LIMITED PARTNERSHIP

AFFIDAVIT

I, **MACARIO TEODORO REYES**, businessman, of 328 West 2nd Avenue, Vancouver, BC
V5Y 1C8, SWEAR (OR AFFIRM) THAT:

1. I am a director and officer of Port Capital Group Inc. ("**Port Capital Group**"), the petitioner Port Capital Development (EV) Inc. (the "**General Partner**") and 1296371 B.C. Ltd. ("**129**"), and as such have personal knowledge of the facts and matters hereinafter deposed to, save and except where the same are stated to be made upon information and belief, and, as to such facts, I verily believe the same to be true.
2. The General Partner and Evergreen House Development Limited Partnership ("**Evergreen LP**", and together with the General Partner, the "**Petitioners**") own a real estate development project called the "**Terrace House Project**".
3. The Petitioners are subsidiaries of Port Capital Group.

4. The Terrace House Project is an ongoing development project located at 1250 West Hastings Street, Vancouver, BC, on lands legally described as:

PID: 006-721-397

Lot 18, Except that part of the Canadian Pacific Railway Right-Of-Way as described in Absolute Fee Parcels Book, Volume 9, Folio 317, No. 1154C, and Except the South 7 Feet now Road, Block 29 District Lot 185 Plan 92

(the "**Lands**").

5. The following persons (collectively, the "**Pre-Sale Purchasers**") have entered into pre-sale purchase agreements with the Petitioners (collectively, the "**Pre-Sale Purchase Agreements**"), and have paid the following deposit amounts totaling \$8,005,201 (collectively, the "**Deposits**") to Dentons Canada LLP ("**Dentons**"), in trust, pursuant to such Pre-Sale Purchase Agreements:

- (a) Luz Consuelo Reyes, who has paid a deposit in the amount of \$2,800,000;
- (b) 1192706 B.C. Ltd., who has paid a deposit in the amount of \$1,155,000;
- (c) 1208596 B.C. Ltd., who has paid deposits in the amount of \$975,201;
- (d) 1301981 B.C. Ltd., as assignee from Hudani Investment Corp., who has paid a deposit in the amount of \$1,162,500;
- (e) 1207867 B.C. Ltd., who has paid a deposit in the amount of \$645,000;
- (f) Robert Davis, who has paid a deposit in the amount of \$592,500; and
- (g) Simon Wong, who has paid a deposit in the amount of \$675,000.

6. On May 29, 2020, the Petitioners obtained an order in these proceedings (the "**Initial Order**") granting them various relief pursuant to the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36 [**CCAA**].

7. The Initial Order included a stay of proceedings (the "**Stay of Proceedings**") effective until June 8, 2020, later extended to June 11, 2021, and appointed Ernst & Young, Inc. as monitor (in that capacity, the "**Monitor**").

8. On June 8, 2020, the Petitioners obtained an amended and restated initial order in these proceedings (the "**ARIO**"). Among other things, the ARIO approved an interim financing facility (the "**Interim Financing Facility**") from Desjardins Financial Security Life Assurance Company and granted a related interim lender's charge (the "**Interim Lender's Charge**").

9. The Petitioners' granted a first mortgage on the Lands to secure construction financing provided by CLMS Financial Ltd. ("**CLMS**"). I am a covenantor on this mortgage.

10. The Petitioners' granted a second mortgage on the Lands in favour of Aviva Insurance Company of Canada ("**Aviva**"), the Terrace House Project's insurer. I am a guarantor of this mortgage.

11. In addition, I am a covenantor or guarantor to most credit facilities advance by the Port Capital Group's various project specific limited partnerships and general partners.

12. On April 16, 2021, the Court approved the execution of a purchase and sale agreement between Landa Global Acquisition Inc. and the Petitioners, dated March 25, 2021 (the "**Landa PSA**"). This was not a final approval of the transaction or vesting of the Lands. By order of the Court, any other party could submit an alternative bid to the Landa PSA by May 7, 2021.

13. On May 7, 2021, 129, through its counsel, submitted an offer to the Monitor, CMLS and Aviva (the "**129 Offer**").

14. The 129 Offer is a loan facility from Domain Mortgage Company ("**Domain**"), 1260780 B.C. Ltd. ("**NumberCo**") and 129 to the Petitioners (the "**New Loan Facility**"). The purposes of the New Loan Facility is to:

- (a) Pay in full the Interim Financing Facility and discharge of the Interim Lender's Charge; and
- (b) Purchase and take an assignment of the loan and security held by CMLS.

