Certain materials and reports in the matter are confidential. A notice to the media has already been requested for a first confidential Affidavit in this matter. The Applicants intend to apply for a sealing order to seal the contents of that first confidential Affidavit and a second confidential Affidavit. The confidential materials contain information with respect to purchase agreements, proposed purchase prices and other past sale information on properties of the Applicants. The confidential materials thus contain commercially sensitive information and documentation. There will be a negative impact and significant potential prejudice to stakeholders in the event such confidential information and documentation is disclosed to the public, and the transactions contemplated in the purchase agreements were not able to close as a result of the same.

Specify whether you seek a remedy under a statute, or are relying on the court's common law powers.

Examples:

- I am applying for a publication ban on my name under Section 486.5 of the Criminal Code.
- I am applying to close the courtroom for a private hearing under Section ___ of the Criminal Code.
- I am applying for a publication ban on all of the evidence under a judge's common law powers.
