2 RAYMOND C. WHITAKER III: AFFIRMED.

3 CROSS-EXAMINATION BY MR. BRZEZINSKI:

4 1 Q. Good afternoon, Mr. Whitaker.

5 Thank you for being here today and agreeing to be
6 cross-examined on what appears to be three
7 affidavits that you have filed in these
8 proceedings.

9 Let me just make sure that we've got
10 them all. So I believe you swore an affidavit that
11 was dated May the 19th, 2020, in support of this
12 application?

13 A. That's correct.

14 2 Q. And have you had a chance to
15 review this affidavit prior to this
16 cross-examination?

17 A. Yes, sir.

18 3 Q. And were the contents true when
19 you swore that affidavit?

20 A. Yes, they were.

21 4 Q. Are they still true today?

22 A. I believe so, yes.

23 5 Q. I understand you swore affidavit
24 number 2 on May the 26th, 2020. Do you recall that
25 affidavit?

1 A. Yes, sir.

2 6 Q. And did you review it before you
3 swore it?

4 A. I did.

5 7 Q. And were the contents true at the
6 time you swore to that affidavit?

7 A. I believe so, yes.

8 8 Q. Are they still true today?

9 A. I believe so.

10 9 Q. Okay. We have just received,
11 about an hour ago, an affidavit of today's date,
12 May the 31st. Is this an affidavit that you swore
13 to?

14 A. Yes, sir, it is.

15 10 Q. And were the contents true when
16 you swore it?

17 A. Yes, they were.

18 11 Q. I presume they're still true now?

19 A. That's correct.

20 12 Q. So let's talk about some of the --
21 just a brief background, if you don't mind,
22 Mr. Whitaker.

23 A. Sure.

24 13 Q. So when did you join -- I'm going
25 to call the applicants collectively "GGB." Are you

1 okay with that?

2 A. Yes, sir.

3 14 Q. When did you first become employed
4 at GGB?

5 A. Late February 2019.

6 15 Q. In what capacity was that
7 employment? What did you do?

8 A. Chief Operating Officer. I had
9 responsibility for the store's organization, both
10 in CBD and THC, so the MSO side of the business. I
11 had responsibility for real estate and store
12 design, eComm for a brief while, and the M&A
13 activities of the business.

14 16 Q. So you were looking after the CBD
15 side of the business as well; right?

16 A. That's correct, at least as it
17 relates to the store side of it, correct.

18 17 Q. Prior to being employed at GGB,
19 did you have any relationship with the Shottenstein
20 family?

21 A. I had met Jay one other time.
22 That was it.

23 18 Q. I presume that it was -- the
24 interview process which allows you to be hired at
25 GGB, was that Mr. Shottenstein?

1 A. It was with Peter Horvath, the CEO
2 prior to me.

3 19 Q. Yes.

4 A. And at one point, I met with Joey
5 prior to --

6 THE COURT REPORTER: Sorry, I didn't
7 hear that. There was a cough. "I met with Joey
8 prior to" --

9 THE WITNESS: I interviewed with
10 Peter Horvath, who was the CEO of Green Growth
11 Brands, and then right prior to an offer being
12 granted, I met with Joey Shottenstein for the first
13 time. Did not meet with Jay again.

14 BY MR. BRZEZINSKI:

15 20 Q. I see. And at the time you were
16 hired as COO, was Peter Horvath the CEO?

17 A. He was.

18 21 Q. Thank you.

19 How long did you hold that COO?

20 A. Until March 19th of this year when
21 Peter resigned. So slightly over a year.

22 22 Q. And then you became the CEO?

23 A. On an interim basis, that's
24 correct.

25 23 Q. When you say "an interim basis,"

1 does that mean that somebody else will be appointed
2 in your stead shortly?

3 A. I can't answer that, but that's
4 possible, I suppose.

5 24 Q. But that's the point of the word
6 "interim," isn't it?

7 A. Yeah. Right.

8 25 Q. Do you have any plans to leave
9 GGB?

10 MR. TAYLOR: Lou, can I interrupt for a
11 sec? How is this relevant to the motion that we
12 brought?

13 MR. BRZEZINSKI: Well, I want to see
14 where he's going to.

15 MR. TAYLOR: How is that relevant to
16 the motion we brought?

17 MR. BRZEZINSKI: The response that we
18 made to your motion is that there is a connection
19 between all the parties in this, and they are not
20 dealing at arm's length. This is further to the
21 response that we filed.

22 MR. TAYLOR: So is your question, then,
23 whether or not he's been offered a job at
24 AcquireCo, if I can use the word "AcquireCo"? Is
25 that your question?

1 MR. BRZEZINSKI: No. If I can ask my
2 own question, Ash, I'd appreciate that.

3 MR. TAYLOR: I'm trying to help.

4 MR. BRZEZINSKI: Thank you.

5 BY MR. BRZEZINSKI:

6 26 Q. Have you been offered a job by any
7 company owned, controlled by Mr. Boich?

8 A. No.

9 27 Q. Have you been offered a job at any
10 other company owned and controlled by the
11 Shottenstein family?

12 A. No.

13 28 Q. Have you been offered a job at --
14 what Mr. Taylor and what I will refer to as
15 "AcquireCo"?

16 A. No.

17 29 Q. Have you been offered a job from a
18 company called All Js?

19 A. No.

20 30 Q. And I'm going to ask my team --
21 sorry, there's some background noise here that's a
22 little concerning.

23 A. Sorry, I'm having a hard time
24 hearing you, Lou.

25 31 Q. I'm going to move a little closer

1 to my computer.

2 A. Thank you.

3 32 Q. I'm going to ask my team if they
4 can put up the first affidavit that you swore, and
5 I want to turn to paragraph 32.

6 A. Okay.

7 33 Q. So this is a list of assets that
8 was taken from your audited book value as of June
9 the 30th, 2019, at least that's what the affidavit
10 says.

11 Can you tell me where we can find the
12 revenue of the GGB group and what that revenue was
13 at that same period of time?

14 A. It would be in our public filings,
15 not on what you have here, which is an excerpt of a
16 balance sheet.

17 34 Q. Can you tell me why the
18 information was not contained in the affidavit?

19 A. I can't tell you that. I'm sorry.
20 I don't know the answer to that.

21 35 Q. Okay. Do you know what GGB's
22 revenue was at the end of December 31st, 2019?

23 A. December 31st? You mean the end
24 of Q2?

25 36 Q. Yes.

1 A. I would have to look it up to give
2 you the exact number, but I would say on or about
3 \$21 million.

4 37 Q. What is the year-end for GGB?

5 A. June 30th.

6 38 Q. Sorry, January 30th?

7 A. June 30th, which is what's been
8 this document.

9 39 Q. Sorry, I didn't hear you. Is it
10 June 30th or January 30th?

11 A. June 30th is our fiscal year-end.

12 40 Q. Thank you.

13 Now, you indicated that when you were
14 the COO, you ran the MSO operation; is that
15 accurate?

16 A. Yes, sir. Yes.

17 41 Q. And so I presume you're familiar
18 with that operation?

