("**CannTrust Holdings**") made misrepresentations in CannTrust Holdings' disclosure to investors, and claims related thereto (such actions, the "**Actions**"). The claims against CannTrust Holdings in the Actions are "**Excluded Claims**" under the Claims Procedure Order.
4. On July 2, 2020, the Court granted an order that extended the Stay Period to October 30, 2020.

5. On October 28, 2020, the Court granted an order (“**Stay Extension and Late Claims Order**”) that, among other things, extended the Stay Period to January 31, 2021 and authorized the Monitor to admit the proofs of claim identified in the fifth report of the Monitor dated October 26, 2020 (the “**Fifth Report**”) that were received after the Pre-Filing Claims Bar Date or the Restructuring Claims Bar Date, as defined in the Claims Procedure Order and as applicable.

PURPOSE

8. The purpose of this eighth report of the Monitor (the “**Eighth Report**”) is to provide information to the Court on the following:
 - a) the status of the Claims Process;
 - b) the proposed plan of compromise, arrangement and reorganization of CannTrust Holdings, CannTrust Inc., and Elmcliff Investments Inc. (the “**CannTrust Plan Companies**”) under CCAA and the *Business Corporations Act* (Ontario) to be dated March 19, 2021 (the “**CCAA Plan**”);
 - c) certain matters relating to the vote on the CCAA Plan;

- d) the Applicants' receipts and disbursements for the period from January 11, 2021 to February 28, 2021 compared to the cash flow forecast (the "**Sixth Report Cash Flow Forecast**") appended as Appendix "D" to the sixth report of the Monitor dated January 25, 2021 (the "**Sixth Report**");
- e) the activities of the Monitor since the date of the Sixth Report; and
- f) the Monitor's recommendation with respect to the Applicants' motion for an order (the "**Meeting Order**"), among other things:
 - i. accepting the filing of the CCAA Plan;
 - ii. authorizing and directing the CannTrust Plan Companies to call, hold and conduct meetings of their creditors to vote on the CCAA Plan (the "**Meetings**");
 - iii. approving the classification of creditors set out in the CCAA Plan for the purposes of the Meetings and for voting on the CCAA Plan;
 - iv. approving the procedures to be followed at the Meetings, including voting procedures;

 - vi. extending the Stay Period to the date of the Sanction Hearing; and
 - vii. authorizing the Monitor to accept certain Late Claims (as defined herein).

TERMS OF REFERENCE

- 9. In preparing this Eighth Report and making the comments herein, the Monitor has been provided with, and has relied upon, unaudited financial information, books and records prepared by the Applicants, discussions with management of the Applicants ("**Management**"), and information from other third-party sources (collectively, the "**Information**").

10. The Monitor has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. However, the Monitor has not audited or otherwise attempted to verify the accuracy or completeness of such information in a manner that would wholly or partially comply with Canadian auditing standards (“CAS”) or any other standards pursuant to the Chartered Professional Accountants Canada Handbook and, accordingly, the Monitor expresses no opinion or other form of assurance contemplated under CAS or any other standards in respect of the Information.
11. Unless otherwise indicated, the Monitor’s understanding of factual matters expressed in this Eighth Report concerning the Applicants and their business is based on the Information and not independent factual determinations made by the Monitor.
12. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian dollars.
13. Capitalized terms used in this Eighth Report are as defined herein, in the affidavit of Greg Guyatt dated March 5, 2021.
14. All court documents and materials related to these CCAA Proceedings have been posted on the Monitor’s website at www.ey.com/ca/canntrust (the “Monitor’s Website”).

CLAIMS PROCESS

15. Attached as **Appendix “A”** is the status of claims filed against the Applicants pursuant to the Claims Procedure Order as at March 12, 2021 (the “**Claims Summary**”). All claim amounts are listed in Canadian dollars using the daily average exchange rate published by the Bank of Canada on March 31, 2020 (the date these CCAA proceedings were commenced).
16. As of March 12, 2021, 225 claims with a cumulative asserted value of \$345,082,613 had been filed. In addition, there have been 24 claims submitted to the Monitor with a cumulative asserted value of \$1,630,953,797 which are Excluded Equity Claims (as defined in the Claims Procedure Order) and were not called for in the Claims Procedure Order. As a result, the Monitor, in consultation with the Applicants, have determined that these claims will not be adjudicated in the Claims Process, subject to further order of the

Court. The Monitor intends to notify the Claimants who filed Excluded Claims that their claim will not be adjudicated if the Court sees fit to grant the Meeting Order, as some of these Claimants are individual shareholders that will benefit from the guidance in the Notice to Securities Claimants concerning the treatment of their Securities Claims in the CCAA Plan, which will be delivered around the same time.

17. 12 claims are still under review by the Applicants and the Monitor and will be addressed at the appropriate time:
 - a) two (2) “marker” claims submitted by the Canada Revenue Agency (“CRA”), which will require the completion of HST and payroll audits before being finalized by CRA;
 - b) two (2) employee claims;
 - c) three (3) trade claims;
 - d) one (1) indemnity claim; and
 - e) four (4) intercompany claims with an approximate value of \$253.8 million.
18. The Applicants and the Monitor have provisionally accepted 180 claims, comprised of unsecured claims with a value of \$2,203,814 and secured claims with a value of \$29,627.
19. The Monitor had sent several Notices of Disallowance for which a portion of the total claim that has been accepted, which accepted amounts are included in the figures reported in paragraph 18, and for which a portion has been disallowed. The amount that has been disallowed, together with the 23 claims that have been either disallowed in their entirety or withdrawn, have a total aggregate asserted claim value of \$26,314,144.
20. Three (3) claims that have been partially disallowed for which a Notice of Revision and Disallowance has been sent and the dispute period has not elapsed. For these three (3) claims, \$87,540 has been accepted and \$148,231 of the aggregate asserted claim amount has been disallowed.

21. There are seven (7) claims that have either been partially or fully disallowed for which a Notice of Dispute has been filed by the claimant (“**Disputed Claims**”). For these Disputed Claims, \$281,291 of the total claim amount has been accepted and the amount currently under dispute is \$60,975,429.
22. The breakdown of the seven Disputed Claims is as follows:
 - a) three (3) trade claims totalling \$1,671,812 asserting secured claims;
 - b) two (2) trade claims totalling \$59,176,186 asserting unsecured claims; and
 - c) two (2) employee claims totalling \$127,431.
23. The Applicants and the Monitor continue to engage with these Claimants in an attempt to resolve the Disputed Claims. If they cannot be resolved in a timely manner, they may be submitted to the Claims Officer for adjudication.

Late Claims

24. The Claims Procedure Order did not grant the Monitor discretion to extend the claims bar date of June 22, 2020 (the “**Claims Bar Date**”) for Pre-Filing Claims or Restructuring Claims (as defined in the Claims Procedure Order).
25. In the Fifth Report, the Monitor identified 70 Proofs of Claim which were received after the relevant Claims Bar Date which an aggregate asserted claim value of \$2,521,011. The Stay Extension and Late Claim Order authorized the Monitor to admit these claims into the Claims Process.
26. Since the Fifth Report, an additional three (3) claims have been received after the relevant Claims Bar Date with an aggregate asserted claim value of \$1,004,161. These further late claims have been identified separately in the Claims Summary.
27. One late claim was filed by an employee that has a Restructuring Claim and missed the Restructuring Claims Bar Date by one day (the “**Employee Late Claim**”).

28. One late claim is a trade claim, and it is the Monitor's understanding that the Claimant was not aware of the CCAA Proceedings and did not realize it was not being paid until in or around September 29, 2020. The Claimant submitted a Proof of Claim shortly thereafter (the "**Trade Late Claim**" and collectively with the Employee Late Claim, the "**Late Claims**").
29. The Monitor is satisfied that each of the Claimants has provided a reasonable basis for the late filing, and is of the view that it would be appropriate to admit the Late Claims into the Claims Process where they will be reviewed by the Applicants and the Monitor in accordance with the Claims Procedure Order.
30. The third late claim is a claim filed by a former officer of CannTrust Holdings seeking contribution and indemnity for any costs, charges and expenses in relation to any criminal or regulatory proceedings that the former officer may be subject to, with an asserted claim value of \$1 million. Given the amount of the claim and the delay in filing, it is still being considered by the Applicants and the Monitor. The Applicants are not seeking to admit this claim into the Claims Process at this time.
31. To facilitate the timely resolution of the Late Claims, the Monitor intends to review and adjudicate them, subject to the Court approving their admission into the Claims Process.

Claims Officer

32. On February 19, 2021, pursuant to the Claims Officer Order, the Honourable Frank J.C. Newbould, Q.C. was appointed by the Court as Claims Officer to adjudicate any disputed claims that may be referred to the Claims Officer by the Monitor.
33. The Monitor referred Claims by Peter Aceto, Eric Paul and Kenneth Brady Green (collectively the "**Claims Officer Claimants**") with an aggregate asserted claim value of approximately \$16.1 million to the Claims Officer for adjudication. In accordance with the Claims Procedure Order, the Monitor sent a dispute package to the Claims Officer with respect to each of these disputes comprised of: (i) a copy of the Proof of Claim submitted by the Claims Officer Claimant, (ii) a copy of the Notice of Revision or Disallowance sent

by the Monitor to the Claims Officer Claimant, and (iii) the Dispute Notice filed by the Claims Officer Claimant.

34. As the facts underlying all three disputed claims overlapped in many respects, the Claims Officer determined that the three disputed claims would be heard together.
35. The Claims Officer held an initial case conference with the Applicants' counsel, the respective counsels for the Claims Officer Claimants, and the Monitor and its counsel on February 24, 2021 and all parties at that time consented to a joint trial before the Claims Officer during the weeks of April 5, 2021 and April 12, 2021. The Claims Officer indicated that the trial was presumptively open, and any interested parties may attend.
36. Following the initial case conference, Peter Aceto and Eric Paul notified the Claims Officer that they were withdrawing their Claims from the Claims Process. The Applicants and Kenneth Brady Green reached a settlement of his disputed claim.

OVERVIEW OF THE CCAA PLAN

37. The Applicants are not seeking approval of the CCAA Plan by the Court at this time. However, below is an overview of the CCAA Plan to provide context for the proposed Meeting Order being sought.
38. This Eighth Report summarizes key aspects of the draft CCAA Plan that was attached as Exhibit "A" to the affidavit of Greg Guyatt sworn March 13, 2021. All references to the CCAA Plan in this Eighth Report refer to this draft CCAA Plan, a copy of which is attached as **Appendix "B"**.
39. Creditors should carefully read the CCAA Plan in full. If there is any discrepancy between the summary in this Eighth Report and the CCAA Plan, the CCAA Plan shall govern.

Purpose of the CCAA Plan

40. The CCAA Plan, among other things, implements the framework for the settlement of all Securities Claims (as defined herein) and addresses other claims and contingent claims

against CannTrust Holdings, CannTrust Inc. (“**CannTrust Opco**”) and Elmcliffe Investments Inc. (“**Elmcliffe**”).

41. There were no claims filed against CTI Holdings (Osoyoos) Inc. (“**CTI**”) in the Claims Process except for an intercompany claim filed by CannTrust Opco. The Applicants have indicated they intend to seek a separate order at the Sanction Hearing to terminate the CCAA Proceedings of CTI as of the Effective Time (as defined in the CCAA Plan).

42. The stated purposes of the CCAA Plan is to:

- a) complete a restructuring of the Applicants by implementing the Restructuring Steps (described herein) and filing Articles of Reorganization of CannTrust Holdings;
- b) provide for the payment or compromise, as applicable, of all General Unsecured Claims;
- c) provide for the settlement of all Securities Claims;
- d) provide for the release of all Released Claims and an injunction in respect of all Securities-Related Section 5.1(2) Claims; and
- e) assist the Applicants to continue to operate as a going concern,

in the expectation that Affected Creditors, the Applicants and other stakeholders generally will derive a greater benefit from implementation of the CCAA Plan than they would derive from a bankruptcy or liquidation of the Applicants.

Classification of Affected Claims

43. The CCAA Plan provides for four classes of Affected Creditors:

- a) a class of Creditors holding unsecured claims against CannTrust Opco (the “**Opco GUC Class**”);
- b) a class of Creditors holding unsecured claims against Elmcliffe (the “**Elmcliffe GUC Class**”);

- c) a class of Creditors holding unsecured claims against CannTrust Holdings (the “**CannTrust Holdings GUC Class**”, together with the Opco GUC Class and Elmcliffe GUC Class, the “**GUC Classes**”); and
 - d) a class of Creditors holding Securities Claims (the “**Securities Claimant Class**”);
44. Claimants who have submitted a claim against multiple entities will be entitled to a vote in each class in which they have a Proven Claim.

Treatment of Affected Creditors

A. Opco GUC Class

45. The CannTrust Plan Companies will set aside or deliver to the Monitor the amount of \$900,000 (the “**GUC Distribution Pool**”) for distributions to General Unsecured Creditors of CannTrust Opco.
46. Each General Unsecured Creditor of CannTrust Opco with Proven Claim less than or equal to \$2,500 in aggregate will receive the amount of their Proven Claim.
47. Each General Unsecured Creditor of CannTrust Opco with Proven Claims greater than \$2,500 in aggregate may elect to receive \$2,500 in full satisfaction of their Proven Claims by delivering an Election Notice to the Monitor in accordance with the Meeting Order (collectively, with those claimants in paragraph 46, the “**Convenience Creditors**”).
48. Each General Unsecured Creditor of CannTrust Opco with Proven Claims greater than \$2,500 in aggregate that have not delivered an Election Notice to the Monitor in accordance with the Meeting Order, will receive the lesser of:
- a) 17% of their Proven Claims; or
 - b) their *pro rata* share of the Remaining GUC Distribution Pool.
49. The “**Remaining GUC Distribution Pool**” is the balance of the GUC Distribution Pool after deducting (i) the amount held in the Unresolved General Unsecured Claims Reserve

in respect of Claims that are Unresolved General Unsecured Claims against CannTrust Opco (each as defined herein), and (ii) the amounts paid to Convenience Creditors.

B. Elmcliffe GUC Class

50. Each General Unsecured Creditor of Elmcliffe with a Proven Claim will receive, in full satisfaction of such Proven Claim, payment of the amount of such Proven Claim pursuant to a payment schedule to be agreed with the CannTrust Plan Companies and such Creditor.

C. CannTrust Holdings GUC Class

51. Each General Unsecured Creditor of CannTrust Holdings with a Proven Claim will receive, in full satisfaction of such Proven Claim, payment of the amount of such Proven Claim.

D. Securities Claimant Class

52. CannTrust Holdings will pay or cause to be paid \$50 million (its Cash Contribution) to the Securities Claimant Trust (as defined in the CCAA Plan and described further in Article 4.1 of the CCAA Plan). In addition, the claims of CannTrust Holdings and CannTrust Opco against any Co-Defendant that is a Non-Settlement Party and, if applicable, the claims of CannTrust Holdings and the other Settlement Parties against any Insurer that is a Non-Settlement Party, will assign to the Securities Claimant Trust, in each case to the extent such claims are for loss or damage up to the date of the CCAA Sanction Order and arise from or relate to the Securities-Related Matters (the “**Assigned Claims**”).
53. Each Securities Claimant will receive a distribution from the Securities Claimant Trust in accordance with the Allocation and Distribution Scheme, which is attached as Schedule “B” to the Plan. The Allocation and Distribution Scheme aims to facilitate an equitable distribution of the Class Compensation Scheme among Securities Claimants with Proven Claims. Two principal factors will determine the relative value of each Securities Claimant’s Recognized Claim for the purpose of the Allocation and Distribution Scheme: (1) the date of the sale of shares that the Securities Claimant acquired between June 1, 2018, and September 17, 2019, and (2) whether the Securities Claimant acquired the shares on the primary or the secondary market. The Allocation and Distribution Scheme

administrator will then allocate the funds available to the Securities Claimant Trust based on each Securities Claimants' *pro rata* entitlement.

54. Subject to the other terms of the CCAA Plan and the CCAA Sanction Order, the Securities-Related Claims of Securities Claimants against Non-Settlement Parties will not be compromised, and Securities Claimants may continue to pursue such Securities-Related Claims against Non-Settlement Parties after the Plan Implementation Date.

Treatment of Securities-Related Indemnity Claims

55. Securities-Related Indemnity Claims will be fully, finally, irrevocably and forever discharged pursuant to the CCAA Plan as of the Effective Time. Holders of Securities-Related Indemnity Claims will not receive a distribution or other consideration under the CCAA Plan. They will not be entitled to vote on the CCAA Plan in respect of their Securities-Related Indemnity Claims.
56. “**Securities-Related Indemnity Claims**” are defined as any claim of any Person that has been or could be asserted against a Settlement Party (whether pursuant to an agreement, under applicable law or otherwise) for indemnity, advancement, contribution, reimbursement, set -off or otherwise, arising from or in connection with any Securities Claim or Securities-Related Claim asserted against such Person or arising from or in connection with any other claim asserted by a Co-Defendant against such Person.
57. Any claim against CannTrust Holdings for indemnification, reimbursement or advancement of defence costs incurred by a Non-Settlement Party or other Person in connection with defending against the Actions or any other Securities-Related Claim (each, a “**Defence Costs Indemnity Claim**”) held by a Co- Defendant or other Person in respect of a Securities-Related Claim that such person has successfully defended and such Defence Costs Indemnity Claim is otherwise valid and enforceable against CannTrust Holdings will be an Unaffected Claim and will not be compromised under the CCAA Plan.
58. The CCAA Sanction Order to be sought by the CannTrust Plan Companies would provide that, from and after the Effective Time, any judgment or other award obtained by a Securities Claimant or the Securities Claimant Trust in respect of any Securities-Related

Claim against a Non-Settlement Party or other Person that is not a Released Party shall be reduced by the amount, if any, that the court or other tribunal adjudicating the Securities-Related Claim determines would have been recovered by such Non-Settlement Party or other Person pursuant to a Securities-Related Indemnity Claim held by it against a Released Party in respect of such Securities-Related Claim but for the release of such Securities-Related Indemnity Claim pursuant to the CCAA Plan or the CCAA Sanction Order, determined as of the moment before the Effective Time and, for greater certainty, taking into account (i) the Cash Contribution to be made by CannTrust Holdings to the Securities Claimant Trust and (ii) all other Securities-Related Indemnity Claims of other Non-Settlement Parties or other Persons participating in any recovery on a *pro rata* basis.

Treatment of Securities-Related Section 5.1(2) Claims

59. A Securities-Related Claim against a Director who is an Original Settlement Party and which claim is not permitted by section 5.1(2) of the CCAA to be compromised (a “**Securities-Related Section 5.1(2) Claim**”) will be fully, finally, irrevocably and forever enjoined as against the applicable Directors from the Effective Time.
60. Each Securities-Related Section 5.1(2) Claim will be channelled to and limited to recovery solely from the Securities Claimant Trust in accordance with the CCAA Plan and the Definitive Documents.

Treatment of Unaffected Claims

61. The following Claims are Unaffected Claims and will not be compromised under the CCAA Plan:
 - a) Claims secured by the CCAA Charges;
 - b) Claims that are accepted as or determined to be Secured Claims under the Claims Procedure Order;
 - c) CCAA Priority Payment Claims;
 - d) Claims of an Applicant against another Applicant;

- e) any Claim for or related to debtor-in-possession financing and/or exit financing that the Applicants may have obtained;
- f) Claims of Directors (but excluding the Directors named as defendants in one or more of the Actions who are not Original Settlement Parties) and employees that are owing to them in their capacity as such for or in connection with accrued salary, accrued wages, accrued bonuses, fees and expenses, reimbursement obligations, accrued vacation leave and accrued vacation pay and which are not related to the cessation of employment;
- g) Insured Claims;
- h) Claims that are not Securities-Related Indemnity Claims by any Director (other than a Director named as a defendant in one or more of the Actions and who is not an Original Settlement Party) under any directors' or officers' indemnity policy or agreement with a CannTrust Plan Company;
- i) any Defence Costs Indemnity Claim held by a Co-Defendant or other Person in respect of a Securities-Related Claim that such person has successfully defended and such Defence Costs Indemnity Claim is otherwise valid and enforceable against CannTrust Holdings; and
- j) Claims by the Monitor, counsel to the Monitor, the CRO, or counsel to the Applicants.

Treatment of Unresolved Claims

- 62. As at the date of this Eighth Report, there are still claims under review, Disputed Claims and claims that Notice of Revisions and Disallowances have been submitted but the Dispute Period has not yet elapsed. The Applicants and the Monitor continue to work to resolve these Unresolved General Unsecured Claims as expeditiously and efficiently as possible.
- 63. If any Unresolved General Unsecured Claims continue to exist at the Effective Time, a reserve (the “**Unresolved General Unsecured Claims Reserve**”) will be set aside by the

CannTrust Plan Companies (pursuant to arrangements satisfactory to the Monitor) or held by the Monitor, in trust, until the final determination of all Unresolved General Unsecured Claims in accordance with the Claims Procedure Order.

