INTRODUCTION

[1] The Petitioners are owners of an uncompleted residential tower in downtown Vancouver, British Columbia, known as the “Terrace House Project”.

[2] The Petitioners entered into these *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36 (“*CCAA*”) proceedings to allow them to undertake a process toward a resolution of their financial difficulties that would allow them to complete the Project. That overall objective is no longer feasible.

[3] However, numerous parties have now advanced offers or bids to acquire the Project. The Court’s task is to consider these offers or bids and, if appropriate, decide which one should be approved.

[4] On June 15, 2021, I granted an order approving the acquisition of the project by Solterra Acquisitions Corp. (“Solterra”) dated June 4, 2021, with reasons to follow. These are my reasons.

BACKGROUND FACTS

[5] The Petitioners are subsidiaries of the Port Capital Group, which is in the business of real estate development and management in British Columbia and Ontario. Port Capital Development (EV) Inc. is the General Partner (GP) of the Limited Partnership.

[6] The “Terrace House Project” is a 19-storey high-rise luxury residential and commercial strata development located at 1250 West Hastings Street, Vancouver, British Columbia (the “Project”). The intention was to provide for 20 residential units and 2 commercial retail units above a 3-level underground parkade. The Project is unique in that its primary structural material is timber.

[7] In September 2017, pre-sales of the units began. In late 2018, construction began. The construction lender is CMLS Financial Ltd. (“CMLS”), who holds a first mortgage against the Project. Aviva Insurance Company of Canada (“Aviva”) provided deposit protection insurance for the pre-sale depositors in order to allow

the Petitioners to use the deposit monies for the Project. Aviva holds a second mortgage against the Project to secure any claims under the insurance.

[8] As of mid-2020, the parkade and structure for the first level of the building were substantially complete; approximately 20% of the Project was finished. At that time, approximately $16 million of pre-sales were in place for 17 residential units and both commercial units.

[9] In May 2020, CMLS stopped funding and demanded payment of its secured debt.

[10] In late May 2020, the Petitioners filed these *CCAA* proceedings, supported by the evidence of Macario Reyes, a director and officer of the Port Capital Group and Port Capital Development (EV) Inc. At the time, the evidence was that the Petitioners owed approximately $34.8 million secured debt and $8 million unsecured and lien debt. One of the lienholders is Centura Building Systems (2013) Ltd. (“Centura”), who is owed $473,277. Centura is related to Solterra.

[11] At the start of these proceedings, Mr. Reyes was of the opinion that there was sufficient security in the value of the Project such that a restructuring might be achieved, perhaps either by an equity investment or liquidation of the assets. Mr. Reyes faces considerable personal exposure from the failure of the Project, as he is a covenantor of the CMLS debt and a guarantor of the Aviva debt.

[12] On May 29, 2020, I granted the Initial Order. In that Order, I granted an Administration Charge ($250,000). I also appointed Ernst & Young Inc. as monitor (the “Monitor”) with enhanced powers to assume control of the Petitioners and the Project. Specifically, the Monitor was directed to implement a sales and investment solicitation plan (“SISP”) with input from CMLS and Aviva. The SISP sought a “dual track” process to either produce bids or offers for a sale of the Project or an investment in the Petitioners on a going concern basis, such as in the form of a restructuring, reorganization or refinancing of the Project.

[13] On June 8, 2020, I granted the Amended and Restated Initial Order ("ARIO") extending the stay and other relief under the Initial Order and authorizing interim financing of $1.25 million (now $1.8 million) from Desjardins Financial Security Life Assurance Company, a company affiliated with CMLS (the "Interim Lending Facility").

[14] In June 2020, the SISP began with high hopes. Unfortunately, for many reasons, the results of the SISP were disappointing and there was considerable delay in advancing the process. The reasons included the complexity of the Project and the various stakeholder interests at play, some of which are in conflict and only potentially resolved though litigation.

[15] By late 2020, the SISP had produced a number of offers. The Monitor received proposed asset purchases from Solterra, Landa Global Acquisitions Inc. ("Landa") and Bosa Properties (OC) Inc. ("Bosa"). In addition, the SISP produced a bid from the Port Capital Group (fronted by Mr. Reyes) toward a refinance or restructuring in conjunction with the approval of a plan of arrangement to the unsecured creditors.

[16] In its Third Report dated November 27, 2020, the Monitor recommended acceptance of Bosa's offer as the best viable option, despite the fact that the offer was highly conditional.

[17] On December 1, 2020, I approved Bosa's offer, including a $100,000 Break Fee payable if another offer was court approved in its place. By February 2021, Bosa had satisfied certain pre-conditions and put forward a revised offer; however, that revised offer was not acceptable to CMLS and the offer collapsed.

[18] The Monitor returned to the drawing board.

[19] At some point, Landa became aware that Bosa's offer had collapsed. Given Landa' continued interest in the Project, on March 25, 2021, Landa and the Monitor executed a purchase and sale agreement ("Landa Offer #1").

[20] Landa Offer #1 was in the form of an asset purchase, although the parties allowed for the possibility of completion pursuant to a Reverse Vesting Order ("RVO"). That scenario was seen as beneficial in order to allow the existing Petitioners to continue under Landa's ownership and control while preserving existing contractual rights, such as the building permit (but not the pre-sale contracts). The RVO structure also avoided payment of substantial property transfer tax.

[21] Under either an outright sale or an RVO, all parties were aware that the net sale proceeds under Landa Offer #1 were insufficient to repay the Interim Lending Facility and the CMLS indebtedness (approximately $21.1 million).

[22] On April 16, 2021, I approved Landa Offer #1 and a Break Fee. Various aspects of Landa Offer #1 were not made public at the time, despite Mr. Reyes' initial opposition (later withdrawn) and Aviva's opposition. I sealed Landa Offer #1 to remove the purchase price and amount of the Break Fee.

[23] In approving Landa Offer #1, I accepted the Monitor and Landa's stated intentions (per Landa Offer #1) that the Monitor would have a short period of time (15 days) to re-activate the SISP and obtain any other superior offers that might be available from a party other than Landa.

[24] Landa Offer #1 specifically provided:

> **1.1** … "**Bona Fide Offer**" means a binding offer to purchase all or part of the Purchased Assets from a Prospective Purchaser, which offer contains no conditions that are not capable of being satisfied or waived by the parties within fifteen (15) Business Days or less of the date on which such offer is accepted by both parties …
>
> **8.7 Satisfaction and Waiver of Vendor's Conditions**. Notwithstanding anything to the contrary set out herein, from the date of issuance of the [April 16, 2021 Order] until the Final Offer Date, the Vendor … may engage in further marketing of and negotiations in connection with the Purchased Assets for the purpose of soliciting Bona Fide Offers from prospective purchasers that are not party to this Agreement (each, a "**Prospective Purchaser**"). In the event that the Vendor receives one or more Bona Fide Offers from Prospective Purchasers which provide for a superior offer to that of the Purchaser under this Agreement (a "**Superior Offer**"), the Vendor shall notify the Purchaser in writing….

[25] Accordingly, if no other “Superior Offers” arose, the Monitor expected to return to Court to seek either a Vesting Order or RVO to implement Landa Offer #1. A tentative Court hearing date of May 25, 2021 was booked. If one or more “Superior Offers” arose, and accepted by the Monitor, Landa Offer #1 became null and void, the deposit was to be returned to Landa and the Break Fee paid. In its report, the Monitor stated that, in that latter event, it would determine a process to select the transaction (i.e. the “Superior Offer”) that would be brought before the Court for approval.

[26] In its Fifth Report, the Monitor described this later sales process as “akin to a final sealed bid process”. In its Sixth Report dated May 20, 2021, the Monitor confirmed the unique features of this last effort to obtain bids, describing it as a “hybrid between a Stalking Horse procedure and Sealed Bid procedure”. This was all indicative of the intention (at least initially) to maintain confidentiality of the purchase price in the Landa Offer #1 and any later bids.

THE “SUPERIOR OFFERS”

[27] The Monitor’s return to the market to solicit offers for the Project was successful.

[28] Before the new bid deadline of May 7, 2021, the Monitor received two offers, both for consideration higher than that of Landa Offer #1. These offers were outlined in the Monitor’s Sixth Report:

a) An unconditional cash offer from Solterra (“Solterra Offer #1”); and

b) A highly conditional offer from 1296371 B.C. Ltd. (“129”), a company controlled by Mr. Reyes which was incorporated to facilitate the proposed transaction. 129 proposed to repay the Interim Lending Facility and refinance and take an assignment of the CMLS debt (the “129 Offer”). This refinancing was to arise from new advances from Domain Mortgage Company (“Domain”), use of the approximate $8 million in cash deposits held and a loan from 1260780 B.C. Ltd. (“126”), a

> company owned by Mr. Reyes' mother, Luz Consuelo Reyes. Essentially, the 129 Offer was to allow the Petitioners to continue in the *CCAA* proceedings, but without the Monitor's enhanced powers and with control provisions in favour of Domain.

[29] In its Sixth Report, the Monitor outlined that it considered Solterra Offer #1 to be a "Superior Offer" to Landa Offer #1; CMLS also supported this offer. The Monitor did not consider the 129 Offer as a "Superior Offer" since it remained conditional (and would continue to be so until after the deadline for conditions being satisfied/waived — May 31 — under Landa Offer #1). CMLS did not support the 129 Offer.

[30] On May 14, 2021, the Monitor and Solterra signed a purchase and sale agreement. The Monitor then began the process of preparing the necessary application materials to have the Court approve the Solterra Offer #1 at the hearing scheduled for May 25, 2021.

[31] However, just days after the execution of Solterra Offer #1, the confidentiality aspects of the Monitor's unique sales process began to unravel.

[32] On May 17, 2021, the Monitor advised Landa as to the purchase price under Solterra Offer #1 ($21 million). This was an unfortunate disclosure from Solterra's point of view; however, it was done based on the Monitor's reasonable understanding that Landa did not intend to further participate in the sales process. Indeed, that intention is arguably evident from the Landa Offer #1 itself, particularly clause 8.7 above (about offers from *other parties*) and the fact the Court approved a Break Fee for Landa.

[33] In fact, Landa was still interested in increasing its offer for the Project and it immediately enquired as to whether it could submit yet another bid to the Monitor. The Monitor advised that it contractually obliged to put Solterra Offer #1 before the Court; however, any further offer from Landa would also be put before the Court, if received.

[34] On May 24, 2021, the Monitor provided a Confidential Supplement to the Sixth Report. The Monitor outlined that Landa had submitted a revised offer ($21.5 million) ("Landa Offer #2"). This was an increase from the price under Landa Offer #1 ($19 million). In addition, the Monitor indicated that the 129 Offer contemplated total consideration of approximately $22.5 million, assuming the various pre-conditions still outstanding could be satisfied.

[35] On May 25, 2021, the application to approve Solterra Offer #1 came before the Court. At that time, there was considerable controversy as to how to proceed. Solterra was not represented at the hearing by legal counsel although principals of Solterra who attended stated that it would be unfair to consider further unconditional cash offers, including Landa Offer #2. Landa wanted a further bidding process, stating that Landa Offer #2 would realize a better return of about $850,000 above Solterra Offer #1.

[36] In addition, at the May 25, 2021 hearing, 129 still expressed interest in acquiring the Project. On May 25, 2021, 129 filed its own application seeking Court approval of the 129 Offer together with Mr. Reyes' Affidavit #2 sworn May 21, 2021.

[37] At the conclusion of the May 25, 2021 hearing, I adjourned the matter until June 8, 2021. The Monitor, with the concurrence of CMLS and Aviva, supported such a result. In part, the adjournment was necessary because there had been minimal notice of the application to approve Solterra Offer #1. At the time, I indicated to the array of bidders that I was not directing any further process to allow for new bids; however, if any party wished to submit further offers, those offers should be received by the Monitor by noon June 4, 2021.

PRE-HEARING BIDS / OFFERS

[38] The Monitor did receive new offers or bids.

[39] At the June 8, 2021 hearing, the Monitor provided its Confidential Seventh Report. The Monitor indicated that, on June 4, 2021, it received two additional cash offers:

a) Landa submitted a third revised offer ($22 million) ("Landa Offer #3"); and

b) Solterra submitted a second "backup" revised offer on a "without prejudice" basis (the "Solterra Backup Offer"). This rider was in relation to Solterra's argument that the Court should have approved Solterra Offer #1 on May 25, 2021. The Solterra Backup Offer was sealed and not publicly made available, save to CMLS and Aviva. However, the Monitor advised all stakeholders that the Solterra Backup Offer was superior in value to Landa Offer #3.

[40] In addition, on June 4, 2021, the Monitor received a revised offer from 129 (the "129 Revised Offer"). In support, Mr. Reyes provided his Affidavits #3 and #4 sworn June 4 and 7, 2021, essentially referring to revisions to the 129 Offer and the removal of further conditions, as I will describe in greater detail below. In the Seventh Report, the Monitor reported that the 129 Revised Offer would result in a "materially better" outcome for the stakeholders than both Solterra Offers and Landa Offer #3.

[41] At the hearing, Landa conceded that Landa Offer #3 should not be approved in the face of the 129 Revised Offer. Landa proposed that Landa Offer #3 should stand as a backup offer in the event that the 129 Revised Offer was court approved, but failed to close for any reason.

[42] In broad strokes, as of June 8, 2021, the financial consequences to the two major secured creditors of the various offers before the Court were as follows:

a) Under the Solterra and Landa cash offers, the Interim Lending Facility and priority professional fees would be paid. In addition, CMLS would suffer a shortfall to varying degrees: Solterra Offer #1 — $3.2 million

shortfall; Landa Offer #3 — $1.7 million shortfall; and Solterra Backup Offer — a shortfall in excess of $500,000;

b) Under any of the cash offers, the Petitioners would disclaim the $16 million of pre-sale agreements. Aviva would immediately crystalize its exposure (estimated at $8.6 million). Both CMLS and Aviva hold security against the $8 million cash deposits. CMLS/Aviva would then potentially advance arguments that these pre-sale purchasers had forfeited the right to a return of those cash deposits such that CMLS/Aviva could claim those amounts toward satisfaction of their loans; and

c) Under the 129 Revised Offer, the material benefits, as noted by the Monitor were: 1) the Interim Lending Facility and CMLS would be paid in full; 2) Aviva's security position would be "improved" with the prospect of full or material recovery; and 3) the parties would avoid litigation with respect to the $8 million in pre-sale cash deposits by converting them into a secured position against the Project.

ISSUES

[43] The parties agree that the issues to be decided are:

a) Should the Court approve the 129 Revised Offer?

b) If the 129 Revised Offer is not approved, which Offer should be considered and/or approved as between Solterra and Landa?

THE 129 REVISED OFFER

Description of the 129 Revised Offer

[44] It is important at the outset to emphasize that the Petitioners do not put 129's offers forward; rather, Mr. Reyes presents them through 129, a new company specifically formed by him for this proposed transaction.

[45] The salient details of the 129 Revised Offer are as follows:

a) $24.96 million would be raised, as follows:

   i. $14.7 million from Domain;

   ii. $8 million in pre-sale deposits (including a $2.8 million deposit held for Ms. Reyes) to be released and advanced to 129;

   iii. $2.15 million to be loaned from 126 (Ms. Reyes) to 129;

   iv. 129, as the Junior Lender, then loans these amounts to “Newco”, a company to be incorporated by Domain to hold the CMLS security;

   v. Pre-payments to Domain ($105,000),

b) $24.96 million would be used, as follows:

   i. Payment in full of the Interim Lending Facility ($1.3 million) and *CCAA* secured professional fees ($507,000);

   ii. Purchase and assignment of the CMLS loan and security ($21.3 million) to Newco, thus saving Mr. Reyes from his covenant;

   iii. Fees and various holdbacks ($1.5 million), including a six-month interest reserve for Domain ($851,250); and

   iv. Payment of Break Fee/Expense Reimbursement to Landa and Solterra (total $250,000).

[46] It is quite apparent that the 129 Offer has evolved substantially since May 7, 2021 until its current iteration on June 4, 2021 under the 129 Revised Offer (including by an increased consideration amount). The Monitor confirms that most of the conditions relating to the 129 Revised Offer have now been satisfied, save for customary funding conditions. That was not the case as of May 25, 2021 and, indeed, some conditions were only satisfied on the eve of this hearing.

[47] There are some unique features under the 129 Revised Offer relevant to the existing stakeholder interests:

a) The $16 million in pre-sale contracts are to remain intact (unlike the Landa and Solterra Offers);

b) Subordinate security interests after Domain in first ranking position are: second, 129 as the Junior Lender to hold security in respect of the pre-sale deposits in a sharing arrangement with Aviva; third, Aviva for any balance owed; fourth, 126 for the $2.15 million loan; and fifth, 129 for the balance owed to it. Effectively, this allows Aviva to maintain some hope of recovery under its secured loan as opposed to an immediate exposure of $8.6 million (subject to any recovery against the $8 million cash deposits held) under the Landa/Solterra Offers. Mr. Reyes benefits from this potential reduction or elimination of his personal exposure to Aviva; Ms. Reyes avoids litigation with Aviva over her pre-sale deposit;

c) The proposed structure will not leave the Petitioners with any excess cash. Accordingly, 129 proposes to have 126 advance a further unsecured convertible loan to the Petitioners of up to $750,000 as "working capital", to be converted into some new equity structure of the Petitioners. The Monitor has prepared a cash flow forecast for the next six months to December 2021 indicating funding requirements of approximately $600,000; and

d) Mr. Reyes says that this later conversion of 126's working capital loan will "likely" require the creation of new limited partner units that would have preferential rights over the existing limited partners.

[48] The crux of the issues relating to the 129 Revised Offer lies in the *CCAA* relief that Mr. Reyes and 129 say they must obtain from the Court. They seek the following Court approval and orders, said to be necessary to implement the 129 Revised Offer:

a) an extension of the stay of proceedings to December 11, 2021;

b) Authorization to release the pre-sale deposits to 129 to allow 129 to pay $8 million to CMLS for the purchase and assignment of the CMLS security, to stand as an advance by 129 to the Petitioners secured by the

CMLS security. All of these pre-sale purchasers consent to the release of the deposits;

c) Authorization to borrow up to $750,000 from 126 for the “working capital” loan and approval of the terms of the commitment letter. Contrary to Mr. Reyes’ statement that this would “likely” require a restructuring of the partnership interests, the Court is being asked to bless the commitment letter to seemingly grant 126 the “right, in its sole discretion” to convert the debt into limited partnership units that *will be* preferential to all classes of existing units in the limited partnership;

d) The “Refinancing Transaction” involves granting Court approval to the Petitioners to borrow money from Domain to fund the Interim Lending Facility and repay CMLS in full and take an assignment of the CMLS security, up to $25 million. This “Refinancing” or “New Loan Facility” is to be documented in the usual fashion, with the significant proviso that the Petitioners are authorized to agree to amendments so as to provide that the CMLS security would secure *all obligations* of the Petitioners to both Domain, 126 and 129 (i.e. about $25 million) and stand as a first secured charge on the Project.

[49] In addition, the proposed order sought by Mr. Reyes and 129 would provide significant controls in this *CCAA* proceeding to Domain. Domain may act on its secured loan upon default and without Court approval or oversight; Domain is to be unaffected by any plan of arrangement or proposal; no order can be granted approving interim financing in priority to the New Loan Facility (essentially, the CMLS security, as amended); the Monitor’s enhanced powers are removed; and:

> 15. While the New Loan Facility remains outstanding, no further step shall be taken by the Petitioners in these proceedings without the consent of Domain.

[50] 129 says that the transaction is designed to create an opportunity to secure new construction financing that will allow the Petitioners to repay the New Loan Facility, exit *CCAA* proceedings and ultimately proceed with the Project as intended.

Section 11 of the *CCAA*

[51] 129 brings its application and rests its arguments on s. 11 of the *CCAA* as the jurisdictional basis upon which it asks the Court to grant the relief sought. Section 11 allows the Court a broad discretion to grant relief that is "appropriate in the circumstances." The jurisprudence that assists the Court in addressing the exercise of its discretion under s. 11 is not in dispute.

[52] The court must exercise its discretion with a view to the statutory objectives and remedial purposes of the *CCAA*: *Century Services Ltd. v. Canada (Attorney General)*, 2010 SCC 60 at para. 70:

> …However, the requirements of appropriateness, good faith, and due diligence are baseline considerations that a court should always bear in mind when exercising *CCAA* authority. Appropriateness under the CCAA is assessed by inquiring whether the order sought advances the policy objectives underlying the CCAA. The question is whether the order will usefully further efforts to achieve the remedial purpose of the *CCAA* — avoiding the social and economic losses resulting from liquidation of an insolvent company. I would add that appropriateness extends not only to the purpose of the order, but also to the means it employs. Courts should be mindful that chances for successful reorganizations are enhanced where participants achieve common ground and all stakeholders are treated as advantageously and fairly as the circumstances permit.

[53] The parameters of the Court's discretion were recently discussed in *9354-9186 Québec inc. v. Callidus Capital Corp.*, 2020 SCC 10 [*Callidus*]. At that time, the Court confirmed the fundamental principle that a *CCAA* court must always exercise that discretion toward the statutory policy objectives and that the ability of a court to be innovative and creative in that respect is not "boundless":

> [49] The discretionary authority conferred by the *CCAA*, while broad in nature, is not boundless. This authority must be exercised in furtherance of the remedial objectives of the *CCAA*, which we have explained above (see *Century Services*, at para. 59). Additionally, the court must keep in mind three "baseline considerations" (at para. 70), which the applicant bears the burden of demonstrating: (1) that the order sought is appropriate in the

circumstances, and (2) that the applicant has been acting in good faith and (3) with due diligence (para. 69).

[50] The first two considerations of appropriateness and good faith are widely understood in the *CCAA* context. Appropriateness "is assessed by inquiring whether the order sought advances the policy objectives underlying the *CCAA*" (para. 70). Further, the well-established requirement that parties must act in good faith in insolvency proceedings has recently been made express in s. 18.6 of the *CCAA*, which provides:

…

[65] There is no dispute that the *CCAA* is silent on when a creditor who is otherwise entitled to vote on a plan can be barred from voting. However, *CCAA* supervising judges are often called upon "to sanction measures for which there is no explicit authority in the *CCAA*" (*Century Services*, at para. 61; see also para. 62). In *Century Services*, this Court endorsed a "hierarchical" approach to determining whether jurisdiction exists to sanction a proposed measure: "courts [must] rely first on an interpretation of the provisions of the *CCAA* text before turning to inherent or equitable jurisdiction to anchor measures taken in a *CCAA* proceeding" (para. 65). In most circumstances, a purposive and liberal interpretation of the provisions of the *CCAA* will be sufficient "to ground measures necessary to achieve its objectives" (para. 65).

…

[67] Courts have long recognized that s. 11 of the *CCAA* signals legislative endorsement of the "broad reading of *CCAA* authority developed by the jurisprudence" (*Century Services*, at para. 68). . . .

On the plain wording of the provision, the jurisdiction granted by s. 11 is constrained only by restrictions set out in the *CCAA* itself, and the requirement that the order made be "appropriate in the circumstances".

[68] Where a party seeks an order relating to a matter that falls within the supervising judge's purview, and for which there is no *CCAA* provision conferring more specific jurisdiction, s. 11 necessarily is the provision of first resort in anchoring jurisdiction. As Blair J.A. put it in *Stelco*, s. 11 "for the most part supplants the need to resort to inherent jurisdiction" in the *CCAA* context (para. 36).

…

[70] . . . The exercise of this discretion must further the remedial objectives of the *CCAA* and be guided by the baseline considerations of appropriateness, good faith, and due diligence. This means that, where a creditor is seeking to exercise its voting rights in a manner that frustrates, undermines, or runs counter to those objectives — that is, acting for an "improper purpose" — the supervising judge has the discretion to bar that creditor from voting.

…

[76] Whether this discretion ought to be exercised in a particular case is a circumstance-specific inquiry that must balance the various objectives of the

> *CCAA*. As this case demonstrates, the supervising judge is best-positioned to undertake this inquiry.

> [Underline emphasis added; italic emphasis in original.]

[54] No person appearing on this application disputes that I have the jurisdiction under s. 11 to grant the relief sought by 129. The issue raised by Centura, as a creditor, lienholder and stakeholder of the Petitioners, is whether I *should* exercise that discretion.

[55] Before turning to an analysis under s. 11 of the *CCAA* in relation to what the 129 Revised Offer is, I will first address what the 129 Revised Offer is not.

The 129 Revised Offer is not a redemption

[56] 129 describes the transaction in its application materials as a "redemption financing" and counsel submits that it is "effectively" a redemption of the CMLS mortgage. Centura refers to well-settled law that the right of redemption in these circumstances allows the subordinate mortgagee (Aviva), not the mortgagor (the Petitioners), to redeem the CMLS mortgage by paying it out and taking an assignment of the security: *Classic Mortgage Corporation v. 0768723 B.C. Ltd.*, 2017 BCSC 1100 at paras. 13-16.

[57] This transaction is not a redemption of the CMLS mortgage. The Petitioners are not paying CMLS. Aviva is not paying CMLS, although I acknowledge that Aviva consents to CMLS being paid out by 129/Domain and the assignment of the CMLS mortgage to Domain/Newco. While there are features of this transaction that one might see in a redemption scenario, this is well beyond a redemption by which the CMLS security is simply assigned to Domain. In fact, Domain is not content with the existing terms of the CMLS security; it requires that the terms of the CMLS security be amended.

The 129 Revised Offer is not brought as Interim financing

[58] The proposed transaction is described by Mr. Reyes as a “refinancing”. 129 argues that the “refinancing” allows the Petitioners further “breathing room” to continue their restructuring efforts.

[59] Financing issues in the midst of *CCAA* proceedings are not new and are commonplace. The Court in *Callidus* described the rationale behind interim financing in *CCAA* proceedings:

> [85] Interim financing, despite being expressly provided for in s. 11.2 of the *CCAA*, is not defined in the Act. Professor Sarra has described it as “refer[ring] primarily to the working capital that the debtor corporation requires in order to keep operating during restructuring proceedings, as well as to the financing to pay the costs of the workout process” (*Rescue! The Companies' Creditors Arrangement Act*, at p. 197). Interim financing used in this way — sometimes referred to as “debtor-in-possession” financing — protects the going-concern value of the debtor company while it develops a workable solution to its insolvency issues [Case citation omitted]. That said, interim financing is not limited to providing debtor companies with immediate operating capital. Consistent with the remedial objectives of the *CCAA*, interim financing at its core enables the preservation and realization of the value of a debtor’s assets.

[60] Centura, citing *Callidus,* argues that the proposed transaction is a restructuring that confiscates the rights of subsequent encumbrancers’ (ie. lien holders) and is therefore a “plan of arrangement” which requires approval by the requisite majorities of creditors’. 129 says that the transaction does not seek to compromise any other claims against the Petitioners and argues that the alternative transactions result in a greater shortfall to CMLS and no recovery for any subsequent stakeholders.

[61] In *Callidus*, there was considerable discussion as to whether the imposition of a litigation financing charge to support a litigation funding agreement (LFA) was a plan of arrangement compromising creditors’ rights (requiring a creditor vote) or whether it could be justified as a financing mechanism (para. 102). The Court held that, although the litigation financing charge had the effect of placing certain secured creditors behind the litigation funder, the LFA was not a plan of

arrangement because it did not propose any compromise of the creditors' rights. At para. 111, the Court stated:

> We agree with the supervising judge that the LFA is not a plan of arrangement because it does not propose any compromise of the creditors' rights. To borrow from the Court of Appeal in *Crystallex*, Bluberi's litigation claim is akin to a "pot of gold" (para. 4). Plans of arrangement determine how to distribute that pot. They do not generally determine what a debtor company should do to fill it. The fact that the creditors may walk away with more or less money at the end of the day does not change the nature or existence of their rights to access the pot once it is filled, nor can it be said to "compromise" those rights. When the "pot of gold" is secure — that is, in the event of any litigation or settlement — the net funds will be distributed to the creditors. Here, if the Retained Claims generate funds in excess of Bluberi's total liabilities, the creditors will be paid in full; if there is a shortfall, a plan of arrangement or compromise will determine how the funds are distributed. Bluberi has committed to proposing such a plan (see supervising judge's reasons, at para. 68, distinguishing *Cliffs Over Maple Bay Investments Ltd. v. Fisgard Capital Corp.*, 2008 BCCA 327, 296 D.L.R. (4th) 577).

[62] Having found that the LFA was not a plan of arrangement, the Court held that the supervising judge had the authority to approve those charges without a creditors' vote pursuant to s. 11.2 (para. 114).

[63] 129 (in place of the Petitioners) seeks to authorize the Petitioners to not just refinance the existing debt with the existing priorities, but increase that secured debt against the Project. The net effect of the "refinancing" is to convert the debt under the Interim Lending Facility and the professional fees into the CMLS secured charge and also add millions of dollars of secured debt on the Project (to be accommodated within the increased limit of $25 million).