19 A. Reasonably familiar, yes.

20 42 Q. And did you have direct
21 involvement with the Nevada regulators regarding
22 the Nevada cannabis licences?

23 A. I did not.

24 43 Q. Has there ever been a value placed
25 on the cannabis licence for Nevada state?

1 MR. TAYLOR: Sorry, can you repeat? I
2 couldn't hear you, Lou. Could you say that again?

3 BY MR. BRZEZINSKI:

4 44 Q. Has there ever been a valuation
5 done of the Nevada cannabis licences?

6 A. I'm not sure if I understand
7 completely. You mean like a -- bring in an audit
8 firm to do that?

9 45 Q. Or a valuator or some other
10 professional.

11 A. Not to my knowledge specific to
12 Nevada.

13 46 Q. Has GGB, while you were there,
14 ever received an offer to purchase the Nevada state
15 licence for cannabis?

16 A. I'm sorry. I didn't hear you, the
17 last part of that, Lou.

18 47 Q. While you were at GGB and up until
19 the present, has there been any offers received by
20 GGB to purchase the Nevada cannabis licences?

21 A. There -- offers, I don't know.
22 There has been discussions with potential buyers of
23 almost all assets that we've had along the way.
24 How serious, I don't know that I could tell you
25 that, Lou.

1 48 Q. But was there a formal offer
2 tendered to purchase the Nevada state licences?

3 A. Not to my knowledge.

4 49 Q. Who were you negotiating with to
5 sell or purchase the Nevada state licences?

6 A. There's been a number of companies
7 along the way that, as we attempted to, I guess I
8 call it monetize assets, we've talked to. Harvest
9 Health would be one. There were conversations,
10 albeit I wasn't in much of them, with MejMed (ph).

11 There were conversations, when I first
12 joined, with Tilray about a business conversation,
13 which I could not speak to at any depth. And I'd
14 say that's probably the best of my recollection,
15 Lou.

16 50 Q. Can you tell me with whom those
17 negotiations were with?

18 MR. TAYLOR: Lou, can I interrupt you
19 for a sec? Where are you going with this? We're
20 bringing a motion seeking approval of a sale
21 process pursuant to which the Monitor is going to
22 go out and contact, right, a couple hundred people,
23 and if these people are interested in making an
24 offer, they have an opportunity to make an offer.

25 How does what happened prior to filing

1 make any difference for the motion that we have
2 brought?

3 MR. BRZEZINSKI: It makes a difference
4 in terms of how those Nevada state licences are
5 valued for the purposes of sale. I'm trying to
6 understand if there were offers --

7 MR. TAYLOR: But the value of those
8 licences will be determined through the sale
9 process. That's the whole point.

10 MR. BRZEZINSKI: Let me just ask these
11 questions.

12 MR. TAYLOR: I don't see the relevance
13 of these questions. If you could explain them to
14 me, then maybe I will let you ask them.

15 MR. BRZEZINSKI: I think I have. It
16 says the value of the licence, which is --

17 R/F MR. TAYLOR: Okay. I don't think that
18 that's relevant for the motion.

19 MR. BRZEZINSKI: Thank you. I'll take
20 that as a refusal.

21 BY MR. BRZEZINSKI:

22 51 Q. Has there been any valuation
23 placed on the Florida state cannabis licences?

24 A. Not to my knowledge.

25 52 Q. Has there been any offers to

1 purchase the Florida --

2 R/F MR. TAYLOR: Lou, I'm going to make the
3 same objection on this line of questioning as well.
4 This is not relevant to our motion.

5 You know from the material that we
6 filed that we have a process that's been underway
7 for some time to try to sell those assets. That
8 process is continuing, and any value that there is
9 to that business will be determined through that
10 process.

11 MR. BRZEZINSKI: I'm trying to get
12 clarity and transparency into the process,
13 Mr. Taylor. That's the problem. Clearly you're
14 not assisting in doing this.

15 MR. TAYLOR: Well, you have the right
16 under the initial order to make inquiries of the
17 Monitor. If you're looking for information and to
18 the extent it's not confidential, it will be
19 provided.

20 Also, as I wrote to you last Wednesday,
21 if you would like information about the Florida
22 sale, we can talk about the terms pursuant to which
23 we can provide you with confidential information,
24 but it's not appropriate questioning for this
25 examination.

1 BY MR. BRZEZINSKI:

2 53 Q. I have the same questions about
3 the Massachusetts state licences. Have they ever
4 been valued?

5 R/F MR. TAYLOR: And I'm going to have the
6 same objection.

7 BY MR. BRZEZINSKI:

8 54 Q. Mr. Whitaker, it goes without --
9 well, you did say in your affidavit that All Js is
10 one of GGB's existing creditors; is that correct?

11 A. Yes, sir.

12 55 Q. And All Js is also a shareholder
13 of GGB; is that correct?

14 A. To my knowledge, that's correct.

15 56 Q. Are there any shareholders -- do
16 they hold or own the largest amount of shares of
17 any other shareholder that you're aware of?

18 A. I believe they do.

19 57 Q. Is it your view and understanding
20 that All Js is the controlling shareholder of GGB?

21 MR. TAYLOR: Can I help here, Lou? I
22 believe that you received a letter setting out this
23 information, did you not?

24 Plus, who the shareholders are is a
25 matter of public record, and so you don't need to

1 ask Mr. Whitaker about who the shareholders are.
2 It's public information.

3 And one other thing is, as you know, we
4 are in CCAA now. The value of those shares is
5 zero, and shareholder approval is not required for
6 a sale of the business.

7 MR. BRZEZINSKI: Thank you, Mr. Taylor.

8 BY MR. BRZEZINSKI:

9 58 Q. Mr. Whitaker, is All Js the
10 controlling shareholder of GGB?

11 R/F MR. TAYLOR: I think that's a legal
12 conclusion that Mr. Whitaker is not qualified to
13 make.

14 MR. BRZEZINSKI: Mr. Taylor, are you
15 prepared to answer that question then?

16 MR. TAYLOR: I don't know the answer to
17 that, but you have the information about who holds
18 what shares. And you're a lawyer. You can make
19 that determination.

20 MR. BRZEZINSKI: Thank you for your
21 cooperation.

22 MR. TAYLOR: You're welcome.

23 BY MR. BRZEZINSKI:

24 59 Q. Mr. Whitaker, in the course of
25 your employment, both as COO and CEO, did you speak

1 to Mr. Shottenstein as part of your daily job?

2 A. Can you confirm? Which
3 Mr. Shottenstein are you talking about? Sorry.

4 60 Q. Joey Shottenstein.

5 A. I speak with Joey, but I certainly
6 don't speak with Joey daily.

7 61 Q. Do you consult with Joey before
8 you make any decisions on behalf of GGB?

9 A. Not always, no.

10 62 Q. Most of the time?

11 A. I don't know if I could even say
12 "most of the time."

13 63 Q. Well, tell me how many times --

14 A. I would say less than half the
15 time, and yet I respect the fact that the
16 Shottensteins are major shareholders and major debt
17 holders.

18 64 Q. When you say you respect that, you
19 mean you respect what they have to say to you about
20 how the company should be run?

