Subject: Justice Ground

We have not heard from you as to September 12 at 2:15 before Justice Ground, despite the message that Ashley and I left for you yesterday. It is our intention to confirm that date with his assistant first thing tomorrow, as in the circumstances there is considerable urgency and you have not responded. The continued lack of response in failing to provide copies of the potentially privileged documents (which you said you copied over 2 weeks ago) is inexplicable and, as previously indicated we will put the entire sequence of events before Justice Ground on the issue of costs.