[64] The New Loan Facility also significantly alters the commercial terms of the CMLS debt and security, including by substantially increasing the interest rate on the secured loan. Without a court order, any modifications to the CMLS security have no effect on existing charges: *Land Title Act*, R.S.B.C. 1996, c. 25, ss. 1 (definitions of "charge" and "encumbrance") and 206(2).

[65] In my view, it is not necessary to make a finding in relation to Centura's arguments that the proposed transaction under the 129 Revised Offer

compromises the rights of the creditors including Centura and goes beyond a "refinancing". Even if the 129 Revised Offer could be characterized as a "refinancing" in these *CCAA* proceedings, another issue arises.

[66] 129 does not seek court approval pursuant to s. 11.2 of the *CCAA*, being the express statutory provision that allows this Court to approve interim financing in *CCAA* proceedings and grant priority over existing secured creditors, such as 129 (on behalf of the Petitioners) proposes here. Further, the Petitioners are not the entities arranging this refinancing and seeking court approval of it. This is an outside party (129) that seeks to refinance the debt. Section 11.2(1) specifically provides that the debtor company may apply for interim financing.

[67] 129 refers to my decision in *League Assets Corp. (Re)*, 2014 BCSC 2589 as authority to approve this complex transaction. That decision involved a complex tax-driven restructuring transaction that had both sale and refinancing aspects. In my view, 129's reliance on this decision is misplaced, as this transaction is quite different. In any event, I would note that I considered the "financing" piece of the *League Assets* transaction and approved it within the context of s. 11.2 of the *CCAA*.

[68] In *Callidus,* as previously noted, the Court upheld the supervising judge's approval of the litigation financing charge pursuant to s. 11.2 (para. 114).

[69] Accordingly, in the event that 129 is correct that this transaction does not compromise Centura's rights and is akin to an interim financing, the requirements of s. 11.2 of the *CCAA* must be considered.

[70] 129, either directly or through the Petitioners, does not make any effort to specifically address and provide a proper evidentiary foundation for the Court's consideration of the various factors under s. 11.2(4) of the *CCAA*. Under s. 11.2(4)(d), the court is to consider "whether the loan would enhance the prospects of a viable compromise or arrangement being made" by the Petitioners. As I will discuss below, no evidence exists that would support a consideration of

this factor. Further, under s. 11.2(4)(g), the court is to consider the Monitor's views. The Monitor outlines the terms of the 129 Revised Offer and its benefits, but does not provide any specific recommendations on the "financing aspects" of it.

[71] In addition, any application under s. 11.2 must be on notice to "secured creditors" who are likely to be affected. I am not aware that proper notice has been given to all of the secured creditors who might be affected by the proposed transaction. Without notice and the opportunity to make submissions, it is difficult to properly assess whether any creditor would be materially prejudiced in consideration of s. 11.2(4)(f). Centura alleges "material" prejudice, noting that despite being presently "out of the money" under its lien, the lien claimants may have a preference that a new developer acquire the Project. Centura argues that, in some instances, suppliers can have leverage aside from their lien claims, including because they are required to sign off on completion for engineering reports and permits, or because their work is sufficiently advanced that hiring a replacement is economically impractical.

[72] I would digress at this point to note that similar difficulties arise with respect to the proposed court approval of the working capital loan to endorse the granting of rights to 126 in relation to the rights of the existing limited partners. I see no basis upon which I might make such an order, under s. 11 or otherwise. I am not aware that notice has been given to these limited partners and they have not agreed to such a provision, such as in a plan of arrangement or compromise that they might have considered and voted upon: *Calpine Canada Energy Limited (Re)*, 2007 ABQB 504 at para. 41.

[73] Again, as already stated, 129 does not seek relief under s. 11.2 of the *CCAA*. 129's counsel only suggests that its "refinancing" is appropriate in disregarding the interests of the other creditors, including the lienholders, since they are currently "out of the money". I agree with 129's counsel's assessment of the likely current monetary value of the other creditor's interests. However, in my

view, that is a very unprincipled basis upon which to argue that this “refinancing” is an “appropriate” outcome in the balancing exercise with regard to all stakeholders.

The 129 Revised Offer is not a sale

[74] The transaction under the 129 Revised Offer is also not described as a sale, akin to what to what Landa and Solterra propose.

[75] As a commercial transaction toward assuming control and effective ownership of the Project, there is nothing objectionable about the business aims under the 129 Revised Offer. Mr. Reyes could have used 129 as a corporate vehicle to purchase the Project — just as Landa and Solterra wish to do — via an outright sale or a RVO structure. In doing so, 129 could have arranged for the Domain financing, by either refinancing the CMLS security or simply paying it out and placing new security on title. In that event, Mr. Reyes could proceed with his vision of completing the Project, just as any other developer might do. That could include keeping the pre-sales in place if he wished and implementing this hopeful side deal with Aviva and the pre-sale purchasers to see if those interests could be resolved in the fullness of time. Mr. Reyes could have advanced a cash offer — given the Domain financing and the use of the pre-sale deposits with the consents — to compete with the offers of Landa and Solterra.

[76] If that had taken place, I cannot see that anyone would quarrel with the structure of the transaction. In essence, Mr. Reyes would be assuming control of the Project and proceeding with his commercial gambit, just as Landa and Solterra propose to do.

[77] However, Mr. Reyes has not put forward the 129 Revised Offer as a “sale” of the Project. Instead, as noted, 129 seeks a suite of relief under the *CCAA*, including approval of an increase of the secured debt against the Project, which will rank in priority over the other encumbrances. Further, 129 seeks to alter the commercial terms of the existing CMLS debt and security including increasing the interest rate on the secured loan. Crucially, as I will explain below, 129 also seeks an extension on the stay of creditors' rights without any indication that it will put

forward a plan of arrangement or compromise on which the Petitioners' creditors may vote.

Is the 129 Revised Offer appropriate in the circumstances?

[78] The anchor on which Mr. Reyes argues that the 129 Revised Offer and extended stay of proceedings is appropriate is the suggestion that it will allow the Petitioners to secure new construction financing to repay the New Loan Facility and proceed with the Project as intended. Mr. Reyes suggests in argument that there is a "realistic prospect" in the future that 129 will be able to secure new construction financing to permit some, or potentially full, recovery by the "Other Creditors".

[79] 129's proposed "Restructuring Plan" is set out in its Notice of Application:

> 27. [129's] offer is a refinancing, it is not seeking to terminate any pre-sale contracts or vest off or compromise any claims against the Petitioners.
>
> 28. The transaction is designed to create an opportunity to secure new construction financing that will allow the Petitioners to repay the New Loan Facility and exit *CCAA* proceedings. As a result, [129's] offer is coupled with an extension to the Stay of Proceedings to allow the Petitioners time to secure new construction financing.
>
> 29. [129] is confident that, following refinancing, the Petitioners will secure new construction financing. The Petitioners are in advanced discussions with at least one lender. Additional lenders have conducted extensive due diligence.
>
> 30. These *CCAA* proceedings have, to date, been focused on repayment of the CLMS Facility. The New Loan Facility, along with cooperation from Domain, will provide the opportunity to shift the focus to a long-term restructuring.
>
> 31. Securing new construction financing requires interim steps that are predicated on having control of the Terrace House Project. The steps include:
>
> (a) Review of all trades and consultants. This includes confirm drawings and specifications with lead consultants, architects and engineers; updating contracts with existing trades and consultants; and replacing contracts as necessary;
>
> (b) Confirm construction schedule and budget;
>
> (c) Renew and extend permits; and
>
> (d) Review and continue pre-sale program. This includes reviewing the existing contracts; engaging new marketing partners

> and sales group, and may require re-drafting the disclosure statement and updated purchase contracts.
>
> 32. Interim working capital will be funded by existing limited partners and new third party investors. This working capital is expected to be in the range of $3 to $5 million, which will be sourced, externally and will not encumber the Lands or other assets.
>
> 33. With control of the Terrace House Project and the breathing room provided by the New Loan Facility, it is estimated that completing the interim steps outlined above and finalizing a term sheet a new construction lender will take 30 to 60 days.
>
> [Emphasis added.]

[80] In essence, 129's plan is to use the proposed six-month stay extension to secure construction financing with the intention then of exiting these *CCAA* proceedings and completing the Project. This makes sense from a business point of view — that way, Mr. Reyes satisfies his obligations to Aviva by allowing the pre-sale purchasers to obtain their units by crediting their deposits, thus avoiding a call on Aviva's deposit insurance.

[81] Centura argues that 129 seeks to implement this "restructuring" transaction without the consent of the affected creditors. Further, Centura says that there is no indication that any party intends to put forward a plan of arrangement or compromise on which the Petitioners' creditors may vote.

[82] Centura says the present circumstances are similar to those considered in *Cliffs Over Maple Bay Investments Ltd. v. Fisgard Capital Corp.*, 2008 BCCA 327. I agree. In that case, the debtor had obtained a *CCAA* stay of proceeding and approval of interim financing to continue to pursue development of a real estate project. There was no suggestion that the debtor intended to propose a plan of arrangement to the creditors (para. 35).

[83] Consistent with the comments in *Callidus* 12 years later, Justice Tysoe emphasized that the imposition of the stay must be consistent with the fundamental statutory objectives of the *CCAA,* including "to facilitate compromises and arrangements between companies and their creditors" as expressed in the statute's long title: *Cliffs Over Maple Bay* at paras. 26-29.

[84] Tysoe J.A. held that a stay was not appropriate in those circumstances, stating:

> [38] … What the Debtor Company was endeavouring to accomplish in this case was to freeze the rights of all of its creditors while it undertook its restructuring plan without giving the creditors an opportunity to vote on the plan. The *CCAA* was not intended, in my view, to accommodate a non-consensual stay of creditors' rights while a debtor company attempts to carry out a restructuring plan that does not involve an arrangement or compromise upon which the creditors may vote.
>
> [Emphasis added.]

[85] In *North American Tungsten Corporation Ltd. (Re)*, 2015 BCSC 1376, this Court stated:

> [26] When granting an extension, it is a prerequisite for the petitioner to provide evidence of what it intends to do in order to demonstrate to the court and stakeholders that extending the proceedings will advance the purpose of the *CCAA*. The debtor company must show that it has at least "a kernel of a plan": *Azure Dynamics Corporation (Re)*, 2012 BCSC 781.

[86] I agree that it is not necessary for a debtor to put forward a fully fleshed out plan of arrangement in order to justify a continuation of the stay in *CCAA* proceedings. What will constitute a "kernel of a plan" will depend on the overall circumstances, including the status of the proceedings.

[87] Centura emphasizes that there is no suggestion — let alone a "kernel of a plan" — anywhere in Mr. Reyes' Affidavits #2, #3 or #4 to support that 129, the Petitioners or any other party intend to put forward a plan of arrangement or compromise on which the Petitioners' creditors may vote. Having reviewed those affidavits carefully, I agree. All Mr. Reyes speaks of is securing the new construction financing and then restructuring the limited partnership interests.

[88] Specifically, there is no evidentiary foundation in Mr. Reyes' Affidavits to support the statement at para. 34 of 129's notice of application that 129 will use the "breathing space" under a further stay of proceedings to "permit some, or potentially full, recovery by Aviva and the Other Creditors".

[89] Centura also points to other issues arising from the feasibility of completing the Project with the pre-sale purchase contracts intact. Centura notes that, even if the "new construction financing" is obtainable, which is speculative at best, Mr. Reyes will also have to solve his liability problems with Aviva in that context. It is anyone's guess that the completion of the Project is still feasible while also allowing for a full credit of over $16 million from the pre-sale deposits (which would reduce sale revenues). There is no evidence as to how that might be addressed.

[90] It is apparent from the entire circumstances here that Mr. Reyes is only seeking to allow *himself* some "breathing space" by borrowing money against the Project, by satisfying or keeping the secured creditors at bay while he seeks a better overall resolution than an outright sale that would crystallize his exposure to CMLS and Aviva. He seemingly requires that this Court assist him in freezing the rights of the Petitioners' creditors while he seeks to do so. There is nothing to suggest that Mr. Reyes is seeking to obtain relief from this Court for the purposes of resolving the current creditor claims against the Petitioners within the context of these *CCAA* proceedings.

[91] In other words, Mr. Reyes seeks the benefit of these proceedings — including the continuation of a stay against all creditors and with the potential for further relief, with the consent of Domain – with no true intention to address those creditor claims in the future.

[92] In all of these circumstances, and for the above reasons, I conclude that the relief sought by 129 is not appropriate, including the stay and the refinancing approvals in 129's draft order. I decline to exercise my statutory discretion under s. 11 of the *CCAA* to grant the requested relief.

WHICH OFFER SHOULD BE APPROVED?

[93] Without the 129 Revised Offer, the remaining issue is what other offers should be considered by the Court and, if appropriate, approved.

[94] Solterra takes the position that the Court should disregard the offers received after May 25, 2021 and that the Court should approve Solterra Offer #1 ($21 million). Solterra argues that it adhered to the sales process implemented by the Monitor and that it would be unfair if the Court approved any other offer. Solterra particularly objects to Landa Offer #2, arguing that Landa Offer #1 essentially stood as a stalking horse bid. Solterra refers to Landa Offer #2 as only slightly "beating" Solterra Offer #1 (about 4%), having had the benefit of disclosure of the price under Solterra Offer #1.

[95] The authority of this Court to approve a sale is found in s. 36 of the *CCAA*. Section 36(3) sets out a list of non-exhaustive factors to be considered by the court:

> a) whether the process leading to the proposed sale or disposition was reasonable in the circumstances;
>
> b) whether the monitor approved the process leading to the proposed sale or disposition;
>
> c) whether the monitor filed with the court a report stating that in their opinion the sale or disposition would be more beneficial to the creditors than a sale or disposition under a bankruptcy;
>
> d) the extent to which the creditors were consulted;
>
> e) the effects of the proposed sale or disposition on the creditors and other interested parties; and
>
> f) whether the consideration to be received for the assets is reasonable and fair, taking into account their market value.

[96] In addition, the parties refer to the principles identified in *Royal Bank v. Soundair Corp.* (1991), 4 O.R. (3d) 1 at 6 (O.N.C.A.) as helpful in considering whether to approve a sale:

> 1. Whether the party conducting the sale made sufficient efforts to obtain the best price and did not act improvidently;
>
> 2. The interests of all parties;
>
> 3. The efficacy and integrity of the process by which offers were obtained; and
>
> 4. Whether there has been any unfairness in the sales process.

[97] Various authorities support that, in considering the test under s. 36 of the *CCAA*, the *Soundair* principles remain relevant and indeed overlap with some of the specific s. 36(3) factors: *Veris Gold Corp. (Re)*, 2015 BCSC 1204 at paras. 22-25; *8450025 Canada Inc. and Teliphone Data Centers Inc. (Re)*, 2017 BCSC 1291 at paras. 9-13.

[98] The tension that exists at this hearing, as commonly arises, is between the twin objectives of 1) fairness in the process and 2) outcome or price with regard to the interests of the Petitioners' stakeholders. In framing the issue in this way, I do not mean to suggest that the test is a simple one to apply. The issues here require a consideration of all the s. 36 factors in these unique and unusual circumstances.

[99] Solterra refers to *Cox v. Seymour Village Management Inc.*, 2015 BCSC 275 and *Bank of Montreal v. Renuka Properties Inc.*, 2015 BCSC 2058.

[100] In *Cox*, I was addressing a sales process in partition and sale proceedings. Solterra in particular relies on my statements concerning the fairness of the process. In that case, an early participant in the sales process had advanced a late bid, said by Solterra to be similar to what it describes as Landa's unfair attempt to re-enter the sales process at a late stage: *Cox* at para. 27-28. At para. 29 in *Cox*, I remarked that late offers may be considered by the Court where the price has been substantially increased such that it is likely "indicative of the fact that the sales process did not work…"

[101] Similarly, in *Renuka*, in a receivership, the Court was considering the results of a sales process and a late bid with a substantially increased offer price. I adopt Justice Blok's statement of two of the general principles arising from *Soundair* that were in issue:

> 4. late offers may be considered by the Court on an application to approve a sale only for the limited purpose of considering whether the price obtained by the receiver was a reasonable one. In some cases a disparity may be so great as to call into question the adequacy of the sale process: *Soundair* at paras. 26 and 30.
>
> 5. the primary interest to be considered by the Court is that of the creditors, and to see that the best possible price is obtained, though the interests of all

> parties, including the debtor and the receiver's recommended purchaser, must also be considered: *Soundair* at paras. 39-40. While the primary concern is the interests of the creditors, as noted earlier a secondary but still important consideration is the integrity of the process. Integrity of the process includes the object of reasonably ensuring that there is certainty and finality in sales by receivers: *Soundair* at paras 42-46.

[102] I would begin by stating that the Monitor's fashioning of the sales process was reasonable in all the circumstances. The SISP had many challenges and the collapse of the Bosa transaction was disappointing indeed. I accept that the Monitor intended that Landa Offer #1 would essentially stand as a stalking horse bid, intended to flush out any further cash offers for the Project. The Monitor's disclosure of Solterra Offer #1 was completely understandable give that it considered that Landa had made its best and final offer in Landa Offer #1.

[103] The Monitor properly brought Landa Offer #2 to the attention of the Court at the May 25, 2021 hearing. However, Landa's submission of Landa Offer #2 certainly has the hallmarks of wanting a "second kick at the can". In my view, Solterra's objection to Landa's approach being unfair has some merit.

[104] However, Solterra's submissions in this respect rests on the proposition that the Court should have approved Solterra Offer #1 on May 25, 2021. I agree that, if on that date, the Court had proceeded to consider both Solterra Offer #1 and Landa Offer #2, the result would likely have been approval of Solterra Offer #1. However, that is not what happened. As I have said, the May 25 date was scheduled for the approval of Landa Offer #1 and an adjournment was required in order to give the parties sufficient time after service of the application materials. In addition, the 129 application was then extant and needed to be addressed in relation to the 129 Offer.

[105] On the issue of fairness, Solterra itself acknowledged in Solterra Offer #1 that there was some chance in the later court approval process that the Court might proceed otherwise than to simply approve that offer. That risk is one taken by every participant in a court approved sale process where the possibility of late bids can arise: *Cox* at para. 25. Solterra very much recognized the risk that its offer

might not be accepted. Solterra would have been aware that the Court may have approved another offer or even directed a continuation of the sales process, perhaps with further sealed bidding. In fact, Solterra Offer #1 provided in clause 8.5 that, if the Court approved another bid, it would be reimbursed for its costs up to $50,000.

[106] Needless to say, the landscape changed quite significantly in the two-week period leading up June 4, 2021. Leaving aside the 129 Revised Offer with its ongoing improvements and removal of subjects, there was further jockeying between Landa and Solterra with their June 4, 2021 offers. In short, the submission of Landa Offer #3 and the Solterra Backup Offer to the Monitor are matters that, in my view, the Court should not ignore in terms of considering the various offers.

[107] I have concluded that, although there has been some unfairness in the sales process in relation to Solterra, it is not appropriate that I approve Solterra Offer #1 at this time. Faced with the substantial interest and increasingly higher bids from both Landa and Solterra leading to May 25, 2021, I may have been inclined to order one last round of sealed bids for Landa and Solterra. However, by and large, Landa and Solterra embarked themselves upon a further sealed bid process leading to the June 8, 2021 hearing.

[108] The Monitor emphasizes in its Confidential Seventh Report that the price under Solterra Backup Offer was increased by a significant sum, in the millions of dollars and well above that of Landa Offer #3. It will satisfy the priority debt - the professional charges and the Interim Lending Facility - and provide almost full payment to CMLS.

[109] The Monitor has not expressed any specific recommendation to the Court in respect of which bids should be considered, or approved, choosing to remain agnostic as between the options open to the Court (including in relation to the 129 Revised Offer with or without a backup offer).

[110] I appreciate that this sales process has charted a very long and crooked path, through no fault of anyone. This is a complex asset and the stakeholder interests are equally complex.

[111] The time has come to end the process. I am satisfied that the Monitor has now explored all available options. Those options have been put before the stakeholders and now the Court. I am also satisfied that Solterra Backup Offer should now be approved as reasonable and indicative of the fair market value of the Project. It is unfortunately a result that does not see any immediate recovery for Aviva, although neither did the 129 Revised Offer. In my view, Solterra Backup Offer represents the best outcome for the stakeholders in all the circumstances.

CONCLUSION

[112] Solterra Backup Offer is approved.

[113] I am also satisfied Solterra Backup Offer should be approved with the RVO structure. No person objected to the sale being completed in this fashion. This is not surprising as it is evident that the RVO structure will garner significant benefits to the stakeholders: *Quest University Canada (Re)*, 2020 BCSC 1883; leave denied *Southern Star Developments Ltd. v. Quest University Canada*, 2020 BCCA 364.

12. The Petitioners shall provide each of the relevant landlords with notice of the Petitioners' intention to remove any fixtures from any leased premises at least seven (7) days prior to the date of the intended removal. 14. Pursuant to Section 7(3)(c) of the *Personal Information Protection and Electronics Documents Act*, S.C. 2000, c. 5 and Section 18(1)(o) of the *Personal Information Protection Act*,

S.B.C. 2003, c. 63, and any regulations promulgated under authority of either Act, as applicable (the "**Relevant Enactment**"), the Petitioners, in the course of these proceedings, are permitted to, and hereby shall, disclose personal information of identifiable individuals in their possession or control to stakeholders, their advisors, prospective investors, financiers, buyers or strategic partners (collectively, "**Third Parties**"), but only to the extent desirable or required to negotiate and complete the Restructuring or to prepare and implement the Plan or transactions for that purpose; provided that the Third Parties to whom such personal information is disclosed enter into confidentiality agreements with the Petitioners binding them in the same manner and to the same extent with respect to the collection, use and disclosure of that information as if they were an organization as defined under the Relevant Enactment, and limiting the use of such information to the extent desirable or required to negotiate or complete the Restructuring or to prepare and implement the Plan or transactions for that purpose, and attorning to the jurisdiction of this Court for the purposes of that agreement. Upon the completion of the use of personal information for the limited purposes set out herein, the Third Parties shall return the personal information to the Petitioners or destroy it. If the Third Parties acquire personal information as part of the Restructuring or the preparation and implementation of the Plan or transactions in furtherance thereof, such Third Parties may, subject to this paragraph and any Relevant Enactment, continue to use the personal information in a manner which is in all respects identical to the prior use thereof by the Petitioner.

15. Until and including June 8, 2020, or such later date as this Court may order (the "**Stay Period**"), no action, suit or proceeding in any court or tribunal (each, a "**Proceeding**") against or in respect of the Petitioners, or Port Capital Development Inc. or Macario (Tobi) Reyes solely in their capacities as a guarantor, covenantor, indemnifier or similar capacity of any of the Petitioners' debts or liabilities, or the Monitor, or affecting the Business or the Property, shall be commenced or continued except with the written consent of the Petitioners and the Monitor or with leave of this Court, and any and all Proceedings currently under way against or in respect of the Petitioners or affecting the Business or the Property are hereby stayed and suspended pending further Order of this Court.

16. During the Stay Period, all rights and remedies of any individual, firm, corporation, governmental body or agency, or any other entities (all of the foregoing, collectively being "**Persons**" and each being a "**Person**") against or in respect of the Petitioners or the Monitor, or affecting the Business or the Property, are hereby stayed and suspended except with the written consent of the Petitioners and the Monitor or leave of this Court.

17. Nothing in this Order, including paragraphs **15** and **16**, shall: (i) empower the Petitioners to carry on any business which the Petitioners are not lawfully entitled to carry on; (ii) affect such investigations, actions, suits or proceedings by a regulatory body as are permitted by Section 11.1 of the CCAA; (iii) prevent the filing of any registration to preserve or perfect a mortgage, charge or security interest (subject to the provisions of Section 39 of the CCAA relating to the priority of statutory Crown securities); or (iv) prevent the registration or filing of a lien or claim for lien or the commencement of a Proceeding to protect lien or other rights that might otherwise be barred or extinguished by the effluxion of time, provided that no further step shall be taken in respect of such lien, claim for lien or Proceeding except for service of the initiating documentation on the Petitioner.

NO INTERFERENCE WITH RIGHTS

18. During the Stay Period, no Person shall discontinue, fail to honour, alter, interfere with, repudiate, terminate or cease to perform any right, renewal right, contract, agreement, licence or permit in favour of or held by the Petitioner, except with the written consent of the Petitioners and the Monitor or leave of this Court.

may be required by the Petitioner, and that the Petitioners shall be entitled to the continued use of their current premises, telephone numbers, facsimile numbers, internet addresses and domain names, provided in each case that the normal prices or charges for all such goods or services received after the Order Date are paid by the Petitioners in accordance with normal payment practices of the Petitioners or such other practices as may be agreed upon by the supplier or service provider and the Petitioners and the Monitor, or as may be ordered by this Court.

20. Notwithstanding any provision in this Order, no Person shall be prohibited from requiring immediate payment for goods, services, use of leased or licensed property or other valuable consideration provided on or after the Order Date, nor shall any Person be under any obligation to advance or re-advance any monies or otherwise extend any credit to the Petitioners on or after the Order Date.         (vi) any other terms or conditions of the Sale Proposal that the Phase 1 Qualified Bidder believes are material to the transaction;

    (c) in the case of an Investment Proposal, it identifies or contains the following:

        (i) a description of how the Phase 1 Qualified Bidder proposes to structure the proposed investment in the Business;

        (ii) the aggregate amount of the equity and/or debt investment to be made in the Business or in the Debtor in Canadian dollars;

(iii) the underlying assumptions regarding the pro forma capital structure;

(iv) a specific indication of the sources of capital for the Phase 1 Qualified Bidder and the structure and financing of the transaction;

(v) a description of the conditions and approvals required for a final and binding offer;

(vi) an outline of any additional due diligence required to be conducted in order to submit a final and binding offer;

(vii) all conditions to closing that the Phase 1 Qualified Bidder may wish to impose; and

(viii) any other terms or conditions of the Investment Proposal that the Phase 1 Qualified Bidder believes are material to the transaction;

(d) in the case of either a Sale Proposal or an Investment Proposal, it contains such other information as reasonably requested by the Debtor and/or the Sale Advisor from time to time.

20. The Monitor may, in consultation with the Secured Creditors and the Debtor waive compliance with any one or more of the requirements specified above and deem such non-compliant bids to be a Qualified Agreement. For the avoidance of doubt, the completion of any Sale Proposal or Investment Proposal shall be subject to the approval of the Court and the requirement of approval of the Court may not be waived.

Preliminary Assessment of Phase 1 Bids and Subsequent Process

21. Following the Phase 1 Bid Deadline, the Monitor will, in consultation with the Secured Creditors and the Debtor, assess the Qualified Agreements. If it is determined by the Monitor that a Phase 1 Qualified Bidder that has submitted a Qualified Agreement (i) has a *bona fide* interest in completing a Sale Proposal or Investment Proposal (as the case may be); and (ii) has the financial capability (based on availability of financing, experience and other considerations) to consummate such a transaction based on the financial information provided, then such Phase 1 Qualified Bidder will be deemed a "**Phase 2 Qualified Bidder**", provided that the Monitor may, in its reasonable business judgment, in consultation with the Secured Creditors and the Debtor, limit the number of Phase 2 Qualified Bidders (and thereby eliminate some Phase 1 Qualified Bidders from the process). Only Phase 2 Qualified Bidders shall be permitted to proceed to Phase 2 of the SISP.

22. As part of the assessment of Qualified Agreements and the determination of the process subsequent thereto, the Monitor, in consultation with the Secured Creditors and the Debtor, shall determine the process and timing to be followed in pursuing Qualified Agreements based on such factors and circumstances as they consider appropriate in the circumstances including, but not limited to: (i) the number of Qualified Agreements received; (ii) the extent to which the Qualified Agreements involve Investment Proposals or Sales Proposals; (iii) the scope of the Property or Business to which any Qualified Agreements may relate; and (iv) whether to proceed by way of sealed bid or auction (with or without a stalking horse bidder) with respect to the Property, all provided that in the event that, prior to the determination of the manner of proceeding to Phase 2 of the SISP, the Monitor or the Debtor has received a proposal to refinance the secured debt owing to CMLS Financial Ltd. satisfactory to CMLS Financial Ltd. then the Monitor may determine to discontinue the SISP upon completion of such refinancing.

23. Upon the determination by the Monitor of the manner in which to proceed to Phase 2 of the SISP, and provided that the SISP is not discontinued, the Monitor will prepare a bid process letter for Phase 2 (the "**Bid Process Letter**"), which will be sent to all Phase 2 Qualified Bidders who are invited to participate in Phase 2.