21 A. Well, I respect them like I
22 respect any shareholder of significance. And the
23 fact is they are involved in our business.

24 And having said that, we have a fully
25 functioning board, so where appropriate, we talk to

1 them. I would say the majority of my conversations
2 with them over the last six months has been around
3 the financing of this company and cash flow.

4 65 Q. Did you discuss with them the
5 filing of the CCA proceedings before you agreed to
6 do that?

7 MR. TAYLOR: Sorry, could you clarify
8 what you mean by -- you mean before the board
9 approved the filing?

10 MR. BRZEZINSKI: Yes.

11 THE WITNESS: I'm sure I did,
12 especially because we were talking to them about
13 DIP financing.

14 BY MR. BRZEZINSKI:

15 66 Q. When you say "them," do you mean
16 Joey or Jay?

17 A. Joey.

18 67 Q. Okay. So Joey was the middleman,
19 if you wish, between All Js and GGB with respect to
20 the DIP?

21 A. Joey and Ben Kraner, who works for
22 SPG.

23 68 Q. Other than Joey and Ben Kraner,
24 did you have any discussions with any other
25 creditor for the purposes of obtaining a DIP loan?

1 A. I talked briefly with Wayne Boich.

2 69 Q. Okay. And were there discussions
3 with any other lender for the purposes of obtaining
4 a DIP loan?

5 A. Not that I was party to.

6 70 Q. Was there any process initiated
7 either by yourself or anyone at GGB for the
8 purposes of seeking and obtaining a DIP loan?

9 A. "Process" in what respect, Lou? I
10 want to make sure I answer your question. I mean,
11 yes, we talked with our board. Yes, we got
12 approval from our board. Yes, we engaged a couple
13 of weeks ahead of time with Sharon of the E&Y team,
14 both to work on cash flows and potential DIP
15 budgets.

16 So if that's how you're referencing it,
17 I would say the answer to your question is yes.

18 71 Q. Well, then let me be more
19 specific, Mr. Whitaker. Did you engage the
20 services of an investment banker to obtain -- to
21 search for a DIP loan?

22 A. I did not.

23 72 Q. Mr. Horvitz makes a reference of a
24 meeting that he had with you on Ms. Jay
25 Shottenstein's yacht on January 2020.

1 MR. TAYLOR: Lou, could you take the
2 witness to the affidavit that you're referring to?

3 MR. BRZEZINSKI: Yes, paragraph 53(f)
4 of the Horvitz affidavit. We can put that on the
5 screen.

6 MR. TAYLOR: Could you go back to the
7 beginning of this? Like, there's a (f). What was
8 the beginning of it?

9 THE WITNESS: Okay.

10 BY MR. BRZEZINSKI:

11 73 Q. Mr. Horvitz swears to a
12 conversation he had with you where you said that
13 GGB had been insolvent since September 2019. Do
14 you recall telling him that?

15 A. I do.

16 74 Q. When did you first know or learn
17 of the insolvency of GGB?

18 A. GGB has always been a
19 cash-flow-negative business, Lou, relying on
20 investments from the outside, be it equity or debt.

21 So I would tell you that my entire
22 tenure at GGB has been one that repeated insertions
23 of funding have been required while the business
24 went after its strategy.

25 75 Q. Now, the CBD business, which at

1 one time was part of and I think is -- well,
2 technically it still is part of GGB. That is
3 presently in receivership; is that correct?

4 A. Yes, sir.

5 76 Q. Okay. And were you involved in
6 the restructuring of that part of the business?

7 A. Yes, I was.

8 77 Q. And did you form a special
9 committee to determine alternatives to a solvency?

10 A. Relative to the CBD business, yes,
11 we did. In early February, we did.

12 78 Q. And in that process or the special
13 committee, was there any recommendations about how
14 the business -- or the sale of the CBD business
15 should be conducted?

16 A. We talked with our board and the
17 special committee quite often, as a matter of fact,
18 because as I included in my affidavit, after the
19 special committee was formed, we entered into a
20 stalking-horse agreement with a sub of the BRN
21 Group and also at the same time engaged an outside
22 financial advisor at AltaCorp to conduct a 30-day
23 go-shop period to see if we could come up with a
24 superior offer.

25 79 Q. And could you tell me, in terms of

1 the stalking-horse bid for the CBD business, how
2 did you come to have that bid formalized in terms
3 of did you find -- how did you find that purchase
4 term? What was the process for doing that?

5 A. It was -- it was actually part of
6 the conversation, at least the stalking-horse part
7 of it was on the boat when Adam Arviv and
8 Sean Posner suggested that it might be possible for
9 the BRN company, which they're affiliated to, to
10 buy the CBD business from GGB.

11 80 Q. That's BRN; right?

12 A. Yes, sir. That's my
13 understanding.

14 81 Q. And that conversation was
15 formalized into an actual stalking bid offer?

16 A. Yes, sir.

17 82 Q. Did you look for any other
18 stalking horse -- stalking horses, I guess, other
19 than the BRN offer?

20 A. Well, I would probably say this to
21 you, Lou: We had been trying to sell that CBD
22 business for a solid six or eight months before
23 that point, right.

24 So during most of the fall, we were
25 engaged with a Canadian LP who, quite candidly, we

1 were very hopeful would end up purchasing the CBD
2 business.

3 And unfortunately, that didn't come to
4 fruition, which is how we formed special committee,
5 and we obviously ended up with BRN through the
6 go-shop process.

7 I -- my point of view, as I understand
8 it, the go-shop process -- and this is documented
9 in my affidavit -- was quite robust. I thought
10 AltaCorp did an extraordinary job of identifying
11 people who played in the space.

12 And candidly, we got very close with a
13 competing offer up and to the point where COVID
14 came, and that scared them away.

15 83 Q. Tell me about AltaCorp. What is
16 their background? What did they do?

17 A. AltaCorp?

18 84 Q. Yes.

19 A. They're a bank. I don't have -- I
20 didn't have exposure to them before this process.
21 I was incredibly impressed with their thoroughness,
22 I think as our board would say to you as well.

23 And I think they served -- they served
24 a teaser document to 77 companies, 9 NDAs, 4 very
25 serious players.

1 And ultimately, you know, we were -- we
2 were quite excited about a possible higher bid.
3 And, you know, timing is what it is, and COVID
4 reared its ugly head and, you know, sort of the
5 rest is how it played out.

6 85 Q. What about the MSO business? Was
7 that also up for sale and ultimately sold?

8 A. Ultimately sold?

9 86 Q. Sorry, rather, let's deal with it.
10 Was that also put up for sale?

11 A. We -- I would say almost, Lou.
12 Since I walked in the door in February of '19, we
13 were looking for ways to monetize assets, form
14 joint ventures, you know, expand the size of the
15 company and/or sell off assets along the way.

16 I think, you know, as we moved into
17 fall, it became quite clear that the CBD business
18 required an extraordinary amount of cash to get up
19 and moving.

20 And with, you know, certainly the help
21 of our board and the special committee, we decided
22 the best thing for our go-forward business would be
23 to try to sell the CBD business to focus on the MSO
24 business.

25 87 Q. And then what happened to the MSO

1 business?

