As set forth in the Class Plaintiff Stipulation, the Class Settlement Parties (including the Lead Plaintiff on behalf of the Putative Class, subject to certification of the Putative Class for purposes of the Class Settlement and this Plan (including voting)) have consensually resolved the treatment of the Securities Claims and the Equity Committee's objection to the Putative Securities Class Action Claim, as well as the Securities Claimants' objection to the Plan and the Disclosure Statement. The Class Settlement provides, among other things, that the Lead Plaintiff will receive (on behalf of itself and the Putative Class) (1) the Class Settlement Cash Consideration in the amount of $1,150,000, to be paid pursuant to Article V.B.3(b) hereof, and (2) the Class Settlement Litigation Proceeds, consisting of forty percent (40%), up to $2,500,000 in the aggregate (but exclusive of the Class Settlement Cash Consideration), of any Cause of Action Net Proceeds that may be recovered in respect of the Retained Causes of Action. Subject to certification of the Putative Class for purposes of the Class Settlement and this Plan (including voting), the Class Settlement shall be binding on the Lead Plaintiff and each member of the Putative Class.

All terms of the Class Settlement Stipulation not expressly set forth within the Plan shall be deemed incorporated herein.

C. Approval of Settlements

The Disclosure Statement and this Plan shall be deemed to be a motion requesting the Bankruptcy Court's approval of the Global Settlement and the Class Settlement. The Bankruptcy Court may approve the Global Settlement or the Class Settlement at the Confirmation Hearing and the Canadian Court may approve the Global Settlement or the Class Settlement at the Canadian Approval Hearing. In the event any objections to the Global Settlement or the Class Settlement are timely filed, the Debtors will request that the Bankruptcy Court and Canadian Court schedule a joint hearing with respect thereto, which may be the Confirmation Hearing/Canadian Approval Hearing. Upon confirmation of the Plan and certification by the Bankruptcy Court of the Putative Class for purposes of the Class Settlement and the Plan, the Class Settlement shall be binding on the Lead Plaintiff and all members of the Putative Class.

For the avoidance of doubt, to the extent that this Plan is not confirmed by the Bankruptcy Court, the Global Settlement is not approved by the Canadian Court, or the Effective Date does not occur, then the Global Settlement will be void *ab initio* in all respects, and the rights of the Debtors, Monitor and the Committees with respect to the subject matter of the Global Settlement will be preserved, including, without limitation, the right to seek confirmation of a Chapter 11 plan pursuant to Bankruptcy Code Section 1129(b) and right to seek sanctioning of a plan of compromise and arrangement under the CCAA.

For the avoidance of doubt, to the extent that this Plan is not confirmed by the Bankruptcy Court, the Class Settlement is not approved or recognized by the Canadian Court, the Putative Class is not certified by the Bankruptcy Court in accordance with the Class Plaintiff Stipulation or the Effective Date does not occur by December 21, 2017 (as such date may be extended with the mutual agreement of the Class Settlement Parties), then the Class Settlement shall be void *ab initio* in all respects, the Lead Plaintiff's motion to apply Bankruptcy Rule 7023 to the Putative Securities Class Action Claim and the objections to allowance of the Putative Securities Class Action Claim shall be reinstated in full, and the Class Settlement Parties and the Putative Class shall be restored to the status quo ante in effect immediately prior to their entry into the Class Settlement, and all rights, positions and privileges of the Class Settlement Parties, the Putative Class, the Monitor, and the Creditors' Committee with respect to the subject matter of the Class Settlement will be preserved, including, without limitation, the right to seek confirmation of a Chapter 11 plan pursuant to Bankruptcy Code Section 1129(b) and the right to seek sanctioning of a plan of compromise and arrangement under the CCAA.

## III. TREATMENT OF UNCLASSIFIED CLAIMS

In accordance with section 1123(a)(l) of the Bankruptcy Code, Administrative Claims, CCAA Charge Claims, Canadian Fee Claims, Fee Claims, U.S. Trustee Fees and Priority Tax Claims have not been classified and thus are excluded from the Classes of Claims set forth in Article IV of this Plan. The Plan provides for the following designation and treatment of unclassified Claims:

A. Administrative Claims

1. Administrative Expense Claims

Except to the extent that (a) an Allowed Administrative Claim has been previously Paid in Full during the Chapter 11 Cases, (b) this Plan provides for other treatment of an Allowed Administrative Claim, or (c) the Holder of an Allowed Administrative Claim agrees to less favorable treatment, on or as soon as reasonably practicable after the later of (i) the Effective Date or (ii) the first Business Day after the date that is thirty (30) days after the date an Administrative Claim becomes Allowed, each Holder of an Allowed Administrative Claim shall be Paid in Full in Cash.

2. Administrative Claims Bar Date

The Holder of an Administrative Claim, other than: (a) a Fee Claim; (b) claims of Alvarez & Marsal North America, LLC for services performed and expenses incurred in accordance with its retention order entered in the Chapter 11 Cases [Docket No. 222]; (c) an Administrative Claim that has been Allowed on or before the Effective Date; (d) a claim for U.S. Trustee Fees, or (e) the CRA or any other Canadian or provincial taxing authority for which a post-petition tax return must be filed, must submit to the Claims and Solicitation Agent a request for such Administrative Claim so as to be received by 5:00 p.m. (prevailing Eastern Time) on the date that is no more than thirty (30) days after service of the Notice of Effective Date. Such request must include at a minimum: (i) the name of the Debtor(s) that are purported to be liable for the Administrative Claim; (ii) the name of the Holder of the Administrative Claim; (iii) the amount of the Administrative Claim; (iv) the basis of the Administrative Claim; and (v) all supporting documentation for the Administrative Claim.

The CRA or any other Canadian or provincial taxing authority for which a post-petition tax return must be filed must submit to the Claims and Solicitation Agent or the Monitor a request for such Administrative Claim so as to be received by 5:00 p.m. (prevailing Eastern Time) on the date that is no more than ninety (90) days after the applicable post-petition tax return has been filed.