64. To the extent that an Unresolved General Unsecured Claim becomes a Proven Claim, these Claimants will receive the distribution that they would have been entitled to under the CCAA Plan at the Effective Time.
65. After all Unresolved General Unsecured Claims have been finally resolved in accordance with the Claims Procedure Order and any required distributions have been made with respect to General Unsecured Claims that are Proven Claims, the amounts remaining in the Unresolved General Unsecured Claims Reserve will no longer be required to be set aside by the Applicants and, if held by the Monitor, will be returned to the Applicants.

Timing of Distributions

66. General Unsecured Creditors with Proven Claims against CannTrust Opco that have the ability to make an election under the CCAA Plan will be required to deliver the Election Notice to the Monitor by no later than 5:00 p.m. on April 27, 2021 or three (3) Business Days prior to any adjournment of the Opco GUC Meeting.
67. On the Plan Implementation Date:
 - a) the CannTrust Plan Companies will set aside (pursuant to arrangements satisfactory to the Monitor) or deliver to the Monitor, in trust, the amount required to satisfy any CCAA Priority Payment Claims and all claims secured by the CCAA Charges, which claims will be paid to the respective holders of such claims from such funds within five (5) Business Days after the Plan Implementation Date (unless otherwise agreed with a claim holder);
 - b) the CannTrust Plan Companies will set aside (pursuant to arrangements satisfactory to the Monitor) or deliver to the Monitor, in trust, the GUC Distribution Pool; and
 - c) the CannTrust Plan Companies will pay any other amounts required to be paid in accordance with the CCAA or the CCAA Plan at or before the Effective.

68. If, after six (6) months, a distribution to a General Unsecured Creditor remains undeliverable (an “**Undeliverable Distribution**”), the Undeliverable Distribution will be released back to the CannTrust Plan Companies.
69. If, after six (6) months, a cheque in payment to an Affected Creditor remains uncashed (an “**Uncashed Distribution**”), the Uncashed Distribution will be cancelled, and the associated funds will be released back to the CannTrust Plan Companies.
70. The proposed CCAA Plan will not require the CannTrust Plan Companies or the Monitor to locate any Creditor or other Person with respect to an Undeliverable Distribution or Uncashed Distribution.
71. Securities Claimants will receive distributions from the Securities Claimant Trust as in accordance with the Allocation and Distribution Schedule.

Plan Implementation Conditions

72. The implementation of the CCAA Plan is conditional on the satisfaction or waiver by the CannTrust Plan Companies of, among others, the following conditions:
 - a) the CCAA Plan will have been approved by the Affected Creditors;
 - b) the CCAA Sanction Order will have been issued by the CCAA Court;

- e) all Affected Claims and Released Claims will be fully, finally, irrevocably and forever released, discharged and barred in accordance with Section 3.8 and Article 7, and all notes, certificates and other instruments evidencing Affected Claims (and all guarantees associated with each of the foregoing) will be deemed cancelled and extinguished and be null and void in accordance with Section 6.8 of the CCAA Plan;
- f) all Securities-Related Section 5.1(2) Claims will be fully, finally, irrevocably and forever enjoined as against the applicable Directors and thereafter such claims may only be asserted against the Securities Claimant Trust;
- g) the arrangements between any DIP and Exit Lender (if Applicants have entered into any such arrangement) and the Applicants contemplated by the CCAA Plan in respect of the DIP and Exit Loan will become effective; and

- h) the term of office of those individuals who are Directors of CannTrust Holdings immediately prior to the Effective Time will terminate and the appointment of the individuals designated in the CCAA Sanction Order to replace them will become effective as of the Effective Time.

CCAA Plan Release

- 74. At the Effective Time, the Released Parties will be fully, finally, irrevocably and forever released and discharged from all Released Claims.

Additional Settlement Parties

- 75. The CCAA Plan provides a mechanism for other Co-Defendants and Insurers to settle the Securities Claims asserted against them in the Actions, make contributions to the Securities Claimant Trust and become an Additional Settlement Party.

ALTERNATIVES TO THE CCAA PLAN

- 76. The Monitor believes that, if the CCAA Plan is not approved by the Affected Creditors, the most likely alternative would be a forced liquidation of the Applicants' assets under the CCAA, the *Bankruptcy and Insolvency Act* (Canada) or other statute and the distribution of the net proceeds from such a sale or liquidation to the creditors of the Applicants in accordance with their respective priorities. Any liquidation process would be fraught with considerable execution risk and cost.
- 77. The Applicants' cash reserves continue to erode, and unless a restructuring is implemented in a relatively short time frame, the Applicants may lose the ability to implement the CCAA Plan and may not be able to emerge from the CCAA Proceedings as a going concern.
- 78. The Monitor does not believe that a sale of the business is a viable outcome in the circumstances:
 - a) As set out in the Third Report of the Monitor dated June 29, 2020, the Applicants have already carried out a broad canvassing of the market through the SISF without a successful offer, and the letters of intent or offers submitted during the SISF did

not demonstrate that there would be a likelihood of any significant recovery for the Affected Creditors; and

- b) current market conditions remain challenging due to the ongoing impact of the COVID-19 pandemic and continuing rationalization in the cannabis sector.
79. The Monitor has performed an illustrative analysis of a hypothetical liquidation scenario and the anticipated recovery to unsecured creditors in that scenario as of April 30, 2021 based on financial information provided by the Applicants (the “**Liquidation Analysis**”). A copy of the Liquidation Analysis is attached hereto as **Appendix “C”**.
80. Pursuant to the Amended and Restated Initial Order dated March 31, 2020, the post-filing intercompany advances by CannTrust Holdings to CannTrust Opco, Elmcliffe and CTI (the “**Intercompany Advances**”) are secured by a court-ordered charge on the assets of the intercompany borrowers. It is assumed that the post-filing intercompany transactions will be settled by the proceeds from sale of assets prior to distribution of any additional net proceeds to creditors with pre-filing claims against the Applicants.
81. The Monitor has estimated that CannTrust Opco will have received \$53.0 million in Intercompany Advances from CannTrust Holdings as of April 30, 2021. The estimated net proceeds from the liquidation of the assets of CannTrust Opco, which the Monitor has estimated as being between approximately \$28.3 million and \$46.6 million are less than the Intercompany Advances secured by the court-ordered charge. Accordingly, the Monitor has estimated that, after settling the Intercompany Advances with CannTrust Holdings, the secured creditors and unsecured creditors of CannTrust Opco would not likely receive any recovery in a liquidation scenario.
82. Under the CCAA Plan, General Unsecured Creditors of CannTrust Opco with Proven Claims less than or equal to \$2,500 in aggregate will receive full recovery on their claims. General Unsecured Creditors of CannTrust Opco with Proven Claims that exceed \$2,500 in aggregate and do not file an Election Notice will receive their *pro rata* share of the GUC Distribution Pool, which the Monitor currently estimates will result in these creditors recovering 17% of the value of the General Unsecured Claims. The ultimate recovery

available to these creditors may be lower depending on the outcome of the Unresolved General Unsecured Claims.

83. The Liquidation Analysis for general unsecured creditors of CannTrust Holdings, CTI and Elmcliffe indicates that these creditors are expected to receive the same recovery under the CCAA Plan and in a liquidation scenario.
84. It is estimated in the Liquidation Analysis of CannTrust Holdings that there would be net proceeds available for distribution, after the payment of general unsecured claims, of between approximately \$87.9 million and \$106.6 million. Due to the eroding cash position of the Applicants, the timing and quantum of any distributions to equity claims in a liquidation scenario is uncertain. In a liquidation scenario, significant funds may be consumed by the litigation efforts which may take years before any judgments could be obtained and distributions could be made.
85. Based on these factors, the Monitor believes the CCAA Plan will produce a more favourable result for the Affected Creditors than they would likely receive in connection with a going concern sale or forced liquidation of the assets of the Applicants.
86. Based on the Applicants' current cash position, expected sources of financing and their projected cash needs before the anticipated implementation of the CCAA Plan (should it be approved by the Affected Creditors and this Court), the Monitor believes that the Applicants will have sufficient liquidity to implement the restructuring. However, any significant delay will make the implementation of the restructuring uncertain.

SECURITIES VOTING CLAIMS PROCESS

87. Under the CCAA Representation Order, all Securities Claimants, except Excluded Securities Claimants (defined below), are represented by the CCAA Representatives and CCAA Representative Counsel.
88. **“Excluded Securities Claimants”** as defined in the CCAA Representation Order, include Zola Finance Holdings Ltd and Igor Gimelshtein; 1604070 Alberta Ltd., Jeff Dyck, and Diran Avedian; and Shmuel Farhi and their respective counsels.

89. A “**Securities Claimant**” is a holder of a Securities Claim. A “**Securities Claim**” is defined in the CCAA Plan as:
- a) any Claim against CannTrust Holdings asserted by a plaintiff or a putative plaintiff in an Action; and
 - b) any other Claim against CannTrust Holdings that has been or could be asserted by or on behalf of a current or former shareholder of CannTrust Holdings or another Person in relation to the purchase, sale or ownership by such Person (including as a legal, registered or beneficial purchaser, seller or owner) on or before the Filing Date of any equity interest (as defined in the CCAA) in CannTrust Holdings,
- in each case, other than a Securities-Related Indemnity Claim.
90. The proposed Meeting Order provides a process for Securities Claims to be proven and proxies to be filed solely for the purposes of voting on the CCAA Plan at the Securities Claimant Meeting (defined herein) (the “**Securities Voting Claims Process**”).

Opt-out Election

91. The Securities Voting Claims Process provides Securities Claimants with the opportunity to opt-out of being represented by the CCAA Representatives and CCAA Representative Counsel for purposes of voting on the CCAA Plan if, for some reason, they prefer to file a proof of claim themselves and vote their own claim.
92. A Securities Claimant that wishes to opt-out must deliver a Securities Claimant Opt Out Election to the Monitor in accordance with the Meeting Order and will thereby become an “**Opt Out Securities Claimant**”.
93. The Securities Claimant Opt Out Election must be delivered so that it is received by the Monitor by no later than 5:00 p.m. on April 14, 2021 (the “**Opt Out Deadline**”). A copy of the form of Securities Claimant Opt Out Election is attached as **Appendix “D”**.

94. Any Securities Claimant that does not deliver a Securities Claimant Opt Out Election by the Opt Out Deadline will continue to be represented by the CCAA Representative for purposes of voting on the CCAA Plan.
95. Each Excluded Securities Claimant will be deemed to be an Opt Out Securities Claimant without being required to deliver the Securities Claimant Opt Out Election.

Proof of Claims

96. The proposed Meeting Order will:
 - a) authorize and direct the CCAA Representatives and CCAA Representative Counsel to file a Proof of Represented Securities Voting Claims with respect to all Securities Claims held by Securities Claimants other than Opt Out Securities Claimants (“**Represented Securities Claimants**”); and
 - b) appoint the CCAA Representatives and CCAA Representative Counsel as proxy for all Represented Securities Claimants with authority to vote all Securities Claims held by such Represented Securities Claimants at the Securities Claimant Meeting.
97. The CCAA Representatives and CCAA Representative Counsel will be required to deliver a joint Proof of Represented Securities Voting Claims with respect to all Securities Claims held by Represented Securities Claimants, including all relevant supporting documentation in respect of the number of Represented Securities Claimants and the value of their Securities Claims, to the Monitor such that it is received by the Monitor by no later than 5:00 p.m. on April 19, 2021 (the “**Proof of Securities Voting Claim Deadline**”). A copy of the form of Proof of Represented Securities Voting Claims is attached as **Appendix “E”**.
98. Opt Out Securities Claimants that wish to vote with respect to their Securities Claims at the Securities Claimant Meeting will be required to deliver a Proof of Opt Out Securities Voting Claim to the Monitor by the Proof of Securities Voting Claim Deadline. A copy of the form of Proof of Opt Out Securities Voting Claim is attached as **Appendix “F”**.

99. An Opt Out Securities Claimant who does not deliver a Proof of Opt Out Securities Voting Claim to the Monitor by the Proof of Securities Voting Claim Deadline will not be entitled to attend the Securities Claimant Meeting or vote on the CCAA Plan.

Review of Securities Voting Claims

100. The Proof of Represented Securities Claims will be reviewed by the Monitor and the CannTrust Plan Companies, who may accept, revise or disallow (in whole or in part) the number of the Represented Securities Claimants and/or the value of the Securities Claims held by the Represented Securities Claimants for the purposes of voting at the Securities Claimant Meeting.
101. Proof of Opt Out Securities Voting Claims will be reviewed by the Monitor and the CannTrust Plan Companies, who may accept, revise or disallow (in whole or in part) the amount of any Opt-Out Securities Voting Claim for the purposes of voting at the Securities Claimant Meeting.
102. The Monitor will communicate the determination of the Proof of Represented Securities Claims and Proof of Opt Out Securities Voting Claims to the Opt Out Securities Claimants and the CCAA Representatives, as applicable, on or before April 23, 2021.
103. The Opt Out Securities Claimant or CCAA Representatives, as applicable, may dispute this determination by notifying the Monitor of such dispute in writing by no later than 5:00 p.m. on April 27, 2021.
104. The Monitor, in consultation with the CannTrust Plan Companies, may attempt to resolve and settle any disputes prior to the commencement of the Securities Claimant Meeting.
105. If the dispute is not settled prior to the commencement of the Securities Claimant Meeting, the Opt Out Securities Claimant or CCAA Representatives, as applicable, will have an **“Unresolved Securities Voting Claim”** for the purposes of voting at the Securities Claimant Meeting (defined herein).

MEETINGS

Date, Time and Location

106. The proposed Meeting Order contemplates that the Meetings will be hosted virtually through video conference due to the COVID-19 pandemic. The Monitor notes that the Office of the Superintendent of Bankruptcy has encouraged licensed insolvency trustees such as the Monitor to make every reasonable effort to hold creditor meetings by electronic or digital means of communication during the pandemic. The CannTrust Plan Companies propose to hold the following Meetings:

Holdings GUC Class (the “ Holdings GUC Meeting ”)	April 30, 2021 at 11:00am EST
Elmcliffe GUC Class (the “ Elmcliffe GUC Meeting ”)	April 30, 2021 at 11:30am EST
Opco GUC Class (the “ Opco GUC Meeting ”)	April 30, 2021 at 12:00pm EST
Securities Claimant Class (the “ Securities Claimant Meeting ”)	April 30, 2021 at 2:00pm EST

Notice to Creditors

107. The proposed Meeting Order directs the Monitor to send the following materials via email to the last known email address of the recipient, or regular mail if no email address for such recipient is known, within three (3) Business Days following the granting of the order:

- a) copies of the Information Statement, the Notice of Meetings and Sanction Hearing and an Opco GUC Election Notice and Proxy to all General Unsecured Creditors (Opco);

- b) copies of the Information Statement, the Notice of Meetings and Sanction Hearing and a Holdings GUC Proxy to all General Unsecured Creditors (CannTrust Holdings);
 - c) copies of the Information Statement, the Notice of Meetings and Sanction Hearing and an Elmcliffe Proxy to all General Unsecured Creditors (Elmcliffe); and
 - d) copies of the Information Statement, the Notice to Securities Claimants and the Proof of Represented Securities Voting Claims to the CCAA Representatives and CCAA Representative Counsel;
 - e) copies of the Information Statement, the Notice to Securities Claimants, the Securities Claimant Opt Out Election, the Proof of Opt Out Securities Voting Claim and the Opt Out Securities Claimant Proxy to all Excluded Securities Claimants; and
 - f) copies of the Notice to Securities Claimants, the Securities Claimant Opt Out Election, the Proof of Opt Out Securities Voting Claim and the Opt Out Securities Claimant Proxy to all Known Securities Claimants (as defined in the CCAA Representation Order);
108. The proposed Meeting Order directs the Monitor to send copies of the Notice of Meetings and Sanction Hearing, the Information Statement and the Meeting Order by email to the Service List as soon as practicable following the granting of the order.
109. The proposed Meeting Order directs the Monitor to post copies of the GUC Meeting Materials, the Securities Claimant Meeting Materials and the Meeting Order on the Monitor's Website as soon as practicable following the granting of the order.
110. The proposed Meeting Order directs the Monitor to publish a notice of the Meetings in *The Globe and Mail* (National Edition) and the Wall Street Journal as soon as practicable following the granting of the order.
111. Copies of the Information Statement, Notice of Meetings and Sanction Hearing, the Opco GUC Election Notice and Proxy, the CannTrust Holdings GUC Proxy, the Elmcliffe GUC

Proxy, the Opt Out Securities Claimant Proxy, the Notice to Securities Claimants, the Proof of Represented Securities Voting Claims and the Proof Opt Out Securities Voting Claim are attached as **Appendices “G” to “M”, “E”, and “F”**, respectively.

Conduct of the Meetings

112. The proposed Meeting Order directs that a representative of the Monitor will preside as chair of each Meeting. The Monitor will manage the administrative processes related the conduct of the Meetings, such as causing minutes to be prepared, determining the entitlement of person to attend, participate in or vote at the Meetings, calling for a vote on the resolution to approve the CCAA Plan, appointing scrutineers and compiling and announcing the results of the vote. The Monitor expects that it will be able to complete the tasks that the proposed Meeting Order charges it with.
113. For voting (and distribution) purposes, the CCAA Plan and the proposed Meeting Order contemplates that there will be four classes of creditors: Opco GUC Class, Elmcliffe GUC Class, CannTrust Holdings GUC Class and the Securities Claimants. Each class will have its own meeting, but the conduct will generally remain the same.
114. Only those Affected Creditors with Proven Claims or Disputed Claims (both as defined in the CCAA Plan) will be eligible to attend the Meetings (“**Eligible Voting Creditor**”) and vote on the resolution to approve the CCAA Plan. The votes of creditors holding Unresolved Claims will be separately tabulated and reported, and Unresolved Claims will be resolved in accordance with the Claims Procedure Order, the proposed Meeting Order and the proposed CCAA Plan prior to any distribution on account of such Unresolved Claims. Unaffected Creditors, as defined in the CCAA Plan, will not be entitled to attend and vote at the Meetings.
115. To manage access to the Meetings, the Monitor will send the video conference details to any Affected Creditors that have indicated to the Monitor their intention to attend the Meetings.

116. The only Persons entitled to attend, in addition to the Eligible Voting Creditors and their legal counsel and advisors, are the Monitor and its representatives and its counsel, the Applicants' officers, legal counsel and advisors, and the CRO.
117. The Monitor will file a report with the Court with respect to the Meetings within three (3) Business Days following the Meetings and serve such report on the parties listed on the Service List. The report will address:
 - a) the results of the voting at the Meetings on the resolution to approve the CCAA Plan;
 - b) whether the votes cast by creditors with Unresolved General Unsecured Claims or Unresolved Securities Voting Claims, if any would affect the result of that vote; and
 - c) any other matter that the Monitor considers relevant.
118. The Monitor is of the view that method of conducting the Meetings as set out in the draft Meeting Order is appropriate and will allow the Affected Creditors to participate a proper forum to consider and vote on the CCAA Plan.

SANCTION HEARING

119. If the CCAA Plan is approved by the majorities contemplated by the proposed Meeting Order, the CannTrust Plan Companies will seek Court approval of the CCAA Plan. The proposed Meeting Order contemplates that the Sanction Hearing will proceed on May 14, 2021, or such later date as the CCAA Court may set.
120. The Meeting Order provides that any party who wishes to oppose the final sanctioning of the CCAA Plan must serve the Applicants, the Monitor and the parties listed on the Service List with a copy of the materials to be relied upon to oppose the motion for sanction of the CCAA Plan, setting out the basis for such opposition, at least four (4) Business Days before the date set for the Sanction Hearing.

APPLICANTS' RECEIPTS AND DISBURSEMENTS

121. A summary of the Applicants' actual receipts and disbursements during the period from January 11, 2021 to February 28, 2021 (the "**Reporting Period**") as compared to the Sixth Report Cash Flow Forecast covering the same period (the "**Variance Analysis**") is attached as **Appendix "N"** to this Eighth Report.
122. During the Reporting Period, the Applicants sustained a net cash outflow of approximately \$9.0 million. The receipts were comprised of the sale of cannabis, sale of non-material assets and a return of deposits from vendors. The disbursements relate mainly to payroll and employee related expenses, marketing costs, insurance premiums, utilities, and production costs. As at February 28, 2021, the Applicants' cash on hand was approximately \$69.8 million.
123. During the Reporting Period, the Applicants had anticipated the receipt of HST Refunds. Prior to the Filing Date, CRA has placed on hold on all HST Refunds for all of the Applicants until CRA has completed its HST and payroll audits. There has not been any indication of when these audits will be completed. The Applicants had anticipated that \$1.8 million would be released to them by the end of February, which did not occur. Due to the uncertainty of the release of the HST Refunds, they will not be included in the Cash Flow Forecast.
124. During the Forecast Period, the Applicants paid approximately \$583,000 for the second milestone payment under the KERP required on January 15, 2021.
125. The favourable cash position variance for the Reporting Period of approximately \$1.0 million results from the delay in capital costs, lower freight and lower marketing costs related to lower sales volumes, and lower than expected consulting and legal costs. Details of both the permanent and timing differences are attached to the Variance Analysis.
126. CannTrust Holdings has made, with approval from the Monitor, Intercompany Advances (as that term is defined in the Amended and Restated Initial Order) of \$5.0 million during the Reporting Period to fund disbursements of the other Applicants. This is \$5 million

lower than forecast due to the favourable cash flow variance. The total Intercompany Advances since the Filing Date are \$45,300,000.