2 A. We did not recapitalize our
3 balance sheet, and we are where we sit today trying
4 to go through a CCA process, you know, and we'll
5 see where we come out the other side unfortunately.

6 But, you know, those conversations we
7 had back in January were all about what the
8 potential of the business was and strategy sessions
9 on how best to try to recapitalize the balance
10 sheet.

11 88 Q. So we're talking about the -- we
12 see the January. We're talking about that, I
13 guess, now-infamous meeting on the yacht; is that
14 right?

15 A. Well, I don't know if it's
16 infamous, but, yes, I'm referencing that. And
17 that was --

18 89 Q. I don't mean that in a negative
19 way.

20 A. I appreciate that. But the fact
21 is we tried to get influential shareholders
22 together, debt holders together, to come up with
23 the right way, the creative way to protect the
24 future of GGB.

25 90 Q. Was Jay Shottenstein present on

1 the yacht when those discussions took place?

2 A. He was.

3 91 Q. Was he part of the discussions?

4 A. He was. He was, yeah.

5 92 Q. Can you just clarify this for me?

6 Is the MSO or the multistate operation -- is that
7 part of the assets that are going to be sold in
8 this CCA process?

9 A. That's part -- those are the
10 assets that will be put into the SISP, yes.

11 93 Q. It just wasn't clear when I was
12 reading it.

13 Now, I understand that the Florida
14 licences are not part of this CCA process in
15 Canada; is that right?

16 MR. TAYLOR: Well, indirectly, Lou,
17 they're -- I mean, they're one of the OpCos, right,
18 and as you know, they're not an applicant, but none
19 of the operating businesses are applicants of the
20 CCAA. They're all operating in the U.S. below the
21 applicants. So when you say part of the CCAA,
22 technically no.

23 BY MR. BRZEZINSKI:

24 94 Q. Okay. Well, through their
25 ownership to the parent company in Canada, are

1 those Florida licences for sale in the CCAA?

2 MR. TAYLOR: Well, I think as we've
3 disclosed, right, to you, you know that there is a
4 process underway in Florida, right, which started
5 pre-CCAA and is continuing now during the
6 forbearance period, right, that was negotiated with
7 GreenOps.

8 So are they for sale? Absolutely.
9 Will they be sold in the same rhythm as other
10 assets in the SISP? I doubt it because, right, the
11 deadline on the forbearance agreement is shorter
12 than the SISP deadline.

13 And so it is contemplated -- and this
14 is in the record. It's contemplated that those
15 assets could be sold prior to the SISP concluding.

16 I think it's also possible that the
17 SISP will identify people who are interested in
18 those assets and who may participate in the Florida
19 process.

20 BY MR. BRZEZINSKI:

21 95 Q. Mr. Whitaker, if I can understand
22 what Mr. Taylor has just said, the forbearance
23 agreement, that is the agreement between GreenOps
24 and the holder of the Florida licence; is that
25 right?

1 A. I think that's -- that's a good
2 question, Lou. I don't know the actual legal
3 entities.

4 96 Q. I just called them the holder of
5 the Florida licence. I'm not asking for a
6 corporate name.

7 A. The forbearance --

8 MR. TAYLOR: I think the problem is
9 is there's four entities down there, Lou. There's
10 four Florida entities, and I'm not -- one of them
11 is a HoldCo for land, and I don't know what the
12 other ones -- I don't know which one holds the
13 licence. So, I mean, it's -- do you need it to be
14 so specific, or could it be --

15 MR. BRZEZINSKI: No, I don't. I think
16 you've produced the forbearance agreement,
17 Mr. Taylor, in the material, so I think we'll let
18 that agreement speak for itself.

19 BY MR. BRZEZINSKI:

20 97 Q. But I'm just trying to get into
21 this point here: That the forbearance agreement
22 expires if there isn't a sale prior to the, if you
23 wish, maturity and the fulsome expiry of the SISP
24 here in Canada.

25 So it's conceivable that these assets

1 could no longer be available to a bidder during the
2 CCA process either because they're sold or because
3 the secure lender acts under security. Do I
4 understand that right?

5 A. I think that's correct, Lou.

6 98 Q. And that secure lender is
7 GreenOps.

8 I'm going to ask you this question.
9 I'm pretty sure I know what the answer is going to
10 be. Can you tell us who the proposed purchaser
11 under the LOI is with Florida's licences?

12 MR. TAYLOR: Lou, that information is
13 subject to a mutual nondisclosure agreement, right.
14 This is the same issue with you putting the price
15 of it into your Motion Record.

16 MR. BRZEZINSKI: That's right. Thank
17 you.

18 MR. TAYLOR: Well, we can talk about
19 terms under which we can provide that information
20 to you, but that is not public information at this
21 moment.

22 MR. BRZEZINSKI: Mr. Taylor, would you
23 agree to provide us with that information on a
24 confidential basis?

25 U/T MR. TAYLOR: Yeah, we can work out the

1 terms of -- confidentiality terms to protect the
2 process, yes.

3 MR. BRZEZINSKI: Okay. Thank you.

4 BY MR. BRZEZINSKI:

5 99 Q. Just in terms of the process for
6 the sale of the Florida licence, was there a
7 bidding process in Florida?

8 A. Are you -- are you saying with
9 respect to how we got to the current LOI? Sorry.

10 100 Q. Yes.

11 A. You know, I would say this to you,
12 Lou, part and parcel to what I said earlier: At
13 some point or another, we tried to monetize every
14 asset.

15 So to this question specifically, the
16 company started to quietly market Florida and the
17 Florida assets in the middle of April because,
18 candidly, we just did not have enough cash to
19 continue to operate it, and we were getting
20 ourselves indebted to a place where we were running
21 the risks of jeopardizing that licence.

22 So in the middle part of April, not
23 only were we marketing it ourselves through the
24 connections we have, but we also signed with a
25 broker a nonexclusive deal to see if they could

1 rally other interested parties.

2 The fact is we are in a nonbinding LOI
3 currently with one bidder, and we have at least one
4 other bidder that I know of that is interested in
5 accessing the data room that exists.

6 101 Q. Are any of those bidders related
7 to the Shottenstein family?

8 A. Not to my knowledge, no.

9 102 Q. Are any of those bidders related
10 to Mr. Wayne Boich or any of his corporations?

11 A. Not to my knowledge, no.

12 103 Q. Let's go to the DIP for a moment.
13 I'm not going to ask you specific provisions but
14 just a general question. Are you aware that any
15 part -- first of all, were you involved in the
16 negotiation for the DIP?

17 A. I was.

18 104 Q. And did you negotiate the terms of
19 the DIP?

20 A. With counsel with E&Y.

21 105 Q. Okay. Do you know whether the DIP
22 will be used to pay pre-filing debt?

23 A. I believe the affidavit I said --
24 submitted suggested it would not be.

25 106 Q. Okay.

