxes and insurance if this Plan is approved. Lease revenues would not, however, be sufficient to cover management reporting costs to the creditors, interest costs and any pre-development expenses. As a result SRC will require Exit Financing following Plan Implementation in order to meet those expenses until it is able to obtain longer term financing, generate revenue from the sale of land or otherwise locate funding for those expenses.

Beginning in October of 2007, a total of \$49,264,586 was raised from a total number of 1,867 investors through the sale of bonds issued by SRC. Of the total bonds sold, approximately 75% are held in individual registered retirement savings plans. The bonds come due for repayment on December 31, 2012. Through a separate offering by SRE, Bondholders also acquired class B non-voting common shares in SRE in proportion to their bond holdings, with proceeds in the amount of \$28,799.32 raised by SRE through the offering. The investment was structured such that SRE is the legal owner of the Spruce Ridge Lands, subject to a mortgage in the principal amount of \$49,264,586 registered on the Spruce Ridge Lands in favour of SRC. SRC in turn, is indebted to the Bondholders.

The economic decline of 2008 and 2009 caused a slow-down in real estate development in the Calgary area and the value and saleability of undeveloped land dropped dramatically. That notwithstanding, SRE expended its available cash on pre-development work in anticipation that the lands could still be developed in the short term. The market for development of the lands has not improved. As a result, SRC has no funds available to either repay the bonds or to continue development of the Spruce Ridge Lands after the bonds come due on December 31, 2012.

In order to have access to a formal restructuring process as well as access to funding, in August of 2012 SRC and SRE, along with Rocky View Capital Corp., Rocky View Estates Corp., Stoney View Capital Inc., Stoney View Crossing Inc., Liberty Crossing Limited Partnership and

Liberty Crossing General Partner Inc. sought and obtained an order of the Court of Queen's Bench of Alberta (the "Initial Order") providing them with protection from their creditors and access to interim financing (known as "DIP" financing) pursuant to the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36 (the "CCAA").

Since the date of the Initial Order SRC and SRE have been under the control of a Court-appointed chief restructuring officer (the "CRO") who has been working with a real estate expert and legal and other advisors to develop a strategy for dealing with the Spruce Ridge Lands, restructure their debt, and maximize value for Bondholders and other stakeholders. Located in the M.D. of Foothills, the Spruce Ridge Lands represent a major land assembly within eight kilometres south of the boundary to the City of Calgary. The short-term prospects for development of the Spruce Ridge Lands are considered poor but are expected to improve as the country residential market recovers. Land developers from the City of Calgary are increasingly looking outside of the City's boundaries for development opportunities which would benefit from proposed upgrading and construction of new highway systems including Highway 22 and 22X south of the City.

Since its acquisition of the Spruce Ridge Lands in 2007, SRE engaged various engineering and planning firms to undertake studies focussing on the creation of a new residential community of approximately 1,100 dwelling units, together with several core facilities including a golf course, an educational institution and an equine facility. Substantial pre-development studies were commissioned by SRE including geotechnical studies, stormwater management studies, property boundary and topographical surveys as well as civil engineering and land use planning studies, all of which evaluate and consider the various development opportunities offered by the Spruce Ridge Lands. While no water system is currently available on the Spruce Ridge Lands, a system for the provision of water to the area is currently being discussed amongst SRE, adjacent land owners and private sector operators. This pre-development work has value and will be helpful for the future development of the lands.

SRC anticipates that the value of the Spruce Ridge Lands will appreciate over the next three to five years and that if the Spruce Ridge Lands were held until the development plans at the M.D. of Foothills are considered, land values in the area could increase to materially improve the recoveries for Bondholders and other Creditors as compared to the recoveries that would be realized if the lands were sold today.

