For value received the undersigned 1371047 ALBERTA LTD. (the "Guarantor") hereby guarantees to ELEMENT FINANCIAL CORPORATION (the "Lessor") payment, forthwith after demand made therefore as hereinafter provided, of all indebtedness and liability (past, present and future, direct or indirect, absolute or contingent, matured or not) of CANADA NORTH CAMPS INC. and PAUL WILLIAM MCCrackEN and SHAYNE LEWIS DION MCCrackEN (the "Lessee") to the Lessor whether arising from the agreement or dealings between the Lessor and the Lessee or from agreement or dealings between the Lessor and any third party by which the Lessee now is or hereafter may become indebted or liable to the Lessor or however otherwise arising and whether the Lessee be bound alone or with another or others and whether as principal or surety or guarantor, and the Guarantor further agrees that:

1. If more than one Guarantor executes this instrument the provisions hereof shall be read with all grammatical changes thereby rendered necessary and each reference to the Guarantor shall include the undersigned and each and every one of them severally and this guarantee and all covenants and agreements herein contained shall be deemed to be joint and several.
2. The Lessor may increase, reduce, discontinue or otherwise vary the Lessee's credit, grant time, renewals, extension, releases and discharges to, take and give up security (which may include other guarantees), and otherwise deal with the Lessee or others or from the sale or other disposal of security upon such part of the Lessee's liability as the Lessor may think best, without prejudice to or in any way limiting or lessening the liability of the Guarantor under this guarantee. The Guarantor's obligation to pay under this guarantee shall not be limited or reduced as a result of the termination, invalidity or unenforceability of any right of the Lessor against the Lessee or any other party (including other guarantors) for any cause whatsoever.
3. This guarantee shall be continuing security for payment by the Lessee to the Lessor of all the indebtedness and liability aforesaid.
4. The Lessor shall not be bound to exhaust its recourse against the Lessee or other parties or the securities that it may hold before being entitled to payment from the Guarantor under this guarantee.
5. Any loss of or in respect of security received by the Lessor from the Lessee or others, whether occasioned through the fault of the Lessor or otherwise, shall not discharge or limit the liability of the Guarantor under this guarantee.
6. Any change or changes in the name of the Lessee, or, if the Lessee is a partnership, any change or changes in the membership of the Lessee's firm by death or by the retirement of one or more of the partners or by the introduction of one or more new partners or otherwise, shall not affect or in any way limit or lessen the liability of the Guarantor under this guarantee and this guarantee shall extend to the person, firm or corporation acquiring or from time to time carrying on the business of the Lessee.
7. All monies, advances, renewals and credits borrowed or obtained from the Lessor shall be deemed to form part of the indebtedness and liabilities hereby guaranteed, notwithstanding any incapacity, disability, limitation of status or lack of power of the Lessee or the directors, partners or agents thereof, or that the Lessee may not be a legal entity, or any defect in the borrowing or obtaining of such money, advances, renewals or credits; and any amount which may not be recoverable from the Guarantor on the footing of a guarantee shall be recoverable from the Guarantor as principal debtor in respect thereof and it shall be paid to the Lessor after demand thereof by the Lessor.
8. Any account settled or stated by or between the Lessor and the Lessee shall be accepted by the Guarantor as conclusive evidence that the balance or amount thereby appearing due by the Lessee to the Lessor is in fact so due.
9. The Guarantor agrees not to assert any right of contribution against any other guarantor until the Lessee's indebtedness and liabilities have been paid in full. If the Lessor should receive from the Guarantor a payment in full or on account of the indebtedness or liability under this guarantee, all rights of subrogation arising therefrom shall be postponed and the Guarantor shall not be entitled to claim repayment against the Lessee or the Lessee's estate until the Lessor's claims against the Lessee have been paid in full; and in the case of liquidation, winding up or bankruptcy of the Lessee (whether voluntary or compulsory) or in the event that the Lessee shall make a bulk sale of any of the Lessee's assets within the bulk transfer provisions of any applicable legislation, or shall make any compromise with creditors or scheme of arrangement, the Lessor shall have the right to rank for its full claim and receive dividends or other payments in respect thereof until its claim has been paid in full and the Guarantor shall continue to be liable, up to the amount guaranteed, less any payments made by the Guarantor, for any balance which may be owing to the Lessor by the Lessee.
