Remedy claimed or sought:

1. The Applicant, Ernst & Young Inc. (the **"Monitor"**) in its capacity as the Monitor of, Sunera Acreage Holdings Inc., Acreage Development Corp., Sirona Farms Inc. and 2834015 Alberta Ltd. (collectively, the **"CCAA Applicants"**), seeks the following relief pursuant to the Companies' Creditors Arrangement Act, RSC 1985, c C-36 (the **"CCAA"**):
 - (a) an Order, substantially in the form of the draft Order (Extension, Distribution, Directors and Officers' Release, and Administration Charge) as Schedule "A":
 - (i) abridging the time for service of this Application and supporting materials and dispensing with service on any person other than those served;
 - (ii) extending the stay provided for in the November 28, 2025, Amended and Restated Initial Order granted in these proceedings (the **"CCAA Proceedings"**) by the Honourable Justice Mah (the **"ARIO"**) up to and including October 30, 2026;
 - (iii) increasing the value of the Administration Charge (as defined in the ARIO) from \$500,000 to \$1,050,000;
 - (iv) varying the priorities of the Court-ordered Charges (as defined in the ARIO) to remove the interim financing Charge of Conex Services Inc. (**"Conex"**);
 - (v) authorizing and directing the Monitor to Sapphire Global Finance Corp. (**"Sapphire"**) out of the proceeds of the Transaction (as defined in the Approval and Reverse Vesting Order (the **"RVO"**) granted by the Honourable Justice Marion in these CCAA Proceedings on July 13, 2026) the sum of up to \$2,710,250.84, or such other alternative balance that this Honourable Court may determine is owed to Sapphire, plus interest accruing thereon from the date of July 31, 2026, to the date of payment,;
 - (vi) the approval of releases in favour of the current officers and directors of the CCAA Applicants (collectively, the **"D&Os"**) of all claims and liabilities arising from or relating to any act or omission of the D&Os occurring prior to the commencement of these CCAA proceedings relating to or concerning the CCAA Applicants (the **"D&O Release"**); and
 - (vii) such further and other relief as counsel may advise and this Honourable Court deems fit.

Grounds for making this application:

2. The CCAA Applicants formerly carried on the business of cannabis production and wholesale distribution. On November 21, 2025, the CCAA Applicants initiated these CCAA Proceedings by obtaining an Initial Order of the Honourable Justice Gill.

3. On November 28, 2025, the Honourable Justice Mah granted the ARIO in these CCAA Proceedings. The ARIO provided for an extension of the initial stay of proceedings in favour of the CCAA Applicants until February 13, 2026 (the **"Stay Period"**). The CCAA Applicants further extended the Stay Period pursuant to three further Orders of this Honourable Court, granted on February 6, 2026, May 8, 2026, and May 20, 2026.
4. Following the commencement of these CCAA Proceedings, the CCAA Applicants made efforts to restructure their affairs by, without limitation:
 - (a) Taking the steps required to reinstate applicable licensure required to cultivate and sell cannabis; and
 - (b) Working in concert with the Monitor and advisors to market investment or sale opportunities concerning the CCAA Applicants.
5. On May 20, 2026, the Honourable Justice Lema granted an Order (the **"SISP Order"**) which, amongst other things, further extended the Stay Period until July 17, 2026, and enhanced and expanded the Monitor's powers. The SISP Order provided that the Monitor would have the full power and author to, without limitation:
 - (a) Oversee and direct the business and financial affairs of the CCAA Applicants;
 - (b) Enter into contracts or agreements on behalf of the CCAA Applicants;
 - (c) Engage and negotiate with the creditors and other stakeholders of the CCAA Applicants; and
 - (d) Conduct a Sales and Investment Solicitation Process (the **"SISP"**) to market the sale of the CCAA Applicants or their assets, or alternatively investment opportunities in the CCAA Applicants.
6. The Monitor conducted the SISP in accordance with the procedures adopted in the SISP Order. This SISP resulted in the Monitor's entry into a Subscription Agreement with Conex concerning the Transaction involving Conex's acquisition of 100% of the issued and outstanding shares of Sirona Pharma Inc. (**"Sirona Pharma"**).
7. On July 13, 2026, this Court approved the Transaction between the Monitor and Conex by way of its granting of the RVO.
8. The Monitor anticipates that the Transaction will close on or about July 22, 2026.