OVERVIEW OF APPLICANTS' CASH FLOW FORECAST OVER THE STAY PERIOD

127. The Applicants, with the assistance of the CRO, and in consultation with the Monitor, have prepared a cash flow forecast (the “**Cash Flow Forecast**”) running from March 1, 2021 to the week ending May 30, 2021 (the “**Forecast Period**”). The Cash Flow Forecast is attached as **Appendix “O”** to this Eight Report.
128. The Cash Flow Forecast shows that during the Forecast Period, the Applicants will have receipts from sales of cannabis products and interest income of approximately \$6.3 million and estimated total combined disbursements of approximately \$22.3 million for a forecast net cash outflow of \$16.1 million. The Applicants anticipate Intercompany Advances of \$15 million during the Forecast Period. The Cash Flow Forecast projects that the Applicants will have an ending cash balance at May 30, 2021 of approximately \$53.7 million. This balance includes the \$50 million and the \$900,000 that is contemplated in the CCAA Plan for the Securities Claimant Trust and the GUC Distribution Pool, respectively.
129. With the recommencement of growing operations, the Applicants are currently producing work in process and finished inventory. The Applicants have estimated the sales based on the existing market capacity, pricing and demand and the availability of the inventory ready for sale.
130. Any capital expenditures must be reviewed and approved by the Monitor in advance of being incurred, but the Applicants, the CRO and the Monitor agreed that it was appropriate to include these potential disbursements in the Cash Flow Forecast. There are no significant capital expenditures anticipated in the Forecast Period.

STAY EXTENSION

131. The Stay Period is currently set to expire on April 30, 2020. The Applicants are requesting an extension of the Stay Period until May 14, 2021.

132. The Monitor is of the view that the requested extension of the Stay Period is appropriate because the Applicants have continued to act in good faith and with due diligence since the date of the Initial Order and the short extension would allow the Applicants to seek approval of the CCAA Plan by this Court at the Sanction Hearing should it be approved by the Affected Creditors.
133. Based on the Cash Flow Forecast, the Monitor believes that the Applicants will have sufficient liquidity to fund their operations through the proposed extension of the Stay Period to May 14, 2021.
134. For the foregoing reasons, the Monitor supports the Applicants' request for an order extending the Stay Period to May 14, 2021.

ACTIVITIES OF THE MONITOR

135. Since the Sixth Report, the Monitor has:
 - a) published the notice of the CCAA Representation Order in the Globe and Mail (National Edition) and the Wall Street Journal on February 3, 2021;
 - b) received a list of constituents from CCAA Representative Counsel with respect to their known constituents and list of potential Securities Claimants from the Applicants, (collectively the "**Known Securities Claimants**") and sent a copy of the above-mentioned notice to all Known Securities Claimants by courier and email on February 1, 2021;
 - c) sent a copy of the above-mentioned notice by email to each of the shareholders who had previously contacted the Monitor on February 1, 2021;
 - d) posted above-mentioned notice on the Monitor's website;
 - e) assisted the Claims Officer and provided the copies of the Dispute Package (as defined in the Claims Officer Order) to the Claims Officer and participated in the initial case conference;

- f) continued to assist the Applicants through the Claims Process and resolving Disputed Claims;
- g) continued to assist the Applicants through their restructuring efforts; and
- h) continued to participate in the Mediation Process and assist the Court-Appointed Mediator and participants as requested.

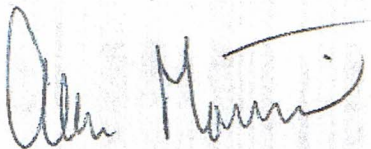

CONCLUSIONS AND RECOMMENDATIONS

136. For the reasons stated herein, the Monitor recommends that the Court grant the proposed Meeting Order, should it see fit to do so.

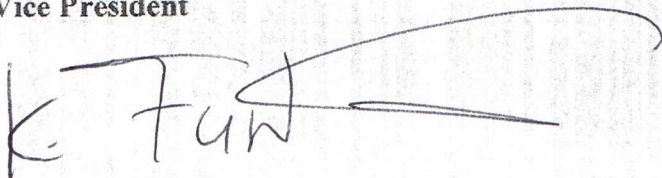

All of which is respectfully submitted this 15th day of March, 2021.

ARTICLE 2 **PURPOSE AND EFFECT OF THE CCAA PLAN**

2.1 **Purpose**

The purposes of the CCAA Plan are to:

- (b) provide for the payment or compromise, as applicable, of all General Unsecured Claims;
- (c) provide for the settlement of all Securities Claims;
- (d) provide for the release of all Released Claims and an injunction in respect of all Securities-Related Section 5.1(2) Claims; and
- (e) assist the CannTrust Group to continue to operate as a going concern,

in the expectation that Affected Creditors generally will derive a greater benefit from implementation of the CCAA Plan than they would derive from a bankruptcy or liquidation of the CannTrust Group.

2.2 **Affected Claims and Released Claims**

The CCAA Plan provides for the payment or compromise of the Affected Claims (as applicable), a release and discharge of the Released Claims, and an injunction in respect of the Securities-

Related Section 5.1(2) Claims. The CCAA Plan will become effective at the Effective Time in accordance with its terms and will be binding on and enure to the benefit of the CannTrust Group, the Affected Creditors, the Released Parties and all other Persons named or referred to in, or subject to, the CCAA Plan.

2.3 Unaffected Claims

Subject to the express provisions hereof providing for the payment or restructuring by separate arrangement of certain Unaffected Claims and the treatment of Insured Claims, the CCAA Plan does not compromise the following (collectively, the “**Unaffected Claims**”):

- (g) subject to and solely as provided in Section 3.6, that portion of a Claim that is not a Securities Claim or Securities-Related Indemnity Claim arising from a cause of action for which the applicable CannTrust Plan Company is covered by insurance, only to the extent of such coverage and limited to the actual recovery received from the applicable insurer(s) by the CannTrust Plan Company after the Effective Time in respect of such Claim (“**Insured Claims**”);
- (h) Claims that are not Securities-Related Indemnity Claims by any Director (other than a Director named as a defendant in one or more of the Actions and who is not an Original Settlement Party) under any directors’ or officers’ indemnity policy or agreement with a CannTrust Plan Company;
- (i) any Defence Costs Indemnity Claim held by a Co-Defendant or other Person in respect of a Securities-Related Claim that such person has successfully defended and such Defence Costs Indemnity Claim is otherwise valid and enforceable against CannTrust Holdings; and

- (j) Claims by the Monitor, counsel to the Monitor, the CRO, or counsel to the CannTrust Group.

Nothing in the CCAA Plan will affect any CannTrust Plan Company's rights and defences, both legal and equitable, with respect to any Unaffected Claims including all rights or entitlements to set-offs or recoupments against such Unaffected Claims. Unaffected Creditors will not be entitled to vote on the CCAA Plan. Unaffected Claims will be paid in accordance with Section 6.2 or otherwise satisfied in accordance with the applicable agreements and other arrangements between Unaffected Creditors and the applicable CannTrust Plan Company.

2.4 **Equity Claims**

At the Effective Time, the CCAA Plan will be binding on all holders of Equity Claims. Except as otherwise expressly provided in this CCAA Plan, the Meeting Order and the CCAA Sanction Order:

- (a) holders of Equity Claims will not receive a distribution or other consideration under the CCAA Plan and will not be entitled to vote on the CCAA Plan in respect of their Equity Claims; and

The procedure for determining the validity and quantum of the Affected Claims for the purposes of the CCAA Plan will be governed by the Claims Procedure Order, the Claims Officer Order, the Meeting Order, the CCAA, the CCAA Plan and any further Order of the CCAA Court. For the avoidance of doubt, the Claims Procedure Order will remain in full force and effect from and after the Plan Implementation Date.

3.2 **Classification of Creditors**

In accordance with the Meeting Order, Affected Creditors will be divided into four separate classes for the purposes of considering and voting on the CCAA Plan:

3.4 Treatment of General Unsecured Claims

- (1) At the Effective Time, all General Unsecured Claims will be fully, finally, irrevocably and forever compromised, released, discharged and barred, and General Unsecured Creditors with Proven Claims will have the right to receive distributions pursuant to this Section 3.4.

- (2) On the Initial Distribution Date (or such later date in accordance with Section 6.4 in respect of any Unresolved General Unsecured Claim that becomes a Proven Claim, if any),

- (a) each General Unsecured Creditor of CannTrust Opco with:

- (i) Proven Claims that are General Unsecured Claims (Opco) not exceeding in aggregate the Election Amount, or
- (ii) Proven Claims that are General Unsecured Claims (Opco) exceeding the aggregate of the Election Amount but which General Unsecured Creditor has duly filed an Election Notice with the Monitor,

will receive, in full satisfaction of such Proven Claims (in each case, a “**Convenience Creditor**”), payment in an amount equal to the lesser of the Election Amount and the actual amount of such Proven Claims;

- (b) each General Unsecured Creditor of CannTrust Opco with Proven Claims that are General Unsecured Claims (Opco) and that exceed in aggregate the Election Amount, and which General Unsecured Creditor has not duly filed an Election Notice, will receive in full satisfaction of such Proven Claims, the lesser of:

- (i) such General Unsecured Creditor’s *pro rata* share of the balance of the GUC Distribution Pool after deducting (i) the amount held in the Unresolved General Unsecured Claims Reserve in respect of General Unsecured Claims (Opco) that are Unresolved General Unsecured Claims, and (ii) the amounts paid to Convenience Creditors in accordance with Section 3.4(2)(a); and
- (ii) 17% of the amount of such General Unsecured Creditor’s Proven Claims that are General Unsecured Claims (Opco);

- (c) each General Unsecured Creditor of CannTrust Holdings with Proven Claims that are General Unsecured Claims (CannTrust Holdings) will receive in full

satisfaction of such Proven Claims, payment of the amount of such Proven Claims; and

3.5 **Treatment of Securities Claims**

3.6 **Insured Claims**

Notwithstanding anything to the contrary herein, from and after the Effective Time, any Person having an Insured Claim will be irrevocably limited to recovery in respect of such Insured Claim solely from the proceeds of the applicable insurance policies received by the applicable CannTrust Plan Company, and any Person with an Insured Claim will have no right to, and will not, directly or indirectly, make any claim or seek any recoveries from any Person, other than enforcing such Person's rights to be paid from the proceeds of the applicable insurance policies. This Section 3.6 may be relied upon by the CannTrust Plan Companies and any other Released Party in defence or estoppel of or to enjoin any claim, action or proceeding brought in contravention of this Section. Nothing in the CCAA Plan will compromise, release or otherwise affect any right or defence of any insured or insurer in respect of an Insured Claim. Notwithstanding the forgoing, an Affected Claim that includes an Insured Claim may still

receive a distribution in respect of the portion of the Affected Claim, if any, that is not an Insured Claim.

3.7 **Unresolved General Unsecured Claims**

No General Unsecured Creditor will be entitled to receive any distribution hereunder with respect to an Unresolved General Unsecured Claim or any portion thereof unless and until, and then only to the extent that, such Unresolved General Unsecured Claim is finally resolved in the manner set out in the Claims Procedure Order and becomes a Proven Claim entitled to the treatment described in Section 3.4.

3.8 **Extinguishment of Claims**

At the Effective Time and in accordance with the terms of this CCAA Plan and the CCAA Sanction Order, the treatment of Affected Claims (including Unresolved General Unsecured Claims), Released Claims and Securities-Related Section 5.1(2) Claims, in each case as set forth herein, will be final and binding on the CannTrust Plan Companies, Affected Creditors and any Person holding a Released Claim or Securities-Related Section 5.1(2) Claim. All Affected Claims and all Released Claims will be fully, finally, irrevocably and forever released, discharged and barred and the CannTrust Plan Companies and the Released Parties will thereupon have no further obligation whatsoever in respect of the Affected Claims and the Released Claims, as applicable; provided that (i) nothing herein releases the CannTrust Plan Companies from the obligation to make distributions or payments in the manner and to the extent provided for in the CCAA Plan; and (ii) such release and discharge of the CannTrust Plan Companies will be without prejudice to the right of an Affected Creditor in respect of an Unresolved General Unsecured Claim to prove such Unresolved General Unsecured Claim in accordance with the Claims Procedure Order.

3.9 **Guarantees and Similar Covenants**

No Person who has a claim under any guarantee, indemnity or similar covenant in respect of any Claim that is compromised or released under the CCAA Plan or who has any right to claim over in respect of or to be subrogated to the rights of any Person in respect of a Claim that is compromised or released under the CCAA Plan will be entitled to any greater rights as against the CannTrust Plan Companies than the Person whose Claim is compromised or released under the CCAA Plan and such claims and rights of such Person will be subject to the releases, injunctions and other provisions of the CCAA Plan and CCAA Sanction Order.

3.10 **Set-Off**

The law of set-off applies to all Claims in accordance with Applicable Law. Without limiting the generality of the foregoing, the CannTrust Plan Companies will be entitled to set-off from any payments or distributions to be made to a General Unsecured Creditor or Unaffected Creditor hereunder, any amounts that became due and owing to the CannTrust Plan Companies after the Filing Date from such Creditor.

- (3) After all Unresolved General Unsecured Claims have been finally resolved in accordance with the Claims Procedure Order and any required distributions have been made with respect to General Unsecured Claims that are Proven Claims, the amounts remaining in the GUC Distribution Pool and Unresolved General Unsecured Claims Reserve will no longer be required to be set aside by the CannTrust Plan Companies and, if held by the Monitor, will be returned to the CannTrust Plan Companies.

6.5 Allocation of Distributions

All distributions made pursuant to the CCAA Plan to General Unsecured Creditors will be allocated first towards the repayment of the amount of the General Unsecured Claim attributable to principal and, if greater than the amount of principal, then second towards the repayment of any amount of such General Unsecured Claim attributable to unpaid interest.

6.6 Treatment of Unclaimed Distributions

- (1) If any distribution to a General Unsecured Creditor under this Article 6 is returned as undeliverable (an “**Undeliverable Distribution**”), then neither the CannTrust Plan Companies nor the Monitor will be required to make further efforts to deliver the distribution to such Creditor unless and until the CannTrust Plan Companies and Monitor are notified in writing by such Creditor of such Creditor’s current address at which time all such distributions will be made to such Creditor. The obligations of the CannTrust Plan Companies and Monitor to an Affected Creditor with an Undeliverable Distribution will expire on the first Business Day that is six (6) months following the applicable Distribution Date for the Undeliverable Distribution, after which date any entitlement with respect to such Undeliverable Distribution will be forever discharged and forever barred, without any compensation therefor, notwithstanding any Applicable Laws to the contrary. For greater clarity, nothing herein will require the CannTrust Plan Companies or the Monitor to attempt to locate any Creditor or other Person with respect to an Undeliverable Distribution. No interest will be payable in respect of an Undeliverable Distribution. On the First Business Day that is six (6) months following the applicable Distribution Date for the Undeliverable Distribution, the amount of any Undeliverable Distribution will be released to the CannTrust Plan Companies.
- (2) If any cheque in payment of a distribution to an Affected Creditor under this Article 6 is not cashed within six (6) months after the date of the applicable Distribution Date (an “**Uncashed Distribution**”):
 - (a) such cheque may be cancelled by the CannTrust Plan Companies or the Monitor, as applicable, after which date any entitlement with respect to such distribution will be forever discharged and forever barred and the obligations of the CannTrust Plan Companies and Monitor with respect thereto will expire, without any compensation therefor, notwithstanding any Applicable Laws to the contrary; and
 - (b) the amount otherwise payable pursuant to such cancelled cheque will be released to the CannTrust Plan Companies.

For greater clarity, nothing herein will require the CannTrust Plan Companies or the Monitor to attempt to locate any Creditor or other Person with respect to an Uncashed Distribution.

6.7 Withholding Rights

The CannTrust Plan Companies and any other Person facilitating payments pursuant to the CCAA Plan will be entitled to deduct and withhold from any such payment to any Person such

amounts as may be required to be deducted or withheld under any Applicable Law and to remit such amounts to the appropriate Governmental Authority or other Person entitled thereto. To the extent that amounts are so withheld or deducted and remitted to the appropriate Governmental Authority or other Person, such withheld or deducted amounts will be treated for all purposes hereof as having been paid to such Person as the remainder of the payment in respect of which such withholding or deduction was made. Without in any way limiting the generality of the foregoing, the CannTrust Plan Companies (or the Monitor on their behalf) will deduct from any distribution to a Creditor hereunder any amounts as indicated by Employment and Social Development Canada in a Notice of Debt, and remit such amounts to Employment and Social Development Canada pursuant to the *Employment Insurance Act* (Canada). Any Creditor whose address on file with the CannTrust Plan Companies on the Distribution Record Date is not a Canadian address will be treated as a non-resident of Canada for purposes of any applicable non-resident withholding tax on all payments hereunder, subject to receipt by the CannTrust Plan Companies of information satisfactory to it (in their sole discretion) that such Creditor is not a non-resident. No gross-up or additional amount will be paid on any payment hereunder to the extent any of the CannTrust Plan Companies or any other Person deducts or withholds amounts pursuant to this Section 6.7. Notwithstanding any withholding or deduction, each Person receiving a payment will have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any Governmental Authority (including income and other tax obligations on account of such distribution).

6.8 **Cancellation of Certificates and Notes, etc.**

At the Effective Time, all debentures, notes, certificates, indentures, guarantees, agreements, invoices and other instruments evidencing any Affected Claims, Released Claims or Securities-Related Section 5.1(2) Claims (and all guarantees associated with any of the foregoing) will not entitle any holder thereof to any compensation or participation other than as expressly provided for in the CCAA Plan and will be deemed cancelled and extinguished and be null and void.

6.9 **Calculations**

All amounts to be paid by the CannTrust Plan Companies hereunder will be calculated by the CannTrust Plan Companies, with the assistance of the Monitor. All calculations made by the CannTrust Plan Companies will be conclusive, final and binding upon the Affected Creditors, the CannTrust Plan Companies and all other Persons, absent manifest error.

6.10 **Currency Matters**

Distributions to General Unsecured Creditors with Proven Claims will be paid in Canadian dollars and any such Claims that are denominated in a currency other than the lawful money of Canada will be converted to the equivalent thereof in the lawful money of Canada at the noon rate of exchange as quoted by the Bank of Canada on the Filing Date, in accordance with the Claims Procedure Order. Distributions to Securities Claimants will be governed by the Trust Declaration and the Allocation and Distribution Scheme.

SCHEDULE B
ALLOCATION AND DISTRIBUTIONS SCHEME

SCHEDULE C
COOPERATION AGREEMENT – GENERAL PRINCIPLES

All capitalized terms used but not otherwise defined in this Schedule C shall have the meanings given to such terms in the RSA.

- A. A material factor influencing CannTrust’s decision to execute the Cooperation Agreement is the desire to limit its burden and expense in complying with the agreement. Accordingly, Prosecution Counsel agree to exercise good faith in seeking cooperation from CannTrust and agree not to seek information that is unnecessary, cumulative or duplicative and agree otherwise to avoid imposing undue or unreasonable burdens or expense on CannTrust.
- B. The scope of CannTrust’s cooperation shall be limited to the allegations asserted in the Actions as presently filed and the Assigned Claims.
- C. All cooperation shall be coordinated in such a manner so that all unnecessary duplication and expense is avoided.
- D. CannTrust shall not be required to provide cooperation: (i) in violation of any law or Order from a court of competent jurisdiction; (ii) that waives any privilege; or (iii) with regard to conduct outside the scope of the Assigned Claims.
- E. Within ● days after the CCAA Plan is implemented:
 - (a) CannTrust will provide all non-privileged documents (including electronically stored documents) relevant to the Actions and the Assigned Claims in a form mutually acceptable to the Parties. CannTrust makes no representation regarding, and shall bear no liability with respect to, the accuracy of, or that they have, can or will produce a complete set of any of the documents or information, and the failure to do so shall not constitute a breach or violation of the Cooperation Agreement.
 - (b) If any documents protected by any privilege, including solicitor-client, litigation, attorney work product, settlement, common-interest or joint defence privilege, or any other privilege, doctrine or law, and/or any privacy law or other rule or law of Ontario, Quebec or any other jurisdiction, are accidentally or inadvertently disclosed or produced, such documents shall be promptly returned to CannTrust and the documents and the information contained therein shall not be disclosed or used directly or indirectly, except with the express written permission of CannTrust, and the production of such documents shall in no way be construed to have waived in any manner any privilege, doctrine, law, or protection attached to such documents.
 - (c) CannTrust’s counsel will meet with Prosecution Counsel to provide an evidentiary proffer which will include information that is not covered by privilege, including solicitor-client, litigation, attorney work product, settlement, common-interest or joint defence privilege, or any other privilege relating to the Actions and the Assigned Claims. The Parties agree

that there shall be no audio or video recording or written transcription or record of any statements made or information provided by CannTrust's counsel at the proffer, and that Prosecution Counsel may only make written notes of their own thoughts and impressions at the proffer for the purpose of formulating legal advice, pursuing litigation and/or for the purpose of advancing settlement discussions in the interests of the Securities Claimants and the Securities Claimant Trust, as applicable. Notwithstanding any other provision of the Cooperation Agreement, and for greater certainty, it is agreed that any such written notes, and all statements made and information provided by CannTrust's counsel are privileged, will be kept strictly confidential, may not be directly or indirectly disclosed to any other party, and shall not be used by Prosecution Counsel for any purpose other than for their own internal use in connection with the prosecution of the Actions and Assigned Claims and for no other purpose whatsoever.

