AFFIDAVIT OF JAMES JANG

Sworn on February 18. 2020

I, James Jang, of the City of North Vancouver, in the Province of British Columbia, SWEAR
AND SAY THAT:

1. I am the President and CEO with the Accord Small Business Finance Corp. ("Accord") for its North Vancouver, British Columbia office. I am responsible for the day-to-day administration of the loans to the Defendant Cooperline Excavating Ltd. ("Cooperline"), and I also have reviewed the files of Accord made and maintained in the ordinary course of its business in this regard. Accordingly, I have personal knowledge of the matters hereinafter deposed to, except where the same are stated to be based upon information and belief, and where so stated, I verily believe the same to be true. I am authorized by Accord to make this Affidavit on its behalf.

2. Copperline approached Accord to obtain financing to pay down specific equipment loans and pay down the line of credit owing to the Plaintiff Royal Bank of Canada (“**Royal Bank**”).
3. Pursuant to a series of Loan and Security Agreements between Accord and Cooperline (the “**Accord Loan and Security Agreements**”) over various pieces of trucks, trailers and heavy equipment (the “**Accord Specific Collateral**”), Accord provided the sought after financing. Attached hereto and marked as **Exhibit “A”** to this my Affidavit is a list of the Loan and Security Agreements, and as **Exhibit “B”** collectively to this my Affidavit are copies of each of the outstanding Loan and Security Agreements.
4. As part of the financing, Accord obtained waivers from the Royal Bank, under which the Royal Bank confirmed that it had no claim against the Accord Specific Collateral - Royal Bank provided Accord with (i) a Secured Creditor Waiver on April 5, 2019, wherein Royal Bank agreed and acknowledged that it held no interest in the various collateral set out in a listing attached thereto, and (b) a series of Secured Creditor Waivers dated April 11, 2019, wherein Royal Bank agreed and acknowledged that upon receipt of payment it was prepared to release any claims in the various collateral set out therein, which payment was provided by Accord (the “**Royal Bank Waivers**”).
5. Accord made payment to Royal Bank as required for Royal Bank to release its claims against the Accord Specific Collateral. Accord would not have granted the financing without the Royal Bank granting no interest waivers, and Accord relied on the same. Attached hereto and marked as **Exhibit “C”** to this my Affidavit is a list of the Royal Bank Waivers, and as **Exhibit “D”** collectively to this my Affidavit are copies of each of the Royal Bank Waivers.
6. Accord also provided a line of credit to Copperline under a Revolving Loan Agreement dated May 8, 2019 (the “**Accord Revolving Loan Agreement**”), to an authorized credit limit of \$330,000.00. Attached hereto and marked as **Exhibit “E”** to this my Affidavit is a copy of the Accord Revolving Loan Agreement.

7. Under a General Security Agreement dated April 4, 2019 (the “**Accord GSA**”), as general and continuing security for all due payment and performance of Copperline’s past, present and future liabilities to Accord, Copperline granted to Accord a security interest in all of its present and after acquired personal property. Attached hereto and marked as **Exhibit “F”** collectively to this my Affidavit are copies of Accord GSA, along with amendments.
8. Registrations for the Accord Loan and Security Agreements, and the Accord GSA, has been made at the Personal Property Registry for the Province of Alberta against Copperline in favor of Accord. According to this search, no party other than Accord or Royal Bank have registrations against the Accord Specific Collateral.
9. There is owing to Accord presently the amount of \$1,271,691.21 collectively under the Accord Loan and Security Agreements (as noted in the list attached as Exhibit “A” to this my Affidavit), and presently the amount of \$279,139.11 under the Accord Revolving Loan Agreement. Attached hereto and marked as **Exhibit “G”** to this my Affidavit is a copy of a statement for the indebtedness under the Accord Revolving Loan Agreement.
10. Accord is a subsidiary of Accord Financial Corp. and an independent finance company that provides financing solutions to small and medium-sized companies across the United States and Canada, with offices in Chicago, Greenville, Santa Monica, Montreal, Toronto and North Vancouver. Accord Financial Corp. has been in business for over 40 years, and is a publicly-listed company on the Toronto Stock Exchange (TSX:ACD).
11. Accord has specific expertise in realizing upon repossessed vehicles, trailers and heavy equipment that are in default of its financing. Accord conducts such realizations on its own, and given its network, the aim of Accord is to sell for greater prices than at public auction. Accord has over 10,000 clients in Western Canada to remarket the Accord Specific Collateral, as well as dealers and other remarketing channels. The position of Accord is that selling to this network would bring maximum recovery.
12. Accord is ready, willing and able to have the Accord Specific Collateral removed forthwith from Copperline.

13. I make this Affidavit in support of an application by Accord to have the Accord Specific Collateral removed from the receivership proceedings sought by the Royal Bank against Copperline.

3. Indemnification: The Debtor hereby agrees to indemnify and save Accord and its affiliates, subsidiaries, officers, directors, agents, and servants, harmless from and against any and all actions, claims, liens, costs, damages, disbursements, expenses (including legal expenses), liabilities, taxes, charges, fees, or any losses whatsoever suffered or incurred by Accord, due to the Debtor's ownership, use, or possession of the Equipment, any breach by the Debtor of any provision under this Agreement, or any exercise by Accord of enforcing its rights or remedies under this Agreement.

4. Joint And Several Liability: EACH DEBTOR (if there is more than one Debtor) acknowledges and agrees that liability for all obligations under this agreement is joint and several (and in the Province of Quebec, solidarily).

5. All insurance policies and renewal certificates shall be provided to Accord upon request. The Debtor shall provide Accord with prompt notice of any damage to or loss of any part of the Equipment.

If the Debtor fails to maintain insurance, or otherwise fails to provide a certificate of insurance to Accord, the Debtor agrees that Accord shall be entitled, but not obliged, to obtain the required insurance, and the Debtor shall cooperate with Accord's insurer in connection with the placement of such insurance and the processing of any claims. Nothing herein shall be deemed to obligate or Accord to act as an insurer, or to secure, maintain in force, or renew any insurance, in any amounts, or upon any specific terms and conditions, and Accord reserves the right to terminate any such insurance coverage which Accord may arrange, or allow same to lapse, without liability to Debtor. Any amounts incurred by Accord shall be borne by the Debtor and form part of the Indebtedness and be payable as set out in Section 17 of this Agreement.

6. Performance and Reimbursement: The Debtor agrees that Accord shall be entitled, but not obliged, to perform any of obligations of the Debtor under this Agreement should the Debtor fail to do so.

9. Prepayments: If the Debtor is not in Default, it may on any scheduled installment payment date, discharge the Indebtedness hereunder, provided that:

- (a) The Debtor has irrevocably given Accord at least thirty (30) days written notice of its intent to prepay; and
- (b) The Debtor pays Accord the whole of the Indebtedness then outstanding plus any accrued and unpaid interest thereon at the date of such payment and any of Accord's unamortized expenses, fees, and costs incurred to underwrite this Agreement, plus:
 - (i) if the Prepay Notice is received by Accord any time up to and including the first twelve (12) months of the Agreement, a sum of money equal to twelve (12) months interest at the rate implicit hereunder; or

- (ii) if the Prepay Notice is received by Accord after the first twelve (12) months of the Agreement, a sum of money equal to six (6) months interest at the rate implicit hereunder;
- (iii) if the Prepay Notice is received by Accord at any time after the time periods stipulated in Sections 9 (b)(i) - (ii) above, a sum of money equal to three (3) months interest at the rate implicit hereunder.

10. Assignment: This Agreement shall not be assignable by the Debtor. Accord may, without the consent of or notice to the Debtor, assign the benefit of this Agreement to any assignee, and if so assigned, the assignee takes the place of Accord in this Agreement.

11. Tracking Device: Accord reserves the right to install any tracking or engine control device and to use same for its benefit to locate, secure, or seize the Equipment. Accord's right to do so is cumulative with all other remedies set out herein and available at law. Accord will not be responsible for any damage or loss of business suffered by the Debtor as a result of such use by Accord of any tracking or engine control device.

12. Security Deposit: Accord may apply the Security Deposit as it wishes, at any time, to any amounts due under this Agreement if not paid by the Debtor. The Debtor will not earn any interest on the Security Deposit. Upon termination of this Agreement, the Security Deposit, net of any arrears of payments or other amounts due under this Agreement, will be refunded to the Debtor.

13. Default: Each of the following constitutes an event of default under this Agreement (a "Default") without the giving of any notice or the lapse of any time:

- (a) Failure of the Debtor to pay when due any amount payable under this Agreement;
- (b) Failure of the Debtor to comply with any covenants or conditions under this Agreement, or to perform any obligations under this Agreement;
- (c) Failure of the Debtor to duly and punctually pay, or cause to be paid, all Priority Debt when due;
- (d) Any warranty, information, or representation made herein or furnished by or on behalf of the Debtor in connection with this Agreement proves to have been materially incorrect when made or furnished to Accord;
- (e) Any of the following occurs in respect of or is instituted or claimed by or against the Debtor:
 - (i) an event of bankruptcy;
 - (ii) an inability to pay debts;
 - (iii) proceedings in or in respect of bankruptcy, insolvency, receivership, winding-up, liquidation, amalgamation or dissolution; or
 - (iv) an arrangement or compromise with or assignment for the benefit of creditors;
- (f) The Debtor permits any execution, attachment, distress, or writ to be levied against the Equipment;
- (g) The Equipment is damaged or destroyed, unless Accord in its sole determination elects to apply the proceeds of insurance to the replacement of such Equipment;

(h) If the Debtor is an individual and he/she dies or becomes incompetent, or, if the Debtor is other than an individual and it sells any of its assets out of the ordinary course of business (regardless of whether the Equipment is part of such sale), or a direct or indirect change in control of the Debtor occurs (including a change in the Debtor's ultimate beneficial ownership);

(i) The Debtor ceases or threatens to cease its business;

(j) The Debtor pays dividends or other distributions which, in the sole determination of Accord, impair the financial health of the Debtor;

(k) The Debtor removes or permits removal of the Equipment from the Equipment Location, or sells, leases, disposes, or proposes to dispose of the Equipment or any interest therein;

(l) Any lien or encumbrance of any kind whatsoever attaches to the Equipment with priority to or on a *pari passu* basis with this Agreement, or any lien or encumbrance becomes enforceable against the Equipment or any of the Debtor's other assets, regardless of its priority thereto, or any debt of the Debtor becomes accelerated;

(m) Accord has commercially reasonable grounds to believe that the prospect of payment or performance under this Agreement is or is about to be impaired, or that the Equipment is or is about to be placed in jeopardy;

(n) An event of default occurs under any other contract, lease, or agreement as between the Debtor (or any of them, if there is more than one Debtor) and Accord (or any of Accord's related companies, subsidiaries, and affiliates); or

(o) Any guarantor of the Debtor's obligations under this Agreement disputes its obligations under its guarantee, or seeks to terminate its guarantee of the Debtor's future obligations or becomes subject to any of the events set out in Sections 13 (b) - (d), (g), (j) - (k) above.

14. Cross-Collateral Default: A Default under this Agreement shall be deemed to trigger a material event of default under any other contract, lease, or agreement as between the Debtor (or any of them, if there is more than one Debtor) and Accord (or any of Accord's related companies, subsidiaries, and affiliates), whether Accord is the original lender/lessor or an assignee), or between the Debtor and any of Accord's related companies and subsidiaries. Accord may elect, in its sole and absolute discretion, to forbear enforcement on any other agreement between the Debtor and Accord, but in so doing, Accord shall not be deemed to waive its rights under this Section 14.