**FAILURE TO FILE AND SERVE SUCH REQUEST TIMELY AND PROPERLY SHALL RESULT IN THE ADMINISTRATIVE CLAIM BEING FOREVER BARRED AND UNABLE TO COLLECT FROM THE ASSETS OF THE DEBTORS.**

B. Fee Claims

1. Fee Claims Generally

All Fee Claims must be filed with the Bankruptcy Court and served on (i) the Liquidation Trustee and its counsel, (ii) the U.S. Trustee, (iii) U.S. counsel to the Debtors, (iv) counsel to the Creditors' Committee, (v) counsel to the Equity Committee, and (vi) the Fee Examiner, no later than the Fee Claims Bar Date. After notice and a hearing in accordance with the procedures established by the Bankruptcy Code and prior orders of the Bankruptcy Court in the Chapter 11 Cases, including Docket Nos. 226 and 521, the Bankruptcy Court shall determine the Allowed amounts of such Fee Claims. For the avoidance of doubt, (i) any Canadian Fee Claims shall be paid in accordance with the Cross-Border Protocol and do not need to be filed with the Bankruptcy Court on or before the Fee Claims Bar Date and (ii) the fees of any U.S. Professional retained pursuant of an order of the Bankruptcy Court shall be paid in accordance with the orders of the Bankruptcy Court and do not need to be filed with the Canadian Court.

**FAILURE TO PROPERLY FILE AND SERVE FINAL FEE APPLICATIONS BY THE FEE CLAIMS BAR DATE SHALL RESULT IN THE UNDERLYING FEE CLAIMS BEING FOREVER BARRED AND UNABLE TO COLLECT FROM THE DEBTORS' ESTATES.**

2. Objections to Fee Claims

Objections to Fee Claims, if any, must be filed and served on the party asserting the objectionable Fee Claim and each of the parties to be served with a Fee Claim under this Plan no later than twenty (20) days after the filing of the Fee Claim or such other date as may be established by the Bankruptcy Court. Additionally, the Fee Examiner shall review Fee Claims as set forth in the Fee Examiner Order, except the Fee Examiner shall have sixty (60) days to review final fee applications for Fee Claims.

3. Payment of Fee Claims

Upon entry of an order by the Bankruptcy Court Allowing a Fee Claim, the Distribution Agent shall promptly pay the applicable U.S. Professional the Allowed Fee Claim from the Holdback Amount to the extent necessary to pay the Allowed Fee Claim in full *less* any amounts previously received by such U.S. Professional pursuant to the Interim Compensation Order. If the Holdback Amount for any given U.S. Professional is less than the Allowed Fee Claim, the Distribution Agent shall promptly pay the difference to the U.S. Professional from the Sale Proceeds notwithstanding the insufficiency of the Holdback Amount. For the avoidance of doubt, (i) the Interim Compensation Order will govern the payment and allowance of any Fee Claim through the Effective Date and (ii) Canadian Fee Claims shall be paid by the Debtors in accordance with the Cross-Border Protocol and any procedures adopted by the Canadian Court.

4. Success and Transaction Fee Applications

Applications for the allowance and payment of success and transaction fees, unless approved by the Bankruptcy Court prior to the Confirmation Date, must be filed with the Bankruptcy Court and served on (i) the Liquidation Trustee and its counsel, (ii) the U.S. Trustee,

(iii) U.S. counsel to the Debtors, (iv) counsel to the Creditors' Committee, and (v) counsel to the Equity Committee no later than forty-five (45) days after the Effective Date. After notice and a hearing in accordance with the procedures established by the Bankruptcy Code and prior orders of the Bankruptcy Court in the Chapter 11 Cases, the Bankruptcy Court shall determine the Allowed amounts of such success and transaction fees, if any, which Allowed amounts the Distribution Agent shall promptly pay.

**FAILURE TO FILE AND SERVE A TRANSACTION FEE APPLICATION IN A TIMELY MANNER SHALL RESULT IN THE UNDERLYING CLAIM BEING FOREVER BARRED AND THE HOLDER THEREOF UNABLE TO COLLECT FROM THE ASSETS OF THE DEBTORS.**

Objections to requests for allowance and payment of success and transaction fees, if any, must be filed and served on the party asserting the objectionable success or transaction fee claim and each of the parties to be served with such success or transaction fee request under this Article no later than twenty (20) days after the filing of the requests for allowance and payment of success and transaction fees or such other date as may be established by the Bankruptcy Court. Consistent with the terms of the Fee Examiner Order, the Fee Examiner shall not review success or transaction fee requests.

5. U.S. Trustee Fees

All fees payable pursuant to 28 U.S.C. § 1930(a) shall be paid by the Distribution Agent on behalf of each Debtor for each quarter (including any fraction thereof) until such Debtor's Chapter 11 Case is converted, dismissed, or a Final Decree is issued, whichever occurs first, and the Reorganized Debtors shall file post-confirmation quarterly reports on behalf of each Debtor for each quarter (including any fraction thereof) until such Debtor's Chapter 11 Case is converted, dismissed, or a Final Decree is issued.

6. Canadian Fee Claims

All Canadian Fee Claims will be paid by the Debtors in consultation with the Monitor in accordance with and pursuant to the CCAA Approval Order and until the CCAA Approval Order Date, in the ordinary course in the CCAA Proceedings as such Canadian Fee Claims become due and payable.

C. Priority Tax Claims

To the extent not previously paid during the Chapter 11 Cases or the CCAA Proceedings, and except to the extent a Holder of an Allowed Priority Tax Claim agrees to less favorable treatment, a Holder of an Allowed Priority Tax Claim shall receive either (a) on or as soon as practicable after the later of (i) the Effective Date or (ii) the first Business Day after the date that is thirty (30) days after the date a Priority Tax Claim becomes an Allowed, Cash in an amount equal to such Allowed Priority Tax Claim, or (b) deferred Cash payments following the Effective Date, over a period not exceeding five years from the Petition Date (provided, however, that, in accordance with the CCAA, Priority Tax Claims held by the CRA, the Canadian federal government or a Canadian provincial government shall instead be paid over the course of a period not to exceed six (6) months). Any Claim or demand for fines or penalties related to a Priority Tax Claim assessed after the Petition Date shall be disallowed and the Holder of an Allowed Priority Tax Claim shall not assess or attempt to collect any such fine or penalty.

D. CCAA Charge Claims

To the extent not previously paid during the Chapter 11 Cases or the CCAA Proceedings, a Holder of an Allowed CCAA Charge Claim shall be paid in Cash in an amount equal to such Allowed CCAA Charge Claim in accordance with the CCAA Approval Order or as otherwise agreed between the applicable Debtor, with the consent of the Monitor and the Holder.

