Pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided under this Plan, on the Effective Date, the provisions of this Plan constitute a good-faith compromise and settlement of all Claims against and Equity Interests in the Debtors and other disputes or potential disputes among the Debtors, and among the Debtors and any of the Creditors' Committee and Equity Committee as set forth in this Plan. The Monitor is prepared to recommend approval of the Global Settlement to the stakeholders in the Canadian Court.

This Global Settlement, among other things: (a) provides for the Payment in Full of Allowed General Unsecured Claims without Post-Petition Interest (to the extent it would have been allowable); (b) resolves the treatment of Intercompany Claims; (c) resolves the allocation of the Sale Proceeds among the Debtors and any disputes regarding the valuation of the Debtors; and (d) settles any question regarding substantive consolidation of some or all of the Estates.

In accordance with the Global Settlement, the Debtors, the Monitor and the Committees will not dispute or object to the allocation of the Sale Proceeds, or other Assets and Cash on hand in accordance with this Plan, and will not seek substantive consolidation of any or all of the Debtors. For the avoidance of doubt, any Reinstatement of Intercompany Claims and Intercompany Equity Interests shall not be deemed to impact, impair, affect, determine, release, waive, modify or limit the rights to distributions or payments on account of General Unsecured Claims under this Plan. All such Reinstated Intercompany Claims and Intercompany Equity Interests are subordinate in right of payment to payment of Allowed General Unsecured Claims under this Plan.

The Disclosure Statement and this Plan shall be deemed to be a motion requesting the Bankruptcy Court's approval of the Global Settlement. The Bankruptcy Court may approve the Global Settlement at the Confirmation Hearing and the Canadian Court may approve the Global Settlement at the Canadian Approval Hearing. In the event any objections to the Global Settlement are timely filed, the Debtors will request that the Bankruptcy Court and Canadian Court schedule a joint hearing with respect thereto, which may be the Confirmation Hearing/Canadian Approval Hearing.

For the avoidance of doubt, to the extent that this Plan is not Confirmed by Final Order, the Global Settlement is not approved by the Canadian Court by Final Order, or the Effective Date does not occur, then the Global Settlement will be void *ab initio* in all respects, and the rights of the Debtors, Monitor and the Committees with respect to the subject matter of the Global Settlement will be preserved, including, without limitation, the right to seek

confirmation of a Chapter 11 plan pursuant to Bankruptcy Code Section 1129(b) and right to seek sanctioning of a plan of compromise and arrangement under the CCAA.

III. TREATMENT OF UNCLASSIFIED CLAIMS

In accordance with section 1123(a)(1) of the Bankruptcy Code, Administrative Claims, CCAA Charge Claims, Canadian Fee Claims, Fee Claims, U.S. Trustee Fees and Priority Tax Claims have not been classified and thus are excluded from the Classes of Claims set forth in Article IV of this Plan. The Plan provides for the following designation and treatment of unclassified Claims:

A. Administrative Claims

1. Administrative Claims Treatment

Except to the extent that (a) an Allowed Administrative Claim has been previously Paid in Full during the Chapter 11 Cases, (b) this Plan provides for other treatment of an Allowed Administrative Claim, or (c) the Holder of an Allowed Administrative Claim agrees to less favorable treatment, on or as soon as reasonably practicable after the later of (i) the Effective Date or (ii) the first Business Day after the date that is thirty (30) days after the date an Administrative Claim becomes an Allowed Claim, each Holder of an Allowed Administrative Claim shall be Paid in Full in Cash.

2. Administrative Claims Bar Date

The Holder of an Administrative Claim, other than: (a) a Fee Claim; (b) claims of Alvarez & Marsal North America, LLC for services performed and expenses incurred in accordance with its retention order entered in these Chapter 11 Cases [Docket No. 222]; (c) an Administrative Claim that has been Allowed on or before the Effective Date; or (d) a claim for U.S. Trustee Fees, must submit to the Claims and Solicitation Agent a request for such Administrative Claim so as to be received by 5:00 p.m. (prevailing Eastern Time) on the date that is no more than thirty (30) days after service of the Notice of Effective Date. Such request must include at a minimum: (i) the name of the Debtor(s) that are purported to be liable for the Administrative Claim; (ii) the name of the Holder of the Administrative Claim; (iii) the amount of the Administrative Claim; (iv) the basis of the Administrative Claim; and (v) all supporting documentation for the Administrative Claim.

FAILURE TO FILE AND SERVE SUCH REQUEST TIMELY AND PROPERLY SHALL RESULT IN THE ADMINISTRATIVE CLAIM BEING FOREVER BARRED AND UNABLE TO COLLECT FROM THE ASSETS OF THE DEBTORS.

B. Fee Claims

1. Fee Claims Generally

All Fee Claims must be filed with the Bankruptcy Court and served on (i) the Liquidation Trustee and its counsel, (ii) the U.S. Trustee, (iii) U.S. counsel to the Debtors, (iv)

counsel to the Creditors' Committee, (v) counsel to the Equity Committee, and (vi) the Fee Examiner, no later than the Fee Claims Bar Date. After notice and a hearing in accordance with the procedures established by the Bankruptcy Code and prior orders of the Bankruptcy Court in the Chapter 11 Cases, including Docket Nos. 226 and 521, the Bankruptcy Court shall determine the Allowed amounts of such Fee Claims. For the avoidance of doubt, (i) any Canadian Fee Claims shall be paid in accordance with the Cross-Border Protocol and do not need to be filed with the Bankruptcy Court on or before the Fee Claims Bar Date and (ii) the fees of any U.S. Professional retained pursuant of an order of the Bankruptcy Court shall be paid in accordance with the orders of the Bankruptcy Court and do not need to be filed with the Canadian Court.

FAILURE TO PROPERLY FILE AND SERVE FINAL FEE APPLICATIONS BY THE FEE CLAIMS BAR DATE SHALL RESULT IN THE UNDERLYING FEE CLAIMS BEING FOREVER BARRED AND UNABLE TO COLLECT FROM THE ESTATES.

2. Objections to Fee Claims

Objections to Fee Claims, if any, must be filed and served on the party asserting the objectionable Fee Claim and each of the parties to be served with a Fee Claim under this Plan no later than twenty (20) days after the filing of the Fee Claim or such other date as may be established by the Bankruptcy Court. Additionally, the Fee Examiner shall review Fee Claims as set forth in the Fee Examiner Order.

3. Payment of Fee Claims

Upon entry of an order by the Bankruptcy Court Allowing a Fee Claim, the Distribution Agent shall promptly pay the applicable U.S. Professional the Allowed Fee Claim from the Holdback Amount to the extent necessary to pay the Allowed Fee Claim in full *less* any amounts previously received by such U.S. Professional pursuant to the Interim Compensation Order. If the Holdback Amount for any given U.S. Professional is less than the Allowed Fee Claim, the Distribution Agent shall promptly pay the difference to the U.S. Professional from the Sale Proceeds notwithstanding the insufficiency of the Holdback Amount. For the avoidance of doubt, (i) the Interim Compensation Order will govern the payment and allowance of any Fee Claim through the Effective Date and (ii) Canadian Fee Claims shall be paid by the Monitor in accordance with the Cross-Border Protocol and any procedures adopted by the Canadian Court.

4. Success and Transaction Fee Applications

Applications for the allowance and payment of success and transaction fees, unless approved by the Bankruptcy Court prior to the Confirmation Date, must be filed with the Bankruptcy Court and served on (i) the Liquidation Trustee and its counsel, (ii) the U.S. Trustee, (iii) U.S. counsel to the Debtors, (iv) counsel to the Creditors' Committee, and (v) counsel to the Equity Committee no later than thirty (30) days after the Effective Date. After notice and a hearing in accordance with the procedures established by the Bankruptcy Code and prior orders of the Bankruptcy Court in the Chapter 11 Cases, the Bankruptcy Court shall determine the Allowed amounts of such success and transaction fees, if any, which Allowed amounts the Distribution Agent shall promptly pay.

**FAILURE TO FILE AND SERVE A TRANSACTION FEE APPLICATION
TIMELY AND PROPERLY SHALL RESULT IN THE UNDERLYING CLAIM BEING
FOREVER BARRED AND UNABLE TO COLLECT FROM THE ASSETS OF THE
DEBTORS.**

Objections to requests for allowance and payment of success and transaction fees, if any, must be filed and served on the party asserting the objectionable success or transaction fee claim and each of the parties to be served with such success or transaction fee request under this Article no later than twenty (20) days after the filing of the requests for allowance and payment of success and transaction fees or such other date as may be established by the Bankruptcy Court. Consistent with the terms of the Fee Examiner Order, the Fee Examiner shall not review success or transaction fee requests.

5. U.S. Trustee Fees

All fees payable pursuant to 28 U.S.C. § 1930(a) shall be paid by the Distribution Agent on behalf of each Debtor for each quarter (including any fraction therein) until such Debtor's Chapter 11 Case is converted, dismissed, or a Final Decree is issued, whichever occurs first.

6. Canadian Fee Claims

All Canadian Fee Claims will be paid by the Debtors in consultation with the Monitor in accordance with and pursuant to the CCAA Approval Order and until the CCAA Approval Order Date, in the ordinary course in the CCAA Proceedings as such Canadian Fee Claims become due and payable.

C. Priority Tax Claims

To the extent not previously paid during the Chapter 11 Cases or the CCAA Proceedings, and except to the extent a Holder of an Allowed Priority Tax Claim agrees to less favorable treatment, a Holder of an Allowed Priority Tax Claim shall receive either (a) on or as soon as practicable after the later of (i) the Effective Date or (ii) the first Business Day after the date that is thirty days after the date a Priority Tax Claim becomes an Allowed Claim, Cash in an amount equal to such Allowed Claim, or (b) deferred Cash payments following the Effective Date, over a period not exceeding five years from the Petition Date (provided, however, that, in accordance with the CCAA, Priority Tax Claims held by the CRA, the Canadian federal government or a Canadian provincial government shall instead be paid over the course of a period not to exceed six (6) months). Any Claim or demand for fines or penalties related to a Priority Tax Claim assessed after the Petition Date shall be disallowed and the Holder of an Allowed Priority Tax Claim shall not assess or attempt to collect any such fine or penalty.