15. Remedies: Upon a Default having occurred and at any time thereafter, Accord shall have the following rights and remedies, each of which are cumulative and are in addition to and not in substitution for or a limitation of any rights or remedies provided by law, all of which may be exercised alone or in conjunction with any other of Accord's rights and remedies herein or otherwise at law (provided only that such rights are not inconsistent), and Accord shall not be required to enforce or exhaust any particular remedy, as against any particular Debtor, but may choose to enforce against any one Debtor or all of them:

(a) Accord may, by notice to the Debtor, declare all of the Indebtedness to be immediately due and payable, and Accord may set-off against any amounts owing by it to the Debtor;

(b) Accord may pay off any lien or encumbrance against the Equipment and any amounts incurred by Accord, with costs, shall be borne by the Debtor and form part of the Indebtedness and shall bear interest as set out in Section 17 until paid;

(c) Accord may seize or disable the Equipment wheresoever it is situated, or may sue the Debtor for all the Indebtedness owing under this Agreement, or do both, and any judgment and/or seizure or disposition of the Equipment shall not create any merger of Accord's rights herein;

(d) In the event that Accord has seized or disabled the Equipment, Accord or its agent may:

(i) without notice to the Debtor repair, or sell, consign, lease, or otherwise dispose of the Equipment by private contract or by private or public auction, and shall have all rights of access to the Equipment necessary in Accord's opinion to effect such disposition and the Debtor authorizes its landlord to provide Accord with such access, and Accord may in its discretion establish such terms of disposition as it deems desirable, including credit, reserve bids, payment terms and price; or

(ii) elect to retain the Equipment in satisfaction of all or part of the Indebtedness. In the event Accord elects to retain the Equipment in respect of less than all of the Indebtedness, Accord shall advise the Debtor of the part of the Indebtedness the Equipment is retained in respect of, and Accord shall act reasonably in ensuring that the net realizable value of such Equipment equates to the value of such Indebtedness, which may in Accord's sole discretion include relying on the judgment of appraisers, and Accord may thereafter continue to enforce all rights and remedies available to it to recover payment in respect of any part of the Indebtedness which remains unsatisfied;

(e) All costs of repairs and all other costs incurred in connection with the seizure, disabling, holding, and disposition of the Equipment, including fees of its agents and professional advisers (including all legal fees), all allowable and reasonable costs in effecting the collection, whenever and howsoever incurred, and a sum of money equal to three (3) months interest at the rate implicit per annum, and any amounts incurred by Accord shall be borne by the Debtor and form part of the Indebtedness and shall bear interest as set out in Section 17 until paid;

(f) In the event the Equipment is sold, all proceeds of sale shall be applied by Accord in reduction of the Indebtedness in the order Accord, in its sole discretion, determines is appropriate and the Debtor shall continue to be liable for any deficiency;

(g) Accord shall have no liability due to any failure to seize, realize, dispose of, or otherwise deal with the Equipment or any other collateral, or failure to enforce any of its other rights against the Debtor or any other person or for any negligence on its part or the part of its agents, nor shall Accord be bound to institute proceedings against any person for such purposes or for the purpose of preserving its rights in respect of the Equipment;

(h) If Accord or its agents take possession of the Equipment they shall have no liability as a creditor in possession and shall not be accountable for anything other than actual receipts.

(i) The Debtor's liability for the Indebtedness is not subject to the equities between it and Accord and no right of set-off by the Debtor shall apply. Upon the occurrence of a Default, the Debtor hereby irrevocably waives time for the payment of the Indebtedness;

(j) Accord may, in lieu of or in addition to exercising any of its rights and remedies under this section, appoint or retain any person as its agent to exercise such rights and remedies.

16. Pre-Authorized Payments: The Debtor authorizes Accord or its assigns to draw regular payments for business purposes (the "PAP" or "PAP's") from its designated bank account (whether it continues to be maintained at the current location or at another branch of the bank, or at another bank) (the "**Designated Account**") to cover all of the required payments, fees, and interest, under this Agreement. Each PAP will be drawn from the Designated Account in the amounts and due dates determined under this Agreement.

The Debtor specifically waives any pre-notification requirements that apply to any PAP and agrees that written notice will not be provided (1) before the due date of any PAP, (2) of any change to the amount of any PAP, and (3) of any change to the due dates. Accord will obtain the specific prior authorization of the Debtor for one-time or other sporadic PAP's, the amounts or due dates of which are not identified in this Agreement.

The Debtor warrants that all persons whose signatures are required to sign on the Designated Account have signed this Agreement. The Debtor will immediately notify Accord in writing of any change to the Designated Account, and in any event, no later than ten (10) days post change. Accord is not responsible to notify the Debtor if any PAP is reversed due to non-sufficient funds, funds not cleared, or changes to the Designated Account. In such an event, Accord may re-present the PAP within 30 days of the original due date. The Debtor is responsible for any charges that arise from such a situation and is required to ensure that the necessary payment is made to Accord through an alternative method. The Debtor must contact Accord to arrange for coverage of any missed payment(s).

The Debtor may change or cancel this PAP authorization at any time on thirty (30) days written notice to Accord: Accord Small Business Finance Corp., 305 – 889 Harbourside Drive, North Vancouver, BC, V7P 3S1, (phone: (604) 982-3031; fax: (888) 835-9757; email: customerservice@accordfinancial.net). However, the Debtor hereby acknowledges that PAP's are a CONDITION OF THIS AGREEMENT. Cancelling this PAP authorization without immediately replacing it, will be considered an Event of Default under this Agreement. In the event Accord waives the requirement for PAP's, then the Debtor will pay a service charge for other payment methods. The Debtor acknowledges that the right to cancel this PAP authorization only applies to the method of payment and has no bearing otherwise on the obligations under this Agreement.

Accord may assign this authorization to any third party to whom it assigns its interest in this Agreement. The Debtor will be notified of the identity and contact information of any such assignee. The Debtor has certain recourse rights if any PAP does not comply with this Agreement. For example, the Debtor has the right to receive reimbursement for any PAP that is not authorized or is not consistent with this Agreement. To obtain more information on the recourse rights of the Debtor, or the rights of the Debtor to cancel a PAP authorization, or to obtain a sample cancellation form, the Debtor should contact its financial institution or visit www.cdnpay.ca.

17. Overdue Payments: When a payment or any other amount owing by the Debtor under this Agreement is not paid when due, the Debtor agrees to pay Accord a late fee of \$10.00 for each month or partial month during which such amount is unpaid, plus interest at the rate of 28.8% per annum, calculated and compounded monthly, payable on demand. The Debtor further agrees to pay to Accord a Returned Cheque Charge of \$50.00 plus

GST payable on demand for each dishonoured cheque. All such amounts payable to Accord under this Section 17 shall form part of the Indebtedness.

18. Charge on Land: The Debtor hereby charges any lands which it owns or may in the future own during any time when any amount remains outstanding under this Agreement and it authorizes the registration of any and all caveat(s), lien(s), or other encumbrances against any such property. Accord reserves the right to file such registration(s) at any time during this Agreement.

19. Law: This Agreement is governed by the laws in which the use of the Equipment was originally intended as indicated by the Equipment Location and the parties attorn to the jurisdiction of the courts of such province. Terms not otherwise defined in this Agreement have the meaning ascribed them under the PPSA unless the context is inconsistent with this Agreement. To the maximum extent permitted by law, the Debtor waives its rights and all benefits under any existing or future statute which limits the rights and/or remedies of a secured party and, in particular, agrees that Part 6 of the *Law of Property Act* (Alberta), the *Seizures Act* (Alberta) and the *Limitation of Civil Rights Act* (Saskatchewan), or any amendments or regulations thereof, shall not apply to this Agreement.

20. Criminal Code: Notwithstanding any provision in this Agreement to the contrary, in no event will the aggregate "interest" (as defined in section 347 of the *Criminal Code* (Canada)) payable by the Debtor under this Agreement exceed the maximum effective annual rate of interest on the "credit advanced" (as defined in that section 347) permitted under that section and, if any payment, collection or demand pursuant to such loan agreement in respect of "interest" (as defined in that section 347) is determined to be contrary to the provisions of such section 347, such payment, collection or demand will be deemed to have been made by mutual mistake and the amount of such payment or collection will be refunded to the Debtor only to the extent of the amount which is greater than the maximum effective annual rate permitted by such laws. For purposes of determining compliance with such section 347, the effective annual rate of interest will be determined in accordance with generally accepted actuarial practices and principles over the term of this Agreement and, in the event of dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by Accord will be prima facie evidence for the purposes of such determination.

21. General:

(a) Language. The parties hereto agree that this Agreement and all documents related thereto be written in the English language (*Les parties en présences conviennent à ce que ce document soit rédigé en anglais*);

(b) Notices. Any notices required under this Agreement shall be sufficient if given in writing and delivered in person or by courier to the addresses noted above, by mail, or by email, or such further address as updated by either party from time to time upon notice to the other. Any such notice shall be deemed to have been duly given upon delivery if delivered in person, or by courier, or if given by email, only upon receipt of email confirmation from the recipient that the email has been received, or if by mail, on the fifth day after posting;

(c) Interpretation. Whenever the context of this Agreement so requires, the singular number shall include the plural and vice versa, and words importing gender shall include all genders. Headings are inserted for convenience of reference only and shall not affect interpretation;

(d) Waiver/Default. Waiver by Accord of any default by the Debtor, or the failure by Accord to exercise any option or right shall not constitute a continuing waiver or relinquishment of such or any default, option, or right, and Accord shall have the right to insist upon strict performance by the Debtor of any and all of the terms and provisions of this Agreement;

(e) Waiver/Remedies. Any single or partial exercise by Accord of any right or remedy for a default or breach of any term, covenant, condition or agreement herein contained shall not be deemed to be a waiver of or to alter, affect, or prejudice any other right or remedy or other rights or remedies to which Accord may be lawfully entitled for the same default or breach;

(f) Severability. The Debtor acknowledges that the provisions of this Agreement are commercially reasonable. Should any provision of this Agreement be or become illegal, invalid or not enforceable, it will be considered separate and severable from this Agreement and the remaining provisions will remain in force and be binding upon the parties hereto and be enforceable to the fullest extent of the law;

(g) Enurement. This Agreement shall enure to the benefit of Accord and its successors and assigns and shall bind Debtor and its successors;

(h) Entire Agreement. This Agreement shall constitute the entire agreement between the parties on its subject matter and the phrase "this Agreement" means this Agreement, as amended in writing from time to time, and all schedules hereto, such schedules being incorporated into and forming part of this Agreement;

(i) Further Assurances. The Debtor will immediately at the request of Accord, execute and deliver to Accord any further assurances, documents, and instruments, obtain any consents, and do any other things as Accord may reasonably require to accomplish the purposes of this Agreement, or to make any filing or registration to perfect or protect Accord's interest in the Equipment;

(j) Survival. Subject to the terms and conditions of this Agreement, all obligations of the Debtor, and the rights and remedies of Accord, including all indemnities of Accord by the Lessee, shall survive the termination of this Agreement and the receipt of all amounts due and owing by the Debtor to Accord;

(k) Time of the Essence. Time shall be of the essence of this Agreement and shall continue to be of the essence;

(l) Electronic Communication. The parties may exchange information or communicate regarding the Agreement using email or other formats of electronic communication. The parties agree and acknowledge that there are risks associated when using email and other electronic communication, and specifically that information may be accessed by third parties as a result. The parties hold each other harmless in the event that information in emails or other electronic communication is inadvertently disclosed to or otherwise assessed by third parties. The parties authorize and permit each other to communicate regarding any matters related to the Agreement using email at any email addresses provided to each other, notwithstanding that such email addresses may be used by third parties during the Agreement. Any information exchanged by email or other electronic communication will not vary, modify, amend, or change the terms or conditions of the Agreement, or any other agreements between the parties.