Accordingly the financial restructuring portion of this Plan is designed to allow SRC to acquire the Spruce Ridge Lands from SRE and to issue Replacement Bonds in place of existing bonds and other debt. This will enable SRC to extend the term of all of the outstanding debt of SRC for a period of five years, without interest or other payments to Creditors, and to raise additional funds as needed to enable it to defray the costs of holding and developing the Spruce Ridge Lands, all with a view to allowing sufficient time for Creditors to maximize their recovery from the appreciation in value of the Spruce Ridge Lands. SRE, which has no arms-length creditors other than SRC, will not be restructured and if Creditors and the Court approve this Plan, then on Plan Implementation the Spruce Ridge Lands will be transferred to SRC through a foreclosure, and SRE will likely be dissolved.

SRC has, with the assistance of the Monitor, obtained a source of funds on market terms for entities involved in CCAA restructurings, to cover the costs incurred in these CCAA proceedings and to provide a source of exit financing to allow SRC to meet expenses for a period of approximately six months following its discharge from CCAA. If required, that financing can thereafter be extended by an additional six months. These funds have been advanced through Olympia Trust Company as trustee for the DIP Lender, and the financing was approved by way of Court Orders dated September 20, 2012 and October 31, 2012. This financing will allow a restructured SRC sufficient time to explore all available options for the longer term financing required to carry it through to the sale of some or all of the Spruce Ridge Lands, and to select the most suitable longer term financing alternative for SRC.

Through the restructuring process SRC also identified a need to simplify its corporate structure, to make governance more direct and transparent and to enable management to deal with any needed changes to the terms of the Replacement Bonds to be issued pursuant to this Plan in a flexible and comprehensive way. The appointment of a board of directors of SRC from nominations made by Creditors (the “New Directors”), together with other changes to SRC’s corporate and debt structure and governing documents is intended to accomplish those objectives as part of this Plan.

Because a significant number of Creditors currently hold SRC Bonds in registered retirement savings plans (“Registered Plans”), SRC felt it was important to ensure to the extent possible that the bonds and shares to be issued to Creditors pursuant to this Plan would also be qualified investments for Registered Plans. In order for that to occur and to minimize the risk of adverse tax consequences the majority of Creditors’ Claims will be converted to Class “A” Bonds, but a small portion of each Creditor’s Claim will be converted to Class “B” Bonds, which will in turn be converted into New SRC Shares. The New SRC Shares will be supported by equity which will not be available for payment of the Class “A” Bonds. While the overall effect on the value available to Creditors is neutral, this structure is expected to allow both New SRC Shares and Class “A” Bonds to be qualified investments for Registered Plans.

ARTICLE 2

PURPOSE AND EFFECT OF THE PLAN

2.1 Purpose of the Plan

The purpose of this Plan is to restructure SRC ’s debt and allow it time and financing to enable it to hold the Spruce Ridge Lands and advance their sale or development during a period of approximately five years following the implementation of this Plan, with a view to maximizing Creditors’ recovery from the anticipated appreciation in value of the Spruce Ridge Lands. SRC expects, and the Monitor agrees, that approving and implementing this Plan is likely to produce a better result for all Creditors than the next most likely alternative, which is an immediate liquidation of the assets of SRE and SRC. The Plan contemplates the compromise and arrangement of the Claims of Creditors pursuant to the provisions of the CCAA in a manner that provides consistent and equitable treatment among the Creditors, and that is consistent with what would reasonably occur in an open market in which parties deal with one another at arm’s length.

There will also be a reorganization of the corporate structure of SRC such that Creditors, who will become the only shareholders of SRC, will be entitled to exercise the normal rights of shareholders in electing directors of SRC and voting on matters of corporate significance. Accordingly, in addition to restructuring SRC's debt, this Plan is designed to produce the following effects:

- (a) The only shares of SRC outstanding post-Plan would be New SRC Shares issued to Creditors pursuant to the Plan in proportion to their Claims;
- (b) A board of up to 5 individuals selected by the Monitor from nominations submitted by Creditors, will, if this Plan is approved and implemented by SRC's Creditors, be installed as the New Directors of SRC on Plan implementation, and all existing directors discharged;
- (c) Non-interest bearing Replacement Bonds, comprised of Class "A" Bonds and Class "B" Bonds, in the full amount of all outstanding principal and interest owed to Creditors as of the Filing Date will be issued to Creditors on Plan implementation. The Class "B" Bonds will be immediately exchanged for New SRC Shares. The Class "A" Bonds will mature on December 31, 2017 which is intended to be at or after the anticipated time of the sale of Spruce Ridge Lands;
- (d) A Bond Indenture will be put in place to govern the collective rights of holders of Replacement Bonds, provide a framework for the issuance and management of the Replacement Bonds, and to create a procedure to enable any future required extensions or amendments to the terms of the Replacement Bonds. The Bond Indenture will require SRC to provide quarterly unaudited financial information and annual audited financial statements to holders of Class "A" Bonds, and a third party indenture trustee will be appointed pursuant to the Bond Indenture;
- (e) The Bond Indenture will provide that the first \$2.0 million (the "Excluded Asset Amount") received from payments to it from the sale of all or a portion of the Spruce Ridge Lands, after payment of any secured claims against the lands, shall be paid to SRC for its own use and the benefit of its shareholders;
- (f) The obligations of SRC to holders of Replacement Bonds under the Bond Indenture will be secured by the Replacement Bond Security which will:
 - (i) Grant security over all of SRC's Assets, but limit recourse under the Replacement Bond Security to the Assets other than the Excluded Asset Amount;
 - (ii) Be subordinate to the Exit Financing Security and to security for future financing for development of SRC's property or for other purposes which SRC considers necessary.
- (g) The face value of the Class "A" Bonds and the value of the New SRC Shares received by each Creditor will equal the value of each Creditor's Claim, rounded to the nearest dollar.

- (h) Both the New SRC Shares and the Class “A” Bonds are expected to be qualified investments for Registered Plans;
- (i) Commencing on the Plan Implementation Dates the day-to-day management of SRC will be provided on an interim, month-to-month basis (not to exceed 60 days from the date of implementation) by Harvest CCAA Operations Inc. (“HCO”) an arm’s length corporation incorporated to provide consulting and administration services to members of the Harvest group of companies in connection with the CCAA process. This will allow the new board of directors of SRC sufficient time to conduct a process for the selection of a manager/management firm to provide those services on a longer term basis; and
- (j) Recognition of any gains or losses for tax purposes will be deferred to the extent legally possible until the sale of the Spruce Ridge Lands.

The Monitor will report to Creditors and the Court regarding the Plan prior to the date Creditors are to vote on the Plan. Creditors wishing to review copies of Court orders and other materials filed in these proceedings, and copies of the Monitor’s reports are directed to the Monitor’s website in relation to these proceedings at www.ey.com/ca/foundationgroup. All Creditors should review this Plan and the Monitor's report before voting to accept or to reject this Plan.

2.2 Persons Affected

The Plan provides for the compromise and arrangement of all Claims. If this Plan is accepted by Creditors and approved by the Court, and the other transactions contemplated by the Plan occur, the Claims of all Creditors will be extinguished. In substitution Creditors will be issued Replacement Bonds, comprised of Class “A” Bonds and Class “B” Bonds, together totalling the full amount of their Claims. On the Plan Implementation Dates the Class “B” Bonds will be exchanged for and converted to New SRC Shares, with the result that all Creditors will hold New SRC Shares in proportion to the amount of their Claims, including any Disputed Claims which become Proven Claims after the Plan Implementation Dates.