24. Notwithstanding the process and deadlines outlined above with respect to Phase 1 of the SISP and the process to supplement Phase 2 by way of the Bid Process Letter, the Monitor may, in consultation with the Secured Creditors and the Debtor, at any time bring an application to seek approval of a stalking horse asset purchase agreement or investment proposal in respect of some or all of the Property or Business and related bid procedures in respect of such Property or to establish further or other procedures for the SISP.

Due Diligence

25. The Monitor shall in its reasonable business judgment and subject to competitive and other business considerations, afford each Phase 2 Qualified Bidder such access to due diligence materials through the Data Room and information relating to the Property and Business as they deem appropriate. Due diligence access may further include management presentations, on-site inspections, and other matters which a Phase 2 Qualified Bidder may reasonably request and to which the Monitor and/or Debtor, in their reasonable business judgment, may agree. The Monitor and Debtor will designate a representative to coordinate all reasonable requests for additional information and due diligence access from Phase 2 Qualified Bidders and the manner in which such requests must be communicated. Neither the Monitor nor the Debtor will be obligated to furnish any information relating to the Property or Business to any person. Further and for the avoidance of doubt, selected due diligence materials may be withheld from certain Phase 2 Qualified Bidders if the Monitor determines such information to represent proprietary or sensitive competitive information.

Phase 2: Formal Offers and Selection of Successful Bidder

26. Paragraphs 27 to 39 below and the conduct of Phase 2 bidding are subject to paragraphs 21 to 24, above, and any adjustments made to Phase 2 in accordance with the Bid Process Letter and any further Court order regarding the SISP.

Formal Binding Offers

27. Phase 2 Qualified Bidders that wish to make a formal offer to purchase or make an investment in the Debtor or its Property and Business shall submit to the Monitor or its Agent (if any) a binding offer at the addresses specified in the Bid Process Letter, so as to be received by not later than 5:00 PM (Vancouver Time) on **August 7, 2020**, or such later date as the Monitor may determine after consultation with the Secured Creditors and the Debtor (the "**Phase 2 Bid Deadline**"). If the Phase 2 Bid Deadline is extended by the Monitor, it shall provide notice of such extension and the revised Phase 2 Bid Deadline to each Phase 2 Qualified Bidder. The binding offer shall comply with all of the following requirements:

    (a) the bid shall comply with all of the requirements set forth in respect of Phase 1 Qualified Agreements;

    (b) cash is the preferred form of consideration, but if the bid utilizes other consideration, a description of the material terms of the consideration shall be provided;

    (c) the bid (either individually or in combination with other bids that make up one bid) is an offer to purchase or make an investment in some or all of the Property or Business on terms and conditions reasonably acceptable to the Monitor;

(d) unless otherwise agreed, the bid shall be set forth in a duly authorized and executed transaction agreement in the Agreement Form and shall include a letter stating that the Phase 2 Qualified Bidder's offer is irrevocable until the selection of the Successful Bidder (as defined below), provided that if such Phase 2 Qualified Bidder is selected as the Successful Bidder, its offer shall remain irrevocable until the closing of the transaction with the Successful Bidder;

(e) the bid shall set forth the purchase price, investment amount and any other key economic terms expressed in Canadian dollars (the "**Purchase Price**"), together with all exhibits and schedules thereto, and the name or names of the ultimately beneficial owner(s) of the Phase 2 Qualified Bidder including their respective percentage interests;

(f) to the extent that a bid is conditional upon new or amended agreements being entered into with other parties, the Qualified Phase 2 Bidder shall provide the proposed terms of such amended or new agreements and identify how such agreements may differ from existing agreements to which the Debtor may be a party. A Phase 2 Qualified Bidder's willingness to proceed without such conditions and, where such conditions are included in the bid, the likelihood of satisfying such conditions, shall be an important factor in evaluating the bid;

(g) the bid includes written evidence of a firm, irrevocable commitment for financing or other evidence of ability to consummate the proposed transaction that will allow the Monitor, in consultation with the Secured Creditors and the Debtor, to make a determination as to the Phase 2 Qualified Bidder's financial and other capabilities to consummate the proposed transaction;

(h) the bid should not be conditioned on the outcome of unperformed due diligence by the Phase 2 Qualified Bidder, apart from, to the extent applicable, to the disclosure of due diligence materials that represent proprietary or sensitive competitive information which was withheld in Phase 2 from the Phase 2 Qualified Bidder;

(i) for a Sales Proposal or an Investment Proposal, the bid includes a commitment by the Phase 2 Qualified Bidder to provide a deposit in the amount of not less than 10% of the purchase price or investment contemplated in the bid upon the Phase 2 Qualified Bidder being selected as the Successful Bidder, which shall be paid to the Monitor in trust (the "**Deposit**"). The Deposit shall be submitted upon the Phase 2 Qualified Bidder being selected as the Successful Bidder. The Successful Bidder's Deposit shall be applied as against the Purchase Price;

(j) the bid includes acknowledgments and representations of the Phase 2 Qualified Bidder that: (i) it has had an opportunity to conduct any and all due diligence regarding the Property, Business and the Debtor prior to making its offer (apart from, to the extent applicable, the disclosure of due diligence materials that represent proprietary or sensitive competitive information which were withheld in Phase 2 from the Phase 2 Qualified Bidder); (ii) it has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Property in making its bid; and (iii) it did not rely upon any written or oral statements, representations, warranties, or guarantees whatsoever made by the Monitor or any of its employees, representatives, agents or advisors, whether express, implied, statutory or otherwise, regarding the Business, Property, or the Debtor or the accuracy or completeness of any information provided in connection therewith, except as expressly stated in the definitive transaction agreement(s) signed by the Monitor;

(k) all required corporate approvals of the Phase 2 Qualified Bidder have been obtained prior to the submission of the bid;

(l) the bid shall identify any material conditions in favour of the purchaser to be resolved prior to closing the transaction;

(m) the bid is received by the relevant Phase 2 Bid Deadline; and

(n) the bid contemplates a schedule for closing the transaction set out therein which is on or before August 31, 2020**,** which date may be extended by the Monitor in its discretion, following consultation with the Secured Creditors and the Debtor (the "**Closing Date**").

28. Following the Phase 2 Bid Deadline, the Monitor, in consultation with the Secured Creditors and the Debtor, will assess the Phase 2 bids received. The Monitor will designate the most competitive bids that comply with the foregoing requirements to be "**Qualified Bids**". Only Phase 2 Qualified Bidders whose bids have been designated as Qualified Bids are eligible to become the Successful Bidder(s).

29. The Monitor, in consultation with the Secured Creditors and the Debtor may waive strict compliance with any one or more of the requirements specified above and deem such non-compliant bids to be a Phase 2 Qualified Bid.

30. The Monitor shall notify each Phase 2 Qualified Bidder in writing as to whether its bid constitutes a Phase 2 Qualified Bid within three (3) business days of the Phase 2 Bid Deadline, or at such later time as the Debtor and the Sale Advisor deem appropriate.

31. The Monitor may, in consultation with the Secured Creditors and the Debtor, remove any of the Property and the Business of the Debtor from the SISP at any time.

32. The Monitor may, in consultation with the Secured Creditors and the Lender, terminate, at any time, further participation in the Phase 2 Bid Process by any interested party, or to modify dates or procedures as deemed appropriate or necessary, or to terminate the process.

33. The Monitor may aggregate separate bids from unaffiliated Phase 2 Qualified Bidders to create one or more "Qualified Bid".

Evaluation of Competing Bids

34. A Phase 2 Qualified Bid will be evaluated based upon several factors, including, without limitation, items such as the Purchase Price and the net value and form of consideration to be paid provided by such bid, the identity, circumstances and ability of the Phase 2 Qualified Bidder to successfully complete such transactions, including, any conditions attached to the bid and the expected feasibility of conditions, the proposed transaction documents, factors affecting the speed, certainty and value of the transaction, the assets included or excluded from the bid, any related restructuring costs, and the likelihood and timing of consummating such transactions, and the ability of the bidder to finance and ultimately consummate the proposed transaction within the timeline established by the Monitor, each as determined by the Monitor in consultation with the Debtor and the Secured Creditors.

Selection of Successful Bid

35. The Monitor: (a) will review and evaluate each Phase 2 Qualified Bid, in consultation with the Debtor and the Secured Creditors, and the applicable Phase 2 Qualified Bidder, and such Phase 2 Qualified Bid may be amended, modified or varied as a result of such negotiations, and (b) will identify the highest or otherwise best bid (the "**Successful Bid**"), and the Phase 2 Qualified Bidder making such Successful Bid (the "**Successful Bidder**") for the Property or the Business in whole or part. The determination of any Successful Bid by the Debtor shall be subject to approval by the Court.

36. The Monitor shall have no obligation to identify a Successful Bid, and reserves the right, after consultation with the Debtor and the Secured Creditors, to reject any or all Phase 2 Qualified Bids.

37. The Monitor, in consultation with the Debtor and the Secured Creditors, may bring one of the Phase 2 Qualified Bids to Court for approval, or may conduct an auction among two or more of the Phase 2 Qualified Bidders and bring the highest auction bid to Court for approval.

Sale Approval Motion Hearing

38. At the hearing of the motion to approve any transaction with a Successful Bidder (the "**Sale Approval Application**") the Monitor shall seek, among other things, approval from the Court to consummate any Successful Bid. All the Phase 2 Qualified Bids other than the Successful Bid, if any, shall be deemed rejected by the Monitor on and as of the date of approval of the Successful Bid by the Court.

Confidentiality and Access to Information

39. Participants and prospective participants in the SISP shall not be permitted to receive any information that is not made generally available to all participants relating to the number or identity of Potential Bidders, Phase 1 Qualified Bidders, Agreements, Phase 2 Qualified Bidders, Phase 2 Qualified Bids, the details of any bids submitted or the details of any confidential discussions or correspondence between the Monitor and the Debtor and such other bidders or Potential Bidders in connection with the SISP. The Monitor may, however, with the consent of the applicable participants, disclose such information to other bidders for the purpose of seeking to combine separate bids from Phase 1 Qualified Bidders or Phase 2 Qualified Bidders.

40. It is not currently contemplated that any director, officer or senior management employee of the Debtor as of the date of the Initial Order ("**Management**") will have any interest in any Phase 1 Qualified Bidder or Phase 2 Qualified Bidder, including any economic, employment, contractual or other interest in such Phase 1 Qualified Bidder or Phase 2 Qualified Bidder. If any Management has or acquires any such interest in a Phase 1 Qualified Bidder or Phase 2 Qualified Bidder, it shall promptly disclose such interest to the Monitor. Upon being informed of such interest, the Monitor shall take such actions as its deems appropriate to preserve the integrity of the SISP in light of such interest, which actions may include placing restrictions on the information disclosed to such person in connection with the SISP and competing bids and bidders.

16. Until and including September 3, 2020 or such later date as this Court may order (the "**Stay Period**"), no action, suit or proceeding in any court or tribunal (each, a "**Proceeding**") against or in respect of the Petitioners, or Port Capital Development Inc. or Macario (Tobi) Reyes solely in their capacities as a guarantor, covenantor, indemnifier or similar capacity of any of the Petitioners' debts or liabilities, or the Monitor, or affecting the Business or the Property,

11. The Monitor or its Agent (if any) will send the CIM and grant access to the Data Room to those parties who have executed and delivered the NDA to the Monitor or its Agent (if any).

12. Requests for information and access will be directed to a designated representative of the Monitor or the Agent (if any). Without limiting the terms of the NDA, all printed information shall remain the property of the Monitor or the Debtor as the case may be and, if requested by the Monitor, shall be returned without further copies being made and/or destroyed with an acknowledgement that all such material has either been returned and/or destroyed and no electronic information has been retained.

13. Any party who expresses a wish to participate in the SISP (a "**Potential Bidder**") must, prior to being given any additional information such as the CIM and access to the Data Room, provide to the Monitor and the Debtor an NDA executed by it, and which shall inure to the benefit of any ultimate Successful Bidder, and a letter setting forth the identity of the Potential Bidder, the contact information for such Potential Bidder and full disclosure of the direct and indirect principals of the Potential Bidder.

14. If it is determined by the Monitor in consultation with the Secured Creditors and the Debtor and in the Monitor's reasonable business judgment that a Potential Bidder: (i) has delivered the documents contemplated in paragraph 13 above then such Potential Bidder will be deemed to be a "**Phase 1 Qualified Bidder**".

OFFER SUBMISSION AND EVALUATION STAGE

Phase 1: Non-Binding Agreement

Submission Phase

15. At any time prior to the Phase 1 Bid Deadline, the Monitor, in consultation with the Secured Creditors and the Debtor may in their reasonable business judgment, eliminate a Phase 1 Qualified Bidder from the SISP, in which case such bidder will no longer be a Phase 1 Qualified Bidder for the purposes of the SISP.

16. Potential Bidders must rely solely on their own independent review, investigation and/or inspection of all information and of the Property and Business in connection with their participation in the SISP and any transaction they enter into with the Monitor.

17. Phase 1 Qualified Bidders who advise the Monitor or its Agent (if any) that they wish to submit an offer will be provided with a copy of the Agreement Form.

18. A Phase 1 Qualified Bidder who wishes to pursue the Opportunity further must deliver an Agreement to the Monitor or its Agent (if any) at the addresses which will be Debtor and the specified in the Teaser Letter, so as to be received by not later than 5:00 PM (Vancouver time) on or before **July 10, 2020**, or such later date as the Monitor may determine after consultation with the Secured Creditors and the Debtor (the "**Phase 1 Bid Deadline**"). If the Phase 1 Bid Deadline is extended by the Monitor, it shall provide notice of such extension and the revised Phase 1 Bid Deadline to each Phase 1 Qualified Bidder.

19. An Agreement submitted in accordance with above paragraph will be considered a qualified Agreement (a "**Qualified Agreement**") only if:

    (a) it is submitted on or before the relevant Phase 1 Bid Deadline by a Phase 1 Qualified Bidder;

    (b) in the case of a Sale Proposal, it identifies or contains the following:

        (i) the purchase price, in Canadian dollars, including details of any liabilities to be assumed by the Phase 1 Qualified Bidder and any assumptions supporting the valuation;

        (ii) a description of the Property that is expected to be subject to the transaction and any of the Property expected to be excluded;

        (iii) a specific indication of the financial capability, together with evidence of such capability, of the Phase l Qualified Bidder and the expected structure and financing of the transaction;

        (iv) a description of the conditions and approvals required for a final and binding offer;

        (v) an outline of any additional due diligence required to be conducted in order to submit a final and binding offer; and

        (vi) any other terms or conditions of the Sale Proposal that the Phase 1 Qualified Bidder believes are material to the transaction;

    (c) in the case of an Investment Proposal, it identifies or contains the following:

        (i) a description of how the Phase 1 Qualified Bidder proposes to structure the proposed investment in the Business;

        (ii) the aggregate amount of the equity and/or debt investment to be made in the Business or in the Debtor in Canadian dollars;

(iii) the underlying assumptions regarding the pro forma capital structure;

(iv) a specific indication of the sources of capital for the Phase 1 Qualified Bidder and the structure and financing of the transaction;

(v) a description of the conditions and approvals required for a final and binding offer;

(vi) an outline of any additional due diligence required to be conducted in order to submit a final and binding offer;

(vii) all conditions to closing that the Phase 1 Qualified Bidder may wish to impose; and

(viii) any other terms or conditions of the Investment Proposal that the Phase 1 Qualified Bidder believes are material to the transaction;

(d) in the case of either a Sale Proposal or an Investment Proposal, it contains such other information as reasonably requested by the Debtor and/or the Sale Advisor from time to time.

20. The Monitor may, in consultation with the Secured Creditors and the Debtor waive compliance with any one or more of the requirements specified above and deem such non-compliant bids to be a Qualified Agreement. For the avoidance of doubt, the completion of any Sale Proposal or Investment Proposal shall be subject to the approval of the Court and the requirement of approval of the Court may not be waived.

Preliminary Assessment of Phase 1 Bids and Subsequent Process

21. Following the Phase 1 Bid Deadline, the Monitor will, in consultation with the Secured Creditors and the Debtor, assess the Qualified Agreements. If it is determined by the Monitor that a Phase 1 Qualified Bidder that has submitted a Qualified Agreement (i) has a *bona fide* interest in completing a Sale Proposal or Investment Proposal (as the case may be); and (ii) has the financial capability (based on availability of financing, experience and other considerations) to consummate such a transaction based on the financial information provided, then such Phase 1 Qualified Bidder will be deemed a "**Phase 2 Qualified Bidder**", provided that the Monitor may, in its reasonable business judgment, in consultation with the Secured Creditors and the Debtor, limit the number of Phase 2 Qualified Bidders (and thereby eliminate some Phase 1 Qualified Bidders from the process). Only Phase 2 Qualified Bidders shall be permitted to proceed to Phase 2 of the SISP.

22. As part of the assessment of Qualified Agreements and the determination of the process subsequent thereto, the Monitor, in consultation with the Secured Creditors and the Debtor, shall determine the process and timing to be followed in pursuing Qualified Agreements based on such factors and circumstances as they consider appropriate in the circumstances including, but not limited to: (i) the number of Qualified Agreements received; (ii) the extent to which the Qualified Agreements involve Investment Proposals or Sales Proposals; (iii) the scope of the Property or Business to which any Qualified Agreements may relate; and (iv) whether to proceed by way of sealed bid or auction (with or without a stalking horse bidder) with respect to the Property, all provided that in the event that, prior to the determination of the manner of proceeding to Phase 2 of the SISP, the Monitor or the Debtor has received a proposal to refinance the secured debt owing to CMLS Financial Ltd. satisfactory to CMLS Financial Ltd. then the Monitor may determine to discontinue the SISP upon completion of such refinancing.

23. Upon the determination by the Monitor of the manner in which to proceed to Phase 2 of the SISP, and provided that the SISP is not discontinued, the Monitor will prepare a bid process letter for Phase 2 (the "**Bid Process Letter**"), which will be sent to all Phase 2 Qualified Bidders who are invited to participate in Phase 2.

24. Notwithstanding the process and deadlines outlined above with respect to Phase 1 of the SISP and the process to supplement Phase 2 by way of the Bid Process Letter, the Monitor may, in consultation with the Secured Creditors and the Debtor, at any time bring an application to seek approval of a stalking horse asset purchase agreement or investment proposal in respect of some or all of the Property or Business and related bid procedures in respect of such Property or to establish further or other procedures for the SISP.

Due Diligence

25. The Monitor shall in its reasonable business judgment and subject to competitive and other business considerations, afford each Phase 2 Qualified Bidder such access to due diligence materials through the Data Room and information relating to the Property and Business as they deem appropriate. Due diligence access may further include management presentations, on-site inspections, and other matters which a Phase 2 Qualified Bidder may reasonably request and to which the Monitor and/or Debtor, in their reasonable business judgment, may agree. The Monitor and Debtor will designate a representative to coordinate all reasonable requests for additional information and due diligence access from Phase 2 Qualified Bidders and the manner in which such requests must be communicated. Neither the Monitor nor the Debtor will be obligated to furnish any information relating to the Property or Business to any person. Further and for the avoidance of doubt, selected due diligence materials may be withheld from certain Phase 2 Qualified Bidders if the Monitor determines such information to represent proprietary or sensitive competitive information.

Phase 2: Formal Offers and Selection of Successful Bidder

26. Paragraphs 27 to 39 below and the conduct of Phase 2 bidding are subject to paragraphs 21 to 24, above, and any adjustments made to Phase 2 in accordance with the Bid Process Letter and any further Court order regarding the SISP.

Formal Binding Offers

27. Phase 2 Qualified Bidders that wish to make a formal offer to purchase or make an investment in the Debtor or its Property and Business shall submit to the Monitor or its Agent (if any) a binding offer at the addresses specified in the Bid Process Letter, so as to be received by not later than 5:00 PM (Vancouver Time) on **August 7, 2020**, or such later date as the Monitor may determine after consultation with the Secured Creditors and the Debtor (the "**Phase 2 Bid Deadline**"). If the Phase 2 Bid Deadline is extended by the Monitor, it shall provide notice of such extension and the revised Phase 2 Bid Deadline to each Phase 2 Qualified Bidder. The binding offer shall comply with all of the following requirements:

    (a) the bid shall comply with all of the requirements set forth in respect of Phase 1 Qualified Agreements;

    (b) cash is the preferred form of consideration, but if the bid utilizes other consideration, a description of the material terms of the consideration shall be provided;

    (c) the bid (either individually or in combination with other bids that make up one bid) is an offer to purchase or make an investment in some or all of the Property or Business on terms and conditions reasonably acceptable to the Monitor;

(d) unless otherwise agreed, the bid shall be set forth in a duly authorized and executed transaction agreement in the Agreement Form and shall include a letter stating that the Phase 2 Qualified Bidder's offer is irrevocable until the selection of the Successful Bidder (as defined below), provided that if such Phase 2 Qualified Bidder is selected as the Successful Bidder, its offer shall remain irrevocable until the closing of the transaction with the Successful Bidder;

(e) the bid shall set forth the purchase price, investment amount and any other key economic terms expressed in Canadian dollars (the "**Purchase Price**"), together with all exhibits and schedules thereto, and the name or names of the ultimately beneficial owner(s) of the Phase 2 Qualified Bidder including their respective percentage interests;

(f) to the extent that a bid is conditional upon new or amended agreements being entered into with other parties, the Qualified Phase 2 Bidder shall provide the proposed terms of such amended or new agreements and identify how such agreements may differ from existing agreements to which the Debtor may be a party. A Phase 2 Qualified Bidder's willingness to proceed without such conditions and, where such conditions are included in the bid, the likelihood of satisfying such conditions, shall be an important factor in evaluating the bid;

(g) the bid includes written evidence of a firm, irrevocable commitment for financing or other evidence of ability to consummate the proposed transaction that will allow the Monitor, in consultation with the Secured Creditors and the Debtor, to make a determination as to the Phase 2 Qualified Bidder's financial and other capabilities to consummate the proposed transaction;

(h) the bid should not be conditioned on the outcome of unperformed due diligence by the Phase 2 Qualified Bidder, apart from, to the extent applicable, to the disclosure of due diligence materials that represent proprietary or sensitive competitive information which was withheld in Phase 2 from the Phase 2 Qualified Bidder;

(i) for a Sales Proposal or an Investment Proposal, the bid includes a commitment by the Phase 2 Qualified Bidder to provide a deposit in the amount of not less than 10% of the purchase price or investment contemplated in the bid upon the Phase 2 Qualified Bidder being selected as the Successful Bidder, which shall be paid to the Monitor in trust (the "**Deposit**"). The Deposit shall be submitted upon the Phase 2 Qualified Bidder being selected as the Successful Bidder. The Successful Bidder's Deposit shall be applied as against the Purchase Price;

(j) the bid includes acknowledgments and representations of the Phase 2 Qualified Bidder that: (i) it has had an opportunity to conduct any and all due diligence regarding the Property, Business and the Debtor prior to making its offer (apart from, to the extent applicable, the disclosure of due diligence materials that represent proprietary or sensitive competitive information which were withheld in Phase 2 from the Phase 2 Qualified Bidder); (ii) it has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Property in making its bid; and (iii) it did not rely upon any written or oral statements, representations, warranties, or guarantees whatsoever made by the Monitor or any of its employees, representatives, agents or advisors, whether express, implied, statutory or otherwise, regarding the Business, Property, or the Debtor or the accuracy or completeness of any information provided in connection therewith, except as expressly stated in the definitive transaction agreement(s) signed by the Monitor;

(k) all required corporate approvals of the Phase 2 Qualified Bidder have been obtained prior to the submission of the bid;

(l) the bid shall identify any material conditions in favour of the purchaser to be resolved prior to closing the transaction;

(m) the bid is received by the relevant Phase 2 Bid Deadline; and

(n) the bid contemplates a schedule for closing the transaction set out therein which is on or before August 31, 2020**,** which date may be extended by the Monitor in its discretion, following consultation with the Secured Creditors and the Debtor (the "**Closing Date**").

28. Following the Phase 2 Bid Deadline, the Monitor, in consultation with the Secured Creditors and the Debtor, will assess the Phase 2 bids received. The Monitor will designate the most competitive bids that comply with the foregoing requirements to be "**Qualified Bids**". Only Phase 2 Qualified Bidders whose bids have been designated as Qualified Bids are eligible to become the Successful Bidder(s).

29. The Monitor, in consultation with the Secured Creditors and the Debtor may waive strict compliance with any one or more of the requirements specified above and deem such non-compliant bids to be a Phase 2 Qualified Bid.

30. The Monitor shall notify each Phase 2 Qualified Bidder in writing as to whether its bid constitutes a Phase 2 Qualified Bid within three (3) business days of the Phase 2 Bid Deadline, or at such later time as the Debtor and the Sale Advisor deem appropriate.

31. The Monitor may, in consultation with the Secured Creditors and the Debtor, remove any of the Property and the Business of the Debtor from the SISP at any time.

32. The Monitor may, in consultation with the Secured Creditors and the Lender, terminate, at any time, further participation in the Phase 2 Bid Process by any interested party, or to modify dates or procedures as deemed appropriate or necessary, or to terminate the process.

33. The Monitor may aggregate separate bids from unaffiliated Phase 2 Qualified Bidders to create one or more "Qualified Bid".

Evaluation of Competing Bids

34. A Phase 2 Qualified Bid will be evaluated based upon several factors, including, without limitation, items such as the Purchase Price and the net value and form of consideration to be paid provided by such bid, the identity, circumstances and ability of the Phase 2 Qualified Bidder to successfully complete such transactions, including, any conditions attached to the bid and the expected feasibility of conditions, the proposed transaction documents, factors affecting the speed, certainty and value of the transaction, the assets included or excluded from the bid, any related restructuring costs, and the likelihood and timing of consummating such transactions, and the ability of the bidder to finance and ultimately consummate the proposed transaction within the timeline established by the Monitor, each as determined by the Monitor in consultation with the Debtor and the Secured Creditors.

Selection of Successful Bid

35. The Monitor: (a) will review and evaluate each Phase 2 Qualified Bid, in consultation with the Debtor and the Secured Creditors, and the applicable Phase 2 Qualified Bidder, and such Phase 2 Qualified Bid may be amended, modified or varied as a result of such negotiations, and (b) will identify the highest or otherwise best bid (the "**Successful Bid**"), and the Phase 2 Qualified Bidder making such Successful Bid (the "**Successful Bidder**") for the Property or the Business in whole or part. The determination of any Successful Bid by the Debtor shall be subject to approval by the Court.

36. The Monitor shall have no obligation to identify a Successful Bid, and reserves the right, after consultation with the Debtor and the Secured Creditors, to reject any or all Phase 2 Qualified Bids.

37. The Monitor, in consultation with the Debtor and the Secured Creditors, may bring one of the Phase 2 Qualified Bids to Court for approval, or may conduct an auction among two or more of the Phase 2 Qualified Bidders and bring the highest auction bid to Court for approval.

Sale Approval Motion Hearing

38. At the hearing of the motion to approve any transaction with a Successful Bidder (the "**Sale Approval Application**") the Monitor shall seek, among other things, approval from the Court to consummate any Successful Bid. All the Phase 2 Qualified Bids other than the Successful Bid, if any, shall be deemed rejected by the Monitor on and as of the date of approval of the Successful Bid by the Court.

Confidentiality and Access to Information

39. Participants and prospective participants in the SISP shall not be permitted to receive any information that is not made generally available to all participants relating to the number or identity of Potential Bidders, Phase 1 Qualified Bidders, Agreements, Phase 2 Qualified Bidders, Phase 2 Qualified Bids, the details of any bids submitted or the details of any confidential discussions or correspondence between the Monitor and the Debtor and such other bidders or Potential Bidders in connection with the SISP. The Monitor may, however, with the consent of the applicable participants, disclose such information to other bidders for the purpose of seeking to combine separate bids from Phase 1 Qualified Bidders or Phase 2 Qualified Bidders.

40. It is not currently contemplated that any director, officer or senior management employee of the Debtor as of the date of the Initial Order ("**Management**") will have any interest in any Phase 1 Qualified Bidder or Phase 2 Qualified Bidder, including any economic, employment, contractual or other interest in such Phase 1 Qualified Bidder or Phase 2 Qualified Bidder. If any Management has or acquires any such interest in a Phase 1 Qualified Bidder or Phase 2 Qualified Bidder, it shall promptly disclose such interest to the Monitor. Upon being informed of such interest, the Monitor shall take such actions as its deems appropriate to preserve the integrity of the SISP in light of such interest, which actions may include placing restrictions on the information disclosed to such person in connection with the SISP and competing bids and bidders.

    b) the DIP Lender's Charge in the amount of $1,500,000.

