Vesting of Property

6. Upon the delivery of a Receiver's Certificate to the Purchaser (or its nominee), substantially in the form attached as Schedule "A" hereto (the "**Receiver's Certificate**"), subject only to approval of the transfer of applicable licenses, permits and approvals by the Alberta Energy Regulator (the "**AER**") pursuant to legislation administered by the AER and the agreement between the AER and the Receiver dated January 20, 2016 and approved by the Court on January 25, 2016 (the "**AER Agreement**") all of the Borrower's right, title and interest in and to the Assets as described in the APA including those listed on Schedule "B" hereto shall vest absolutely in the Purchaser (or its nominee), as contemplated by the APA, free and clear of and from any and all security interests (whether contractual, statutory, registered or otherwise), hypothecs, caveats, interests, mortgages,

trusts or deemed trusts (whether contractual, statutory, registered or otherwise), liens, encumbrances, executions, levies, charges, or other financial or monetary claims, assignments, actions, taxes, judgments, writs of execution, options, agreements, disputes, debts, debentures, easements, covenants, encumbrances or other rights, limitations or restrictions of any nature whatsoever including, without limitation, any rights or interests of any creditors of the Debtor, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured, registered or otherwise and whether by payment, set off or otherwise, whether liquidated, unliquidated or contingent (collectively, the "**Claims**") including, without limiting the generality of the foregoing:

- a) any encumbrances or charges created by the Receivership Order;

and, for greater certainty, this Court orders that all of the Encumbrances affecting or relating to the Assets and all charges, security interests or Claims evidenced by registrations pursuant to the PPSA, are hereby expunged, ordered removed and otherwise unconditionally discharged and terminated as against the Assets.

- 7. The Receiver is hereby authorized and directed to take all necessary steps and execute any and all documents to effect any and all discharges and the registrars and all other persons in control or otherwise supervising such offices of registration or recording shall forthwith remove and discharge all such registrations.
- 8. No further authorization or approval or any other action by any authority or regulatory body exercising jurisdiction over the Assets shall be required for the closing and post-closing implementation of the Transactions contemplated in the APA.

9. For further certainty, upon delivery of the Receiver's Certificate, and upon the filing of a certified copy of this Order, together with any applicable registration fees, the appropriate government authorities are hereby authorized, requested and directed to accept delivery of such Receiver's Certificate and this Order as though they were certified originals and to register such transfers, interest authorizations, discharges, discharge statements of conveyances, as may be required to convey clear title to the Assets to the Purchaser subject only to the Permitted Encumbrances. 10. This Order shall be registered by the Registrar notwithstanding the requirements of section 191(1) of the *Land Titles Act*, RSA 2000, c L-7 and notwithstanding that the appeal period in respect of this Order has not elapsed, which appeal period is expressly waived.
11. For the purposes of determining the nature and priority of Claims, the net proceeds from the sale of the Assets (to be held in an interest bearing trust account by the Receiver) shall stand in the place and stead of the Assets and from and after the delivery of the Receiver's Certificate all Claims and Encumbrances shall attach to the net proceeds from the sale of the Assets with the same priority as they had with respect to the Assets immediately prior to the sale, as if the Assets had not been sold and remained in the possession or control of the person having that possession or control

immediately prior to the sale. The Receiver shall not make any distributions to creditors from the net proceeds from the sale of the Assets without further order of this Court.

15. Upon completion of the Transaction, the Borrower, the Debtor and all persons who claim by, through or under the Borrower and the Debtor in respect of the Assets, and all persons or entities having any Claims of any kind whatsoever in respect of the Assets, save and except for the persons entitled to the benefit of the Permitted Encumbrances, shall stand absolutely and forever barred, estopped and foreclosed from and permanently enjoined from pursuing, asserting or claiming any and all right, title, estate, interest, royalty, rental, equity of redemption or Claim in respect of or to the Assets, and to the extent that any such persons or entities remain in the possession or control of any of the Assets, or any artifacts, certificates, instruments or other indicia of title representing or

The Purchaser (or its nominee) shall maintain and protect the privacy of such information and shall be entitled to use the personal information provided to it in a manner which is in all material respects identical to the prior use of such information by the Vendor.