15. The funding for the New Loan Facility will come from three sources:

- (a) A loan from Domain to the Petitioners, in the amount of \$14.5 million, pursuant to a term sheet dated May 11, 2021 (the "**Domain Term Sheet**"). Now produced and shown to me and marked as **Exhibit "A"** to this affidavit is a true copy of the Domain Term Sheet;
- (b) A loan from NumberCo to the Petitioners, in the amount of \$1.5 million, pursuant to a commitment letter and acknowledgment dated May 7, 2021 (the "**NumberCo Loan**"). Now produced and shown to me and marked as **Exhibit "B"** to this affidavit is a true copy of the NumberCo Loan. I am informed by Robert Quon, of Dentons, and verily believe the same to be true, that Dentons holds the NumberCo Loan funds in trust; and
- (c) A loan from 129 to the Petitioners, in the amount of \$8,005,201, funded by a release of the Deposits held in trust by Dentons. Now produced and shown to me

and marked as **Exhibit "C"** to this affidavit are true copies of the written irrevocable directions provided by the Pre-Sale Purchasers.

16. The 129 Offer does not seek to terminate any pre-sale contracts, or vest off or compromise any other claims against the Petitioners. The 129 Offer is a refinancing, intended to provide breathing room to secure new construction financing for the Terrace House Project.

17. There is strong interest from lenders to provide new construction financing, and several lenders have already conducted extensive due diligence. However, the New Loan Facility needs to be in place before new construction financing can be secured. Without control of the Terrace House Project, it is not possible to satisfy the conditions associated with new construction financing.

18. These CCAA proceedings have, to date, been focused on repayment of the construction loan provided by CLMS. The New Loan Facility, along with cooperation from Domain, will provide the opportunity to shift the focus to a long-term restructuring.

19. Generally, securing new construction financing will require:

- (a) Review of all trades and consultants. This includes confirm drawings and specifications with lead consultants, architects and engineers; updating contracts with existing trades and consultants; and replacing contracts as necessary;
- (b) Confirm construction schedule and budget;
- (c) Renew and extend permits; and
- (d) Review and continue pre-sale program. This includes reviewing the existing contracts; engaging new marketing partners and sales group, and may require re-drafting the disclosure statement and updated purchase contracts.

20. The above steps will be conditions of any term sheet for new construction financing, and advances under any new facility will not occur until these have been satisfied.

21. In the interim, working capital will be funded by existing limited partners and new third party investors. This working capital is expected to be in the range of \$3 to \$5 million, which will be sourced externally and will not encumber the Lands or other assets.

22. The most advanced negotiation on a new contraction loan is with Goldman Sachs. The parties are close to finalizing a term sheet, however I do not expect negotiations can progress further until the Petitioners have regained control of the Terrace House Project. I estimate, with control of the project and the breathing room provided by the New Loan Facility, it will take 30 to 60 days to finalize a term sheet with Goldman Sachs or another lender.

23. The proposed Goldman Sachs financing would be advanced in two tranches. The first tranche would repay the New Loan Facility and provide pre-construction working capital. The second tranche would finance the full construction of the Terrace House Project.

24. The Terrace House Project is an innovative mass timber development. When completed, the Terrace House Project will become one of the tallest hybrid timber structure in the world, constructed from concrete, wood and steel. The existing trades and consultants are specialists in mass timber construction and are essential to moving the Terrace House Project forward. The project has many stakeholders who will benefit from the completion of the Terrace House Project as designed. The Terrace House Project will contribute to the development of the mass timber industry. The City of Vancouver is invested in seeing the Terrace House Project completed, as are investors and other supporters of the project.

25. These efforts demonstrate there is a reasonable prospect that the Terrace House Project will be successful restructured for the benefit of all stakeholders.

Re: Funds held in trust for Deposits for Terrace House Units

Evergreen House Development Limited Partnership (the "**Old LP**") by its general partner, Port Capital Development (EV) Inc. (the "**Old GP**") pursued the development of a project located at 1250 West Pender Street, Vancouver, BC (the "**Terrace House Project**"). The undersigned has provided a deposit (the "**Deposit**") that is currently held in trust with Dentons Canada LLP ("**Dentons**") to acquire a unit in the Terrace House Project, the details of which are set out below.

CMLS Financial Ltd ("**CMLS**") was the Terrace House Project's construction lender pursuant to a commitment letter dated July 4, 2019 (the "**CMLS Loan**") as amended. The CMLS Loan is secured by, among other things, a first ranking mortgage against the Terrace House Project. The indebtedness on the CMLS Loan was approximately \$20.1 million at the commencement of the CCAA Proceedings in 2020.

On May 29, 2020, Ernst & Young Inc. ("**EY**") was appointed as the monitor of the Terrace House Project pursuant to a court order of the BC Supreme Court (the "**CCAA Proceedings**"). The court also approved a debtor in possession loan (the "**DIP Loan**") in favour of Desjardins Financial Security Life Assurance Company ("**Desjardins**" or the "**DIP Lender**"). The indebtedness on the DIP Loan is projected to be \$1.5 million as at April 30, 2021.