## IV. CLASSIFICATION AND TREATMENT OF CLAIMS AND EQUITY INTERESTS

A. Classification

This Plan constitutes a separate Plan for each Debtor. This Plan classifies Claims and Equity Interests for all purposes, including voting, confirmation and distribution, pursuant to sections 1122 and 1123(a)(1) of the Bankruptcy Code. A Claim or Equity Interest shall be deemed classified in a particular Class only to the extent that the Claim or Equity Interest qualifies within the description of that Class and shall be deemed classified in a different Class to the extent that any remainder of such Claim or Equity Interest qualifies within the description of such different Class. A Claim or Equity Interest is in a particular Class only to the extent that such Claim or Equity Interest has not been previously Paid in Full.

Other than those Claims and Interests listed in Article III of this Plan, which are not required to be classified pursuant to section 1123(a)(1) of the Bankruptcy Code, all Claims against and Equity Interests in the Debtors are classified as follows:

1. <u>Parent Debtor Plan: Claims Against and Equity Interests in Old PSG Wind-down Ltd. (f/k/a Performance Sports Group Ltd.)</u>

B. Treatment of Claims and Interests in the Parent Debtor

This Plan provides the following treatment and voting rights for each Class of Claims against and Equity Interests in the Parent Debtor:

1. Class P1 –Secured Claims

a. *Classification.* Class P1 consists of all Secured Claims.

b. *Treatment*: On or as soon as practicable after the Effective Date, each Holder of a Class P1 Allowed Secured Claim, if any, shall receive in full and final satisfaction, settlement, and release of and in exchange for such Allowed Secured Claim: (a) the return of the Collateral securing such Allowed Secured Claim; (b) Cash equal to 100% of the amount of such Allowed Secured Claim and Post-Petition Interest required to be paid under section 506(b) of the Bankruptcy Code; (c) such other treatment as will render the Holder of such Allowed Secured Claim Unimpaired; or (d) such other treatment as to which the Holder of such Allowed Secured Claim has agreed to in writing.

c. *Voting*: Class P1 is Unimpaired. The Holders of Class P1 Allowed Secured Claims are conclusively presumed to have accepted this Plan pursuant to section 1126(f) of the Bankruptcy Code, and are not entitled to vote to accept or reject this Plan.

2. Class P2 – Priority Non-Tax Claims

a. *Classification.* Class P2 consists of all Priority Non-Tax Claims.

b. *Treatment*: Unless the Holder agrees to a different treatment, on or as soon as practicable after the later of the Effective Date or the date a Priority Non-Tax Claim becomes an Allowed Priority Non-Tax Claim, each Holder of an Allowed Priority Non-Tax Claim shall receive Payment in Full in Cash with Post-Petition Interest, or such other treatment as will render the Allowed Priority Non-Tax Claim Unimpaired.

c. *Voting*: Class P2 is Unimpaired. The Holders of Class P2 Priority Non-Tax Claims are conclusively presumed to have accepted this Plan pursuant to section 1126(f) of the Bankruptcy Code, and are not entitled to vote to accept or reject this Plan.

3. Class P3 – SEC Claim

a. The SEC Claim is withdrawn and Class P3 is deemed eliminated from this Plan.

4. Class P4 – General Unsecured Claims

a. *Classification.* Class P4 consists of all General Unsecured Claims.

b. *Treatment*: To the extent not already Paid in Full or otherwise satisfied prior to the Effective Date, on or as soon as practicable after the later of (i) the Effective Date or (ii) the date a General Unsecured Claim becomes an Allowed General Unsecured Claim, each Holder of an Allowed General Unsecured Claim shall receive Payment in Full in Cash of the Allowed amount of its Claim. For the avoidance of doubt, in accordance with the Global Settlement, Holders of Allowed General Unsecured Claims shall not receive Post-Petition Interest on account of such Allowed General Unsecured Claims.

c. *Voting*: Class P4 is Impaired because the Global Settlement governs the treatment of General Unsecured Claims under this Plan. The Holders of Class P4 General Unsecured Claims are entitled to vote to accept or reject this Plan.

5. Class P5 – Intercompany Claims

a. *Classification.* Class P5 consists of all Intercompany Claims.

b. *Treatment*: On or after the Effective Date, each Intercompany Claim shall be Reinstated, subject to the rights of Holders of General Unsecured Claims in Class P4 under this Plan (including the Global Settlement) and the CCAA Approval Order, and any Cash or Assets of the U.S. Debtors that are required to be distributed pursuant to this Plan (including the Retained Causes of Action and Liquidation Trust Expense Reserve) shall be transferred by the U.S. Debtors to the Reorganized Parent Debtor in satisfaction of the same amount of such applicable Intercompany Claims, and Intercompany Claims shall receive such additional or different treatment as will be set forth in the Plan Supplement.

c. *Voting*: Class P5 is Unimpaired. Each Holder of a Class P5 Intercompany Claim is conclusively presumed to have accepted this Plan pursuant to section 1126(f) of the Bankruptcy Code, and is not entitled to vote to accept or reject this Plan.

6. Class P6 –Securities Claims

a. *Classification.* Class P6 consists of all Securities Claims.

b. *Treatment*: As of the Effective Date, the Securities Claims shall be Allowed. In full and final satisfaction, settlement, discharge and release of the Securities Claims and any other Claim the Securities Claimants have asserted or could assert against the Debtors in respect of the Securities Claims and Securities Litigation, the Class Settlement Cash Consideration and Class Settlement Litigation Proceeds shall be paid to the Class Settlement Escrow for the Securities Claimants, pursuant to and in accordance with Article V of this Plan and the Confirmation Order, to be held in escrow for distribution pursuant to a plan of allocation to be approved by the District Court, subject to Article V.B.3(d) below.

For the avoidance of doubt, the Securities Claimants will not receive either Beneficial Trust Interests or Parent Equity Interests, nor will Beneficial Trust Interests or Parent Equity Interests be distributed on account of the Securities Claims, under or pursuant to this Plan or the Class Plaintiff Stipulation.

c. *Voting*: Class P6 is Impaired. In accordance with the Class Plaintiff Stipulation, the Lead Plaintiff is entitled to and shall vote to accept this Plan on behalf of itself and the Putative Class (subject to certification of the Putative Class for purposes of the Class Settlement and this Plan, including voting).