(m) Counterparts. This Agreement may be executed in several counterparts, each of which, when so executed, shall be deemed to be an original and which counterparts together shall constitute one and the same Agreement.

(n) Acknowledgment. The Debtor acknowledges that this Agreement is a valid and legally binding obligation of the Debtor, enforceable against the Debtor in accordance with its terms (subject only to applicable laws affecting creditors generally and to general principles of equity), and further acknowledges receipt of a copy of this Agreement.

If electronic signatures are used with respect to this Agreement, any addendums, security documents, or any certificates, reports, statements, information, data, documents or instruments delivered pursuant to or in connection with the Indebtedness, the Debtor acknowledges and agrees that the application of the Debtor's electronic signature is the legal equivalent of the Debtor's manual signature and shall be deemed to be equivalent to an original signature for all purposes and that the Debtor is legally bound by the terms and conditions of this Agreement. In signing this Agreement and by initialing this provision, the Debtor consents to the use of electronic signatures.

Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. ----------------------	---------------

1. Attachment: The Debtor acknowledges that value has been given and that Accord's security interest in the Equipment attaches upon the execution of this Agreement, or if the Debtor has no interest in the Equipment, or in any part of the Equipment, upon execution than at the same time the Debtor acquires an interest in the Equipment.

2. Credit Investigation & Consent to Information Sharing: The Debtor hereby authorizes Accord, its agents, affiliates, subsidiaries, and third-party service providers, at any time whether it be before, during, or after the completion of this Agreement, to conduct financial and credit investigations of the Debtor, its individual principals, shareholders, guarantors, and/or persons otherwise connected with this Agreement, and to collect, use, share, and disclose personal and business information about such parties for the purposes of approval, maintenance, statistical analysis, and enforcement (the "Information"), from any source to which Accord may apply and each source is hereby authorized to provide the Information to the Accord. Sources of the Information may include, but are not limited to, credit reporting agencies, credit bureaus, creditors, credit grantors, or any banking or other financial institution. Accord may further collect, use, and disclose the Debtor's Social Insurance Number or other personal identifier to verify and report credit information to credit bureaus or credit reporting agencies as well as to confirm identities. The Debtor understands and consents to the Information being held on file by Accord as per Accord's official Privacy Policy, which is available upon request.

3. Indemnification: The Debtor hereby agrees to indemnify and save Accord and its affiliates, subsidiaries, officers, directors, agents, and servants, harmless from and against any and all actions, claims, liens, costs, damages, disbursements, expenses (including legal expenses), liabilities, taxes, charges, fees, or any losses whatsoever suffered or incurred by Accord, due to the Debtor's ownership, use, or possession of the Equipment, any breach by the Debtor of any provision under this Agreement, or any exercise by Accord of enforcing its rights or remedies under this Agreement.

4. Joint And Several Liability: EACH DEBTOR (if there is more than one Debtor) acknowledges and agrees that liability for all obligations under this agreement is joint and several (and in the Province of Quebec, solidarily).

5. Insurance: The Debtor shall obtain and maintain for the term of this Agreement, at its own expense, insurance for all risks of physical loss or damage to the Equipment and to persons associated with the Equipment, including without limitation, theft, collision, personal injury or death, liability and damage to the property of others, and such other risks of loss as are customarily covered by insurance on like equipment and maintained by prudent operators of businesses similar to that in which the Debtor is engaged, in such amounts, in such form, on such terms, and with such insurers as shall be satisfactory to Accord, including insurance for damage or destruction to the Equipment in a sum not less than the greater of the amount secured by this Agreement and the replacement cost of the Equipment. Accord may, if the Debtor's insurance is inadequate, require that insurance on the Equipment be improved, changed, or amended to comply with this Agreement.

Each insurance policy will designate Accord as a first loss payee and specify that the proceeds of insurance generated in the event of any damage to or loss of the Equipment (the "Proceeds") shall be allocable exclusively to the Equipment and payable solely to Accord, and segregated

from proceeds generated by any damage to or loss of other insured property and/or persons, and any refund of premium is hereby assigned to Accord. Each insurance policy shall also contain a clause requiring the insurer to give at least thirty (30) days written notice of any alteration to the terms of such policy, and its cancellation. All insurance policies and renewal certificates shall be provided to Accord upon request. The Debtor shall provide Accord with prompt notice of any damage to or loss of any part of the Equipment.

If the Debtor fails to maintain insurance, or otherwise fails to provide a certificate of insurance to Accord, the Debtor agrees that Accord shall be entitled, but not obliged, to obtain the required insurance, and the Debtor shall cooperate with Accord's insurer in connection with the placement of such insurance and the processing of any claims. Nothing herein shall be deemed to obligate or Accord to act as an insurer, or to secure, maintain in force, or renew any insurance, in any amounts, or upon any specific terms and conditions, and Accord reserves the right to terminate any such insurance coverage which Accord may arrange, or allow same to lapse, without liability to Debtor. Any amounts incurred by Accord shall be borne by the Debtor and form part of the Indebtedness and be payable as set out in Section 17 of this Agreement.

6. Performance and Reimbursement: The Debtor agrees that Accord shall be entitled, but not obliged, to perform any of obligations of the Debtor under this Agreement should the Debtor fail to do so.

Any and all payments, charges, costs, fees, expenses, damages, or liabilities suffered or incurred by Accord due to the non-performance by the Debtor of its obligations under this Agreement shall be borne by the Debtor and all such amounts paid by Accord shall be immediately due and payable by the Debtor and form part of the Indebtedness, and shall bear interest at the implicit rate per annum then applicable to amounts due under this Agreement, calculated and compounded monthly, until paid, and shall be secured by this Agreement.

(a) All information, data and reports (financial or otherwise) furnished by or on behalf of the Debtor to induce Accord to enter into this Agreement were true, accurate and complete in all material respects at the time that they were furnished to Accord, and contains no untrue statement of fact and does not omit to state a material fact, the omission of which would cause such information to be misleading;

11. Tracking Device: Accord reserves the right to install any tracking or engine control device and to use same for its benefit to locate, secure, or seize the Equipment. Accord's right to do so is cumulative with all other remedies set out herein and available at law. Accord will not be responsible for any damage or loss of business suffered by the Debtor as a result of such use by Accord of any tracking or engine control device.

12. Security Deposit: Accord may apply the Security Deposit as it wishes, at any time, to any amounts due under this Agreement if not paid by the Debtor. The Debtor will not earn any interest on the Security Deposit. Upon termination of this Agreement, the Security Deposit, net of any arrears of payments or other amounts due under this Agreement, will be refunded to the Debtor.

- (c) Failure of the Debtor to duly and punctually pay, or cause to be paid, all Priority Debt when due;

- (g) The Equipment is damaged or destroyed, unless Accord in its sole determination elects to apply the proceeds of insurance to the replacement of such Equipment;

(h) If the Debtor is an individual and he/she dies or becomes incompetent, or, if the Debtor is other than an individual and it sells any of its assets out of the ordinary course of business (regardless of whether the Equipment is part of such sale), or a direct or indirect change in control of the Debtor occurs (including a change in the Debtor's ultimate beneficial ownership);

(i) The Debtor ceases or threatens to cease its business;

(j) The Debtor pays dividends or other distributions which, in the sole determination of Accord, impair the financial health of the Debtor;

(k) The Debtor removes or permits removal of the Equipment from the Equipment Location, or sells, leases, disposes, or proposes to dispose of the Equipment or any interest therein;

(l) Any lien or encumbrance of any kind whatsoever attaches to the Equipment with priority to or on a *pari passu* basis with this Agreement, or any lien or encumbrance becomes enforceable against the Equipment or any of the Debtor's other assets, regardless of its priority thereto, or any debt of the Debtor becomes accelerated;

(m) Accord has commercially reasonable grounds to believe that the prospect of payment or performance under this Agreement is or is about to be impaired, or that the Equipment is or is about to be placed in jeopardy;

(n) An event of default occurs under any other contract, lease, or agreement as between the Debtor (or any of them, if there is more than one Debtor) and Accord (or any of Accord's related companies, subsidiaries, and affiliates); or

(o) Any guarantor of the Debtor's obligations under this Agreement disputes its obligations under its guarantee, or seeks to terminate its guarantee of the Debtor's future obligations or becomes subject to any of the events set out in Sections 13 (b) - (d), (g), (j) - (k) above.

14. Cross-Collateral Default: A Default under this Agreement shall be deemed to trigger a material event of default under any other contract, lease, or agreement as between the Debtor (or any of them, if there is more than one Debtor) and Accord (or any of Accord's related companies, subsidiaries, and affiliates), whether Accord is the original lender/lessor or an assignee), or between the Debtor and any of Accord's related companies and subsidiaries. Accord may elect, in its sole and absolute discretion, to forbear enforcement on any other agreement between the Debtor and Accord, but in so doing, Accord shall not be deemed to waive its rights under this Section 14.

15. Remedies: Upon a Default having occurred and at any time thereafter, Accord shall have the following rights and remedies, each of which are cumulative and are in addition to and not in substitution for or a limitation of any rights or remedies provided by law, all of which may be exercised alone or in conjunction with any other of Accord's rights and remedies herein or otherwise at law (provided only that such rights are not inconsistent), and Accord shall not be required to enforce or exhaust any particular remedy, as against any particular Debtor, but may choose to enforce against any one Debtor or all of them:

(a) Accord may, by notice to the Debtor, declare all of the Indebtedness to be immediately due and payable, and Accord may set-off against any amounts owing by it to the Debtor;

(b) Accord may pay off any lien or encumbrance against the Equipment and any amounts incurred by Accord, with costs, shall be borne by the Debtor and form part of the Indebtedness and shall bear interest as set out in Section 17 until paid;

(c) Accord may seize or disable the Equipment wheresoever it is situated, or may sue the Debtor for all the Indebtedness owing under this Agreement, or do both, and any judgment and/or seizure or disposition of the Equipment shall not create any merger of Accord's rights herein;

(d) In the event that Accord has seized or disabled the Equipment, Accord or its agent may:

- (i) without notice to the Debtor repair, or sell, consign, lease, or otherwise dispose of the Equipment by private contract or by private or public auction, and shall have all rights of access to the Equipment necessary in Accord's opinion to effect such disposition and the Debtor authorizes its landlord to provide Accord with such access, and Accord may in its discretion establish such terms of disposition as it deems desirable, including credit, reserve bids, payment terms and price; or
- (ii) elect to retain the Equipment in satisfaction of all or part of the Indebtedness. In the event Accord elects to retain the Equipment in respect of less than all of the Indebtedness, Accord shall advise the Debtor of the part of the Indebtedness the Equipment is retained in respect of, and Accord shall act reasonably in ensuring that the net realizable value of such Equipment equates to the value of such Indebtedness, which may in Accord's sole discretion include relying on the judgment of appraisers, and Accord may thereafter continue to enforce all rights and remedies available to it to recover payment in respect of any part of the Indebtedness which remains unsatisfied;

(e) All costs of repairs and all other costs incurred in connection with the seizure, disabling, holding, and disposition of the Equipment, including fees of its agents and professional advisers (including all legal fees), all allowable and reasonable costs in effecting the collection, whenever and howsoever incurred, and a sum of money equal to three (3) months interest at the rate implicit per annum, and any amounts incurred by Accord shall be borne by the Debtor and form part of the Indebtedness and shall bear interest as set out in Section 17 until paid;

(f) In the event the Equipment is sold, all proceeds of sale shall be applied by Accord in reduction of the Indebtedness in the order Accord, in its sole discretion, determines is appropriate and the Debtor shall continue to be liable for any deficiency;

(g) Accord shall have no liability due to any failure to seize, realize, dispose of, or otherwise deal with the Equipment or any other collateral, or failure to enforce any of its other rights against the Debtor or any other person or for any negligence on its part or the part of its agents, nor shall Accord be bound to institute proceedings against any person for such purposes or for the purpose of preserving its rights in respect of the Equipment;

(h) If Accord or its agents take possession of the Equipment they shall have no liability as a creditor in possession and shall not be accountable for anything other than actual receipts.

