- (a) has commitments, relationships or financial interests or involvement in any litigation or proceeding that:
 - (i) could or could be seen to exercise an improper influence over the objective, unbiased and impartial exercise of the independent judgment by any personnel of the University or its Advisors; or
 - (ii) could or could be seen to compromise, impair or be incompatible with the effective delivery of a Supplier’s services contemplated by this RFQ;
- (b) has contractual or other obligations to the University that could or could be seen to have been compromised or otherwise impaired as a result of its participation in the RFQ Process; or
- (c) has knowledge of confidential information (other than Confidential Information) that,
 - (i) has been made available to the Supplier or any of its Advisors;
 - (ii) is of strategic and/or material relevance to the RFQ Process or to the Services; and
 - (iii) is not available to other Suppliers and that could or could be seen to give the Supplier an unfair competitive advantage.

(2) If a Supplier believes that a Supplier or a person who has had or who will have significant involvement in the preparation and/or oversight of the preparation of the Quotation may have a perceived, potential or actual Conflict of Interest prior to the submission of a Quotation, then that Supplier should deliver to the Contact Person through e-mail and no later than the deadline set out in the Timetable a completed and executed Schedule D of this RFQ – Conflict of Interest Declaration, which will be used by the University in its assessment of the presence of a perceived, potential or actual Conflict of Interest involving any Supplier or any employee or Advisor of the University in respect of the Services. For clarity, all Suppliers are also required to submit updated, completed and executed versions of Schedule D of this RFQ – Conflict of Interest Declaration as part of their Quotations. Following submission of its Quotation, if a Supplier discovers a perceived, potential or actual Conflict of Interest, the Supplier will promptly disclose such Conflict of Interest to the Contact Person.

(3) Suppliers are advised to review the Laurentian University Supply Chain Code of Ethics <https://laurentian.ca/policies-accountability/policies> and to ensure that the Proponent and its Advisors have complied with these policies and with any instructions from the University arising from the application of these policies. For clarity, suppliers have an ongoing obligation to comply with this RFQ Section 1.3(3) in addition to complying with the foregoing policies.

(4) At the request of the University, the Supplier will provide the University with the Supplier's proposed means to mitigate and minimize to the greatest extent practicable a perceived, potential or actual Conflict of Interest. The Supplier will submit any additional information to the University that the University considers necessary to properly assess the perceived, potential or actual Conflict of Interest.

(5) The final determination of whether a perceived, potential or actual Conflict of Interest exists will be made by the University in its sole discretion. The University may, in its sole discretion,

- (a) exclude any Supplier or Supplier's Advisor on the grounds of Conflict of Interest;
- (b) require the Supplier or a Supplier's Advisor to substitute a new person or entity with similar qualifications for the person or entity giving rise to the Conflict of Interest; and/or
- (c) waive any and all perceived, potential or actual Conflicts of Interest of Suppliers or any of their respective Advisors, upon such terms and conditions as the University, in its sole discretion, requires to satisfy itself that the Conflict of Interest has been appropriately managed, mitigated and minimized, including requiring the Supplier to put into place such policies, procedures, measures and other safeguards as may be required by and be acceptable to the University, in its sole discretion, to manage, mitigate and minimize the impact of such Conflict of Interest.

(6) Without limitation to any other rights of the University hereunder, in order to ensure the integrity, openness and transparency of the RFQ Process, the University may, in its sole discretion

- (a) impose at any time on all Suppliers additional conditions, requirements or measures, with respect to bidding practices or ethical behaviour of the Suppliers; and

(2) For the purpose of this RFQ Process, the determination of whether a Quotation is submitted on or before the Submission Deadline will be based on the electronic time and date set out in the Bonfire portal without consideration as to the time and date it was sent by the Supplier.

(3) It is the sole responsibility of the Supplier to ensure that its Quotation is received by the University on or before the Submission Deadline. It is the sole responsibility of the Supplier when submitting a Quotation to ensure that it is submitted correctly and in accordance with Bonfire's rules and requirements. SECTION 3 – LEGAL MATTERS

3.1 Negotiation and Finalization of the Agreement

(1) The University may, in its sole discretion, enter into negotiations with one or more Supplier(s) for the purpose of finalizing a final letter agreement. The University will notify the Supplier(s) that it has been selected to enter into negotiations with the University.

