ENDORSEMENT OF JUSTICE P. CAVANAGH:

The Applicants seek an order approving the Monitor's Seventh Report and extending the stay period to and including August 9, 2024.

The reason for the request is that a condition of the completion of the pending share purchase transaction is approval from Health Canada. It is anticipated that this approval will be obtained prior to the expiration of the extended stay period.

I am satisfied that the extension is appropriate in the circumstances and that the Applicants are acting in good faith.

Order to issue in form of Order signed by me today.