7. The Stay Period has been extended from time-to-time and the current Stay Period expires on May 4, 2021.

8. The Monitor has previously filed five reports in these CCAA proceedings: the "**Proposed Monitor's Report**", the "**First Report**", the "**Second Report**", the "**Third Report**", and the "**Fourth Report**". These reports are posted on the Monitor's website at www.ey.com/ca/terracehouse.

9. The purpose of this "**Fifth Report**" is to provide information to this Honourable Court with respect to the following:

    a) an update on the SISP;

    b) the Landa PSA (as defined herein);

    c) an updated cash flow forecast for the Petitioners;

    d) the request for an extension to the Stay Period to June 11, 2021; and

    e) the Monitor's conclusions and recommendation.

CONDENSED BACKGROUND INFORMATION

10. The background of the Terrace House Project and the causes of insolvency for the Petitioners is detailed in the previous reports the Monitor has prepared for this Honourable Court and are not repeated herein.

11. CMLS Financial Ltd ("**CMLS**" or the "**Construction Lender**") is the Terrace House Project's construction lender pursuant to a commitment letter dated July 4, 2019 (the "**Construction Loan**"). The Construction Loan is secured by, among other things, a first ranking mortgage against the Terrace House Project. The indebtedness on the Construction Loan was approximately $20.1 million at the start of the within proceedings.

12. Desjardins Financial Security Life Assurance Company (the "**DIP Lender**") has provided the Petitioners access to a debtor-in-possession financing facility (the "**DIP Facility**"). As of the date of this report, the Petitioners have drawn $1.25 million on the approved DIP Facility of $1.5 million.

13. Aviva Insurance Company of Canada ("**Aviva**" and together with CMLS, the "**Secured Creditors**") provided a deposit protection insurance facility to permit the Petitioners to have access to the pre-sale purchasers' deposit monies for the payment of project costs. Management estimated that approximately $14.7 million would be owing pursuant to Aviva's insurance deposit facility contingent upon the return of deposits to the pre-sale purchasers.

14. Additionally, Management estimates that there are approximately $4.0 million in lien claimants and $2.3 million in unsecured creditors. The unsecured indebtedness and lien claimants of the Petitioners primarily consist of amounts owing on account of trade debt, property taxes and unpaid professional firms and consultants fees.

15. In preparing this Fifth Report and making the comments herein, the Monitor has been provided with and has herein relied upon, unaudited financial information, books, records and financial information prepared by the Petitioners, discussions with management of the Petitioners ("**Management**"), and information from other third party sources (collectively, the "**Information**"). UPDATE ON THE SALE INVESTMENT AND SOLICITATION PROCESS

20. Paragraphs 19 – 28 of the Third Report dated November 27, 2020 provide extensive detail on the Monitor's administration of the two (2) phased SISP approved by this Honourable Court. In summary, the Monitor:

    a) solicited the Terrace House Project to approximately 670 potential bidders, including local, national and international strategic and financial parties and real estate developers;

    b) retained CBRE Limited in a limited capacity to market the Terrace House Project to its investor network in Asia as well as a newspaper advertisement that was published in a Hong Kong newspaper, the South China Morning Post;

    c) populated an electronic data room (the "**Data Room**") with key financial, corporate, operational and other information including construction drawings, consultant reports and other business documents relevant to the Terrace House Project for Prospective Parties to evaluate following the signing of a CA; and

d) short-listed six (6) "**Qualified Offerors**" to participate in Phase II of the SISP and provided those parties a period of approximately six (6) weeks to acquire or refinance the Terrace House Project (those parties which submitted the offers, the "**Qualified Offerors**").

21. The Monitor received six (6) Phase II Offers from the Qualified Offerors (the "**Phase II Bids**") and filed copies of these offers under seal in a Confidential Supplement to the November 27, 2020 Third Report.

22. Following consultation with the Secured Creditors, the Monitor executed a "**Bid Offer Agreement**" on behalf of the Petitioners with Bosa Properties (OC) Inc. (the "**Bid Offeror**"). The execution of the Bid Offer Agreement was approved by this Honourable Court on December 1, 2020.

23. The Bid Offer Agreement provided the Bid Offeror to February 16, 2021 (the "**Due Diligence Period**") to complete a satisfactory feasibility study and due diligence analysis (the "**Feasibility Study**") relating to the economics of the Terrace House Project, and to obtain construction financing.

24. The Fourth Report describes that on February 16, 2021, the Bid Offeror provided the Monitor with a feasibility study (the "**Confidential Feasibility Study**") on the Terrace House Project and put forward a proposal that varied from the Bid Offer that was not acceptable to CMLS; and accordingly, the Monitor in consultation with CMLS did not advance Bid Offer to a definitive agreement.

THE LANDA PSA

Summary

25. Landa Global Acquisition Inc. ("**Landa**") was one of the six (6) parties that submitted a bid (the "**Landa SISP Bid**") in Phase II of the SISP. The Landa SISP Bid contained the fewest conditions and required the least amount of due diligence of the Phase II Bids.

26. When it became known that the Bid Offer Agreement with the Bid Offeror failed to materialize into a definitive agreement, Landa advised the Monitor of, a) their continued interest in an acquisition of the Terrace House Project, and b) their ability to formalize and submit an unconditional offer in the near term.

27. On March 1, 2021, Landa sent the Monitor a letter of intent (the "**Revised Landa Offer**") to acquire the Terrace House Project. The Monitor reviewed the Revised Landa Offer with CMLS; and following a series of discussions, the Monitor (on behalf of the Petitioners and subject to Court approval) and Landa executed a purchase and sale agreement (the "**Landa PSA**") dated March 25, 2021, the key terms of which include the following:

    a) a Purchase Price that is payable in cash;

    b) a break-fee equal to approximately 1% of the Purchase Price payable from the proceeds of a Superior Offer (as defined in the Landa PSA and discussed below);

    c) financing conditions that have since been satisfied or waived and no due diligence conditions;

    d) notwithstanding the execution of the Landa PSA, the Petitioners and Monitor may engage in further marketing of, or negotiations in connection with, the Terrace Project (the "**Final Marketing Phase**") as described below to solicit superior cash bids akin to a final sealed bid process; and

e) the Petitioners shall seek:

i. a Reverse Vesting Order ("**RVO**") from this Honourable Court to allow the Purchaser to acquire the General Partner and the Purchased Assets free and clear of all Encumbrances except certain limited Permitted Encumbrances; or

ii. should this Honourable Court not grant the RVO, an Approval and Vesting Order ("**AVO**") to acquire the assets of the Petitioners free and clear of all Encumbrances except certain limited Permitted Encumbrances; and

iii. should this Honourable Court refuse to grant the RVO, the Purchase Price shall be adjusted on a dollar-for-dollar basis by the property transfer tax (the "**PTT**") that will be payable should a transfer of title to the Lands occur; and accordingly the Monitor is of the view that the sale of the General Partner pursuant to a RVO will result in a materially higher recovery to creditors.

28. The Landa PSA requires confidentiality with respect to the Purchase Price; and as such a copy of the Landa PSA which redacts information relating to the Purchase Price (and such other information that could be used to perform a reverse calculation of the Purchase Price) is attached hereto as **Appendix "A"**. An unredacted copy of the Landa PSA together with a calculation of the PTT that may be payable in the event of a transfer of title will be provided to this Court as an attachment to a confidential supplement to this Fifth Report (the "**Confidential Supplement**"). A sealing order will be sought in connection with the Confidential Supplement in order to maintain the confidentiality respecting the terms of the Landa PSA in order to maintain the integrity of the Cash Bid Process.

29. The Monitor on behalf of the Petitioners seeks an Order of this Honourable Court approving the Landa PSA (the "**Preliminary Order**"). The Petitioners intend to seek a "**Vesting Order**" in relation to the Landa PSA (if no superior offers are received) or another party (if a superior offer is received that contemplates a sale transaction), when the Final Marketing Phase concludes. For clarity, the Petitioners do not currently seek the approval of the RVO described below in relation to the Landa PSA (or the AVO as an alternative).

The Final Marketing Phase

30. The Final Marketing Phase has been designed in recognition of the following criteria:

a) these CCAA proceedings commenced on May 29, 2020;

b) the SISP, as approved by the Court, commenced in June 2020;

c) the Monitor has already administered a robust SISP over a period of approximately nine (9) months;

d) the Monitor has previously provided the six (6) Qualified Offerors an opportunity (at their own expense) to review the documents in the Data Room, to access the site and management to perform site visits and ask questions with respect to the project, and to submit their best offers in the SISP;

e) none of the offers received to date are sufficient to re-pay the Secured Creditors in full after the full amount of the approved DIP Facility of $1.5 million is repaid;

f) Each of the Qualified Offerors, and any other party, has had sufficient time and opportunity to review the project in order to submit a cash offer (similar to Landa); and

g) the PSA is supported by the Construction Lenders.

31. The table below provides a timeline for the key milestones contemplated in the Landa PSA:

Estimated Date	Milestone
April 16, 2021	Obtain Preliminary Order
April 16, 2021	Commencement of the Final Marketing Phase
April 20, 2021	Payment of second deposit by Landa (first deposit already paid)
May 7, 2021 (being 15 business days following commencement of the Final Marketing Phase)	End of the Final Marketing Phase
May 28, 2021 (being 15 business days after the Final Marketing Phase)	Conditions removal deadline if Superior Offers are received by May 7, 2021 **or** Granting of the Vesting Order in relation to Landa PSA if no Superior Offers are received

32. Of note, the Landa PSA is structured such that any other prospective bidders have 15 business days from the date of the Preliminary Order to submit a superior cash offer. Such offers may have conditions attached to them, but such conditions must be capable of being satisfied or waived within a further 15 business days from the date such offer is accepted. While a competing bid may have such conditions, the conditionality of any bids received will be a consideration as to whether any such bids are in fact Superior Offers to that of the Landa bid as set out in the Landa PSA.

The Break Fee

33. Break fees are commonly included in restructuring transactions. The Monitor has reviewed recent and similar break fee precedents and considers the break fee associated with the Landa PSA (of approximately 1% of the Purchase Price) to be reasonable and on the low end of similarly risked precedent transactions.

34. A break fee serves several purposes including incentivizing interested parties to incur time and cost (including opportunity costs as well as cash costs including legal and other due diligence costs) to commit to a transaction. While break fees are commonly associated with stalking horse bids, that is not always the case. In this particular instance, the process resulting in the Landa PSA: (a) materially enhances certainty of outcome, (b) allows for the Final Marketing Process that requires other interested parties to submit best and final cash offers, and (c) establishes a fully negotiated form of purchase agreement that other parties can utilize to submit offers of an efficient and cost effective basis.

35. The Monitor also notes that the Landa PSA is the best viable option at this time, the terms of the Landa PSA were the result of arms' length negotiations, the Break Fee is supported by CMLS, there is no expense reimbursement payable to Landa, and the Break Fee will only be payable out of the proceeds of a superior transaction thus generating an increased recovery for creditors.

FIFTH CASH FLOW FORECAST

36. The Monitor, on behalf of the Petitioners, has prepared a weekly cash flow projection (the "**Fifth Report Forecast**") for the period of April 3, 2021 to June 11, 2021 (the "**Fifth Report Cash Flow Period**").

37. A copy of the Fifth Report Forecast along with its notes and assumptions are attached hereto as **Appendix "B"** and is summarized and compared to actual expenses incurred below:

38. Broadly speaking, the positive variance in disbursements noted above is attributable to timing differences and spending restraint.

39. Cash receipts contemplated in the Fifth Report Forecast are comprised of the following:

    a) an estimated refund of $34,139 for GST paid on disbursements incurred during these CCAA proceedings; and

    b) an estimated refund of $218,335 for a deposit held by BC Hydro for design fees associated with a proposed electrical system for the Terrace House Project.

40. Restructuring costs contemplated in the Fifth Report Forecast include the payment of professional fees of the Monitor, the Monitor's legal counsel, and the Petitioner's legal counsel some of which relate to services already rendered.

41. The Fifth Report Forecast contemplates payments of $76,470 for insurance premiums for an extension of the policies through to June 30, 2021.

42. The Fifth Report Forecast does not contemplate any cash outlay for construction costs, other than those required for site preservation.

SEALING ORDER

43. As referenced above, the unredacted Landa PSA shall be provided to this Honourable Court through the Confidential Supplement, for which a sealing order will be sought.

44. The Monitor requests that the Confidential Supplement be accepted by this Honourable Court for filing under seal, as the information contained herein is commercially sensitive in that it contains the purchase price of the contemplated transaction.

45. The Monitor is of the view that public disclosure of the materials contained in the Confidential Supplement would be detrimental to the integrity of the Cash Bid Process, and detrimental to the Petitioner's commercial interests and the ability to maximize value for the Petitioner's stakeholders through the Cash Bid Process.

REQUEST FOR AN EXTENSION OF THE STAY OF PROCEEDINGS

46. The Stay Period is currently set to expire on May 4, 2021. The Monitor on behalf of the Petitioners is requesting an extension of the Stay Period until June 11, 2021, being the approximate anticipated timeframe for the completion of the Landa SPA, or should a Superior Offer be derived, the anticipated timeframe to present such offer to this Honourable Court for consideration and/or approval.

47. The Monitor has considered the onus that resides with the Petitioners to demonstrate that an extension of the Stay of Proceedings by this Honourable Court is warranted, having regard to:

    a) the circumstances that justify the making of an extension order;

    b) the good faith efforts of the Petitioners to effect the restructuring; and

    c) the due diligence with which the Petitioners are advancing the restructuring.

Circumstances that justify the extension sought

48. In the Monitor's view, the extension of the Stay of Proceedings is necessary in order to:

    a) administer the above noted Cash Bid Process;

    b) to seek the close of the Landa Transaction, or should the Cash Bid Process result in a Superior Offer, to bring forward the Superior Offer to this Honourable Court for approval; and

    c) maintain operational control and preserve the Terrace House Project.

49. Moreover, as is depicted in the Fifth Report Cash Flow Forecast, the Monitor projects that the Petitioners will have sufficient liquidity and cash on hand to fund their ongoing obligations through to June 11, 2021.

Good Faith Efforts and Due Diligence

50. The Monitor on behalf of the Petitioners has working in good faith and with due diligence on a plan to identify, if possible, a buyer or investor for the Terrace House Project.

51. The Petitioners have complied with all of the requirements under the CCAA, as well as the various orders granted by this Honourable Court in this proceeding.

52. For the foregoing reasons, the Monitor supports the Petitioners' request for an order extending the Stay Period to June 11, 2021.

CONCLUSIONS AND RECOMMENDATIONS

53. Based on the foregoing, the Monitor recommends that this Honourable Court grant Order(s) approving the following:

a) extending the Stay Period from May 4, 2021 to June 11, 2021;

b) approving the Landa PSA; and

c) approving a sealing order with respect to the Landa PSA.

All of which is respectfully submitted this 13th day of April, 2021.

(h) will promptly notify the Purchaser if the Vendor becomes aware that, after the date of this Agreement, any of its representations or warranties in this Agreement become untrue or incorrect or if any covenants, terms or conditions in this Agreement are breached or cannot be performed.

3.2 Covenants of the Purchaser. The Purchaser:

(a) covenants to use commercially reasonable efforts to, as soon as reasonably possible following the Execution Date:

(i) obtain a financing commitment on terms acceptable to the Purchaser, acting reasonably, from one or more of the Creditors to provide land financing in connection with the Project as of the Closing Date in an amount equal to at least 50% of the Purchase Price, for a term of two years with two six-month extension options (the "**Required Financing**"); and

and, upon the Purchaser obtaining the Required Financing and/or the Construction Commitment, the Purchaser will deliver written confirmation thereof to the Vendor within a reasonable period of time following its obtaining of the Required Financing and the Construction Commitment, respectively;

(b) will on or before 5:00 p.m. (Vancouver time) on the Condition Date provide the Vendor with notice of the Contracts which it will accept as Approved Contracts; and

(c) will promptly notify the Vendor if the Purchaser becomes aware that, after the date of this Agreement, any of its representations or warranties in this Agreement become untrue or incorrect or if any covenants, terms or conditions in this Agreement are breached or cannot be performed.

(b) elect to complete the purchase of the Purchased Assets, in which case the insurance proceeds and the right to receive the proceeds of all insurance will be assigned by the Vendor to the Purchaser on the Closing Date and the Purchase Price shall be reduced by the amount of any insurance deductible that has not been paid by the Vendor.

Failure by the Purchaser to so elect within the period set out above will be deemed to be an election to complete the purchase of the Purchased Assets. The Vendor will promptly notify the Purchaser if it becomes aware of any Material Loss.

ARTICLE 5 – ADJUSTMENTS AND RELATED MATTERS

5.1 Adjustments. The Purchase Price payable by the Purchaser to the Vendor for the Purchased Assets will be subject to adjustment. All adjustments with respect to the Purchased Assets, including taxes, utilities, deposits and interest on deposits (if any), and other items normally adjusted between a vendor and purchaser in the sale of similar properties in British Columbia will be adjusted as of the Closing Date so that the Vendor will bear and pay all expenses

and receive all income related to the Purchased Assets accruing prior to the Closing Date and the Purchaser will bear and pay all expenses and receive all income related to the Purchased Assets accruing on and after the Closing Date and the Purchase Price will be adjusted accordingly. The Vendor shall cause any water, gas, or electrical meter readings required to make the adjustments herein.

5.2 Statement of Adjustments. A statement of adjustments will be delivered to the Purchaser by the Vendor at least five (5) Business Days prior to the Closing Date and shall have annexed to it complete details of the calculations used by the Vendor to arrive at all debits and credits on the statement of adjustments. On request, the Vendor shall give the Purchaser access to the Vendor's working papers and backup materials in order to confirm the statement of adjustments.

5.3 Re-Adjustment Determination. The parties acknowledge and agree that there will be no re-adjustment after the Closing Date.

5.4 Purchase Price Reduction. In the event that an Approval and Vesting Order (rather than a Reverse Vesting Order) is granted by the Court, the parties agree that the Purchase Price shall be reduced by an amount equal to the amount of property transfer tax payable by the Purchaser in connection with the transfer of the Property to the Purchaser on the Closing Date.

ARTICLE 6 – POSSESSION

6.1 Possession Date. The Purchaser will, upon completion of the purchase and sale have possession of all Purchased Assets as of the Closing Date free and clear of all Encumbrances subject only to the Permitted Encumbrances.

6.2 Non-assignable Assets. If any of the Purchased Assets are not transferable without consent of a third party by the terms of the applicable instruments, the Vendor shall use commercially reasonable efforts to obtain such consent prior to the Closing Date and, if such consent is not obtained by the Closing Date, the Vendor shall use commercially reasonable efforts to obtain an Order in the CCAA Proceedings transferring or assigning, as applicable, such Purchased Assets to the Purchaser. For certainty, any failure to obtain the consent of any such third party will not constitute a default of the Vendor nor will it entitle the Purchaser to terminate this Agreement.

ARTICLE 7 – REPRESENTATIONS AND WARRANTIES

7.1 Vendor's Representations and Warranties. The Vendor represents and warrants to the Purchaser, regardless of any independent investigations that the Purchaser may cause to be made, that as at the date of this Agreement:

(c) the Limited Partnership is a Canadian partnership within the meaning of the *Income Tax Act* (Canada); and

(d) the GP is not a non-resident of Canada within the meaning of the *Income Tax Act* (Canada).

The representations and warranties contained in Section 7.1 will survive the Closing Date and will continue in full force and effect for the benefit of the Purchaser after the Closing Date for a period of 12 months, unless otherwise expressly indicated herein, notwithstanding any independent inquiry or investigation by the Purchaser or the satisfaction or waiver by the Purchaser of any condition set out in Section 8.1, the subject matter of which is contained in a representation or warranty in this Agreement.

7.3 Purchaser's Representations and Warranties. The Purchaser represents and warrants to the Vendor, regardless of any independent investigation that the Vendor may cause to be made that:

(a) the Purchaser is a corporation incorporated and existing under the laws of British Columbia;

(b) the Purchaser has the corporate power and authority to enter into this Agreement and to perform its obligations under this Agreement;

(c) there is no action or proceeding pending or to the best of the Purchaser's knowledge, threatened against the Purchaser before any court, arbiter, arbitration panel, administrative tribunal or agency which, if decided adversely to the Purchaser, might materially affect the Purchaser's ability to perform the Purchaser's obligations hereunder;

(d) neither the Purchaser's entering into this Agreement nor the performance of its terms will result in the breach of or constitute a default under any term or provision of any indenture, mortgage, deed of trust or other agreement to which the Purchaser is bound or subject;

(e) the Purchaser is not a non-Canadian for the purposes of the *Investment Canada Act* (Canada); and

(f) the Purchaser is not a foreign entity for the purposes of the *Property Transfer Tax Act* (British Columbia).

7.4 Survival of Purchaser's Representations and Warranties. The representations and warranties contained in Section 7.3 will survive the Closing Date and will continue in full force and effect for the benefit of the Vendor after the Closing Date for a period of 12 months, unless otherwise expressly indicated herein, notwithstanding any independent inquiry or investigation by the Vendor.

7.5 "As Is" Purchase. The Purchaser acknowledges and agrees that:

(a) in entering into this Agreement and completing the transactions contemplated herein, except for the representations and warranties of the Vendor set out in

Section 7.1, the Purchaser has relied and will continue to rely solely upon its own due diligence with respect to the Purchased Assets;

(b) the Purchased Assets are being purchased by the Purchaser on an "as is, where is" basis as of the Closing Date and without any representation or warranty, whether expressed or implied by this Agreement or at law, by the Vendor of any nature or kind whatsoever respecting any of the Purchased Assets or any matter relating thereto, except for the representations and warranties of the Vendor set out in Section 7.1 or in the Closing Documents;

(c) except for the representations and warranties of the Vendor set out in Section 7.1 or in the Closing Documents, the Vendor makes no representations or warranties concerning any statements made or information delivered or made available to the Purchaser (whether by the Vendor, the Vendor's Solicitors or any other agents, representatives or advisors of the Vendor or any of their respective affiliates, or any other person) with respect to the Purchased Assets, whether included as part of any due diligence maters or any other information disclosed to the Purchaser or otherwise; and

(d) except as otherwise expressly provided for in this Agreement or in the Closing Documents, the Vendor shall have no obligations or responsibility to the Purchaser after the Closing Date with respect to any matter relating to the Purchased Assets or the condition thereof.

The provisions of this Section shall survive closing or the termination of this Agreement.

ARTICLE 8 – CONDITIONS PRECEDENT

8.1 Purchaser's Conditions. The Purchaser's obligation to complete the transactions contemplated by this Agreement is subject to the following conditions, all of which are for the sole benefit of the Purchaser:

(a) on or before 5:00 p.m. (Vancouver time) on April 1, 2021, the Purchaser will have given written notice to the Vendor that:

(i) the Purchaser has obtained the Required Financing; and

(ii) the Purchaser has obtained the Construction Commitment;

(b) on the Closing Date, the representations and warranties of the Vendor contained in Section 7.1 will be true and correct in all material respects with the same effect as though such representations and warranties had been made on and as of the Closing Date; and

(c) on the Closing Date, all of the covenants and agreements of the Vendor to be performed on or before the Closing Date pursuant to this Agreement will have been duly performed in all material respects.

If the conditions set out in this Section have not been satisfied by notice in writing from the Purchaser to the Vendor, by the times specified in this Section, the Purchaser may by notice in writing to the Vendor waive satisfaction of such conditions, in whole or in part, without prejudice

to any of its other rights under this Agreement and complete the purchase of the Purchased Assets or elect not to complete.

8.2 Satisfaction and Waiver of Purchaser's Conditions. The parties agree that if the Purchaser does not give notice to the Vendor by the time limited in Section 8.1(a) that the conditions in that Section are satisfied or waived, then this Agreement will automatically be null and void upon the expiry of such time and the Deposit shall be returned to the Purchaser with interest (if any).

8.3 Consideration for and Nature of Conditions. A portion of the Deposit in the amount of $10.00 represents non-refundable consideration paid by the Purchaser for its right to satisfy or waive the conditions set out in Section 8.1 and Section 8.4 and the Vendor acknowledges the sufficiency in all respects of such consideration. Although the Purchaser's obligation to complete the transaction contemplated by this Agreement is subject to satisfaction or waiver of conditions, those conditions are not conditions to there being a binding agreement of purchase and sale between the parties respecting the Purchased Assets and until the time limited for the satisfaction or waiver of such conditions has expired, this Agreement is not void, voidable, revocable or, except for default, otherwise capable of being terminated by either of the parties.

8.4 Mutual Conditions. The obligation of each of the parties to complete the transactions contemplated by this Agreement is subject to the following mutual conditions, all of which are for the benefit of both the Vendor and the Purchaser:

(a) the Vendor has obtained an Order in form and content satisfactory to the Vendor and the Purchaser, acting reasonably, approving, authorizing and directing the Vendor to enter into this Agreement (the "**Preliminary Order**"). The Vendor shall use all commercially reasonable efforts to obtain a Preliminary Order on or before 5:00 p.m. (Vancouver time) on the date that is 15 days after the Condition Date;

(b) on or before 5:00 p.m. (Vancouver time) on the date that is 15 Business Days after the date that the condition precedent set out in Section 8.6(a) has been satisfied or waived, the Vendor has obtained (at the sole cost of the Vendor) an Order or Orders (the "**Final Order**") either:

(i) (A) adding ShellCo as a debtor to the CCAA Proceedings; (B) replacing the GP as the general partner of the Limited Partnership with ShellCo; (C) transferring and assigning all of the Excluded Assets to ShellCo; (D) vesting title to the Purchased Assets (including, without limitation, the Shares) in and to the Purchaser, free and clear of all Encumbrances except the Permitted Encumbrances; and (E) approving this Agreement and implementing the transactions contemplated herein in accordance with its terms (the "**Reverse Vesting Order**"); or

(ii) (A) vesting title to the Purchased Assets (which, for certainty, do not include any shares of the GP) in and to the Purchaser, free and clear of all Encumbrances except the Permitted Encumbrances and in a form registrable in the Land Title Office; and (B) approving this Agreement and implementing the transactions contemplated herein in accordance with its terms (the "**Approval and Vesting Order**").

8.5 Satisfaction of Mutual Conditions. The parties agree that if each of the Purchaser and the Vendor do not give notice to the other party by the time limited in Sections 8.4(a) and 8.4(b) that the conditions in those Sections are satisfied, then this Agreement will automatically be null and void upon the expiry of such time and the Deposit shall be returned to the Purchaser with interest (if any). For certainty, a failure to satisfy any of the conditions set out in Section 8.4 shall not constitute a default of either party.

8.6 Vendor's Conditions. The Vendor's obligation to complete the transactions contemplated by this Agreement is subject to the following conditions, all of which are for the sole benefit of the Vendor:

(a) the Vendor does not receive a Superior Offer on or before 5:00 p.m. (Vancouver time) on the Final Offer Date;

(b) on the Closing Date, the representations and warranties of the Purchaser contained in Section 7.3 will be true and correct in all material respects with the same effect as though such representations and warranties had been made on and as of the Closing Date; and

(c) on the Closing Date, all of the covenants and agreements of the Purchaser to be performed on or before the Closing Date pursuant to this Agreement will have been duly performed in all material respects.

If the conditions set out in this Section have not been satisfied by notice in writing from the Vendor to the Purchaser, by the times specified in this Section, the Vendor may, with the written consent of the Monitor, by notice in writing to the Purchaser waive satisfaction of such conditions, in whole or in part, without prejudice to any of its other rights under this Agreement and complete the sale of the Purchased Assets or elect not to complete.

8.7 Satisfaction and Waiver of Vendor's Conditions. Notwithstanding anything to the contrary set out herein, from the date of issuance of the Preliminary Order until the Final Offer Date, the Vendor and its Authorized Parties may engage in further marketing of and negotiations in connection with the Purchased Assets for the purposes of soliciting Bona Fide Offers from prospective purchasers that are not party to this Agreement (each, a "**Prospective Purchaser**"). In the event that the Vendor receives one or more Bona Fide Offers from Prospective Purchasers which provide for a superior offer to that of the Purchaser under this Agreement (a "**Superior Offer**"), the Vendor shall notify the Purchaser, in writing, that a Superior Offer has been received. The parties agree that if the Vendor receives one or more Superior Offers on or before the time limited in Section 8.6(a), the Vendor accepts one of such Superior Offers and such Superior Offer becomes unconditional, then: (i) this Agreement will automatically be null and void upon the delivery of notice of the same by the Vendor to the Purchaser; (ii) the Deposit shall be returned to the Purchaser with interest (if any); (iii) the Vendor shall use all commercially reasonable efforts to cause the transaction contemplated under such Superior Offer to be completed; and (iv) the Vendor shall pay the Break Fee to the Purchaser within a reasonable period of time following the Vendor's receipt of the proceeds of sale from such Superior Offer. The Vendor acknowledges and agrees that in its marketing of the Purchased Assets to Prospective Purchasers, it shall keep the terms of this Agreement (including the Purchase Price) confidential and shall not disclose any such terms to any Prospective Purchasers.