1296371 B.C. Ltd. (the "**Junior Lender**") has been created to participate in the acquisition of the CMLS Loan and the DIP Loan. Domain Mortgage Corp. and/or Bankers Mortgage Corp. doing business as Domain Funding (Domain Mortgage Corp. and Bankers Mortgage Corp., individually or collectively are "**Domain Funding**") as the new funder (the "**Senior Lender**") has agreed to provide the sum of \$16M and Domain Funding has or will establish a new entity ("**Newco**") controlled by Domain Funding to acquire the CMLS Mortgage and the DIP Loan. The Senior Lender will have the first position of repayment under the acquired CMLS Mortgage and DIP Loan and the Junior Lender will have second position of repayment under the CMLS Mortgage pursuant to an interlender or co-lender agreement as between the Senior Lender and the Junior Lender. The CMLS Loan and DIP Loan will remain as charges on the real estate related to the Terrace House Project with the expectation that the Senior Lender would be repaid once new construction financing (the "**Construction Financing**") is obtained. The Construction Financing will be used to repay the Senior Lender and may be used as part of a plan to exit CCAA on terms to be determined. On the registration of the Construction Financing on the Terrace House Project, the Junior Lender would release the funds back into the Terrace House Project to be used as equity with each of the lenders to the Junior Lender being credited with a deposit against a unit in the Terrace House Project.

This Direction is intended to reflect the general agreement of the undersigned to the use of the Deposit on the terms herein, subject only to the consents (the "**Consents**") required to obtain the release of the Deposit from the trust account of Dentons being (1) the consent of the Monitor (on behalf of the developer), (2) the consent of CMLS and agreement to sell and assign the CMLS Loan, and (3) the consent of the DIP Lender and agreement to sell and assign the DIP Loan. The additional conditions (the "**Conditions**") to the release of the Deposit are that CMLS, the DIP Lender and Newco finalize and sign a purchase agreement to allow Newco to acquire the CMLS Loan and the DIP Loan as well as the necessary Court approvals in the CCAA Proceedings.

Please accept this as your irrevocable authority and direction to, once you have obtained the Consents and the Conditions have been satisfied, to transfer the Deposit to 1296371 B.C. Ltd. in order to facilitate the loan by the Junior Lender to Newco so that Newco can acquire the CMLS Loan and the DIP Loan. This irrevocable authority and direction will terminate on August 31, 2021, unless extended by the undersigned in writing.

The indebtedness on the CMLS Loan was approximately \$20.1 million at the commencement of the CCAA Proceedings in 2020.

On May 29, 2020, Ernst & Young Inc. ("**EY**") was appointed as the monitor of the Terrace House Project pursuant to a court order of the BC Supreme Court (the "**CCAA Proceedings**"). The court also approved a debtor in possession loan (the "**DIP Loan**") in favour of Desjardins Financial Security Life Assurance Company ("**Desjardins**" or the "**DIP Lender**"). The indebtedness on the DIP Loan is projected to be \$1.5 million as at April 30, 2021.

1296371 B.C. Ltd. (the "**Junior Lender**") has been created to participate in the acquisition of the CMLS Loan and the DIP Loan. Domain Mortgage Corp. and/or Bankers Mortgage Corp. doing business as Domain Funding (Domain Mortgage Corp. and Bankers Mortgage Corp., individually or collectively are "**Domain Funding**") as the new funder (the "**Senior Lender**") has agreed to provide the sum of \$16M and Domain Funding has or will establish a new entity ("**Newco**") controlled by Domain Funding to acquire the CMLS Mortgage and the DIP Loan. The Senior Lender will have the first position of repayment under the acquired CMLS Mortgage and DIP Loan and the Junior Lender will have second position of repayment under the CMLS Mortgage pursuant to an interlender or co-lender agreement as between the Senior Lender and the Junior Lender. The CMLS Loan and DIP Loan will remain as charges on the real estate related to the Terrace House Project with the expectation that the Senior Lender would be repaid once new construction financing (the "**Construction Financing**") is obtained. The Construction Financing will be used to repay the Senior Lender and may be used as part of a plan to exit CCAA on terms to be determined. On the registration of the Construction Financing on the Terrace House Project, the Junior Lender would release the funds back into the Terrace House Project to be used as equity with each of the lenders to the Junior Lender being credited with a deposit against a unit in the Terrace House Project.

