**ENDORSEMENT OF JUSTICE PENNY:**

- [1] Initial order under the CCAA to issue in the form signed by me this day. This order shall only be valid for the next seven days, until the comeback hearing on Thursday June 27, 2024.
- [2] This order is obviously entirely without prejudice to the rights and positions of all parties, whether served in advance of today's attendance or not.
- [3] A request was made for flexibility around the sequencing of responding material and cross examination. I directed the parties to do all they could to avoid being offside the Rules but that, if it becomes absolutely necessary, they are granted the ability to sequence these events differently; that may however, affect the weight to be afforded such evidence.
- [4] Written reasons to follow.