D. CCAA Charge Claims

To the extent not previously paid during the Chapter 11 Cases or the CCAA Proceedings, a Holder of an Allowed CCAA Charge Claim shall be paid in Cash in an amount

equal to such Allowed Claim in accordance with the CCAA Approval Order or as otherwise agreed between the applicable Debtor, with the consent of the Monitor and the Holder.

IV. CLASSIFICATION AND TREATMENT OF CLAIMS AND EQUITY INTERESTS

4. Class P4 – General Unsecured Claims

For the avoidance of doubt, in accordance with the Global Settlement, Holders of Allowed General Unsecured Claims shall not receive Post-Petition Interest on account of such Allowed General Unsecured Claims.

- c. *Voting:* Class P6 is Unimpaired. The Holder of the Class P6 Individual Securities Damages Claim is conclusively deemed to accept this Plan pursuant to section 1126(f) of the Bankruptcy Code, and is not entitled to vote to accept or reject this Plan.

7. Class P7 – Parent Equity Interests

- a. *Classification.* Class P7 consists of all Parent Equity Interests.
- b. *Treatment.* Holders of Parent Equity Interests will receive their Pro Rata share of the Shareholder Distributable Assets under, and subject to, this Plan (including the Global Settlement) and the CCAA Approval Order. This Plan allows Holders of Parent Equity Interests to elect to receive such Plan consideration in the form of either Beneficial Trust Interests (and a right to receive their Pro Rata share of any other Shareholder Distributable Assets in accordance with this Plan) in exchange for their Parent Equity Interests, or to retain their Parent Equity Interests. Holders of Beneficial Trust Interests and Holders of Parent Equity Interests will receive distributions of equal amounts under this Plan (other than differences attributable to the differing tax treatment of the Liquidation Trust and the Reorganized Parent Debtor that may consequently result in more or less favorable recoveries to Holders of Parent Equity Interests after consideration of the potentially differing rates and basis of taxation of the individual Holders, the Liquidation Trust and the Reorganized Parent Debtor). Article V.B.3 of this Plan further describes the distributions that will be made to Holders of Parent Equity Interests and Beneficial Trust Interests.

This Plan provides the following two options for receiving Plan consideration to Holders of Allowed Parent Equity Interests:

Option 1: Beneficial Holders of Allowed Parent Equity Interests may elect to have their Parent Equity Interests cancelled in

exchange for their Beneficial Trust Interests (and a right to receive their Pro Rata share of any other Shareholder Distributable Assets in accordance with this Plan) (“Option 1”).

To elect Option 1, beneficial Holders of Allowed Parent Equity Interests must submit a Liquidation Trust Certification Form on or before the Liquidation Trust Certification Bar Date using the instructions set forth therein. The Debtors shall cause the Liquidation Trust Certification Form to be mailed to Holders of Allowed Parent Equity Interests through the Holders of record at the same time as votes on this Plan are solicited from Holders of Parent Equity Interests, as set forth in the Disclosure Statement Order. Subject to the terms of this Plan and at the time prescribed by the Plan, the Holders of Allowed Parent Equity Interests who elect Option 1 shall be deemed to have had their Parent Equity Interests redeemed and cancelled in exchange for the Liquidation Trust Assets attributable to them (and a right to receive their Pro Rata share of any other Shareholder Distributable Assets in accordance with this Plan). The Holders of Parent Equity Interests electing to receive Beneficial Trust Interests as set forth in this Plan shall immediately contribute the Litigation Trust Assets to the Liquidation Trust.

Beneficial Holders of Allowed Parent Equity Interests may elect Option 1 or Option 2 only for all of their Allowed Parent Equity Interests. All beneficial Holders of Allowed Parent Equity Interests who fail to timely submit the Liquidation Trust Certification Form, who fail to properly make an election on the Liquidation Trust Certification Form, who make an election with respect to less than all of their Parent Equity Interests or who fail to take any action under this Plan shall be deemed to have elected Option 2 under this Plan.

Option 2: All Holders of Allowed Parent Equity Interests who do not elect Option 1 by the Liquidation Trust Certification Bar Date or who are deemed to have elected Option 2 shall retain their Allowed Parent Equity Interests through the Final Distribution Date (“Option 2”). On or after the Final Distribution Date, the Reorganized Parent Debtor shall be dissolved and all remaining Allowed Parent Equity Interests shall be cancelled. If any Holder of Allowed Parent Equity Interests elects Option 1 and the Liquidation Trust is subject to adverse tax consequences in Canada as a result of such Holder holding Beneficial Trust Interests, any transfer to such Holder and the cancellation of such Holder’s Parent Equity Interests shall be void ab initio and Reorganized Parent, the Holder and the Liquidation Trust shall treat such

Holder at all times as if such Holder had elected Option 2 (the “Disallowed Election”).

- c. *Voting.* Class P7 is Impaired under this Plan. The Holders of Class P7 Allowed Parent Equity Interests are entitled to vote to accept or reject this Plan.

For the avoidance of doubt, Holders of Allowed General Unsecured Claims shall not receive Post-Petition Interest on account of such Allowed General Unsecured Claims.
- c. *Voting:* Class 3 is Impaired because the Global Settlement governs the treatment of General Unsecured Claims under this Plan. The Holders of Class 3 General Unsecured Claims are entitled to vote to accept or reject this Plan.

4. Class 4 – Intercompany Claims

- a. *Classification.* Class 4 consists of all Intercompany Claims.
- b. *Treatment:* On or after the Effective Date, each Intercompany Claim shall be Reinstated, subject to the rights of Holders of General Unsecured Claims in Class 3 under this Plan (including the Global Settlement) and the CCAA Approval Order, and any Cash or Assets of the U.S. Debtors that are required to be distributed pursuant to this Plan (including the Retained Causes of Action and Liquidation Trust Expense Reserve) shall be transferred by the U.S. Debtors to the Reorganized Parent Debtor in satisfaction of the same amount of such applicable Intercompany Claims, and any other Intercompany Claims shall receive such additional or different treatment as will be set forth in the Plan Supplement.
- c. *Voting:* Class 4 is Unimpaired. Each Holder of a Class 4 Intercompany Claim is conclusively deemed to accept this Plan pursuant to section 1126(f) of the Bankruptcy Code, and is not entitled to vote to accept or reject this Plan

5. Class 5 – Intercompany Equity Interests

- b. *Treatment.* On the Effective Date, the Holders of Class 5 Intercompany Equity Interests in each Subsidiary Debtor shall receive such treatment as set forth in the Plan Supplement, subject to the rights of Holders of General Unsecured Claims in Class 3 under this Plan (including the Global Settlement) and the CCAA Approval Order.
- c. *Voting:* Class 5 is Unimpaired under this Plan. Therefore, each Holder of an Intercompany Equity Interest is not entitled to vote to accept or reject this Plan.

D. Elimination of Vacant Classes

Any Class of Claims that does not have a Holder of an Allowed Claim or a Claim temporarily Allowed by the Court for voting purposes as of the date of the Confirmation Hearing shall be deemed eliminated from this Plan for purposes of voting to accept or reject this Plan and for purposes of determining acceptance or rejection of this Plan by such Class pursuant to section 1129(a)(8) of the Bankruptcy Code.

E. Special Provision Governing Unimpaired Claims

Nothing under this Plan shall affect the Debtors', Monitor's or Liquidation Trust's rights in respect of any Unimpaired Claims, including all rights in respect of legal and equitable defenses to or setoffs or recoupment against any such Unimpaired Claims.

F. Acceptance by an Impaired Class

In accordance with section 1126(c) of the Bankruptcy Code and except as provided in section 1126(e) of the Bankruptcy Code, Impaired Classes of Claims entitled to vote shall have accepted this Plan as to a Debtor if it is accepted by the Holders of at least two-thirds (2/3) in dollar amount and more than one-half (1/2) in number of the Allowed Claims that have timely and properly voted to accept or reject this Plan.

In accordance with section 1126(d) of the Bankruptcy Code and except as provided in section 1126(e) of the Bankruptcy Code, if at least two-thirds (2/3) in Impaired Classes of Equity Interests entitled to vote under this Plan shall have accepted this Plan as to a Debtor if Holders of at least two-thirds (2/3) in number of the shares of Allowed Equity Interests that have timely and properly voted to accept or reject this Plan vote such shares to accept this Plan.

The Debtors reserve the right to amend or modify this Plan in accordance with Article XI.A of this Plan to the extent, if any, that Confirmation of this Plan pursuant to section 1129(b) of the Bankruptcy Code requires such amendment or modification.

H. Voting Classes; Presumed Acceptance by Non-Voting Classes

If a Class contains Claims eligible to vote and no Holders of Claims eligible to vote in such Class vote to accept or reject this Plan, this Plan shall be presumed accepted by the Holders of such Claims in such Class.

I. Intercompany Equity Interests

To the extent they are deemed Reinstated under this Plan, distributions on account of Intercompany Equity Interests are being Reinstated solely for the purpose of maintaining the existing corporate structure of the Debtors pending dissolution. b. *Reorganized Parent Debtor and Liquidation Trust Assets*

As soon as practicable after the Effective Date, the Shareholder Distributable Assets other than any Cash (but including the interests in the Retained Causes of Action discussed herein) held by the Estates on the Effective Date shall vest in either the Reorganized Debtors or the Liquidation Trust. As soon as practicable after the Effective Date, proportionate interests in the Retained Causes of Action shall be vested in the Reorganized Debtors for the benefit of the Holders of Allowed Parent Equity Interests who have elected Option 2 and the Liquidation Trust for the benefit of those Holders of Allowed Parent Equity Interests who have elected Option 1 in proportion to the percentages of Allowed Parent Equity Interests held respectively by the Holders of such Parent Equity Interests who have selected Option 1 and Option 2, respectively, as of the Liquidation Trust Certification Bar Date (the “Asset Apportionment”). By way of illustration, if 40% of the Holders of Parent Equity Interests elect to receive Beneficial Trust Interests pursuant to Option 1 as of the Liquidation Trust Certification Bar Date, then 60% of the Shareholder Distributable Assets will vest in the Reorganized Debtors and 40% of the Shareholder Distributable Assets (other than Cash) will vest in the Liquidation Trust. Notwithstanding anything to the contrary in this Plan, the Reorganized Debtors and the Liquidation Trust will cooperate with each other as necessary so that the Shareholder Distributable Assets will be owned by them in a manner that they determine in good faith will maximize the value of such assets under applicable law, as mutually determined by the Debtors and Equity Committee or, after the Effective Date, the Liquidation Trustee and the Reorganized Debtors. The Debtors and the Liquidation Trust, or the Debtors and the Equity Committee prior to the Effective Date, reserve the right to take any action, and implement any structure as necessary to own the Shareholder Distributable Assets in such manner and as to effect the intent of this Plan.

