ARRANGEMENT OF LAURENTIAN UNIVERSITY OF SUDBURY

**NOTICE OF MOTION  
(Appointment of Real Estate Advisor)**

Laurentian University of Sudbury (the “**Applicant**” or “**LU**”) will make a motion to Chief Justice Morawetz of the Ontario Superior Court of Justice on Monday, July 5, 2021, at 2:00 P.M. (Eastern Time), or as soon after that time as the motion can be heard, via Zoom videoconference due to the COVID-19 pandemic.

**PROPOSED METHOD OF HEARING:**

This motion is to be heard via Zoom videoconference, the details of which are attached at Schedule “A”.

**THIS MOTION IS FOR:**

1. An Order (the “**Order**”) substantially in the form attached at Tab 2 of the Motion Record of the Applicant dated June 28, 2021 authorizing and directing the Applicant to retain Cushman & Wakefield (“**C&W**”) as real estate advisor to the Applicant (in such capacity, the “**Real Estate Advisor**”).
  
2. Such further and other relief as this Honourable Court deems just.

**THE GROUNDS FOR THIS MOTION ARE:*****Background***

3. On February 1, 2021, the Applicant sought and received an initial order granting it protection under the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”), and approving a stay of proceedings for the initial 10-day period (the “**Stay Period**”).
4. On February 10, 2021, the Court issued an amended and restated initial order which, among other things, extended the Stay Period to April 30, 2021 (the “**Amended and Restated Initial Order**”).
5. On May 2, 2021, following a brief extension of the Stay Period from April 30 to that date, the Court extended the Stay Period to August 31, 2021.

***Appointment of Real Estate Advisor***

6. Phase 1 of the Applicant’s restructuring has been completed, which included the negotiation and settlement of restructuring term sheets with key stakeholders, including the labour partners of the Applicant.
7. Phase 2 of the Applicant’s restructuring process entails, among other things, the formulation of a plan of compromise and arrangement (a “**Plan**”) or framework of a Plan for the benefit of the Applicant’s creditors. To facilitate the development of a Plan and consistent with its obligations under the term sheets with its labour partners, the Applicant will undertake a review of its real estate portfolio in order to ascertain its current and future

space utilization requirements given the restructuring that has taken place since the filing date, in order to determine whether or not certain parts of the Applicant's real estate portfolio can be monetized in some manner that is beneficial to the Applicant and its creditors.

8. Following a process described below and as further described in the Monitor's Report, to be filed, the Applicant seeks the authority to appoint the Real Estate Advisor to assist with the review of the Applicant's real estate portfolio.
9. The Applicant intends to review its real estate portfolio to investigate the potential to better utilize and/or monetize its real estate assets to maximize value for its stakeholders while allowing the Applicant to fully and efficiently continue its restructured operations on a go-forward basis. The review will focus on identifying any opportunities for extracting value without interfering with the normal operations of the university.
10. The review is expected to include the following components:
  - (a) reviewing and understanding the Applicant's current portfolio of real estate;
  - (b) consideration of potential strategies with respect to the monetization of any redundant or excess assets that may exist within the real estate portfolio (land and buildings);
  - (c) review of third-party leases within the real estate portfolio;
  - (d) consideration of different strategies to monetize real estate assets; and

(e) recommendations to optimize space utilization, including opportunities to consolidate, and the feasibility of doing so.

(collectively, the “**Mandate**”).

11. A real estate advisor with experience and expertise, particularly in the post-secondary and public sectors, will provide critical guidance with respect to the Mandate and be in the best position to advise on developing a strategic plan for the Applicant’s real estate portfolio. This will enable the Applicant to consider how it can maximize value for its stakeholders while ensuring that it is able to continue to provide comprehensive services and space on its campus for students, faculty, staff, visitors and the communities it serves.