1 MR. TAYLOR: Are you talking about
2 pre-filing debt of the applicants, Lou --

3 MR. BRZEZINSKI: Yes.

4 MR. TAYLOR: -- or are you talking
5 about -- of the applicants, right, because -- as
6 opposed to the U.S. companies, right, or ongoing
7 companies with no state, right, but --

8 MR. BRZEZINSKI: I'm talking about the
9 parties to whom the DIP loan will be made.

10 MR. TAYLOR: Right, the applicants.
11 Okay. Yeah, I think it's made to GGB, the one
12 TopCo. Okay.

13 BY MR. BRZEZINSKI:

14 107 Q. I'm sorry, so your answer is that
15 the funds for the DIP loan will not be used to pay
16 pre-filing debt?

17 A. Now that you just clarified that
18 with Ash, let me -- let me be clear on what I
19 think, right. If there are -- if there are debts
20 in Massachusetts and Nevada that are due, then the
21 DIP loan will pay for past-due AP.

22 So let me give you an example. In
23 Nevada, there is sales and use tax that's due from
24 prior to the date we filed for CCAA. My
25 understanding is that we not only have to pay those

1 things, but we are indeed going to use DIP funds to
2 get ourselves current over the 13-week period of
3 time. So just as a matter of example for clarity.
4 Hopefully that cleared that up, right.

5 108 Q. Just in terms of that, you're
6 saying that the DIP loan might go to pay the
7 outstanding payables and expenses in Massachusetts?

8 A. In the U.S. entities, as an
9 example. If you asked me to further clarify, if I
10 could use the DIP loan to pay for AltaCorp at a
11 public company AP, I believe the answer is no.

12 109 Q. Okay. So then what would be an
13 expense that the DIP loan would be used to pay?

14 A. Back to my example of sales and
15 use tax that's from March and April, in Nevada,
16 when appropriately we would use the DIP loan to get
17 ourselves current during the term of the DIP loan.

18 110 Q. Prior to the DIP loan facility
19 being negotiated and signed, was All Js funding the
20 operations of GGB?

21 A. They were, and I would say at a
22 very base level.

23 111 Q. All right.

24 A. Payroll, key vendors. Absolutely
25 required expenses, not much more.

1 112 Q. Approximately \$800,000?

2 A. For the secured part of it, but
3 the unsecured earlier, February, March, April, I
4 think was closer to \$3.4 million.

5 113 Q. Okay. And is any part of the DIP
6 loan going to be used to pay back All Js from that
7 funding?

8 A. Not to my knowledge, no.

9 MR. BRZEZINSKI: I wonder whether my
10 team could bring up the DIP loan facility. If we
11 can get to paragraph 20. Thank you. And if you
12 scroll down to (o). There we go.

13 BY MR. BRZEZINSKI:

14 114 Q. Mr. Whitaker, I'll give you a
15 chance just to read that provision, if you like, or
16 any part of it that you want to see first before I
17 ask you any questions.

18 A. I'm not terribly familiar with
19 this, Lou, so let me -- let me read through here.
20 Okay. So this is sort of the terms of the SISP.
21 Okay.

22 MR. TAYLOR: Lou, could you show the
23 preamble to this? I mean, this is (o). What does
24 the first part say?

25 MR. BRZEZINSKI: We'll get up to there.

1 MR. TAYLOR: Okay.

2 BY MR. BRZEZINSKI:

3 115 Q. I know, Mr. Whitaker, this is
4 about as (AUDIO CUT OUT) as you can get.

5 A. I appreciate the chance to scroll
6 here.

7 116 Q. Do you just want to go through the
8 whole thing before you -- just take a look. If
9 that's the case, we'll let you read it.

10 MR. BRZEZINSKI: We'll go off the
11 record.

12 -- OFF THE RECORD DISCUSSION --

13 BY MR. BRZEZINSKI:

14 117 Q. The DIP loan terms, in particular,
15 the terms at 20(o), sets forth a series of
16 benchmarks or milestones that the debtor on the DIP
17 loan has to achieve by certain dates. Would you
18 agree with that?

19 A. Yes.

20 118 Q. That includes having the SISP
21 order entered into before a certain date, being
22 June the 8th, and the different phases involved in
23 the -- and the sales process being achieved at
24 other dates in that particular section, such as
25 July the 6th, July 8th, and July the 13th.

1 A. Yes, sir.

2 119 Q. Now, do you understand the
3 consequences to the debtor if those milestones are
4 not achieved on the date set forth in the DIP?

5 A. In terms of being in a default
6 situation with the DIP, you're saying?

7 120 Q. Yes.

8 A. Yes. I mean, I do understand
9 that, and I -- you know, I take some comfort in the
10 speed, but I appreciate that E&Y and counsel has
11 also reviewed this, and it's consistent with the
12 timing that's required given the length of the DIP
13 loan that we were able to secure.

14 121 Q. So to a large extent, the terms of
15 the DIP loan dictate the process that the applicant
16 will take under the CAA in terms of selling the
17 asset; would that be accurate?

18 A. I think that's accurate.

19 122 Q. Let's turn to the stalking-horse
20 that -- before we do that, let me look at the SISP
21 order.

22 MR. BRZEZINSKI: Can we bring up the
23 SISP order? And for the clarification of my team,
24 there is a new SISP order in place, an amended one,
25 that we just received this afternoon.

1 THE WITNESS: I don't believe I've had
2 a chance to review it.

3 BY MR. BRZEZINSKI:

4 123 Q. Well, it's in your affidavit,
5 Mr. Whitaker.

6 A. Oh, you're talking about the third
7 one this morning?

8 124 Q. That's right.

9 A. Okay. I'm sorry.

10 125 Q. That's okay. So I just want to
11 look at a couple of terms in the proposed and
12 amended which we got this morning. First --

13 MR. TAYLOR: Sorry, Lou, what is -- the
14 document that you're showing the witness now is
15 what document? The document that you received this
16 morning?

17 MR. BRZEZINSKI: Yes.

18 MR. TAYLOR: Oh, okay. Sorry. Let me
19 just get it up. I was looking at the original
20 Motion Record.

21 UNIDENTIFIED SPEAKER: Tab 3, the
22 amended SISP.

23 MR. TAYLOR: So this is the
24 supplementary response -- no, I opened up yours.

25 MR. BRZEZINSKI: It's the one you

1 served, Mr. Taylor, about an hour and a half ago.

2 MR. TAYLOR: Yeah, just give me a sec,
3 and I'll get it open. Okay. So yes, okay.

4 BY MR. BRZEZINSKI:

5 126 Q. Only a couple of -- two or three
6 terms I want to look at, first of all the
7 definition of "superior offer."

8 So a superior offer means an offer
9 that's made by a qualified bidder. We'll get to
10 what constitutes a qualified bidder in a moment,
11 but let's just look at the provisions of the
12 superior offer.

13 Now, there is an amendment. I think --
14 is it in turquoise or light blue? I don't know
15 what colour that is.

16 MR. TAYLOR: Light blue.

17 MR. BRZEZINSKI: Thank you. And I'm
18 just having some problems reading it because it's
19 extremely light. Thank you.

20 BY MR. BRZEZINSKI:

21 127 Q. What is the purpose of that
22 amendment? Can you explain to me, Mr. Whitaker,
23 why this amendment is in the SISP today? What's
24 the consequence of that?