From and after the Effective Date, the Cash (including the Sale Proceeds but excluding any Cash realized in respect of the Retained Causes of Action) shall vest in the Reorganized Debtors and shall be used by the Distribution Agent on behalf of the Debtors to (i) fund the Reserves; (ii) adequately reserve for or pay in Cash the Wind-Down Expenses; and (iii) Pay in Full the Allowed Claims (including all Allowed Fee Claims and Allowed Canadian Fee Claims to the extent such Claims exceed the Holdback Amount reserved for such Claim) in accordance with this Plan and the CCAA Approval Order (collectively, the “Initial Cash Distributions”). After all such payments have been made or reserved for in full, as mutually determined by the Liquidation Trustee, the Monitor and the Reorganized Parent Debtor, and following receipt of a Clearance Certificate, the remaining Sale Proceeds shall constitute Shareholder Distributable Assets and the Distribution Agent, at the direction of the Liquidation Trustee and the Reorganized Parent Debtor, shall transfer (or allocate) in accordance with the Asset Apportionment such remaining Cash to an account of the Reorganized Debtors and an account of the Liquidation Trust to make interim and final distributions to Holders of Parent Equity Interests or Beneficial Trust Interests as provided in this Plan.

Beneficial Holders of Parent Equity Interests who elect Option 1 under this Plan shall receive their Pro Rata share of the Liquidation Trust Assets (and a right to receive their Pro Rata share of any other Shareholder Distributable Assets in accordance with this Plan) in exchange for and in redemption for their Parent Equity Interests, which Liquidation Trust Assets will be immediately contributed to the Liquidation Trust in exchange for Beneficial Trust Interests, and the Parent Equity Interests of Holders electing Option 1 shall be redeemed and cancelled under this Plan. The Liquidation Trustee will make distributions on account of the Beneficial Trust Interests to Holders of such Beneficial Trust Interests in accordance with this Plan and the Liquidation Trust Agreement.

Beneficial Holders of Parent Equity Interests who elect Option 2 under this Plan or who are deemed to elect Option 2 under this Plan shall retain their Parent Equity Interests under this Plan up to and through the Final Distribution Date. The Distribution Agent will make distributions to Holders of Parent Equity Interests in accordance with this Plan and the CCAA Approval Order.

c. *Pre-Dissolution Reconciliation*

Notwithstanding anything in this Plan to the contrary, on or before the Final Distribution Date, the Liquidation Trustee and the Reorganized Parent Debtor shall take any reasonably necessary actions to ensure that the beneficial Holders of Parent Equity Interests shall receive the same Pro Rata distributions of Cash from either the Reorganized Parent Debtor or Liquidation Trust pursuant to this Plan regardless of whether such Holders have elected Option 1 or Option 2 under this Plan (other than potential differences attributable to the differing tax treatment of the Liquidation Trust and Reorganized Parent Debtor under U.S. and Canadian tax laws or the individual tax circumstances of Holders of Parent Equity Interests or Beneficial Trust Interests). Such actions may include (i) a Cash transfer from the Liquidation Trust to the Reorganized Parent Debtor, (ii) a Cash transfer from the Reorganized Parent Debtor to the Liquidation Trust, or (iii) a direct payment by the Distribution Agent or the Liquidation Trustee, as applicable, to Holders of Allowed Parent Equity Interests or Beneficial Trust Interests in an amount necessary to effect such treatment; provided, however, such actions shall not consider or otherwise compensate for the time-value of money, interim fluctuations in currency value, or certain tax liabilities of the Debtors as may be set forth in the Plan Supplement.

4. Payment of Wind-Down Expenses

On or before the Effective Date, the Debtors, and after the Effective Date, the Reorganized Parent Debtor or the Liquidation Trust as the case may be, shall pay in Cash: (i) any fees, costs and expenses of the Liquidation Trust in accordance with the Liquidation Trust Agreement (including, but not limited to, fees, costs and expenses related to the Retained Causes of Action incurred prior to the date the Liquidation Trust Expense Reserve is funded); (ii) any fees, costs and expenses of the Monitor; (iii) any fees, costs and expenses of the Distribution Agent; (iv) any fees, costs and expenses of the Estates incurred in connection with implementing this Plan and the CCAA Approval Order or winding down the Subsidiary Debtors, including payment of statutory fees and any taxes required to be paid in connection with dissolving the Debtors, including any fees, costs and expenses of the Subsidiary Debtors' Board of Directors;

and (v) any fees, costs and expenses of the Reorganized Parent Debtor, including any fees, costs and expenses of its Board of Directors (items (i) through (v) collectively, the “Wind-Down Expenses”).

The Wind-Down Expenses shall be paid from the Sales Proceeds, the Holdback Amount Reserve and any other Cash in the Estates on the Effective Date to the extent paid or incurred on or before the Effective Date and from the Liquidation Trust Expense Reserve or amounts recovered in respect to the Retained Causes of Action if incurred after the Effective Date. In addition, to the extent any funds are recovered in respect of any Retained Causes of Action, such funds shall be applied first to pay any fees, costs, or expenses incurred in connection with the prosecution of such Retained Causes of Action (to the extent not previously paid out of the Liquidation Trust Expense Reserve as Wind-Down Expenses) or otherwise incurred by the Liquidation Trust, the Reorganized Parent Debtor or the other Debtors and shall thereafter be deposited into the Liquidation Trust Expense Reserve to the extent necessary to bring the balance on deposit therein (after payment of all then outstanding fees and expenses) to its original amount (as set forth in the Plan Supplement), or such other amount as determined by the Liquidation Trustee necessary to pay reasonable fees and expenses then incurred or anticipated to be incurred for Wind-Down Expenses. For the avoidance of doubt, the initial amount of the Liquidation Trust Expense Reserve shall not be deemed to constitute a “cap” on fees and expenses incurred by the Liquidation Trust with respect to the Retained Causes of Action, the Chief Wind-Down Officer, or the Wind-Down Expenses with respect to required activity.

To the extent any funds recovered in respect of any Retained Causes of Action remain after payment of fees, costs, or expenses and deposit in the Liquidation Trust Expense Reserve as described in the immediately preceding paragraph (the “Cause of Action Net Proceeds”), then such Cause of Action Net Proceeds shall constitute Shareholder Distributable Assets and shall be apportioned between the Liquidation Trust and the Reorganized Parent Debtor for distribution to Holders of Allowed Parent Equity Interests or Beneficial Trust Interests in accordance with the Asset Apportionment.

On or before the Effective Date but after the Confirmation Hearing and Canadian Approval Hearing, the Reorganized Parent Debtor and Liquidation Trust will enter into a cost sharing agreement (the “Cost Sharing Agreement”) in form and substance acceptable to the Debtors, Monitor and the Committees, pursuant to which the Reorganized Parent Debtor and the Liquidation Trust will each agree to pay for its share of the Wind-Down Expenses from the Shareholder Distributable Assets, the Sale Proceeds or the Liquidation Trust Expense Reserve, as applicable. The Cost Sharing Agreement will allocate the Wind-Down Expenses in accordance with the Asset Apportionment. A form of Cost Sharing Agreement will be included in the Plan Supplement.

C. Corporate Existence; Vesting of Assets

After the Effective Date, the Reorganized Parent Debtor shall continue to exist under applicable corporate law for the sole purposes of liquidating the Retained Causes of Action and making distributions to Holders of Allowed Parent Equity Interests who do not Elect Option

1 until the Final Distribution Date, after which time the Reorganized Parent Debtor shall be dissolved.

After the Effective Date, the Chief Wind-Down Officer shall dissolve the Subsidiary Debtors, unless the Subsidiary Debtors must continue to exist under applicable corporate law for the sole purposes of liquidating the Retained Causes of Action or making distributions in accordance with this Plan. Prior to such dissolution, all Assets of the Subsidiary Debtors after Payment in Full of General Unsecured Claims, Intercompany Claims as applicable, and the Wind-Down Costs of such Subsidiary Debtors shall vest in the Reorganized Parent Debtor.

Each Debtor or the Chief Wind-Down Officer is authorized and empowered to merge into or with any other Debtor and is authorized and empowered to effect each such merger and to take and cause to be taken such actions in order to carry out such mergers, in each case, on such terms and conditions as it may deem necessary or desirable. The foregoing dissolution and merger actions are authorized without the requirement to file any annual reports or pay related fees thereon, and without any requirement of further action by the stockholders, directors or any other officer of the Debtors.

D. Corporate Governance

The existing officers and directors of each Debtor shall be deemed to have resigned on the Effective Date.

The Equity Committee will select the Board of Directors for the Reorganized Parent Debtor which shall consist of three (3) directors. The Board of Directors selected by the Equity Committee will be identified in the Plan Supplement. The Reorganized Parent Debtor's Board of Directors shall appoint the Board of Directors for the Subsidiary Debtors pending their dissolution, which Board of Directors may, but is not required to, consist of the same Director(s) that serve on the Reorganized Parent Debtor's Board of Directors.

