## AFFIDAVIT OF JAMIE BLACK

Sworn (or Affirmed) on February 13, 2020

I, JAMIE BLACK, of Alberta, SWEAR/AFFIRM AND SAY THAT:

1. I am a Director and Officer of Copperline Excavating Ltd. ("Copperline") and, as such, I have personal knowledge of the matters and facts herein contained, except where so stated to be based upon information and belief, and where so stated, I verily believe the same to be true.
2. On or about January 31, 2020, Copperline filed a Notice of Intention under section 50.4 of the *Bankruptcy and Insolvency Act*, RSC 1985 c. B-3 (the "Act") and Ernst & Young was appointed as the Trustee (the "Trustee"). Attached and marked as *Exhibit "A"* to this my Affidavit is a copy of the Notice of Intention.
3. In or around April of 2019, Copperline received an appraisal on a 2015 Freightliner 108SD Digger Derrick (the "Digger Derrick") and a 2014 Freightliner 108SD Bucket Truck (the "Bucket Truck"), which was conducted by Verus Valuations Ltd. and concluded the following:

(a) the Digger Derrick was appraised at:

- i. Fair Market Value: \$175,000.00 to \$185,000.00
- ii. Orderly Liquidated Value: \$140,000.00 to \$150,000.00
- iii. Forced Liquidated Value: \$120,000.00 to \$130,000.00; and

(b) the Bucket Truck was appraised at:

- i. Fair Market Value: \$140,000.00 to \$150,000.00
- ii. Orderly Liquidated Value: \$110,000.00 to \$120,000.00
- iii. Forced Liquidated Value: \$60,000.00 to \$65,000.00

Attached and marked as **Exhibit "B"** to this my Affidavit are two pages of the Appraisal outlining the valuation of the Digger Derrick and Bucket Truck.

6. On or about January 20, 2020, Copperline agreed to sell to Proline Power Corp the Digger Derrick and Bucket Truck for \$155,000.00 each plus applicable taxes (collectively, the "**Proposed Sale**"). Attached and marked as **Exhibit "C"** to this my Affidavit are true copies of the Bills of Sale regarding the Proposed Sale.
7. The process leading to the Proposed Sale was reasonable for the following reasons:
  - a) Copperline received an appraisal on the equipment conducted by an independent third party;
  - b) the proposed consideration to be paid for the equipment is aligned with the fair market value found in the appraisal;
  - c) the process followed in these circumstances is the same process Copperline follows in the ordinary course of business when selling equipment; and
  - d) it is a profitable time to sell the equipment because the spring construction season is approaching.
8. The Proposed Sale will not impact Copperline's ability to compensate employees for wages, salaries, commission and disbursements in accordance with section 60(1.3)(a) and 60(1.5) of the *Act*.
9. I am advised by the Trustee that they approve of the process leading to the Proposed Sale and intend to file with the court a report stating that in their opinion, the Proposed Sale is more beneficial to the creditors than a sale or disposition under a bankruptcy.
10. The Royal Bank of Canada ("RBC") by way of registration number 11123003941 and Accord Small Business Finance Corp, Accord Small Business Leasing Corp, and Varion Capital Corp DBA Accord Financial, collectively by way of registration number 19040438564 (collectively, "**Accord**") have registered interests in all present and after acquired property of Copperline. Attached and marked as **Exhibit "E"** to this my Affidavit is a true copy of a PPR debtor search conducted on Copperline dated February 5, 2020.
11. RBC by way of registration number 11123003941 has a registered interest against the serial numbers of the Digger Derrick and Bucket Truck and as of the date of swearing this affidavit, RBC has not renounced their interest in the Digger Derrick or Bucket Truck. Attached and marked as **Exhibit "D"** to this my Affidavit are true copies of Personal Property Registry serial number ("**PPR**") searches conducted on the Digger Derrick and Bucket Truck dated February 11, 2020.
12. On or about January 23, 2020, Accord executed a letter of non-interest confirming that they do not have an interest in the Digger Derrick or Bucket Truck. Attached and marked as **Exhibit "F"** to this my Affidavit is a true copy of this correspondence.
13. As such, the secured creditors have been sufficiently consulted regarding the Proposed Sale.
14. The funds received from the Proposed Sale will be deposited into Copperline's RBC Chequing Account Number 003 08719 1025568, to be paid to RBC and applied to reduce Copperline's total indebtedness to RBC.

physical characteristics, condition, location, and age (which may differ between comparables) to indicate a value of the subject asset.

**Income Approach:** In the Income Approach, the value of an asset is the present worth of all anticipated future benefits – net income during the holding period and proceeds at the time of sale. Each expected gain is discounted to reflect the delay in its arrival and the time value of money. The sum of all discounted cash flows is the value of the subject asset.

Verus Valuations Ltd. considered all three Approaches to Value (Cost Approach, Market Approach, and Income Approach). Since the appraiser was unable to identify, substantiate, or forecast a reliable income stream applicable to the subject assets, the Income Approach, although considered, was not utilized.