This Direction is intended to reflect the general agreement of the undersigned to the use of the Deposit on the terms herein, subject only to the consents (the "**Consents**") required to obtain the release of the Deposit from the trust account of Dentons being (1) the consent of the Monitor (on behalf of the developer), (2) the consent of CMLS and agreement to sell and assign the CMLS Loan, and (3) the consent of the DIP Lender and agreement to sell and assign the DIP Loan. The additional conditions (the "**Conditions**") to the release of the Deposit are that CMLS, the DIP Lender and Newco finalize and sign a purchase agreement to allow Newco to acquire the CMLS Loan and the DIP Loan as well as the necessary Court approvals in the CCAA Proceedings.

Please accept this as your irrevocable authority and direction to, once you have obtained the Consents and the Conditions have been satisfied, to transfer the Deposit to 1296371 B.C. Re: Funds held in trust for Deposits for Terrace House Units

Evergreen House Development Limited Partnership (the "Old LP") by its general partner, Port Capital Development (EV) Inc. (the "Old GP") pursued the development of a project located at 1250 West Pender Street, Vancouver, BC (the "Terrace House Project"). The undersigned has provided a deposit (the "Deposit") that is currently held in trust with Dentons Canada LLP ("Dentons") to acquire a unit in the Terrace House Project, the details of which are set out below.

CMLS Financial Ltd ("CMLS") was the Terrace House Project's construction lender pursuant to a commitment letter dated July 4, 2019 (the "CMLS Loan") as amended. The CMLS Loan is secured by, among other things, a first ranking mortgage against the Terrace House Project. The indebtedness on the CMLS Loan was approximately \$20.1 million at the commencement of the CCAA Proceedings in 2020.

On May 29, 2020, Ernst & Young Inc. ("EY") was appointed as the monitor of the Terrace House Project pursuant to a court order of the BC Supreme Court (the "CCAA Proceedings"). The court also approved a debtor in possession loan (the "DIP Loan") in favour of Desjardins Financial Security Life Assurance Company ("Desjardins" or the "DIP Lender"). The indebtedness on the DIP Loan is projected to be \$1.5 million as at April 30, 2021.

1296371 B.C. Ltd. (the "Junior Lender") has been created to participate in the acquisition of the CMLS Loan and the DIP Loan. Domain Mortgage Corp. and/or Bankers Mortgage Corp. doing business as Domain Funding (Domain Mortgage Corp. and Bankers Mortgage Corp., individually or collectively are "Domain Funding") as the new funder (the "Senior Lender") has agreed to provide the sum of \$16M and Domain Funding has or will establish a new entity ("Newco") controlled by Domain Funding to acquire the CMLS Mortgage and the DIP Loan. The Senior Lender will have the first position of repayment under the acquired CMLS Mortgage and DIP Loan and the Junior Lender will have second position of repayment under the CMLS Mortgage pursuant to an interlender or co-lender agreement as between the Senior Lender and the Junior Lender. The CMLS Loan and DIP Loan will remain as charges on the real estate related to the Terrace House Project with the expectation that the Senior Lender would be repaid once new construction financing (the "Construction Financing") is obtained. The Construction Financing will be used to repay the Senior Lender and may be used as part of a plan to exit CCAA on terms to be determined. On the registration of the Construction Financing on the Terrace House Project, the Junior Lender would release the funds back into the Terrace House Project to be used as equity with each of the lenders to the Junior Lender being credited with a deposit against a unit in the Terrace House Project.

This Direction is intended to reflect the general agreement of the undersigned to the use of the Deposit on the terms herein, subject only to the consents (the "Consents") required to obtain the release of the Deposit from the trust account of Dentons being (1) the consent of the Monitor (on behalf of the developer), (2) the consent of CMLS and agreement to sell and assign the CMLS Loan, and (3) the consent of the DIP Lender and agreement to sell and assign the DIP Loan. The additional conditions (the "Conditions") to the release of the Deposit are that CMLS, the DIP Lender and Newco finalize and sign a purchase agreement to allow Newco to acquire the CMLS Loan and the DIP Loan as well as the necessary Court approvals in the CCAA Proceedings.

Please accept this as your irrevocable authority and direction to, once you have obtained the Consents and the Conditions have been satisfied, to transfer the Deposit to 1296371 B.C. Ltd. in order to facilitate the loan by the Junior Lender to Newco so that Newco can acquire the CMLS Loan and the DIP Loan. This irrevocable authority and direction will terminate on August 31, 2021, unless extended by the undersigned in writing.

This irrevocable direction allows the use of the Deposit for participation into a loan to the Junior Lender secured against the purchased CMLS Loan mortgage. This direction does not convert this loan into equity. That would require a follow up equity conversion agreement. If no follow up agreement to convert into equity is accepted and signed by you, the Deposit would be repaid when the loan gets refinanced through the Construction Financing. If the Conditions are not met, then the Deposit will remain in trust at Dentons LLP.