(i) The Debtor's liability for the Indebtedness is not subject to the equities between it and Accord and no right of set-off by the Debtor shall apply. Upon the occurrence of a Default, the Debtor hereby irrevocably waives time for the payment of the Indebtedness;

(j) Accord may, in lieu of or in addition to exercising any of its rights and remedies under this section, appoint or retain any person as its agent to exercise such rights and remedies.

16. Pre-Authorized Payments: The Debtor authorizes Accord or its assigns to draw regular payments for business purposes (the "PAP" or "PAP's") from its designated bank account (whether it continues to be maintained at the current location or at another branch of the bank, or at another bank) (the "Designated Account") to cover all of the required payments, fees, and interest, under this Agreement. Each PAP will be drawn from the Designated Account in the amounts and due dates determined under this Agreement.

The Debtor specifically waives any pre-notification requirements that apply to any PAP and agrees that written notice will not be provided (1) before the due date of any PAP, (2) of any change to the amount of any PAP, and (3) of any change to the due dates. Accord will obtain the specific prior authorization of the Debtor for one-time or other sporadic PAP's, the amounts or due dates of which are not identified in this Agreement.

The Debtor warrants that all persons whose signatures are required to sign on the Designated Account have signed this Agreement. The Debtor will immediately notify Accord in writing of any change to the Designated Account, and in any event, no later than ten (10) days post change. Accord is not responsible to notify the Debtor if any PAP is reversed due to non-sufficient funds, funds not cleared, or changes to the Designated Account. In such an event, Accord may re-present the PAP within 30 days of the original due date. The Debtor is responsible for any charges that arise from such a situation and is required to ensure that the necessary payment is made to Accord through an alternative method. The Debtor must contact Accord to arrange for coverage of any missed payment(s).

The Debtor may change or cancel this PAP authorization at any time on thirty (30) days written notice to Accord: Accord Small Business Finance Corp., 305 – 889 Harbourside Drive, North Vancouver, BC, V7P 3S1, (phone: (604) 982-3031; fax: (888) 835-9757; email: customerservice@accordfinancial.net). However, the Debtor hereby acknowledges that PAP's are a CONDITION OF THIS AGREEMENT. Cancelling this PAP authorization without immediately replacing it, will be considered an Event of Default under this Agreement. In the event Accord waives the requirement for PAP's, then the Debtor will pay a service charge for other payment methods. The Debtor acknowledges that the right to cancel this PAP authorization only applies to the method of payment and has no bearing otherwise on the obligations under this Agreement.

Accord may assign this authorization to any third party to whom it assigns its interest in this Agreement. The Debtor will be notified of the identity and contact information of any such assignee. The Debtor has certain recourse rights if any PAP does not comply with this Agreement. For example, the Debtor has the right to receive reimbursement for any PAP that is not authorized or is not consistent with this Agreement. To obtain more information on the recourse rights of the Debtor, or the rights of the Debtor to cancel a PAP authorization, or to obtain a sample cancellation form, the Debtor should contact its financial institution or visit www.cdnpay.ca.

17. Overdue Payments: When a payment or any other amount owing by the Debtor under this Agreement is not paid when due, the Debtor agrees to pay Accord a late fee of \$10.00 for each month or partial month during which such amount is unpaid, plus interest at the rate of 28.8% per annum, calculated and compounded monthly, payable on demand. The Debtor further agrees to pay to Accord a Returned Cheque Charge of \$50.00 plus

For purposes of determining compliance with such section 347, the effective annual rate of interest will be determined in accordance with generally accepted actuarial practices and principles over the term of this Agreement and, in the event of dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by Accord will be prima facie evidence for the purposes of such determination.

From time to time, Accord Small Business Finance Corp. (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$1.00 per-page fee. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

Agreement No:	106681
----------------------	---------------

1. Attachment: The Debtor acknowledges that value has been given and that Accord's security interest in the Equipment attaches upon the execution of this Agreement, or if the Debtor has no interest in the Equipment, or in any part of the Equipment, upon execution than at the same time the Debtor acquires an interest in the Equipment.

2. Credit Investigation & Consent to Information Sharing: The Debtor hereby authorizes Accord, its agents, affiliates, subsidiaries, and third-party service providers, at any time whether it be before, during, or after the completion of this Agreement, to conduct financial and credit investigations of the Debtor, its individual principals, shareholders, guarantors, and/or persons otherwise connected with this Agreement, and to collect, use, share, and disclose personal and business information about such parties for the purposes of approval, maintenance, statistical analysis, and enforcement (the "Information"), from any source to which Accord may apply and each source is hereby authorized to provide the Information to the Accord. Sources of the Information may include, but are not limited to, credit reporting agencies, credit bureaus, creditors, credit grantors, or any banking or other financial institution. Accord may further collect, use, and disclose the Debtor's Social Insurance Number or other personal identifier to verify and report credit information to credit bureaus or credit reporting agencies as well as to confirm identities. The Debtor understands and consents to the Information being held on file by Accord as per Accord's official Privacy Policy, which is available upon request.

3. Indemnification: The Debtor hereby hereby agrees to indemnify and save Accord and its affiliates, subsidiaries, officers, directors, agents, and servants, harmless from and against any and all actions, claims, liens, costs, damages, disbursements, expenses (including legal expenses), liabilities, taxes, charges, fees, or any losses whatsoever suffered or incurred by Accord, due to the Debtor's ownership, use, or possession of the Equipment, any breach by the Debtor of any provision under this Agreement, or any exercise by Accord of enforcing its rights or remedies under this Agreement.

4. Joint And Several Liability: EACH DEBTOR (if there is more than one Debtor) acknowledges and agrees that liability for all obligations under this agreement is joint and several (and in the Province of Quebec, solidarily).

5. Insurance: The Debtor shall obtain and maintain for the term of this Agreement, at its own expense, insurance for all risks of physical loss or damage to the Equipment and to persons associated with the Equipment, including without limitation, theft, collision, personal injury or death, liability and damage to the property of others, and such other risks of loss as are customarily covered by insurance on like equipment and maintained by prudent operators of businesses similar to that in which the Debtor is engaged, in such amounts, in such form, on such terms, and with such insurers as shall be satisfactory to Accord, including insurance for damage or destruction to the Equipment in a sum not less than the greater of the amount secured by this Agreement and the replacement cost of the Equipment. Accord may, if the Debtor's insurance is inadequate, require that insurance on the Equipment be improved, changed, or amended to comply with this Agreement.

from proceeds generated by any damage to or loss of other insured property and/or persons, and any refund of premium is hereby assigned to Accord. All insurance policies and renewal certificates shall be provided to Accord upon request. The Debtor shall provide Accord with prompt notice of any damage to or loss of any part of the Equipment.

If the Debtor fails to maintain insurance, or otherwise fails to provide a certificate of insurance to Accord, the Debtor agrees that Accord shall be entitled, but not obliged, to obtain the required insurance, and the Debtor shall cooperate with Accord's insurer in connection with the placement of such insurance and the processing of any claims. Nothing herein shall be deemed to obligate or Accord to act as an insurer, or to secure, maintain in force, or renew any insurance, in any amounts, or upon any specific terms and conditions, and Accord reserves the right to terminate any such insurance coverage which Accord may arrange, or allow same to lapse, without liability to Debtor. Any amounts incurred by Accord shall be borne by the Debtor and form part of the Indebtedness and be payable as set out in Section 17 of this Agreement.

6. Performance and Reimbursement: The Debtor agrees that Accord shall be entitled, but not obliged, to perform any of obligations of the Debtor under this Agreement should the Debtor fail to do so.

(c) The Debtor is a corporation duly incorporated and organized, and validly existing under the laws applicable to it;

(d) The Debtor has and will continue to have the power, capacity, legal right, and authority to execute, deliver and perform this Agreement, and to own its property and carry on its business;

10. Assignment: This Agreement shall not be assignable by the Debtor. Accord may, without the consent of or notice to the Debtor, assign the benefit of this Agreement to any assignee, and if so assigned, the assignee takes the place of Accord in this Agreement.

11. Tracking Device: Accord reserves the right to install any tracking or engine control device and to use same for its benefit to locate, secure, or seize the Equipment. Accord's right to do so is cumulative with all other remedies set out herein and available at law. Accord will not be responsible for any damage or loss of business suffered by the Debtor as a result of such use by Accord of any tracking or engine control device.

12. Security Deposit: Accord may apply the Security Deposit as it wishes, at any time, to any amounts due under this Agreement if not paid by the Debtor. The Debtor will not earn any interest on the Security Deposit. Upon termination of this Agreement, the Security Deposit, net of any arrears of payments or other amounts due under this Agreement, will be refunded to the Debtor.