2.3 Persons Not Affected

This Plan does not compromise or affect the following Claims and rights that arise in respect thereof (collectively, the "Unaffected Claims"). Unaffected Claims will be addressed pursuant to their existing arrangements or as otherwise may be agreed with Unaffected Creditors:

- (a) Amounts secured by the Administration Charge, the Directors’ Charge and the DIP Charge;
- (b) Post Filing Claims;
- (c) Claims of the Crown for (i) amounts in respect of those Claims referred to in Section 18.2(1) of the CCAA which become due and payable during the period following the Filing Date and prior to the Plan Implementation Dates; and (ii) collected and unremitted amounts in respect of goods and services taxes, excluding penalties and interest, which

become due and payable during the period following the Filing Date and prior to the Plan Implementation Dates;

- (d) Claims relating to municipal real property taxes and public utilities;
- (e) Claims in respect of any licenses, franchises, consents, approvals, variances, exemptions and other authorizations issued by or from any Government Authority; and,
- (f) That portion of a Claim arising from a cause of action for which SRC is covered by insurance, but only to the extent of such insurance coverage.

2.4 Shareholders

All Old SRC Shares will be designated as retractable. On the Plan Implementation Dates the Old SRC Shares shall be retracted for no consideration, and all related options, warrants and other rights to acquire Old SRC Shares will be cancelled, without compensation.

ARTICLE 3 VALUATION OF CLAIMS AND CLASSIFICATION OF CREDITORS

3.1 Classification of Creditors

For the purposes of considering and voting upon this Plan, Creditors shall constitute a single class. Each Creditor will be entitled to one vote for each dollar of Eligible Voting Claim value.

ARTICLE 4 STRUCTURE OF THE PLAN

4.1 Overview

The Claims of all Creditors will be exchanged for and converted to Replacement Bonds issued pursuant to the Bond Indenture. Each Creditor will receive \$0.0317757168 of a Class “B” Bond for each \$1 of Proven Claim, and \$0.9682242832 of a Class “A” Bond for each \$1 of Proven Claim. Replacement Bonds will not bear interest. The Class “A” Bonds will be due for repayment December 31, 2017.

The Class “B” Bonds will be exchanged for and converted to New SRC Shares on the basis of one New SRC Share to each \$1 of principal amount of Class “B” Bonds on the Plan Implementation Dates. The Creditors Meeting will take place at the Radisson Hotel Calgary Airport, 2120 - 16th Avenue N.E., Calgary Alberta, at 11:00 a.m. on January 28, 2013 (or on such other date as may be set by Order of the Court) at which the Creditors eligible to vote shall consider and vote upon this Plan. The entitlement of a Creditor whose Claim is not a Proven Claim to vote at the Creditors' Meeting shall not be construed as an admission that its Claim is a Proven Claim.

SRC and the Monitor shall have the right to seek the assistance of the Court in valuing any Claim for voting purposes in accordance with the Plan and the Meeting Order, if required, and to ascertain the result of any vote on the Plan.

5.2 Procedure

Votes cast by Creditors with Claims at the Creditors' Meeting shall be binding upon the Creditors and shall be recorded at the time of the Creditors' Meeting. If the Required Majority is achieved, the Plan shall be approved and shall be deemed to have been agreed to, accepted and approved by all Creditors.

5.3 Proxies

A Creditor who wishes to cast its vote at the Creditors Meeting, but is unable or does not wish to attend the Creditors Meeting, may appoint the Monitor, the CRO, a member of SRC management, or any other person as its proxyholder to attend and act on the Creditor's behalf at the Creditors Meeting by inserting such person's name in the space provided on an instrument of proxy in the form attached hereto as Schedule "B" (the "Instrument of Proxy") and sending or delivering the completed Instrument of Proxy to the offices of the Monitor at Ernst & Young Tower, 1000, 440 2nd Avenue S.W., Calgary, AB T2P 5E9 Canada, Attention: Jessica Caden. An Instrument of Proxy must be (i) received at the offices of the Monitor at least one Business Day prior to the time set for the Creditors' Meeting, or any adjournment thereof; or (ii) delivered to the Monitor at the Creditors' Meeting prior to the commencement of the Creditors' Meeting or any adjournment thereof. person acting in a representative capacity should indicate such person's capacity (following his signature) and it should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has previously been filed with the Monitor).