- F. Prosecution Counsel agree that all documents and information made available or provided by CannTrust under the Cooperation Agreement shall be used only in connection with the prosecution of the Actions and the Assigned Claims, and shall not be used directly or indirectly for any other purpose, except to the extent that the documents or information are already publicly available prior to the time of production from CannTrust or subsequently become publicly available other than through the actions of Prosecution Counsel, the Securities Claimants or the Securities Claimant Trust. Prosecution Counsel agree they shall not disclose the documents and information provided by CannTrust beyond what is reasonably necessary for the prosecution of the Actions or Assigned Claims or as otherwise required by law, and acknowledge that they are bound by the deemed undertaking and Rule 30.1 of the Rules of Civil Procedure and the equivalent rules in other Provinces or jurisdictions, except to the extent that the documents or information are publicly available.
- G. Prosecution Counsel may request to interview certain of CannTrust's current or former officers, directors or employees under oath. CannTrust will make best efforts to encourage witnesses to attend the interviews but will not compel witnesses to provide witness statements or other testimony under oath. The Securities Claimant Trust will bear the reasonable costs of counsel retained by CannTrust and witnesses to assist in their interactions with Prosecution Counsel. It shall not be a breach of cooperation if any person or entity asserts any right against self-incrimination or similar privilege.
- H. The Securities Claimants and the Securities Claimant Trust agree that section 7 is the exclusive means by which they may obtain discovery or information or documents from CannTrust's current or former officers, directors or employees. They agree not to pursue any other means of discovery against, or seek to compel the evidence of CannTrust's current or former officers, directors or employees, whether in Canada or elsewhere and whether under the rules or laws of this or any other Canadian or foreign jurisdiction, unless that person does not cooperate pursuant to section 7.
- I. Subject to the rules of evidence or any court Order, CannTrust agrees to use reasonable efforts to produce at trial or through acceptable affidavits for use at trial a current representative qualified to establish the authenticity of the documents provided by

CannTrust pursuant to the Cooperation Agreement (after Class Counsel and counsel for the Securities Claimant Trust, as applicable, has used best efforts to authenticate documents for use at trial without a live witness).

- J. To the extent any of CannTrust's cooperation obligations require any current or former employees of CannTrust to travel from their principal place of business or residence to another location, the Securities Claimant Trust shall reimburse that person for reasonable expenses incurred by any such person in connection with fulfilling CannTrust's cooperation obligations.
- K. The failure of a specific officer, director, employee or former employee of CannTrust to agree to make him or herself available shall not constitute a violation of the Cooperation Agreement.
- L. Any dispute regarding the Cooperation Agreement will not invalidate the CCAA Plan and shall be resolved by way of confidential mediation/arbitration, in a manner to be agreed among the Parties.

Illustrative Analysis of a Hypothetical Liquidation

As of April 30, 2021

Introduction

Ernst & Young Inc., in its capacity as the court-appointed monitor (the “**Monitor**”) of CannTrust Holdings Inc. (“**CannTrust Holdings**”), CannTrust Inc. (“**CannTrust Opco**”), CTI Holdings (Osoyoos) Inc., (“**CTI**”) and Elmcliffe Investments Inc. (“**Elmcliffe**”) (collectively, the “**CannTrust Group**”), with the assistance of the CannTrust Group, has prepared this illustrative analysis of a forecast hypothetical liquidation of the assets of the CannTrust Group as of April 30, 2021 (“the “**Hypothetical Liquidation Date**”) in connection with the plan of compromise, arrangement and reorganization of CannTrust Holdings, CannTrust Opco and Elmcliffe (the “**CannTrust Plan Companies**”) to be dated March 19, 2021 (the “**CCAA Plan**”), which is assumed to be considered at meetings of the creditors of the CannTrust Plan Companies on April 30, 2021, subject to the Ontario Superior Court of Justice (Commercial List) granting the requested order to call the meetings.

The “**Liquidation Analysis**” provides an estimate of the realizable value of the CannTrust Group’s assets in a liquidation and the resulting distribution to creditors in accordance with their respective priorities in the context of a liquidation as opposed to the implementation of the CCAA Plan. As the CCAA Plan contemplates separate classes for each of the CannTrust Plan Companies, the liquidations analysis was performed separately for each entity, as well as for CTI.

Disclaimer

In preparing this Liquidation Analysis, the Monitor has relied upon unaudited financial information, books and records prepared by the CannTrust Group, discussions with management of the CannTrust Group, and information from other third-party sources (collectively, the “**Information**”). The Monitor has not audited or otherwise attempted to verify the accuracy or completeness of such information in a manner that would wholly or partially comply with Canadian Auditing Standards (“**CAS**”) pursuant to the Chartered Professional Accountants Canada Handbook and, accordingly, the Monitor expresses no opinion or other form of assurance contemplated under CAS in respect of the Information. The Liquidation Analysis includes estimates concerning the operations of the CannTrust Group and additional assumptions discussed below with respect to the requirements and impact of a liquidation. These assumptions are based on input from the CannTrust Group, and estimates based on previously experience of the Monitor, and Information provided and available at a point in time. These assumptions can vary widely from actual occurrences and such variation may be material. Since the Liquidation Analysis is based on assumptions about future events and conditions that are not ascertainable, the actual results achieved in either liquidation scenarios will vary from the Liquidation Analysis, even if the assumptions materialize, and such variation may be material. There is no

representation, warranty or other assurance that any of the estimates, forecasts or projections will be realized.

General Assumptions

The Liquidation Analysis assumes the liquidation process commences on or shortly after the Hypothetical Liquidation Date under one of two underlying scenarios. The purpose of considering the two scenarios is to illustrate a range of potential net realizations based on varied overall assumptions guiding a hypothetical liquidation.

First, the low estimate of realizable value in liquidation (the “**Low Realization Estimate**”) contemplates a complete and immediate cessation of the CannTrust Group’s operations where all cannabis production is ceased, all employees that are non-core to the liquidation are terminated immediately and the process for destruction of all cannabis inventory (except inventory with a purchase order) and decommissioning the facility and the CannTrust Group’s Cannabis Licenses commences on the Hypothetical Liquidation Date. An abrupt cessation of operations, which would significantly reduce the value realized on cannabis inventory and wind-down of all business functions, is estimated to take one month. The tangible assets of the CannTrust Group, including production equipment and other machinery, are assumed to be sold within two months after the wind-down of operations. Land and buildings, which consist of the facility located at 1396 Balfour Street in Pelham, Ontario (the “**Fenwick Facility**”) and various acreage parcels in Osoyoos and Oliver, British Columbia (the “**Osoyoos Lands**”) are assumed to require two months to market and sell after the Hypothetical Liquidation Date and one month to close. Overall, the entire wind-down and liquidation process in the Low Realization Estimate is estimated to take until July 30, 2021.

Second, the high estimate of realizable value in a liquidation (the “**High Realization Estimate**”) assumes the CannTrust Group wind down their operations in an orderly fashion by completing the post-harvest processing of cannabis into bulk form, making arrangements to complete any open orders in a reasonable timeframe, and liquidate the remaining cannabis inventory at market prices through bulk sales. As such, an orderly wind-down ending June 30, 2021 is anticipated to maximize the realization on working capital assets. This will include finalizing the cultivation of the cannabis that is in progress and any additional cannabis cultivated that is not used to fulfill orders will be destroyed. Following the wind-down of operations, the tangible assets are assumed to be sold within a further period of three months reflecting a more fulsome marketing process resulting in an improvement to the expected realizable value. Land and buildings, which will consist of the Fenwick Facility and the Osoyoos Lands, are assumed to require two months to sell in the High Realization Estimate and one month to close. Overall, the entire wind-down and liquidation process in the High Realization Estimate is estimated to take until September 30, 2021.

The CannTrust Group

Illustrative Analysis of a Hypothetical Liquidation

As of April 30, 2021

The assets of the CannTrust Group are assumed to be liquidated while continuing under the existing CCAA proceedings.

Certain Tax Matters

The Liquidation Analysis does not consider other tax consequences in Canada that may be triggered as a result of a liquidation with the exception of the Fenwick Facility and the Osoyoos Lands, as many of the assets would be sold for less than book value. Therefore, it is assumed that the capital losses would offset any potential capital gains on assets that have appreciated in value. While such tax consequences may be material, the inclusion of the tax consequences could further reduce the amounts available for distribution.

Book Value

The Monitor has prepared this analysis based on the best current information available. The book value of assets is based on the accounting records of each member of the CannTrust Group as of January 31, 2021, which have been rolled forward to forecast April 30, 2021 book value balances based on the CannTrust Group's projections.

Illustrative Analysis of a Hypothetical Liquidation

As of April 30, 2021

CTI is a wholly owned subsidiary of CannTrust Opco and owns the Osoyoos Lands, which it acquired in March 2019. There are no operational activities within this company.

Asset Realization Assumptions for CTI Holdings (Osoyoos) Inc.

Note 1: Property Plant and Equipment

CTI, which is wholly owned by CannTrust Opco, owns the Osoyoos Lands. The properties consist of agricultural undeveloped land with no structural improvements that contribute significant value. The Liquidation Analysis assumes the land is sold after being marketed for two months for proceeds based on an appraisal commissioned by the CannTrust Group with a High Realization Estimate of 100% and a Low Realization Estimate of 85% of its appraised value less closing costs of 5%. Estimated closing costs include real estate broker commissions, property taxes, etc.

Note 2: Professional Fees

Professional fees include estimates of the fees and expenses of the Monitor and legal advisors retained by the Monitor and the CannTrust Group. In the Low Realization Estimate, it is expected to take three months to complete the liquidation process, and in the High Realization Estimate, it is expected to take five months. Professional fees are allocated to the various members of the CannTrust Group on the following basis:

CTI	Elmcliffe	CannTrust Holdings	CannTrust Opco
10%	10%	30%	50%

Note 3: Cost to Wind Down Operations

The Low Realization Estimate does not contemplate a continuation of the CannTrust Group's operations past the Hypothetical Liquidation Date. The cost of the wind-down of the CannTrust Group's operations over a two-month period assumed in the High Realization Estimate is based on the minimum operating costs for compensation, operations, information technology, SG&A and utilities. Wind-down costs also include the cost to decommission the CannTrust Group's facilities including costs to remove or disassemble equipment for resale or removal.

Total wind-down costs are expected to range between \$2.5 million and \$4.6 million which has been allotted to the CannTrust Group based on the underlying cost categories. This results in

different blended rates for the Low and the High Realization Estimates based on different tasks required.

Note 4: Pre-Filing Intercompany Claims

There are no claims that have been filed against CTI, other than CannTrust Opco having a pre-filing intercompany claim against CTI. Therefore, any net proceeds from CTI assets will first be used to satisfy this claim. See CannTrust Opco Liquidation Analysis for corresponding realization on page 11.

Note 5: Equity value assumed to be distributed to CannTrust Opco

CannTrust Opco is the 100% shareholder of CTI, therefore it is assumed to receive the residual value in the CTI estate once all claims are satisfied, either through a dividend or a share repurchase. No tax considerations have been considered related to the surplus remaining in the CTI estate, which could impact the amount distributed by CTI.

See CannTrust Opco Liquidation Analysis for corresponding equity realization receipt on page 11.

Illustrative Analysis of a Hypothetical Liquidation

As of April 30, 2021

Elmcliffe is a wholly owned subsidiary of CannTrust Opco. Elmcliffe owns the Fenwick Facility and has no operating activities.

Asset Realization Assumptions for Elmcliffe Investments Inc.

Note 1: Cash

Book value for cash has been forecast at April 30, 2021 based on the most recent Cash Flow Forecast. The Liquidation Analysis assumes the unrestricted cash is fully recovered through the liquidation process in both the High and Low Realization Estimates.

Note 2: Property Plant and Equipment

Elmcliffe, a wholly owned subsidiary of CannTrust Opco, owns the Fenwick Facility, which is a licensed production facility located in Pelham, Ontario. Capitalized improvements made to the facility for cannabis operations are owned by CannTrust Opco. For the purpose of the Liquidation Analysis, the property has been assumed to be sold “As-is” and based on probable best use. The Liquidation Analysis assumes the owned land, greenhouse and buildings are sold after being marketed for two months for proceeds based on an appraisal commissioned by the CannTrust Group with a High Realization Estimate of 100% and a Low Realization Estimate of 85% of its appraised value less closing costs of 7%. Estimated closing costs include real estate broker commissions, property taxes, etc.

It is assumed that the proceeds of sale of the real property would be allotted fully to Elmcliffe and no value will be allotted to CannTrust Opco for any leasehold improvements or other capitalized assets related to the property. In the Low Realization Estimate, there will be capital gains on the sale of the Fenwick Facility, while the High Realization Estimate assumes these capital gains are offset by losses in the other members of the CannTrust Group through possible tax strategies.

Note 3: Professional Fees

Note 4: Cost to Wind Down Operations

Refer to Note 3 in CTI’s Liquidation Analysis.

Note 5: Pre-Filing Intercompany Claims

CannTrust Opco and CannTrust Holdings both have pre-filing unsecured intercompany claims against Elmcliffe. Therefore, any unsecured creditor distributions from the net proceeds of Elmcliffe assets for these unsecured claims will be an additional recoverable asset for each of CannTrust Opco and CannTrust Holdings. See CannTrust Opco and CannTrust Holdings Liquidation Analysis for corresponding realization on pages 11 and 19 respectively.

Note 6: Equity Value Assumed to be Distributed to CannTrust Opco

CannTrust Opco is the 100% shareholder of Elmcliffe. Therefore, it would receive the benefit of any net surplus recoveries after satisfying all the secured and unsecured claims via dividend or capital repurchase. See CannTrust Opco Liquidation Analysis on page 11 for corresponding net assumed recovery of shares held by CannTrust Opco in Elmcliffe.

Illustrative Analysis of a Hypothetical Liquidation

As of April 30, 2021

CannTrust Opco is a wholly owned subsidiary of CannTrust Holdings. CannTrust Opco is a licensed producer of cannabis in Canada and all revenue and expenses related to the CannTrust Group's cannabis operations run through CannTrust Opco. CannTrust Opco is the parent company of Elmcliffe, Elmcliffe [No. 2] Investment Inc., and CTI. CannTrust Opco also has equity interests in Cannatrek Ltd., Grey Wolf Animal Health Inc. and O Cannabis We Stand On Guard For Thee Ltd.

Asset Realization Assumptions for CannTrust Inc.

Note 1: Cash

Book value for cash has been forecast at April 30, 2021 based on the most recent Cash Flow Forecast. The Liquidation Analysis assumes the unrestricted cash is fully recovered through the liquidation process in both the High and Low Realization Estimates.

Note 2: Short-Term Investments

The short-term investments consist of GICs held as collateral for the credit card processing company. It is assumed that this GIC could be easily liquidated with nominal fees for early redemption and will be used for potential customer chargebacks. Accordingly, the Low Realization Estimate assumes 10% of collateral will be used to cover chargebacks by the customers and the High Realization Estimate assumes 5% of the collateral will be used.

Note 3: Accounts Receivable

CannTrust Opco is the CannTrust Group's only operating entity. Customers are mainly medical consumers, other licensed producers and provincial cannabis distributors operated by government agencies. All medical consumers pay in advance therefore there is no accounts receivable for these types of customers. While the provinces typically have low non-collection risk, they are able to return products and initiate price adjustments. Therefore, based on these factors, the analysis assumes that the Accounts Receivable recovery will be 80% in a High Realization Estimate and 60% in a Low Realization Estimate.

Note 4: Prepaid Expense

CannTrust Opco's prepaid expenses consist of deposits and retainers for future purchases, custom equipment, construction, rent, software licenses and long-term commitments. It has been assumed that vendor and security deposits will be utilized to satisfy unpaid invoices and penalty clauses for early termination. Retainers for professional service fees may be returned if

Illustrative Analysis of a Hypothetical Liquidation

As of April 30, 2021

amounts are not owed by the CannTrust Group, therefore, the blended rate of recovery estimated is 3% in the Low Realization Estimate and 2% in the High Realization Estimate.

Note 5: HST Recoverable

CannTrust Opco is in an HST refund position with the CRA from claiming input tax credits (“ITCs”) relating to HST paid on purchases and expenses for commercial activities. As a result of unpaid pre-filing balances that would be set off against these refunds, CannTrust Opco estimates a portion of the HST refunds would likely not be recoverable from CRA.

Note 6: Restricted Cash

CannTrust Opco holds a \$200,000 letter of credit held as a security deposit for rental of the office space and processing facility at 3280 Langstaff Road in Vaughan, Ontario (the “**Vaughan Facility**”). It is assumed that this amount would be used to pay for the necessary time to occupy during the wind-down process.

Note 7: Inventory

CannTrust Opco’s inventory includes cannabis products, as well as production materials and cannabis accessories. The cannabis products are at various stages of production from plants that are currently drying to finished packaged product. The formats include dry flower, pre-roll, oil, and capsule. Production materials and cannabis accessories consist of the inputs to grow cannabis, bottles, packages cones, vapes and labels.

The Low Realization Estimate assumes immediate cessation of operations and therefore:

- all bulk cannabis inventory is destroyed;
- cultivation material has no recovery value;
- packaged products that are not already allocated to an existing wholesale or medical purchaser is destroyed;
- Packaging and accessories will have limited resale value of 5% and 10% for vapes;
- Provinces cancel all outstanding orders; and
- 20% of bulk dry cannabis products are sold at a market rate of \$0.20/gram and oil at \$0.13/gram.

Illustrative Analysis of a Hypothetical Liquidation

As of April 30, 2021

The High Realization Estimate allows additional time to wind down the operations. Therefore, it is assumed the sales team will continue to market the more recently finished goods with higher potency into the recreational and medical markets during that period, while simultaneously destroying the older and lower quality products. The High Realization Estimate assumes a 40% realization of the more recent batches of higher potency bulk cannabis at \$0.75/gram. It assumes the recovery on the packaging material and vapes are 10% and 20%, respectively. It is assumed that the provinces will continue to purchase for three more weeks at a similar rate as estimated in the most recent Cash Flow Forecast.

Note 8: Biological Assets

The estimates related to biological assets are based based on the projected net realizable value of the plant biomass from seedlings to plants prior to harvest. We have assumed that the all biological assets as at January 31, 2021 will become inventory according to their estimated harvest dates. In a liquidation, CannTrust Opco will not complete any cultivation or harvesting of any plants due to the required time and costs to do so and uncertainty of revenue, therefore, all plants would likely be destroyed.

Note 9: Right of Use Assets

CannTrust Opco has right of use assets for a co-generation lease which is specific to the building in the Fenwick Property, and a small amount for several vehicle leases. As the co-generation equipment is tied with a long-term contract obligation, it is assumed that it would not hold value outside of any sale of the property. The vehicles would also be returned to the lessor due to cancellation of the lease. As such, it is estimated that there would be no recoverable standalone value.

Note 10: Financial Assets

CannTrust Opco hold warrants in an affiliated company. It is assumed that these warrants will have no value at the Liquidation Date as they are currently out-of-the-money.

Note 11: Property, Plant and Equipment

CannTrust Opco operates the Fenwick Facility which is owned by Elmcliffe. Capitalized improvements made to the facility in order to facilitate a cannabis operation are owned and recorded by CannTrust Opco. The proceeds of sale of the Fenwick Facility for the purpose of the Liquidation Analysis are assumed to be fully allotted to Elmcliffe and no value will be allotted to CannTrust Opco for any leasehold improvements or other capitalized assets related to the property as it is assumed that these items will have little value to a non-cannabis purchaser of the Fenwick Facility.

Illustrative Analysis of a Hypothetical Liquidation

As of April 30, 2021

The Fenwick and Vaughan Facilities also contain extraction, lab and production equipment, and other machinery, which are owned by CannTrust Opco and reflected in its accounting records. The valuation of the Fenwick Facility real estate assumes that it would likely be purchased as an agricultural facility due to the current uncertain economic conditions surrounding the cannabis industry. Accordingly, it is assumed that a real estate purchaser would not place significant value on the production equipment.

