## TO THE ELECTRONIC SERVICE LIST ATTACHED AS SCHEDULE “A”

Dear Sir/Madam:

**Re: In the Matter of the Companies’ Creditors Arrangement Act, R.S.C. 1985, c. C-36,  
as amended and in the Matter of a Plan of Compromise or Arrangement of  
Independent Energy Corp.  
Court File No. 2301-08292 (the “CCAA Proceeding”)**

We are counsel to Independent Energy Corp. (“IEC”) in the above noted matter.

Pursuant to the terms of an Order granted by the Honourable Justice E.J. Sidnell on September 6, 2023, (the “**SISP Order**”) the Court of King’s Bench of Alberta approved a sale and investment solicitation process (“**SISP**”) in the CCAA Proceeding to solicit offers for the business or property of IEC.

The SISP, among other things, set out various deadlines and milestones. Be advised that the Monitor has requested that IEC advise you that, pursuant to paragraph 52 of the SISP, certain deadlines provided in the SISP will be extended as follows:

|                                  | <u><b>Original Deadline</b></u>               | <u><b>Extended Deadline</b></u>               |
|----------------------------------|-----------------------------------------------|-----------------------------------------------|
| Phase 1 Non-Binding LOI Deadline | October 30, 2023<br>12:00 p.m (Calgary time)  | November 22, 2023<br>12:00 p.m (Calgary time) |
| Phase 2 Binding Bid Deadline     | December 12, 2023<br>12:00 p.m (Calgary time) | January 22, 2024<br>12:00 p.m (Calgary time)  |

The above-noted extensions are being implemented in order to provide IEC and the Sales Advisor sufficient time to adequately review and select a winning bid(s), finalize definitive documents, and seek approval of a transaction. The extensions are being made at the recommendation of the Sales Advisor, and are supported by IEC, the Monitor, and IEC’s senior secured creditor.