7. Class P7 – Parent Equity Interests

a. *Classification.* Class P7 consists of all Parent Equity Interests.

b. *Treatment.* Holders of Parent Equity Interests shall receive their Pro Rata share of the Shareholder Distributable Assets under, and subject to, this Plan (including the Global Settlement) and the CCAA Approval Order. This Plan allows Holders of Parent Equity Interests to elect to receive certain of such Plan consideration in the form of either Beneficial Trust Interests (and a right to receive their Pro Rata share of any other Shareholder Distributable Assets in accordance with this Plan) in exchange for their Parent Equity Interests, or to retain their Parent Equity Interests. Holders of Beneficial Trust Interests and Holders of Parent Equity Interests will receive distributions of equal amounts of Cash under this Plan per Parent Equity Interests on a Pro-Rata basis (other than differences attributable to the differing tax treatment of the Liquidation Trust and the Reorganized Parent Debtor that may consequently result in more or less favorable net recoveries to Holders of Parent Equity Interests after consideration of the potentially differing rates and basis of taxation of the individual Holders). Article V.B.3 of this Plan further describes the distributions that will be made to Holders of Parent Equity Interests and Beneficial Trust Interests.

As noted, each shareholder has the option of receiving its share of certain of such Plan consideration through the following two options:

Option 1: Beneficial Holders of Allowed Parent Equity Interests may elect to have their Parent Equity Interests mandatorily purchased and cancelled in exchange for Beneficial Trust Interests (and a right to receive their Pro Rata share of any other Shareholder Distributable Assets in accordance with this Plan) ("Option 1").

To elect Option 1, beneficial Holders of Allowed Parent Equity Interests must submit a Liquidation Trust Election Form on or before the Liquidation Trust Election Bar Date using the instructions set forth therein. The Debtors shall cause the Liquidation Trust Election Form to be mailed to Holders of Allowed Parent Equity Interests through the Holders of record at the same time as votes on this Plan are solicited from Holders of Parent Equity Interests, as set forth in the Disclosure Statement Order. Subject to the terms of this Plan and at the time prescribed by the Plan, the Holders of Allowed Parent Equity Interests who elect Option 1 shall have their Parent Equity Interests mandatorily purchased and cancelled in exchange for (i) a deemed distribution of the Liquidation Trust Assets attributable to them, (ii) a deemed distribution of their Pro Rata share of the Liquidation Trust Expense Reserve in accordance with this Plan, and (iii) a right to receive their Pro Rata share of any other Shareholder Distributable Assets in accordance with this Plan. The Holders of Parent Equity Interests electing to receive Beneficial Trust Interests as set forth in this Plan shall be deemed to immediately contribute their share of Liquidation Trust Assets and the Liquidation Trust Expense Reserve to the Liquidation Trust.

Beneficial Holders of Allowed Parent Equity Interests may elect Option 1 or Option 2 only for all of their Allowed Parent Equity Interests. All beneficial Holders of Allowed Parent Equity Interests who fail to timely submit the Liquidation Trust Election Form, who fail to properly make an election on the Liquidation Trust Election Form, who make an election with respect to less than all of their Parent Equity Interests or who fail to take any action under this Plan shall be deemed to have elected Option 2 under this Plan.

It is currently anticipated that the Liquidation Trust Beneficial Interests shall be uncertificated and non-transferable except to the extent expressly provided otherwise in the Liquidation Trust Agreement to be included in the Plan Supplement.

Each Holder should consult its own tax advisors with regard to its own tax situation. Holders who are United States Persons should, among other things, consider carefully the sections of the Disclosure Statement entitled Section XVIII. Risk Factors, including Risk Factors T., W. and X., and Section XIX. "Certain U.S. Federal Income Tax Consequences of the Plan"; such United States Persons are urged to elect Option 1 (election to have their Parent Equity Interests mandatorily purchased and cancelled in exchange for their Beneficial Trust Interests (and a right to receive their Pro Rata share of any other Shareholder Distributable Assets in accordance with this Plan)), rather than Option 2 (election to retain Parent Equity Interests). Option 1 is intended to mitigate potential adverse U.S. income tax consequences that could arise for United States Persons who retain their Parent Equity Interests. Each Holder who is a United States Person should consult its own tax advisors for advice having regard to its own tax situation. If a selection of Option 1 by a Holder of Allowed Parent Equity Interests causes adverse tax consequences to the Liquidation Trust, the election may be deemed null and void by the Liquidation Trustee, in his sole discretion, in which event the Person whose election was deemed null and void shall retain its Equity Interests in the Reorganized Parent Debtor.

Option 2: All Holders of Allowed Parent Equity Interests who do not elect Option 1 by the Liquidation Trust Election Bar Date or who are deemed to have elected Option 2 shall retain their Allowed Parent Equity Interests through the Final Distribution Date ("Option 2"). On or after the Final Distribution Date, the Reorganized Parent Debtor shall be dissolved and all remaining Allowed Parent Equity Interests shall be cancelled. If any Holder of Allowed Parent Equity Interests elects Option 1 and the Liquidation Trust is subject to adverse tax consequences in Canada as a result of such Holder holding Beneficial Trust Interests, any transfer to such Holder and the cancellation of such Holder's Parent Equity Interests may be deemed void ab initio by the Liquidating Trustee, in the Liquidating Trustee's sole discretion, in which event the Holder whose election was deemed null and void shall retain its Allowed Parent Equity Interests in the Reorganized Parent Debtor, and the Reorganized Parent Debtor, the Holder and the Liquidation Trust shall each treat such Holder at all times as if such Holder had elected Option 2 (the "Disallowed Election").

After the Effective Date, it is currently anticipated that the Equity Interests will be made non-transferable, including pursuant to amendments to the articles of the Reorganized Parent Debtor. If this Plan is Confirmed and Class P7 (Holders of Parent Equity Interests) votes in favor of the Plan, Holders of Parent Equity Interests shall be considered bound by the Plan and the Plan Transactions, and to have approved amending and restating the articles of the Reorganized Parent Debtor to include transfer restrictions in the articles with respect to the Equity Interests in the Reorganized Parent Debtor.

Each Holder should consult its own tax advisors with regard to its own tax situation. Holders who are Canadian residents should, among other things, consider carefully the sections in the Disclosure Statement entitled Section XVIII. Risk Factors, including Risk Factor "BB. Canadian Shareholders Who Elect Option 1 and Receive Beneficial Trust Interests" and "CC. Canadian Tax Consequences of Liquidation Trust are Uncertain" and Section XX. "Certain Canadian Federal Income Tax Consequences and Risks of the Plan". Such Canadian residents are urged to consider electing Option 2 (election to retain their Allowed Parent Equity Interests) rather than Option 1 (election to have their Parent Equity Interests mandatorily purchased and cancelled in exchange for their Beneficial Trust Interests (and a right to receive their Pro Rata share of any other Shareholder Distributable Assets in accordance with this Plan)). Each Holder who is a Canadian resident should consult its own tax advisors for advice having regard to its own tax situation.

c. *Voting*. Class P7 is Impaired under this Plan. The Holders of Class P7 Allowed Parent Equity Interests are entitled to vote to accept or reject this Plan.