Recoverable values are based on discussions with auctioneers and previous experience of liquidation of similar assets in order to arrive at the discounted percentages for a Net Orderly Liquidation Value in the High Realization Estimate scenario and a Net Forced Liquidation Value in the Low Realization Estimate scenario.

Note 12: Investments

CannTrust Opco has investments in Cannatrek Ltd., Grey Wolf Animal Health Inc. and O Cannabis We Stand On Guard For Thee Ltd. These are all private companies and CannTrust Opco does not have a controlling interest in any of these investments. When estimating the value of the investments in a liquidation scenario, consideration needs to be made with respect to the shareholders' agreements which will dictate how CannTrust Opco may be able to redeem the shares. In both the High Realization Estimate and the Low Realization Estimates, it is assumed that these investments will have minimal realizable value.

In addition, Elmcliffe Investments [No. 2] Inc. is a wholly owned subsidiary of CannTrust Opco whose sole purpose is to hold shares in Meta Growth Corp, which was acquired by High Tide Inc. Although Elmcliffe Investments [No. 2] Inc. is not an applicant in the CCAA proceedings, any cash from the sale of the interest in High Tide Inc. is expected to flow through to CannTrust Opco as the sole shareholder of Elmcliffe Investments [No. 2] Inc. No tax impact is included given the proceeds of sale are expected to be lower than cost.

Note 13: Equity from Elmcliffe and CTI

CannTrust Opco is the 100% shareholder of Elmcliffe and CTI. Therefore, it would receive any value of equity remaining after Elmcliffe and CTI settle all of their creditor claims. Refer to CTI and Elmcliffe Liquidation Analysis on pages 5 and 8 respectively.

Note 14: Pre-Filing Intercompany Claims

Opco has pre-filing unsecured intercompany claims owed to it by Elmcliffe and CTI for pre-filing intercompany advances. It is assumed for the purpose of the Liquidation Analysis, that CannTrust Opco will share on a pro rata basis with the other unsecured creditors in any

Illustrative Analysis of a Hypothetical Liquidation

As of April 30, 2021

distributions from Elmcliffe and CTI. Refer to CTI and Elmcliffe Liquidation Analysis on pages 5 and 8 respectively.

Note 15: Payment of Post-Filing Accounts Payable

It is assumed that CannTrust Opco would have one month's worth of post-filing operating expenses in Accounts Payable to be paid in the following month. The amount is estimated based on the current spending rates in the most recent Cash Flow Forecast. Payment terms are net 30.

Note 16: Professional Fees

Refer to Note 2 in CTI's Liquidation Analysis.

Note 17: Cost to Wind Down Operations

Refer to Note 3 in CTI's Liquidation Analysis.

Note 18: Recovery of Post-Filing Advances made to Affiliates

During the period of March 31, 2020 to the Hypothetical Liquidation Date of April 30, 2021, the CannTrust Group has participated in inter-group cash advances as some members of the CannTrust Group are not cash flow positive. Pursuant to the Amended and Restated Initial Order dated March 31, 2020, the post-filing intercompany advances by CannTrust Holdings to CannTrust Opco, Elmcliffe and CTI are secured by a court-ordered charge on the assets of the intercompany borrowers. It is assumed that the post-filing intercompany transactions will be settled by the proceeds from sale of assets prior to distribution of any additional net proceeds to the pre-filing creditors. The advances are based on the anticipated balances projected by the most recent Cash Flow Forecast. As at April 30, 2021, CannTrust Opco is anticipated to owe CannTrust Holdings \$53 million. However, based on the estimated realizable values of CannTrust Opco's assets, the full amount will not be satisfied. See CannTrust Holdings Liquidation Analysis for corresponding recovery of the Post-Filing Intercompany Advances on page 19.

Note 19: Insufficient Funds to Pay Secured Claims

Pursuant to the Amended and Restated Initial Order, dated March 31, 2020, post-filing intercompany advances by CannTrust Holdings are secured by a court-ordered charge. CannTrust Opco is estimated to not have sufficient funds after liquidation costs and the settlement of the secured post-filing intercompany advances owed to CannTrust Holdings to pay any secured pre-filing claims, including the secured pre-filing intercompany claim of CannTrust Holdings, nor to make any distribution to unsecured creditors.

Illustrative Analysis of a Hypothetical Liquidation

As of April 30, 2021

Note 20: Reserve for Unresolved Claims

As at the time of this Liquidation Analysis, there are claims which were filed under the Claims Procedure Order issued on May 8, 2020 that are either still under review, claims for which a Notice of Revision and Disallowance has been issued and the dispute period has not lapsed, and claims for which a Notice of Revision and Disallowance has been issued which has been disputed by the applicable claimant (collectively, “**Unresolved Claims**”). The Unresolved Claims include \$1.6 million in asserted secured claims and approximately \$59.4 million in unsecured claims for a total value of approximately \$61.1million. For the purpose of the Liquidation Analysis, Unresolved Claims are excluded from any distribution calculation, but this does not impact the outcome of the analysis, as there is no estimated distribution expected for secured or unsecured creditors in any event.

Illustrative Analysis of a Hypothetical Liquidation

As of April 30, 2021

CannTrust Holdings is the parent company of CannTrust Opco and has no operational activities of its own. The common shares of CannTrust Holdings were previously listed on the TSX and NYSE. CannTrust Holdings also owns 50% of Cannabis Coffee and Tea Pod Company Ltd.

Asset Realization Assumptions for CannTrust Holdings Inc.

Note 1: Cash

Book value for cash has been forecast at April 30, 2021 based on the most recent Cash Flow Forecast. The Liquidation Analysis assumes the unrestricted cash is fully recovered through the liquidation process in both the High and Low Realization Estimates.

Note 2: Short-Term Investments

The short-term investments consist of GICs and are assumed to be easily liquidated with nominal fees for early redemption in both scenarios.

Note 3: HST Recoverable

CannTrust Holdings is in an HST refund position with the CRA from claiming input tax credits (“ITCs”) relating to HST paid on purchases and expenses for commercial activities. In both scenarios, the ITCs related to unpaid pre-filing expenses will be disallowed. As the CRA is currently auditing CannTrust Holdings’ ability to claim any ITCs as a holding company, the Low Realization Estimate assumes all ITCs would be disallowed in its entirety and no HST refund will be recoverable.

Note 4: Prepaid Expense

CannTrust Holdings’ prepaid expenses consist of retainers for professional services and prepaid insurance. Retainers for professional service fees may be returned if amounts are not owed by the Applicant, therefore it is expected that 80% can be recovered in Low Realization Estimate and 90% can be recovered in a High Realization Estimate. Insurance will be recoverable for the period that is no longer required, however because the majority of policies expire August 25, 2021, this results in a minimal amount that is recoverable in either scenario.

Note 5: Restricted Cash

CannTrust Holdings has a contingent, residual interest in a trust for Director and Officer’s claims. An independent trustee holds the trust funds. It is estimated that no funds would be recoverable by CannTrust Holdings in both the High Realization and Low Realization Estimates.

Note 6: Recovery of Post-Filing Intercompany Advances made to Affiliates

During the period of March 31, 2020 to the Hypothetical Liquidation Date of April 30, 2021, the CannTrust Group has participated in inter-group cash advances as some members of the CannTrust Group are not cash flow positive. Pursuant to the Amended and Restated Initial Order dated March 31, 2020, the post-filing intercompany advances by CannTrust Holdings to CannTrust Opco, Elmcliffe and CTI are secured by a court-ordered charge on the assets of the intercompany borrowers. It is assumed that the post-filing intercompany transactions will be settled by the proceeds from sale of assets prior to distribution of any additional net proceeds to the pre-filing creditors. The advances are based on the anticipated balances projected by the most recent Cash Flow Forecast. As at April 30, 2021, CannTrust Opco is anticipated to owe CannTrust Holdings \$53.0 million however, based on the CannTrust Opco Liquidation Value estimates, it is not estimated that the full amount of this post-filing secured intercompany advance could be satisfied. See CannTrust Opco Liquidation Analysis for corresponding recovery of the Post-Filing Intercompany Advances on page 11.

Note 7: Pre-Filing Intercompany Claims

CannTrust Holdings has pre-filing intercompany claims owed from Elmcliffe and CannTrust Opco, which will be recovered to the extent net realizations are sufficient to make distributions to the unsecured creditors in each of the estates. See CannTrust Opco and Elmcliffe Liquidation Analysis on pages 11 and 8 respectively for corresponding realizations.

Note 8: Payment of Post-Filing Accounts Payable

It is assumed that CannTrust Holdings would have one month's worth of post-Filing accounts payable related to professional fees to be paid in the following month for legal counsel in defending the Securities Class Actions and indemnification claims. The amount is estimated based on the current spending rates in the most recent Cash Flow Forecast. Payment terms are net 30.

As of April 30, 2021

Note 11: Reserve for Unresolved Claims

As at the time of this Liquidation Analysis, there are claims which were filed under the Claims Procedure Order issued on May 8, 2020 that are either still under review, claims for which a Notice of Revision and Disallowance has been issued and the dispute period has not lapsed, and claims for which a Notice of Revision and Disallowance has been issued which has been disputed by the applicable claimant (collectively, “**Unresolved Claims**”). For the purposes of the Liquidation Analysis, Unresolved Claims are excluded from any distribution calculation as Unresolved Claims would be reserved for prior to any distribution to unsecured creditors in a bankruptcy.

Note 12: Net Proceeds Available after Payment of Pre-Filing Claims

The estimated value remaining in CannTrust Holdings after satisfying all creditor claims will be subject to equity claims, including indemnification claims and equity holders. It is likely that the resolution of and entitlement to the proceeds would result in significant legal costs and potentially many years to resolve, with great uncertainty as to timing and guarantee of recoveries for claimants.

SUMMARY

*The following is a summary of certain information contained elsewhere in this information statement (the “**Information Statement**”). This summary is included for convenience only and is qualified in its entirety by the more detailed information contained elsewhere in this Information Statement, including the terms of the CCAA Plan, which should be read by all Affected Creditors to determine whether to approve the CCAA Plan. Capitalized terms used but not defined in this summary have the meanings given to them in the Plan or, if not defined in the Plan, in the Meeting Order.*

Overview

Meetings of the Affected Creditors (i.e., holders of General Unsecured Claims (Opco), General Unsecured Claims (Elmcliffe), General Unsecured Claims (CannTrust Holdings) and Securities Claims), will be held on April 30, 2021 by videoconference due to the COVID-19 pandemic. The purpose of the Meetings is to consider and, if thought advisable, to pass a resolution to approve a plan of compromise, arrangement and reorganization of CannTrust Holdings Inc., CannTrust Inc. and Elmcliffe Investments Inc. (the “**CannTrust Plan Companies**”) under the *Companies’ Creditors Arrangement Act* (the “**CCAA**”) dated March 19, 2021 (as amended from time to time, the “**CCAA Plan**”). A copy of the CCAA Plan is attached as Schedule “B” to the Information Statement.

Background and Overview

The CannTrust Group is a licensed producer of cannabis in Canada that, prior to June 2019, operated an award-winning business that was experiencing operational growth and expanding into new markets and product segments. The CannTrust Group produces cannabis for the recreational and medical cannabis markets across Canada. The CannTrust Group operates production and processing facilities in Fenwick and Vaughan, Ontario and real estate interests in British Columbia.

Following regulatory audits of its facilities in June and July 2019, Health Canada determined that the CannTrust Group was growing and storing cannabis contrary to applicable laws (the “**Health Canada Audits**”). Following the Health Canada Audits, among other things, shipments of all of the CannTrust Group’s cannabis products were stopped, its cannabis licences were partially suspended and multiple putative securities class actions and other actions were commenced against CannTrust Holdings Inc. (“**CannTrust Holdings**”) and others in several provinces in Canada and at the federal and state level in the United States (the “**Actions**”).

In the second half of 2019 and the first quarter of 2020, the CannTrust Group undertook extensive efforts to address these challenges. However, despite these efforts, the situation facing the CannTrust Group by the end of March 2020 was still highly uncertain and the CannTrust Group determined that it was in the best interests of the CannTrust Group and its stakeholders to commence proceedings pursuant to the CCAA (the “**CCAA Proceedings**”) to obtain the breathing space necessary to, among other things, (i) complete the remediation of its facilities and obtain the reinstatement of its cannabis licences, (ii) right-size its business to better reflect its current and anticipated operational footprint; (iii) restore cultivation and processing operations and return to the recreational and medical cannabis markets upon the reinstatement of its licences; (iv) facilitate the continuation of the board of directors’ review of strategic alternatives, including any potential sale of or other strategic transaction involving the CannTrust Group, and (v) explore a global resolution of the Actions and address the other claims and contingent claims against the CannTrust Group in a single forum.

Since commencing the CCAA Proceedings before the Ontario Superior Court of Justice (Commercial List) (in its capacity as the court supervising the CCAA Proceedings, “**CCAA Court**”) on March 31,

2020, the CannTrust Group has completed each of its business restructuring objectives. Specifically, the CannTrust Group completed the remainder of its remediation work, obtained the reinstatement of its cannabis licences, resumed production and processing operations and returned to the recreational and medical cannabis markets.

The CCAA Court appointed the Honourable Dennis O'Connor, Q.C. (the "**Court-Appointed Mediator**") to conduct a mediation process between CannTrust Holdings, plaintiffs and representative plaintiffs in the Actions, Co-Defendants and Insurers with a view to reaching a resolution of some or all of the Securities Claims and related claims between the various parties. As a result of the extensive negotiations facilitated by the Court-Appointed Mediator, the CannTrust Group reached an agreement with the representative plaintiffs in the Ontario Class Action and the U.S. Class Action and their counsel regarding a framework for the settlement of all Securities Claims against CannTrust Holdings and various related claims.

The CCAA Plan implements this framework for the settlement of all Securities Claims and addresses the other claims and contingent claims against the CannTrust Plan Companies. Accordingly, with the implementation of the CCAA Plan, should it be approved by the Affected Creditors and the CCAA Court, the CannTrust Group will have accomplished each of its restructuring objectives and be in a position to emerge from the CCAA Proceedings as a going concern.

The CannTrust Plan Companies believe that the CCAA Plan is the only realistic route available that will allow the CannTrust Plan Companies to emerge from the CCAA Proceedings as a going concern as:

- (a) the CannTrust Plan Companies, along with Greenhill & Co. Canada Ltd. (the "**Financial Advisor**") and the Monitor, carried out a robust marketing and solicitation process approved by the CCAA Court which did not result in any executable proposals for a recapitalization or sale transaction; and
- (b) the CannTrust Plan Companies have limited remaining cash in excess of the \$50 million needed to fund the proposed settlement, and their ability to obtain further financing is dependent on a clear path being provided toward a successful restructuring and exit from these CCAA Proceedings.

The CCAA Plan

The objective of the CCAA Plan is to allow the CannTrust Plan Companies to emerge from the CCAA Proceedings while balancing the interests of all stakeholders of the CannTrust Plan Companies in a fair and reasonable manner in the circumstances.

Treatment of Affected Creditors

Generally, the CCAA Plan provides for the following treatment of claims:

- (a) General Unsecured Claims (Opco): Each General Unsecured Creditor of CannTrust Inc. ("**CannTrust Opco**") with Proven Claims not exceeding an aggregate of \$2,500 or who has duly filed an Election Notice with the Monitor (a "**Convenience Creditor**"), will receive, in full satisfaction of such Proven Claims, a payment in an amount equal to the lesser of \$2,500 and the actual amount of the Proven Claims.

Each General Unsecured Creditor with Proven Claims against CannTrust Opco that exceed an aggregate of \$2,500 and which General Unsecured Creditor has not duly filed an Election Notice, will receive in full satisfaction of such Proven Claims, the lesser of:

- i. such General Unsecured Creditor's *pro rata* share of the balance of the GUC Distribution Pool after deducting (i) the amount held in the Unresolved General Unsecured Claims Reserve in respect of General Unsecured Claims (Opco) that are Unresolved General Unsecured Claims, and (ii) the amounts paid to Convenience Creditors in accordance with the CCAA Plan; and
 - ii. 17% of the amount of such General Unsecured Creditor's Proven Claims that are General Unsecured Claims (Opco).
- (b) General Unsecured Claims (Holdings): Each General Unsecured Creditor of CannTrust Holdings with Proven Claims that are General Unsecured Claims (CannTrust Holdings) will receive in full satisfaction of such Proven Claims, payment of the amount of such Proven Claims.
- (c) General Unsecured Claims (Elmcliffe): Each General Unsecured Creditor of Elmcliffe Investments Inc. ("**Elmcliffe**") with Proven Claims that are General Unsecured Claims (Elmcliffe) will receive in full satisfaction of such Proven Claims, payment of the amount of such Proven Claims pursuant to a payment schedule to be agreed with the CannTrust Plan Companies and such Creditor.
- (d) Securities Claims: Securities Claimants will have the right to receive distributions from a trust established for the benefit of Securities Claimants, among others (the "**Securities Claimant Trust**"), to which (i) CannTrust Holdings will pay or cause to be paid \$50 million, (ii) CannTrust Holdings and CannTrust Opco will assign their claims against any non-settling Co-Defendants and Insurers, and (iii) Additional Settlement Parties may make further contributions of cash and assigned claims.
- (e) Securities-Related Indemnity Claims: The CCAA Sanction Order to be sought by the CannTrust Plan Companies will release all Securities-Related Indemnity Claims other than certain Defence Costs Indemnity Claims without any distribution under the CCAA Plan. The CCAA Plan contemplates that Non-Settlement Parties with valid Securities-Related Indemnity Claims will benefit from a judgment reduction provision to be sought in the CCAA Sanction Order, as described further herein.
- (f) Securities-Related Section 5.1(2) Claims: All Securities-Related Section 5.1(2) Claims will be channelled to and limited to recovery solely from the Securities Claimant Trust.
- (g) Unaffected Claims: Unaffected Claims will either be paid pursuant to the CCAA Plan or satisfied in accordance with the applicable agreements and other arrangements between Unaffected Creditors and the applicable CannTrust Plan Company.

Classification of Creditors

The CCAA Plan provides for the following four classes of Affected Creditors for the purposes of considering and voting on the resolution to approve the CCAA Plan:

- (a) a class of Creditors holding General Unsecured Claims (CannTrust Holdings) (the "**CannTrust Holdings GUC Class**");
- (b) a class of Creditors holding General Unsecured Claims (Elmcliffe) (the "**Elmcliffe GUC Class**");

- (c) a class of Creditors holding General Unsecured Claims (Opco) (the “**Opco GUC Class**” and collectively with the CannTrust Holdings GUC Class and the Elmcliffe GUC Class, the “**GUC Classes**”); and
- (d) a class of Creditors holding Securities Claims (the “**Securities Claimant Class**”).

The Meetings

Pursuant to the order of the CCAA Court issued on March 19, 2021 (the “**Meeting Order**”), the following Meetings have been called to consider and vote on the CCAA Plan:

Entitlement to Vote

In respect of the GUC Meetings, only General Unsecured Creditors holding General Unsecured Claims against the applicable CannTrust Plan Company that are Proven Claims or Unresolved General Unsecured Claims or their proxies will be entitled to vote at the applicable Meeting. For each of the GUC Classes, each General Unsecured Creditor as of the Record Date with a General Unsecured Claim that is a Proven Claim will be entitled to one vote in respect of such General Unsecured Claim, which vote shall have a value equal to the dollar value of such General Unsecured Creditor’s Proven Claim determined in accordance with the Claims Procedure Order.

In respect of the Securities Claimant Meeting, only the CCAA Representatives and Opt Out Securities Claimants holding Securities Claims that have been accepted for voting purposes pursuant to the Meeting Order or Unresolved Securities Voting Claims or their proxies will be entitled to vote at the Meeting. The CCAA Representatives will be entitled to the number of votes equal to the number of the Represented Securities Claimants determined in accordance with the Meeting Order, which votes shall have an aggregate value equal to the value of the Securities Claims held by the Represented Securities Claimants determined in accordance with the Meeting Order. Classes holding Voting Claims representing at least two-thirds in value of the Voting Claims in such class that are in attendance personally or by proxy and voting at each GUC Meeting.

Subject to further order of the CCAA Court, the vote on the resolution to approve the CCAA Plan at the Securities Claimant Meeting will be decided by approval of the CCAA Plan by a majority in number of the Securities Claimants holding Voting Claims representing at least two-thirds in value of the Voting Claims that are in attendance personally or by proxy and voting at the Securities Claimant Meeting.

Court Approval of the CCAA Plan

If the CCAA Plan is approved by the Affected Creditors at the Meetings in accordance with the Meeting Order, the CannTrust Plan Companies will seek an order from the CCAA Court, among other things, approving the CCAA Plan (the “**CCAA Sanction Order**”). The hearing in respect of the CCAA Sanction Order is scheduled to take place at ● a.m. on May 14, 2021 by videoconference.

Conditions Precedent to the Implementation of the CCAA Plan

The implementation of the CCAA Plan is conditional on the satisfaction or waiver by the CannTrust Plan Companies of the following conditions, among others:

Business and Operations

The CannTrust Group (specifically, CannTrust Opco) is a licensed producer of cannabis in Canada. The business of the CannTrust Group is focused on two distinct markets: the medical cannabis market and the

adult-use recreational cannabis market.

