Dear Debentureholder,

Re: Landdrill International Inc. (the "Company" or "Landdrill") – 10% Subordinated Unsecured Convertible Debentures

I am writing in respect of the 10% subordinated unsecured convertible debenture (the "**Debenture**") issued by Landdrill and held by you or your organization and to advise that interest payments thereunder have been suspended.

Currently, Landdrill is engaged in negotiations with its secured creditors geared at restructuring its debt. In connection therewith, certain secured creditors have not received payment of amounts owing to them pursuant to their loan agreements.

Pursuant to Section 6 of the Debenture interest payments under the Debenture are postponed to the payment of "*all indebtedness of the Company of any kind from time to time owing by the Company*". As Landdrill is temporarily in a situation where it is not in a position to fully service its secured indebtedness, the provisions of Section 6 of the Debenture are applicable. Accordingly, all interest payments to Debentureholders have been suspended effective as of the July interest payment and will continue to be suspended for the period of any forbearance, standstill or non-payment to the Company's secured creditors.

Landdrill is committed to honouring all of its obligations and Landdrill's management team is diligently working to resolve the foregoing situation. We anticipate having a workable resolution to the current debt issues impacting the Company by December 31, 2012 and will advise you immediately thereupon. In accordance with the terms of the Debenture, interest shall accrue until the Debenture is fully satisfied.

Thank you for your continued support of Landdrill. As always, please do not hesitate to contact me (office: (506) 388-8100, ext. 234; mobile: (506) 866-4545; e-mail: rongoguen@landdrill.com) to discuss further.

Dear Debentureholder,

Re: Landdrill International Inc. (the "Company" or "Landdrill") – 10% Subordinated Unsecured Convertible Debentures

I am writing in respect of the 10% subordinated unsecured convertible debenture (the "**Debenture**") issued by Landdrill and held by you or your organization and to advise that interest payments thereunder have been suspended.

Currently, Landdrill is engaged in negotiations with its secured creditors geared at restructuring its debt. In connection therewith, certain secured creditors have not received payment of amounts owing to them pursuant to their loan agreements.

Pursuant to Section 6 of the Debenture interest payments under the Debenture are postponed to the payment of "*all indebtedness of the Company of any kind from time to time owing by the Company*". As Landdrill is temporarily in a situation where it is not in a position to fully service its secured indebtedness, the provisions of Section 6 of the Debenture are applicable. Accordingly, all interest payments to Debentureholders have been suspended effective as of the July interest payment and will continue to be suspended for the period of any forbearance, standstill or non-payment to the Company's secured creditors.

Landdrill is committed to honouring all of its obligations and Landdrill's management team is diligently working to resolve the foregoing situation. We anticipate having a workable resolution to the current debt issues impacting the Company by December 31, 2012 and will advise you immediately thereupon. In accordance with the terms of the Debenture, interest shall accrue until the Debenture is fully satisfied.

Thank you for your continued support of Landdrill. As always, please do not hesitate to contact me (office: (506) 388-8100, ext. 234; mobile: (506) 866-4545; e-mail: rongoguen@landdrill.com) to discuss further.