C. Treatment of Claims and Interests in the Subsidiary Debtors

   a. *Classification.* Class 2 consists of all Priority Non-Tax Claims.

   a. *Classification.* Class 3 consists of all General Unsecured Claims.

   b. *Treatment*: To the extent not already Paid in Full or otherwise satisfied prior to the Effective Date, on or as soon as practicable after the later of (i) the Effective Date or (ii) the date a General Unsecured Claim becomes an Allowed General Unsecured Claim, each Holder of an Allowed General Unsecured Claim shall receive Payment in Full in Cash of the Allowed amount of its Claim. For the avoidance of doubt, Holders of Allowed General Unsecured Claims shall not receive Post-Petition Interest on account of such Allowed General Unsecured Claims.

c. *Voting*: Class 3 is Impaired because the Global Settlement governs the treatment of General Unsecured Claims under this Plan. The Holders of Class 3 General Unsecured Claims are entitled to vote to accept or reject this Plan.

4. Class 4 – Intercompany Claims

a. *Classification*. Class 4 consists of all Intercompany Claims.

b. *Treatment*: On or after the Effective Date, each Intercompany Claim shall be Reinstated, subject to the rights of Holders of General Unsecured Claims in Class 3 under this Plan (including the Global Settlement) and the CCAA Approval Order, and any Cash or Assets of the U.S. Debtors that are required to be distributed pursuant to this Plan (including the Retained Causes of Action and Liquidation Trust Expense Reserve) shall be transferred by the U.S. Debtors to the Reorganized Parent Debtor in satisfaction of the same amount of such applicable Intercompany Claims, and any other Intercompany Claims shall receive such additional or different treatment as will be set forth in the Plan Supplement.

c. *Voting*: Class 4 is Unimpaired. Each Holder of a Class 4 Intercompany Claim is conclusively presumed to have accepted this Plan pursuant to section 1126(f) of the Bankruptcy Code, and is not entitled to vote to accept or reject this Plan

5. Class 5 – Intercompany Equity Interests

a. *Classification*. Class 5 consists of all Intercompany Equity Interests.

b. *Treatment*. On the Effective Date, the Holders of Class 5 Intercompany Equity Interests in each Subsidiary Debtor shall receive such treatment as set forth in the Plan Supplement, subject to the rights of Holders of General Unsecured Claims in Class 3 under this Plan (including the Global Settlement) and the CCAA Approval Order.

c. *Voting*: Class 5 is Unimpaired under this Plan. Each Holder of an Intercompany Equity Interest is conclusively presumed to have accepted this Plan pursuant to section 1126(f) of the Bankruptcy Code. Therefore, each Holder of an Intercompany Equity Interest is not entitled to vote to accept or reject this Plan.

D. Elimination of Vacant Classes

Any Class of Claims that does not have a Holder of an Allowed Claim or a Claim temporarily Allowed by the Court for voting purposes as of the date of the Confirmation Hearing shall be deemed eliminated from this Plan for purposes of voting to accept or reject this Plan and for purposes of determining acceptance or rejection of this Plan by such Class pursuant to section 1129(a)(8) of the Bankruptcy Code.

E. Special Provision Governing Unimpaired Claims

Nothing under this Plan shall affect the Debtors', Monitor's or Liquidation Trust's rights in respect of any Unimpaired Claims, including all rights in respect of legal and equitable defenses to or setoffs or recoupment against any such Unimpaired Claims.

F. Acceptance by an Impaired Class

In accordance with section 1126(c) of the Bankruptcy Code and except as provided in section 1126(e) of the Bankruptcy Code, Impaired Classes of Claims entitled to vote shall have accepted this Plan as to a Debtor if it is accepted by the Holders of at least two-thirds (2/3) in dollar amount and more than one-half (1/2) in number of the Allowed Claims that have timely and properly voted to accept or reject this Plan.

In accordance with section 1126(d) of the Bankruptcy Code and except as provided in section 1126(e) of the Bankruptcy Code, Impaired Classes of Equity Interests entitled to vote under this Plan shall have accepted this Plan as to a Debtor if Holders of at least two-thirds (2/3) in number of the shares of Allowed Equity Interests that have timely and properly voted to accept or reject this Plan vote such shares to accept this Plan.

H. Voting Classes; Presumed Acceptance by Non-Voting Classes

If a Class contains Claims eligible to vote and no Holders of Claims eligible to vote in such Class vote to accept or reject this Plan, this Plan shall be presumed accepted by the Holders of such Claims in such Class.

To the extent they are deemed Reinstated under this Plan, distributions on account of Intercompany Equity Interests are being Reinstated solely for the purpose of maintaining the existing corporate structure of the Debtors pending dissolution. The transactions required to implement this Plan shall be implemented in accordance with this Article V.

A. Plan Transactions

From and after the Effective Date, the Monitor, the Liquidation Trustee and/or the Reorganized Debtors, as applicable, may take any and all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate this Plan (the "Plan Transactions"), including: (1) the execution and delivery of any agreements or other documents of merger, consolidation, restructuring, conversion, disposition, transfer, dissolution or liquidation containing terms that are consistent with the terms of this Plan, or any other terms to which the applicable Entities may agree; (2) the execution and delivery of instruments of transfer, assignment, assumption or delegation of any asset, property, right, liability, debt or obligation on terms consistent with the terms of this Plan or having other terms for which the applicable parties agree; (3) the filing of certificates, notices, or articles of incorporation, amendment (including such amendments to the articles of the Reorganized Parent Debtor as may be necessary to make its Equity Interests non-transferable), reincorporation, merger, amalgamation, consolidation, conversion or dissolution and bylaws reflecting the corporate governance changes, share capital reorganizations and dissolutions contemplated by this Plan or as are otherwise appropriate to effectuate the intent of this Plan; (4) the execution and delivery of the applicable documents included in the Plan Supplement; and (5) all other actions that the applicable Persons determine to be necessary or appropriate. For the purposes of effectuating this Plan, none of the Plan Transactions contemplated herein shall constitute a change of control under any agreement, contract or document of the Debtors.

B. Sources of Consideration for Plan Distributions

Distributions under the Plan will be funded and made as set forth below.

