Unit 402

Unit 402 Slave Lake

A photograph of a cluttered storage area, possibly a workshop or a storage room. The scene is filled with various items, including tools, buckets, and a large white plastic bag. The text "Unit 402" is overlaid in the center. The background shows a white wall and a dark, textured surface. The floor is concrete and appears dirty. The overall lighting is somewhat dim, and the image has a slightly grainy quality.