The initial Chief Wind-Down Officer shall be selected by the Equity Committee with the consent of the Debtors, Monitor and Creditors' Committee (not to be unreasonably withheld) and will be identified in the Plan Supplement and shall be appointed by the Reorganized Parent Debtor's Board of Directors. The Chief Wind-Down Officer may but is not required to be the same person for each of the Debtors. Following the Effective Date, the Reorganized Parent Debtor's Board of Directors shall have the right to replace or terminate the Chief Wind-Down Officer without need for further approval by the Bankruptcy Court or Canadian Court and thereafter, such successor Chief Wind-Down Officer shall fulfill the role of Chief Wind-Down Officer under this Plan.

E. Liquidation Trust

1. Creation and Funding of the Liquidation Trust; Vesting of Assets

On or before the Effective Date but after the Confirmation Hearing and Canadian Approval Hearing, the Bankruptcy Court and the Canadian Courts shall have approved the

formation of the Liquidation Trust pursuant to the Liquidation Trust Agreement and the provisions of this Plan. The Liquidation Trust shall be formed under U.S. law and shall be managed from the U.S. The Liquidation Trustee shall administer the Liquidation Trust, and shall have the powers and duties set forth in the Liquidation Trust Agreement. The Liquidation Trustee shall be designated in the Plan Supplement by the Equity Committee, with the consent of the Creditors' Committee, Monitor and the Debtors, which consent shall not be unreasonably withheld.

Through this Plan, the Shareholder Distributable Assets allocated to the Liquidation Trust hereunder (including, but not limited to, the proportionate interest in the Retained Causes of Action) for the benefit of Holders of Allowed Parent Equity Interests who elect Option 1 shall vest in the Liquidation Trust as assets of the Liquidation Trust (which, for greater certainty, does not include any Cash (including the Sale Proceeds held by the Debtors as of the Effective Date)) (such assets, the "Liquidation Trust Assets") as a distribution to the Holders of Allowed Parent Equity Interests who elect Option 1 followed immediately by a contribution to the Liquidation Trust from those holders of Parent Equity Interests electing to receive Beneficial Trust Interests as set forth in this Plan.

This Plan shall be considered a motion pursuant to Sections 105, 363 and 365 of the Bankruptcy Code for such relief, and the Confirmation Order shall be considered an order granting such relief. The transfer of the Liquidation Trust Assets to the Liquidation Trust shall be made for the benefit of and on behalf of the Liquidation Trust Beneficiaries. For all U.S. federal income tax purposes, the transfer of the Liquidation Trust Assets to the Liquidation Trust shall be treated as (1) a transfer of the Liquidation Trust Assets directly to the Liquidation Trust Beneficiaries, followed by (2) the transfer of such Liquidation Trust Assets by the Liquidation Trust Beneficiaries to the Liquidation Trust in exchange for the Liquidation Trust Beneficial Interests. The Liquidation Trust Beneficiaries shall be treated as the grantors and owners of the Liquidation Trust (other than the Liquidation Trust Assets as are allocable to the Reserves).

As soon as reasonably practicable after the Effective Date, (i) the Liquidation Trustee shall make a good faith valuation of the Liquidation Trust Assets, and (ii) the Liquidation Trustee shall establish appropriate means to apprise the Liquidation Trust Beneficiaries of such valuation. The valuation shall be used consistently by all parties (including, without limitation, the Debtors, the Liquidation Trust and the Liquidation Trust Beneficiaries) for all U.S. federal income tax purposes. The Liquidation Trustee also shall file (or cause to be filed) any other statements, returns, or disclosures relating to the Liquidation Trust that are required by any Governmental Unit.

2. Rights and Powers of the Liquidation Trustee

The Liquidation Trustee shall have all the rights and powers set forth in this Plan (including, but not limited to, those conferred upon him as the Litigation Representative pursuant to Article V.E.12 of this Plan) and the Liquidation Trust Agreement to act on behalf of the Liquidation Trust, including without limitation, the right to (a) effect all actions and execute all agreements, instruments and other documents, and exercise all rights and Privileges previously held by the Debtors, necessary or convenient to implement the provisions of this Plan and the Liquidation Trust Agreement, (b) subject to the Liquidation Trust Agreement and this Plan,

prosecute, settle, abandon or compromise the Retained Causes of Action on behalf of the Liquidation Trust and the Debtors, (c) authorize distributions as contemplated by and in accordance with this Plan, and (d) make disbursements from the Liquidation Trust Expense Reserve on behalf of the Liquidation Trust and the Reorganized Parent Debtor.

Pursuant to Article V.E.12 hereof, the Liquidation Trustee, in his capacity as Litigation Representative, for the benefit of and on behalf of the Liquidation Trust and the Debtors, without further order of the Bankruptcy Court or the Canadian Court but subject to the Liquidation Trust Agreement and this Plan, shall have full power and authority to (i) investigate, prosecute, abandon, settle, liquidate, or otherwise resolve the Retained Causes of Action and (ii) retain counsel and other professionals in connection with investigating, prosecuting, abandoning, settling, liquidating, or otherwise resolving the Retained Causes of Action, under such arrangements regarding compensation and other terms as the Liquidation Trustee may deem reasonable and appropriate. Funds in the Liquidation Trust Expense Reserve (whether held by the Reorganized Parent Debtor or the Liquidation Trust) may be used to pay the fees, costs, and expenses (including attorney's fees and other professional fees) that the Liquidation Trust may incur in connection with the implementation of this Plan, including, but not limited to, the fees and expenses related to investigating, prosecuting, abandoning, settling, liquidating, or otherwise resolving the Retained Causes of Action.

3. Retention of Professionals

In his capacity as Litigation Representative on behalf of the Debtors and the Liquidation Trust pursuant to Article V.E.12 of this Plan, the Liquidation Trustee may retain counsel and other professionals on behalf of the Liquidation Trust to assist the Liquidation Trust in exercising its rights and powers under the Liquidation Trust Agreement and implementing this Plan. Funds in the Liquidation Trust Expense Reserve (whether held by the Reorganized Parent Debtor or the Liquidation Trust) and, to the extent necessary, the Cause of Action Net Proceeds may be used by the Liquidation Trustee to pay the fees, costs, and expenses that the Liquidation Trust may incur in connection with the implementation of this Plan.

4. Post-Effective Date Fees and Expenses of Liquidation Trust and the Debtors

The Wind-Down Expenses of the Liquidation Trust and the Debtors, including for the Chief Wind-Down Officer and the Monitor, incurred on or after the Effective Date shall be paid by the Liquidation Trustee or the Reorganized Parent Debtor out of the Liquidation Trust Expense Reserve without further order of the Bankruptcy Court or Canadian Court. Following the Effective Date, any requirement that a U.S. Professional comply with sections 327 through 331 of the Bankruptcy Code when seeking compensation for services rendered to any of the Debtors, their Estates or the Liquidation Trust shall terminate.

5. Liquidation Trust Advisory Board

The Liquidation Trust Advisory Board shall consist of three (3) Persons. Each member of the Liquidation Trust Advisory Board shall be designated by the Equity Committee with the consent of the Monitor and the Debtors, which consent is not to be unreasonably

withheld, and after consultation with the Creditors' Committee. The initial members of the Liquidation Trust Advisory Board shall be identified in the Plan Supplement.

6. Liquidation Trust Transfer Taxes

Any transfer of the Liquidation Trust Assets to the Liquidation Trust shall be exempt from any stamp tax or similar tax, in accordance with section 1146(a) of the Bankruptcy Code.

7. Federal Income Tax Treatment of the Liquidation Trust

The Liquidation Trust shall be established for the sole purpose of distributing the Liquidation Trust Assets, and proceeds therefrom, in accordance with Treasury Regulation section 301.7701-4(d) and Revenue Procedure 94-45, with no objective to continue or engage in the conduct of a trade or business, and are intended to qualify as a liquidating trust for U.S. federal income tax purposes. In general, a liquidating trust such as the Liquidation Trust is not a separate taxable entity for U.S. federal income tax purposes, but is instead treated as a grantor trust, *i.e.*, pass-through entity. All parties must treat the transfer of the portion of the Liquidation Trust Assets attributable to the Liquidation Trust Beneficiaries as a transfer of such assets directly to the Liquidation Trust Beneficiaries. Consistent therewith, all parties must treat the Liquidation Trust as a grantor trust of which the Liquidation Trust Beneficiaries are the owners and grantors. Subject to the terms of the Liquidation Trust Agreement, the value of a Liquidation Trust Beneficiary's Allowed Interest (less any Cash distribution received from the Reorganized Parent Debtor) shall be the value of such Liquidation Trust Beneficiary's Liquidation Trust Beneficial Interest, and the Liquidation Trust Beneficiaries and the Liquidation Trust must consistently use this valuation for all U.S. federal income tax purposes, including for determining gain, loss or tax basis.

If any Holder of Allowed Parent Equity Interests elects Option 1 and the Liquidation Trust is subject to adverse tax consequences in Canada as a result of such Holder holding Beneficial Trust Interests, any transfer to such Holder and the cancellation of such Holder's Parent Equity Interests shall be *void ab initio* and Reorganized Parent, the Holder and the Liquidation Trust shall treat such Holder at all times as if such Holder had elected Option 2.

8. Dissolution of the Liquidation Trust

The Liquidation Trust shall be dissolved no later than five (5) years from the Effective Date, unless the Bankruptcy Court, upon motion made prior to such fifth (5th) anniversary without the need for a favorable letter ruling from the IRS that any further extension would not adversely affect the status of either as a Liquidation Trust for federal income tax purposes, determines that a fixed period extension, not to exceed five (5) years, is necessary to facilitate or complete the recovery on and liquidation of the Liquidation Trust Assets. Upon the filing of any motion for an extension of the date of dissolution, such date shall be deemed automatically extended until an order of the Bankruptcy Court is entered with respect to such motion or the motion is withdrawn.

9. Liquidation Trust Securities Law Matters

To the extent the Liquidation Trust Beneficial Interests are deemed to be “securities,” the issuance of such interests under this Plan are exempt, pursuant to section 1145 of the Bankruptcy Code, from registration under the Securities Act of 1933, as amended, and any applicable state and local laws requiring registration of securities.