1. Funding of the Reserves.

On the Effective Date, the Distribution Agent, on behalf of the Debtors shall fund the Reserves in Cash from the Sale Proceeds or any other Cash then in the Estates in accordance with and in the amounts set forth in Article VI.E of this Plan to be held in the Reorganized Parent Debtor until (1) the issuance of a Clearance Certificate (except in the case of the Holdback Amount Reserve, which does not require a Clearance Certificate to be paid to Professionals); or (2) the decision of the Board of Directors of the Reorganized Parent Debtor to disburse such Reserves; provided, however, that at least $100,000 of the Liquidation Trust Expense Reserve shall be funded into the Liquidation Trust within sixty (60) days of the Effective Date, unless the Board of Directors of the Reorganized Parent Debtor, with the consent of the Liquidation Trustee, which consent shall not be unreasonably withheld, reasonably determines that such funding should not be made. For the avoidance of doubt, no Reserves shall be held by the Monitor. The Distribution Agent shall have the authority to make distributions from the Canadian Sale Proceeds Account and the U.S. Sale Proceeds Account or other Estate accounts, to transfer funds to or from the Canadian Sale Proceeds Account and the U.S. Sale Proceeds Account, and to close either or both of the Canadian Sale Proceeds Account and U.S. Sale Proceeds Account in accordance with this Plan and the CCAA Approval Order and to facilitate making distributions hereunder; provided, however, that the Distribution Agent shall keep records of all disbursements from and deposits made into the Canadian Sale Proceeds Account and U.S. Sale Proceeds Account or such other Estate accounts and shall provide the Reorganized Parent Debtor, the Monitor and the Liquidation Trust with monthly reconciliations of such transactions; and provided further, however, that the Distribution Agent shall not close the Canadian Sale Proceeds Account or U.S. Sale Proceeds Account without thirty (30) calendar days' prior notice to the Reorganized Parent Debtor, the Monitor and the Liquidation Trustee.

2. Distributions to Holders of Allowed Claims.

The Distribution Agent shall Pay in Full in Cash all Allowed Claims other than the Securities Claims under this Plan from the Sale Proceeds.

3. Distributions to Holders of Securities Claims and Allowed Parent Equity Interests.

a. Shareholder Distributable Assets

Holders of Allowed Parent Equity Interests will receive net proceeds from, or interests in, the following Assets under this Plan: (a) subject to the rights of the Securities Claimants, the interests in the Retained Causes of Action described in subparagraph 3(b) hereof; (b) the Liquidation Trust Expense Reserve (if not fully utilized for Wind-Down Expenses); (c) any Sale Proceeds remaining after the Reserves are funded, Allowed Claims other than the Securities Claims are Paid in Full in Cash, and the Wind-Down Expenses are Paid in Full in Cash to the extent such expenses are paid from the Sale Proceeds; and (d) any other Assets, including investment income earned on any Cash Assets (items (a) through (d) collectively, the "Shareholder Distributable Assets").

b. Reorganized Parent Debtor and Liquidation Trust Assets

As soon as practicable after the Effective Date, the Shareholder Distributable Assets other than any Equity Available Cash (but including the interests in the Retained Causes of Action discussed herein) held by the Estates on the Effective Date shall vest in either the Reorganized Debtors or the Liquidation Trust. As soon as practicable after the Effective Date, proportionate interests in the Retained Causes of Action shall be vested in the Reorganized Debtors for the benefit of the Holders of Allowed Parent Equity Interests who have elected or are deemed to have elected Option 2 and in the Liquidation Trust for the benefit of those Holders of Allowed Parent Equity Interests who have elected Option 1 in proportion to the percentages of

Allowed Parent Equity Interests held respectively by the Holders of such Parent Equity Interests who have elected Option 1 and Option 2, respectively, as of the Liquidation Trust Election Bar Date (the "Asset Apportionment"). By way of illustration, if 40% of the Holders of Parent Equity Interests elect to receive Beneficial Trust Interests pursuant to Option 1 as of the Liquidation Trust Election Bar Date, then 60% of the Shareholder Distributable Assets (other than such Equity Available Cash) will vest in the Reorganized Debtors and 40% of the Shareholder Distributable Assets (other than such Equity Available Cash) will vest in the Liquidation Trust, subject to paragraph 3(iii) below. Notwithstanding anything to the contrary in this Plan, the Reorganized Debtors and the Liquidation Trust will cooperate with each other as necessary so that the Shareholder Distributable Assets will be owned by them in a manner that they determine in good faith will maximize the value of such assets under applicable law for all Holders of Allowed Parent Equity Interests, as mutually determined by the Debtors and Equity Committee or, after the Effective Date, the Liquidation Trustee and the Reorganized Debtors. The Debtors and the Liquidation Trust, or the Debtors and the Equity Committee prior to the Effective Date, reserve the right to take any action, and implement any structure as necessary to own the Shareholder Distributable Assets in such manner and as to effect the intent of this Plan. Regardless of whether an interest in the Retained Causes of Action has yet vested in the Liquidation Trust, any Cause of Action Net Proceeds received shall be subject to the obligation to pay the Class Settlement Litigation Proceeds to the Lead Plaintiff for the benefit of the Securities Claimants pursuant to the terms of the Class Plaintiff Stipulation and this Plan.

From and after the Effective Date, the Cash (including the Sale Proceeds but excluding any Cash realized in respect of the Retained Causes of Action) shall vest in the Reorganized Debtors and shall be used by the Distribution Agent on behalf of the Debtors to (i) fund the Reserves; (ii) adequately reserve for or pay in Cash the Wind-Down Expenses; and (iii) Pay in Full the Allowed Claims other than the Securities Claims (including all Allowed Fee Claims and Allowed Canadian Fee Claims to the extent such Claims exceed the Holdback Amount reserved for such Claims) in accordance with this Plan and the CCAA Approval Order (collectively, the "Initial Cash Distributions"). After all such payments have been made or reserved for in full, as mutually determined by the Liquidation Trustee, the Monitor and the Reorganized Parent Debtor, and following receipt of a Clearance Certificate, the Equity Available Cash shall constitute Shareholder Distributable Assets and shall be distributed by the Distribution Agent, (1) first in the amount of $1,150,000, to be paid by the Reorganized Parent Debtor via wire transfer of immediately available funds to the Class Settlement Escrow in accordance with the Class Plaintiff Stipulation and (2) thereafter, Pro Rata to all Holders of Allowed Parent Equity Interests on account of such Allowed Parent Equity Interests, without regard to whether such Holders have elected Option 1 or Option 2, in the manner directed by the Liquidation Trustee and the Reorganized Parent Debtor.