25 MR. TAYLOR: Maybe I could be of

1 assistance, Lou, because we made these amendments.
2 These amendments were made in response to concerns
3 that you and Mr. Groia's client raised with respect
4 to the fact that as previously drafted, another
5 bidder was obligated to pay cash for the GAOC Note.

6 So the purpose of this amendment is to
7 say that you can deal with the GAOC Note in one of
8 two ways: You can either pay it in cash, because
9 keep in mind that that note is in default, and the
10 entire amount is due and owing now and is subject
11 to the stay, or you can reach an agreement with the
12 holder of the GAOC Note providing for the
13 assumption of that note, so presumably extended
14 terms and to leave the note in place.

15 So it's to give another bidder the same
16 opportunity that the stalking-horse bidder had to
17 negotiate an agreement with the holder of the GAOC
18 Note so they didn't have to pay cash for it.

19 BY MR. BRZEZINSKI:

20 128 Q. Has there been an agreement
21 reached between the stalking-horse bidder, All Js,
22 and the holder of the GAOC Note, GreenOps, whereby
23 All Js can assume that liability without paying it?

24 MR. TAYLOR: Well, the stalking-horse
25 agreement contemplates that the note would stay in

1 place. So --

2 MR. BRZEZINSKI: Does that mean --

3 MR. TAYLOR: We have not seen the
4 details of the agreement between them. I believe
5 that you have. But the stalking-horse agreement
6 contemplates that the note would be extended and
7 stay in place.

8 MR. BRZEZINSKI: Okay. So I think
9 you've answered, but I would like Mr. Whitaker's
10 answer.

11 BY MR. BRZEZINSKI:

12 129 Q. Is there presently an agreement
13 between All Js, as far as you know, and GreenOps
14 which allows All Js to assume the note?

15 A. Not to my knowledge. I have not
16 been involved in those conversations, Lou.

17 130 Q. So you don't know whether such an
18 agreement exists or not?

19 A. I do not.

20 131 Q. Were you involved in the
21 negotiation, if there was an agreement with
22 Mr. Boich with respect to the assumption of that
23 note?

24 A. I was not.

25 132 Q. Do you know who was?

1 A. I don't.

2 133 Q. Would it have been somebody from
3 All Js? Do you know?

4 MR. TAYLOR: He just said he didn't
5 know, Lou.

6 THE WITNESS: Don't know.

7 MR. BRZEZINSKI: Well, to me, I think
8 it's an essential term to understand. I mean,
9 you've just amended it. Anyhow, I'm not going to
10 editorialize any further on that.

11 If we continue to go through the -- I
12 just want to stay here. (c), you've made the
13 amendment.

14 MR. TAYLOR: Yeah, if I could address
15 this, Lou, again because Stikeman did these
16 amendments on behalf of the company, but this is --
17 this is sort of hand in glove with the amendment
18 you were just looking at.

19 So before, it had in here -- right, for
20 greater certainty, you had to pay out the GAOC Note
21 in cash. We made this amendment to fit with the
22 other one to provide that you did not have to pay
23 it in cash. And so it's -- just because of the
24 defined terms, we had to back it out of here just
25 so the agreement worked.

1 MR. BRZEZINSKI: And correct me if I'm
2 wrong, Mr. Taylor, but subject to reaching an
3 agreement with the holder of the GAOC Note?

4 MR. TAYLOR: Sorry, I missed half of
5 that. You kind of broke up.

6 MR. BRZEZINSKI: Okay. I presume, to
7 be consistent with the earlier amendment, that this
8 be subject to an agreement reached with the holder
9 of the GAOC Note?

10 MR. TAYLOR: Yeah, you've either got to
11 get an agreement, or you've got to pay it in cash.

12 MR. BRZEZINSKI: All right. If we can
13 continue to scroll down, and let's get to qualified
14 bidder process. Let's go to that. Keep going. I
15 think it's qualified purchase bid. There it is.

16 MR. TAYLOR: So we're in Phase II of
17 the SISP here; right?

18 MR. BRZEZINSKI: Yes. Page 33 of the
19 PDF.

20 MR. TAYLOR: Thank you.

21 MR. BRZEZINSKI: Keep going down.
22 Thank you. There we go. Paragraph (j) -- sorry,
23 paragraph (i).

24 BY MR. BRZEZINSKI:

25 134 Q. So if a qualified bidder reaches

1 Phase II, he has to deliver a deposit as part of
2 that deal; is that correct?

3 A. That's how I --

4 MR. TAYLOR: Did you show him the
5 preamble to this paragraph?

6 MR. BRZEZINSKI: Let's go back up.

7 MR. TAYLOR: Or I can answer it for
8 you, Lou, if you want. The answer is yes.

9 MR. BRZEZINSKI: Okay. Let's finish
10 with this one. I have to go back to superior
11 offer, but I want to finish this last part of the
12 qualified purchase bid. Scroll right down to the
13 bottom of that provision. Right there, (j).

14 Can you explain to me why this has been
15 amended?

16 MR. TAYLOR: Yeah, it was to loosen up
17 the requirements so they weren't so restricted. So
18 before, I said that they had to already be
19 licenced, and so now it's to provide the
20 opportunity for someone who was not licenced to
21 also be a bidder. The purpose of it was to try to
22 make it easier for people to bid.

23 BY MR. BRZEZINSKI:

24 135 Q. How long is the period of time,
25 Mr. Whitaker, between the time a Phase II bidder is

1 accepted and the time that they need to get a
2 licence in Nevada?

3 MR. TAYLOR: I mean, that's a bit of an
4 unfair question given the thickness of this, right,
5 that in this agreement, if you -- I mean, it's set
6 out in this agreement, so you can either figure it
7 out yourself, or I think to be fair, you would have
8 to show Mr. Whitaker, right, the provisions that
9 set it out. It's not fair to expect him to know
10 that off the top of his head.

11 MR. BRZEZINSKI: So the closing has to
12 be, according to the stalking-horse period,
13 September the 4th?

14 MR. TAYLOR: Can I correct you on that?
15 Because there's also a provision in the
16 stalking-horse bid that provides that if people are
17 trying to -- if they need additional time in order
18 to put the licences in place, then it can be
19 extended for 30 days.

20 BY MR. BRZEZINSKI:

21 136 Q. Okay. In terms of the
22 stalking-horse bidder, All Js, have they already
23 been qualified to receive and operate a Nevada
24 cannabis licence?

25 MR. TAYLOR: Isn't that a question for

1 All Js as opposed to Mr. Whitaker?

2 THE WITNESS: I don't -- I don't know
3 the answer to that one.

4 MR. BRZEZINSKI: Let's go back up to
5 superior offer.

6 BY MR. BRZEZINSKI:

7 137 Q. Now, a qualified bidder must
8 provide a minimum cash consideration -- and I'm
9 looking at (b) -- for the senior secured claim.
10 Let's just go back. I'll look at (iii). There we
11 go.

12 MR. TAYLOR: Sorry, what definition are
13 we looking at?

14 MR. BRZEZINSKI: I think we scrolled by
15 it inadvertently. We're looking at superior offer.
16 There we go. So just up above that. Thank you.