10. Ability to Seek and Obtain Discovery under Bankruptcy Rule 2004

From and after the Effective Date, in connection with the Retained Causes of Action, pursuant to subparagraph (12) of this Article: (i) the Liquidation Trustee, in his capacity as the Litigation Representative for the Debtors and the Liquidation Trust, shall have the ability to seek and obtain examinations (including, without limitation, document discovery and depositions) under Bankruptcy Rule 2004 (and equivalent Canadian legislation) against any Person or Entity, and (ii) the Bankruptcy Court (and Canadian Court) shall retain jurisdiction to order examinations (including, without limitation, examinations under Bankruptcy Rule 2004) against any Person or Entity, and to hear all matters with respect to the same.

11. Preservation of Privileges and Books and Records of the Estates and Debtors

On the Effective Date, the Debtors shall be deemed to have transferred and assigned all of their respective rights, titles, and interests in any privilege or immunity of the Debtors’ Estates, including, without limitation, the attorney-client privilege and any privileges in respect of any Retained Causes of Action (collectively, the “Privileges”), to the Liquidation Trust and the Reorganized Debtors, and all such Privileges shall automatically vest in the Liquidation Trust and the Reorganized Debtors, jointly, as of the Effective Date; provided, however, that, pursuant to subparagraph (12) of this Article, the Liquidation Trustee, in his capacity as the Litigation Representative for the Debtors and the Liquidation Trust, shall be vested with the sole power and authority to waive or assert such Privileges for the joint benefit of the Debtors and the Liquidation Trust. In addition, on the Effective Date, the Debtors shall be deemed to have transferred and assigned all of their rights and obligations with respect to their books and records and access thereto, including any rights and obligations under the Sale Orders, to the Liquidation Trust and the Debtors, and all such rights and obligations shall automatically vest in the Liquidation Trust and the Debtors as of the Effective Date. The Debtors’ Professionals agree that, prior to and after the Effective Date, they shall provide reasonable assistance and cooperation to the Debtors, the Liquidation Trust, and the Reorganized Parent Debtor, as applicable, and each of their respective professionals, in connection with the investigation and prosecution of the Retained Causes of Action, including, without limitation, by (i) delivering any books and records of the Debtors or other materials (including any documents or materials that may be subject to any Privileges) that may be relevant to the Retained Causes of Action and that are in the respective possession, custody, or control of any such Debtor Professionals, and (ii) responding to any reasonable inquiries made by the Debtors, the Liquidation Trust, or the Reorganized Parent Debtor, as applicable, or any of their respective professionals, in respect of the investigation and prosecution of the Retained Causes of Action; provided, however, that the reasonable assistance and cooperation of the Debtors’ Professionals as set forth herein shall be subject in all respects to any applicable ethical rules or obligations of such Debtor Professionals, and shall be compensable as a Wind-Down Expense of the Liquidation Trust.

12. Appointment of Liquidation Trustee by Canadian Court and Bankruptcy as Representative of the Debtors and Liquidation Trust in Respect of the Retained Causes of Action

On or before the Effective Date, the Canadian Court and the Bankruptcy Court shall have entered orders (which, in the case of the Bankruptcy Court shall be the Confirmation Order and, in the case of the Canadian Court, shall be the CCAA Approval Order) appointing the Liquidation Trustee as the Litigation Representative of the Debtors and the Liquidation Trust and otherwise vesting the Liquidation Trustee with sole responsibility, power and authority (subject only to the terms of this Plan and the review and approval of the Liquidation Trust Advisory Board as required by the Liquidation Trust Agreement) for investigating, prosecuting, settling and liquidating the Retained Causes of Action, jointly on behalf of the Debtors and the Liquidation Trust. Without limitation of the generality of the foregoing, in his capacity as Litigation Representative, the Liquidation Trustee shall have the exclusive power and authority (subject only to the review and approval of the Liquidation Trust Board as provided in the Liquidation Trust Agreement) to (i) assert or waive any applicable Privileges, (ii) seek discovery pursuant to Bankruptcy Rule 2004, (iii) investigate Retained Causes of Action, (iv) assert the Debtors' rights in respect to their books and records, (iv) elect whether to prosecute, settle or otherwise liquidate such Retained Causes of Action, and (v) to use funds in the Liquidation Trust Expense Reserve, whether held by the Reorganized Parent Debtor or Liquidating Trust, to pay professional fees and other Wind-Down Expenses incurred by the Liquidation Trust and/or the Reorganized Parent Debtor, in each case without further approval of the Bankruptcy Court or the Canadian Court or the Reorganized Parent Debtor, but for the joint benefit of the Holders of Equity Interests in the Reorganized Parent Debtor and Beneficial Trust Interests in the Liquidation Trust as provided hereunder.

13. Savings of Retained Causes of Action

If the vesting of interests in Retained Causes of Action with the Liquidation Trust shall compromise the ability to prosecute or recover from any Retained Causes of Action, then notwithstanding anything else contained herein, an interest in such Retained Causes of Action shall not be deemed to have vested in the Liquidation Trust, but rather shall be deemed solely vested with or otherwise retained by the Reorganized Debtor Parent or other applicable Debtor. In such situation, (i) the Liquidation Trust shall continue to serve as the Debtors' agent with full power and authority respecting all aspects of such Retained Cause of Action as provided in this Plan, including prosecution in the name of the applicable Debtor, funding for same, and terms of settlement and (ii) the Liquidation Trust and applicable Debtor shall share costs and proceeds pertaining to such Retained Cause of Action so as to realize the Asset Apportionment otherwise described in the Plan. Nothing set forth herein shall be deemed applicable to, or binding with respect to, the U.S. federal income tax reporting obligations of the Liquidation Trust or Liquidation Trustee, if any, and for the avoidance of doubt the Liquidation Trust and Liquidation Trustee shall comply with, and report as required in their sole judgment in compliance with, such U.S. federal income tax laws as may be applicable to the Liquidation Trust and the holders of Beneficial Trust Interests.

F. Cancellation of Unexercised and Unvested Interests

On the Effective Date, any contingent or unexercised option, warrant, or right, contractual or otherwise, to acquire or be awarded any interest in a Debtor, including but not limited to unvested restricted stock units, or other such forms of interest, including those held by former officers, employees or directors of the Debtors as a form of compensation, except for deferred share units identified in the Plan Supplement which are owing to the Debtors' directors but were not granted due the stay of proceedings in the Chapter 11 Cases and the CCAA Proceedings, shall be cancelled without the exchange of any similar interest, or other form of consideration. Any Proof of Claim or Interest filed on account of such cancelled interests shall be disallowed as a Claim or Interest for which the Debtors have no liability and the Claims and Solicitation Agent may adjust the Claims Register accordingly to reflect such disallowance without further order of the Bankruptcy Court.

VI. PROCEDURES FOR RESOLVING DISPUTED CLAIMS; CLAIM RESERVES

A. Prosecution of Objections to U.S. Claims

After the Effective Date, the Liquidation Trust shall have and retain any and all rights and defenses that any Debtors may have with respect to any U.S. Claims, and shall have the authority, after consultation with the Monitor, to file objections and to settle, compromise, withdraw or litigate to judgment objections to Claims against the U.S. Debtors (except those Allowed by this Plan, the Confirmation Order or other Final Order). The Liquidation Trust, after consultation with the Monitor, shall have the authority to compromise, settle, otherwise resolve, or withdraw, any objections to Disputed Claims on account of U.S. Claims without approval of the Bankruptcy Court.

The U.S. Debtors (after the later of the Confirmation Date and the CCAA Approval Order Date, and until the Effective Date) or the Liquidation Trust (from and after the Effective Date), shall file objections to any U.S. Disputed Claims and any Securities Law Claim with the Bankruptcy Court in accordance with the Bankruptcy Rules on or before the Claims Objection Deadline, as the same may be extended pursuant to the terms of this Plan or order of the Bankruptcy Court.

B. Prosecution of Objections to Canadian Claims.

The Monitor, after consultation with the Liquidation Trustee and the Reorganized Debtor Parent, will allow and disallow Canadian Claims in accordance with a Claims Resolution Order granted by the Canadian Court and the authority contained therein. Any objection to a notice of disallowance or revision issued by the Monitor shall only be made to the Monitor in accordance with the Claims Resolution Order. Any final determination of the Canadian Claims made in the CCAA Proceedings pursuant to the Claims Resolution Order shall be binding in the Chapter 11 Cases and constitute Final Orders with respect to such Claims.

C. Cross-Border Provisions for Resolution of Certain Claims

1. Multiple Disputed Claims

In the event that a Disputed Claim has been separately filed against one or more Canadian Debtors and one or more U.S. Debtors, the Monitor and Liquidation Trustee may determine a mutually acceptable process for prosecuting and resolving such Claim, including deciding to liquidate such Disputed Claim under this Plan as a Disputed Canadian Claim or Disputed U.S. Claim, respectively, and if no agreement can be reached, the Bankruptcy Court and Canadian Court shall decide the process by an order of both courts. Any appeal to such Disputed Claim shall only be made to the Monitor in accordance with the Claims Resolution Order if such Disputed Claim is treated as a Disputed Canadian Claim or to the U.S. Debtor or Liquidation Trustee, as applicable, if such Disputed Claim is treated as a Disputed U.S. Claim.

2. Applicable Statutory Caps

To the extent that a provision of the Bankruptcy Code or a provision of the CCAA or an order of the Canadian Court statutorily limits the Allowed amount of a particular type of claim (e.g., sections 502(b)(6) and 502(b)(7) of the Bankruptcy Code), the distribution on such Allowed Claim under this Plan shall not exceed the lesser of (a) the Allowed amount such Claim is entitled to under the provisions of the Bankruptcy Code; and (b) the Allowed amount such Claim is entitled to under the CCAA or any order of the Canadian Court.