8.8 Consideration for and Nature of Conditions. The Vendor hereby pays to the Purchaser the amount of $10.00 representing non-refundable consideration paid by the Vendor for its right

to satisfy or waive the conditions set out in Sections 8.4 and 8.6 and the Purchaser acknowledges the sufficiency in all respects of such consideration. Although the Vendor's obligation to complete the transaction contemplated by this Agreement is subject to satisfaction or waiver of conditions, those conditions are not conditions to there being a binding agreement of purchase and sale between the parties respecting the Purchased Assets and until the time limited for the satisfaction or waiver of such conditions has expired, this Agreement is not void, voidable, revocable or, except for default, otherwise capable of being terminated by either of the parties.

8.9 CCAA Proceedings. The Purchaser shall support the application for the Final Order. Each of the parties agrees that the Vendor shall seek a Reverse Vesting Order from the Court as a first option and, failing that, the Vendor shall seek an Approval and Vesting Order from the Court. In the event any variation is sought or leave to appeal is sought, an appeal is taken or a stay pending appeal is requested with respect to the Final Order, the Vendor shall promptly notify the Purchaser of such application for leave to appeal, appeal or stay request and shall promptly provide to the Purchaser a copy of the related notice(s) or order(s).

8.10 Form of Order. The Vendor or its solicitors will provide the Purchaser and its solicitors with a draft copy of all Orders proposed to be obtained in connection with this Agreement for review and comment at least two (2) days prior to the date that the Vendor applies for such Order(s), and, provided that such amendments are consistent with the terms set out herein, the Vendor will incorporate any reasonable amendments requested by the Purchaser or its solicitors.

ARTICLE 9 – CLOSING

The closing of the purchase and sale of the Purchased Assets will commence at 10:00 a.m. (Vancouver time) on the Closing Date as a virtual closing with documents to be exchanged electronically, or at such other time on the Closing Date or in such other format as may be agreed in writing by the Vendor and the Purchaser.

9.2 Vendor's Closing Documents. On or before the Closing Date, the Vendor will deliver, or cause the Vendor's Solicitors to deliver, to the Purchaser's Solicitors in trust to be held in escrow as provided in this Agreement, the following duly executed as applicable and all in a form satisfactory to the Purchaser, acting reasonably:

indemnifies the Purchaser for all Liability under the Approved Contracts and Plans, Permits and Approvals arising prior to the completion of the transactions contemplated herein;

(e) an assignment and assumption of Permitted Encumbrances and Title Contracts;

(j) in the event that a Reverse Vesting Order is granted: (i) a transfer of the Shares together with all resolutions, certificates and acknowledgements of the Limited Partnership and the GP as may be reasonably required by the Purchaser to effectively transfer the Shares; and (ii) an amendment to the LP Agreement effecting the change in the general partner from the GP to ShellCo, together with all supporting resolutions, certificates and acknowledgements of the Limited Partnership and the GP as may be reasonably required by the Purchaser;

(k) a certificate dated as of the Closing Date of a senior officer of the GP, in its own capacity and as general partner of the Limited Partnership, having knowledge of the facts certifying, on behalf of the GP and the Limited Partnership and without personal liability, that the representations and warranties set out in Section 7.1 are true and correct in all material respects as at the Closing Date and that the Vendor's covenants and agreements to be observed or performed on or before the Closing Date pursuant to the terms of this Agreement have been duly observed and performed in all material respects;

(l) a notice from the Vendor to the other parties under the Approved Contracts giving notice of the sale of the Property;

(m) keys to all units and facilities of the Property to the extent required by the Purchaser; and

(n) such other documents and assurances as may be reasonably required by the Purchaser to give full effect to the intent and meaning of this Agreement.

9.3 Purchaser's Closing Documents. On or before the Closing Date, the Purchaser will deliver, or cause the Purchaser's Solicitors to deliver, to the Vendor's Solicitors in trust to be held in escrow as provided in this Agreement, the following duly executed as applicable:

(a) an assignment and assumption of Approved Contracts, Plans, Permits and Approvals;

(b) an assignment and assumption of Permitted Encumbrances and Title Contracts;

(c) an assignment and assumption of the Vendor's right, title and interest, in and to: (i) subject to such transfer being approved by the necessary parties in accordance with Section 3.1(c)(i), the Intellectual Property; (ii) all insurance and new home warranties obtained in connection with the Project; and (iii) all marketing materials prepared in connection with the Project;

(d) the GST Certificate;

(e) a certificate dated as of the Closing Date of a senior officer of the Purchaser having knowledge of the facts certifying, on behalf of the Purchaser and without personal liability, that the representations and warranties set out in Section 7.3 are true and correct in all material respects as at the Closing Date and that the Purchaser's covenants and agreements to be observed or performed on or before the Closing Date pursuant to the terms of this Agreement have been duly observed and performed in all material respects; and

(f) such other documents and assurances as may be reasonably required by the Vendor to give full effect to the intent and meaning of this Agreement.

9.4 Preparation and Form of Documents. The closing documents contemplated in Sections 9.2 and 9.3 (collectively, the "**Closing Documents**"), other than the statement of adjustments in Article 5, the materials required in connection with a Reverse Vesting Order set out in Section 9.2(j), if applicable, and the Final Order, will be prepared by the Purchaser's Solicitors and delivered to the Vendor's Solicitors at least five (5) Business Days before the Closing Date. The Closing Documents (including the statement of adjustments in Article 5, the materials required in connection with a Reverse Vesting Order set out in Section 9.2(j), if applicable, and the Final Order) will be in a form and substance reasonably satisfactory to the parties. The Vendor shall provide the Purchaser with drafts of all materials to be filed with the Court no later than two (2) days prior to the date of any hearing of the Court regarding the Final Order.

9.5 Payment into Trust. On or before the Closing Date, the Purchaser will pay to the Purchaser's Solicitors in trust, by way of certified cheque, bank draft, or wire transfer, funds in an amount equal to the Balance, as adjusted, less any amount to be advanced to the Purchaser on the Closing Date under any mortgage financing arranged by the Purchaser, as further described in Section 9.9.

9.6 Registration. On the Closing Date, after receipt by the Purchaser's Solicitors of the Closing Documents set out in Section 9.2 and the funds as set out in Section 9.5, and after receipt by the Vendor's Solicitors of the Closing Documents set out in Section 9.3, the Purchaser will cause the Purchaser's Solicitors to file the Final Order in the Land Title Office and any security documents applicable to any mortgage financing arranged by the Purchaser, as further described in Section 9.9.

9.7 Closing Escrow. All Closing Documents, funds, and other items delivered by the parties, except the Final Order (which will be dealt with pursuant to Section 9.6), will be held in trust by

the Vendor's Solicitors and the Purchaser's Solicitors until completion of closing on the Closing Date in accordance with this Agreement. Promptly after the filings set out in Section 9.6 and a satisfactory post filing for registration search has been received by the Purchaser's Solicitors showing that title to the Property will be registered in the name of the Purchaser free and clear of all Encumbrances except for the Permitted Encumbrances or any Encumbrances granted by or claimed through the Purchaser, the Closing Documents will be released to the appropriate parties and the Purchaser will cause the Purchaser's Solicitors to pay the Purchase Price, as adjusted, to the Vendor's Solicitors by way of wire transfer.

9.8 Concurrent Requirements. It is a condition of the closing that all matters of payment, execution and delivery of documents by each party to the other and the filing of documents in the Land Title Office as set out in Section 9.6, all pursuant to the terms of this Agreement, will be deemed to be concurrent requirements and it is specifically agreed that nothing will be complete at the closing until everything required as a condition precedent at the closing has been paid, executed and delivered and all filings set out in Section 9.6 have been completed.

9.9 Purchaser's Financing. If the Purchaser is relying upon a new mortgage to finance the purchase of the Purchased Assets, the Purchaser, while still required to pay the Purchase Price on the Closing Date, may wait to pay the Purchase Price until after the Final Order and new mortgage documents have been filed in the Land Title Office and after receipt of the proceeds of such mortgage financing, but only if, before such filing, the Purchaser has:

(a) made available for tender to the Vendor that portion of the Purchase Price not secured by the new mortgage;

(b) fulfilled all the new mortgagee's conditions for funding except filing the mortgage for registration; and

(c) made available to the Vendor, a lawyer's undertaking to pay the Purchase Price upon the filing of the Final Order and new mortgage documents and the advance by the mortgagee of the mortgage proceeds.

9.10 Payment by Wire Transfer. Notwithstanding anything else contained herein, provided the Purchaser's Solicitors have initiated the wire transfer for the balance of the Purchase Price, as adjusted, to the Vendor's Solicitors on the Closing Date, and provided the Vendor's Solicitors with written confirmation thereof, the Purchaser will be deemed to have paid the balance of the Purchase Price, as adjusted, due to the Vendor if such amount is credited to the Vendor's Solicitors account by 11:00 a.m. (Vancouver time) on the first Business Day following the Closing Date without interest or penalty. If such amount is not received by 11:00 a.m. (Vancouver time) on the first Business Day following the Closing Date, the Purchaser will pay to the Vendor interest at the rate of the prime rate of interest designated from time to time by Royal Bank of Canada plus 3% per annum on such amount until such time as it is received by the Vendor.

9.11 Termination.

(a) Notwithstanding any other provision of this Agreement, if the transactions contemplated by this Agreement do not complete on or prior to July 30, 2021, other than as a result of the default of the Purchaser, then the Purchaser may terminate this Agreement with written notice delivered to the Vendor without any further liability and the Deposit and interest (if any) shall be returned to the Purchaser.

(b) Notwithstanding any other provision of this Agreement, if the transactions contemplated by this Agreement do not complete on or prior to July 30, 2021, other than as a result of the default of the Vendor, then the Vendor may terminate this Agreement with written notice delivered to the Purchaser without any further liability and the Deposit and interest (if any) shall be returned to the Purchaser.

ARTICLE 10 – TAXES

10.1 GST. The Purchaser represents and warrants to Vendor that it is and will be, as of the closing on the Closing Date, registered for the purposes of Part IX of the *Excise Tax Act* (Canada) (the "**ETA**") in accordance with the requirements of Subdivision D of Division V of the ETA and will assume responsibility to account for, report and remit any goods and services tax and harmonized sales tax (collectively, the "**GST**") payable under the ETA in connection with the transaction contemplated in this Agreement. On the Closing Date, the Purchaser will deliver to the Vendor a certificate (the "**GST Certificate**") of a senior officer of the Purchaser certifying, on behalf of the Purchaser and without personal liability (a) that the Purchaser is registered under Part IX of the ETA as of the Closing Date; (b) its registration number; and (c) that the Purchaser will account for, report and remit any GST payable in respect of the purchase of the Purchased Assets in accordance with the ETA. If the Purchaser delivers such GST Certificate, then the Purchaser will not be required to pay to the Vendor, and the Vendor will not be required to collect from the Purchaser nor report or remit, any GST in connection with the transaction contemplated in this Agreement. The Purchaser shall indemnify and hold the Vendor and its directors, officers, employees, advisors and agents harmless from any liability under the ETA arising as a result of any breach of this Section, the GST Certificate or any declaration made therein and such indemnity shall survive the completion of the transactions contemplated herein.

10.2 Provincial Sales Tax. The Purchaser acknowledges that it may be liable to pay provincial sales tax in respect of some or all of the Chattels and, if required, it will report and remit as required by applicable law any such sales tax that is due directly to the applicable taxing authority. The Purchaser shall indemnify and hold the Vendor and its directors, officers, employees, advisors and agents harmless from any liability related to the Vendor's failure to account for, report and remit such provincial sales tax and such indemnity shall survive the completion of the transactions contemplated herein.

10.3 Tax Elections. Notwithstanding the above, the Vendor will cooperate with the Purchaser to execute any election available under applicable law that may reduce or defer the amount or due date of any GST or other tax payable by the Purchaser provided such election will not result in any increased cost or tax liability for the Vendor.

10.4 Other Taxes. The Purchaser shall be responsible for all transfer taxes (subject to an adjustment to the Purchase Price in accordance with Section 5.4), fees and expenses in connection with the registration of the Final Order or transfer of the Purchased Assets.

10.5 Preparation of Tax Returns After Closing. In the event that a Reverse Vesting Order is granted by the Court and the Purchaser acquires the Shares (along with the balance of the Purchased Assets), the Vendor agrees that forthwith following closing on the Closing Date the Vendor will, in consultation with the Purchaser and the Purchaser's professional advisors and accountants, cause income tax and other tax returns consequent to the closing to be prepared for the GP. The Purchaser will be responsible for all reasonable costs related to the preparation and filing of these returns along with the costs of the Purchaser's own accountant and other consultants in reviewing the same. The Vendor will also provide reasonable assistance in

preparing and filing all financial statements, tax returns and other documents required by law in respect of any government charges or in respect of any federal, provincial, municipal or other taxing statute for fiscal periods of the GP ending for tax purposes on or before the Closing Date.

ARTICLE 11 – GENERAL

11.1 Further Assurances. Each of the parties will execute and deliver all such further documents and do such further acts and things as may be reasonably required from time to time to give effect to this Agreement.

11.2 No Merger. The execution and delivery of the Closing Documents is not intended to and will not in any way merge or otherwise restrict the terms, covenants, conditions, representations, warranties or provisions made or to be performed or observed by the parties contained in this Agreement other than the obligation to deliver the Closing Documents.

11.3 Entire Agreement. This Agreement constitutes the entire agreement between the Vendor and the Purchaser pertaining to the purchase and sale of the Purchased Assets and supersedes all prior agreements and undertakings, negotiations and discussions, whether oral or written, of the Vendor and the Purchaser, including, for certainty, the LOI, and there are no representations, warranties, covenants or agreements between the Vendor and Purchaser except as set out in this Agreement.

11.12 Enurement. This Agreement will enure to the benefit of and be binding upon the parties and their respective successors and permitted assigns.

11.13 Force Majeure. If by reason of Excusable Delay, the Vendor or Purchaser is delayed in performing or observing a covenant or obligation hereunder which is to be performed or observed (the "**Specified Date**"), or if either the Purchaser or the Vendor is delayed in satisfying or waiving any of the conditions precedent set out in Sections 8.1, 8.4 or 8.6, the applicable Specified Date will be extended by a period of time equal to the duration of the Excusable Delay, provided that the Vendor or Purchaser, as applicable, notifies the other party in writing prior to the applicable Specified Date, and such notice sets out in detail the date of the commencement and nature of such circumstances (the "**Delay Notice**"), and provided further that the party giving the Delay Notice uses its commercially reasonable efforts to render performance in a timely manner utilizing to such end commercially reasonable and available resources required in the circumstances. If the duration of the Excusable Delay exceeds 60 days from the date of giving a Delay Notice, the party receiving such Delay Notice may terminate this Agreement forthwith, notwithstanding any other provision of this Agreement, by giving written notice of termination to the other party, in which event the parties shall have no further obligations to one another. In determining whether delay is excusable, the party giving the Delay Notice shall be held to a commercially reasonable standard and not to a best efforts standard.

11.14 Assignment. The Purchaser will be entitled to assign its rights and obligations under this Agreement on prior written notice to, but without the consent of the Vendor to an affiliate (within the meaning of the *Business Corporations Act* (British Columbia)) of the Purchaser or to a limited partnership in which the general partner is an affiliate (within the meaning of the *Business Corporations Act* (British Columbia)) of the Purchaser if: (i) the Purchaser delivers written notice of such assignment to the Vendor; (ii) the assignee enters into an agreement pursuant to which the assignee agrees to be bound by all of the obligations and Liability of the Purchaser under this Agreement as if it was the original Purchaser; (iii) the Purchaser is not released from its obligations and Liability under this Agreement until the completion of the transactions contemplated in this Agreement, at which time the assignor will be automatically released from all of its obligations and Liability under this Agreement without the need for any further deliveries or instruments of release; and (iv) such assignment is completed not less than ten (10) Business Days prior to the Closing Date. The parties will instruct their respective Authorized Parties to comply with the provisions of this Section 11.17 and the parties will be responsible for any breach of the provisions of this Section 11.17 by their respective Authorized Parties. INTRODUCTION

1. Port Capital Development (EV) Inc. (the "**General Partner**") and Evergreen House Development Limited Partnership ("**Evergreen LP**"), (each a "**Petitioner**", and collectively, the "**Petitioners**") own a real estate development project called the "**Terrace House Project**".

2. The General Partner is the Bare Trustee that holds title to the real property owned by the Petitioners with a legal description as follows:

   PID: 006-721-397; LOT 18, EXCEPT THAT PART OF THE CANADIAN PACIFIC RAILWAY RIGHT-OF-WAY AS DESCRIBED IN ABSOLUTE FEE PARCELS BOOK, VOLUME 9, FOLIO 317, NO. 1154C, AND EXCEPT THE SOUTH 7 FEET NOW ROAD, BLOCK 29 DISTRICT LOT 185 PLAN 92

3. The Petitioners are subsidiaries of the "**Port Capital Group**", which is in the business of real estate development and management primarily in British Columbia, but also Toronto, Ontario.

4. CMLS Financial Ltd ("**CMLS**" or the "**Construction Lender**") is the Terrace House Project's construction lender pursuant to a commitment letter dated July 4, 2019 (the "**Construction Loan**"). The Construction Loan is secured by, among other things, a first ranking mortgage against the Terrace House Project. The indebtedness on the Construction Loan is approximately was approximately $21.1 million as at April 1, 2021.

5. Desjardins Financial Security Life Assurance Company (the "**DIP Lender**") has provided the Petitioners access to a debtor-in-possession financing facility (the "**DIP Facility**"). As of the date of this report, the Petitioners have drawn $1.25 million on the approved DIP Facility of $1.5 million.

6. Aviva Insurance Company of Canada ("**Aviva**" and together with CMLS, the "**Secured Creditors**") provided a deposit protection insurance facility to permit the Petitioners to have access to the pre-sale purchasers' deposit monies for the payment of project costs.

Management estimated that approximately $14.7 million would be owing pursuant to Aviva's insurance deposit facility contingent upon the return of deposits to the pre-sale purchasers.

7. Additionally, Management estimates that there are approximately $4.0 million in lien claimants and $2.3 million in unsecured creditors. The unsecured indebtedness and lien claimants of the Petitioners primarily consist of amounts owing on account of trade debt, property taxes and unpaid professional firms and consultants fees.

8. On May 29, 2020, this Honourable Court pronounced an Order (the "**Initial Order**") which, *inter alia*:

    a) appointed Ernst & Young Inc. ("**EY**") as monitor of the Petitioners (the "**Monitor**") in these CCAA proceedings (the "**CCAA Proceedings**");

    b) granted a "**Stay of Proceedings**" to June 8, 2020 (the "**Stay Period**"); and

    c) granted the Monitor "**Enhanced Powers**" to execute control over the Petitioners and to explore restructuring opportunities for the Terrace House Project and administer a "dual-track" sale and investment solicitation process (the "**SISP**") to obtain an equity investment, a refinancing or alternatively a sale of the Terrace House.

9. On June 8, 2020, this Honourable Court granted an order amending the Initial Order (the "**Amended and Restated Initial Order**" or "**ARIO**") that among other things approved the DIP Commitment Letter and the DIP Lender's Charge (both as defined in the First Report).

10. Paragraphs 19 – 28 of the Third Report dated November 27, 2020 provide extensive detail on the Monitor's administration of the two (2) phased SISP approved by this Honourable Court. The SISP initially resulted in the execution of an offer agreement (the "**Bosa Bid Offer Agreement**") on behalf of the Petitioners with Bosa Properties (OC) Inc. ("**Bosa**") which was approved by this Honourable Court on December 1, 2020.

11. The Bosa Bid Offer Agreement provided Bosa to February 16, 2021 (the "**Due Diligence Period**") to complete a satisfactory feasibility study and due diligence analysis (the "**Feasibility Study**") relating to the economics of the Terrace House Project, and to obtain construction financing.

12. Bosa provided the Monitor with a feasibility study (the "**Confidential Feasibility Study**") on the Terrace House Project and put forward a proposal that varied from the Bid Offer that was not acceptable to CMLS; and accordingly, the Monitor in consultation with CMLS did not advance Bid Offer to a definitive agreement.

13. On April 13, 2021, the Monitor filed its "**Fifth Report**" in which it sought the approval of a Purchase and Sale Agreement with Landa Global Acquisition Inc. (the "**Landa PSA**") and a sealing order in connection with same. The process resulting to the Landa PSA and details pertaining to same is described in detail in paragraphs 25 to 35 of the Fifth Report, the key terms of which included the following:

    a) a confidential Purchase Price payable in cash;

    b) a break-fee equal to approximately 1% of the Purchase Price payable from the proceeds of a Superior Offer;

    c) the conduct of a further marketing period for the Terrace Project (the "**Final Marketing Phase**") to solicit superior cash bids (a "**Superior Offer**") to the Landa PSA; and

    d) the Petitioners shall seek:

        i. a Reverse Vesting Order ("**RVO**") from this Honourable Court to allow the Purchaser to acquire the General Partner and the Purchased Assets free and clear of all Encumbrances except certain limited Permitted Encumbrances; or

ii. should this Honourable Court not grant the RVO, an Approval and Vesting Order ("**AVO**") to acquire the assets of the Petitioners free and clear of all Encumbrances except certain limited Permitted Encumbrances; and

iii. should this Honourable Court refuse to grant the RVO, the Purchase Price shall be adjusted on a dollar-for-dollar basis by the property transfer tax (the "**PTT**") that will be payable should a transfer of title to the Lands occur; and accordingly the Monitor is of the view that the sale of the General Partner pursuant to a RVO will result in a materially higher recovery to creditors.

14. On April 16, 2021, this Honourable Court granted an order which, *inter alia,* approved the Monitor's execution of the Landa PSA and the Order Sought in connection with same.

15. The Monitor has previously filed six reports in these CCAA proceedings: the "**Proposed Monitor's Report**", the "**First Report**", the "**Second Report**", the "**Third Report**", the "**Fourth Report**", and the "**Fifth Report**". These reports are posted on the Monitor's website at www.ey.com/ca/terracehouse.

16. The Stay Period has been extended from time to time and the current Stay Period expires June 11, 2021. This Honourable Court has granted the following "Charges" that rank in the following order:

a) an Administration Charge in the amount of $250,000 in favor of legal counsel for the Petitioners, the Monitor, and independent counsel to the Monitor, as security for professional fees and disbursements incurred both before and after the making of the Initial Order in respect of the within proceedings; and

b) the DIP Lender's Charge in the amount of $1,500,000.

17. The purpose of this "**Sixth Report**" is to provide information to this Honourable Court with respect to the following:

    a) an update on the SISP and the conduct of the Final Marketing Phase (as defined in the Fifth Report);

    b) the Solterra PSA (defined below);

    c) the request for the approval of the Solterra PSA;

    d) the request for this Honourable Court to grant an RVO or an AVO with respect to the Solterra PSA

    e) the request for this Honourable Court to grant a Sealing Order with respect to the Confidential Supplement;

    f) an updated cash flow forecast for the Petitioners;

    g) the request for an extension to the Stay Period to September 30, 2021; and

    h) the Monitor's conclusions and recommendation.

TERMS OF REFERENCE

18. In preparing this Sixth Report and making the comments herein, the Monitor has been provided with and has herein relied upon, unaudited financial information, books, records and financial information prepared by the Petitioners, discussions with management of the Petitioners ("**Management**"), and information from other third party sources (collectively, the "**Information**"). Except as described in this Sixth Report in respect of the Cash Flow Forecast:

    a) the Monitor has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. However, the Monitor has not audited or otherwise attempted to verify the accuracy or completeness of such

information in a manner that would wholly or partially comply with Generally Accepted Assurance Standards ("**GAAS**") pursuant to the *Chartered Professional Accountants Canada Handbook* and, accordingly, the Monitor expresses no opinion or other form of assurance contemplated under GAAS in respect of the Information; and

b) some of the information referred to in this Sixth Report consists of forecasts and projections. An examination or review of the financial forecast and projections, as outlined in the *Chartered Professional Accountants Canada Handbook*, has not been performed.

19. Future oriented financial information referred to in this Sixth Report was prepared based on Management's and the Monitor's estimates and assumptions. Readers are cautioned that since projections are based upon assumptions about future events and conditions that are not readily and currently ascertainable, the actual results will vary from the projections, even if the assumptions materialize, and the variations could be material.

20. Unless otherwise indicated, the Monitor's understanding of factual matters expressed in this Sixth Report concerning the Petitioners and their business is based on the Information, and not independent factual determinations made by the Monitor.

21. All capitalized terms used herein that are undefined have the meanings ascribed thereto in the Proposed Monitor's Report, the First Report, the Second Report, the Third Report, the Fourth Report, the Fifth Report and the Amended and Restated Initial Order.

22. Unless otherwise stated all monetary amounts contained herein are expressed in Canadian Dollars.

CONDUCT OF THE FINAL MARKETING PHASE

23. The Landa PSA allowed the Monitor to engage in the Final Marketing Phase to solicit a Superior Offer to the Landa PSA. The Final Marketing Phase agreed to is best described as a hybrid between a Stalking Horse procedure and Sealed Bid procedure.

24. The table below provides a timeline for the key milestones as contemplated in the Landa PSA:

Estimated Date	Milestone
April 16, 2021	Obtain Preliminary Order
April 16, 2021	Commencement of the Final Marketing Phase
April 20, 2021	Payment of second deposit by Landa (first deposit already paid)
May 7, 2021 (being 15 business days following commencement of the Final Marketing Phase)	End of the Final Marketing Phase
May 28, 2021 (being 15 business days after the Final Marketing Phase)	Conditions removal deadline if Superior Offers are received by May 7, 2021 **or** Granting of the Vesting Order in relation to Landa PSA if no Superior Offers are received

25. The Landa PSA was approved by this Honourable Court on Friday, April 16, 2021. On Monday, April 19, 2021, the Monitor distributed a letter which described the Final Marketing Process (the "**Final Process Letter**") to eight parties who expressed interest in an acquisition or investment in the Terrace House in the SISP approved by this Honourable Court. The Final Process Letter, amongst other things, updated parties on the SISP and sought cash bids on or before Friday, May 7, 2021 (the "**Bid Deadline**"). A template copy of the Final Process Letter is attached hereto as **Appendix "A"**.

26. The Monitor received two (2) bids on or before the Bid Deadline (the "**Final Process Offers**"). The Monitor notes that each of these offers included a consideration that was higher than the Landa PSA Purchase Price. Copies of the Final Process Offers will be provided to the Court

with a confidential supplement to this Sixth Report (the "**Confidential Supplement**"). A sealing order will be sought in connection with the Confidential Supplement in order to maintain confidentiality respecting to commercially sensitive terms and to maintain the integrity of the SISP.

27. The Landa PSA required the Monitor, within a reasonable amount of time, to inform Landa as to whether a Superior Offer was received from the Final Marketing Phase. In order to be determined as a Superior Offer, any conditions of such offer must have been capable of being satisfied or waived by May 31, 2021.

28. The Monitor in the week ended May 14, 2021:

    a) reviewed the Final Process Offers with CMLS and Aviva (i.e. the Secured Creditors); and

    b) discussed the Final Process Orders with each offeror to confirm the nature, specifics and risks of closing.

29. Through this process, and given the Monitor's obligation to respond to Landa in a reasonable period of time, the Monitor selected the Final Process Offer (the "**Solterra Offer**") submitted by Solterra Acquisitions Corp ("**Solterra**") as a Superior Offer to the Landa PSA. This selection was primarily based on the premise that the Solterra Offer was unconditional and supported by CMLS; whereas the other Final Process Offer was not.

THE SOLTERRA PSA

30. On May 14, 2021, the Monitor (on behalf of the Petitioners and subject to Court approval) and Solterra executed a purchase and sale agreement (the "**Solterra PSA**") for the acquisition of the Terrace House Project (the "**Solterra Transaction**"), the key terms of which include the following:

a) a confidential Purchase Price in excess of the combined Purchase Price and Break Fee contemplated in the Landa PSA payable in cash and not contingent upon financing;

b) payment of deposits as follows:

   i. a First Deposit of approximately 1% of the Purchase Price to be paid within two business days;

   ii. a Second Deposit of approximately 4% of the Purchase Price to be paid within five business after execution of the Solterra PSA; and

   iii. a Third Deposit of approximately 5% of the Purchase Price to be paid on Court Approval.

c) a "**Cost Reimbursement**" for out of pocket professional expenses up to a maximum of $50,000 should this Honourable Court approve a different offer (subject to the approval of the Cost Reimbursement being at the discretion of this Honourable Court); and

d) an "**Outside Closing Date**" no later than September 15, 2021.