13. Default: Each of the following constitutes an event of default under this Agreement (a "Default") without the giving of any notice or the lapse of any time:

- (a) Failure of the Debtor to pay when due any amount payable under this Agreement;
- (b) Failure of the Debtor to comply with any covenants or conditions under this Agreement, or to perform any obligations under this Agreement;
- (c) Failure of the Debtor to duly and punctually pay, or cause to be paid, all Priority Debt when due;
- (d) Any warranty, information, or representation made herein or furnished by or on behalf of the Debtor in connection with this Agreement proves to have been materially incorrect when made or furnished to Accord;
- (e) Any of the following occurs in respect of or is instituted or claimed by or against the Debtor:
 - (i) an event of bankruptcy;
 - (ii) an inability to pay debts;
 - (iii) proceedings in or in respect of bankruptcy, insolvency, receivership, winding-up, liquidation, amalgamation or dissolution; or
 - (iv) an arrangement or compromise with or assignment for the benefit of creditors;
- (f) The Debtor permits any execution, attachment, distress, or writ to be levied against the Equipment;
- (g) The Equipment is damaged or destroyed, unless Accord in its sole determination elects to apply the proceeds of insurance to the replacement of such Equipment;

(h) If the Debtor is an individual and he/she dies or becomes incompetent, or, if the Debtor is other than an individual and it sells any of its assets out of the ordinary course of business (regardless of whether the Equipment is part of such sale), or a direct or indirect change in control of the Debtor occurs (including a change in the Debtor's ultimate beneficial ownership);

(i) The Debtor ceases or threatens to cease its business;

(j) The Debtor pays dividends or other distributions which, in the sole determination of Accord, impair the financial health of the Debtor;

(k) The Debtor removes or permits removal of the Equipment from the Equipment Location, or sells, leases, disposes, or proposes to dispose of the Equipment or any interest therein;

(l) Any lien or encumbrance of any kind whatsoever attaches to the Equipment with priority to or on a *pari passu* basis with this Agreement, or any lien or encumbrance becomes enforceable against the Equipment or any of the Debtor's other assets, regardless of its priority thereto, or any debt of the Debtor becomes accelerated;

(m) Accord has commercially reasonable grounds to believe that the prospect of payment or performance under this Agreement is or is about to be impaired, or that the Equipment is or is about to be placed in jeopardy;

(n) An event of default occurs under any other contract, lease, or agreement as between the Debtor (or any of them, if there is more than one Debtor) and Accord (or any of Accord's related companies, subsidiaries, and affiliates); or

(o) Any guarantor of the Debtor's obligations under this Agreement disputes its obligations under its guarantee, or seeks to terminate its guarantee of the Debtor's future obligations or becomes subject to any of the events set out in Sections 13 (b) - (d), (g), (j) - (k) above.

14. Cross-Collateral Default: A Default under this Agreement shall be deemed to trigger a material event of default under any other contract, lease, or agreement as between the Debtor (or any of them, if there is more than one Debtor) and Accord (or any of Accord's related companies, subsidiaries, and affiliates), whether Accord is the original lender/lessor or an assignee), or between the Debtor and any of Accord's related companies and subsidiaries. Accord may elect, in its sole and absolute discretion, to forbear enforcement on any other agreement between the Debtor and Accord, but in so doing, Accord shall not be deemed to waive its rights under this Section 14.

15. Remedies: Upon a Default having occurred and at any time thereafter, Accord shall have the following rights and remedies, each of which are cumulative and are in addition to and not in substitution for or a limitation of any rights or remedies provided by law, all of which may be exercised alone or in conjunction with any other of Accord's rights and remedies herein or otherwise at law (provided only that such rights are not inconsistent), and Accord shall not be required to enforce or exhaust any particular remedy, as against any particular Debtor, but may choose to enforce against any one Debtor or all of them:

(a) Accord may, by notice to the Debtor, declare all of the Indebtedness to be immediately due and payable, and Accord may set-off against any amounts owing by it to the Debtor;

(b) Accord may pay off any lien or encumbrance against the Equipment and any amounts incurred by Accord, with costs, shall be borne by the Debtor and form part of the Indebtedness and shall bear interest as set out in Section 17 until paid;

(c) Accord may seize or disable the Equipment wheresoever it is situated, or may sue the Debtor for all the Indebtedness owing under this Agreement, or do both, and any judgment and/or seizure or disposition of the Equipment shall not create any merger of Accord's rights herein;

(d) In the event that Accord has seized or disabled the Equipment, Accord or its agent may:

- (i) without notice to the Debtor repair, or sell, consign, lease, or otherwise dispose of the Equipment by private contract or by private or public auction, and shall have all rights of access to the Equipment necessary in Accord's opinion to effect such disposition and the Debtor authorizes its landlord to provide Accord with such access, and Accord may in its discretion establish such terms of disposition as it deems desirable, including credit, reserve bids, payment terms and price; or
- (ii) elect to retain the Equipment in satisfaction of all or part of the Indebtedness. In the event Accord elects to retain the Equipment in respect of less than all of the Indebtedness, Accord shall advise the Debtor of the part of the Indebtedness the Equipment is retained in respect of, and Accord shall act reasonably in ensuring that the net realizable value of such Equipment equates to the value of such Indebtedness, which may in Accord's sole discretion include relying on the judgment of appraisers, and Accord may thereafter continue to enforce all rights and remedies available to it to recover payment in respect of any part of the Indebtedness which remains unsatisfied;

(e) All costs of repairs and all other costs incurred in connection with the seizure, disabling, holding, and disposition of the Equipment, including fees of its agents and professional advisers (including all legal fees), all allowable and reasonable costs in effecting the collection, whenever and howsoever incurred, and a sum of money equal to three (3) months interest at the rate implicit per annum, and any amounts incurred by Accord shall be borne by the Debtor and form part of the Indebtedness and shall bear interest as set out in Section 17 until paid;

(f) In the event the Equipment is sold, all proceeds of sale shall be applied by Accord in reduction of the Indebtedness in the order Accord, in its sole discretion, determines is appropriate and the Debtor shall continue to be liable for any deficiency;

(g) Accord shall have no liability due to any failure to seize, realize, dispose of, or otherwise deal with the Equipment or any other collateral, or failure to enforce any of its other rights against the Debtor or any other person or for any negligence on its part or the part of its agents, nor shall Accord be bound to institute proceedings against any person for such purposes or for the purpose of preserving its rights in respect of the Equipment;

(h) If Accord or its agents take possession of the Equipment they shall have no liability as a creditor in possession and shall not be accountable for anything other than actual receipts.

(i) The Debtor's liability for the Indebtedness is not subject to the equities between it and Accord and no right of set-off by the Debtor shall apply. Upon the occurrence of a Default, the Debtor hereby irrevocably waives time for the payment of the Indebtedness;

(j) Accord may, in lieu of or in addition to exercising any of its rights and remedies under this section, appoint or retain any person as its agent to exercise such rights and remedies.

16. Pre-Authorized Payments: The Debtor authorizes Accord or its assigns to draw regular payments for business purposes (the "PAP" or "PAP's") from its designated bank account (whether it continues to be maintained at the current location or at another branch of the bank, or at another bank) (the "Designated Account") to cover all of the required payments, fees, and interest, under this Agreement. Each PAP will be drawn from the Designated Account in the amounts and due dates determined under this Agreement.

The Debtor specifically waives any pre-notification requirements that apply to any PAP and agrees that written notice will not be provided (1) before the due date of any PAP, (2) of any change to the amount of any PAP, and (3) of any change to the due dates. Accord will obtain the specific prior authorization of the Debtor for one-time or other sporadic PAP's, the amounts or due dates of which are not identified in this Agreement.

The Debtor warrants that all persons whose signatures are required to sign on the Designated Account have signed this Agreement. The Debtor will immediately notify Accord in writing of any change to the Designated Account, and in any event, no later than ten (10) days post change. Accord is not responsible to notify the Debtor if any PAP is reversed due to non-sufficient funds, funds not cleared, or changes to the Designated Account. In such an event, Accord may re-present the PAP within 30 days of the original due date. The Debtor is responsible for any charges that arise from such a situation and is required to ensure that the necessary payment is made to Accord through an alternative method. The Debtor must contact Accord to arrange for coverage of any missed payment(s).

The Debtor may change or cancel this PAP authorization at any time on thirty (30) days written notice to Accord: Accord Small Business Finance Corp., 305 – 889 Harbourside Drive, North Vancouver, BC, V7P 3S1, (phone: (604) 982-3031; fax: (888) 835-9757; email: customerservice@accordfinancial.net). However, the Debtor hereby acknowledges that PAP's are a CONDITION OF THIS AGREEMENT. Cancelling this PAP authorization without immediately replacing it, will be considered an Event of Default under this Agreement. In the event Accord waives the requirement for PAP's, then the Debtor will pay a service charge for other payment methods. The Debtor acknowledges that the right to cancel this PAP authorization only applies to the method of payment and has no bearing otherwise on the obligations under this Agreement.

Accord may assign this authorization to any third party to whom it assigns its interest in this Agreement. The Debtor will be notified of the identity and contact information of any such assignee. The Debtor has certain recourse rights if any PAP does not comply with this Agreement. For example, the Debtor has the right to receive reimbursement for any PAP that is not authorized or is not consistent with this Agreement. To obtain more information on the recourse rights of the Debtor, or the rights of the Debtor to cancel a PAP authorization, or to obtain a sample cancellation form, the Debtor should contact its financial institution or visit www.cdnpay.ca.

17. Overdue Payments: When a payment or any other amount owing by the Debtor under this Agreement is not paid when due, the Debtor agrees to pay Accord a late fee of \$10.00 for each month or partial month during which such amount is unpaid, plus interest at the rate of 28.8% per annum, calculated and compounded monthly, payable on demand. The Debtor further agrees to pay to Accord a Returned Cheque Charge of \$50.00 plus

GST payable on demand for each dishonoured cheque. All such amounts payable to Accord under this Section 17 shall form part of the Indebtedness.

18. Charge on Land: The Debtor hereby charges any lands which it owns or may in the future own during any time when any amount remains outstanding under this Agreement and it authorizes the registration of any and all caveat(s), lien(s), or other encumbrances against any such property. Accord reserves the right to file such registration(s) at any time during this Agreement.

19. Law: This Agreement is governed by the laws in which the use of the Equipment was originally intended as indicated by the Equipment Location and the parties attorn to the jurisdiction of the courts of such province. Terms not otherwise defined in this Agreement have the meaning ascribed them under the PPSA unless the context is inconsistent with this Agreement. To the maximum extent permitted by law, the Debtor waives its rights and all benefits under any existing or future statute which limits the rights and/or remedies of a secured party and, in particular, agrees that Part 6 of the *Law of Property Act* (Alberta), the *Seizures Act* (Alberta) and the *Limitation of Civil Rights Act* (Saskatchewan), or any amendments or regulations thereof, shall not apply to this Agreement.

20. Criminal Code: Notwithstanding any provision in this Agreement to the contrary, in no event will the aggregate "interest" (as defined in section 347 of the *Criminal Code* (Canada)) payable by the Debtor under this Agreement exceed the maximum effective annual rate of interest on the "credit advanced" (as defined in that section 347) permitted under that section and, if any payment, collection or demand pursuant to such loan agreement in respect of "interest" (as defined in that section 347) is determined to be contrary to the provisions of such section 347, such payment, collection or demand will be deemed to have been made by mutual mistake and the amount of such payment or collection will be refunded to the Debtor only to the extent of the amount which is greater than the maximum effective annual rate permitted by such laws. For purposes of determining compliance with such section 347, the effective annual rate of interest will be determined in accordance with generally accepted actuarial practices and principles over the term of this Agreement and, in the event of dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by Accord will be prima facie evidence for the purposes of such determination.