3. Estimation of Claims

The Liquidation Trust, after consultation with the Monitor, may, at any time after the Effective Date, request that the Bankruptcy Court estimate any contingent or unliquidated U.S. Claim respectively, pursuant to section 502(c) of the Bankruptcy Code, regardless of whether any Debtor previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court will retain jurisdiction to estimate any U.S. Claim at any time, including during litigation concerning any objection to any U.S. Claim, and during the pendency of any appeal relating to any such objection.

The Monitor may, at any time after the Effective Date and after consultation with the Liquidation Trustee, request that the Canadian Court or claims officer appointed by the Canadian Court to estimate, determine or resolve any contingent or unliquidated Canadian Claim respectively, pursuant to the CCAA and in accordance with a Claims Resolution Order.

If the Bankruptcy Court or the Canadian Court or a claims officer appointed by the Canadian Court estimates any contingent or unliquidated Claim, that estimated amount will constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the applicable court. If the estimated amount constitutes a maximum limitation on such Claim, the Liquidation Trust or Monitor, as applicable, may elect to pursue any supplemental proceedings to object to the allowance and any ultimate payment on such Claim. Claims may be estimated and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court or the Canadian Court, as applicable, including under this Plan, the CCAA Approval Order or a Claims Resolution Order.

4. Distributions on Allowed Claims

As further provided in Article VII of this Plan, the Distribution Agent shall make all distributions on Allowed Claims from the Sale Proceeds. The Liquidation Trustee shall direct the Distribution Agent to make distributions on account of Allowed U.S. Claims and the Monitor shall direct the Distribution Agent to make distributions on account of Allowed Canadian Claims.

D. No Double Recovery on Allowed Cross-Border Claims

The aggregate recovery under this Plan, on the one hand, and in the CCAA Proceedings under the CCAA Approval Order, on the other hand, on account of any Claim for which more than one Debtor are also liable, whether on account of a theory of primary or secondary liability, by reason of a guarantee agreement, indemnity agreement, joint and several liability or otherwise shall not exceed 100% of the Allowed amount of the Claim as determined in accordance with this Plan, the CCAA Approval Order or a Claims Resolution Order, as applicable.

E. Reserves

1. Liquidation Trust Expense Reserve

On the Effective Date, the Debtors or the Distribution Agent will fund in Cash the Liquidation Trust Expense Reserve in the amount set forth in the Plan Supplement, and the Liquidation Trust Expense Reserve will remain under the control of the Monitor on behalf of the Reorganized Parent Debtor until a Clearance Certificate is obtained that permits transfer of the Liquidation Trust Expense Reserve to the Liquidation Trust or direction from the Board of Directors of the Reorganized Debtor Parent to disburse such funds. For U.S. federal income tax purposes, once distributed by the Reorganized Parent Debtor, the Liquidation Trust Expense Reserve shall be treated as distributed to the Beneficial Interest Holders and contributed by such Holders to the Liquidation Trust. To the extent any Cash remains in the Liquidation Trust Expense Reserve after payment of the Wind-Down Expenses of the Liquidation Trust and the Debtors, such excess Cash shall be administered in accordance with the other provisions of this Plan, including as additional distributions to Holders of Beneficial Trust Interests or to Holders of Parent Equity Interests; provided however that any such distribution shall not be made before the Final Distribution Date.

2. Holdback Amount Reserve

On the Effective Date, the Debtors or the Distribution Agent will fund in Cash the Holdback Amount Reserve from the U.S. Sale Proceeds Account in an amount sufficient to Pay in Full the Holdback Amount for Professionals and payment of any additional unpaid amounts asserted or estimated by the Professionals and Alvarez & Marsal North America, LLC as owing to any such firm for fees and expenses accrued prior to the Effective Date that have not yet been paid. To the extent any Cash remains in the Holdback Amount Reserve after payment of the Professionals and Alvarez & Marsal North America, LLC as set forth herein, such excess Cash

shall be administered by the Distribution Agent in accordance with the other provisions of this Plan.

3. Individual Securities Damages Reserve

On the Effective Date, the Debtors or the Distribution Agent will fund with Cash the Individual Securities Damages Reserve, and the Individual Securities Damages Reserve will remain under the control of the Monitor on behalf of the Reorganized Parent Debtor until a Clearance Certificate or Comfort Letters are obtained that permit transfer of the Individual Securities Damages Reserve to the Holder of the Individual Securities Damages Reserve or direction from the Board of Directors of the Reorganized Debtor Parent to disburse such funds is made to the Monitor. The Individual Securities Damages Reserve will be used to satisfy any Allowed Individual Securities Damages Claim and will be the sole source of recovery for such Allowed Claim. To the extent any Cash remains in the Individual Securities Damages Reserve after payment of the Individual Securities Damages Claim, to the extent Allowed, or if such Claim is Disallowed, such excess Cash shall be transferred to the Distribution Agent to be administered in accordance with the other provisions of this Plan and the Canadian Approval Order.

4. Reserve Amounts

The Bankruptcy Court and the Canadian Court shall approve the Reserve amounts authorized under this Plan in the Confirmation Order and CCAA Approval Order, respectively.

F. No Interest on Allowed Claims; Setoffs

Unless otherwise specified in this Plan or by Final Order, “Allowed Administrative Claim” or “Allowed General Unsecured Claim” shall not, for any purpose under this Plan, include interest on such Administrative Claim or Claim from and after the Petition Date or attorney’s fees after the Petition Date.

An Allowed Claim shall be net of any setoff or recoupment amount of any Claim that may be asserted by any Debtor against the Holder of such Claim, which amount shall be deemed setoff or recouped pursuant to this Plan.

G. Prompt Claims Resolution

To ensure the prompt resolution of Claims, objections to all Claims that are (i) subject to reduction by section 502(b)(7) of the Bankruptcy Code and (ii) amended and superseded Claims shall be filed by no later than sixty (60) days after the Effective Date.

Additionally, beginning on the 90th day after the Effective Date and continuing every 90th day thereafter until all U.S. Claims have become Satisfied Claims, Allowed U.S. Claims or U.S. Claims disallowed by a Final Order, the Liquidation Trustee shall file on the Docket and serve on the Holders of all remaining U.S. Claims a progress report discussing its efforts to reconcile and liquidate U.S. Claims taken during the reporting period.

VII. PROVISIONS GOVERNING DISTRIBUTIONS

A. Distribution Agent

Each Distribution Agent shall make the applicable distributions under this Plan tasked to such Distribution Agent. The Distribution Agent shall act at the direction of the Reorganized Parent Debtor, the Monitor or the Liquidation Trustee, as the case may be. On the Effective Date, the Distribution Agent shall have the authority to distribute the Sale Proceeds in accordance with this Plan, and as directed by the Reorganized Parent Debtor, the Monitor or the Liquidation Trustee.

The initial Distribution Agent shall be the Monitor through the Final Monitor Distribution Date, and the Monitor as Distribution Agent shall make the Initial Cash Distributions from the Sale Proceeds required under this Plan and the CCAA Approval Order to Holders of Allowed Secured Claims, Allowed Priority Claims, and Allowed General Unsecured Claims, as well as to fund the Reserves. Following the Final Monitor Distribution Date, any Person selected by the Monitor, Reorganized Parent Debtor or the Liquidation Trustee may be designated as the Distribution Agent to make interim and final distributions to Holders of Claims and Parent Equity Interests as permitted hereunder.

Following the Effective Date, the Reorganized Parent Debtor or the Liquidation Trust, as applicable, shall pay to the Distribution Agent all reasonable and documented fees and expenses of the Distribution Agent without the need for any approvals, authorizations, actions, or consents. The Distribution Agent shall submit detailed invoices to the Reorganized Parent Debtor, the Monitor and the Liquidation Trustee, as applicable, for all fees and expenses for which the Distribution Agent seeks reimbursement and shall be paid those amounts that the Reorganized Parent Debtor, the Monitor and the Liquidation Trustee, in their sole discretion, deem reasonable. In the event that the Reorganized Parent Debtor, the Monitor or Liquidation Trustee, as applicable, object to all or any portion of the amounts requested to be reimbursed in a Distribution Agent's invoice, the Reorganized Parent Debtor, Monitor or Liquidation Trustee, as applicable, and such Distribution Agent shall endeavor, in good faith, to reach mutual agreement on the amount of the appropriate payment of such disputed fees and/or expenses. In the event that the Reorganized Parent Debtor, Monitor or Liquidation Trustee, as applicable, and the Distribution Agent are unable to resolve any differences regarding disputed fees or expenses, any such party shall be authorized to move to have such dispute heard by the Bankruptcy Court or the Canadian Court, provided however, if the dispute relates to amounts requested to be reimbursed by the Monitor, the dispute shall be heard by the Canadian Court.

B. Delivery of Distributions

Distributions to Holders of Allowed Claims shall be made by the Distribution Agent to the address of the Holder of such Claim as indicated in the Claims Register as of the Distribution Record Date. The Distribution Agent shall have no obligation to recognize the transfer of or sale of any Claim that occurs after the close of business on the Distribution Record Date, and will be entitled for all purposes herein to recognize and distribute only to those

Holders of Allowed Claims who are Holders as of the close of business on the Distribution Record Date.

Distributions to Holders of Parent Equity Interests shall be made via a mandatory exchange with the Clearing and Depository Services Inc. and Depository Trust Company to Holders of Parent Equity Interests at the time the distribution is made, without the establishment of a distribution record date for Parent Equity Interests, except in the case of Holders of Parent Equity Interests electing Option 1, who shall receive distributions from the Liquidation Trust or other Distribution Agent at the address set forth on their Liquidation Trust Certification Form. Any subsequent distributions on account of Liquidation Trust Beneficial Interests shall be made in similar manner, at the address listed on such Liquidation Trust Beneficiary's Liquidation Trust Certification Form, or at such other address as they later send to the Liquidation Trustee in writing.