Beneficial Holders of Parent Equity Interests who elect Option 1 under this Plan shall be deemed to receive their Pro Rata share of the Liquidation Trust Assets (and a right to receive their Pro Rata share of any Equity Available Cash and any other Shareholder Distributable Assets in accordance with this Plan) in exchange for the mandatory purchase and cancellation of their Parent Equity Interests, which Liquidation Trust Assets will be deemed immediately contributed to the Liquidation Trust in exchange for Beneficial Trust Interests, and the Parent Equity Interests of Holders electing Option 1 shall be mandatorily purchased and cancelled under this Plan. The Liquidation Trustee will make distributions to Holders of Beneficial Trust Interests in accordance with this Plan and the Liquidation Trust Agreement.

Beneficial Holders of Parent Equity Interests who elect Option 2 under this Plan or who are deemed to elect Option 2 under this Plan shall retain their Parent Equity Interests under this Plan up to and through the Final Distribution Date. The Distribution Agent will make distributions to Holders of Parent Equity Interests in accordance with this Plan and the CCAA Approval Order, or as otherwise provided in the Liquidation Trust Agreement.

c. Pre-Dissolution Reconciliation

Notwithstanding anything in this Plan to the contrary, on or before the Final Distribution Date, the Liquidation Trustee and the Reorganized Parent Debtor shall take any reasonably necessary actions to ensure that the beneficial Holders of Parent Equity Interests shall receive the same Pro Rata distributions of Cash from either the Reorganized Parent Debtor or Liquidation Trust pursuant to this Plan regardless of whether such Holders have elected Option 1 or Option 2 under this Plan (other than potential differences attributable to the differing tax treatment of the Liquidation Trust and Reorganized Parent Debtor under U.S. and Canadian tax laws or the individual tax circumstances of Holders of Parent Equity Interests or Beneficial Trust Interests). Such actions may include (i) a Cash transfer from the Liquidation Trust to the Reorganized Parent Debtor, (ii) a Cash transfer from the Reorganized Parent Debtor to the Liquidation Trust, or (iii) a direct payment by the Distribution Agent or the Liquidation Trustee, as applicable, to Holders of Allowed Parent Equity Interests or Beneficial Trust Interests in an amount necessary to effect such treatment; provided, however, such actions shall not consider or otherwise compensate for the time-value of money, interim fluctuations in currency value, or certain tax liabilities of the Debtors as may be set forth in the Plan Supplement.

d. Holders of Securities Claims

The Class Settlement Cash Consideration and any Class Settlement Litigation Proceeds will be paid to Lead Plaintiff Counsel, on behalf of the Lead Plaintiff and the Putative Class, for deposit in the Class Settlement Escrow in accordance with this Plan and the Class Plaintiff Stipulation. The distribution protocol for individual members of the Putative Class with respect to the Class Settlement Cash Consideration and the Class Settlement Litigation Proceeds shall be addressed by the District Court and an order of the District Court entered in the Securities Litigation. If the Securities Litigation is dismissed or class certification is not granted in the Securities Litigation by the District Court, if necessary in connection with the distribution of the Class Settlement Cash Consideration and the Class Settlement Litigation Proceeds, then (i) neither the Class Settlement Cash Consideration nor any Class Settlement Litigation Proceeds shall be returned to the Liquidation Trust or the Reorganized Parent Debtor and (ii) the Lead Plaintiff will make any necessary motion in the Bankruptcy Court to approve further procedures and a distribution protocol for individual members of the Putative Class following the Effective Date. All expenses attendant to this process shall be borne solely by the Securities Claimants out of the Class Settlement Cash Consideration and/or the Class Settlement Litigation Proceeds.

4. Payment of Wind-Down Expenses

On or before the Effective Date, the Debtors, and after the Effective Date, the Reorganized Parent Debtor or the Liquidation Trust as the case may be, shall pay in Cash: (i) any fees, costs and expenses of the Liquidation Trust in accordance with the Liquidation Trust Agreement (including fees, costs and expenses related to the Retained Causes of Action incurred prior to the date the Liquidation Trust Expense Reserve is funded); (ii) any fees, costs and expenses of the Monitor; (iii) any fees, costs and expenses of the Distribution Agent; (iv) any fees, costs and expenses of the Estates incurred in connection with implementing this Plan and the CCAA Approval Order or winding down the Subsidiary Debtors, including payment of statutory fees and any taxes required to be paid in connection with dissolving the Debtors, including any fees, costs and expenses of the Subsidiary Debtors' Boards of Directors; and (v) any fees, costs and expenses of the Reorganized Parent Debtor, including any fees, costs and expenses of its Board of Directors (items (i) through (v) collectively, the "Wind-Down Expenses").

The Wind-Down Expenses shall be paid from the Sale Proceeds, the Holdback Amount Reserve and any other Cash in the Estates on the Effective Date to the extent paid or incurred on or before the Effective Date and from the Liquidation Trust Expense Reserve or amounts recovered in respect to the Retained Causes of Action if incurred after the Effective Date. In addition, to the extent any funds are recovered in respect of any Retained Causes of Action, such funds shall be applied first to pay any fees, costs, or expenses incurred in connection with the prosecution of such Retained Causes of Action (to the extent not previously paid out of the Liquidation Trust Expense Reserve as Wind-Down Expenses or otherwise) or otherwise incurred by the Liquidation Trust, the Reorganized Parent Debtor or the other Debtors and shall thereafter be deposited into the Liquidation Trust Expense Reserve to the extent necessary to bring the balance on deposit therein (after payment of all then outstanding fees and expenses) to its original amount (as set forth in the Plan Supplement), or such other amount as determined by the Liquidation Trustee necessary to pay reasonable fees and expenses then incurred or anticipated to be incurred for Wind-Down Expenses. For the avoidance of doubt, the initial amount of the Liquidation Trust Expense Reserve shall not be deemed to constitute a "cap" on fees and expenses incurred by the Liquidation Trust with respect to the Retained Causes of Action, the Chief Wind-Down Officer, or the Wind-Down Expenses with respect to required activity.