21. General:

(a) **Language.** The parties hereto agree that this Agreement and all documents related thereto be written in the English language (*Les parties en présences conviennent à ce que ce document soit rédigé en anglais*);

(b) **Notices.** Any notices required under this Agreement shall be sufficient if given in writing and delivered in person or by courier to the addresses noted above, by mail, or by email, or such further address as updated by either party from time to time upon notice to the other. Any such notice shall be deemed to have been duly given upon delivery if delivered in person, or by courier, or if given by email, only upon receipt of email confirmation from the recipient that the email has been received, or if by mail, on the fifth day after posting;

(c) **Interpretation.** Whenever the context of this Agreement so requires, the singular number shall include the plural and vice versa, and words importing gender shall include all genders. Headings are inserted for convenience of reference only and shall not affect interpretation;

(d) Waiver/Default. Waiver by Accord of any default by the Debtor, or the failure by Accord to exercise any option or right shall not constitute a continuing waiver or relinquishment of such or any default, option, or right, and Accord shall have the right to insist upon strict performance by the Debtor of any and all of the terms and provisions of this Agreement;

(e) Waiver/Remedies. Any single or partial exercise by Accord of any right or remedy for a default or breach of any term, covenant, condition or agreement herein contained shall not be deemed to be a waiver of or to alter, affect, or prejudice any other right or remedy or other rights or remedies to which Accord may be lawfully entitled for the same default or breach;

(f) Severability. The Debtor acknowledges that the provisions of this Agreement are commercially reasonable. Should any provision of this Agreement be or become illegal, invalid or not enforceable, it will be considered separate and severable from this Agreement and the remaining provisions will remain in force and be binding upon the parties hereto and be enforceable to the fullest extent of the law;

(g) Enurement. This Agreement shall enure to the benefit of Accord and its successors and assigns and shall bind Debtor and its successors;

(h) Entire Agreement. This Agreement shall constitute the entire agreement between the parties on its subject matter and the phrase "this Agreement" means this Agreement, as amended in writing from time to time, and all schedules hereto, such schedules being incorporated into and forming part of this Agreement;

(i) Further Assurances. The Debtor will immediately at the request of Accord, execute and deliver to Accord any further assurances, documents, and instruments, obtain any consents, and do any other things as Accord may reasonably require to accomplish the purposes of this Agreement, or to make any filing or registration to perfect or protect Accord's interest in the Equipment;

(j) Survival. Subject to the terms and conditions of this Agreement, all obligations of the Debtor, and the rights and remedies of Accord, including all indemnities of Accord by the Lessee, shall survive the termination of this Agreement and the receipt of all amounts due and owing by the Debtor to Accord;

(k) Time of the Essence. Time shall be of the essence of this Agreement and shall continue to be of the essence;

(l) Electronic Communication. The parties may exchange information or communicate regarding the Agreement using email or other formats of electronic communication. The parties agree and acknowledge that there are risks associated when using email and other electronic communication, and specifically that information may be accessed by third parties as a result. The parties hold each other harmless in the event that information in emails or other electronic communication is inadvertently disclosed to or otherwise assessed by third parties. The parties authorize and permit each other to communicate regarding any matters related to the Agreement using email at any email addresses provided to each other, notwithstanding that such email addresses may be used by third parties during the Agreement. Any information exchanged by email or other electronic communication will not vary, modify, amend, or change the terms or conditions of the Agreement, or any other agreements between the parties.

(m) Counterparts. This Agreement may be executed in several counterparts, each of which, when so executed, shall be deemed to be an original and which counterparts together shall constitute one and the same Agreement.

(n) Acknowledgment. The Debtor acknowledges that this Agreement is a valid and legally binding obligation of the Debtor, enforceable against the Debtor in accordance with its terms (subject only to applicable laws affecting creditors generally and to general principles of equity), and further acknowledges receipt of a copy of this Agreement.

If electronic signatures are used with respect to this Agreement, any addendums, security documents, or any certificates, reports, statements, information, data, documents or instruments delivered pursuant to or in connection with the Indebtedness, the Debtor acknowledges and agrees that the application of the Debtor's electronic signature is the legal equivalent of the Debtor's manual signature and shall be deemed to be equivalent to an original signature for all purposes and that the Debtor is legally bound by the terms and conditions of this Agreement. In signing this Agreement and by initialing this provision, the Debtor consents to the use of electronic signatures.

From time to time, Accord Small Business Finance Corp. (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$1.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

----------------------	---------------

1. Attachment: The Debtor acknowledges that value has been given and that Accord's security interest in the Equipment attaches upon the execution of this Agreement, or if the Debtor has no interest in the Equipment, or in any part of the Equipment, upon execution than at the same time the Debtor acquires an interest in the Equipment.

2. Credit Investigation & Consent to Information Sharing: The Debtor hereby authorizes Accord, its agents, affiliates, subsidiaries, and third-party service providers, at any time whether it be before, during, or after the completion of this Agreement, to conduct financial and credit investigations of the Debtor, its individual principals, shareholders, guarantors, and/or persons otherwise connected with this Agreement, and to collect, use, share, and disclose personal and business information about such parties for the purposes of approval, maintenance, statistical analysis, and enforcement (the "Information"), from any source to which Accord may apply and each source is hereby authorized to provide the Information to the Accord. Sources of the Information may include, but are not limited to, credit reporting agencies, credit bureaus, creditors, credit grantors, or any banking or other financial institution. Accord may further collect, use, and disclose the Debtor's Social Insurance Number or other personal identifier to verify and report credit information to credit bureaus or credit reporting agencies as well as to confirm identities. The Debtor understands and consents to the Information being held on file by Accord as per Accord's official Privacy Policy, which is available upon request.

3. Indemnification: The Debtor hereby agrees to indemnify and save Accord and its affiliates, subsidiaries, officers, directors, agents, and servants, harmless from and against any and all actions, claims, liens, costs, damages, disbursements, expenses (including legal expenses), liabilities, taxes, charges, fees, or any losses whatsoever suffered or incurred by Accord, due to the Debtor's ownership, use, or possession of the Equipment, any breach by the Debtor of any provision under this Agreement, or any exercise by Accord of enforcing its rights or remedies under this Agreement.

4. Joint And Several Liability: EACH DEBTOR (if there is more than one Debtor) acknowledges and agrees that liability for all obligations under this agreement is joint and several (and in the Province of Quebec, solidarily).

5. Insurance: The Debtor shall obtain and maintain for the term of this Agreement, at its own expense, insurance for all risks of physical loss or damage to the Equipment and to persons associated with the Equipment, including without limitation, theft, collision, personal injury or death, liability and damage to the property of others, and such other risks of loss as are customarily covered by insurance on like equipment and maintained by prudent operators of businesses similar to that in which the Debtor is engaged, in such amounts, in such form, on such terms, and with such insurers as shall be satisfactory to Accord, including insurance for damage or destruction to the Equipment in a sum not less than the greater of the amount secured by this Agreement and the replacement cost of the Equipment. Accord may, if the Debtor's insurance is inadequate, require that insurance on the Equipment be improved, changed, or amended to comply with this Agreement.

Each insurance policy will designate Accord as a first loss payee and specify that the proceeds of insurance generated in the event of any damage to or loss of the Equipment (the "Proceeds") shall be allocable exclusively to the Equipment and payable solely to Accord, and segregated

from proceeds generated by any damage to or loss of other insured property and/or persons, and any refund of premium is hereby assigned to Accord. Each insurance policy shall also contain a clause requiring the insurer to give at least thirty (30) days written notice of any alteration to the terms of such policy, and its cancellation. All insurance policies and renewal certificates shall be provided to Accord upon request. The Debtor shall provide Accord with prompt notice of any damage to or loss of any part of the Equipment.

If the Debtor fails to maintain insurance, or otherwise fails to provide a certificate of insurance to Accord, the Debtor agrees that Accord shall be entitled, but not obliged, to obtain the required insurance, and the Debtor shall cooperate with Accord's insurer in connection with the placement of such insurance and the processing of any claims. Nothing herein shall be deemed to obligate or Accord to act as an insurer, or to secure, maintain in force, or renew any insurance, in any amounts, or upon any specific terms and conditions, and Accord reserves the right to terminate any such insurance coverage which Accord may arrange, or allow same to lapse, without liability to Debtor. Any amounts incurred by Accord shall be borne by the Debtor and form part of the Indebtedness and be payable as set out in Section 17 of this Agreement.

6. Performance and Reimbursement: The Debtor agrees that Accord shall be entitled, but not obliged, to perform any of obligations of the Debtor under this Agreement should the Debtor fail to do so.

Any and all payments, charges, costs, fees, expenses, damages, or liabilities suffered or incurred by Accord due to the non-performance by the Debtor of its obligations under this Agreement shall be borne by the Debtor and all such amounts paid by Accord shall be immediately due and payable by the Debtor and form part of the Indebtedness, and shall bear interest at the implicit rate per annum then applicable to amounts due under this Agreement, calculated and compounded monthly, until paid, and shall be secured by this Agreement.

Accord may elect, in its sole and absolute discretion, to forbear enforcement on any other agreement between the Debtor and Accord, but in so doing, Accord shall not be deemed to waive its rights under this Section 14.

15. Remedies: Upon a Default having occurred and at any time thereafter, Accord shall have the following rights and remedies, each of which are cumulative and are in addition to and not in substitution for or a limitation of any rights or remedies provided by law, all of which may be exercised alone or in conjunction with any other of Accord's rights and remedies herein or otherwise at law (provided only that such rights are not inconsistent), and Accord shall not be required to enforce or exhaust any particular remedy, as against any particular Debtor, but may choose to enforce against any one Debtor or all of them:

(a) Accord may, by notice to the Debtor, declare all of the Indebtedness to be immediately due and payable, and Accord may set-off against any amounts owing by it to the Debtor;

(b) Accord may pay off any lien or encumbrance against the Equipment and any amounts incurred by Accord, with costs, shall be borne by the Debtor and form part of the Indebtedness and shall bear interest as set out in Section 17 until paid;

(c) Accord may seize or disable the Equipment wheresoever it is situated, or may sue the Debtor for all the Indebtedness owing under this Agreement, or do both, and any judgment and/or seizure or disposition of the Equipment shall not create any merger of Accord's rights herein;

(d) In the event that Accord has seized or disabled the Equipment, Accord or its agent may:

- (i) without notice to the Debtor repair, or sell, consign, lease, or otherwise dispose of the Equipment by private contract or by private or public auction, and shall have all rights of access to the Equipment necessary in Accord's opinion to effect such disposition and the Debtor authorizes its landlord to provide Accord with such access, and Accord may in its discretion establish such terms of disposition as it deems desirable, including credit, reserve bids, payment terms and price; or
- (ii) elect to retain the Equipment in satisfaction of all or part of the Indebtedness. In the event Accord elects to retain the Equipment in respect of less than all of the Indebtedness, Accord shall advise the Debtor of the part of the Indebtedness the Equipment is retained in respect of, and Accord shall act reasonably in ensuring that the net realizable value of such Equipment equates to the value of such Indebtedness, which may in Accord's sole discretion include relying on the judgment of appraisers, and Accord may thereafter continue to enforce all rights and remedies available to it to recover payment in respect of any part of the Indebtedness which remains unsatisfied;

(e) All costs of repairs and all other costs incurred in connection with the seizure, disabling, holding, and disposition of the Equipment, including fees of its agents and professional advisers (including all legal fees), all allowable and reasonable costs in effecting the collection, whenever and howsoever incurred, and a sum of money equal to three (3) months interest at the rate implicit per annum, and any amounts incurred by Accord shall be borne by the Debtor and form part of the Indebtedness and shall bear interest as set out in Section 17 until paid;

(f) In the event the Equipment is sold, all proceeds of sale shall be applied by Accord in reduction of the Indebtedness in the order Accord, in its sole discretion, determines is appropriate and the Debtor shall continue to be liable for any deficiency;

(g) Accord shall have no liability due to any failure to seize, realize, dispose of, or otherwise deal with the Equipment or any other collateral, or failure to enforce any of its other rights against the Debtor or any other person or for any negligence on its part or the part of its agents, nor shall Accord be bound to institute proceedings against any person for such purposes or for the purpose of preserving its rights in respect of the Equipment;

(h) If Accord or its agents take possession of the Equipment they shall have no liability as a creditor in possession and shall not be accountable for anything other than actual receipts.