C. Timing of Distributions

The Distribution Agent may make one or more interim and final distributions of Cash to Holders of Claims or Parent Equity Interests, in his discretion to the extent permitted hereunder, provided, however that no Cash distributions shall be made to the Holders of Allowed Parent Equity Interests or Holders of Beneficial Trust Interests under this Plan until all obligations under this Plan to the Holders of Allowed Claims (including Fee Claims) and the Wind-Down Expenses of the Debtors have been Paid in Full in Cash or reserved for pursuant to a Final Order and the Debtors or the Monitor shall have obtained Clearance Certificates permitting such distribution (other than the funding described in Article V.B.1 hereof, if any). With respect to Allowed Claims other than Allowed Fee Claims, the Distribution Agent shall make distributions of Cash to Holders of such Allowed Claims as follows:

1. On the Initial Distribution Date, Cash to all Holders of Allowed Claims as of the Distribution Record Date.
2. On any Interim Distribution Date, Cash to all Holders of Allowed Claims that have become Allowed after the Initial Distribution Date.
3. On the Final Distribution Date, the balance of all Cash distributions to Holders of Allowed Claims and Allowed Equity Interests, as applicable and as required under this Plan.

The Distribution Agent shall pay Allowed Fee Claims in accordance with Article III.B of this Plan.

Until the Monitor is in receipt of the Comfort Letters, the Monitor, as Distribution Agent, shall be under no obligation to make any distributions on account of any Allowed Claims. The Distribution Agent shall not make any Cash distributions from the Sale Proceeds on account of Equity Interests until receipt of the applicable Clearance Certificates satisfactory to the Distribution Agent.

D. No Distributions on Disputed Claims

Notwithstanding any provision in this Plan to the contrary, no distributions, partial or otherwise, shall be made with respect to a Disputed Claim until all disputes with respect to such Claim are resolved by the Liquidation Trust or the Monitor and the Holder of such Claim by Final Order or settlement. Subject to the provisions of this Plan, after a Disputed Claim becomes an Allowed Claim, the Holder of such an Allowed Claim will receive all distributions to which such Holder is then entitled under this Plan on the Initial Distribution Date, or the next scheduled Interim Distribution Date or Final Distribution Date, as the case may be. No post-Effective Date interest shall be paid on any distributions under this Plan, including with respect to any Disputed Claim that becomes an Allowed Claim. If a Creditor incorporates more than one Claim in a Proof of Claim then: (a) such Claims will be considered one Claim for purposes of this Plan, and (b) no such Claim will be bifurcated into an Allowed portion and a Disputed portion.

E. Amount of Distributions

Notwithstanding anything to the contrary herein, no Holder of an Allowed Claim shall, on account of such Allowed Claim, receive a distribution in excess of the Allowed amount of such Claim to the extent payable in accordance with this Plan, even if filed against multiple Debtors.

F. De Minimis Distributions

Notwithstanding anything contained herein to the contrary, no distribution shall be required to be paid if such payment would be less than \$50.00 on any distribution.

G. Undeliverable Distributions

1. Holding of Undeliverable Distributions

If any distribution to a Holder of an Allowed Claim, Parent Equity Interest or Liquidation Trust Beneficial Interest is returned as undeliverable, no further distributions must be made to such Holder unless and until the Monitor, Liquidation Trustee or Distribution Agent, as applicable, is notified in writing of such Holder's then-current address or other necessary information for delivery, at which time all currently due missed distributions shall be made to such Holder as soon as practicable, subject to Article VII.H.2 below. Undeliverable Distributions shall remain in the possession of the Monitor or Liquidation Trustee, as applicable, until such time as a distribution becomes deliverable, and shall not be supplemented with any interest, dividends or other accruals of any kind.

2. Failure to Claim Undeliverable Distributions

Any Holder of an Allowed Claim, Parent Equity Interest or Liquidation Trust Beneficial Interest that does not assert its right pursuant to this Plan for an Undeliverable Distribution within ninety (90) days after the distribution is distributed shall be deemed to have waived, and shall be forever barred from asserting, its rights for such Undeliverable Distribution,

notwithstanding any applicable federal, state or Canadian escheat, abandoned or unclaimed property laws to the contrary. Nothing contained in this Plan shall require the Debtors, the Monitor, the Liquidation Trustee/Liquidation Trust, or a Distribution Agent to attempt to locate any Holder of an Allowed Claim, Parent Equity Interest or Liquidation Trust Beneficial Interest.

H. Distributions on Non-Business Days

Any payment or distribution due on a day other than a Business Day shall be made, without interest, on the next Business Day.

I. Tax Withholding From Distributions

Any amounts required by law to be withheld from distributions made under this Plan shall be withheld. Any amounts so withheld from any payment made under this Plan shall be deemed paid to the Holder of the Allowed Claim or Parent Equity Interest subject to withholding. Notwithstanding the above, each Holder of an Allowed Claim or Parent Equity Interest that is to receive a distribution under this Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any taxes imposed on such Holder by any Governmental Unit on account of such distribution, except for taxes withheld from payments made under this Plan. Each Debtor, the Liquidation Trustee, the Monitor or any Distribution Agent, as applicable, has the right, but not the obligation, not to make a distribution until such Holder has made arrangements satisfactory to the Debtor, the Liquidation Trustee, the Monitor or Distribution Agent for payment of any withholding tax obligations. The Debtors, Liquidation Trustee, Monitor or any Distribution Agent has no liability hereunder to any party, including any Governmental Unit, for incorrectly calculating amounts to be withheld, if any. If a Debtor, the Liquidation Trustee, the Monitor or any Distribution Agent fails to withhold with respect to any such Holder's distribution, it shall have no liability for such failure to withhold to any party, including any Governmental Unit, and the Holder shall reimburse the Debtor, the Liquidation Trust, the Monitor or any Distribution Agent, as applicable. Notwithstanding any provision in this Plan to the contrary, a Debtor, the Liquidation Trustee, the Monitor or any Distribution Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under this Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms it believes are reasonable and appropriate. A Debtor, the Liquidation Trustee, the Monitor or any Distribution Agent may require, as a condition to the receipt of a distribution, that the Holder complete the appropriate Form W-8 or Form W-9, as applicable to each Holder. If the Holder fails to comply with such a request within three (3) months, such distribution shall be deemed an Undeliverable Distribution. Finally, a Debtor, the Liquidation Trustee, the Monitor or any Distribution Agent reserves the right to allocate all distributions made under this Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances, if any.

J. Allocations

Unless otherwise provided in this Plan, distributions in respect of Allowed Claims shall be allocated first to the principal amount (as determined for U.S. federal income tax purposes) of such Allowed Claims, and then, to the extent the distribution exceeds the principal amount of such Allowed Claims, to any portion of such Allowed Claims for accrued but unpaid interest; provided however, that no Post-Petition Interest on account of General Unsecured Claims shall be Allowed or paid under this Plan.

K. Time Bar to Cash Payments

Checks issued on account of Allowed Claims and Parent Equity Interests may be deemed null and void if not negotiated within ninety (90) days after the date of issuance therein. Requests for reissuance of any check shall be made in writing directly to the Liquidation Trust, Monitor or any Distribution Agent, as applicable, by the Holder of the Allowed Claim or Parent Equity Interest with respect to which such check originally was issued. Any request in respect of such a voided check shall be made in writing on or before the later of ninety (90) days after the Effective Date or ninety (90) days after the date of issuance of such check. After such date, all rights in respect of void checks shall be forever barred and the distribution on account of such Claims and Parent Equity Interests shall be treated in accordance with Article VII.H of this Plan.

L. Means of Cash Payments

Any Cash payment to be made pursuant to this Plan will be made in U.S. dollars by checks drawn on or by wire transfer from a domestic bank selected by the applicable Debtor, the Liquidation Trustee, the Monitor or any Distribution Agent, as applicable, provided however, that any Debtor, the Liquidation Trustee, the Monitor or any Distribution Agent may elect to make Cash payment on any Claim filed against such Debtor in Canadian Dollars in Canadian Dollars, in its sole and absolute discretion.

M. Foreign Currency Exchange Rates

As of the Effective Date, any Claim asserted in currency(ies) other than U.S. dollars or Canadian Dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the mid-range spot rate of exchange for the applicable currency as published in *The Wall Street Journal*, National Edition, on the Petition Date. Consistent with prior orders of the Bankruptcy Court and Canadian Court, any Claims filed in Canadian Dollars shall be converted to U.S. Dollars at a rate of \$1.3410 Canadian Dollars for each U.S. Dollar.

N. Setoffs

Any Debtor, the Monitor, the Liquidation Trustee or any Distribution Agent, as applicable, may, pursuant to section 558 of the Bankruptcy Code and applicable Canadian or non-bankruptcy law, set off against any Allowed Claim, the distributions to be made pursuant to this Plan on account of such Claim (before any distribution is made on account of such Claim), the claims, rights and Causes of Action of any nature that the Debtors or Liquidation Trust, as applicable, may hold against the Holder of such Allowed Claim; provided however, that neither

the failure to effect such a setoff nor the allowance of any Claim hereunder shall constitute a waiver or release of any such claims, rights and Causes of Action that the Debtors or the Liquidation Trust may possess against such Holder.

O. Satisfied Claims and Claims Paid or Payable by Third Parties

Any Administrative Claim or Claim that has been paid or satisfied in full or in part by any party may be adjusted on the Claims Register without a claims objection having to be filed and without any further notice to or action, order, or approval of the Bankruptcy Court, provided that the Liquidation Trustee shall file a notice of satisfaction or other pleading evidencing such satisfactions as are made by the Purchaser or any other party other than a Debtor or the Monitor, or seek an order of the Bankruptcy Court with respect to the same, all in the Liquidation Trustee's reasonable discretion. To the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor, the Monitor or a Distribution Agent, as applicable, on account of such Claim, such Holder shall repay, return or deliver any distribution held by or transferred to the Holder to the Monitor to the extent the Holder's total recovery on account of such Claim from the third party and under this Plan exceeds the total Allowed Claim of such Holder as of the date of any such distribution under this Plan. For the avoidance of doubt, prior to the making of distributions hereunder, Claims shall be reduced by the amount, if any, that was (i) paid by one or more of the Debtors pursuant to an order of the Bankruptcy Court or the Canadian Court, (ii) paid or otherwise assumed by the Purchaser in accordance with the Purchase Agreement, or (iii) otherwise satisfied by any third party; provided, however, that to the extent payment on a Claim that could be satisfied by a third party is still made, then, as permitted under applicable law, the Estates shall be subrogated to any such otherwise Satisfied Claims to recover amounts that could have been used for satisfaction of such Claim.

