ENDORSEMENT OF JUSTICE CONWAY (released May 13, 2026, corrected):

[1] Crystallex International Corporation ("**Crystallex**") brings this motion for a Supplemental Claims Procedure Order (the "**SCPO**"). There is no dispute that it is appropriate to grant the SCPO. Most of the issues relating to that order have already been resolved.

[2] The remaining issues were resolved at the hearing with counsel, with input from the Court, as follows:

a. The SCPO contains a bar order. It is understood that the bar order does not constitute a release or compromise of claims against Crystallex or the directors.

b. The motion scheduled for October 6 and 7, 2026 has been rescheduled to **October 27 and 28, 2026 (full days starting at 10 a.m., in person, confirmed with the Commercial List Office**) (the "**October Motion**").

c. The October Motion will address any creditor claims, subject to the Court's discretion to determine, at the case conference to be held in August 2026, whether any of those claims should not be addressed at the October Motion. The primary issue to be addressed at the October Motion will be the entitlement of creditors to post-filing interest.

d. Counsel will work out a timetable for the October Motion, which they may send to me for my endorsement.

e. The wording in paragraph 4 of the SCPO with respect to the disclosure of information by Crystallex has been amended to provide for the consent of the Monitor as set out in paragraph (ii).

f. Counsel for the Trustee has confirmed to the Court that it will be including its claim for post-filing interest in its proof of claim form.

[3] Counsel have revised the draft SCPO in accordance with the above. I am satisfied with the form of order.

[4] Order to go as signed by me and attached to this Endorsement. This order is effective from the date thereof and is enforceable without the need for entry and filing.