10. Any notice or demand which the Lessor may wish to give may be served on the Guarantor either personally on him or his legal personal representative or, in the case of a corporation, on any officer or director of the corporation, or by sending the same by registered mail in an envelope addressed to the last known address of the Guarantor to be served as it appears on the Lessor's records and the notice so sent shall be deemed to be received on the second business day following that on which it is mailed.
11. As security for the performance of the Guarantor's covenants herein and the payment of the present and future debts and liabilities of the Lessee to the Lessor, the Guarantor hereby grants to the Lessor a security interest in all debts and liabilities, present and future, of the Lessee to the Guarantor, all of which are hereby assigned by the Guarantor to the Lessor and postponed to the present and future debts and liabilities of the Lessee to the Lessor. Any monies or other proceeds received by the Guarantor in respect of such debts and liabilities shall be received in trust for and forthwith paid over to the Lessor, in whole, without in any way limiting or lessening the liability of the Guarantor hereunder. Notwithstanding anything to the contrary herein, the assignment and postponement contained in this paragraph 11 are intended to be and are independent of the remainder of this guarantee and may, at the option of the Lessor, be severed therefrom. The Guarantor hereby acknowledges receiving a copy of this guarantee and waives all rights to receive from the Lessor a copy of any financing statement, financing change statement or verification statement filed or issued at any time in respect of this agreement.

12. The Guarantor shall be currently liable under this guarantee at any time for the full amount of the debts and liabilities of the Lessee to the Lessor then outstanding, subject to any limit of liability of the Guarantor set forth above, provided that the Guarantor shall not be in default under or in breach of this guarantee unless and until the Lessor has made demand upon the Guarantor hereunder and the Guarantor has failed to pay the amount demanded or otherwise failed to comply with such demand forthwith following receipt (or deemed receipt) of such demand. In the case of default the Lessor may maintain an action upon this guarantee whether or not the Lessee is joined therein or separate action is brought against the Lessee or judgment obtained against him. The Lessor's rights are cumulative and shall not be exhausted by the exercise of any number of successive actions until and unless all indebtedness and liability guaranteed has been paid and each of the Guarantor's obligations under the guarantee has been paid full performed.
13. The Guarantor shall pay to the Lessor on demand (in addition to all debts and liabilities of the Lessee hereby guaranteed) all costs, charges and expenses (including without limitation, lawyer's fees as between solicitor and his own client on a full indemnity basis) incurred by the Lessor for the preparation, execution and perfection and enforcement of this guarantee and of any securities collateral thereto, together with interest thereon, both before and after demand, default and judgment, calculated from the date of payment by the Lessor of each such cost, charge and expense until payment by the Guarantor hereunder, at a rate equal to 3% above the rate published by The Bank of Nova Scotia from time to time as The Bank of Nova Scotia's prime lending rate. A statement signed by an officer of the Lessor confirmed as The Bank of Nova Scotia's prime lending rate at any time or times shall be conclusive evidence thereof for all purposes under this guarantee.
14. This instrument is in addition and without prejudice to any other securities of any kind including any other guarantees, whether or not in the same form as this instrument, now or hereafter held by the Lessor. Without limiting the generality of the foregoing, all limits and evidence of the liability pursuant to any guarantee now or hereafter held by the Lessor shall be cumulative.
15. There are no representations, warranties, collateral agreement or conditions with respect to this guarantee or affecting the Guarantor's liability hereunder other than as contained herein. Without restricting the generality of the foregoing, this guarantee shall be operative and binding upon every signatory hereto notwithstanding the non-execution hereof of any other proposed or intended signatory or signatories.
16. This instrument shall be construed in accordance with the laws of the province of residence of the guarantor, and the Guarantor agrees that any legal suit, action or proceedings arising out of or relating to this instrument may be instituted in the course of such province or territory and the Guarantor hereby accepts and irrevocably submits to the jurisdiction of the said courts and acknowledges their competence and agrees to be bound by any judgment thereof, provided that nothing herein shall limit the Lessor's right to bring proceedings against the Guarantor elsewhere.
17. This instrument shall extend to and enure to the benefit of the successor's and assigns of the Lessor and shall be binding upon the Guarantor and the heirs, executors, administrators and successors of the Guarantor.