Due to a sufficient amount of market indicators, reflective of current market conditions, the appraiser considered and utilized the Market Approach to Value. The Cost Approach to Value, being somewhat formula-driven, was used as a reasonableness test of the Market Approach to Value conclusions.

Where an insufficient amount of market indicators reflective of current market conditions existed for specific assets, the appraiser considered, but did not utilize, the Market Approach. The Cost Approach to Value was chosen as the Appraisal Methodology for these specific assets.

## BASIS OF APPRAISED VALUE

Values have been determined by analysis of the characteristics of the subject equipment and compared to current market data and internal and external historical data (after adjustments as required). Dealer and/or other data sources (as identified in the report) have also been considered in the development/support of identified values.

#### General Information:

- The law in the Province of Alberta requires a vehicle to be insured prior to registration. Documentary proof of vehicle insurance is required. Legislation allows a person to whom a valid licence plate is issued to transfer the licence plate to a newly purchased vehicle to be registered within 14 days of the date on their Bill of Sale.  
The above does not apply to commercial vehicles used for the transportation of goods or passengers for compensation.
- The Canadian Police Information Centre (CPIC) website ([www.cpic-clpc.ca](http://www.cpic-clpc.ca)) provides a web based service for the consumer to check for a stolen vehicle. Other resources available are listed on the Service Alberta website at <http://www.servicealberta.ca/1763.cfm>.
- A vehicle entering Alberta from another jurisdiction requires a safety inspection. Information can be obtained from a Registry Agent. A listing of local Registry Agents can be found in the telephone directory under Licence and Registry Services; or visit Service Alberta's website at <http://www.servicealberta.gov.ab.ca> for comprehensive registries and consumer information and services.
- In addition to the Bill of Sale, other identification is required to obtain Alberta registration. Where possible, obtain Section 2 of the previous Alberta vehicle registration certificate.
- The prospective purchaser can determine whether a vehicle is free of liens and encumbrances in Alberta by contacting a Registry Agent.
- In order to perform a search, a Registry Agent will require the vehicle identification number (VIN) / serial number of the vehicle. A request for a search can be made in person or in writing. There is a fee for this service.
- Vehicle Information Reports are available from a Registry Agent. There is a fee for each service.
- The buyer must produce the original properly completed Bill of Sale, that includes the same information as shown on this standardized form, in order to register and licence a vehicle in Alberta.

*This form is provided as a courtesy by Service Alberta to ensure that sufficient information is contained within the Bill of Sale to permit licensing and registration of the described vehicle by the new owner.*

*No liability attaches to the Crown through the use of this document in respect of the sale of this vehicle. Any dispute arising from the sale becomes a civil matter among the parties named in this document.*

## Bill of Sale

- Sections 1 and 2 must be completed in order to make this Bill of Sale acceptable for vehicle registration. Completion of section 3, on the back of this form, is optional.
- Two copies of this Bill of Sale should be completed. The buyer keeps the original and the seller keeps the copy.
- Alterations or corrections made while completing the vehicle information section should be initialed by the buyer and seller.

#### General Information:

- The law in the Province of Alberta requires a vehicle to be insured prior to registration. Documentary proof of vehicle insurance is required. Legislation allows a person to whom a valid licence plate is issued to transfer the licence plate to a newly purchased vehicle to be registered within 14 days of the date on their Bill of Sale.  
The above does not apply to commercial vehicles used for the transportation of goods or passengers for compensation.
- The Canadian Police Information Centre (CPIC) website ([www.cpic-clpc.ca](http://www.cpic-clpc.ca)) provides a web based service for the consumer to check for a stolen vehicle. Other resources available are listed on the Service Alberta website at <http://www.servicealberta.ca/1763.cfm>.
- A vehicle entering Alberta from another jurisdiction requires a safety inspection. Information can be obtained from a Registry Agent. A listing of local Registry Agents can be found in the telephone directory under Licence and Registry Services; or visit Service Alberta's website at <http://www.servicealberta.gov.ab.ca> for comprehensive registries and consumer information and services.
- In addition to the Bill of Sale, other identification is required to obtain Alberta registration. Where possible, obtain Section 2 of the previous Alberta vehicle registration certificate.
- The prospective purchaser can determine whether a vehicle is free of liens and encumbrances in Alberta by contacting a Registry Agent.
- In order to perform a search, a Registry Agent will require the vehicle identification number (VIN) / serial number of the vehicle. A request for a search can be made in person or in writing. There is a fee for this service.
- Vehicle Information Reports are available from a Registry Agent. There is a fee for each service.
- The buyer must produce the original properly completed Bill of Sale, that includes the same information as shown on this standardized form, in order to register and licence a vehicle in Alberta.

*This form is provided as a courtesy by Service Alberta to ensure that sufficient information is contained within the Bill of Sale to permit licensing and registration of the described vehicle by the new owner.*

*No liability attaches to the Crown through the use of this document in respect of the sale of this vehicle. Any dispute arising from the sale becomes a civil matter among the parties named in this document.*