To the extent that any funds which may be recovered in respect of any Retained Causes of Action remain after payment of fees, costs, or expenses and deposit in the Liquidation Trust Expense Reserve as described in the immediately preceding paragraph (the "Cause of Action Net Proceeds"), then forty percent (40%) of such Cause of Action Net Proceeds shall constitute Class Settlement Litigation Proceeds up to an aggregate maximum amount of $2,500,000, and sixty percent (60%) thereof (provided that once the $2.5 million cap has been reached, all further Cause of Action Net Proceeds shall be distributed to the Holders of equity interests in the Reorganized Parent Debtor and Holders of Beneficial Trust Interests in accordance with the Asset Apportionment) shall constitute Shareholder Distributable Assets. The Class Settlement Litigation Proceeds shall be paid to Lead Plaintiff Counsel, on behalf of the Lead Plaintiff, for distribution amongst Securities Claimants. The sixty percent (60%) portion of the Cause of Action Net Proceeds constituting Shareholder Distributable Assets shall be apportioned between the Liquidation Trust and the Reorganized Parent Debtor for distribution to Holders of Allowed Parent Equity Interests or Beneficial Trust Interests, respectively, in accordance with the Asset Apportionment. To the extent that the Class Settlement Litigation Proceeds equal the aggregate maximum of $2,500,000, then all further Cause of Action Net Proceeds recovered thereafter shall constitute Shareholder Distributable Assets and shall be apportioned between the Liquidation Trust and the Reorganized Parent Debtor for distribution to Holders of Allowed Parent Equity Interests or Beneficial Trust Interests, respectively, in accordance with the Asset Apportionment.

On or before the Effective Date but after the Confirmation Hearing and Canadian Approval Hearing, the Reorganized Parent Debtor and Liquidation Trust will enter into a cost sharing agreement (the "Cost Sharing Agreement") in form and substance acceptable to the Debtors, Monitor and the Committees, pursuant to which the Reorganized Parent Debtor and the Liquidation Trust will each agree to pay for its share of the Wind-Down Expenses from the Shareholder Distributable Assets, (including the Sale Proceeds) or the Liquidation Trust Expense Reserve, as applicable. The Cost Sharing Agreement will allocate the Wind-Down Expenses in accordance with the Asset Apportionment. A form of Cost Sharing Agreement will be included in the Plan Supplement.

C. Corporate Existence; Vesting of Assets

After the Effective Date, the Reorganized Parent Debtor shall continue to exist under applicable corporate law for the sole purposes of (i) taking actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan and the CCAA Approval Order, (ii) prosecuting the Retained Causes of Action, (iii) making distributions from time to time to Holders of Allowed Parent Equity Interests who elect or are deemed to elect Option 2, and (iv) making any other distributions of Shareholder Distributable Assets until the Final Distribution Date, after which time the Reorganized Parent Debtor shall be dissolved.

After the Effective Date, the Chief Wind-Down Officer shall dissolve the Subsidiary Debtors, unless the Subsidiary Debtors must continue to exist under applicable corporate law for the sole purposes of (i) taking actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan and the CCAA Approval Order, (ii) liquidating the Retained Causes of Action, or (iii) making distributions in accordance with this Plan or for tax purposes. Prior to such dissolution, all Assets of the Subsidiary Debtors after Payment in Full of General Unsecured Claims, Intercompany Claims as applicable, and the Wind-Down Costs of such Subsidiary Debtors shall vest in the Reorganized Parent Debtor.

Each Debtor or the Chief Wind-Down Officer is authorized and empowered to merge or amalgamate with any of the other Debtors and is authorized and empowered to effect each such merger or amalgamation and to take and cause to be taken such actions in order to carry out such mergers or amalgamations, in each case, on such terms and conditions as it may deem necessary or desirable. Subject to applicable laws with respect to the Canadian Debtors, the foregoing dissolution and merger actions are authorized without the requirement to file any annual reports or pay related fees thereon, and without any requirement of further action by the stockholders, shareholders, directors or any other officer of the Debtors.

D. Corporate Governance

The existing officers and directors of each Debtor shall be deemed to have resigned on the Effective Date.

The Equity Committee will select the Board of Directors for the Reorganized Parent Debtor which shall consist of three (3) duly qualified directors. The Board of Directors selected by the Equity Committee will be identified in the Plan Supplement. The Reorganized Parent Debtor's Board of Directors shall appoint the Board of Directors for each Subsidiary Debtor pending its dissolution, which Board of Directors may, but is not required to, consist of the same Director(s) that serve on the Reorganized Parent Debtor's Board of Directors, subject to compliance with applicable laws. The Board of Directors will be appointed to serve through the liquidation and dissolution of the Reorganized Debtors.

The initial Chief Wind-Down Officer shall be selected by the Equity Committee with the consent of the Debtors, Monitor and Creditors' Committee (not to be unreasonably withheld) and will be identified in the Plan Supplement and shall be appointed by the Reorganized Parent Debtor's Board of Directors. The Chief Wind-Down Officer may but is not required to be the same person for each of the Debtors. Following the Effective Date, the Reorganized Parent Debtor's Board of Directors shall have the right to replace or terminate the Chief Wind-Down Officer without need for further approval by the Bankruptcy Court or Canadian Court and thereafter, each successor Chief Wind-Down Officer shall fulfill the role of Chief Wind-Down Officer under this Plan.

As a result of, among other things, the delayed filing of its Annual Report, including its annual audited financial statements for the fiscal year ended May 31, 2016 and the related management's discussion and analysis, the Parent Debtor continues to be in default of the disclosure and filing requirements under applicable Canadian Securities Laws. The Parent Debtor currently intends to apply to the Canadian Securities Regulators as soon as practicable to seek relief to cease to be a reporting issuer in accordance with applicable Canadian Securities Laws; however, it is not expected that the Reorganized Parent Debtor or the Liquidation Trust, as applicable, will be in a position to comply with applicable Canadian Securities Laws regardless of whether the requested relief is granted by the Canadian Securities Regulators. Further, it may be necessary for the Reorganized Parent Debtor and/or the Liquidation Trust, as applicable, to seek exemptive relief from the Canadian Securities Regulators in order to give effect to the Plan and the Plan Transactions, and there can be no assurance that such relief will be granted in a timely manner, or at all. After the Effective Date, it is currently anticipated that the Equity Interests will be made non-transferable, including pursuant to amendments to the articles of the Reorganized Parent Debtor. If this Plan is Confirmed and Class P7 (Holders of Parent Equity Interests) votes in favor of the Plan, Holders of Parent Equity Interests shall be considered bound by the Plan and the Plan Transactions, and to have approved amending and restating the articles of the Reorganized Parent Debtor to include transfer restrictions in the articles with respect to the Equity Interests in the Reorganized Parent Debtor.