31. The Monitor notes that Solterra has paid the First Deposit and the Second Deposit referenced above.

32. A copy of the Solterra PSA, redacted for such information relating to the Purchase Price (and such other information that could be used to perform a reverse calculation of the Purchase Price), is attached hereto as **Appendix "B"**. A copy of the unredacted Solterra PSA will be provided to the Court in the Confidential Supplement.

MONITOR'S COMMENTS ON THE PROCESS RESULTING IN THE SOLTERRA SPA

33. Paragraphs 19 – 28 of the Third Report dated November 27, 2020 provide extensive detail on the Monitor's administration of the two (2) phased SISP approved by this Honourable Court. In summary, the Monitor:

a) solicited the Terrace House Project to approximately 670 potential bidders, including local, national and international strategic and financial parties and real estate developers;

b) retained CBRE Limited in a limited capacity to market the Terrace House Project to its investor network in Asia as well as a newspaper advertisement that was published in a Hong Kong newspaper, the South China Morning Post;

c) populated an electronic data room (the "**Data Room**") with key financial, corporate, operational and other information including construction drawings, consultant reports and other business documents relevant to the Terrace House Project for Prospective Parties to evaluate following the signing of a CA; and

d) short-listed six (6) "**Qualified Offerors**" to participate in Phase II of the SISP and provided those parties a period of approximately six (6) weeks to acquire or refinance the Terrace House Project (those parties which submitted the offers, the "**Qualified Offerors**").

34. The Monitor received six (6) Phase II Offers from the Qualified Offerors (the "**Phase II Bids**") and filed copies of these offers under seal a Confidential Supplement to the November 27, 2020 Third Report.

35. Following consultation with the Secured Creditors, the Monitor executed the Bosa Bid Offer Agreement on behalf of the Petitioners with Bosa. The execution of the Bosa Bid Offer Agreement was approved by this Honourable Court on December 1, 2020.

36. The Fourth Report describes that on February 16, 2021, Bosa provided the Monitor with the Confidential Feasibility Study on the Terrace House Project and put forward a proposal that varied from the Bosa Bid Offer Agreement; and accordingly, the Monitor in consultation with CMLS did not advance the Bosa Bid Offer Agreement to a definitive agreement.

37. Paragraphs 23 to 29 above describe the conduct of the Final Marketing Process by the Monitor that resulted in the Solterra SPA.

38. The original SISP and the Landa SPA which allowed for the Final Marketing Process were both approved by this Honourable Court.

39. Moreover, the Monitor consulted extensively with the Secured Creditors through the SISP and the Final Marketing Process.

40. The SISP together with the Final Marketing Period occurred over a period of approximately ten (10) months and the Monitor is satisfied that the Terrace House Project has been more than adequately exposed to the market.

41. The Monitor is of the view that the consideration under the Solterra Transaction is fair and reasonable, taking into account the canvassing of the market, unique design and construction challenges associated with the Terrace House Project, and the liquidity issues of the Petitioners.

VESTING ORDERS SOUGHT

42. The Solterra PSA contemplates two scenarios to complete and acquisition of the Terrace House Project:

    a) a share purchase to acquire the shares of the General Partner (i.e. the Bare Trustee) free and clear of encumbrances and liabilities by way of an RVO; or

b) should this Honourable Court not grant an RVO, by way of an asset purchase facilitated through an AVO.

The Proposed RVO

43. The Solterra PSA contemplates that this Honourable Court grant an RVO to facilitate the completion of the sale of the Terrace House Project by way of a share sale of the General Partner. All capitalized terms used herein that are undefined have the meanings ascribed thereto in the Solterra PSA.

44. The contemplated RVO provides for the following to occur on the closing of the Solterra Transaction:

a) a newly formed shell company, "**ShellCo**", shall be added as a Petitioner in these CCAA proceedings;

b) all of the General Partner's right, title and interest in and to the Excluded Assets shall be transferred and vested in ShellCo;

c) all Contracts (other than the Approved Contracts), Encumbrances (other than the Permitted Encumbrances), and Liability of the General Partner shall be transferred to ShellCo and the General Partner shall be released from and in respect of all obligations of the Contracts, Encumbrances and Liability;

d) all of the Limited Partnership's right, title and interest in and to the following assets and properties shall be transferred from the Limited Partnership to the General Partner:

i. the Property;

ii. the Chattels;

iii. the Approved Contracts;

iv. the Title Contracts;

v. the Plants, Permits and Approvals;

vi. the Warranties;

vii. the Intellectual Property, subject to the terms of the Solterra PSA;

viii. all insurance and new home warranties obtained in connection with the Project; and

ix. all marketing materials prepared in connection with the Project.

e) Solterra shall pay the balance of the Purchase Price, less any deposits already paid to Bennett Jones LLP (the "**Vendor's Solicitors**");

f) all of the General Partner's rights, title and interest in the Purchase Assets shall vest in Solterra free and clear of any security interests, Contracts (other than the Approved Contracts), Encumbrances (other than the Permitted Encumbrances), and Liability; and

g) the General Partner shall cease to be a Petitioner in these CCAA proceedings leaving Evergreen LP and ShellCo as the Petitioners.

45. Should this Honourable Court grant the contemplated RVO, the Monitor, on behalf of the Petitioners, will work with the Purchaser and the other parties of the Approved Contracts to assignment these contracts, to the extent possible, to the Purchaser. Prior to the Closing Date, the Monitor, on behalf of the Petitioners, will cancel, disclaim or terminate all Contracts other than the Approved Contracts.

46. Pre-sale contracts are not a Contract and the right, title and interest in the Pre-Sale Contracts are not be transferred to the General Partner.

47. Should this Honourable Court refuse to grant the RVO, the Purchase Price shall be adjusted on a dollar-for-dollar basis by the PTT that will be payable should a transfer of title to the Lands occur; and accordingly the Monitor is of the view that the sale of the General Partner pursuant to a RVO will result in a materially higher recovery to creditors.

48. The Monitor notes that the Solterra SPA does not result in a full recovery to the Construction Lender after the repayment of the DIP Facility and the Administration Charge. The estimated indebtedness of CMLS as of the date of this Sixth Report is approximately $21.1 million. The Purchase Price contemplated in the Landa PSA is insufficient to repay CMLS in full for their Construction Loan. The shortfall to be realized by CMLS on the repayment of their Construction Loan will be further increased should there be a transfer of title resulting in the payment of PTT.

49. Moreover, an RVO will enable the Purchaser to preserve a number of key agreements including a "**Building Permit**" issued by the City of Vancouver ("**COV**") and other agreements in order to carry on and complete construction of the Terrace House Projects.

50. Accordingly, it is the Monitor's view that completing the transaction under the Solterra PSA by way of an RVO is preferable to an AVO.

The Alternative AVO

51. Should this Honourable Court decide not grant the proposed RVO, the Solterra PSA contemplates the Petitioners seeking this Honourable Court to grant an AVO to facilitate the delivery of the Terrace House Project to Solterra. All capitalized terms used herein that are undefined have the meanings ascribed thereto in the Solterra PSA.

52. Pursuant to the Solterra PSA, should this Honourable Court not grant an RVO, the Purchase Price will be reduced by the amount of the Property Transfer Tax payable by the Purchase on transfer of the Property.

53. The Solterra PSA contemplates that Solterra shall acquire all right, title and interest, in and to the following assets and properties of the Petitioners by way of an AVO:

a) the Property;

b) the Chattels;

c) the Approved Contracts;

d) the Title Contracts;

e) the Plants, Permits and Approvals;

f) the Warranties;

g) the Intellectual Property, subject to the terms of the Solterra SPA;

h) all insurance and new home warranties obtained in connection with the Project; and

i) all marketing materials prepared in connection with the Project.

SIXTH CASH FLOW FORECAST

54. The Monitor, on behalf of the Petitioners, has prepared a weekly cash flow projection (the "**Sixth Report Forecast**") for the period of May 15, 2021 to September 30, 2021 (the "**Sixth Report Cash Flow Period**") being the approximate timing of the Outside Closing Date.

Ending Cash after DIP Financing	**(3,891)**	**34,039**	**37,930**	**4,174**

56. Broadly speaking, the positive variance in disbursements noted above is attributable to timing differences and spending restraint and timing differences with payment of professional fees.

57. Cash receipts contemplated in the Sixth Report Forecast are comprised of an estimated GST refund of $46,456.

58. Restructuring costs contemplated in the Sixth Report Forecast include the payment of professional fees of the Monitor, the Monitor's legal counsel, and the Petitioner's legal counsel some of which relate to services already rendered.

59. The Fifth Report Forecast contemplates payments of $76,470 for insurance premiums for an extension of the policies from June 30, 2021 to September 30, 2021.

60. The Fifth Report Forecast does not contemplate any cash outlay for construction costs, other than those required for site preservation.

THE DIP FACILITY

61. On June 8, 2020, this Honourable Court approved a "**Commitment Letter**" issued by the DIP Lender to provide the DIP Facility to the Petitioners. The maximum amount permitted to be borrowed under the Commitment Letter is $1,500,000 unless permitted by further order of this Court. A related charge in the same amount (the "**DIP Lender's Charge**") was granted by this Honourable Court with respect to the DIP Facility.

62. To date, the Petitioners have drawn $1.25 million under the existing approved DIP Facility of $1,500,000. The Sixth Report Forecast that is summarized above projects that the Petitioners will require continued access to the DIP Facility in the gross amount of $1,800,000; and accordingly, the Monitor, on behalf of the Petitioners, is seeking an Order which authorizes the Petitioners to borrow up to $1,500,000 under the DIP Facility and to increase the DIP Charge by $300,000 to $1,800,000.

63. The Monitor has confirmed with the DIP Lender that, conditional upon a detailed review and approval of the Sixth Report Forecast, it supports providing enough time and financing necessary for the Monitor to complete the Solterra PSA and is prepared to enter into amendment to the DIP Commitment Letter and DIP Facility Documentation (the "**DIP Amendments**") to accommodate the necessary borrowings at same or similar borrowing terms.

REQUEST FOR AN EXTENSION OF THE STAY OF PROCEEDINGS

64. The Stay Period is currently set to expire on June 11, 2021. The Monitor on behalf of the Petitioners is requesting an extension of the Stay Period until September 30, 2021, being the approximate anticipated timeframe for the completion of the Solterra SPA.

65. The Monitor has considered the onus that resides with the Petitioners to demonstrate that an extension of the Stay of Proceedings by this Honourable Court is warranted, having regard to:

a) the circumstances that justify the making of an extension order;

b) the good faith efforts of the Petitioners to effect the restructuring; and

c) the due diligence with which the Petitioners are advancing the restructuring.

Circumstances that justify the extension sought

66. In the Monitor's view, the extension of the Stay of Proceedings is necessary in order to:

a) to seek the close of the Solterra Transaction should this Honourable Court grant an order approving the Solterra PSA; and

b) maintain operational control and preserve the Terrace House Project.

67. Moreover, as is depicted in the Sixth Report Cash Flow Forecast, the Monitor projects that the Petitioners will have sufficient liquidity and cash on hand to fund their ongoing obligations through September 30, 2021 should this Honourable Court grant an order authorizing the Petitioners to borrow up to $1,800,000 under the DIP Facility and increasing the DIP Lender's Charge to this same amount.

Good Faith Efforts and Due Diligence

68. The Monitor on behalf of the Petitioners has working in good faith and with due diligence on a plan to identify, if possible, a buyer or investor for the Terrace House Project.

69. The Petitioners have complied with all of the requirements under the CCAA, as well as the various orders granted by this Honourable Court in this proceeding.

70. For the foregoing reasons, the Monitor supports the Petitioners' request for an order extending the Stay Period to September 30, 2021.

CONCLUSIONS AND RECOMMENDATIONS

71. Based on the foregoing, the Monitor recommends that this Honourable Court grant Order(s) approving the following:

a) extending the Stay Period from June 11, 2021 to September 30, 2021;

b) increasing the DIP Lender's Charge to $1,800,000;

c) approving the Solterra PSA; and

d) approving a sealing order with respect to the Confidential Supplement.

All of which is respectfully submitted this 20th day of May, 2021.

Dear: [•]

Re: Terrace House Sale and Investment Solicitation Process ("SISP")

We thank you for your past interest in the Terrace House Project and write this letter to: a) provide you with an update on the SISP, and b) re-solicit your interest acquiring the project.

The Monitor previously entered into an agreement with another party (the "**Selected Bidder**") to acquire the Terrace House project (the "**Bid Offer**"). The Bid Offer was approved by the Court on December 1, 2020 and provided the Selected Bidder with a 75-day due diligence period (the "**Due Diligence Period**"). The Bid Offer did not advance to a Formal Agreement.

The Monitor, in consultation with the Terrace House Project's Construction Lender, subsequently entered into a binding purchase and sale agreement with another purchaser (the "**Binding PSA**") which allows further marketing of, and negotiations in connection with, the project (the "**Final Marketing Phase**"). The purchase price of the Binding PSA is being kept confidential. Parties are encouraged to put forward their best **cash** offers that may be superior (a "**Superior Bid**") to the Binding PSA.

Since we last engaged with you, the Monitor has supplemented the electronic data room with additional information on Terrace House Project to assist you in furthering your diligence to submit a cash offer, including:

- Architectural Drawings;
- IFC Drawings including: mechanical, structural, electrical, landscape, among others;
- Shop Drawings including: glazing, mass timber, among others; and
- Building Specifications.

The deadline for the submission of cash offers is **Friday, May 7, 2021 at 5:00 PM** Pacific Standard Time (the "**Deadline**").

If the offer you submit is determined to be a Superior Bid to the Binding PSA, you would have a maximum of an additional fifteen (15) business days to remove any conditions. The Monitor (in consultation with Secured Creditors) will consider, among other matters, the following in determining whether your bid is a Superior Bid to the Binding PSA:

- Purchase Price;
- The nature and extent of any conditions to your bid; and
- Timeline to a closing

A form of purchase agreement has been posted to the data room to assist you in submitting an offer should you remain interested in an acquisition or investment in the Terrace House Project.

Failure by the Purchaser to so elect within the period set out above will be deemed to be an election to complete the purchase of the Purchased Assets. The Vendor will promptly notify the Purchaser if it becomes aware of any Material Loss.

ARTICLE 5 – ADJUSTMENTS AND RELATED MATTERS

5.1 Adjustments. The Purchase Price payable by the Purchaser to the Vendor for the Purchased Assets will be subject to adjustment. All adjustments with respect to the Purchased Assets, including taxes, utilities, deposits and interest on deposits (if any), and other items normally adjusted between a vendor and purchaser in the sale of similar properties in British Columbia will be adjusted as of the Closing Date so that the Vendor will bear and pay all expenses and receive all income related to the Purchased Assets accruing prior to the Closing Date and the Purchaser will bear and pay all expenses and receive all income related to the Purchased Assets accruing on and after the Closing Date and the Purchase Price will be adjusted accordingly. The Vendor shall cause any water, gas, or electrical meter readings required to make the adjustments herein.

5.3 Re-Adjustment Determination. The parties acknowledge and agree that there will be no re-adjustment after the Closing Date.

5.4 Purchase Price Reduction. In the event that an Approval and Vesting Order (rather than a Reverse Vesting Order) is granted by the Court, the parties agree that the Purchase Price shall be reduced by an amount equal to the amount of property transfer tax payable by the Purchaser in connection with the transfer of the Property to the Purchaser on the Closing Date.

ARTICLE 6 – POSSESSION

6.1 Possession Date. The Purchaser will, upon completion of the purchase and sale have possession of all Purchased Assets as of the Closing Date free and clear of all Encumbrances subject only to the Permitted Encumbrances.

6.2 Non-assignable Assets. If any of the Purchased Assets are not transferable without consent of a third party by the terms of the applicable instruments, the Vendor shall use commercially reasonable efforts to obtain such consent prior to the Closing Date and, if such consent is not obtained by the Closing Date, the Vendor shall use commercially reasonable efforts to obtain an Order in the CCAA Proceedings transferring or assigning, as applicable, such Purchased Assets to the Purchaser. For certainty, any failure to obtain the consent of any such third party will not constitute a default of the Vendor nor will it entitle the Purchaser to terminate this Agreement.

ARTICLE 7 – REPRESENTATIONS AND WARRANTIES

7.1 Vendor's Representations and Warranties. The Vendor represents and warrants to the Purchaser, regardless of any independent investigations that the Purchaser may cause to be made, that as at the date of this Agreement:

(a) the Limited Partnership is a limited partnership formed under the *Partnership Act* (British Columbia) and has the power and authority to own the Purchased Assets,

to enter into this Agreement, and to perform its obligations under this Agreement, all of which have been authorized by all necessary proceedings;

(b) the GP is a corporation formed under the *Business Corporations Act* (British Columbia) and has the power and authority to own the Purchased Assets, in its capacity as general partner of the Limited Partnership or in its own capacity, as applicable, to enter into this Agreement, and to perform its obligations under this Agreement, all of which have been authorized by all necessary proceedings;

(c) the Limited Partnership is a Canadian partnership within the meaning of the *Income Tax Act* (Canada); and

(d) the GP is not a non-resident of Canada within the meaning of the *Income Tax Act* (Canada).

7.2 Survival of Vendor's Representations and Warranties. The representations and warranties contained in Section 7.1 will survive the Closing Date and will continue in full force and effect for the benefit of the Purchaser after the Closing Date for a period of 12 months, unless otherwise expressly indicated herein, notwithstanding any independent inquiry or investigation by the Purchaser or the satisfaction or waiver by the Purchaser of any condition set out in Section 8.1, the subject matter of which is contained in a representation or warranty in this Agreement.

7.3 Purchaser's Representations and Warranties. The Purchaser represents and warrants to the Vendor, regardless of any independent investigation that the Vendor may cause to be made that:

(a) the Purchaser is a corporation incorporated and existing under the laws of British Columbia;

(b) the Purchaser has the corporate power and authority to enter into this Agreement and to perform its obligations under this Agreement;

(c) there is no action or proceeding pending or to the best of the Purchaser's knowledge, threatened against the Purchaser before any court, arbiter, arbitration panel, administrative tribunal or agency which, if decided adversely to the Purchaser, might materially affect the Purchaser's ability to perform the Purchaser's obligations hereunder;

(d) neither the Purchaser's entering into this Agreement nor the performance of its terms will result in the breach of or constitute a default under any term or provision of any indenture, mortgage, deed of trust or other agreement to which the Purchaser is bound or subject;

(e) the Purchaser is not a non-Canadian for the purposes of the *Investment Canada Act* (Canada); and

(f) the Purchaser is not a foreign entity for the purposes of the *Property Transfer Tax Act* (British Columbia).

7.4 Survival of Purchaser's Representations and Warranties. The representations and warranties contained in Section 7.3 will survive the Closing Date and will continue in full force and

effect for the benefit of the Vendor after the Closing Date for a period of 12 months, unless otherwise expressly indicated herein, notwithstanding any independent inquiry or investigation by the Vendor.

7.5 "As Is" Purchase. The Purchaser acknowledges and agrees that:

(a) in entering into this Agreement and completing the transactions contemplated herein, except for the representations and warranties of the Vendor set out in Section 7.1, the Purchaser has relied and will continue to rely solely upon its own due diligence with respect to the Purchased Assets;

(b) the Purchased Assets are being purchased by the Purchaser on an "as is, where is" basis as of the Closing Date and without any representation or warranty, whether expressed or implied by this Agreement or at law, by the Vendor of any nature or kind whatsoever respecting any of the Purchased Assets or any matter relating thereto, except for the representations and warranties of the Vendor set out in Section 7.1 or in the Closing Documents;

(c) except for the representations and warranties of the Vendor set out in Section 7.1 or in the Closing Documents, the Vendor makes no representations or warranties concerning any statements made or information delivered or made available to the Purchaser (whether by the Vendor, the Vendor's Solicitors or any other agents, representatives or advisors of the Vendor or any of their respective affiliates, or any other person) with respect to the Purchased Assets, whether included as part of any due diligence maters or any other information disclosed to the Purchaser or otherwise; and

(d) except as otherwise expressly provided for in this Agreement or in the Closing Documents, the Vendor shall have no obligations or responsibility to the Purchaser after the Closing Date with respect to any matter relating to the Purchased Assets or the condition thereof.

The provisions of this Section shall survive closing or the termination of this Agreement.

ARTICLE 8 – CONDITIONS PRECEDENT

8.1 Purchaser's Conditions. The Purchaser's obligation to complete the transactions contemplated by this Agreement is subject to the following conditions, all of which are for the sole benefit of the Purchaser:

(a) on the Closing Date, the representations and warranties of the Vendor contained in Section 7.1 will be true and correct in all material respects with the same effect as though such representations and warranties had been made on and as of the Closing Date; and

(b) on the Closing Date, all of the covenants and agreements of the Vendor to be performed on or before the Closing Date pursuant to this Agreement will have been duly performed in all material respects.

If the conditions set out in this Section have not been satisfied by notice in writing from the Purchaser to the Vendor, by the times specified in this Section, the Purchaser may by notice in

writing to the Vendor waive satisfaction of such conditions, in whole or in part, without prejudice to any of its other rights under this Agreement and complete the purchase of the Purchased Assets or elect not to complete.

8.2 Satisfaction and Waiver of Purchaser's Conditions. The parties agree that if the Purchaser does not give notice to the Vendor by the Condition Date that the condition precedent set out in Section 8.1(a) is satisfied or waived, then this Agreement will automatically be null and void upon the expiry of such time and the Deposit shall be returned to the Purchaser with interest (if any).

8.3 Consideration for and Nature of Conditions. A portion of the Deposit in the amount of $10.00 represents non-refundable consideration paid by the Purchaser for its right to satisfy or waive the conditions set out in Section 8.1 and Section 8.4 and the Vendor acknowledges the sufficiency in all respects of such consideration. Although the Purchaser's obligation to complete the transaction contemplated by this Agreement is subject to satisfaction or waiver of conditions, those conditions are not conditions to there being a binding agreement of purchase and sale between the parties respecting the Purchased Assets and until the time limited for the satisfaction or waiver of such conditions has expired, this Agreement is not void, voidable, revocable or, except for default, otherwise capable of being terminated by either of the parties.

8.4 Mutual Conditions. The obligation of each of the parties to complete the transactions contemplated by this Agreement is subject to the following mutual conditions, all of which are for the benefit of both the Vendor and the Purchaser:

(a) [Intentionally Deleted];

(b) on or before 5:00 p.m. (Vancouver time) on June 15, 2021, the Vendor has obtained (at the sole cost of the Vendor) an Order or Orders (the "**Final Order**") either:

(i) (A) adding ShellCo as a debtor to the CCAA Proceedings; (B) replacing the GP as the general partner of the Limited Partnership with ShellCo; (C) transferring and assigning all of the Excluded Assets to ShellCo; (D) vesting title to the Purchased Assets (including, without limitation, the Shares) in and to the Purchaser, free and clear of all Encumbrances except the Permitted Encumbrances; and (E) approving this Agreement and implementing the transactions contemplated herein in accordance with its terms (the "**Reverse Vesting Order**"); or

(ii) (A) vesting title to the Purchased Assets (which, for certainty, do not include any shares of the GP) in and to the Purchaser, free and clear of all Encumbrances except the Permitted Encumbrances and in a form registrable in the Land Title Office; and (B) approving this Agreement and implementing the transactions contemplated herein in accordance with its terms (the "**Approval and Vesting Order**").

8.5 Satisfaction of Mutual Conditions. The parties agree that if each of the Purchaser and the Vendor do not give notice to the other party by the time limited in Section 8.4(b) that the conditions in those Sections are satisfied, then this Agreement will automatically be null and void upon the expiry of such time and the Deposit shall be returned to the Purchaser with interest (if any). For certainty, a failure to satisfy any of the conditions set out in Section 8.4 shall not

constitute a default of either party. In the event that an Order is granted ordering the sale of the Purchased Assets to a party other than the Purchaser, the Vendor shall pay to the Purchaser the Purchaser's reasonable costs incurred to the date of the Order up to a maximum of Fifty Thousand Dollars ($50,000.00), within ten (10) Business Days after the Vendor's receipt of proceeds of the sale of the Purchased Assets to such other party.

8.6 Vendor's Conditions. The Vendor's obligation to complete the transactions contemplated by this Agreement is subject to the following conditions, all of which are for the sole benefit of the Vendor:

(a) on the Closing Date, the representations and warranties of the Purchaser contained in Section 7.3 will be true and correct in all material respects with the same effect as though such representations and warranties had been made on and as of the Closing Date; and

(b) on the Closing Date, all of the covenants and agreements of the Purchaser to be performed on or before the Closing Date pursuant to this Agreement will have been duly performed in all material respects.

If the conditions set out in this Section have not been satisfied by notice in writing from the Vendor to the Purchaser, by the times specified in this Section, the Vendor may, with the written consent of the Monitor, by notice in writing to the Purchaser waive satisfaction of such conditions, in whole or in part, without prejudice to any of its other rights under this Agreement and complete the sale of the Purchased Assets or elect not to complete.

8.7 [Intentionally Deleted].

8.8 Consideration for and Nature of Conditions. The Vendor hereby pays to the Purchaser the amount of $10.00 representing non-refundable consideration paid by the Vendor for its right to satisfy or waive the conditions set out in Sections 8.4 and 8.6 and the Purchaser acknowledges the sufficiency in all respects of such consideration. Although the Vendor's obligation to complete the transaction contemplated by this Agreement is subject to satisfaction or waiver of conditions, those conditions are not conditions to there being a binding agreement of purchase and sale between the parties respecting the Purchased Assets and until the time limited for the satisfaction or waiver of such conditions has expired, this Agreement is not void, voidable, revocable or, except for default, otherwise capable of being terminated by either of the parties.

8.9 CCAA Proceedings. The Purchaser shall support the application for the Final Order. Each of the parties agrees that the Vendor shall seek a Reverse Vesting Order from the Court as a first option and, failing that, the Vendor shall seek an Approval and Vesting Order from the Court. In the event any variation is sought or leave to appeal is sought, an appeal is taken or a stay pending appeal is requested with respect to the Final Order, the Vendor shall promptly notify the Purchaser of such application for leave to appeal, appeal or stay request and shall promptly provide to the Purchaser a copy of the related notice(s) or order(s).

8.10 Form of Order. The Vendor or its solicitors will provide the Purchaser and its solicitors with a draft copy of all Orders proposed to be obtained in connection with this Agreement for review and comment at least two (2) days prior to the date that the Vendor applies for such Order(s), and, provided that such amendments are consistent with the terms set out herein, the Vendor will incorporate any reasonable amendments requested by the Purchaser or its solicitors.

ARTICLE 9 – CLOSING

9.1 Closing. The closing of the purchase and sale of the Purchased Assets will commence at 10:00 a.m. (Vancouver time) on the Closing Date as a virtual closing with documents to be exchanged electronically, or at such other time on the Closing Date or in such other format as may be agreed in writing by the Vendor and the Purchaser.

9.2 Vendor's Closing Documents. On or before the Closing Date, the Vendor will deliver, or cause the Vendor's Solicitors to deliver, to the Purchaser's Solicitors in trust to be held in escrow as provided in this Agreement, the following duly executed as applicable and all in a form satisfactory to the Purchaser, acting reasonably:

(e) an assignment and assumption of Permitted Encumbrances and Title Contracts;

(g) a bill of sale conveying the Chattels to the Purchaser;

(h) a statement of adjustments pursuant to Article 5;

(i) an assignment of all of the Vendor's rights under any and all Warranties wherein the Purchaser acquires all rights under the Warranties whether arising prior to or after the Closing Date;

(j) in the event that a Reverse Vesting Order is granted: (i) a transfer of the Shares together with all resolutions, certificates and acknowledgements of the Limited

Partnership and the GP as may be reasonably required by the Purchaser to effectively transfer the Shares; and (ii) an amendment to the LP Agreement effecting the change in the general partner from the GP to ShellCo, together with all supporting resolutions, certificates and acknowledgements of the Limited Partnership and the GP as may be reasonably required by the Purchaser;

(k) a certificate dated as of the Closing Date of a senior officer of the GP, in its own capacity and as general partner of the Limited Partnership, having knowledge of the facts certifying, on behalf of the GP and the Limited Partnership and without personal liability, that the representations and warranties set out in Section 7.1 are true and correct in all material respects as at the Closing Date and that the Vendor's covenants and agreements to be observed or performed on or before the Closing Date pursuant to the terms of this Agreement have been duly observed and performed in all material respects;

(l) a notice from the Vendor to the other parties under the Approved Contracts giving notice of the sale of the Property;

(m) keys to all units and facilities of the Property to the extent required by the Purchaser; and

(n) such other documents and assurances as may be reasonably required by the Purchaser to give full effect to the intent and meaning of this Agreement.