The persons named in the accompanying Instrument of Proxy shall vote Claims of the Creditors in accordance with the direction of the Creditor appointing them on any ballot that may be called for and where the Creditor giving the Instrument of Proxy specifies a choice with respect to any matter to be voted upon, the Claim shall be voted in accordance with the instructions of the Creditor. In the absence of any such direction, such Claim shall be voted as vote in favour of the Plan.

The Class “A” Bonds and New SRC Shares issued to Creditors will be issued and recorded in a book entry system to be maintained by the Indenture Trustee or the Transfer Agent, as the case may be. If any Creditor's statements reflecting its respective holdings of Class "A" Bonds and New SRC Shares are returned as undeliverable, the Monitor shall be relieved of its obligation to deliver such statements and no further statements shall be distributed to such Creditor unless and until SRC and the Monitor are notified by such Creditor of such Creditor's current address. All claims for undeliverable statements reflecting the Creditor's holding of New SRC Shares and Class "A" Bonds in respect of Proven Claims must be made on or before the expiration of one (1) year following the later of the Plan Implementation Dates or the date upon which such Creditor's claim became a Proven Claim. After such date, the Proven Claims of any Creditor or successor of such Creditor with respect to the holding of New SRC Shares and Class "A" Bonds shall, unless otherwise consented to by SRC, be forever discharged and forever barred, notwithstanding any federal or provincial laws to the contrary, and the corresponding New SRC Shares and Class "A" Bonds shall be cancelled.

6.9 Assignment of Claims for Voting and Distribution Purposes

(a) Assignment of Claims Prior to the Creditors' Meeting

A Creditor may transfer or assign the whole of its Claim prior to the Creditors' Meeting and SRC shall not be obliged to deal with any such transferee or assignee as a Creditor in respect thereof, including allowing such transferee or assignee to vote at the Creditors' Meeting, unless and until actual notice of the transfer or assignment, together with satisfactory evidence of such transfer or assignment, has been received by SRC and the Monitor by 5:00 p.m. on the day that is at least ten (10) Business Days immediately prior to the Creditors' Meeting. Thereafter, such transferee or assignee shall, for all purposes in accordance with the Claims Procedure constitute a Creditor and shall be bound by any and all notices previously given to the transferor or assignor in respect of such Claim. For greater certainty, neither SRC nor the Monitor shall recognize partial transfers or assignments of Claims.

(b) Assignment of Claims Subsequent to the Creditors' Meeting

A Creditor may transfer or assign the whole of its Claim after the Creditors' Meeting (or ten (10) Business Days immediately prior thereto) and SRC shall not be obliged to issue Class "A" Bonds and New SRC Shares to any such transferee or assignee or otherwise deal with such transferee or assignee as a Creditor in respect thereof unless and until actual notice of the transfer or assignment, together with satisfactory evidence of such transfer or assignment, has been received by SRC and the Monitor by 5:00 p.m. on the day that is at least ten (10) Business Days immediately prior to the day on which the first distribution of statements outlining the Class "A" Bonds and New SRC Shares to Creditors with Proven Claims is made. Thereafter, such transferee or assignee shall, for

all purposes in accordance with the Claims Procedure constitute a Creditor and shall be bound by notices given and steps in respect of such Claim. For greater certainty, neither SRC nor the Monitor shall recognize partial transfers or assignments of Claims.

7.2 Issuance of Bonds and Shares After Disputed Claims Resolved

SRC shall issue to each holder of a Disputed Claim which has become in whole or in part a Proven Claim, the Class “A” Bonds and New SRC Shares attributable to such Proven Claim in accordance with the Plan and such Class “A” Bonds and New SRC Shares shall be recorded in the book entry systems maintained by the Indenture Trustee or the Transfer Agent, as the case may be. Statements outlining the holdings of Class “A” Bonds and New SRC Shares attributable to such Proven Claim will be distributed by the Indenture Trustee or the Transfer Agent to the holder of the Disputed Claim which has become in whole or in part a Proven Claim.