***Selection of Real Estate Advisor***

12. The Applicant issued a Request for Quotations on May 18, 2021 (the “**RFQ**”). The RFQ requested proposals setting out a proposed approach with respect to the Mandate. There were nine different firms that had either previously expressed interest in the role or who were recommended by certain stakeholders of the Applicant. For these parties, counsel to the Applicant directly emailed those nine parties with the RFQ and invited such party to submit a bid.
13. The RFQ was also posted on the Monitor’s website maintained for this CCAA proceeding to appeal to a broader audience and ensure a fully open and transparent process. In total, thirty-two different firms accessed the RFQ.
14. In addition, the RFQ was posted on MERX, a platform commonly used in the private and public procurement sector where entities can access both public and private sector tenders.

15. Thirty-two (32) unique organizations downloaded the RFQ. The Applicant ultimately received six proposals, which it reviewed with the Monitor. The review was informed by the following selection criteria:
  - (a) experience and qualifications, particularly with respect to postsecondary and publicly-funded organizations;
  - (b) breadth and extent of services offered, support and technology utilized;
  - (c) proposed methodology;
  - (d) level of detail contained in proposal, and understanding of the mandate and challenges that may exist in implementing same;
  - (e) hourly rates and budget;
  - (f) expectations as to information and data that may be provided by the university, including with limited resources, or what may need to be created or obtained from other sources; and
  - (g) other relevant factors.
16. Interviews were conducted with four potential candidates who were considered by the Applicant and the Monitor to have provided the best written responses to the RFQ.
17. The Amended and Restated Initial Order does not require the Applicant to seek court approval when retaining a real estate advisor. The process that was undertaken represented a hybrid between: (a) the procurement process that would typically be undertaken by the

Applicant within the public sector outside of a CCAA proceeding; and (b) the steps and process that would be undertaken by an Applicant or the Monitor in inviting expressions of interest to act as a real estate advisor in a CCAA proceeding, in communicating with such parties and in reviewing and considering responses received from interested parties. As the process did not strictly follow all terms of a public sector procurement process, and incorporated aspects of a more typical CCAA engagement process, the Applicant seeks court approval of same.

18. The Monitor was directly involved in and supports the process undertaken to select the real estate advisor, and C&W as the successful candidate.
19. C&W was chosen as the successful proposed Real Estate Advisor for the following reasons:
  - (a) C&W's proposal was comprehensive and set out a clear approach to fulfilling the Mandate;
  - (b) C&W demonstrated a strong grasp of the multitude of factors that will influence the review and, ultimately, any decision to dispose of real estate assets;
  - (c) C&W demonstrated the most experience working with both publicly-funded organizations and post-secondary institutions;
  - (d) C&W partnered with an education consultant, an urban planning consultant, a student housing specialist, and a local real estate firm to form an end-to-end team capable of exploring all potential avenues to find efficiencies;

- (e) C&W and its partners demonstrated an understanding of the challenges and effort that this particular review will require; and
  - (f) C&W's budget was reasonable and offers significant value in terms of the estimated number of hours to be allocated to the project and the estimated total cost.
20. C&W has the requisite skills and experience necessary to fulfill the Mandate.
21. The Monitor recommends the appointment of C&W as the Real Estate Advisor.

***Sealing Provision***

22. As part of the Order, the Applicant seeks a provision sealing the unredacted proposal of C&W, which will be attached as a Confidential Appendix to the Fifth Report of the Monitor. C&W has advised the Applicant that its unredacted proposal contains commercially sensitive and proprietary information that, if disclosed publicly and made available to competitors, could jeopardize the business of C&W.

***Other Grounds***

23. The provisions of the CCAA and the inherent and equitable jurisdiction of this Honourable Court;
24. Section 137(2) of the Ontario *Courts of Justice Act*, R.S.O. 1990, c. C.43 as amended; and
25. Such further and other grounds as counsel may advise and this Court may permit.

**THE FOLLOWING DOCUMENTARY EVIDENCE** will be used at the hearing of this motion:

1. The Fifth Report of the Monitor, to be filed; and

2. Such further and other evidence as counsel may advise and this Court may permit.