9.3 Purchaser's Closing Documents. On or before the Closing Date, the Purchaser will deliver, or cause the Purchaser's Solicitors to deliver, to the Vendor's Solicitors in trust to be held in escrow as provided in this Agreement, the following duly executed as applicable:

(a) an assignment and assumption of Approved Contracts, Plans, Permits and Approvals;

(b) an assignment and assumption of Permitted Encumbrances and Title Contracts;

(d) the GST Certificate;

(e) a certificate dated as of the Closing Date of a senior officer of the Purchaser having knowledge of the facts certifying, on behalf of the Purchaser and without personal liability, that the representations and warranties set out in Section 7.3 are true and correct in all material respects as at the Closing Date and that the Purchaser's covenants and agreements to be observed or performed on or before the Closing Date pursuant to the terms of this Agreement have been duly observed and performed in all material respects; and

(f) such other documents and assurances as may be reasonably required by the Vendor to give full effect to the intent and meaning of this Agreement.

9.4 Preparation and Form of Documents. The closing documents contemplated in Sections 9.2 and 9.3 (collectively, the "**Closing Documents**"), other than the statement of adjustments in Article 5, the materials required in connection with a Reverse Vesting Order set out in Section 9.2(j), if applicable, and the Final Order, will be prepared by the Purchaser's Solicitors and delivered to the Vendor's Solicitors at least five (5) Business Days before the Closing Date. The Closing Documents (including the statement of adjustments in Article 5, the materials required in connection with a Reverse Vesting Order set out in Section 9.2(j), if applicable, and the Final Order) will be in a form and substance reasonably satisfactory to the parties. The Vendor shall provide the Purchaser with drafts of all materials to be filed with the Court no later than two (2) days prior to the date of any hearing of the Court regarding the Final Order.

9.5 Payment into Trust. On or before the Closing Date, the Purchaser will pay to the Purchaser's Solicitors in trust, by way of certified cheque, bank draft, or wire transfer, funds in an amount equal to the Balance, as adjusted, less any amount to be advanced to the Purchaser on the Closing Date under any mortgage financing arranged by the Purchaser, as further described in Section 9.9.

9.6 Registration. On the Closing Date, after receipt by the Purchaser's Solicitors of the Closing Documents set out in Section 9.2 and the funds as set out in Section 9.5, and after receipt by the Vendor's Solicitors of the Closing Documents set out in Section 9.3, the Purchaser will cause the Purchaser's Solicitors to file the Final Order in the Land Title Office and any security documents applicable to any mortgage financing arranged by the Purchaser, as further described in Section 9.9.

9.7 Closing Escrow. All Closing Documents, funds, and other items delivered by the parties, except the Final Order (which will be dealt with pursuant to Section 9.6), will be held in trust by the Vendor's Solicitors and the Purchaser's Solicitors until completion of closing on the Closing Date in accordance with this Agreement. Promptly after the filings set out in Section 9.6 and a satisfactory post filing for registration search has been received by the Purchaser's Solicitors showing that title to the Property will be registered in the name of the Purchaser free and clear of all Encumbrances except for the Permitted Encumbrances or any Encumbrances granted by or claimed through the Purchaser, the Closing Documents will be released to the appropriate parties and the Purchaser will cause the Purchaser's Solicitors to pay the Purchase Price, as adjusted, to the Vendor's Solicitors by way of wire transfer.

9.8 Concurrent Requirements. It is a condition of the closing that all matters of payment, execution and delivery of documents by each party to the other and the filing of documents in the Land Title Office as set out in Section 9.6, all pursuant to the terms of this Agreement, will be deemed to be concurrent requirements and it is specifically agreed that nothing will be complete at the closing until everything required as a condition precedent at the closing has been paid, executed and delivered and all filings set out in Section 9.6 have been completed.

9.9 Purchaser's Financing. If the Purchaser is relying upon a new mortgage to finance the purchase of the Purchased Assets, the Purchaser, while still required to pay the Purchase Price on the Closing Date, may wait to pay the Purchase Price until after the Final Order and new mortgage documents have been filed in the Land Title Office and after receipt of the proceeds of such mortgage financing, but only if, before such filing, the Purchaser has:

(a) made available for tender to the Vendor that portion of the Purchase Price not secured by the new mortgage;

(b) fulfilled all the new mortgagee's conditions for funding except filing the mortgage for registration; and

(c) made available to the Vendor, a lawyer's undertaking to pay the Purchase Price upon the filing of the Final Order and new mortgage documents and the advance by the mortgagee of the mortgage proceeds.

9.10 Payment by Wire Transfer. Notwithstanding anything else contained herein, provided the Purchaser's Solicitors have initiated the wire transfer for the balance of the Purchase Price, as adjusted, to the Vendor's Solicitors on the Closing Date, and provided the Vendor's Solicitors with written confirmation thereof, the Purchaser will be deemed to have paid the balance of the Purchase Price, as adjusted, due to the Vendor if such amount is credited to the Vendor's Solicitors account by 11:00 a.m. (Vancouver time) on the first Business Day following the Closing Date without interest or penalty. If such amount is not received by 11:00 a.m. (Vancouver time) on the first Business Day following the Closing Date, the Purchaser will pay to the Vendor interest at the rate of the prime rate of interest designated from time to time by Royal Bank of Canada plus 3% per annum on such amount until such time as it is received by the Vendor.

9.11 Termination.

(a) Notwithstanding any other provision of this Agreement, if the transactions contemplated by this Agreement do not complete on or prior to September 30, 2021, other than as a result of the default of the Purchaser, then the Purchaser may terminate this Agreement with written notice delivered to the Vendor without any further liability and the Deposit and interest (if any) shall be returned to the Purchaser.

(b) Notwithstanding any other provision of this Agreement, if the transactions contemplated by this Agreement do not complete on or prior to September 30, 2021, other than as a result of the default of the Vendor, then the Vendor may terminate this Agreement with written notice delivered to the Purchaser without any further liability and the Deposit and interest (if any) shall be returned to the Purchaser.

ARTICLE 10 – TAXES

10.1 GST. The Purchaser represents and warrants to Vendor that it is and will be, as of the closing on the Closing Date, registered for the purposes of Part IX of the *Excise Tax Act* (Canada) (the "**ETA**") in accordance with the requirements of Subdivision D of Division V of the ETA and will assume responsibility to account for, report and remit any goods and services tax and harmonized sales tax (collectively, the "**GST**") payable under the ETA in connection with the transaction contemplated in this Agreement. On the Closing Date, the Purchaser will deliver to the Vendor a certificate (the "**GST Certificate**") of a senior officer of the Purchaser certifying, on behalf of the Purchaser and without personal liability (a) that the Purchaser is registered under Part IX of the ETA as of the Closing Date; (b) its registration number; and (c) that the Purchaser will account for, report and remit any GST payable in respect of the purchase of the Purchased Assets in accordance with the ETA. If the Purchaser delivers such GST Certificate, then the Purchaser will not be required to pay to the Vendor, and the Vendor will not be required to collect from the Purchaser nor report or remit, any GST in connection with the transaction contemplated in this Agreement. The Purchaser shall indemnify and hold the Vendor and its directors, officers, employees, advisors and agents harmless from any liability under the ETA arising as a result of

any breach of this Section, the GST Certificate or any declaration made therein and such indemnity shall survive the completion of the transactions contemplated herein.

10.2 Provincial Sales Tax. The Purchaser acknowledges that it may be liable to pay provincial sales tax in respect of some or all of the Chattels and, if required, it will report and remit as required by applicable law any such sales tax that is due directly to the applicable taxing authority. The Purchaser shall indemnify and hold the Vendor and its directors, officers, employees, advisors and agents harmless from any liability related to the Vendor's failure to account for, report and remit such provincial sales tax and such indemnity shall survive the completion of the transactions contemplated herein.

10.3 Tax Elections. Notwithstanding the above, the Vendor will cooperate with the Purchaser to execute any election available under applicable law that may reduce or defer the amount or due date of any GST or other tax payable by the Purchaser provided such election will not result in any increased cost or tax liability for the Vendor.

10.4 Other Taxes. The Purchaser shall be responsible for all transfer taxes (subject to an adjustment to the Purchase Price in accordance with Section 5.4), fees and expenses in connection with the registration of the Final Order or transfer of the Purchased Assets.

10.5 Preparation of Tax Returns After Closing. In the event that a Reverse Vesting Order is granted by the Court and the Purchaser acquires the Shares (along with the balance of the Purchased Assets), the Vendor agrees that forthwith following closing on the Closing Date the Vendor will, in consultation with the Purchaser and the Purchaser's professional advisors and accountants, cause income tax and other tax returns consequent to the closing to be prepared for the GP. The Purchaser will be responsible for all reasonable costs related to the preparation and filing of these returns along with the costs of the Purchaser's own accountant and other consultants in reviewing the same. The Vendor will also provide reasonable assistance in preparing and filing all financial statements, tax returns and other documents required by law in respect of any government charges or in respect of any federal, provincial, municipal or other taxing statute for fiscal periods of the GP ending for tax purposes on or before the Closing Date.

ARTICLE 11 – GENERAL

11.1 Further Assurances. Each of the parties will execute and deliver all such further documents and do such further acts and things as may be reasonably required from time to time to give effect to this Agreement.

11.2 No Merger. The execution and delivery of the Closing Documents is not intended to and will not in any way merge or otherwise restrict the terms, covenants, conditions, representations, warranties or provisions made or to be performed or observed by the parties contained in this Agreement other than the obligation to deliver the Closing Documents.

11.3 Entire Agreement. This Agreement constitutes the entire agreement between the Vendor and the Purchaser pertaining to the purchase and sale of the Purchased Assets and supersedes all prior agreements and undertakings, negotiations and discussions, whether oral or written, of the Vendor and the Purchaser, including, for certainty, the LOI, and there are no representations, warranties, covenants or agreements between the Vendor and Purchaser except as set out in this Agreement.

11.4 Amendment. Subject to Section 11.5, this Agreement may only be altered or amended by an agreement in writing executed by all of the parties.

11.5 Solicitors as Agents. If the duration of the Excusable Delay exceeds 60 days from the date of giving a Delay Notice, the party receiving such Delay Notice may terminate this Agreement forthwith, notwithstanding any other provision of this Agreement, by giving written notice of termination to the other party, in which event the parties shall have no further obligations to one another. In determining whether delay is excusable, the party giving the Delay Notice shall be held to a commercially reasonable standard and not to a best efforts standard.

11.14 Assignment. IN THE MATTER OF A PLAN OF COMPROMISE AND ARRANGEMENT OF PORT CAPITAL DEVELOPMENT (EV) INC. and EVERGREEN HOUSE DEVELOPMENT LIMITED PARTNERSHIP

NOTICE OF APPLICATION

Names of applicants: Port Capital Development (EV) Inc. and Evergreen House Development Limited Partnership

To: The Service List

TAKE NOTICE that an application will be made by the applicants to Madam Justice Fitzpatrick at the courthouse at 800 Smithe Street Vancouver BC V6Z 2E1 on May 25, 2021 at 10:00 a.m. by MS Teams, for the order set out in Part 1 below.

Part 1: ORDER SOUGHT

1. An Order substantially in the form attached as **Schedule A** hereto, providing for the following relief:

   (a) Abridging the time for service of this notice of application, to the extent necessary;

   (b) Granting an extension of the stay of proceedings to and including September 30, 2021; and

(c) Approving an increase to the credit facility provided by Desjardins Financial Security Life Assurance Company (the "**Interim Lender**") from $1,500,000 to $1,800,000.

2. An Order substantially in the form attached as **Schedule B** hereto, providing for the following relief:

(a) Granting of a sealing order with respect to the confidential supplement to the Monitor's Sixth Report.

3. An Order substantially in the form attached as **Schedule C** hereto, providing for the following relief:

(a) Approving the Purchase and Sale Agreement entered into on May 13, 2021 (the "**PSA**") between Port Capital Development (EV) Inc. and Evergreen House Development Limited Partnership as vendors (the "**Vendor**") and Solterra Acquisition Corp. (the "**Purchaser**" or "**Solterra**");

(b) Authorizing the Monitor to incorporate a new subsidiary of Port Capital Development (EV) Inc. ("**Residual Co**") who will be a party to which the *Companies' Creditors Arrangement Act,* R.S.C. 1985, c. C-36, as amended ("**CCAA**") applies;

(c) Ordering and declaring that upon the filing of the Monitor's Certificate attached to the proposed form of Reverse Vesting Order, that all of the Excluded Assets (as defined in the PSA) shall be transferred and vested absolutely in the name of Residual Co.

4. Such further and other relief as this Honourable Court may deem just.

Part 2: FACTUAL BASIS

1. The Petitioners, Evergreen House Development Limited Partnership and its general partner, Port Capital Development (EV) Inc., own the "**Terrace House Project**". The Terrace

House Project consists of an ongoing development of a high-rise luxury residential strata development in the Coal Harbour neighbourhood, located at 1250 W Hastings St., Vancouver.

2. On May 29, 2020, the Petitioners obtained an order in these proceedings (the "**Initial Order**") granting them various relief pursuant to CCAA.

3. Among other things, the Initial Order established a stay of proceedings (the "**Stay of Proceedings**") effective until June 8, 2020 and appointed Ernst & Young, Inc. as monitor (the "**Monitor**") in these proceedings with enhanced powers to execute control over the Petitioners, explore restructuring opportunities and administer a "dual-track" sale and investment solicitation process to obtain an equity investment, a refinancing or alternatively a sale of the Terrace House Property (the "**SISP**").

4. On June 8, 2020, the Petitioners obtained an amended and restated initial order (the "**ARIO**") in these proceedings that, among other things:

(a) extended the Stay of Proceedings to and including September 3, 2020;

(b) approved an interim financing facility (the "**DIP Facility**") with the Interim Lender.

5. On December 1, 2020, this Honourable Court granted an extension of the stay of proceedings and a Bid Offer Agreement with respect to the Terrace House Project.

6. On February 24, 2021, this Honourable Court granted a further extension of the stay of proceedings up to and including May 4, 2021 and also authorized an increase to the DIP Facility. As part of the February 24, 2021 application, the Court was advised that the Bid Offer Agreement would not be proceeding.

7. On April 16, 2021, this Honourable Court granted a further extension of the stay of proceeding to June 11, 2021 and approved the Monitor entering into a purchase and sale agreement (the "**Landa PSA**") with Landa Global Acquisitions Ltd. ("**Landa**") which provided for the opportunity for third parties to submit competing bids.

Activities since the last stay extension

8. Since the date of the last stay extension, the Monitor has, among other things, with the cooperation of the Petitioners:

a) managed the site preservation of the Terrace House Project;

b) managed the cash flows of the Petitioners; and

c) conducted a competitive process for competitive bids to that which was provided by Landa and entered into the PSA with Solterra.

Necessity for Stay Extension

9. The Petitioners seek an extension of the Stay of Proceedings to and including September 30, 2021, to provide the Monitor with additional time to complete the transaction pursuant to the PSA.

10. The extension of the Stay of Proceedings will allow the Monitor and Petitioners to maintain operational control and to preserve the Terrace House Project. The stay is also consistent with the anticipated closing period set out in the PSA with Solterra and should the DIP Facility increase be granted, the Petitioners will have sufficient cash flow during this period.

11. The Petitioners have acted and continue to act in these proceedings in good faith and with due diligence.

Necessity for an Increase in the DIP Facility

12. As set out in the Sixth Report of the Monitor, the Cash Flow Forecast prepared by the Monitor projects that the authorized borrowings under the DIP Facility are insufficient to pay obligations anticipated to arise over the proposed extension of the Stay of Proceedings.

13. Granting the increase to the DIP Facility will provide the Petitioners with the necessary time to work towards completing a transaction, and enhance a viable arrangement.

14. The benefits of increasing the facility outweigh the potential prejudice to creditors.

Proposed Transaction

15. As this court is aware, no successful transaction resulted from the Court Approved Sales process ("**SISP**"). As such, the Monitor negotiated and obtained court approval to enter into the Landa PSA, The Landa PSA provided for a two-step process, the second step included 15 business days during which competitive proposals could be submitted. If there were no competitive proposals received that were deemed superior to the Landa PSA, the Court would then be asked to grant an approval and vesting order in favour of Landa.

16. Solterra was one of two parties that submitted a proposal during the 15 day period. The Monitor determined that the Solterra proposal was superior to the Landa PSA as it was unconditional and supported by CMLS. Similar to the Landa PSA, the PSA provides for, a Reverse Vesting Order to facilitate a share transaction, vesting to a newly incorporated subsidiary of Port Capital Development (EV) Inc., the Excluded Assets, as defined in the PSA.

17. Proceeding by way of a Reverse Vesting Order is the preferred approach as it will result in the greatest recovery by the estate. In the case of an asset sale, the PSA provides for the purchase price to be reduced by the amount of property transfer tax payable by the Purchaser in connection with the transfer.

Sealing Order

18. The Confidential Supplement to the Sixth Report contains the PSA and copies of the two proposals that were submitted as part of the competitive proposal following Court approval of the Landa PSA. The Confidential Supplement in sought to maintain confidentiality respecting confidential commercial terms in order to maintain the integrity of the SISP.

Part 3: LEGAL BASIS

1. The Petitioners rely on the CCAA, the Supreme Court Civil Rules and the inherent jurisdiction of this Honourable Court.

Stay Extension

2. Pursuant to s. 11.02(3) of the CCAA, the Court may extend the stay of proceedings for any period that the Court considers necessary provided that:

(a) the extension sought is appropriate in the circumstances; and

(b) the Petitioners have acted and are acting in good faith and with due diligence.

3. Since the Initial Order was pronounced on May 29, 2020, the Petitioners have acted and continue to act and operate in good faith and with due diligence.

4. The extension of the stay of proceedings is necessary to allow the Monitor to take steps to complete the transaction pursuant to the PSA, and for the Petitioners and Monitor to maintain operational control and preserve the Terrace House Project.

5. Having regard to all the circumstances and the conditions outlined in s. 11.02(3) of the CCAA, the extension of the Stay of Proceedings to and including September 30, 2021 is reasonable and appropriate.

Interim Financing Increase

6. Pursuant to section 11.2(1) of the CCAA, on notice to secured creditors likely to be affected by the charge, the court may order that all or part of the property of the Petitioners be subject to a charge, in an amount the court considers appropriate, in favour of a person who agrees to lend to the debtor company an amount approved by the court.

7. The Court exercised this jurisdiction in granting the Interim Lender's Charge in the first instance. This authority combined with the Court's inherent jurisdiction pursuant to section 11 of the CCAA provides the Court with the ability to approve an increase.

8. Permitting an increase to the credit facility is necessary and appropriate in the circumstances.

Approval of the Transaction Including Reverse Vesting Order

9. Section 36(1) of the CCAA provides jurisdiction to the Court to authorize the sale of a debtor company's assets out of the ordinary course of business. Section 36(3) sets out a non-exhaustive list of factors that courts are to consider in determining whether to approve a sale:

(a) whether the process leading to the proposed sale or disposition was reasonable in the circumstances;

(b) whether the monitor approved the process leading to the proposed sale or disposition;

(c) whether the monitor filed with the court a report stating that in their opinion the sale or disposition would be more beneficial to the creditors than a sale or disposition in bankruptcy;

(d) the extent to which creditors were consulted;

(e) the effects of the proposed sale or disposition on the creditors and other interested parties; and

(f) whether the consideration to be received for the assets is reasonable and fair, taking into account their market value.

10. Courts applying section 36 of the CCAA have cited a number of factors that may be considered, but the essential role of the Court is to "look at the transaction as a whole and essential decide whether or not the sale is appropriate, fair and reasonable."

11. The Court's decision in *Royal Bank v. Soundair Corp.,* 1991 CanLII 2727 ("**Soundair**") inform the Court's analysis under section 36 of the CCAA through the Soundair Factors which consider:

(a) whether the party conducting the sale made sufficient efforts to obtain the best price and did not act improvidently;

(b) the interests of all parties;

(c) the efficacy and integrity of the process by which offers were obtained; and

(d) whether there has been unfairness in working out the process.

12. Both the section 36 and Soundair factors favour the granting of the vesting order being sought as:

(a) The process leading up to the Transaction has been the subject of approvals by the Court and overseen by the Monitor;

(b) The Monitor is supportive of the transaction;

(c) The entering into of the PSA with Solterra by the Monitor was supported by the mortgage lenders and the DIP Lender;

(d) This transaction is in the best interest of the stakeholders as it represents the best option for fulfilling the goals of restructuring;

(e) The transaction is supported by CMLS;

(f) There has been no unfairness in the working out of the process;

(g) The transaction results from extensive efforts to obtain the best price for the assets

13. This Court in *Quest University Canada (Re),* 2020 BCSC 1883 ("**Quest**"),[1] has recognized that sections 11 and 36 of the CCAA provide for the jurisdiction to grant reverse vesting orders.

14. In Quest, the Court noted that Courts have recognized reverse vesting orders as an innovative solution to challenges in a proceeding and that in exercising the Court's discretion in this regard, the Court should consider (1) whether the order sought is appropriate in the circumstances, (2) whether the applicant has been acting in good faith; and (3) with due diligence.[2]

15. The Petitioners have been acting in good faith and with due diligence throughout these proceedings. A reverse vesting order is appropriate in this instance as it represents the best

[1] *Quest University Canada (Re),* 2020 BCSC 1883 ("**Quest**") at paras. 127 and 128
[2] *Quest, supra* at paras.153-155

opportunity to realize value for the Petitioners stakeholders and the alternative would be a greater shortfall for the secured creditors, to the prejudice of all stakeholders. Further, a reverse vesting order will enable Solterra to preserve a number of key agreements including a "Building Permit" issued by the City of Vancouver and other agreements in order to carry on and complete construction of the Terrace House Projects.

Adding Residual Co. As a Petitioner

16. The Monitor is seeking authorization to incorporate a subsidiary of Port Capital Development (EV) Inc. for the purpose of facilitating the reverse vesting order contemplated by the PSA.

17. Section 3 of the CCAA provides the Court with authority with respect to both debtor companies and their affiliates. Courts have in other matters have authorized the addition of an entity to the CCAA proceedings for enabling a transaction involving a reverse vesting order.

Sealing Order

18. In the leading case of *Sierra Club of Canada v. Canada (Minister of Finance)*, 2002 SCC 41, the Supreme Court of Canada held that a sealing order may be granted where (1) such an order is necessary to prevent a serious risk to an important interest, including a commercial interest, in the context of litigation because reasonably alternative measures will not prevent the risk; and (2) the salutary effects of the confidentiality order, including the effects on the right of civil litigants to a fair trial, outweigh its deleterious effects, including the effects on the right to free expression, which includes the public interest in open and accessible court proceedings.[3]

19. Sealing orders in CCAA proceedings are routinely granted in order to prevent the disclosure of confidential and commercially sensitive information regarding the market value of the assets. Public disclosure would be prejudicial in the event the proposed transaction does not close. The sealing order sought is the least restrictive means possible to prevent disclosure of the confidential and commercially sensitive information in the Confidential Supplement.

APPROVAL AND VESTING ORDER

BEFORE THE HONOURABLE MADAM JUSTICE FITZPATRICK) 25/May/2021

THE APPLICATION of the Petitioners coming on for hearing at Vancouver, British Columbia, by MS Teams, on the 25th day of May 2021; AND ON HEARING David Gruber, counsel for the Petitioners and those other counsel and parties listed on **Schedule "A"** hereto; AND UPON READING the material filed, including the Sixth Report of Ernst & Young, Inc., in its capacity as court appointed monitor, to be filed ("**Sixth Report**") and the Confidential Supplement to the Sixth Report; AND pursuant to the *Companies' Creditors Arrangement Act*, R.S.C. 1985 c. C-36, the British Columbia Supreme Court Civil Rules and the inherent jurisdiction of this Honourable Court;

THIS COURT ORDERS AND DECLARES THAT:

(the "**Purchaser**"), a copy of which is attached as Appendix "A" to the Confidential Supplement to the Sixth Report is hereby approved, and the Sale Agreement is commercially reasonable. The execution of the Sale Agreement by the Petitioners is hereby authorized and approved, and the Petitioners are hereby authorized and directed to take such additional steps and execute such additional documents as may

be necessary or desirable for the completion of the Transaction and for the conveyance to the Purchaser of the assets described in the Sale Agreement (the "**Purchased Assets**").

2. Upon delivery by the Monitor to the Purchaser of a certificate substantially in the form attached as Schedule "B" hereto (the "**Monitor's Certificate**"), the following shall occur and be deemed to have occurred on the Closing Date in the following sequence:

   (a) First, the Monitor shall incorporate a subsidiary of Port Capital Development (EV) Inc. ("**Residual Co**") which shall be added as a Petitioner in these CCAA Proceedings pursuant to paragraph 10 herein;

   (b) Second, all of the Petitioners right, title and interest in and to the Excluded Assets as defined in the Sale Agreement, shall vest absolutely and exclusively in Residual Co, and any and all Claims and Encumbrances shall continue to attach to the Excluded Assets with the same nature and priority as they had immediately prior to their transfer;

   (c) Third, all of the Petitioners' right, title and interest in and to the Purchased Assets as described at section 1.1(rr)(i) in the Sale Agreement shall vest absolutely in the Purchaser in fee simple, free and clear of and from any and all security interests (whether contractual, statutory, or otherwise), hypothecs, mortgages, trusts or deemed trusts (whether contractual, statutory, or otherwise), liens, executions, levies, charges, or other financial or monetary claims, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, the "**Claims**") including, without limiting the generality of the foregoing: (i) any encumbrances or charges created by the Order of this Court dated June 8, 2021 (ii) all charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* of British Columbia or any other personal property registry system; and (iii) those Claims listed on Schedule "C" hereto (all of which are collectively referred to as the "Encumbrances", which term shall not include the permitted encumbrances, easements and restrictive covenants listed on Schedule "D" hereto), and, for greater certainty, this Court orders that all of the Encumbrances affecting or relating to the Purchased Assets are hereby expunged and discharged as against the Purchased Assets;

   (d) Fourth, Port Capital Development (EV) Inc. shall cease to be a Petitioner in these CCAA Proceedings and shall be deemed released from the purview of all Orders of this Court granted in respect of these CCAA Proceedings, save and accept for this Order.

3. Upon presentation for registration in the Land Title Office for the Land Title District of Vancouver of a certified copy of this Order, together with a letter from Bennett Jones LLP, solicitors for the Petitioners, authorizing registration of this Order, the British Columbia Registrar of Land Titles is hereby directed to:

(a) enter the Purchaser as the owner of the Lands, as identified in Schedule "E" hereto, together with all buildings and other structures, facilities and improvements located thereon and fixtures, systems, interests, licenses, rights, covenants, restrictive covenants, commons, ways, profits, privileges, rights, easements and appurtenances to the said hereditaments belonging, or with the same or any part thereof, held or enjoyed or appurtenant thereto, in fee simple in respect of the Lands, and this Court declares that it has been proved to the satisfaction of the Court on investigation that the title of the Purchaser in and to the Lands is a good, safe holding and marketable title and directs the BC Registrar to register indefeasible title in favour of the Purchaser as aforesaid; and

(b) having considered the interest of third parties, to discharge, release, delete and expunge from title to the Lands all of the registered Encumbrances except for those listed in Schedule "D".

4. For the purposes of determining the nature and priority of Claims, the net proceeds from the sale of the Purchased Assets shall stand in the place and stead of the Purchased Assets, and from and after the delivery of the Monitor's Certificate all Claims shall attach to the net proceeds from the sale of the Purchased Assets with the same priority as they had with respect to the Purchased Assets immediately prior to the sale, as if the Purchased Assets had not been sold and remained in the possession or control of the person having had possession or control immediately prior to the sale.

5. The Monitor is to file with the Court a copy of the Monitor's Certificate forthwith after delivery thereof.

6. Subject to the terms of the Sale Agreement, vacant possession of the Purchased Assets, including any real property, shall be delivered by the Petitioners to the Purchaser at 12:00 noon on the Closing Date (as defined in the Sale Agreement), subject to the permitted encumbrances as set out in the Sale Agreement and listed on Schedule "D".

(c) any assignment in bankruptcy made by or in respect of the Petitioners,

the vesting of the Purchased Assets in the Purchaser pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of the Petitioners

and shall not be void or voidable by creditors of the Petitioners, nor shall it constitute or be deemed to be a transfer at undervalue, fraudulent preference, assignment, fraudulent conveyance or other reviewable transaction under the *Bankruptcy and Insolvency Act* or any other applicable federal or provincial legislation, nor shall it constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.

9. As of the Closing Date and in the sequence set out in paragraph 2 herein:

   (b) A covenantor or guarantor to most credit facilities advance by the Port Capital Group's various project specific limited partnerships and general partners.

5. The Applicant, 1296371 B.C. Ltd., is a company incorporated for the purpose of making the herein described loan. Reyes is a director and officer of the Applicant.