No distributions under this Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' or Liquidation Trust's insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy, except as required under any such insurance policy with respect to a deductible or retention. To the extent that one or more of such insurers agrees to satisfy a Claim should liability ultimately arise on such Claim, then immediately upon such insurers' agreement, such Claim may be deemed Paid in Full under this Plan.

VIII. TREATMENT OF EXECUTORY CONTRACTS

A. Treatment of Executory Contracts

Except as otherwise expressly provided in Article VIII.B of this Plan, all Executory Contracts of the U.S. Debtors that have not been assumed or assumed and assigned by the Debtors as of the Confirmation Date shall be deemed rejected as of the Effective Date in accordance with, and subject to the provisions and requirements of, sections 365 and 1123 of the Bankruptcy Code.

All Executory Contracts of the Canadian Debtors that have not been assumed or assigned by the Debtors as of the Confirmation Date shall be rejected prior to or after the Effective Date in accordance with section 32 of the CCAA in the CCAA Proceedings.

B. Insurance Policies

Notwithstanding anything to the contrary in this Plan or Confirmation Order, unless any insurance policies have been expressly rejected pursuant to a separate order of the Bankruptcy Court (or through the Confirmation Order), any insurance policies of the Debtors in which the Debtors are or were insured parties (including, without limitation, any policies covering directors' or officers' conduct), or any related insurance agreement issued prior to the Petition Date, shall continue in effect after the Effective Date pursuant to the respective terms and conditions and shall be treated as if assumed. All rights of the Debtors under any insurance policies shall automatically become vested in the Liquidation Trust and the Reorganized Parent Debtor without necessity for further approvals or orders. To the extent that any insurance policies or related insurance agreements are deemed executory contracts, then, unless such policies have been rejected pursuant to a separate order of the Bankruptcy Court (or through the Confirmation Order), notwithstanding anything to the contrary in this Plan, this Plan shall constitute a motion to assume, assume and assign, permit "ride through," or ratify such insurance policies or insurance agreements. Subject to the occurrence of the Effective Date, the entry of the Confirmation Order shall constitute both approval of such assumption pursuant to section 365 of the Bankruptcy Code and a finding by the Bankruptcy Court that such assumption is in the best interests of the Estates. Unless otherwise determined by the Bankruptcy Court pursuant to a Final Order or agreed upon by the parties prior to the Effective Date, no payments shall be required to cure any defaults of the Debtors existing as of the Confirmation Date with respect to any insurance policy or insurance agreement assumed, or assumed and assigned, pursuant to this Section. Each insurance company is prohibited from, and the Confirmation Order shall include an injunction against, denying, refusing, altering or delaying coverage on any basis regarding or related to these Chapter 11 Cases, this Plan or any provision within this Plan, including the treatment or means of liquidation set out within this Plan for any insured Claims or Retained Causes of Action. Without limiting the generality of the foregoing, all directors' and officers' liability insurance policies in effect as of the Confirmation Date shall be deemed assumed and shall not be rejected.

C. Effect of Confirmation Order on Rejection of Executory Contracts

Other than as provided in Article VIII.B of this Plan, entry of the Confirmation Order shall constitute an order of the Bankruptcy Court pursuant to sections 365 and 1123(b) of the Bankruptcy Code approving the rejection of the Executory Contracts of the U.S. Debtors as of the Effective Date and determining that with respect to such rejections, such rejected Executory Contracts are burdensome and that the rejection therein is in the best interests of the Estates.

D. Rejection Damages Claims and Objections to Rejection

Claims arising out of the rejection of any Executory Contract pursuant to this Plan must be filed and served no later than thirty (30) days after the Effective Date. Holders of any

Claim not filed within such time will be forever barred from asserting such Claim against the Liquidation Trust, the Monitor, the Debtors or their Estates, or their respective successors or their respective property. Unless otherwise ordered by the Bankruptcy Court or specified in this Plan, all Claims arising from the rejection of Executory Contracts under this Plan shall be treated as General Unsecured Claims under this Plan.

E. Preexisting Obligations Under Executory Contracts

The Debtors and the Liquidation Trust reserve the right to assert that rejection of any Executory Contract pursuant to this Plan, the CCAA or otherwise shall not constitute a termination of obligations owed to the Debtors and/or the Liquidation Trust, as applicable, under such contracts, including but not limited to on the grounds that such Executory Contract was, in fact, not executory and such obligations owed to the Debtors “rode through” the Chapter 11 Cases. Notwithstanding any nonbankruptcy law to the contrary, the Debtors and the Liquidation Trust expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations on goods previously purchased, or services previously received, or insurance obligations, by or for the benefit of the contracting Debtors or the Liquidation Trust, as applicable, from counterparties to rejected Executory Contracts.

F. Reservation of Rights

Neither the exclusion nor inclusion of any contract in the Plan Supplement, nor anything contained in this Plan, shall constitute an admission by the Debtors or the Liquidation Trust, as applicable, that any such contract is in fact an Executory Contract, or that the Debtors or Liquidation Trust, as applicable, have any liability thereunder. In the event of a dispute regarding whether a contract is or was executory at the time of assumption or rejection, the Debtors or Liquidation Trust, as applicable, shall have thirty (30) days following entry of a Final Order resolving such dispute to alter the treatment of such contract.

IX. CONDITIONS PRECEDENT TO CONFIRMATION AND CONSUMMATION OF THIS PLAN

A. Conditions Precedent to Confirmation

It shall be a condition to Confirmation of this Plan that:

 7. each Debtor's Plan shall have become effective.
- C. Effect of Non-Occurrence of Conditions to Confirmation or Conditions Precedent to the Effective Date

If the conditions in Article IX.A and IX.B of this Plan are not satisfied, or if the Confirmation Order or CCAA Approval Order is vacated, this Plan shall be null and void in all respects and nothing contained in this Plan or the Disclosure Statement shall (a) constitute a waiver or release of any Claims by or against, or any Equity Interests in, the Debtors; or (b) constitute an admission, acknowledgment, offer or undertaking by the Debtors or any other Person in any respect.

D. Waiver of Conditions Precedent

The Debtors, with written consent of the Monitor and each of the Committees, may waive any of the conditions precedent set forth in Article IX.A and Article IX.B of this Plan, other than IX.A.1, IX.B.1, and IX.B.2 in whole or in part at any time, without notice, without leave or order of the Bankruptcy Court, and without any formal action other than proceeding to confirm and/or consummate this Plan.

E. Preservation of Causes of Action

1. Vesting of Retained Causes of Action

Except as otherwise provided in this Plan or Confirmation Order, in accordance with Section 1123(b)(3) of the Bankruptcy Code, any Retained Causes of Action that the Debtors or the Estates may hold against any Entity shall vest jointly in the Reorganized Debtors and the Liquidation Trust on the Effective Date in accordance with this Plan and the CCAA Approval Order.

Except as otherwise provided in this Plan or the Confirmation Order, after the Effective Date, the Liquidation Trustee, as the Litigation Representative on behalf of the Liquidation Trust and the Reorganized Debtors, shall have the right to institute, prosecute, abandon, settle, compromise, or otherwise liquidate any Retained Causes of Action, in accordance with the terms of this Plan and/or Liquidation Trust Agreement, as applicable, and without further order of the Bankruptcy Court, in any court or other tribunal, including, without limitation, in an adversary proceeding filed in one or more of the Chapter 11 Cases, or an action filed in any other court of competent jurisdiction.

2. Preservation of all Retained Causes of Action Not Expressly Settled or Exculpated

Unless a Retained Cause of Action against a Person or Entity is expressly waived, relinquished, compromised, or settled in this Plan or any Final Order (including the Confirmation Order, the CCAA Approval Order or the Sale Orders), the Debtors and Liquidation Trust expressly reserve such Retained Causes of Action for later adjudication by the Liquidation Trust and the Debtors (including, without limitation, Retained Causes of Action not specifically identified or described herein or elsewhere, or Retained Causes of Action of which the Debtors may presently be unaware or which may arise or exist by reason of additional facts or circumstances unknown to the Debtors at this time, or facts or circumstances which may change or be different from those the Debtors now believe to exist). Therefore, no preclusion doctrine, including, without limitation, the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, waiver, estoppel (judicial, equitable, or otherwise) or laches shall apply to any such Retained Causes of Action upon or after the entry of the Confirmation Order, entry of the CCAA Approval Order or Effective Date, except where such Retained Causes of Action have been expressly released or exculpated under this Plan, the Confirmation Order, or any other Final Order. In addition, the Liquidation Trust and the Debtors expressly reserve the right to pursue or adopt any claims alleged in any lawsuit in which the Debtors are a defendant or an interested party, against any Entity, including, without limitation, the plaintiffs or co-defendants in such lawsuits, and all such rights are hereby expressly preserved.

F. Protection Against Discriminatory Treatment

In accordance with section 525 of the Bankruptcy Code, and consistent with paragraph 2 of Article VI of the United States Constitution, no Governmental Unit shall discriminate against the Liquidation Trust or any Debtor, as applicable, or any Person with which the Liquidation Trust or any Debtor has been, is, or becomes associated, solely because any of the Debtors was a debtor under chapter 11, may have been insolvent before the commencement

of the Chapter 11 Cases (or during the Chapter 11 Cases) or has not paid a debt except in accordance with this Plan in the Chapter 11 Cases.

G. Release of Liens

Except as otherwise provided herein or in the Confirmation Order, on the Effective Date all mortgages, deeds of trust, Liens, pledges or other security interests against any property of the Debtors, if any, shall be fully released and settled as set forth herein; provided, however, the CCAA Charges shall be released and discharged in the manner provided for in the CCAA Approval Order.