(i) The Debtor's liability for the Indebtedness is not subject to the equities between it and Accord and no right of set-off by the Debtor shall apply. Upon the occurrence of a Default, the Debtor hereby irrevocably waives time for the payment of the Indebtedness;

(j) Accord may, in lieu of or in addition to exercising any of its rights and remedies under this section, appoint or retain any person as its agent to exercise such rights and remedies.

16. Pre-Authorized Payments: The Debtor authorizes Accord or its assigns to draw regular payments for business purposes (the "PAP" or "PAP's") from its designated bank account (whether it continues to be maintained at the current location or at another branch of the bank, or at another bank) (the "Designated Account") to cover all of the required payments, fees, and interest, under this Agreement. Each PAP will be drawn from the Designated Account in the amounts and due dates determined under this Agreement.

The Debtor specifically waives any pre-notification requirements that apply to any PAP and agrees that written notice will not be provided (1) before the due date of any PAP, (2) of any change to the amount of any PAP, and (3) of any change to the due dates. Accord will obtain the specific prior authorization of the Debtor for one-time or other sporadic PAP's, the amounts or due dates of which are not identified in this Agreement.

The Debtor warrants that all persons whose signatures are required to sign on the Designated Account have signed this Agreement. The Debtor will immediately notify Accord in writing of any change to the Designated Account, and in any event, no later than ten (10) days post change. Accord is not responsible to notify the Debtor if any PAP is reversed due to non-sufficient funds, funds not cleared, or changes to the Designated Account. In such an event, Accord may re-present the PAP within 30 days of the original due date. The Debtor is responsible for any charges that arise from such a situation and is required to ensure that the necessary payment is made to Accord through an alternative method. The Debtor must contact Accord to arrange for coverage of any missed payment(s).

The Debtor may change or cancel this PAP authorization at any time on thirty (30) days written notice to Accord: Accord Small Business Finance Corp., 305 – 889 Harbourside Drive, North Vancouver, BC, V7P 3S1, (phone: (604) 982-3031; fax: (888) 835-9757; email: customerservice@accordfinancial.net). However, the Debtor hereby acknowledges that PAP's are a CONDITION OF THIS AGREEMENT. Cancelling this PAP authorization without immediately replacing it, will be considered an Event of Default under this Agreement. In the event Accord waives the requirement for PAP's, then the Debtor will pay a service charge for other payment methods. The Debtor acknowledges that the right to cancel this PAP authorization only applies to the method of payment and has no bearing otherwise on the obligations under this Agreement.

Accord may assign this authorization to any third party to whom it assigns its interest in this Agreement. The Debtor will be notified of the identity and contact information of any such assignee. The Debtor has certain recourse rights if any PAP does not comply with this Agreement. For example, the Debtor has the right to receive reimbursement for any PAP that is not authorized or is not consistent with this Agreement. To obtain more information on the recourse rights of the Debtor, or the rights of the Debtor to cancel a PAP authorization, or to obtain a sample cancellation form, the Debtor should contact its financial institution or visit www.cdnpay.ca.

17. Overdue Payments: When a payment or any other amount owing by the Debtor under this Agreement is not paid when due, the Debtor agrees to pay Accord a late fee of \$10.00 for each month or partial month during which such amount is unpaid, plus interest at the rate of 28.8% per annum, calculated and compounded monthly, payable on demand. The Debtor further agrees to pay to Accord a Returned Cheque Charge of \$50.00 plus

GST payable on demand for each dishonoured cheque. All such amounts payable to Accord under this Section 17 shall form part of the Indebtedness.

18. Charge on Land: The Debtor hereby charges any lands which it owns or may in the future own during any time when any amount remains outstanding under this Agreement and it authorizes the registration of any and all caveat(s), lien(s), or other encumbrances against any such property. Accord reserves the right to file such registration(s) at any time during this Agreement.

19. Law: This Agreement is governed by the laws in which the use of the Equipment was originally intended as indicated by the Equipment Location and the parties attorn to the jurisdiction of the courts of such province. Terms not otherwise defined in this Agreement have the meaning ascribed them under the PPSA unless the context is inconsistent with this Agreement. To the maximum extent permitted by law, the Debtor waives its rights and all benefits under any existing or future statute which limits the rights and/or remedies of a secured party and, in particular, agrees that Part 6 of the *Law of Property Act* (Alberta), the *Seizures Act* (Alberta) and the *Limitation of Civil Rights Act* (Saskatchewan), or any amendments or regulations thereof, shall not apply to this Agreement.

20. Criminal Code: Notwithstanding any provision in this Agreement to the contrary, in no event will the aggregate "interest" (as defined in section 347 of the *Criminal Code* (Canada)) payable by the Debtor under this Agreement exceed the maximum effective annual rate of interest on the "credit advanced" (as defined in that section 347) permitted under that section and, if any payment, collection or demand pursuant to such loan agreement in respect of "interest" (as defined in that section 347) is determined to be contrary to the provisions of such section 347, such payment, collection or demand will be deemed to have been made by mutual mistake and the amount of such payment or collection will be refunded to the Debtor only to the extent of the amount which is greater than the maximum effective annual rate permitted by such laws. For purposes of determining compliance with such section 347, the effective annual rate of interest will be determined in accordance with generally accepted actuarial practices and principles over the term of this Agreement and, in the event of dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by Accord will be prima facie evidence for the purposes of such determination.

(e) Waiver/Remedies. Any single or partial exercise by Accord of any right or remedy for a default or breach of any term, covenant, condition or agreement herein contained shall not be deemed to be a waiver of or to alter, affect, or prejudice any other right or remedy or other rights or remedies to which Accord may be lawfully entitled for the same default or breach;

(f) Severability. The Debtor acknowledges that the provisions of this Agreement are commercially reasonable. Should any provision of this Agreement be or become illegal, invalid or not enforceable, it will be considered separate and severable from this Agreement and the remaining provisions will remain in force and be binding upon the parties hereto and be enforceable to the fullest extent of the law;

(j) Survival. Subject to the terms and conditions of this Agreement, all obligations of the Debtor, and the rights and remedies of Accord, including all indemnities of Accord by the Lessee, shall survive the termination of this Agreement and the receipt of all amounts due and owing by the Debtor to Accord;

(l) Electronic Communication. The parties may exchange information or communicate regarding the Agreement using email or other formats of electronic communication. The parties agree and acknowledge that there are risks associated when using email and other electronic communication, and specifically that information may be accessed by third parties as a result. The parties hold each other harmless in the event that information in emails or other electronic communication is inadvertently disclosed to or otherwise assessed by third parties. Any information exchanged by email or other electronic communication will not vary, modify, amend, or change the terms or conditions of the Agreement, or any other agreements between the parties.

(m) Counterparts. This Agreement may be executed in several counterparts, each of which, when so executed, shall be deemed to be an original and which counterparts together shall constitute one and the same Agreement.

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Agreement No:	106687
----------------------	---------------

1. Attachment: The Debtor acknowledges that value has been given and that Accord's security interest in the Equipment attaches upon the execution of this Agreement, or if the Debtor has no interest in the Equipment, or in any part of the Equipment, upon execution than at the same time the Debtor acquires an interest in the Equipment.

2. Credit Investigation & Consent to Information Sharing: The Debtor hereby authorizes Accord, its agents, affiliates, subsidiaries, and third-party service providers, at any time whether it be before, during, or after the completion of this Agreement, to conduct financial and credit investigations of the Debtor, its individual principals, shareholders, guarantors, and/or persons otherwise connected with this Agreement, and to collect, use, share, and disclose personal and business information about such parties for the purposes of approval, maintenance, statistical analysis, and enforcement (the "Information"), from any source to which Accord may apply and each source is hereby authorized to provide the Information to the Accord. Sources of the Information may include, but are not limited to, credit reporting agencies, credit bureaus, creditors, credit grantors, or any banking or other financial institution. Accord may further collect, use, and disclose the Debtor's Social Insurance Number or other personal identifier to verify and report credit information to credit bureaus or credit reporting agencies as well as to confirm identities. The Debtor understands and consents to the Information being held on file by Accord as per Accord's official Privacy Policy, which is available upon request.

3. Indemnification: The Debtor hereby agrees to indemnify and save Accord and its affiliates, subsidiaries, officers, directors, agents, and servants, harmless from and against any and all actions, claims, liens, costs, damages, disbursements, expenses (including legal expenses), liabilities, taxes, charges, fees, or any losses whatsoever suffered or incurred by Accord, due to the Debtor's ownership, use, or possession of the Equipment, any breach by the Debtor of any provision under this Agreement, or any exercise by Accord of enforcing its rights or remedies under this Agreement.

4. Joint And Several Liability: EACH DEBTOR (if there is more than one Debtor) acknowledges and agrees that liability for all obligations under this agreement is joint and several (and in the Province of Quebec, solidarily).

5. Insurance: The Debtor shall obtain and maintain for the term of this Agreement, at its own expense, insurance for all risks of physical loss or damage to the Equipment and to persons associated with the Equipment, including without limitation, theft, collision, personal injury or death, liability and damage to the property of others, and such other risks of loss as are customarily covered by insurance on like equipment and maintained by prudent operators of businesses similar to that in which the Debtor is engaged, in such amounts, in such form, on such terms, and with such insurers as shall be satisfactory to Accord, including insurance for damage or destruction to the Equipment in a sum not less than the greater of the amount secured by this Agreement and the replacement cost of the Equipment. Accord may, if the Debtor's insurance is inadequate, require that insurance on the Equipment be improved, changed, or amended to comply with this Agreement.

Each insurance policy will designate Accord as a first loss payee and specify that the proceeds of insurance generated in the event of any damage to or loss of the Equipment (the "Proceeds") shall be allocable exclusively to the Equipment and payable solely to Accord, and segregated

from proceeds generated by any damage to or loss of other insured property and/or persons, and any refund of premium is hereby assigned to Accord. Each insurance policy shall also contain a clause requiring the insurer to give at least thirty (30) days written notice of any alteration to the terms of such policy, and its cancellation. All insurance policies and renewal certificates shall be provided to Accord upon request. The Debtor shall provide Accord with prompt notice of any damage to or loss of any part of the Equipment.

If the Debtor fails to maintain insurance, or otherwise fails to provide a certificate of insurance to Accord, the Debtor agrees that Accord shall be entitled, but not obliged, to obtain the required insurance, and the Debtor shall cooperate with Accord's insurer in connection with the placement of such insurance and the processing of any claims. Nothing herein shall be deemed to obligate or Accord to act as an insurer, or to secure, maintain in force, or renew any insurance, in any amounts, or upon any specific terms and conditions, and Accord reserves the right to terminate any such insurance coverage which Accord may arrange, or allow same to lapse, without liability to Debtor. Any amounts incurred by Accord shall be borne by the Debtor and form part of the Indebtedness and be payable as set out in Section 17 of this Agreement.

6. Performance and Reimbursement: The Debtor agrees that Accord shall be entitled, but not obliged, to perform any of obligations of the Debtor under this Agreement should the Debtor fail to do so.