6. Domain Mortgage Company ("**Domain**") is a lender who is arm's length from Reyes, the Applicant and the Petitioners.

7. 1260780 B.C. Ltd. ("**NumberCo**") is a company controlled by Luz Consuelo Reyes, who is one of the Pre-Sale Purchasers (defined below) and is related to Reyes.

8. The following persons (collectively, the "**Pre-Sale Purchasers**") have entered into pre-sale purchase agreements with the Petitioners (collectively, the "**Pre-Sale Purchase Agreements**"), and have paid the following deposit amounts totaling $8,005,201

(collectively, the "**Deposits**") to Dentons Canada LLP ("**Dentons**"), in trust, pursuant to such Pre-Sale Purchase Agreements:

CCAA Proceedings

9. On May 29, 2020, the Petitioners obtained an order in these proceedings (the "**Initial Order**") granting them various relief pursuant to the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36 [***CCAA***].

10. The Initial Order included a stay of proceedings (the "**Stay of Proceedings**") effective until June 8, 2020 and appointed Ernst & Young, Inc. as monitor (in that capacity, the "**Monitor**"). The Stay of Proceedings has since been extended to June 11, 2021.

11. On June 8, 2020, the Petitioners obtained an amended and restated initial order in these proceedings (the "**ARIO**"). Among other things, the ARIO approved an interim financing facility (the "**Interim Lender Facility**") from Desjardins Financial Security Life Assurance Company (the "**Interim Lender**") and granted a related interim lender's charge (the "**Interim Lender's Charge**").

Encumbrances on the Lands and Creditors

12. Under the Initial Order and the ARIO, the Monitor, among others, was granted a first priority charge against the Lands, which must not exceed $250,000.00 (the "**Administration Charge**").

13. Pursuant to the ARIO (as amended), the Interim Lender was authorized to extend the Interim Lender Facility and was granted the Interim Lender's Charge, capped at

$1,500,000.00. As of May 21, 2021, the amount owed to the Interim Lender is estimated to be $1,287,274.88.

14. CMLS Financial Ltd. ("**CMLS**") provided construction financing for the Terrace House Project (the "**CMLS Facility**") and holds security over all property and assets of the Petitioners for payment thereof (the "**CMLS Security**"). With the exception the Administration Charge and the Interim Lender's Charge, CMLS the senior secured creditor. As of May 21, 2021, the amount owed to CMLS is estimated to be $21,233,416.87.

15. Aviva Insurance Company of Canada ("**Aviva**") provided a deposit protection insurance facility to permit the Petitioners to have access to certain pre-sale purchasers' deposit monies for the payment of project costs. Aviva has second ranked security against the assets of the Petitioners, subject to the CMLS Security.

16. In addition, the Petitioners have lien claimants that are estimated to total $4.0 million and unsecured creditors that are estimated to total $2.3 million (the "**Other Creditors**").

Redemption Financing

17. The Applicant, together with Domain and NumberCo, seek to provide funding to the Petitioner to allow it to repay the Interim Financing Facility, and for the New Lenders to acquire the CMLS Facility and CMLS Security. The New Loan Facility is comprised of the following parts:

    (a) a loan from Domain to the Petitioners, in the amount of $14.5 million, pursuant to a commitment letter dated May 11, 2021 (the "**Domain Commitment Letter**");

    (b) a loan from NumberCo to the Petitioners, in the amount of $1.5 million, pursuant to a commitment letter and acknowledgment dated May 7, 2021; and

    (c) a loan from the Applicant to the Petitioners, funded by a release of the Deposits held in trust by Dentons.

18. The New Loan Facility provides available funding (net of holdbacks contemplated by the Domain Commitment Letter) in the amount of approximately $22.5 million. This will facilitate full repayment of the Interim Lending Facility, and substantial repayment of the CMLS Facility.

19. Repayment of the New Loan Facility will be made, firstly, to Domain, secondly, to NumberCo, and lastly, to the Applicant. In accordance with the orders sought herein, upon repayment of the amount owing the Applicant, such amount will be returned to

Dentons, in trust, to continue to be held as deposits under the Pre-Sale Purchase Agreements.

20. The majority of the conditions to the Domain Commitment Letter have been satisfied. Currently, the key conditions which remain unsatisfied under the Domain Commitment Letter include:

    (a) this Honourable Court granting the Order sought in this Application;

    (b) Domain successfully offering the New Loan Facility as a syndicated mortgage investment to private mortgage investors;

    (c) the consent of Aviva to the transfer and assignment of the CMLS Facility and the CMLS Security to the New Lenders; and

    (d) CMLS executing an assignment and transfer agreement with respect to the purchase and assignment of the CMLS Facility and CMLS Security.

21. The Applicant is working with Domain, CMLS and Aviva to ensure that, at the time this Application is heard, the only remaining condition is approval by this Honourable Court.

22. The NumberCo commitment letter is unconditional. The advance contemplated by this commitment letter is currently being held by Dentons, in trust.

23. The Applicant was incorporated to facilitate the advance of the Deposits to allow the assignment of the CMLS Security. Each of the Pre-Sale Purchasers have executed irrevocable directions to pay (the "**Irrevocable Directions**"), authorizing the use of their deposits in the transaction contemplated above.

24. Each of the Irrevocable Directions expressly contemplate the transaction described above, and are conditional on:

    (a) consent of the Monitor (on behalf of the Petioners), CMLS and the Interim Lender;

    (b) execution of a purchase and assignment agreement to allow the Applicant to acquire the loans made by CMLS and the Interim Lender; and

    (c) necessary approvals by this Honourable Court.

25. The requirement for consent by the Interim Lender is now irrelevant, given the intention to pay out this amount in full, and to secure the advances associated therewith by the CMLS Security.

26. In addition, the Irrevocable Directions granted by 1192706 and 1208596 are conditional on review of documentation. The Applicant is working with these parties and their counsel, Clark Wilson LLP, to ensure this condition is satisfied at the time this Application is heard.

Restructuring Plan

27. The Applicant's offer is a refinancing, it is not seeking to terminate any pre-sale contracts or vest off or compromise any claims against the Petitioners.

28. The transaction is designed to create an opportunity to secure new construction financing that will allow the Petitioners to repay the New Loan Facility and exit *CCAA* proceedings. As a result, the Applicant's offer is coupled with an extension to the Stay of Proceedings to allow the Petitioners time to secure new construction financing.

29. The Applicant is confident that, following refinancing, the Petitioners will secure new construction financing. The Petitioners are in advanced discussions with at least one lender. Additional lenders have conducted extensive due diligence.

30. These *CCAA* proceedings have, to date, been focused on repayment of the CLMS Facility. The New Loan Facility, along with cooperation from Domain, will provide the opportunity to shift the focus to a long-term restructuring.

31. Securing new construction financing requires interim steps that are predicated on having control of the Terrace House Project. The steps include:

    (a) Review of all trades and consultants. This includes confirm drawings and specifications with lead consultants, architects and engineers; updating contracts with existing trades and consultants; and replacing contracts as necessary;

    (b) Confirm construction schedule and budget;

    (c) Renew and extend permits; and

    (d) Review and continue pre-sale program. This includes reviewing the existing contracts; engaging new marketing partners and sales group, and may require re-drafting the disclosure statement and updated purchase contracts.

32. Interim working capital will be funded by existing limited partners and new third party investors. This working capital is expected to be in the range of $3 to $5 million, which will be sourced externally and will not encumber the Lands or other assets.

33. With control of the Terrace House Project and the breathing room provided by the New Loan Facility, it is estimated that completing the interim steps outlined above and finalizing a term sheet a new construction lender will take 30 to 60 days.

34. The New Loan Facility will facilitate securing new construction financing. This will allow the Terrace House Project to proceed as intended, which will permit some, or potentially full, recovery by Aviva and the Other Creditors, and will be a benefit to all stakeholders.

Part 3: LEGAL BASIS

1. The Applicant rely on the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36 [***CCAA***], the *Supreme Court Civil Rules*, B.C. Reg. 168/2009, s. 18(2) of the *Real Estate Development Marketing Act*, S.B.C. 2004, c. 41 [***REDMA***], and the inherent jurisdiction of the Honourable Court.

Approval of Transaction

2. Under s. 11 of the *CCAA*, a court may "make any order that is considers appropriate in the circumstances."

3. In exercising its discretion, a court "must first of all provide the conditions under which the debtor can attempt to reorganize." Decisions under the *CCAA* take many forms.

> ***Century Services Inc. v. Canada (Attorney General)*, 2010 SCC 60 at para. 60.**

4. The baseline consideration that a court should always bear in mind are the requirements of appropriateness, good faith, and due diligence:

> Appropriateness under the *CCAA* is assessed by inquiring whether the order sought advances the policy objectives underlying the *CCAA*. The question is whether the order will usefully further efforts to achieve the remedial purpose of the *CCAA* — avoiding the social and economic losses resulting from liquidation of an insolvent company. I would add that appropriateness extends not only to the purpose of the order, but also to the means it employs. Courts should be mindful that chances for successful reorganizations are enhanced where participants achieve common ground and all stakeholders are treated as advantageously and fairly as the circumstances permit.
>
> ***Century Services* at para. 70**

5. Debtors and creditors share a common goal: "maximizing recoveries." Fairness demands that a *CCAA* judge "recognize and meaningfully address circumstances in which parties are working against the goals of the statute".

9354-9186 Québec inc. v. Callidus Capital Corp., 2020 SCC 10 at para. 75, citing Janis Sarra, "The Oscillating Pendulum: Canada's Sesquicentennial and Finding the Equilibrium for Insolvency Law", 2016 ANNREVINSOLV 2 at 30.

6. When granting relief under s. 11, a court should balance the interests of all stakeholders and ask whether the order sought advanced the overall prospects of a successful restructuring. Relief under the *CCAA* may prejudice a creditor in favour of the collective whole. "The court's primary concerns under the *CCAA* must be for the debtor and all of the creditors."

Essar Steel Algoma Inc. et al Re, 2017 ONSC 12 at paras. 41-42.
Canwest Global Communications Corp., 2011 ONSC 2215 at para. 25, citing _Lehndorff General Partner Ltd., Re_ (1993), 17 C.B.R. (3d) 24, 1993 CarswellOnt 183 at para. 6.
See also _Quest University Canada (Re)_, 2020 BCSC 1883 at para. 113, leave to appeal ref'd 2020 BCCA 364.

7. The New Loan Facility will repay the Interim Lender in full and provides significant recovery for CMLS. The Applicant, in connection with its offer, does not seek to terminate any pre-sale contracts or vest off or compromise any other claims against the Petitioners. The transaction proposed by the Applicant, by design, preserves the prospect of a restructuring for all stakeholders.

8. The Applicant anticipates that the other transactions brought before the Court result in a greater shortfall to CMLS, and no recovery for any subsequent stakeholders. As a result, the transaction proposed by the Applicant is clearly superior.

9. There is a realistic prospect, following approval of the New Loan Facility and an extension to the Stay of Proceedings, that the Applicant will successfully refinance the construction of the Terrace House Project. If successful, the plan will permit some, or potentially full, recovery by Aviva and the Other Creditors. This plan may avoid losses to stakeholders and provides the greatest prospect of recovery for all creditors.

10. The other transactions before the Court would extinguish the claims of the Other Creditors. Their loss is certain under that transaction; the Other Creditors have no ability to mitigate these losses. The other transaction does not impose a risk on the Other Creditors; it would create a definitive loss. In contrast, the transaction proposed by the

Applicant is not seeking to terminate any pre-sale contracts or vest off or compromise any other claims against the Petitioners. Under the restructuring plan, there is a reasonable prospect that the Applicant will secure new construction financing that will permit some, or potentially full, recovery by the Other Creditors. The comparison for the Other Creditors is between certain loss and the potential for some, or even full, recovery with no added risk. The Applicant's offer is clearly a benefit to the Other Creditors as it is the only path to recovery.

11. The transaction proposed by the Applicant is appropriate as it advances the policy objectives underlying the *CCAA*. Given the good faith efforts and due diligence on the part of Reyes to generate new construction financing, and the progress shown, there is a real prospect of greater recovery for all stakeholders. This is coupled with increased recovery for CMLS.

***Century Services* at paras. 70-71**

Release of Deposits

12. A trustee that holds deposits under *REDMA* must not release the deposits. Section 18(2) sets out exceptions to this prohibition. Among other exceptions, deposits may be released to a purchasers with the written consent of the purchaser and the developer (s. 18(2)(b)) and deposits may be released in accordance with a court order (s. 18(2)(h)).

***REDMA*, s. 18(2)(b), (h).**

13. The Deposits paid by the Pre-Sale Purchasers are held, in trust, by Dentons pursuant to *REDMA*.

14. The Irrevocable Directions are sufficient to engage s. 18(2)(b). The transaction is therefore within the scope of the deposit exception provisions of *REDMA*.

***Bison Properties Ltd. (Re)*, 2018 BCSC 1299 at paras. 164, 185.**

15. The Pre-Sale Purchasers all sought and received independent legal advice in connection with the Irrevocable Directions.

16. Given the Irrevocable Directions, an order pursuant to s. 18(2)(h) of *REDMA* authorizing and directing Dentons the Deposits to the Applicant is appropriate in the circumstances.

Stay Extension

17. Under s. 11.02 of the *CCAA*, a court may extend a stay of proceedings for any period that the court considers necessary, provided the applicant satisfies the court that:

(a) Circumstance exist that make the order appropriate; and

(b) The applicant has acted, and is acting, in good faith and with due diligence.

18. The fundamental purpose of the *CCAA* is to facilitate compromises and agreements between companies and their creditors. The *CCAA* is intended to have a wide scope to enable a company to remain in operation for the future benefit of both the company and its creditors, even if that future benefit is not certain.

***Cliffs Over Maple Bay Investments Ltd. v. Fisgard Capital Corp.*, 2008 BCCA 327 at paras. 27-28.**

19. The extension to the Stay of Proceedings is a condition under the Domain Commitment Letter, but critically it is necessary to enable the Applicant to advance restructuring efforts with respect to the Terrace House Project.

20. The Applicant are acting in good faith and with due diligence to secure new constructions financing. There is a reasonable prospect that such funding will be secured within the term of the Domain Commitment Letter and that the Terrace House Project will complete as intended. This will result is the greatest return to Aviva and the Other Creditors, and will be a benefit to all stakeholders.

> (the "**Lands**").

5. The following persons (collectively, the "**Pre-Sale Purchasers**") have entered into pre-sale purchase agreements with the Petitioners (collectively, the "**Pre-Sale Purchase Agreements**"), and have paid the following deposit amounts totaling $8,005,201 (collectively, the "**Deposits**") to Dentons Canada LLP ("**Dentons**"), in trust, pursuant to such Pre-Sale Purchase Agreements:

(a) Luz Consuelo Reyes, who has paid a deposit in the amount of $2,800,000;

(b) 1192706 B.C. Ltd., who has paid a deposit in the amount of $1,155,000;

(c) 1208596 B.C. Ltd., who has paid deposits in the amount of $975,201;

(d) 1301981 B.C. Ltd., as assignee from Hudani Investment Corp., who has paid a deposit in the amount of $1,162,500;

(e) 1207867 B.C. Ltd., who has paid a deposit in the amount of $645,000;

(f) Robert Davis, who has paid a deposit in the amount of $592,500; and

(g) Simon Wong, who has paid a deposit in the amount of $675,000.

6. On May 29, 2020, the Petitioners obtained an order in these proceedings (the "**Initial Order**") granting them various relief pursuant to the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36 [***CCAA***].

7. The Initial Order included a stay of proceedings (the "**Stay of Proceedings**") effective until June 8, 2020, later extended to June 11, 2021, and appointed Ernst & Young, Inc. as monitor (in that capacity, the "**Monitor**").

8. On June 8, 2020, the Petitioners obtained an amended and restated initial order in these proceedings (the "**ARIO**"). Among other things, the ARIO approved an interim financing facility (the "**Interim Financing Facility**") from Desjardins Financial Security Life Assurance Company and granted a related interim lender's charge (the "**Interim Lender's Charge**").

9. The Petitioners' granted a first mortgage on the Lands to secure construction financing provided by CLMS Financial Ltd. ("**CLMS**"). I am a covenantor on this mortgage.

10. The Petitioners' granted a second mortgage on the Lands in favour of Aviva Insurance Company of Canada ("**Aviva**"), the Terrace House Project's insurer. I am a guarantor of this mortgage.

11. In addition, I am a covenantor or guarantor to most credit facilities advance by the Port Capital Group's various project specific limited partnerships and general partners.

12. On April 16, 2021, the Court approved the execution of a purchase and sale agreement between Landa Global Acquisition Inc. and the Petitioners, dated March 25, 2021 (the "**Landa PSA**"). This was not a final approval of the transaction or vesting of the Lands. By order of the Court, any other party could submit an alternative bid to the Landa PSA by May 7, 2021.

13. On May 7, 2021, 129, through its counsel, submitted an offer to the Monitor, CMLS and Aviva (the "**129 Offer**").

14. The 129 Offer is a loan facility from Domain Mortgage Company ("**Domain**"), 1260780 B.C. Ltd. ("**NumberCo**") and 129 to the Petitioners (the "**New Loan Facility**"). The purposes of the New Loan Facility is to:

(a) Pay in full the Interim Financing Facility and discharge of the Interim Lender's Charge; and

(b) Purchase and take an assignment of the loan and security held by CMLS.

15. The funding for the New Loan Facility will come from three sources:

(a) A loan from Domain to the Petitioners, in the amount of $14.5 million, pursuant to a term sheet dated May 11, 2021 (the "**Domain Term Sheet**"). Now produced and shown to me and marked as **Exhibit "A"** to this affidavit is a true copy of the Domain Term Sheet;

(b) A loan from NumberCo to the Petitioners, in the amount of $1.5 million, pursuant to a commitment letter and acknowledgment dated May 7, 2021 (the "**NumberCo Loan**"). Now produced and shown to me and marked as **Exhibit "B"** to this affidavit is a true copy of the NumberCo Loan. I am informed by Robert Quon, of Dentons, and verily believe the same to be true, that Dentons holds the NumberCo Loan funds in trust; and

(c) A loan from 129 to the Petitioners, in the amount of $8,005,201, funded by a release of the Deposits held in trust by Dentons. Now produced and shown to me

and marked as **Exhibit "C"** to this affidavit are true copies of the written irrevocable directions provided by the Pre-Sale Purchasers.

16. The 129 Offer does not seek to terminate any pre-sale contracts, or vest off or compromise any other claims against the Petitioners. The 129 Offer is a refinancing, intended to provide breathing room to secure new construction financing for the Terrace House Project.

17. There is strong interest from lenders to provide new construction financing, and several lenders have already conducted extensive due diligence. However, the New Loan Facility needs to be in place before new construction financing can be secured. Without control of the Terrace House Project, it is not possible to satisfy the conditions associated with new construction financing.

18. These CCAA proceedings have, to date, been focused on repayment of the construction loan provided by CLMS. The New Loan Facility, along with cooperation from Domain, will provide the opportunity to shift the focus to a long-term restructuring.

19. Generally, securing new construction financing will require:

(a) Review of all trades and consultants. This includes confirm drawings and specifications with lead consultants, architects and engineers; updating contracts with existing trades and consultants; and replacing contracts as necessary;

(b) Confirm construction schedule and budget;

(c) Renew and extend permits; and

(d) Review and continue pre-sale program. This includes reviewing the existing contracts; engaging new marketing partners and sales group, and may require re-drafting the disclosure statement and updated purchase contracts.

20. The above steps will be conditions of any term sheet for new construction financing, and advances under any new facility will not occur until these have been satisfied.

21. In the interim, working capital will be funded by existing limited partners and new third party investors. This working capital is expected to be in the range of $3 to $5 million, which will be sourced externally and will not encumber the Lands or other assets.

22. The most advanced negotiation on a new contraction loan is with Goldman Sachs. The parties are close to finalizing a term sheet, however I do not expect negotiations can progress further until the Petitioners have regained control of the Terrace House Project. I estimate, with control of the project and the breathing room provided by the New Loan Facility, it will take 30 to 60 days to finalize a term sheet with Goldman Sachs or another lender.

23. The proposed Goldman Sachs financing would be advanced in two tranches. The first tranche would repay the New Loan Facility and provide pre-construction working capital. The second tranche would finance the full construction of the Terrace House Project.

24. The Terrace House Project is an innovative mass timber development. When completed, the Terrace House Project will become one of the tallest hybrid timber structure in the world, constructed from concrete, wood and steel. The existing trades and consultants are specialists in mass timber construction and are essential to moving the Terrace House Project forward. The project has many stakeholders who will benefit from the completion of the Terrace House Project as designed. The Terrace House Project will contribute to the development of the mass timber industry. The City of Vancouver is invested in seeing the Terrace House Project competed, as are investors and other supporters of the project.

25. These efforts demonstrate there is a reasonable prospect that the Terrace House Project will be successful restructured for the benefit of all stakeholders.

Re: **Funds held in trust for Deposits for Terrace House Units**

Evergreen House Development Limited Partnership (the "**Old LP**") by its general partner, Port Capital Development (EV) Inc. (the "**Old GP**") pursued the development of a project located at 1250 West Pender Street, Vancouver, BC (the "**Terrace House Project**"). The undersigned has provided a deposit (the "**Deposit**") that is currently held in trust with Dentons Canada LLP ("**Dentons**") to acquire a unit in the Terrace House Project, the details of which are set out below.

CMLS Financial Ltd ("**CMLS**") was the Terrace House Project's construction lender pursuant to a commitment letter dated July 4, 2019 (the "**CMLS Loan**") as amended. The CMLS Loan is secured by, among other things, a first ranking mortgage against the Terrace House Project. The indebtedness on the CMLS Loan was approximately $20.1 million at the commencement of the CCAA Proceedings in 2020.

On May 29, 2020, Ernst & Young Inc. ("**EY**") was appointed as the monitor of the Terrace House Project pursuant to a court order of the BC Supreme Court (the "**CCAA Proceedings**"). The court also approved a debtor in possession loan (the "**DIP Loan**") in favour of Desjardins Financial Security Life Assurance Company ("**Desjardins**" or the "**DIP Lender**"). The indebtedness on the DIP Loan is projected to be $1.5 million as at April 30, 2021.

1296371 B.C. Ltd. (the "**Junior Lender**") has been created to participate in the acquisition of the CMLS Loan and the DIP Loan. Domain Mortgage Corp. and/or Bankers Mortgage Corp. doing business as Domain Funding (Domain Mortgage Corp. and Bankers Mortgage Corp., individually or collectively are "**Domain Funding**") as the new funder (the "**Senior Lender**") has agreed to provide the sum of $16M and Domain Funding has or will establish a new entity ("**Newco**") controlled by Domain Funding to acquire the CMLS Mortgage and the DIP Loan. The Senior Lender will have the first position of repayment under the acquired CMLS Mortgage and DIP Loan and the Junior Lender will have second position of repayment under the CMLS Mortgage pursuant to an interlender or co-lender agreement as between the Senior Lender and the Junior Lender. The CMLS Loan and DIP Loan will remain as charges on the real estate related to the Terrace House Project with the expectation that the Senior Lender would be repaid once new construction financing (the "**Construction Financing**") is obtained. The Construction Financing will be used to repay the Senior Lender and may be used as part of a plan to exit CCAA on terms to be determined. On the registration of the Construction Financing on the Terrace House Project, the Junior Lender would release the funds back into the Terrace House Project to be used as equity with each of the lenders to the Junior Lender being credited with a deposit against a unit in the Terrance House Project.

This Direction is intended to reflect the general agreement of the undersigned to the use of the Deposit on the terms herein, subject only to the consents (the "**Consents**") required to obtain the release of the Deposit from the trust account of Dentons being (1) the consent of the Monitor (on behalf of the developer), (2) the consent of CMLS and agreement to sell and assign the CMLS Loan, and (3) the consent of the DIP Lender and agreement to sell and assign the DIP Loan. The additional conditions (the "**Conditions**") to the release of the Deposit are that CMLS, the DIP Lender and Newco finalize and sign a purchase agreement to allow Newco to acquire the CMLS Loan and the DIP Loan as well as the necessary Court approvals in the CCAA Proceedings.

Please accept this as your irrevocable authority and direction to, once you have obtained the Consents and the Conditions have been satisfied, to transfer the Deposit to 1296371 B.C. Ltd. in order to facilitate the loan by the Junior Lender to Newco so that Newco can acquire the CMLS Loan and the DIP Loan. This irrevocable authority and direction will terminate on August 31, 2021, unless extended by the undersigned in writing.

Re: **Funds held in trust for Deposits for Terrace House Units**

Evergreen House Development Limited Partnership (the "**Old LP**") by its general partner, Port Capital Development (EV) Inc. (the "**Old GP**") pursued the development of a project located at 1250 West Hager Street, Vancouver, BC (the "**Terrace House Project**"). The undersigned has provided a deposit (the "**Deposit**") that is currently held in trust with Dentons Canada LLP ("**Dentons**") to acquire a unit in the Terrace House Project, the details of which are set out below.

CMLS Financial Ltd ("**CMLS**") was the Terrace House Project's construction lender pursuant to a commitment letter dated July 4, 2019 (the "**CMLS Loan**") as amended. The CMLS Loan is secured by, among other things, a first ranking mortgage against the Terrace House Project. The indebtedness on the CMLS Loan was approximately $20.1 million at the commencement of the CCAA Proceedings in 2020.

On May 29, 2020, Ernst & Young Inc. ("**EY**") was appointed as the monitor of the Terrace House Project pursuant to a court order of the BC Supreme Court (the "**CCAA Proceedings**"). The court also approved a debtor in possession loan (the "**DIP Loan**") in favour of Desjardins Financial Security Life Assurance Company ("**Desjardins**" or the "**DIP Lender**"). The indebtedness on the DIP Loan is projected to be $1.5 million as at April 30, 2021.

1296371 B.C. Ltd. (the "**Junior Lender**") has been created to participate in the acquisition of the CMLS Loan and the DIP Loan. Domain Mortgage Corp. and/or Bankers Mortgage Corp. doing business as Domain Funding (Domain Mortgage Corp. and Bankers Mortgage Corp., individually or collectively are "**Domain Funding**") as the new funder (the "**Senior Lender**") has agreed to provide the sum of $16M and Domain Funding has or will establish a new entity ("**Newco**") controlled by Domain Funding to acquire the CMLS Mortgage and the DIP Loan. The Senior Lender will have the first position of repayment under the acquired CMLS Mortgage and DIP Loan and the Junior Lender will have second position of repayment under the CMLS Mortgage pursuant to an interlender or co-lender agreement to be between the Senior Lender and the Junior Lender. The CMLS Loan and DIP Loan will remain as charges on the real estate related to the Terrace House Project with the expectation that the Senior Lender would be repaid once new construction financing (the "**Construction Financing**") is obtained. The Construction Financing will be used to repay the Senior Lender and may be used as part of a plan to exit CCAA on terms to be determined. On the registration of the Construction Financing on the Terrace House Project, the Junior Lender would release the funds back into the Terrace House Project to be used as equity with each of the lenders to the Junior Lender being credited with a deposit against a unit in the Terrance House Project.

This Direction is intended to reflect the general agreement of the undersigned to the use of the Deposit on the terms herein, subject only to the consents (the "**Consents**") required to obtain the release of the Deposit from the trust account of Dentons being (1) the consent of the Monitor (on behalf of the developer), (2) the consent of CMLS and agreement to sell and assign the CMLS Loan, and (3) the consent of the DIP Lender and agreement to sell and assign the DIP Loan. The additional conditions (the "**Conditions**") to the release of the Deposit are that CMLS, the DIP Lender and Newco finalize and sign a purchase agreement to allow Newco to acquire the CMLS Loan and the DIP Loan as well as the necessary Court approvals in the CCAA Proceedings.

Please accept this as your irrevocable authority and direction to, once you have obtained the Consents and the Conditions have been satisfied, to transfer the Deposit to 1296371 B.C. Ltd. in order to facilitate the loan by the Junior Lender to Newco so that Newco can acquire the CMLS Loan and the DIP Loan. This irrevocable authority and direction will terminate on August 31, 2021, unless extended by the undersigned in writing.

Evergreen House Development Limited Partnership (the "**Old LP**") by its general partner, Port Capital Development (EV) Inc. (the "**Old GP**") pursued the development of a project located at 1250 West Pender Street, Vancouver, BC (the "**Terrace House Project**"). This irrevocable direction allows the use of the Deposit for participation into a loan to the Junior Lender secured against the purchased CMLS Loan mortgage. This direction does not convert this loan into equity. That would require a follow up equity conversion agreement. If no follow up agreement to convert into equity is accepted and signed by you, the Deposit would be repaid when the loan gets refinanced through the Construction Financing. If the Conditions are not met, then the Deposit will remain in trust at Dentons LLP.