The CannTrust Group grows cannabis in a commercial greenhouse facility of approximately 450,000 square feet in Fenwick, Ontario in the Niagara region (the “**Fenwick Facility**”). The Fenwick Facility is a state-of-the-art greenhouse with computer controlled irrigation, co-generation power supply and full supplemental lighting. The Fenwick Facility is operated with a perpetual harvest system which is capable of producing cannabis 365 days a year and allows for a continuous work cycle, creating a steady production capacity and a stable work environment for employees.

The CannTrust Group operates an extraction, manufacturing and packaging facility of approximately 60,000 square feet in Vaughan, Ontario (the “**Vaughan Facility**”), which includes an in-house product development laboratory.

As described further below, the CannTrust Group recently returned to both the medical cannabis and adult-use recreational cannabis markets and is focused on gradually regenerating sales and expanding its portfolio of products and their market availability.

CCAA PROCEEDINGS

Events Leading to the Commencement of CCAA Proceedings

Health Canada Audits and Resulting Challenges

Prior to June 2019, the CannTrust Group operated an award-winning business that was experiencing operational growth and expanding into new markets and product segments. The CannTrust Group was named *Licensed Producer of the Year* at the 2018 Canadian Cannabis Awards.

However, following regulatory audits of the CannTrust Group’s facilities in June and July 2019 (the “**Health Canada Audits**”), Health Canada determined, among other things, that the CannTrust Group was growing and storing cannabis contrary to applicable laws.

In the period following the Health Canada Audits:

- (a) the Board formed a special committee of independent directors (the “**Special Committee**”) with a broad mandate to, among other things, conduct an investigation into the allegations arising from the Health Canada Audits and any other potential regulatory non-compliance, make recommendations to address the findings of that investigation, and consider potential strategic alternatives available to the CannTrust Group;
- (b) the CannTrust Group voluntarily placed a hold on the sale and shipment of all cannabis products;
- (c) the Special Committee recommended and the Board agreed to terminate the employment of the chief executive officer of the CannTrust Group, Peter Aceto, for cause, and demanded the resignation of the Chairman of the Board, Eric Paul, who promptly resigned;
- (d) Health Canada suspended, in part, the CannTrust Group’s licences such that the CannTrust Group was permitted to cultivate and harvest cannabis being grown at the time of suspension but was not permitted to propagate new lots or batches of cannabis or engage in the sale or distribution of cannabis until its licenses were reinstated in full;

- (e) the CannTrust Group determined that it needed to destroy a significant portion of its inventory and biological assets that were not authorized by the CannTrust Group's licences because they were acquired, grown or stored inappropriately;
- (f) to reduce operating costs while the CannTrust Group's licenses remained under partial suspension, the CannTrust Group implemented several rounds of layoffs and reduced its employee headcount from a high of approximately 800 to approximately 280 employees;
- (g) KPMG LLP, the CannTrust Group's auditor, withdrew its audit report on CannTrust Holdings' financial statements for the year ended December 31, 2018 and CannTrust Holdings has not filed any further financial statements since May 2019;
- (h) CannTrust Holdings and certain of its current and former officers, directors, employees and other parties were named as defendants in the Actions, which are several putative securities class actions and other actions commenced in several provinces in Canada and at the State and Federal levels in the United States of America. The Actions seek estimated aggregate damages of at least \$500 million; and
- (i) the Royal Canadian Mounted Police and the Joint Serious Offences Team of the Ontario Securities Commission (the "OSC") initiated a criminal investigation and the CannTrust Group may be subject to potential other investigations and proceedings by criminal and regulatory authorities for violations of applicable law.

Initial Steps Taken To Address These Challenges

In the second half of 2019 and the first quarter of 2020, the CannTrust Group undertook extensive efforts to address these challenges including, among other things, investigating the findings of the Health Canada Audits, cooperating with regulators such as Health Canada and the OSC, and implementing a comprehensive remediation plan at the Fenwick Facility and the Vaughan Facility. By March 2020, the CannTrust Group had completed the remediation work at its Fenwick Facility and sought the reinstatement of its licence there, and had almost completed remediation work at its Vaughan Facility.

Challenges Remaining in March 2020

Despite these efforts, the situation facing the CannTrust Group by the end of March 2020 was highly uncertain due to the confluence of the following factors:

- (a) although its remediation work was almost complete, the CannTrust Group had no certainty with respect to whether Health Canada would reinstate its licences or the timing of any such decisions given the increased burden on Health Canada resulting from the COVID-19 pandemic;
- (b) without its cannabis licences, the CannTrust Group had no revenue since July 2019;
- (c) the CannTrust Group would continue to incur significant ongoing costs to complete the remediation measures;
- (d) the CannTrust Group would also continue to expend significant time and resources defending the Actions, and it was not clear whether the litigation could be resolved within a reasonable time period and on a basis that would leave the CannTrust Group with sufficient financial resources;

- (e) if Health Canada decided to reinstate the CannTrust Group’s licences, the CannTrust Group would require significant working capital to restore its operations and return to profitability; and
- (f) the disruption of global and Canadian capital markets from an oil price shock and the COVID-19 pandemic, coupled with the downturn in the Canadian cannabis industry, rendered the CannTrust Group’s ability to attract capital highly doubtful.

Taking these factors into account, the CannTrust Group determined that it was in the best interests of the CannTrust Group and their stakeholders to commence proceedings pursuant to the CCAA and obtain the breathing space necessary to, among other things:

- (a) complete the remainder of its remediation plan for its Vaughan Facility and continue to work with Health Canada to resolve any remaining compliance issues and obtain the reinstatement of its licences;
- (b) right-size its business to better reflect its current and anticipated operational footprint;
- (c) restore cultivation and processing operations and return to the recreational and medical cannabis market upon the reinstatement of its licences;
- (d) facilitate the continuation of the Board’s review of strategic alternatives, including any potential sale of or other strategic transaction involving the CannTrust Group; and
- (e) explore a global resolution of the Actions and address the other claims and contingent claims against the CannTrust Group in a single forum.

Filing for CCAA Protection and Subsequent Events

Initial Order

On March 31, 2020, the CannTrust Group obtained an initial order (as amended and restated from time to time, the “**Initial Order**”) under the CCAA from the CCAA Court. The Initial Order provided for a stay of proceedings through April 9, 2020 (the “**Stay Period**”), which has been extended by subsequent Orders of the CCAA Court, most recently until and including May 14, 2021. The CannTrust Group intends to seek a further stay extension in the CCAA Sanction Order to allow it sufficient time to implement the CCAA Plan.

Business Restructuring

Remediation and Licence Reinstatements

The Fenwick Facility and Vaughan Facility are each essential to the CannTrust Group’s ability to produce consistent, high quality cannabis products for the recreational and medical cannabis markets. As noted above, the Fenwick Facility is a state-of-the-art commercial greenhouse with a perpetual harvest system, computer controlled irrigation, co-generation power supply and full supplemental lighting. The Vaughan Facility is an extraction, manufacturing and packaging facility.

Prior to and following the commencement of the CCAA Proceedings, the CannTrust Group undertook significant efforts to address the findings in the Health Canada Audit Reports, remediate the Fenwick Facility and the Vaughan Facility and seek the reinstatement of its cannabis licenses. This was the

CannTrust Group's first and foremost priority as without its cannabis licenses, the CannTrust Group had no ability to generate any material revenue and no prospect of emerging from the CCAA Proceedings as a going concern.

On February 14, 2020, the CannTrust Group submitted a comprehensive package to Health Canada evidencing its remediation of the Fenwick Facility and seeking the reinstatement of its suspended cannabis licence for that location. On April 3, 2020, Health Canada wrote to the CannTrust Group confirming that it had completed reviewing the remediation package with respect to the Fenwick Facility and asked questions about the remediation package. On April 17, 2020, the CannTrust Group provided its responses to those questions to Health Canada. On May 29, 2020, the CannTrust Group received notice from Health Canada that its licences for its Fenwick Facility had been reinstated.

On April 24, 2020, the CannTrust Group submitted a comprehensive package to Health Canada evidencing that it had completed the remediation plan for the Vaughan Facility and requested the reinstatement of its suspended cannabis licences for that location. On May 29, 2020, Health Canada wrote to the CannTrust Group confirming that it had completed reviewing the remediation package with respect to the Vaughan Facility and asking one question about the remediation package. On June 2, 2020, the CannTrust Group provided its response to the question to Health Canada. On August 6, 2020, the CannTrust Group received notice from Health Canada that its licences for its Vaughan Facility had been reinstated.

Recommencing Operations

The CannTrust Group immediately took steps to recommence operations at the Fenwick Facility upon the reinstatement of its licences for that location on May 29, 2020. The CannTrust Group propagated an initial harvest which was cultivated in September 2020 and continued to propagate additional plants as it continued to ramp up production to establish appropriate harvest timing under its perpetual harvest methodology.

Following the reinstatement of its licenses for the Vaughan Facility on August 6, 2020, the CannTrust Group worked diligently to prepare for the commencement of extraction, manufacturing and packaging operations at the Vaughan Facility following the initial harvest at the Fenwick Facility. Following the successful commencement of processing activities at the Vaughan Facility in late September, the CannTrust Group worked to build inventory to meet expected demand once its products returned to market. The CannTrust Group's extraction, manufacturing and packaging operations at its Vaughan Facility are now fully operational.

As of March 5, 2021: (i) the CannTrust Group was using approximately 60% of its licensed cultivation space at the Fenwick Facility; (ii) the CannTrust Group had harvested approximately 6,150 kg of cannabis since recommencing operations at its Fenwick Facility; and (iii) the CannTrust Group had packaged over 750,000 grams of dried flower, over 510,000 ml of cannabis oil and almost 80,000 capsules since recommencing operations at its Vaughan Facility.

The CannTrust Group anticipates that cultivation space utilization and harvest levels at the Fenwick Facility will continue to increase with its sales levels given its recent return to the recreational and medical cannabis markets, as detailed further below.

Returning to Market

Alongside the work that was being performed to obtain the reinstatement of its licences and resume cultivation and processing operations, the CannTrust Group undertook the necessary regulatory,

distribution logistics and marketing work so that it was prepared to return to the recreational and medical cannabis markets promptly after its products were ready to be brought to market.

On December 2, 2020, the CannTrust Group announced that it was returning to the Canadian recreational cannabis marketplace with the relaunch of sales of two of its recreational brands, Liiv and Synr.g. These brands were first introduced in 2018 and targeted experienced cannabis consumers. Both brands are sold in dried flower, pre-rolled joint, oil, and capsule form.

The CannTrust Group is initially focused on regenerating recreational sales in Ontario, Alberta, and British Columbia. These provinces have received initial orders of dried flower at their wholesale distribution facilities and have moved inventory into their retail channels where it is available to consumers. The CannTrust Group intends to continue expanding its portfolio of recreational products and their market availability in 2021.

On January 8, 2021, the CannTrust Group announced that it was returning to the medical cannabis market with its new medical brand estora, and would begin serving patients immediately.

The estora branding also included the launch of a new digital platform for engaging with patients and health care practitioners. The platform aims to connect patients, health care practitioners and partners with educational resources and products to assist patients and it includes information on cannabis strains, formats, and accessories. estora's portfolio of 16 cannabis products has been designed with patients in mind, with easy-to-use formats and standardized processes that ensure consistency in every bottle.

Patients have commenced registering with, and placing orders on, the CannTrust Group's digital platform and the CannTrust Group has begun fulfilling medical cannabis orders.

Right-Sizing Operations

The CannTrust Group has taken numerous steps to right-size its operational footprint to better reflect its current and anticipated needs as it ramps up its production and processing operations. In June 2020, the CannTrust Group disclaimed the lease for its head office space in Vaughan, Ontario after determining, especially in the wake of COVID-19 related work-from-home measures, that a reduced footprint was an appropriate and necessary cash conservation measure. Additionally, the CannTrust Group disclaimed or otherwise terminated several other contracts where the CannTrust Group determined that the equipment or services being provided under those contracts were no longer required. The CannTrust Group also engaged with key contract counterparties to renegotiate their existing arrangements and in several cases has been able to obtain new terms that are more appropriate and economical for the CannTrust Group. The CannTrust Group has also continuously reviewed its work force to ensure that the number and skillset of its employees appropriately reflect its short and long term business plan.

Sale and Investment Solicitation Process

On May 8, 2020, the CCAA Court issued an order (the “**SISP Order**”) approving a sale and investment solicitation process for the purpose of soliciting interest in and opportunities for a sale of, or investment in, the assets and business operations of CannTrust (the “**SISP**”).

The CannTrust Group and the Financial Advisor promptly took steps following the issuance of the SISP Order to implement the SISP and worked diligently to seek a recapitalization or sale transaction that would be beneficial for all of the CannTrust Group's stakeholders.

Prior to the SISP Order, the CannTrust Group, in consultation with the Financial Advisor, had been

engaged in a strategic review that considered, among other strategies, a sale of or investment in, the company and had begun soliciting interest in such a sale or investment.

Over the course of their marketing and solicitation efforts, both before and after the issuance of the SISP Order, the CannTrust Group, the Financial Advisor, and the Monitor were in contact with 101 potentially interested parties that either: (i) approached the CannTrust Group, the Financial Advisor or the Monitor indicating an interest in the SISP opportunity, (ii) were identified as local and international strategic and financial parties (including a number of parties with whom the Financial Advisor was in contact prior to the Initial Order as part of the CannTrust Group's strategic review), or (iii) were reasonably suggested by a stakeholder as a potential bidder that may be interested in the SISP opportunity.

Pursuant to the SISP Order, the CannTrust Group, the Financial Advisor and/or the Monitor (i) prepared a list of 36 potential bidders, (ii) sent each potential bidder a process summary describing the SISP opportunity and inviting expressions of interest ("**Teaser Letter**") along with a Non-Disclosure Agreement ("**NDA**") prior to May 20, 2020, (iii) sent an identical package to 6 new parties that were subsequently identified as potential bidders, (iv) issued a press release concerning the SISP which was disseminated in Canada and major financial centres in the United States, on May 15, 2020, (v) published notice of the SISP in *The Globe and Mail (National Edition)* on May 15, 2020, (vi) posted the SISP notice, the SISP press release, the Teaser Letter and the NDA on the Monitor's Website, (vii) provided a confidential information package to Phase 1 Qualified Bidders (as defined in the SISP) and provided certain further information requested by Phase 1 Qualified Bidders.

All Phase 1 Qualified Bidders wishing to pursue the SISP opportunity were required to deliver a non-binding letter of interest to the Financial Advisor by the Phase 1 Bid Deadline of 5:00 p.m. (Eastern Time) on June 22, 2020.

The CannTrust Group and the Financial Advisor made a preliminary assessment of the Phase 1 Bids received and determined that none of the Phase 1 Bids represented an executable proposal for a recapitalization or sale transaction. In light of the progress being made in the Mediation Process (described below) and the result that the CannTrust Group hoped to achieve, the CannTrust Group decided, in consultation with the Financial Advisor and the Monitor, to prioritize the Mediation Process.

Claims Procedure

On May 8, 2020, the CCAA Court issued an order (the "**Claims Procedure Order**") approving a claims procedure for the identification, quantification, and resolution of certain claims of creditors of the CannTrust Group and its directors and officers (the "**Claims Procedure**").

Excluded from the Claims Procedure were "Excluded Equity Claims" which were defined in the Claims Procedure Order as "any Equity Claim against or in respect of CannTrust Holdings Inc. or its Directors or Officers, including for greater certainty: (i) any claim against or in respect of CannTrust Holdings Inc. or its Directors or Officers in the Pending Litigation; and (ii) any claim of a Director or Officer or any other Person for contribution or indemnity from CannTrust Holdings Inc. in respect of the Pending Litigation or an Equity Claim." These claims were generally dealt with in the Mediation Process, as described further below.

The Pre-Filing Claims Bar Date was June 22, 2020. The Restructuring Claims Bar Date is the later of 5:00 p.m. on: (i) the Pre-Filing Claims Bar Date; and (ii) 30 days after the Claimant is deemed to have received a Claims Package with respect to such Restructuring Claim (as each term is defined in the Claims Procedure Order).

The CannTrust Group and the Monitor have worked diligently to review the Proofs of Claim received to assess which claims require additional information, require revisions, can be resolved or settled, or may be accepted (in whole or in part). The following is a summary of the Proven Claims and Unresolved Claims asserted against each member of the CannTrust Group in the Claims Procedure as of March 12, 2021:

Claim	Proven Claims		Unresolved Claims	
	Count	Amount	Count	Amount

Unsecured	0	N/A	0	N/A

Pursuant to the Claims Procedure Order, a claimant that had received a notice from the Monitor advising that its Claim had been revised or disallowed (in whole or in part), was required to file a notice of dispute within 14 days. As of March 12, 2021, there were seven (7) disputed claims in respect of which approximately \$280,000 of the total claim amount had been accepted and the amount currently under dispute was approximately \$61.0 million.

On February 19, 2021, the Honourable Frank J.C. Newbould Q.C. was appointed as claims officer (the “**Claims Officer**”) to adjudicate any disputed claims referred to the Claims Officer by the Monitor pursuant to the Claims Procedure Order.

The Actions and the Mediation Process

Prior to the Health Canada Audits, the CannTrust Group was not a party to, nor was any of its property the subject of, any legal proceedings or regulatory actions material to it.

Following the Health Canada Audits, the Actions were commenced in Canada and the United States alleging that CannTrust Holdings made misrepresentations in its disclosure to investors related to the findings of the Health Canada Audits. The aggregate damages sought exceed \$500 million.

The Actions are detailed further below. Prior to commencing the CCAA Proceedings, CannTrust Holdings had expended significant time and resources investigating and preparing to defend the Actions in multiple jurisdictions. With respect to the Actions, the CannTrust Group believed that commencing the CCAA Proceedings was necessary, among other reasons:

- (a) to avoid the cost of defending multiple putative class actions and other litigation brought against it in several jurisdictions;
- (b) to provide a single forum in which to seek to resolve all of the claims and contingent claims against it;

- (c) to place all creditors and contingent creditors on an equal footing and to avoid one creditor or group of creditors potentially gaining a timing advantage over others;
- (d) in relation to those claimants with securities claims, to ensure that they would all be able to participate on an equal footing and to avoid potentially inconsistent classes and claims across different Actions; and
- (e) to provide a means by which the CannTrust Group could be released from all securities claims and related claims (including indemnity claims) against it so that it could emerge from CCAA proceedings on a restructured basis, free and clear of all such claims.

Canadian Actions

In Canada, five of the eight putative class action lawsuits were commenced in Ontario. The Ontario class actions, which were brought by different plaintiffs' counsel, plead claims, class descriptions and class periods that were not identical but had a great deal of overlap between one another.

On January 28, 2020, the Honourable Mr. Justice Hainey issued an endorsement awarding carriage of the Ontario putative class actions (the "**Ontario Class Action**") to a consortium comprised of Henein Hutchison LLP, Strosberg Sasso Sutts LLP, A Dimitri Lascaris Law Professional Corporation, and Kalloghlian Professional Corporation ("**Ontario Class Action Counsel**").

In addition to the Ontario Class Action, separate class action lawsuits were commenced by Merchant Law Group in British Columbia, Alberta and Quebec (collectively, the "**Merchant Class Actions**"). None of the Merchant Class Actions has been certified. An action was commenced in Ontario against CannTrust Holdings and other defendants by two shareholders, Zola Finance Holdings Ltd. and Igor Gimelshtein, relating to the drop in CannTrust Holding's share price after July 8, 2019 (the "**Zola Action**"). The total amounts claimed in this lawsuit overlap with the Ontario Class Action and have not been quantified. Several other actions have been commenced against CannTrust Holdings by other individual shareholders.

U.S. Actions

In the United States, four of the five putative securities class actions were commenced in the Southern District of New York and alleged violations of the *Securities Act of 1933* (United States) and the *Securities Exchange Act of 1934* (United States). An order consolidating the federal putative class actions was granted on April 16, 2020. Labaton Sucharow LLP was appointed as lead counsel ("**U.S. Class Action Counsel**") in the consolidated action (the "**U.S. Class Action**"). A separate case is pending in California State Court alleging claims pursuant to the State *Securities Act* (the "**California Class Action**"). Neither the U.S. Class Action nor the California Class Action has been certified.

Mediation Process

On May 8, 2020, the CCAA Court issued an order appointing the Honourable Dennis O'Connor, Q.C. as the Court-Appointed Mediator to conduct a mediation process (the "**Mediation Process**") between CannTrust Holdings, plaintiffs and representative plaintiffs, co-defendants and insurers with a view to reaching a resolution of some or all of the securities claims and related claims between the various parties.

Participation in the Mediation Process was broad and included various parties interested in the Actions including: (i) counsel for the CannTrust Group; (ii) counsel for all interested plaintiffs in the Actions; (iii) counsel for various co-defendants including counsel to two individual former directors of CannTrust

Holdings, counsel to a director and shareholder, counsel to KPMG LLP, and counsel to the Canadian underwriters; and (iv) counsel for numerous providers of insurance to the CannTrust Group and its directors and officers. The Monitor participated in the Mediation Process and worked closely with the Court-Appointed Mediator.