(2) After notification pursuant to RFQ Section 3.1(1) the University will make arrangements to commence negotiations. Both the University and the Supplier may withdraw from negotiations at any time. The University will prepare a draft engagement letter that will be the basis for negotiations and ultimately, subject to negotiations, a final agreement between the Supplier and the University. Any Supplier that is selected to enter into negotiations with the University should be prepared to,

- (a) provide any requested information to the University in a timely fashion and to conduct its negotiations with the University efficiently and expeditiously; and
- (b) conclude negotiations with the University within the period of time, if any, set out in the notification described in RFQ Section 3.1(1).

(3) Subject to RFQ Section 3.7, the University will determine whether to enter into final agreements with a Supplier based on the factors enumerated in Section 2.10(1).

(4) Notwithstanding any other provision contained in the RFQ Documents or a Supplier's Quotation, selection of a Quotation does not oblige the University to enter into an agreement with the Supplier. The purpose of the RFQ Process is solely to choose a negotiating partner or negotiation partners. The selection of a Supplier will simply initiate the process of negotiations which may lead to the final agreement with the University to provide the Services if the University and the Supplier can successfully negotiate a final agreement.

(5) The Supplier acknowledges and agrees that the entering into of an agreement by the University is conditional on and subject to the University obtaining any necessary authorizations and approvals required in connection with the Services, including, for certainty, any required funding approval(s) and the approval of any relevant government authority.

3.2 Notification If Successful Or Not

(1) The University will provide written notice to the successful Supplier by no later than three (3) Business Days following the Submission Deadline. The University has no obligation to notify unsuccessful Suppliers, but may do so in its sole discretion.

3.3 Disclosure of Quotation Information

(1) Suppliers are advised that the University may be required to disclose the RFQ Documents and a part or parts of any Quotation pursuant to the *Freedom of Information and Protection of Privacy Act*, R.S.O. 1990, c. F.31, as amended from time to time (“**FIPPA**”) or in order to comply with the University’s policies or other applicable law.

(2) Subject to the provisions of FIPPA, the University will use reasonable commercial efforts to safeguard the confidentiality of any information identified by the Supplier as confidential but will not be

liable in any way whatsoever to any Supplier if such information is disclosed based on an order or decision of the Information and Privacy Commissioner, or otherwise as required under applicable law. Suppliers are strongly advised to consult their own legal Advisors as to the appropriate way in which confidential or proprietary business information should be marked as such in their Quotations.

(3) Notwithstanding RFQ Section 3.3(2), the University may disclose the name and address of the selected Supplier and any pricing information provided by that Supplier in their Quotation.

3.4 Confidential Information

(1) For the purpose of this RFQ Process, "**Confidential Information**" means all material, data, information or any item in any form, whether spoken or written, including in electronic or hard-copy format, supplied by, obtained from or otherwise provided by the University, in connection with the RFQ Process, the RFQ Documents or the Services, whether supplied, obtained from or provided before or after the RFQ Process.

(2) The Supplier agrees that all Confidential Information:

- (a) will remain the sole property of the University and the Supplier will treat it as confidential;
- (b) will not be used by the Supplier for any purpose other than developing and submitting a Quotation;
- (c) will not be disclosed by the Supplier to any person who is not involved in the Supplier's preparation of its Quotation without prior written consent of the University, in its sole discretion;
- (d) will not be used in any way detrimental to the University; and
- (e) if requested by the University, all Confidential Information will be destroyed by the Suppliers no later than 10 Business Days after that request.

(3) Each Supplier will be responsible for any breach of the provisions of this RFQ Section 3.4 by any person to whom it discloses the Confidential Information. Each Supplier will indemnify the University and each of its related entities and each of their respective directors, officers, consultants, employees, agents and representatives and save each of them fully harmless from and against any and all loss, cost, damage, expense, fine, suit, claim, penalty, demand, action, obligation and liability of any kind or nature (including, without limitation, professional fees on a full indemnity basis) suffered or incurred by any of them arising as a result of or in connection with any breach of any of the provisions of this RFQ Section 3.4 by the Supplier or by any person to whom the Supplier has disclosed the Confidential Information. Each Supplier agrees that the University acts as trustee for each of its related entities and each of their respective directors, officers, consultants, employees, agents and representatives with respect to all rights contemplated hereunder arising in favour of a related entity or any of their respective directors, officers, consultants, employees, agents or representatives and that the University has agreed to accept such trust and hold and enforce such rights on behalf of each such related entity and each of their respective directors, officers, consultants, employees, agents and representatives.