17 BY MR. BRZEZINSKI:

18 138 Q. So (iii), do you see that a
19 qualified bidder has to pay a break fee in the
20 amount of \$2 million?

21 A. I see that.

22 139 Q. Can you tell me how that amount
23 was calculated?

24 A. I don't know the exact
25 calculation. What I have been told is that given

1 the value of the bid, this is -- would have been
2 market of what a standard break fee percentage
3 would be.

4 140 Q. What is that percentage?

5 A. I don't know the range, but I
6 believe it's 2 to 4 percent, but I'm not --

7 MR. TAYLOR: Are you asking what
8 percentage 2 million is, or were you asking what
9 the range was?

10 MR. BRZEZINSKI: Yeah, what percentage.

11 THE WITNESS: Sorry, I answered the
12 range.

13 MR. TAYLOR: It's 1.9 percent. It can
14 include the break fee and the expense
15 reimbursement.

16 BY MR. BRZEZINSKI:

17 141 Q. And I presume that the
18 stalking-horse bidder won't have to pay a break fee
19 obviously?

20 MR. TAYLOR: Correct.

21 THE WITNESS: Correct.

22 BY MR. BRZEZINSKI:

23 142 Q. We now turn to the stalking-horse
24 bid. Before we take a look at it, can you tell me
25 whether GGB has retained the services of an

1 investment banker, the market being assets in the
2 SISP?

3 A. We've retained E&Y to do that
4 who -- well, we retained E&Y to do that.

5 143 Q. Why not retain services of the
6 investment banker you used to sell the CBD
7 business?

8 A. That's a good question. I suppose
9 we could have. I think we felt very comfortable on
10 the recommendation that we got and in the
11 conversations we had that E&Y has a fairly
12 extensive background in this space and, more
13 specifically, would have been the cannabis space as
14 well. So the board also felt comfortable, and we
15 elected to just use E&Y.

16 MR. WASSERMAN: It's Marc Wasserman
17 speaking. I'm sorry to interrupt, Lou. Just to be
18 specific, E&Y's authority to run anything with
19 respect to a process will be derived from the order
20 and the Court's direction. There's no retention at
21 this point given that E&Y is a Monitor.

22 BY MR. BRZEZINSKI:

23 144 Q. So is there a separate agreement
24 to retain E&Y to sell the business other than what
25 they already have, the retainer they've already

1 received?

2 MR. TAYLOR: Are you asking

3 Mr. Whitaker?

4 MR. BRZEZINSKI: Yes.

5 THE WITNESS: Not to my knowledge.

6 BY MR. BRZEZINSKI:

7 145 Q. Okay. And where can we look at
8 the terms of their engagement to sell a business
9 that is presently the subject matter of the SISP?

10 MR. TAYLOR: I think Mr. Wasserman just
11 answered that for you.

12 MR. WASSERMAN: That will be the
13 subject of the Court order to the extent the Court
14 grants the SISP which provides E&Y with the
15 authority to run the SISP under the Court's
16 direction.

17 MR. BRZEZINSKI: I understand that, but
18 beyond that, is there any terms of a contract,
19 agreement, retainer between GGB and E&Y with
20 respect to the SISP?

21 MR. WASSERMAN: Are you asking me that,
22 or are you asking the affiant?

23 MR. BRZEZINSKI: I'm asking
24 Mr. Whitaker.

25 THE WITNESS: Not to my knowledge.

1 BY MR. BRZEZINSKI:

2 146 Q. Is there any retainer and
3 agreement between GGB and E&Y?

4 A. Outside of the process around the
5 Monitor, not to my knowledge.

6 147 Q. Can we see that process of the
7 Monitor, that agreement?

8 MR. TAYLOR: I think you've been told
9 twice now there is no agreement with respect to the
10 sales process. It will be the SISP order and the
11 SISP.

12 MR. BRZEZINSKI: I understand that, but
13 I'd like to see the general agreement with E&Y.

14 U/A MR. TAYLOR: We'll consider your
15 request and get back to you.

16 MR. WASSERMAN: Yeah, I mean, just for
17 the record -- again, it's Marc Wasserman
18 speaking -- that agreement is at an end. When the
19 Monitor gets appointed under the Court process, the
20 Monitor is the Court officer, and his directions
21 are taken from the Court. So any agreement that
22 was entered into as a financial advisor pre-CCAA is
23 no longer relevant.

24 MR. BRZEZINSKI: Well, we'd like to see
25 it anyway.

1 U/A MR. WASSERMAN: We'll consider the
2 request as well.

3 MR. BRZEZINSKI: Thank you.

4 BY MR. BRZEZINSKI:

5 148 Q. Is E&Y being paid a success fee?

6 A. Not to my knowledge, Lou.

7 149 Q. Let's look at the acquisition
8 agreement, which is in front of you now.

9 MR. BRZEZINSKI: Before I go on,
10 Mr. Taylor, were there any changes or amendments to
11 this agreement?

12 MR. TAYLOR: I do not believe so.

13 MR. BRZEZINSKI: Can we look at Article
14 10, please, on page 9, liabilities. Let
15 Mr. Whitaker read the entire section.

16 THE WITNESS: Yeah, I'm sorry. You'll
17 need to scroll back up a little bit. I apologize.

18 BY MR. BRZEZINSKI:

19 150 Q. Starts at "at closing."

20 A. Yeah, I see that. Thank you, Lou.

21 151 Q. Is it your understanding that the
22 assumed liabilities will be paid by the
23 stalking-horse?

24 MR. TAYLOR: Sorry, could you repeat
25 that, Lou? I just missed it. Say it again.

1 BY MR. BRZEZINSKI:

2 152 Q. Is it your understanding,
3 Mr. Whitaker, that the assumed liabilities as
4 described in this contract will be paid by the
5 stalking-horse acquirer?

6 A. I'd have to scroll back up.

7 153 Q. If we scroll back up to the
8 beginning, it says --

9 MR. TAYLOR: I think you want to show
10 (3).

11 MR. BRZEZINSKI: Yes.

12 THE WITNESS: Purchaser shall assume
13 the liability and become responsible, so yes.

14 BY MR. BRZEZINSKI:

15 154 Q. So, yes, and that the purchaser
16 will pay all the assumed liabilities?

17 A. Yes.

18 MR. TAYLOR: Yeah, that's what it says,
19 Lou.

20 THE WITNESS: In respect to, you know,
21 paragraphs -- yeah.

22 BY MR. BRZEZINSKI:

23 155 Q. Do you know of any deal or any
24 arrangement of which a debt will not be repaid but,
25 rather, converted into equity?

1 A. I do not.

2 156 Q. Were you involved in the
3 negotiation of the stalking-horse acquisition
4 agreement?

5 A. I was to some extent, yes.

6 157 Q. And with whom did you negotiate
7 this with?

8 A. The All Js' counsel, our counsel
9 and their counsel, and I assume both sides.

10 158 Q. With respect to the new company to
11 be formed, AcquireCo, do you know what role
12 Mr. Boich or GreenOps will play in that company?

13 A. I do not.

14 159 Q. Do you know whether Mr. Boich's
15 security, the note, GAOC Note, will be converted
16 into equity?