The CannTrust Group dedicated significant time and resources to the Mediation Process. It participated in plenary sessions, exchanged mediation briefs with participants, and met on numerous occasions with different parties, all in accordance with the process established by the Court-Appointed Mediator.

From the perspective of the CannTrust Group, the extensive efforts that occurred in the Mediation Process were very successful as they led to the settlement reflected in the RSA and the CCAA Plan, as detailed further below.

Restructuring Support Agreement

On January 19, 2021, the CannTrust Group reached an agreement (the “**RSA**”) with the representative plaintiffs in the Ontario Class Action, the representative plaintiffs in the U.S. Class Action, Ontario Class Action Counsel and U.S. Class Action Counsel (collectively, the “**Supporting Stakeholders**”) regarding a framework for the settlement of all Securities Claims against CannTrust Holdings and various related claims. The RSA is the product of extensive negotiations facilitated by the Court-Appointed Mediator over many months, not only between CannTrust Holdings and the Supporting Stakeholders, but also taking into account the negotiations with other participants and feedback and directions provided by the Court-Appointed Mediator and the Monitor.

The RSA contemplated that CannTrust would prepare and file a CCAA Plan and then seek approval of it by creditors and the Court, containing the following features, among others:

- (a) the Securities Claimant Trust will be established for the benefit of Securities Claimants;
- (b) CannTrust Holdings will contribute \$50 million to the Securities Claimant Trust;
- (c) the CannTrust Group will work with the Supporting Stakeholders to seek settlements with, and contributions to the Securities Claimant Trust from, other co-defendants and insurers;
- (d) any claims that the CannTrust Group has for Securities-Related Matters against any co-defendants and insurers who do not settle will be assigned to the Securities Claimant Trust;
- (e) the contributions made to the Securities Claimant Trust by CannTrust Holdings and any other settlement parties, together with any proceeds from the prosecution or settlement of any claims assigned to the Securities Claimant Trust, will be distributed pursuant to an allocation and distribution scheme to be developed by the Supporting Stakeholders and reflected in the CCAA Plan, and approved by the court; and
- (f) the CannTrust Group and all other parties to the settlement will be released from all Securities Claims and related claims against them, with very limited exceptions.

CCAA Representation Order

On January 29, 2021, the CCAA Court issued an order (the “**CCAA Representation Order**”) appointing, subject to certain limited exceptions set out below:

1. the representative plaintiffs in the Ontario Class Action (the “**CCAA Canadian Representatives**”) to represent the interests of all Canadian and Non-U.S. Securities Claimants in the CCAA Proceedings in relation to their Securities Claims and any related claims;
2. the representative plaintiffs in the U.S. Class Action (the “**CCAA U.S. Representatives**” and collectively with the CCAA Canadian Representatives, the “**CCAA Representatives**”) to represent the interests of the U.S. Securities Claimants in the CCAA Proceedings in relation to their Securities Claims and any related claims;
3. Ontario Class Action Counsel (“**CCAA Canadian Representative Counsel**”) as counsel for the Canadian and Non-U.S. Securities Claimants in the CCAA Proceedings in relation to their Securities Claims and any related claims; and
4. Weisz Fell Kour LLP in association with U.S. Class Action Counsel (“**CCAA U.S. Representative Counsel**” and collectively with CCAA Canadian Representative Counsel, “**CCAA Representative Counsel**”) as counsel for the U.S. Securities Claimants in the CCAA Proceedings in relation to their Securities Claims and any related claims.

The limited number of Securities Claimants that had already engaged counsel and had been participating in the CCAA Proceedings, specifically the plaintiffs in the Zola Action and the Merchant Actions, were excluded from representation by the CCAA Representatives and CCAA Representative Counsel.

Pursuant to a Joinder Agreement dated January 29, 2021, the CCAA Representatives and CCAA Representative Counsel became parties to the RSA in such capacities.

DESCRIPTION OF THE CCAA PLAN

The following is a summary only of certain material terms of the CCAA Plan. Creditors are urged to read the CCAA Plan in its entirety. A copy of the CCAA Plan is attached as Schedule “B” to this Information Statement.

CannTrust Plan Companies

The CCAA Plan is being proposed by CannTrust Holdings, CannTrust Opco and Elmcliffe. Each of these CannTrust Plan Companies had Claims asserted against it in the Claims Procedure that will be compromised pursuant to, and subject to the terms of, the CCAA Plan.

The other member of the CannTrust Group that is an Applicant in the CCAA Proceedings, CTI, did not have any Claims asserted against it in the Claims Procedure that will be compromised. The only Claim asserted against CTI that was not disallowed or withdrawn was an intercompany claim by CannTrust Holdings. The CannTrust Group intends to seek a separate order at the Sanction Hearing terminating the CCAA Proceedings with respect to CTI at the Effective Time.

Purposes of the CCAA Plan

The purposes of the CCAA Plan are to:

- (a) complete a restructuring of the CannTrust Group by implementing the Restructuring Steps and filing the Articles of Reorganization of CannTrust Holdings;
- (b) provide for the payment or compromise, as applicable, of all General Unsecured Claims;
- (c) provide for the settlement of all Securities Claims;
- (d) provide for the release of all Released Claims and an injunction in respect of all Securities-Related Section 5.1(2) Claims; and
- (e) assist the CannTrust Group to continue to operate as a going concern,

in the expectation that Affected Creditors generally will derive a greater benefit from implementation of the CCAA Plan than they would derive from a bankruptcy or liquidation of the CannTrust Group.

Classification and Treatment of Creditors

In proposing the CCAA Plan, the CannTrust Group considered, among other things, the legal entitlements of stakeholders in the absence of the CCAA Proceedings, their expected economic recovery if no CCAA Plan is approved, the subordination of Equity Claims mandated by the CCAA and the proposed treatment of stakeholders under the CCAA Plan. The CannTrust Group believes that the CCAA Plan fairly balances all stakeholder interests.

Classification of Creditors

The CCAA Plan provides that, in accordance with the Meeting Order, Affected Creditors will be divided into four separate classes for the purposes of considering and voting on the CCAA Plan:

- (a) a class of Creditors holding General Unsecured Claims against CannTrust Opco (each, a “**General Unsecured Claim (Opco)**”);
- (b) a class of Creditors holding General Unsecured Claims against Elmcliffe (each, a “**General Unsecured Claim (Elmcliffe)**”);
- (c) a class of Creditors holding General Unsecured Claims against CannTrust Holdings (each a “**General Unsecured Claim (CannTrust Holdings)**”); and
- (d) a class of Creditors holding Securities Claims.

Treatment of Creditors and Claims

General Unsecured Claims – Generally

At the Effective Time, all General Unsecured Claims will be fully, finally, irrevocably and forever compromised, released, discharged and barred, and General Unsecured Creditors with Proven Claims will have the right to receive distributions pursuant to the CCAA Plan.

GUC Distribution Pool

At or before the Effective Time, the CannTrust Plan Companies will set aside (pursuant to arrangements satisfactory to the Monitor) or deliver to the Monitor, in trust, the amount of the GUC Distribution Pool, which will be \$900,000, less the portion thereof to be included in the Unresolved General Unsecured Claims Reserve in respect of Unresolved General Unsecured Claims against CannTrust Opco, which amount will be set aside or delivered to the Monitor pursuant to Section 5.2 of the CCAA Plan, from which cash distributions will be made to General Unsecured Creditors (Opco) with Proven Claims on and subject to the terms of Article 6 of the CCAA Plan.

General Unsecured Claims (Opco)

On the Initial Distribution Date each General Unsecured Creditor of CannTrust Opco with:

- (a) Proven Claims that are General Unsecured Claims (Opco) not exceeding in aggregate \$2,500 (the “**Election Amount**”); or
- (b) Proven Claims that are General Unsecured Claims (Opco) exceeding the aggregate of the Election Amount but which General Unsecured Creditor has duly filed an Election Notice with the Monitor,

will receive, in full satisfaction of such Proven Claims (in each case, a “**Convenience Creditor**”), payment in an amount equal to the lesser of the Election Amount and the actual amount of such Proven Claims.

Each General Unsecured Creditor of CannTrust Opco with Proven Claims that are General Unsecured Claims (Opco) and that exceed in aggregate the Election Amount, and which General Unsecured Creditor has not duly filed an Election Notice, will receive in full satisfaction of such Proven Claims, the lesser of:

- (a) such General Unsecured Creditor’s *pro rata* share of the balance of the GUC Distribution Pool after deducting (i) the amount held in the Unresolved General Unsecured Claims Reserve in respect of General Unsecured Claims (Opco) that are Unresolved General Unsecured Claims, and (ii) the amounts paid to Convenience Creditors as described above; and
- (b) 17% of the amount of such General Unsecured Creditor’s Proven Claims that are General Unsecured Claims (Opco).

General Unsecured Creditors (Holdings)

Each General Unsecured Creditor of CannTrust Holdings with Proven Claims that are General Unsecured Claims (CannTrust Holdings) will receive in full satisfaction of such Proven Claims, payment of the amount of such Proven Claims.

General Unsecured Creditors (Elmcliffe)

Each General Unsecured Creditor of Elmcliffe with Proven Claims that are General Unsecured Claims (Elmcliffe) will receive in full satisfaction of such Proven Claims, payment of the amount of such Proven Claims pursuant to a payment schedule to be agreed with the CannTrust Plan Companies and such Creditor.

Securities Claimants

At the Effective Time, all Securities Claims will be fully, finally, irrevocably and forever compromised, released, discharged and barred, and Securities Claimants with Proven Claims will have the right to receive distributions from the Securities Claimant Trust in accordance with the Allocation and Distribution Scheme.

On or before the Effective Time, CannTrust Holdings will:

- (a) pay or cause to be paid \$50 million (its Cash Contribution) to the Securities Claimant Trust; and
- (b) assign the claims of CannTrust Holdings and CannTrust Opco against any Co-Defendant that is a Non-Settlement Party and, if applicable, the claims of CannTrust Holdings and the other Settlement Parties against any Insurer that is a Non-Settlement Party, in each case to the extent such claims are for loss or damage up to the date of the CCAA Sanction Order and arise from or relate to the Securities-Related Matters (the “**Assigned Claims**”) to the Securities Claimant Trust.

Subject to the other terms of the CCAA Plan (including the releases and injunctions provided by Article 7), the CCAA Sanction Order and any other Orders of the CCAA Court, the Securities-Related Claims of Securities Claimants against Non-Settlement Parties will not be compromised and Securities Claimants may continue to pursue such Securities-Related Claims against Non-Settlement Parties after the Plan Implementation Date.

Securities-Related Indemnity Claims

The CCAA Sanction Order to be sought by the CannTrust Plan Companies will fully, finally, irrevocably and forever discharge any claim of any Person that has been or could be asserted against a Settlement Party (whether pursuant to an agreement, under applicable law or otherwise) for indemnity, advancement, contribution, reimbursement, set-off or otherwise, arising from or in connection with any Securities Claim or Securities-Related Claim asserted against such Person or arising from or in connection with any other claim asserted by a Co-Defendant against such Person (each, a “**Securities-Related Indemnity Claim**”), other than certain Defence Costs Indemnity Claims (as set out below) as of the Effective Time. Holders of Securities-Related Indemnity Claims will not receive a distribution or other consideration under the CCAA Plan and will not be entitled to vote on the CCAA Plan in respect of their Securities-Related Indemnity Claims.

Any claim against CannTrust Holdings for indemnification, reimbursement or advancement of defence costs incurred by a Non-Settlement Party or other Person in connection with defending against the Actions or any other Securities-Related Claim (each, a “**Defence Costs Indemnity Claim**”) held by a Co-Defendant or other Person in respect of a Securities-Related Claim that such person has successfully defended and such Defence Costs Indemnity Claim is otherwise valid and enforceable against CannTrust Holdings will be an Unaffected Claim and will not be compromised under the CCAA Plan.

Non-Settlement Parties with valid Securities-Related Indemnity Claims will benefit from a judgment reduction provision to be sought in the CCAA Sanction Order which would provide that, from and after the Effective Time, any judgment or other award obtained by a Securities Claimant or the Securities Claimant Trust in respect of any Securities-Related Claim against a Non-Settlement Party or other Person that is not a Released Party shall be reduced by the amount, if any, that the court or other tribunal adjudicating the Securities-Related Claim determines would have been recovered by such Non-Settlement

Party or other Person pursuant to a Securities-Related Indemnity Claim held by it against a Released Party in respect of such Securities-Related Claim but for the release of such Securities-Related Indemnity Claim pursuant to the CCAA Plan or the CCAA Sanction Order, determined as of the moment before the Effective Time and, for greater certainty, taking into account (i) the Cash Contribution to be made by CannTrust Holdings to the Securities Claimant Trust and (ii) all other Securities-Related Indemnity Claims of other Non-Settlement Parties or other Persons participating in any recovery on a *pro rata* basis.

Securities-Related Section 5.1(2) Claims

A Securities-Related Claim against a Director who is an Original Settlement Party and which claim is not permitted by section 5.1(2) of the CCAA to be compromised (a “**Securities-Related Section 5.1(2) Claim**”) will be fully, finally, irrevocably and forever enjoined as against the applicable Directors from the Effective Time. Each Securities-Related Section 5.1(2) Claim will be channelled to and limited to recovery solely from the Securities Claimant Trust in accordance with the CCAA Plan and the Definitive Documents.

Equity Claims

At the Effective Time, the CCAA Plan will be binding on all holders of Equity Claims. Except as otherwise expressly provided in the CCAA Plan, the Meeting Order and the CCAA Sanction Order (such as with respect to Securities Claims, Securities-Related Indemnities Claims and Securities-Related Section 5.1(2) Claims, as described above):

- (a) holders of Equity Claims will not receive a distribution or other consideration under the CCAA Plan and will not be entitled to vote on the CCAA Plan in respect of their Equity Claims; and
- (b) all Equity Claims will be fully, finally, irrevocably and forever released, discharged and barred as of the Effective Time without any compensation of any kind whatsoever.

Insured Claims

From the Effective Time, any Person having an Insured Claim will be limited to recovery in respect of the Insured Claim solely from the proceeds of the applicable insurance policies, and Persons with any Insured Claims will have no right to make any claim or seek any recoveries from any Person, other than enforcing that Person’s rights to be paid by the applicable insurer(s) from the proceeds of the insurance policies.

Unresolved General Unsecured Claims

No General Unsecured Creditor will be entitled to receive any distribution with respect to an Unresolved General Unsecured Claim or any portion thereof unless and until, and then only to the extent that, such Unresolved General Unsecured Claim is finally resolved in the manner set out in the Claims Procedure Order and becomes a Proven Claim.

The Unresolved General Unsecured Claims Reserve will be set aside by the CannTrust Plan Companies (pursuant to arrangements satisfactory to the Monitor) or held by the Monitor, in trust, until the final determination of all Unresolved General Unsecured Claims in accordance with the Claims Procedure Order.

To the extent that an Unresolved General Unsecured Claim becomes a Proven Claim, the CannTrust Plan Companies, with oversight of and assistance from the Monitor, or the Monitor, for and on behalf of the

CannTrust Plan Companies, will distribute to the holder thereof an amount from the Unresolved General Unsecured Claims Reserve equal to the amount that such Creditor would have been entitled to receive in respect of its Proven Claim on the Initial Distribution Date had such Unresolved General Unsecured Claim been a Proven Claim on the Initial Distribution Date.

After all Unresolved General Unsecured Claims have been finally resolved in accordance with the Claims Procedure Order and any required distributions have been made with respect to General Unsecured Claims that are Proven Claims, the amounts remaining in the GUC Distribution Pool and the Unresolved General Unsecured Claims Reserve will no longer be required to be set aside by the CannTrust Group and, if held by the Monitor, will be returned to the CannTrust Group.

Unaffected Claims

Subject to the express provisions of the CCAA Plan, the CCAA Plan does not compromise the following (collectively, the “**Unaffected Claims**”):

- (a) Claims secured by the CCAA Charges;
- (b) Claims that are accepted as or determined to be Secured Claims pursuant to the Claims Procedure Order;
- (c) CCAA Priority Payment Claims;
- (d) Claims of a member of the CannTrust Group against another member of the CannTrust Group;
- (e) any Claim for or related to the DIP and Exit Loan;
- (f) Claims of Directors (but excluding the Directors named as defendants in one or more of the Actions who are not Original Settlement Parties) and employees that are owing to them in their capacity as such for or in connection with accrued salary, accrued wages, accrued bonuses, fees and expenses, reimbursement obligations, accrued vacation leave and accrued vacation pay and which are not related to the cessation of employment;
- (g) subject to and solely as provided in Section 3.6 of the CCAA Plan, that portion of a Claim that is not a Securities Claim or Securities-Related Indemnity Claim arising from a cause of action for which the applicable the CannTrust Plan Company is covered by insurance, only to the extent of such coverage and limited to the actual recovery received from the applicable insurer(s) by the CannTrust Plan Company after the Effective Time in respect of such Claim (“**Insured Claims**”);
- (h) Claims that are not Securities-Related Indemnity Claims by any Director (other than a Director named as a defendant in one or more of the Actions and who is not an Original Settlement Party) under any directors’ or officers’ indemnity policy or agreement with a CannTrust Plan Company;
- (i) any Defence Costs Indemnity Claim held by a Co-Defendant or other Person in respect of a Securities-Related Claim that such person has successfully defended and such Defence Costs Indemnity Claim is otherwise valid and enforceable against CannTrust Holdings; and

- (j) Claims by the Monitor, counsel to the Monitor, the CRO, or counsel to the CannTrust Group.

The CCAA Plan provides that the CannTrust Plan Companies will make the following payments by wire transfer of immediately available funds in full satisfaction and discharge of certain Unaffected Claims:

- (a) payment to each holder of a CCAA Priority Payment Claim that is due and payable but for the Initial Order, of all amounts required to satisfy such CCAA Priority Payment Claim in full;
- (b) payment in full of all claims secured by the CCAA Charges, other than the DIP and Exit Loan; and
- (c) payment of any other amounts required to be paid in accordance with the CCAA or the CCAA Plan at or before the Effective Time.

Other Unaffected Claims will be satisfied in accordance with the applicable agreements and other arrangements between Unaffected Creditors and the applicable CannTrust Plan Company. Nothing in the CCAA Plan will affect any CannTrust Plan Company's rights and defences, with respect to any Unaffected Claims including all rights or entitlements to set-offs or recoupments against such Unaffected Claims.

Unaffected Creditors, which for greater certainty are Creditors with Unaffected Claims, will not be entitled to vote on the CCAA Plan.

Distribution Mechanics

The CannTrust Plan Companies, with oversight of and assistance from the Monitor, or the Monitor, for and on behalf of the CannTrust Plan Companies, will distribute to each General Unsecured Creditor with a Proven Claim the amount to which it is entitled under the CCAA Plan by way of (in the sole discretion of the CannTrust Plan Companies or Monitor, as applicable):

- (a) cheque sent by prepaid ordinary mail to the address on file with the CannTrust Plan Companies on the Distribution Record Date; or
- (b) wire transfer of immediately available funds to an account designated in writing by the General Unsecured Creditor to the CannTrust Plan Companies and the Monitor (with any wire transfer or similar fee being satisfied from the distribution amount).

No distribution will be made for an amount less than \$10. The CannTrust Plan Companies' liability to a General Unsecured Creditor for any distribution in an amount less than \$10 will be forever discharged and extinguished.

Distributions to General Unsecured Creditors with Proven Claims will be paid in Canadian dollars, converted as at the Filing Date in accordance with the Claims Procedure Order.

If any distribution to a General Unsecured Creditor is returned as undeliverable (an "**Undeliverable Distribution**"), neither the CannTrust Plan Companies nor the Monitor will be required to make further efforts to deliver the distribution to such Creditor unless and until the CannTrust Plan Companies and Monitor are notified in writing by such Creditor of such Creditor's current address at which time all such distributions will be made to such Creditor. The obligations of the CannTrust Plan Companies and Monitor to an Affected Creditor with an Undeliverable Distribution will expire on the first Business Day

that is six (6) months following the applicable Distribution Date for the Undeliverable Distribution, after which date any entitlement with respect to any Undeliverable Distributions will be discharged without any compensation. Neither the CannTrust Plan Companies nor the Monitor will be required to attempt to locate any Creditor or other Person with respect to an Undeliverable Distribution.

If any cheque in payment of a distribution to a General Unsecured Creditor is not cashed within 6 months after the date of the applicable Distribution Date (an “**Uncashed Distribution**”): (i) such cheque may be cancelled by the CannTrust Plan Companies or the Monitor, after which date any entitlement with respect to such distributions will be discharged and barred; and (ii) the amount otherwise payable pursuant to such cancelled cheque will be released to the CannTrust Plan Companies. Neither the CannTrust Plan Companies nor the Monitor will be required to attempt to locate any Creditor or other Person with respect to an Uncashed Distribution.