(4) Each Supplier acknowledges and agrees that a breach of the provisions of this RFQ Section 3.4 would cause the University and its related entities to suffer loss that could not be adequately compensated by damages, and that the University and related entities may, in addition to any other remedy or relief, enforce any of the provisions of this RFQ Section 3.4 upon application to a court of competent jurisdiction without proof of actual damage to the University or its related entities.

(5) Notwithstanding anything else to the contrary in the RFQ Documents, the provisions of this RFQ Section 3.4 will survive any cancellation of this RFQ Process and the conclusion of the RFQ

Process and, for greater clarity, will be legally binding on all Suppliers, whether or not a Supplier submits a Quotation.

(6) The confidentiality obligations of the Supplier will not apply to any information which falls within the following exceptions:

- (a) information that is lawfully in the public domain at the time of first disclosure to the Supplier, or which, after disclosure to the Supplier, becomes part of the public domain other than by a breach of the Supplier's confidentiality obligations or by any act or fault of the Supplier;
- (b) information which was in the Supplier's possession prior to its disclosure to the Supplier by the University, and provided that it was not acquired by the Supplier under an obligation of confidence; or
- (c) information which was lawfully obtained by the Supplier from a third party without restriction of disclosure, provided such third party was at the time of disclosure under no obligation of secrecy with respect to such information.

3.5 Suppliers' Costs

(1) The Supplier will bear all costs and expenses incurred by the Supplier relating to any aspect of its participation in this RFQ Process, including, without limitation, all costs and expenses related to the Supplier's involvement in,

- (a) the preparation, presentation and submission of its Quotation;
- (b) due diligence and information gathering processes;
- (c) preparation of responses to questions or requests for clarification from the University;
- (d) preparation of the Supplier's own questions during the clarification process;
- (e) review of the University's responses to questions and other communications, Background Information and Addenda; and
- (f) any discussions or negotiations with the University regarding a definitive letter agreement.

(2) In no event will the University be liable to pay any costs or expenses or to reimburse or compensate a Supplier under any circumstances, regardless of the conduct or outcome of the RFQ Process.

3.6 Disqualification

(1) The University may, in its sole discretion, disqualify a Quotation any time prior to the execution of a final agreement by the University, if,

- (a) the Supplier fails to cooperate in any attempt by the University to clarify or verify any information provided by the Supplier;
- (b) the Supplier fails to comply with applicable law;
- (c) the Quotation contains false or misleading information;

- (d) the Supplier fails to disclose any information (including in any declaration or form attached to the Quotation in connection with the RFQ Documents) that would materially adversely affect the University's evaluation of the Quotation;

- (f) at any time prior to the Submission Deadline, the University became aware that the Supplier failed to disclose an actual Conflict of Interest in any past or current procurement issued by the University, unless the Supplier has demonstrated to the satisfaction of the University that the Supplier has implemented measures to prevent future false or omitted disclosure of actual Conflicts of Interest;
- (g) there is evidence that the Supplier or any of its respective employees, agents, consultants, contractors, service providers or representatives directly or indirectly colluded with one or more other Suppliers or any of their respective employees, agents, consultants, contractors, service providers or representatives in the preparation or submission of Quotations;
- (h) the Supplier has breached any agreement with the University (whether or not the University exercises any right to terminate such agreement) or has breached Laurentian University's Code of Ethics;
- (i) the Quotation, in the sole discretion of the University, reveals a perceived, potential or actual Conflict of Interest that cannot be managed, mitigated or minimized;
- (j) the Supplier misrepresents any information provided in the Quotation;
- (k) the Supplier has been convicted of an offence in connection with any services rendered to the University;

- (p) a Supplier engages in any activity which, at the sole discretion of the University, is contrary to the public interest or is harmful to the integrity or reputation of the University.

3.7 RFQ Not a “Bidding Contract” or a Tender

(1) Notwithstanding any other provision of the RFQ Documents, the RFQ Documents are not a tender and are not an offer to enter into either a bidding contract (often referred to as “**Contract A**”) or a contract to provide the Services (often referred to as “**Contract B**”). Except as provided in RFQ Section 3.4, neither the RFQ Documents nor the submission of a Quotation by a Supplier will create any legal or contractual rights or obligations whatsoever on any of the Supplier or the University. Except as provided in RFQ Section 3.4, no legal relationship or obligation of any kind whatsoever will be created between the Supplier and the University until the successful negotiation and execution of a final agreement between the Supplier and the University.