17 A. As I said earlier, I have not seen
18 the term sheet for this.

19 160 Q. Okay. But you know that there is
20 one?

21 A. We mentioned it earlier that you
22 may have it. I -- listen, I know they're talking,
23 but I have not been privy to any type of detail
24 around what AcquireCo is going to ultimately look
25 like.

1 161 Q. Was there any process implemented
2 to find a stalking horse other than All Js?

3 A. No. You know, I would say it this
4 way: No with the exception of brief conversation
5 with Wayne Boich. And candidly, that was partially
6 driven by the fact that we had urgent needs for
7 money as well to keep the business operating.

8 162 Q. Did you have any role to play --
9 maybe I've asked you this, and if I did, I
10 apologize -- in this new AcquireCo?

11 A. I do not -- I do not know about
12 that.

13 MR. TAYLOR: Lou, I think we've gone on
14 the record about a dozen times now saying that
15 we're not in possession of that term sheet. We
16 don't know what's in that term sheet. We heard
17 talk about the term sheet, but we don't know what's
18 in it.

19 BY MR. BRZEZINSKI:

20 163 Q. Would you agree with me,
21 Mr. Whitaker, that the terms of that term sheet are
22 important and essential to understand what
23 AcquireCo would look like?

24 A. I guess it depends on the party,
25 Lou. I mean, it's important to understand what

1 comes out the other end.

2 164 Q. Of course.

3 A. I guess that would depend on to
4 who.

5 165 Q. Who's going to be on the other
6 end?

7 A. The person who is asking the
8 question.

9 166 Q. I see. And presumably, it would
10 be somebody who has a debt that will either be
11 assumed or converted; right?

12 MR. TAYLOR: I'm not sure this is a
13 proper question, Lou. You're asking Mr. Whitaker
14 to speculate as to what unknown people, right,
15 might care about this.

16 If you have a question for him and what
17 he knows about this, then that's fine, but
18 speculation about hypotheticals is not appropriate.

19 BY MR. BRZEZINSKI:

20 167 Q. If we can turn to the issue of
21 closing, paragraph 5. Let's look down to the
22 purchaser's obligations, specifically the last one
23 of purchaser's obligations.

24 A. I'm sorry. What line, Lou?

25 168 Q. I'm going to get you there.

1 A. Okay. I'm sorry.

2 169 Q. "Conditions to Purchaser's
3 Obligation," that's where I'm looking at, 5.3.

4 MR. TAYLOR: Mr. Whitaker, if you want
5 to read the preamble there under Section 5.3, and
6 then we'll scroll down, I think, to (i) as well.

7 THE WITNESS: Okay.

8 MR. BRZEZINSKI: Mr. Ashley is exactly
9 right -- Mr. Taylor, rather.

10 MR. TAYLOR: I'll be Mr. Ashley, and
11 you'll be Mr. Lou. We'll just do that.

12 THE WITNESS: Okay. Well, I didn't
13 read the rest of 4(i), so if you want to ask your
14 question, I have to go back.

15 BY MR. BRZEZINSKI:

16 170 Q. I'm only interested in (i).

17 A. Okay. Go ahead.

18 171 Q. So if we can just scroll right to
19 the beginning of that section, Section 5.3, it
20 says:

21 "The Purchaser's obligation to
22 effect the Closing shall be subject
23 to the fulfillment (or
24 express written waiver by the
25 Purchaser)."

1 I'm pointing you to the fact that these
2 conditions can be waived by the purchaser. Let's
3 scroll down.

4 So specifically, the purchaser can
5 waive the condition that he has obtained or in the
6 process of consuming a transaction which will allow
7 him to operate and receive a cannabis licence.

8 So in essence, you might be -- a
9 stalking-horse bidder might be buying an asset to
10 which they have no licence; isn't that correct?

11 MR. TAYLOR: I think you're asking him
12 for a hypothetical. The document speaks for
13 itself, Lou. You can read the document, and you
14 can interpret the document yourself. You don't
15 need Mr. Whitaker to interpret the document.

16 BY MR. BRZEZINSKI:

17 172 Q. Let me ask you this question. I
18 think I have already. The AcquireCo that will be
19 formed as a result of this stalking horse, will
20 there be -- has that company or any person on
21 behalf of that company already obtained approval
22 for the Nevada cannabis licence?

23 MR. TAYLOR: You have asked that
24 question already, and he already answered that he
25 did not know.

1 MR. BRZEZINSKI: Just wanted to make
2 sure.

3 THE WITNESS: I don't know.

4 MR. BRZEZINSKI: Give me a couple of
5 minutes. I'm nearing the end, and I just want to
6 make sure I covered all the bases.

7 Can we go off the record while I do
8 that.

9 -- OFF THE RECORD DISCUSSION --

10 BY MR. BRZEZINSKI:

11 173 Q. Now, you indicated that you
12 weren't involved or had some involvement with the
13 stalking-horse bid; is that right, Mr. Whitaker?

14 A. I had -- I had some involvement,
15 correct.

16 174 Q. Was there anybody else at GGB
17 other than yourself that would have had more
18 involvement with this process, with the
19 stalking-horse?

20 A. General counsel potentially.

21 175 Q. In your position as COO and later
22 as CEO, did you ever form an opinion as to the
23 value of the Nevada state cannabis licence?

24 R/F MR. TAYLOR: We've already told you
25 that this is not relevant to the motion. We're not

1 answering questions about it. The value of it will
2 be determined through the process.

3 MR. BRZEZINSKI: Well, we want to know
4 whether the process would realize the full value of
5 the licence. We're entitled to know what his
6 opinion is of that value.

7 MR. TAYLOR: We all want to know what
8 the process is going to determine, and in the
9 fullness of time, it will tell us.

10 MR. BRZEZINSKI: All right. I'll take
11 that as a no.

12 MR. TAYLOR: Correct.

13 MR. BRZEZINSKI: I think subject to
14 whatever agreements that you've provided to provide
15 documents -- I don't think there are any --

16 MR. TAYLOR: I don't think we agreed to
17 provide any documents. I think we said -- both we
18 and counsel to the Monitor said we would consider
19 your request to see the Monitor's engagement
20 letter, and we will look at that. I don't recall
21 anything else.

22 BY MR. BRZEZINSKI:

23 176 Q. Same issue with respect to the
24 Massachusetts licence, have you formed an opinion
25 as a result of your experience as a COO and CEO?

1 R/F MR. TAYLOR: Same answer.

2 BY MR. BRZEZINSKI:

3 177 Q. Mr. Boich, will you be receiving
4 any employment offer from All Js?

5 MR. TAYLOR: Sorry, I don't know if
6 Mr. Boich is on the line.

7 MR. BRZEZINSKI: I'm sorry.
8 Mr. Whitaker.

9 MR. TAYLOR: You've already asked all
10 of these questions, Lou. We're not going to go
11 through them again.

12 MR. BRZEZINSKI: I have no further
13 questions. Thank you very much. I appreciate your
14 time.

15 THE WITNESS: Thank you, Lou.

16 MR. TAYLOR: Thank you, Mr. Whitaker.
17 Thank you, Lou. Thank you, everyone.