Provisions Related to the Settlement and Continuation of the Actions

Additional Settlement Parties

By written agreement between CannTrust Holdings and CCAA Representative Counsel (such agreement not to be unreasonably withheld) entered into prior to the Meetings, a Co-Defendant or Insurer may be designated as an Additional Settlement Party for the purposes of the CCAA Plan if such proposed Additional Settlement Party has signed a restructuring support agreement, in form and content satisfactory to the RSA Parties, acting reasonably, pursuant to which such proposed Additional Settlement Party has agreed, among other things:

- (a) to make a Cash Contribution to the Securities Claimant Trust on the Plan Implementation Date in an amount acceptable to CCAA Representative Counsel;
- (b) to assign its Assigned Claims (if any) to the Securities Claimant Trust on the Plan Implementation Date; and
- (c) to support the CCAA Plan in a manner consistent with the RSA.

Subject to Section 7.1(4) of the CCAA Plan, any Co-Defendant or Insurer designated as an Additional Settlement Party pursuant to Section 7.1(1) of the CCAA Plan will be treated as a Released Party pursuant to the CCAA Plan and the CCAA Sanction Order.

After a Co-Defendant or Insurer is designated as an Additional Settlement Party pursuant to Section 7.1(1) of the CCAA Plan, the CannTrust Plan Companies will amend the CCAA Plan by adding such Co-Defendant or Insurer to the definition of Additional Settlement Party and cause the amendment to be filed and posted in accordance with the CCAA Plan.

If a Co-Defendant or Insurer designated as an Additional Settlement Party has not paid its Cash Contribution to the Securities Claimant Trust and/or has not assigned its Assigned Claims (if any) to the Securities Claimant Trust at the Effective Time, such Co-Defendant or Insurer shall not be treated as a Released Party pursuant to the CCAA Plan and the CCAA Sanction Order until such Co-Defendant or Insurer has paid its Cash Contribution to the Securities Claimant Trust and has assigned its Assigned Claims (if any) to the Securities Claimant Trust.

Canadian Actions

The CCAA Plan contemplates that CCAA Representative Counsel will cause the Actions in Canada to be dismissed against the Settlement Parties without costs after implementation of the CCAA Plan. The Actions in Canada may be continued against the Non-Settling Defendants.

U.S. Actions

After the implementation of the CCAA Plan, the CannTrust Group and CCAA U.S. Representative Counsel will jointly seek entry of the U.S. Approval Order in the U.S. Class Action which will (i) approve a settlement and final judgment in the U.S. Class Action; (ii) contain a bar order in customary form containing such judgment reduction provisions as may be required by the Private Securities Litigation Reform Act; and (iii) approving customary broad releases by the putative class of any claims that were or could have been asserted in the Actions (including the California Action). The U.S. Approval Order will recite that it is without prejudice to, and does not limit, the applicability of the CCAA Sanction Order. Notice to the putative class in the U.S. Class Action of the settlement will be given in conjunction with any notice required in connection with the CCAA Plan.

The U.S. Class Action Lead Plaintiffs will request that: (i) the U.S. Class Action be stayed against the Non-Settlement Parties to enable the claims against them to be litigated in the Cross-Border Action (as set out below); and (ii) the U.S. Class Action be dismissed once the Cross-Border Action is filed. The California Action will be voluntarily dismissed with prejudice.

Cross-Border Action

The CCAA Representatives will seek an order from the Ontario Court appointing the law firm of Weisz Fell Kour LLP as the Canadian representative for plaintiffs in the U.S. Class Action and allowing U.S. Class Action Counsel, in conjunction with U.S. Class Action Lead Plaintiffs, to, at their option:

- (a) commence an action (with Weisz Fell Kour LLP as counsel) in the Ontario Court against any Non-Settlement Parties; or
- (b) establish a subclass in the Ontario Class Action (with Weisz Fell Kour LLP as counsel),

with a class defined in the same way as the class is defined in the U.S. Class Action and subject to U.S. law in respect of the causes of action (the “**Cross-Border Action**”).

Litigation Cooperation of CannTrust Holdings

CannTrust Holdings will enter into the Cooperation Agreement and consent to various orders set out in the CCAA Plan to facilitate the prosecution or settlement of the Ontario Class Action and the Cross-Border Action against the Non-Settling Defendants.

At the Effective Time, the following parties will be fully, finally, irrevocably and forever released and discharged from all Released Claims:

Proof of Securities Claims for Voting Purposes

The Meeting Order provides a process for Securities Claims to be proven solely for the purposes of voting on the CCAA Plan at the Securities Claimant Meeting. The acceptance of a Securities Claim (in whole or in part) by the Monitor will not be binding for the purposes of the CCAA Plan or the Allocation and Distribution Scheme or otherwise constitute an admission of any fact, thing, or quantum or status of any Securities Claim. Further information with respect to this process is provided in the Meeting Order and the Notice to Securities Claimants that are each posted on the Monitor's Website.

Each Meeting will be held and conducted in accordance with the provisions of the Meeting Order, notwithstanding the provisions of any other agreement or instrument.

Any failure to file a Proxy will not affect an Affected Creditor's right to any distribution under the CCAA Plan.

A Creditor with a Voting Claim who is not an individual may only attend and vote at a Meeting if it has appointed a proxyholder to attend and act on its behalf at such Meeting.

For the purposes of tabulating the votes cast on any matter voted upon at a Meeting, the Chair is entitled to rely on any vote cast by a holder of a Proxy that has been duly submitted to the Monitor in accordance with the Meeting Order, without independent investigation. If a duly signed and returned Proxy does not provide an instruction to vote for or against the approval of the resolution on the CCAA Plan, the Proxy will be deemed to include an instruction to vote for the approval of the resolution and the CCAA Plan, provided that the Proxy holder does not otherwise exercise its right to vote at the applicable Meeting.

Timing for CCAA Plan to be Effective

The CannTrust Plan Companies’ proposed timeline to emerge from the CCAA Proceedings is set out below:

April 30, 2021	Meetings
May 14, 2021	Sanction Hearing
Upon the satisfaction or waiver of the Plan Implementation Conditions, the Business Day designated by the CannTrust Plan Companies in consultation with the Monitor pursuant to Section 9.2 of the CCAA Plan.	Plan Implementation Date

The CCAA Plan will become effective at the Effective Time on the Plan Implementation Date. Any number of circumstances, including a failure to satisfy a condition to implementation of the CCAA Plan, may cause the Plan Implementation Date to be delayed.

LIQUIDATION ANALYSIS

The CannTrust Plan Companies and the Monitor believe that the CCAA Plan is the only realistic route available that will allow the CannTrust Plan Companies to emerge from the CCAA Proceedings as a going concern. If the CCAA Plan is not implemented, the only realistic alternative would be a realization of the assets of the CannTrust Plan Companies under the CCAA, the *Bankruptcy and Insolvency Act* (Canada) or another statute and the distribution of the net proceeds of such realization to creditors in accordance with their respective priorities after the claim amount of each creditor has been determined.

The Monitor, with the assistance of the CannTrust Group, has prepared an illustrative analysis of a forecast hypothetical liquidation of the assets of the CannTrust Group as of April 30, 2021 (the “**Liquidation Analysis**”). The Liquidation Analysis provides an estimate of the realizable value of the assets of each member of the CannTrust Group in a liquidation and the resulting distribution to their respective creditors in accordance with their respective priorities.

Subject to the assumptions, notes and disclaimers set out in the Liquidation Analysis, the following is a summary of the estimated distributions or potential amounts available to the creditors of each member of the CannTrust Group in a hypothetical liquidation:

1. CTI: As there were no general unsecured claims filed against CTI, the estimated net proceeds are assumed to be distributed to its direct parent CannTrust Opco and form part of its estimated net proceeds.
2. Elmcliffe: It is estimated that the accepted general unsecured claim filed against Elmcliffe in the amount of \$0.4 million would be paid in full, as it would be under the CCAA Plan. The remaining estimated net proceeds are assumed to be distributed to CannTrust Holdings on account of its pre-filing intercompany claim against Elmcliffe and to its direct parent CannTrust Opco and form part of their respective estimated net proceeds.
3. CannTrust Opco: It is estimated that there would be no recovery available for secured creditors (other than CannTrust Holdings) or general unsecured creditors of CannTrust Opco as the estimated net proceeds available for distribution (between approximately \$28.3 million and \$46.6 million) are less than the anticipated post-filing intercompany advances that CannTrust Opco will have received from CannTrust Holdings as at April 30, 2021 in the amount of \$53.0 million which are secured by the Intercompany Charge in the Initial Order. Under the CCAA Plan, secured creditors of CannTrust Opco (other than CannTrust Holdings) would be paid in full and general unsecured creditors of CannTrust Opco with Proven Claims would be entitled to receive a distribution from the GUC Distribution Pool.
4. CannTrust Holdings: It is estimated that the accepted general unsecured claims filed against CannTrust Holdings in the amount of approximately \$0.4 million would be paid in full, as they would be under the CCAA Plan. It is further estimated that there would be net proceeds available for distribution after the payment of those claims between approximately \$87.9 million and \$106.6 million.

A copy of the Liquidation Analysis is attached hereto as **Schedule “D”**. Creditors are urged to read the Liquidation Analysis in its entirety, including the assumptions, notes and disclaimers set out therein.

(for General Unsecured Creditors)**

On March 19, 2021, CannTrust Holdings Inc., CannTrust Inc. and Elmcliffe Investments Inc. (the "**CannTrust Plan Companies**") filed a plan of compromise, arrangement and reorganization (the "**CCAA Plan**") under the *Companies' Creditors Arrangement Act* (Canada) (the "**CCAA**") and obtained an order (the "**Meeting Order**") directing them to conduct meetings of their creditors to vote on the CCAA Plan (the "**Meetings**"). All capitalized terms used in this Notice that are not defined herein have the meaning given to them in the CCAA Plan, or if not defined in the CCAA Plan, in the Meeting Order.

TAKE NOTICE that:

1. The CCAA Plan contemplates the compromise of all Affected Claims and will effect a release and discharge of all Affected Claims and Released Claims.
2. Claims of Affected Creditors are separated into four classes for the purpose of voting on the CCAA Plan:
 - (a) a class of Creditors holding General Unsecured Claims against CannTrust Holdings Inc. (the "**CannTrust Holdings GUC Class**");
 - (b) a class of Creditors holding General Unsecured Claims against Elmcliffe Investments Inc. (the "**Elmcliffe GUC Class**");
 - (c) a class of Creditors holding General Unsecured Claims against CannTrust Inc. (the "**Opco GUC Class**" and collectively with the Opco GUC Class and the Elmcliffe GUC Class, the "**GUC Classes**"); and
 - (d) a class of Creditors holding Securities Claims (the "**Securities Claimant Class**").
3. You are receiving this Notice because you have been identified as a member or potential member of one or more of the GUC Classes. Members and potential members of the Securities Claimant Class will receive a separate notice.
4. Enclosed with this Notice you will find a copy of an Information Statement prepared by the CannTrust Plan Companies (which attaches the CCAA Plan as an exhibit) and a form of proxy. In addition to these materials, you may also want to review the Meeting Order. The Meeting Order and other information is available on the Monitor's Website at <http://www.ey.com/ca/canntrust>.
5. The purpose of these materials is to provide you with documents to assist you in your review and consideration of the CCAA Plan and in deciding whether to vote to accept or

10. Any failure to file a Proxy will not affect your right to any distribution under the CCAA Plan.
11. If the CCAA Plan is approved at the applicable Meetings and the other necessary conditions are met, the CannTrust Group intends to apply to the Court for an Order sanctioning the CCAA Plan pursuant to the CCAA (the “**CCAA Sanction Order**”) on May 14, 2021 (the “**Sanction Hearing**”). Any person wishing to oppose the relief sought at the Sanction Hearing must serve on the Service List a notice providing the basis for such opposition and a copy of the materials to be used to oppose the granting of the CCAA Sanction Order at least four (4) Business Days before the date set for the Sanction Hearing, or such shorter time as the Court, by Order, may allow.

(“**CannTrust Holdings**”) and others in several provinces in Canada and at the federal and state level in the United States (the “**Actions**”) and address the other claims and contingent claims against the CannTrust Group in a single forum.

The Actions and Class Counsel

Carriage of the five putative class actions commenced in Ontario (the “**Ontario Class Action**”) was awarded to a consortium comprised of Henein Hutchison LLP, Strosberg Sasso Sutts LLP, A Dimitri Lascaris Law Professional Corporation, and Kalloghlian Professional Corporation (now Kalloghlian Myers LLP) (“**Ontario Class Action Counsel**”).

Four federal putative class actions commenced in the Southern District of New York have been consolidated and Labaton Sucharow LLP was appointed as lead counsel (“**U.S. Class Action Counsel**”) in the consolidated action (the “**U.S. Class Action**”).

The Ontario Class Action and U.S. Class Action together assert claims against CannTrust Holdings and others on behalf of a global class of persons that acquired shares of CannTrust Holdings between June 1, 2018 and September 17, 2019.

The Settlement of Securities Claims

Shortly after obtaining CCAA protection, and consistent with its desire to pursue a global resolution of the claims against it in the Actions, the CannTrust Group sought and obtained an order on May 8, 2020 appointing the Honourable Dennis O'Connor, Q.C. (the "**Court-Appointed Mediator**") to conduct a mediation between CannTrust Holdings, plaintiffs and representative plaintiffs, co-defendants and insurers with a view to reaching a resolution of some or all of the claims related to the Actions.

As a result of the extensive efforts that occurred in the mediation, on January 19, 2021, the CannTrust Group reached an agreement with the representative plaintiffs in the Ontario Class Action, the representative plaintiffs in the U.S. Class Action, Ontario Class Action Counsel and U.S. Class Action Counsel (the "**RSA**") regarding a framework for the settlement of all Securities Claims against CannTrust Holdings and various related claims. The RSA provides that the settlement will be implemented pursuant to a CCAA plan and related settlement documents.

Appointment of the CCAA Representatives and CCAA Representative Counsel

On January 29, 2021, the Court issued an order (the "**CCAA Representation Order**") appointing, subject to certain limited exceptions set out therein:

1. the representative plaintiffs in the Ontario Class Action (the "**CCAA Canadian Representatives**") to represent the interests of all Canadian and Non-U.S. Securities Claimants in the CCAA Proceedings in relation to their Securities Claims and any related claims;
2. the representative plaintiffs in the U.S. Class Action (the "**CCAA U.S. Representatives**") and collectively with the CCAA Canadian Representatives, the "**CCAA Representatives**") to represent the interests of the U.S. Securities Claimants in the CCAA Proceedings in relation to their Securities Claims and any related claims;
3. Ontario Class Action Counsel ("**CCAA Canadian Representative Counsel**") as counsel for the Canadian and Non-U.S. Securities Claimants in the CCAA Proceedings in relation to their Securities Claims and any related claims; and
4. Weisz Fell Kour LLP in association with U.S. Class Action Counsel ("**CCAA U.S. Representative Counsel**") and collectively with CCAA Canadian Representative Counsel, "**CCAA Representative Counsel**") as counsel for the U.S. Securities Claimants in the CCAA Proceedings in relation to their Securities Claims and any related claims.

CCAA Plan

The CCAA Plan, which reflects the settlement framework agreed in the RSA, contains the following features, among others:

1. a trust will be established for the benefit of Securities Claimants (the “**Securities Claimant Trust**”);
2. CannTrust Holdings will contribute \$50 million to the Securities Claimant Trust;
3. the CannTrust Plan Companies will work with the CCAA Representatives and CCAA Representative Counsel (the “**Supporting Stakeholders**”) to seek settlements with, and contributions to the Securities Claimant Trust from, Co-Defendants and Insurers that are Non-Settlement Parties;
4. any claims that CannTrust Holdings and CannTrust Inc. have against any Co-Defendant that is a Non-Settlement Party and, if applicable, the claims of CannTrust Holdings and the other Settlement Parties against any Insurer that is a Non-Settlement Party, in each case to the extent such claims arise from or relate to the Securities-Related Matters, will be assigned to the Securities Claimant Trust;
5. the contributions made to the Securities Claimant Trust by CannTrust Holdings and any other settlement parties, together with any proceeds from the prosecution or settlement of any claims assigned to the Securities Claimant Trust, will be distributed pursuant to an allocation and distribution scheme to be developed by the Supporting Stakeholders and reflected in the CCAA Plan, and approved by the court; and
6. the CannTrust Plan Companies and all other parties to the settlement will be released from all Securities Claims and related claims against them, with very limited exceptions.

The CannTrust Plan Companies and the Supporting Stakeholders believe that the settlement framework set out in the RSA and the CCAA Plan represents a fair and reasonable compromise of Securities Claims against CannTrust Holdings and the other parties to the settlement. The settlement framework is the product of extensive negotiations facilitated by the Court-Appointed Mediator over many months, not only between CannTrust Holdings and the Supporting Stakeholders, but also taking into account the negotiations with other participants and feedback and directions provided by the Court-Appointed Mediator and the Monitor.

The CannTrust Plan Companies believe that the CCAA Plan fairly balances the interests of their stakeholders and is the only realistic route available that will allow the CannTrust Plan Companies to emerge from the CCAA Proceedings as a going concern.

The Meetings

The Meeting Order provides that the Claims of Affected Creditors are separated into four classes for the purpose of voting on the CCAA Plan. Three classes are comprised of Creditors holding General Unsecured Claims. The fourth class is comprised of Creditors holding Securities Claims (the “**Securities Claimant Class**”).

The Meeting of the Securities Claimant Class (the “**Securities Claimant Meeting**”) will be held by videoconference on April 30, 2021 at 2:00 p.m. EST. The Monitor will provide videoconference details in advance of the Securities Claimant Meeting to the CCAA Representatives, CCAA Representative Counsel and the Opt Out Securities Claimants, if any.

As set out above, the CCAA Representatives and CCAA Representative Counsel have been appointed by the Court to represent the interests of all Securities Claimants in relation to their Securities Claims. The Meeting Order provides that the CCAA Representatives and CCAA Representative Counsel will file a proof of claim and vote on behalf of all Securities Claimants other than Zola Finance Holdings Ltd., Igor Gimelshtein, 1604070 Alberta Ltd., Jeff Dyck, Diran Avedian and Shmuel Farhi (collectively, the “**Excluded Securities Claimants**”). The CCAA Representatives and CCAA Representative Counsel will vote in favour of the CCAA Plan.

Unless you want to vote against the CCAA Plan, or vote yourself, you do not have to do anything. If you want to vote against the CCAA Plan or otherwise attend and vote at the Securities Claimant Meeting, please see the instructions below.

Notes to the Variance Analysis:

- [1] **Receipts from Operations** – Unfavourable permanent variance of \$850,000 due to lower than anticipated market demands for medical, recreational and bulk cannabis sales. There continues to be a challenge in the market with lower than anticipated market prices and volumes available. The remaining \$6,000 is a negative temporary timing difference related to medical sales.
- [2] **Other Receipts** – The negative timing difference of \$1,700,000 due to a delay in receiving the HST refund. CRA has put a hold on all HST accounts of the Applicants until the completion of audits. It was anticipated that these audits would have been completed and HST refunds would be received in the last week of February 2021. It is unclear when these audits will be released and HST Refunds will be received by the Applicants. This is offset by permanent positive differences attributed to:
 - Credits and deposit refunds received from vendors in the amount of \$274,000;
 - \$73,000 from sale of equipment; and
 - \$146,000 in interest income on GICs for the remaining difference.
- [3] **Utilities** – CannTrust's usage of natural gas and carbon dioxide gas is lower than forecast due to lower than anticipated production for the Forecast Period. This results in a permanent positive variance of \$223,000.
- [4] **Other Operating Expenses** – The positive variance of \$1,842,000 is due to:
 - the lower than anticipated sales have resulted in a positive permanent difference of \$187,000 related to freight and logistics;
 - positive permanent variance of \$46,000 due to lower than expected fleet rentals;
 - positive timing difference of \$203,000 in marketing expenses;
 - positive timing difference of \$199,000 in production costs;
 - positive timing difference of \$112,000 in IT expenses;
 - positive timing difference of \$51,000 in contract labour;
 - positive timing difference of \$866,000 in consulting and professional fees;
 - positive timing difference of \$196,000 in tax related expenses; offset by
 - negative timing difference of \$18,000 in G&A expenses.
- [5] **Capital Expenditures** – The positive variance of \$753,000 is a temporary difference due to capital expenditure project delays that is expected to reverse in the future weeks.
- [6] **Professional Fees** – There is a positive \$290,000 timing difference due to invoicing delays that is anticipated to reverse in future weeks.
- [7] **KERP** – The Applicants paid approximately \$583,000 for the second milestone payment under the KERP which was required to be paid on January 15, 2021.
- [8] **Intercompany Advance** – Intercompany Advances from CannTrust Holdings Inc. were made to CannTrust Inc. during the Reporting Period. CannTrust Inc. drew \$5,000,000 less than anticipated as cash on hand was sufficient to cover the expenditures given significant timing differences present during this Reporting Period.