The Releases

9. The D&O Release provides for the release of the D&Os from all claims and liability arising from, without limitation, any and all acts, omissions, conduct or dealings with or concerning any of the CCAA Applicants occurring prior to the commencement of these CCAA Proceedings. Such released liabilities include, without limitation, the release of liabilities of the D&Os in their personal capacities pursuant to the *Excise Act*, 2001, SC 2002, c. 22, for or relating to unremitted excise duties of the CCAA Applicants.

10. The terms of the Key Employee Retention Plan (the “**KERP**”), which was approved by this Honourable Court pursuant to the ARIO, require the CCAA Applicants to seek the release of the D&Os of all liabilities relating to any individual CCAA Applicant in the event that it sold in a transaction concluded pursuant to any reverse vesting order. The CCAA Applicants’ agreement to seek the D&O Release is an integral feature of the KERP and was necessary to ensure the continued engagement of the D&Os in these proceedings. The D&Os contributed meaningfully to these CCAA proceedings by, without limitation, continuing to manage the CCAA Applicants and successfully reinstating applicable Health Canada licensure required to enable the sale of Sirona Pharma as a licensed entity. The D&O Release is rationally connected to the CCAA Applicants’ restructuring and such restructuring could not have occurred with the D&O Release.
11. Both the D&O Release expressly excludes claims for fraud, claims for willful misconduct, any claims that may not be released pursuant to section 5.1(2) of the CCAA, and any claims insured under a policy of insurance maintained by the CCAA Applicants.

Increase to the Administration Charge

12. The ARIO provides for an Administration Charge over all of the assets of the CCAA Applicants in the amount of up to \$500,000 as security for the fees of the Monitor, the Monitor’s legal counsel, legal counsel to the CCAA Applicants, and the CRO incurred in connection with these proceedings.
13. The scope of the activities of the Monitor, the Monitor’s counsel, and counsel to the CCAA Applicants has expanded materially beyond the initial scope of activities anticipated at the time of the granting of the ARIO.
14. The aggregate value of work-in-progress amounts and the outstanding accounts of the Monitor, the Monitor’s counsel, and the CCAA Applicants’ stand at in excess of \$695,000, as of July 21, 2026.
15. In addition to the accounts of the Monitor, the former Chief Restructuring Officer of the CCAA Applicants, Gord Boersma and/or his operating company, Grand Arc Bend Inc. have claimed an entitlement to fees or costs secured by the Administration Charge of over \$200,000, in addition to a portion of a claimed success fee pertaining to the Transaction.
16. The Monitor thus seeks to increase the Administration Charge from \$500,000 to \$1,050,000.
17. Absent the requested increase to the Administration Charge, the Monitor, the Monitor’s counsel, and counsel to the CCAA Applicants are at risk of non-recovery of their fees and disbursements incurred in connection with these CCAA Proceedings in the event that the this Honourable Court should find that any other parties, including, without limitation, Gord Boersma or Grand Arc Bend Inc., maintain valid claims against the CCAA Applicants that are secured by the Administration Charge.
18. Sections 11.52(1) and (2) of the CCAA collectively empower this Honourable Court to grant Charges in favour of restructuring professionals engaged in connection with CCAA

proceedings over the assets of the CCAA Applicants “in priority over the claim of any secured creditor of the company.”

Interim Distribution

19. Sapphire maintains an Interim Lender’s Charge (as defined in the ARIO) of up to a maximum amount of \$2,325,000. Advances and certain capitalized fees or costs claimed by Sapphire equal \$2,325,000, exclusive of interest and non-capitalized costs,.
20. Sapphire claims that the balance, inclusive of interest and claimable costs projected through to July 31, 2026, will stand at \$2,710,250.84. The Monitor seeks this Honourable Court’s authorization and direction to pay such balance, or any such alternative balance as this Honourable Court may determine is owed to Sapphire, out of the sale proceeds of the Transaction held in trust by the Monitor, plus applicable interest accruing to the date of payment.

Extension

21. The Extension Order, dated July 13, 2026, of the Honourable Justice Marion provides that the stay of proceedings implemented pursuant to the ARIO, as extended from time to time in these CCAA Proceedings, shall expire on August 31, 2026.
22. Since that time the Monitor has scheduled a full-day Commercial List hearing for September 29, 2026, to address outstanding matters pertaining to these CCAA Proceedings.
23. The Monitor respectfully submits that the CCAA Applicants have been acting in good faith and with due diligence under its control, and that appropriate circumstances exist to extend the Stay Period until October 30, 2026.

24. The Fifth Report of the Monitor and Confidential Supplement thereto, dated July 6, 2026.