Any and all payments, charges, costs, fees, expenses, damages, or liabilities suffered or incurred by Accord due to the non-performance by the Debtor of its obligations under this Agreement shall be borne by the Debtor and all such amounts paid by Accord shall be immediately due and payable by the Debtor and form part of the Indebtedness, and shall bear interest at the implicit rate per annum then applicable to amounts due under this Agreement, calculated and compounded monthly, until paid, and shall be secured by this Agreement.

Accord will not be responsible for any damage or loss of business suffered by the Debtor as a result of such use by Accord of any tracking or engine control device.

12. Security Deposit: Accord may apply the Security Deposit as it wishes, at any time, to any amounts due under this Agreement if not paid by the Debtor. (i) The Debtor ceases or threatens to cease its business;

(j) The Debtor pays dividends or other distributions which, in the sole determination of Accord, impair the financial health of the Debtor;

(k) The Debtor removes or permits removal of the Equipment from the Equipment Location, or sells, leases, disposes, or proposes to dispose of the Equipment or any interest therein;

(l) Any lien or encumbrance of any kind whatsoever attaches to the Equipment with priority to or on a *pari passu* basis with this Agreement, or any lien or encumbrance becomes enforceable against the Equipment or any of the Debtor's other assets, regardless of its priority thereto, or any debt of the Debtor becomes accelerated;

(m) Accord has commercially reasonable grounds to believe that the prospect of payment or performance under this Agreement is or is about to be impaired, or that the Equipment is or is about to be placed in jeopardy;

(n) An event of default occurs under any other contract, lease, or agreement as between the Debtor (or any of them, if there is more than one Debtor) and Accord (or any of Accord's related companies, subsidiaries, and affiliates); or

(o) Any guarantor of the Debtor's obligations under this Agreement disputes its obligations under its guarantee, or seeks to terminate its guarantee of the Debtor's future obligations or becomes subject to any of the events set out in Sections 13 (b) - (d), (g), (j) - (k) above.

14. Cross-Collateral Default: A Default under this Agreement shall be deemed to trigger a material event of default under any other contract, lease, or agreement as between the Debtor (or any of them, if there is more than one Debtor) and Accord (or any of Accord's related companies, subsidiaries, and affiliates), whether Accord is the original lender/lessor or an assignee), or between the Debtor and any of Accord's related companies and subsidiaries. Accord may elect, in its sole and absolute discretion, to forbear enforcement on any other agreement between the Debtor and Accord, but in so doing, Accord shall not be deemed to waive its rights under this Section 14.

15. Remedies: Upon a Default having occurred and at any time thereafter, Accord shall have the following rights and remedies, each of which are cumulative and are in addition to and not in substitution for or a limitation of any rights or remedies provided by law, all of which may be exercised alone or in conjunction with any other of Accord's rights and remedies herein or otherwise at law (provided only that such rights are not inconsistent), and Accord shall not be required to enforce or exhaust any particular remedy, as against any particular Debtor, but may choose to enforce against any one Debtor or all of them:

(a) Accord may, by notice to the Debtor, declare all of the Indebtedness to be immediately due and payable, and Accord may set-off against any amounts owing by it to the Debtor;

(b) Accord may pay off any lien or encumbrance against the Equipment and any amounts incurred by Accord, with costs, shall be borne by the Debtor and form part of the Indebtedness and shall bear interest as set out in Section 17 until paid;

(c) Accord may seize or disable the Equipment wheresoever it is situated, or may sue the Debtor for all the Indebtedness owing under this Agreement, or do both, and any judgment and/or seizure or disposition of the Equipment shall not create any merger of Accord's rights herein;

(d) In the event that Accord has seized or disabled the Equipment, Accord or its agent may:

(i) without notice to the Debtor repair, or sell, consign, lease, or otherwise dispose of the Equipment by private contract or by private or public auction, and shall have all rights of access to the Equipment necessary in Accord's opinion to effect such disposition and the Debtor authorizes its landlord to provide Accord with such access, and Accord may in its discretion establish such terms of disposition as it deems desirable, including credit, reserve bids, payment terms and price; or

(ii) elect to retain the Equipment in satisfaction of all or part of the Indebtedness. In the event Accord elects to retain the Equipment in respect of less than all of the Indebtedness, Accord shall advise the Debtor of the part of the Indebtedness the Equipment is retained in respect of, and Accord shall act reasonably in ensuring that the net realizable value of such Equipment equates to the value of such Indebtedness, which may in Accord's sole discretion include relying on the judgment of appraisers, and Accord may thereafter continue to enforce all rights and remedies available to it to recover payment in respect of any part of the Indebtedness which remains unsatisfied;

(e) All costs of repairs and all other costs incurred in connection with the seizure, disabling, holding, and disposition of the Equipment, including fees of its agents and professional advisers (including all legal fees), all allowable and reasonable costs in effecting the collection, whenever and howsoever incurred, and a sum of money equal to three (3) months interest at the rate implicit per annum, and any amounts incurred by Accord shall be borne by the Debtor and form part of the Indebtedness and shall bear interest as set out in Section 17 until paid;

(f) In the event the Equipment is sold, all proceeds of sale shall be applied by Accord in reduction of the Indebtedness in the order Accord, in its sole discretion, determines is appropriate and the Debtor shall continue to be liable for any deficiency;

(g) Accord shall have no liability due to any failure to seize, realize, dispose of, or otherwise deal with the Equipment or any other collateral, or failure to enforce any of its other rights against the Debtor or any other person or for any negligence on its part or the part of its agents, nor shall Accord be bound to institute proceedings against any person for such purposes or for the purpose of preserving its rights in respect of the Equipment;

(h) If Accord or its agents take possession of the Equipment they shall have no liability as a creditor in possession and shall not be accountable for anything other than actual receipts.

(i) The Debtor's liability for the Indebtedness is not subject to the equities between it and Accord and no right of set-off by the Debtor shall apply. Upon the occurrence of a Default, the Debtor hereby irrevocably waives time for the payment of the Indebtedness;

(j) Accord may, in lieu of or in addition to exercising any of its rights and remedies under this section, appoint or retain any person as its agent to exercise such rights and remedies.

16. Pre-Authorized Payments: The Debtor authorizes Accord or its assigns to draw regular payments for business purposes (the "PAP" or "PAP's") from its designated bank account (whether it continues to be maintained at the current location or at another branch of the bank, or at another bank) (the "Designated Account") to cover all of the required payments, fees, and interest, under this Agreement. Each PAP will be drawn from the Designated Account in the amounts and due dates determined under this Agreement.

The Debtor specifically waives any pre-notification requirements that apply to any PAP and agrees that written notice will not be provided (1) before the due date of any PAP, (2) of any change to the amount of any PAP, and (3) of any change to the due dates. Accord will obtain the specific prior authorization of the Debtor for one-time or other sporadic PAP's, the amounts or due dates of which are not identified in this Agreement.

The Debtor warrants that all persons whose signatures are required to sign on the Designated Account have signed this Agreement. The Debtor will immediately notify Accord in writing of any change to the Designated Account, and in any event, no later than ten (10) days post change. Accord is not responsible to notify the Debtor if any PAP is reversed due to non-sufficient funds, funds not cleared, or changes to the Designated Account. In such an event, Accord may re-present the PAP within 30 days of the original due date. The Debtor is responsible for any charges that arise from such a situation and is required to ensure that the necessary payment is made to Accord through an alternative method. The Debtor must contact Accord to arrange for coverage of any missed payment(s).

The Debtor may change or cancel this PAP authorization at any time on thirty (30) days written notice to Accord: Accord Small Business Finance Corp., 305 – 889 Harbourside Drive, North Vancouver, BC, V7P 3S1, (phone: (604) 982-3031; fax: (888) 835-9757; email: customerservice@accordfinancial.net). However, the Debtor hereby acknowledges that PAP's are a CONDITION OF THIS AGREEMENT. Cancelling this PAP authorization without immediately replacing it, will be considered an Event of Default under this Agreement. In the event Accord waives the requirement for PAP's, then the Debtor will pay a service charge for other payment methods. The Debtor acknowledges that the right to cancel this PAP authorization only applies to the method of payment and has no bearing otherwise on the obligations under this Agreement.

Accord may assign this authorization to any third party to whom it assigns its interest in this Agreement. The Debtor will be notified of the identity and contact information of any such assignee. The Debtor has certain recourse rights if any PAP does not comply with this Agreement. For example, the Debtor has the right to receive reimbursement for any PAP that is not authorized or is not consistent with this Agreement. To obtain more information on the recourse rights of the Debtor, or the rights of the Debtor to cancel a PAP authorization, or to obtain a sample cancellation form, the Debtor should contact its financial institution or visit www.cdnpay.ca.

17. Overdue Payments: When a payment or any other amount owing by the Debtor under this Agreement is not paid when due, the Debtor agrees to pay Accord a late fee of \$10.00 for each month or partial month during which such amount is unpaid, plus interest at the rate of 28.8% per annum, calculated and compounded monthly, payable on demand. The Debtor further agrees to pay to Accord a Returned Cheque Charge of \$50.00 plus

GST payable on demand for each dishonoured cheque. All such amounts payable to Accord under this Section 17 shall form part of the Indebtedness.

18. Charge on Land: The Debtor hereby charges any lands which it owns or may in the future own during any time when any amount remains outstanding under this Agreement and it authorizes the registration of any and all caveat(s), lien(s), or other encumbrances against any such property. Accord reserves the right to file such registration(s) at any time during this Agreement.

19. Law: This Agreement is governed by the laws in which the use of the Equipment was originally intended as indicated by the Equipment Location and the parties attorn to the jurisdiction of the courts of such province. Terms not otherwise defined in this Agreement have the meaning ascribed them under the PPSA unless the context is inconsistent with this Agreement. To the maximum extent permitted by law, the Debtor waives its rights and all benefits under any existing or future statute which limits the rights and/or remedies of a secured party and, in particular, agrees that Part 6 of the *Law of Property Act* (Alberta), the *Seizures Act* (Alberta) and the *Limitation of Civil Rights Act* (Saskatchewan), or any amendments or regulations thereof, shall not apply to this Agreement.

20. Criminal Code: Notwithstanding any provision in this Agreement to the contrary, in no event will the aggregate "interest" (as defined in section 347 of the *Criminal Code* (Canada)) payable by the Debtor under this Agreement exceed the maximum effective annual rate of interest on the "credit advanced" (as defined in that section 347) permitted under that section and, if any payment, collection or demand pursuant to such loan agreement in respect of "interest" (as defined in that section 347) is determined to be contrary to the provisions of such section 347, such payment, collection or demand will be deemed to have been made by mutual mistake and the amount of such payment or collection will be refunded to the Debtor only to the extent of the amount which is greater than the maximum effective annual rate permitted by such laws. For purposes of determining compliance with such section 347, the effective annual rate of interest will be determined in accordance with generally accepted actuarial practices and principles over the term of this Agreement and, in the event of dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by Accord will be prima facie evidence for the purposes of such determination.

(e) Waiver/Remedies. Any single or partial exercise by Accord of any right or remedy for a default or breach of any term, covenant, condition or agreement herein contained shall not be deemed to be a waiver of or to alter, affect, or prejudice any other right or remedy or other rights or remedies to which Accord may be lawfully entitled for the same default or breach;

(f) Severability. The Debtor acknowledges that the provisions of this Agreement are commercially reasonable. Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Accord Small Business Finance Corp. (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$1.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
